

§ 120-4.16. Repayments and purchases.

(a) All repayments and purchases of service credit, allowed under this Article, shall be made within two years after the member first becomes eligible to make such repayments and purchases. All such repayments and purchases not made within two years after the member becomes eligible shall equal the full liability increase due to the additional service credits on the basis of the assumptions used for the purposes of the actuarial valuation of the liabilities of the Retirement System, except for the following assumptions specific to this calculation: (i) the allowance shall be assumed to commence at the earliest age at which the member could retire on an unreduced retirement allowance and (ii) assumed annual postretirement allowance increases as set by the Board of Trustees of the Teachers' and State Employees' Retirement System upon the advice of the consulting actuary. The calculation of the amount payable shall also include an administrative fee to be set by the Board of Trustees of the Teachers' and State Employees' Retirement System.

(b) Purchase of Service Credits Through Rollover Contributions From Certain Other Plans. – Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may purchase such service credits through rollover contributions to the Annuity Savings Fund from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code, (ii) an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state, (iii) an individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income, or (iv) a qualified plan described in Section 401(a) or 403(a) of the Internal Revenue Code. Notwithstanding the foregoing, the Retirement System shall not accept any amount as a rollover contribution unless such amount is eligible to be rolled over to a qualified trust in accordance with applicable law and the member provides evidence satisfactory to the Retirement System that such amount qualifies for rollover treatment. Unless received by the Retirement System in the form of a direct rollover, the rollover contribution must be paid to the Retirement System on or before the 60th day after the date it was received by the member.

(b1) Purchase of Service Credits Through Plan-to-Plan Transfers. – Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) an annuity contract described in Section 403(b) of the Internal Revenue Code or (ii) an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(c) Purchase of Service Credits Through Plan-to-Plan Transfers. – Notwithstanding any other provision of this Article, and without regard to any limitations on contributions otherwise set forth in this Article, a member, who is eligible to restore or purchase membership or creditable service pursuant to the provisions of this Article, may purchase such service credits through a direct transfer to the Annuity Savings Fund of funds from (i) the Supplemental Retirement Income Plans A, B, or C of North Carolina or (ii) any other defined contribution plan qualified under Section 401(a) of the Internal Revenue Code which is maintained by the State of North Carolina, a political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.
