- (3) "Department" means the North Carolina Department of Agriculture and Consumer Services.
- (4) "Product" means any product, commodity or article.
- (5) "Public weighmaster" means any person who shall weigh, measure or count, or who shall ascertain from a weighing, measuring or recording device for any other person and declare the weight to be the accurate weight of the product upon which the purchase, sale or exchange is based, and receive compensation for the act.
- (6) "Weigh" means weigh, measure, count, read or record.
- (7) "Weight" means weight, measure, count, reading or recording. (1939, c. 285, s. 1; 1945, c. 1067; 1971, c. 1085, s. 1; 1975, c. 544; 1981, c. 607, s. 4; 1997-261, s. 9.)

§ 81A-52. License.

All public weighmasters shall be licensed. Any person not less than 18 years of age who wishes to be a public weighmaster shall apply to the Department on a form provided by the Department. A person operating as a public weighmaster outside of this State shall include with the person's application for licensure in this State a copy of the most recent weighing device inspection report performed by the person's local or state weights and measures officials within the 12-month period immediately preceding the date of application. The Board may adopt rules for determining the qualifications of the applicant for a license. Public weighmasters shall be licensed for a period of one year beginning the first day of July and ending on the thirtieth day of June, and a fee of nineteen dollars (\$19.00) shall be paid for each person licensed at the time of the filing of the application. (1939, c. 285, s. 2; 1949, c. 983, s. 1; 1975, c. 544; 1981, c. 607, s. 4; 1989, c. 544, s. 20; 2005-276, s. 42.1(f); 2009-87, s. 1.)

§ 81A-53. Certificates of weight.

All public weighmasters shall issue certificates of weight, measure, count, reading or recording on forms approved by the Commissioner and shall enforce the provisions of this Chapter and all rules and regulations promulgated thereunder without compensation from the State. Each certificate issued shall indicate the date on which a product is weighed, counted, read or recorded. A certificate issued by a public weighmaster shall be considered the accurate weight of a product at the time the product is put into the natural channels of trade, with the qualification that reasonable

variations or tolerances shall be permitted as established by rules and regulations enacted pursuant to this Chapter. If any person questions the accuracy of the weight of any product for which a certificate has been issued, a complaint shall be made to the public weighmaster who issued the certificate or to the Commissioner before the product is moved from the city, town or community where the certificate was issued. The product shall be reweighed by the public weighmaster issuing the certificate or by the Commissioner, if the product is kept in accordance with G.S. 81A-58. If, upon reweighing, a difference in excess of the tolerance allowed by the Chapter is found in the original weight, the cost of reweighing shall be borne by the public weighmaster responsible for issuing the faulty certificate. Otherwise, the cost shall be borne by the complainant. (1939, c. 285, s. 3; 1975, c. 544; 1981, c. 607, s. 4.)

The seal shall be stamped or impressed on every certificate issued pursuant to this Article. The weighers of tobacco in leaf tobacco warehouses may use, instead of the seal, their signatures in ink or other indelible substance posted in a conspicuous and accessible place in the warehouse. All seals remain the property of the State and shall be returned to the Commissioner upon termination of duties as a public weighmaster. (1939, c. 285, s. 4; 1941, c. 317, s. 1; 1975, c. 544; 1981, c. 607, s. 4; 1989, c. 544, s. 21.)
