

§ 146-47. Change of county line before grant issued or registered.

All grants issued on entries for lands which were entered in one county, and before the issuing of the grants therefor or the registration of the grants, by the change of former county lines or the establishment of new lines, the lands so entered were placed in a county or in counties different from that in which they were situated, and the grants were registered in the county where the entries were made, shall be good and valid, and the registration of the grant shall have the same force and effect as if they had been registered in the county where the lands were situated. All persons claiming under and by such grants may have them, or a certified copy of the same, from the office of the Secretary of State, or from the office of the register of deeds when they had been erroneously registered, recorded in the office of the register of deeds of the county or counties where the lands lie, and such registration shall have the same force and effect as if the grants had been duly registered in such county or counties.
