

§ 160D-204. Pending jurisdiction.

After consideration of a change in local government jurisdiction has been formally proposed, the local government that is potentially receiving jurisdiction may receive and process proposals to adopt development regulations and any application for development approvals that would be required in that local government if the jurisdiction is changed. No final decisions shall be made on any development approval prior to the actual transfer of jurisdiction. Acceptance of jurisdiction, adoption of development regulations, and decisions on development approvals may be made concurrently and may have a common effective date.
