

§ 130A-453.07. Accreditation of training courses and training providers.

Completion of a training course on inspection, risk assessment, or abatement does not satisfy a training requirement that is a condition for certification under this Article unless both the course provider and the course have been accredited by the Department. The Commission shall establish the procedure and standards for a course provider and a course to be accredited. (1997-523, s. 1.)
