To the extent permitted by the laws of its state, a local government in a state adjoining North Carolina may participate in regional councils of governments organized under this Part to the same extent as if it were located in this State. The concurrent resolutions creating a regional council of governments, and any amendments thereto, will be referred to in this Part as the "charter" of the regional council.

(b) For the purposes of this Part, "unit of local government" means a county, city, or consolidated city-county. (1971, c. 698, s. 1; 1973, c. 426, s. 71.)

§ 160A-471. Membership.

Each unit of local government initially adopting a concurrent resolution under G.S. 160A-470 shall become a member of the regional council. Thereafter, any local government may join the regional council by ratifying its charter and by being admitted by a majority vote of the existing members. All of the rights and privileges of membership in a regional council of governments shall be exercised on behalf of its member governments by their delegates to the council. (1971, c. 698, s. 1; 1973, c. 426, s. 72.)

§ 160A-473. Organization of council.

Upon its creation, a regional council shall meet at a time and place agreed upon by its member governments and shall organize by electing a chairman and any other officers that the charter may specify or the delegates may deem advisable. The council shall then adopt bylaws for the conduct of its business. All meetings of the council shall be open to the public. (1971, c. 698, s. 1.)

§ 160A-474. Withdrawal from council.

Any member government may withdraw from a regional council at the end of any fiscal year by giving at least 60 days' written notice to each of the other members. Withdrawal of a member government shall not dissolve the council if at least two members remain. (1971, c. 698, s. 1.)

§ 160A-475. Specific powers of council.

The charter may confer on the regional council any of the following powers:

The regional council may pledge real property as security for indebtedness used to finance acquisition of that property or for improvements to that real property, subject to approval by the Local Government Commission as required under G.S. 159-153. A regional council may not exercise the power of eminent domain.
- (7b) To carry out the powers, duties, and responsibilities granted pursuant to Chapter 157 of the General Statutes except the power of eminent domain. This subdivision does not apply to cities with a population of greater than 250,000 according to the latest federal decennial census.
- (8) **(See Editor's Note)** Any other powers that are exercised or capable of exercise by its member governments and desirable for dealing with problems of mutual concern to the extent such powers are specifically delegated to it from time to time by resolution of the governing board of each of its member governments which are affected thereby, provided, that no regional council of governments shall have the authority to construct or purchase buildings, or acquire title to real property, except for the purposes permitted under subdivision (7a) of this section or in order to exercise the authority granted by Chapter 260 of the Session Laws of 1979.

Nothing in this subdivision permits a regional council to exercise the power of eminent domain. This subdivision does not apply to cities with a population of greater than 250,000 according to the latest federal decennial census. (1971, c. 698, s. 1; 1975, c. 517, ss. 1, 2; 1979, c. 902; 2005-290, s. 1; 2006-211, s. 1; 2017-178, ss. 2, 3.)

For the purposes of this Part, "unit of local government" means a county, city or consolidated city-county.

(b) Any regional sports authority created pursuant to this Part shall be a body corporate and politic. (1989, c. 780, s. 1.)

§ 160A-479.6. Withdrawal from authority.

Any member government may withdraw from a regional sports authority at the end of any fiscal year by giving at least 60 days' written notice to each of the other members. A withdrawal does not affect the validity of any revenue bonds or notes, and any revenue from sports facilities in the area of the member government that was pledged in payment of bonds or notes issued before the date of notice of withdrawal remains pledged for that purpose until the bonds and notes and interest on the bonds and notes have been paid. Withdrawal of a member government shall not dissolve the authority if at least two members remain. (1989, c. 780, s. 1.)

Neither the board of commissioners nor the city council may appoint a member of its board to serve on the authority.

