

§ 102-9. Duties and powers of the agency.

It shall be the duty of the agency to make or cause to be made from time to time such surveys and computations as are necessary to further or complete the North Carolina Coordinate System. The agency shall endeavor to carry to completion as soon as practicable the field monumentation and office computations of the coordinate system. For the purpose of this work the agency shall have the power to accept grants for the specific purpose of carrying on the work; to coordinate, organize, and direct any federal or other assistance which may be offered to further the work; to cooperate with any individual, firm, company, public or private agency, State or federal agencies, in the prosecution of the work; to enter into contracts or cooperative agreements with other state or federal agencies in promoting the work of the coordinating system. The agency shall further have the power to adopt necessary rules, regulations, and specifications relating to the establishment and use of the coordinate system as defined in this Chapter, consistent with the standards and practice of the United States Coast and Geodetic Survey.
