

§ 136-27.2. Relocation of county-owned natural gas lines located on Department of Transportation right-of-way.

The Department of Transportation shall pay the nonbetterment cost for the relocation of county-owned natural gas lines, located within the existing State transportation project right-of-way, that the Department needs to relocate due to a State transportation improvement project. (2002-126, s. 26.18(a); 2009-266, s. 12.)