Two of the initial appointments under subdivision (1) of this subsection, two of the initial appointments under subdivision (2) of this subsection, one of the initial appointments under subdivision (3)a. of this subsection, and one of the initial appointments under subdivision (3)b. of this section shall be for terms expiring July 1 of the second year after the year in which the authority is created. The remaining initial appointments shall be for terms expiring July 1 of the fourth year after the year in which the authority is created. The third member appointed by the board of commissioners shall serve a term beginning January 1, 1999, and expiring July 1, 2001, and the fourth member appointed by the board of commissioners shall serve a term beginning January 1, 1999, and expiring July 1, 2003. Of the two appointments made by the General Assembly in 1999 and quadrennially thereafter upon the recommendation of the President Pro Tempore of the Senate, one shall be the person recommended by the board of trustees of the constituent institution of The University of North Carolina whose main campus is located within the county. The second member appointed under sub-subdivision (3)c. of this section shall serve an initial term expiring July 1, 2003. Successors shall be appointed in the same manner for four-year terms. A member may be removed by the appointing authority for cause. Vacancies occurring in the membership of the authority shall be filled by the remaining members.

(c) Purpose. – The purpose of an authority is to study, design, plan, construct, own, promote, finance, and operate a regional facility.

(d) Charter and Bylaws. – The act creating an authority and any amendments to it is the Authority's charter. The charter of an authority shall include the name of the Authority. An authority may adopt bylaws. Any bylaw that conflicts with the declared public policy of the State as expressed by law is void and unenforceable. The bylaws may do any one or more of the following:

- (1) Limit the powers, duties, and functions that the Authority may exercise and perform.

- (2) Prescribe the compensation and allowances not to exceed those provided by G.S. 93B-5, if any, to be paid to the members of the Authority.
- (3) Contain rules for the conduct of Authority business and any other matter pertaining to the organization, powers, and functioning of the Authority that the members consider appropriate.

(e) Meetings. – An authority shall meet at a time and place agreed upon by its members. The initial meeting may be called by any four members. (f) Fiscal Accountability. – An authority is a public authority subject to the provisions of Article 3 of Chapter 159 of the General Statutes.

in any contract with that Authority, the interest shall be disclosed to the Authority and shall be set forth in the minutes of the Authority. The member, officer, or employee having an interest shall not participate on behalf of the Authority in the authorization of such contract. Other provisions of law notwithstanding, failure to take any or all actions necessary to carry out the purposes of this subsection do not affect the validity of any bonds or notes issued under this Chapter.

It is not a violation of this subsection for the Chancellor of the main campus of a constituent institution of The University of North Carolina within the county, or the Chancellor's designee, to participate in discussion of or to vote on any matter, including but not limited to the execution of any contract by the Authority, where the matter relates to the interest of a constituent institution of The University of North Carolina within the county.

(h) Any authority created under this Part shall be treated as a board for purposes of Chapter 138A of the General Statutes. (1995, c. 458, s. 1; 1997-68, s. 1; 2000-181, s. 2.5; 2001-311, ss. 1, 2; 2004-158, ss. 3.1, 3.2, 3.3; 2007-348, s. 43; 2017-6, s. 3; 2018-146, ss. 3.1(a), (b), 6.1.)

- (18) To purchase or finance real or personal property in the manner provided for cities and counties under G.S. 160A-20. (1995, c. 458, s. 1.)

§ 160A-480.5. Dissolution of Authority.

The General Assembly may dissolve an authority if all bonds or notes issued by the Authority and all other obligations incurred by the Authority have been fully paid or satisfied. In such event any assets of the Authority shall become the property of the county authorized to levy a room

occupancy and prepared food and beverage tax to be distributed to the Authority. (1995, c. 458, s. 1.)

§ 160A-480.6. Construction contracts.

Article 8 of Chapter 143 of the General Statutes applies to a construction contract of an Authority. An Authority may solicit bids on the basis of separate specifications for the branches or work described in G.S. 143-128(a) and on a single-prime contract basis and accept the lowest bid. (1995, c. 458, s. 1.)

§ 160A-480.7. Seating at regional facility arena.

The Authority shall ensure that at least fifty percent (50%) of the seats for an athletic event that is sponsored by a constituent institution of The University of North Carolina whose principal campus is in the territorial jurisdiction of the authority and is held at the arena of the regional facility are made available to students at that constituent institution and members of the general public. (1995, c. 458, s. 1.)

§ 160A-480.8. Bonds.

(a) Terms. – An Authority may provide for the issuance, at one time or from time to time, of bonds or notes to carry out its corporate purposes. The principal of, the interest on, and any premium payable upon the redemption of the bonds or notes shall be payable from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, from any available revenues or other funds provided for this purpose. The bonds or notes of each issue shall be dated and may be made redeemable prior to maturity at the option of the Authority or otherwise, at one or more prices, on one or more dates, and upon the terms and conditions set by the Authority. The bonds or notes may also be made payable from time to time on demand or tender for purchase by the owner upon terms and conditions set by the Authority. Notes and bonds shall mature at times determined by the Authority, not exceeding 40 years from the date of issue. The Authority shall determine the form and the manner of execution of the bonds or notes, and shall fix the denomination of the bonds or notes and the place of payment of principal and interest. In case an officer whose signature or a facsimile of whose signature appears on any bonds or notes ceases to be an officer before the delivery of the bond or note, the signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if the officer had remained in office until delivery. The Authority may also provide for the authentication of the bonds or notes by a trustee or fiscal agent.

Bonds or notes may be issued under this Part without obtaining, except as otherwise expressly provided in this Part, the consent of any department, division, commission, board, body, bureau, or other agency of the State or of a political subdivision of the State, and without any other proceedings or conditions except as specifically required by this Part or the provisions of the resolution authorizing the issuance of, or any trust agreement securing, the bonds or notes.

Prior to the preparation of definitive bonds, the Authority may issue interim receipts or temporary bonds exchangeable for definitive bonds when the bonds have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds or notes which have been mutilated, destroyed, or lost.

(b) Use of Proceeds. – The proceeds of a bond or note shall be used solely for the purposes for which the bond or note was issued and shall be disbursed in accordance with the resolution

authorizing the issuance of a bond or note and with any trust agreement securing the bond or note. If the proceeds of a bond or note of any issue, by reason of increased construction costs or error in estimates or otherwise, is less than the cost, additional bonds or notes may in like manner be issued to provide the amount of the deficiency.

(c) Security. – Bonds or notes issued by an Authority may be secured in one or more of the following ways:

- (1) By the revenues of the regional facility.
- (2) By security interests in real or personal property or interest therein, including a leasehold interest, acquired with the proceeds of the bonds or notes or improved with the proceeds of the bonds or notes as described in subsection (e) of this section.
- (3) With the approval of the county levying the tax, by receipts, if any, from a room occupancy and prepared food and beverage tax levied by a county and distributed to the Authority; provided, however, that any agreement or undertaking by a county to distribute receipts, if any, from the tax to the Authority may not obligate the county to exercise any power of taxation, or restrict the ability of the county to repeal the tax. However, no action by a county to discontinue, decrease, or repeal a room occupancy tax shall become effective while previously issued bonds or notes secured by receipts from such a tax allocated to an authority by the county remain outstanding.

The security for the bonds or notes shall be specified in the resolution or trust instrument authorizing the bonds or notes.

(d) Revenues. – The Authority may pledge to the payment of its revenue bonds or notes the revenues from the regional facility, including revenues from improvements, betterments, or extensions to the facility. The Authority may establish, maintain, revise, charge, and collect such rates, fees, rentals, or other charges for the use, services, and facilities of or furnished by a regional facility and provide methods of collection of and penalties for nonpayment of these rates, fees, rentals, or other charges. Except as otherwise permitted, the rates, fees, rentals, and charges fixed and charged shall be in an amount that will produce sufficient revenues, with any other available funds, to meet the maintenance and operation expenses of the regional facility as well as any improvements and renewals and replacements to the facility, including reserves to pay the principal, interest, and redemption premium due, if any, on any bonds or notes secured by the facility, and to fulfill the terms of any agreements made by the Authority with the holders of bonds or notes secured by revenues of the facility.

(e) Security Interests. – Bonds or notes may be secured by security interests in any real or personal property or interest therein, including a leasehold interest, either acquired with the proceeds of bonds or notes, or upon which improvements are provided from the proceeds of bonds or notes. The security interest may cover all real and personal property acquired or improved or any portion of the property, except that if the property subject to the security interest is a leasehold interest, the security interest is not to the fee simple title. The Authority is authorized to enter into deeds of trust, mortgages, security agreements, and similar instruments as shall be necessary to carry out the powers in this subsection. Bonds or notes may also be secured by security interests in any real or personal property conveyed to the Authority.

In the event the Authority fails to perform its obligations with respect to the bonds or notes and foreclosure or similar sale of property subject to a security interest occurs, a deficiency judgment may not be rendered against the Authority except to the extent that the deficiency is payable from

either revenues from the regional facility or from any revenues dedicated by act of the General Assembly to the Authority.

(f) Issuance. – The issuance of bonds or notes of the Authority is subject to the approval of the Local Government Commission. Upon the filing with the Local Government Commission of a resolution of the Authority requesting that its bonds or notes be sold, the Commission shall determine the manner in which the bonds or notes will be sold and the price or prices at which the bonds or notes will be sold. In determining whether to approve a proposed bond or note issue of the Authority, the Local Government Commission shall consider the criteria for approval of revenue bonds under G.S. 159-86. The Local Government Commission shall approve the proposed issue if it determines the bond or note issue will meet such criteria and will effect the purposes of this Part. With the approval of the Authority, the Local Government Commission shall sell the bonds or notes either at public or private sale in the manner and at the prices determined to be in the best interests of the Authority and to effect the purposes of this Part.

(g) Certification of Approval. – Each bond or note that is represented by an instrument shall contain a statement signed by the Secretary of the Local Government Commission, or an assistant designated by the Secretary, certifying that the issuance of the bond or note has been approved under this Part. The signature may be a manual signature or a facsimile signature, as determined by the Local Government Commission. Each bond or note that is not represented by an instrument shall be evidenced by a writing relating to the obligation that identifies the obligation or the issue of which it is a part, contains the signed statement certifying approval of the Local Government Commission that is required on an instrument, and is filed with the Local Government Commission. A certification of approval by the Local Government Commission is conclusive evidence that a bond or note complies with this Part.

(h) State Pledge. – The State pledges to the holder of a bond or note issued under this Part that, as long as the bond or note is outstanding and unpaid, the State will not limit or alter the power the Authority had when the bond or note was issued in a way that impairs the ability of the Authority to produce revenues sufficient with other available funds to do all of the following:

- (1) Maintain and operate the facility for which the bond or note was issued.
- (2) Pay the principal of, interest on, and redemption premium, if any, of the bond or note.
- (3) Fulfill the terms of an agreement with the holder.

The State further pledges to the holder of a bond or note issued under this Part that the State will not impair the rights and remedies of the holder concerning the bond or note.

(i) Investment Securities. – All bonds and notes and interest coupons, if any, issued under this Part are made investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code, as enacted in Chapter 25 of the General Statutes.

(j) Details of Bonds or Notes. – In fixing the details of bonds or notes, the Authority may provide that the bonds or notes may:

- (1) Be payable from time to time on demand or tender for purchase by the owner of the bond or note if a credit facility supports the bond or note, unless the Local Government Commission specifically determines that a credit facility is not required because the absence of a credit facility will not materially and adversely affect the financial position of the Authority and the marketing of the bonds or notes at a reasonable interest cost to the Authority.
- (2) Be additionally supported by a credit facility.

- (3) Be made subject to redemption or a mandatory tender for purchase prior to maturity.
- (4) Be capital appreciation bonds.
- (5) Bear interest at a rate or rates that may vary, including variations permitted pursuant to a par formula.
- (6) Be made the subject of a remarketing agreement whereby an attempt is made to remarket the bonds or notes to new purchasers prior to their presentment for payment to the provider of the credit facility or to the Authority.

(k) **Basis of Investment.** – In connection with or incidental to the acquisition or carrying of any investment relating to bonds, program of investment relating to bonds, or carrying of bonds, the Authority may, with the approval of the Local Government Commission, enter into a contract to place the investment or obligation of the Authority, as represented by the bonds, investment, or program of investment and the contract or contracts, in whole or in part, on an interest rate, currency, cash flow, or other basis, including the following:

- (1) Interest rate swap agreements, currency swap agreements, insurance agreements, forward payment conversion agreements, and futures.
- (2) Contracts providing for payments based on levels of, or changes in, interest rates, currency exchange rates, or stock or other indices.
- (3) Contracts to exchange cash flows or a series of payments.
- (4) Contracts to hedge payment, currency, rate, spread, or similar exposure, including interest rate floors or caps, options, puts, and calls.

The Authority may enter a contract of this type in connection with, or incidental to, entering into or maintaining any agreement that secures bonds. A contract shall contain the payment, security, term, default, remedy, and other terms and conditions the Board considers appropriate. The Authority may enter a contract of this type with any person after giving due consideration, where applicable, of the person's creditworthiness as determined by a rating by a nationally recognized rating agency or any other criteria the Board considers appropriate. In connection with, or incidental to, the issuance or carrying of bonds, or the entering of any contract described in this subsection, the Authority may enter into credit enhancement or liquidity agreements, with payment, interest rate, termination date, currency, security, default, remedy, and other terms and conditions as the Authority determines. Proceeds of bonds and any moneys set aside and pledged to secure payment of bonds or any of the contracts entered into under this subsection may be pledged to and used to service any of the contracts entered into under this section. (1995, c. 458, s. 1; 1997-68, s. 2.)

§ 160A-480.9. Trust agreement or resolution.

In the discretion of the Authority, any bonds or notes issued under this Part may be secured by a trust instrument between the Authority and a bank or trust company or individual within the State, or a bank or a trust company outside the State, as trustee. The trust instrument or the resolution of the Authority authorizing the issuance of bonds or notes may pledge and assign all or any part of the revenues, funds, and other property provided for the security of the bonds, including proceeds from the sale of any project, or part thereof, insurance proceeds, and condemnation awards, and may convey or mortgage property to secure a bond issue as provided in this Part.

The revenues and other funds derived from the project, except any part thereof that may be necessary to provide reserves therefor, if any, shall be set aside at regular intervals as may be provided in the resolution or trust instrument in a sinking fund which may be thereby pledged to,

and charged with, the payment of the principal of and the interest on the bonds or notes as they become due and of the redemption price or the purchase price of bonds retired by call or purchase as therein provided. This pledge shall be valid and binding from the time the pledge is made. The revenues so pledged and thereafter received by the Authority shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Authority, irrespective of whether the parties have notice of the pledge. The use and disposition of money to the credit of such sinking fund shall be subject to the provisions of the resolution or trust instrument. The resolution or trust instrument may contain provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including, without limitation, any one or more of the following:

- (1) Acceleration of all amounts payable under the resolution or trust instrument.
- (2) Appointment of a receiver to manage the project and any other property mortgaged or assigned as security for the bonds.
- (3) Foreclosure and sale of the project and any other property mortgaged or assigned as security for the bonds.
- (4) Rights to bring and maintain other actions at law or in equity as may appear necessary or desirable to collect the amounts payable under, or to enforce the covenants made in, the security document.

It shall be lawful for any bank or trust company incorporated under the laws of this State which may act as depository of the proceeds of bonds, revenues, or other funds provided under this Part to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. All expenses incurred in carrying out the provisions of the resolution or trust instrument may be treated as a part of the cost of the project in connection with which bonds or notes are issued or as an expense of administration of the project.

The Authority may subordinate bonds or notes to any prior, contemporaneous, or future securities or obligations or lien, mortgage, or other security interest securing bonds or notes.

Any owner of bonds or notes issued under the provisions of this Part or any coupons appertaining thereto, and the trustee under any trust agreement securing or resolution authorizing the issuance of such bonds or notes, except to the extent the rights given may be restricted by the trust agreement or resolution, may either at law or in equity, by suit, action, mandamus, or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under the trust agreement or resolution, or under any other contract executed by the Authority pursuant to this Chapter; and may enforce and compel the performance of all duties required by this Part or by the trust agreement or resolution by the Authority or by any officer of the Authority. (1995, c. 458, s. 1.)

§ 160A-480.10. Trust funds.

Notwithstanding any other provision of law to the contrary, all money received pursuant to the authority of this Part, whether as proceeds from the sale of bonds or notes or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this Part. The resolution authorizing the issuance of, or the trust agreement securing, any bonds or notes may provide that any of these moneys may be temporarily invested and reinvested pending their disbursement and shall provide that any officer with whom, or any bank or trust company with which, the moneys shall be deposited shall act as trustee of the moneys and shall hold and apply the moneys for the purpose hereof, subject to any regulations this Part and the resolution or trust agreement may

provide. Any of these moneys may be invested as provided in G.S. 159-30, as it may be amended from time to time. (1995, c. 458, s. 1.)

§ 160A-480.11. Faith and credit of State and units of local government not pledged.

Bonds or notes issued under this Part shall not constitute a debt secured by a pledge of the faith and credit of the State or a political subdivision of the State and shall be payable solely from the revenues, property, and other funds pledged for their payment. The bonds or notes issued by an Authority shall contain a statement that the Authority is obligated to pay the bond or note or the interest on the bond or note only from the revenues, property, or other funds pledged for their payment and that neither the faith and credit nor the taxing power of the State or any political subdivision of the State is pledged as security for the payment of the principal of or the interest or premium on the bonds or notes. (1995, c. 458, s. 1.)

§ 160A-480.12. Revenue refunding bonds.

The Authority may issue refunding bonds or notes for one or more of the following purposes:

- (1) Refunding any outstanding bonds or notes issued under this Part, including any redemption premium on the bonds or notes and any interest accrued or to accrue to the date of redemption.
- (2) Constructing improvements, additions, extensions or enlargements of the project, or projects in connection with which the bonds or notes to be refunded have been issued.
- (3) Paying all or any part of the cost of any additional project or projects.

Refunding bonds or notes shall be issued in accordance with the same procedures and requirements as bonds or notes. Refunding bonds issued under this section may be sold or exchanged for outstanding bonds or notes issued under this Part and, if sold, the proceeds of the refunding bonds may be applied, in addition to any authorized purposes, to the purchase, redemption, or payment of outstanding bonds or notes.

Pending the application of the proceeds of refunding bonds, with any other available funds, to the payment of the principal of and accrued interest and any redemption premium on the bonds or notes being refunded, and, if so provided or permitted in securing the same, to the payment of any interest on such refunding bonds and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. (1995, c. 458, s. 1.)

§ 160A-480.13. Bonds eligible for investment.

Bonds and notes issued under this Part are hereby made securities in which all public officers, agencies, and public bodies of the State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, building and loan associations, credit unions, pension or retirement funds, other financial institutions engaged in business in the State, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. These bonds or notes are hereby made securities that may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of

bonds, notes, or obligations of the State or any political subdivision of the State is authorized by law. This section does not apply to any State pension or retirement fund or a pension or retirement fund of a political subdivision of the State. (1995, c. 458, s. 1.)

§ 160A-480.14. Taxation of revenue bonds.

Any bonds and notes issued by the Authority under the provisions of this Part shall be exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding income taxes on the gain from the transfer of bonds and notes, and franchise taxes. The interest on bonds and notes issued by an Authority under the provisions of this Part shall not be subject to taxation as to income. (1995, c. 458, s. 1; 2015-264, s. 16(k).)

§ 160A-480.15. Members and officers not liable.

No member or officer of an Authority shall be subject to any personal liability or accountability by reason of the execution of any bonds or notes or the issuance of any bonds or notes. (1995, c. 458, s. 1.)
