

§ 58-3-230. Uniform provider credentialing.

(a) An insurer that provides a health benefit plan and that credentials providers for its networks shall maintain a process to assess and verify the qualifications of a licensed health care practitioner within 60 days of receipt of a completed provider credentialing application form approved by the Commissioner. If the insurer has not approved or denied the provider credentialing application form within 60 days of receipt of the completed application, upon receipt of a written request from the applicant and within five business days of its receipt, the insurer shall issue a temporary credential to the applicant if the applicant has a valid North Carolina professional or occupational license to provide the health care services to which the credential would apply. The insurer shall not issue a temporary credential if the applicant has reported on the application a history of medical malpractice claims, a history of substance abuse or mental health issues, or a history of Medical Board disciplinary action. The temporary credential shall be effective upon issuance and shall remain in effect until the provider's credentialing application is approved or denied by the insurer. When a health care practitioner joins a practice that is under contract with an insurer to participate in a health benefit plan, the effective date of the health care practitioner's participation in the health benefit plan network shall be the date the insurer approves the practitioner's credentialing application.

(b) The Commissioner shall by rule adopt a uniform provider credentialing application form that will provide health benefit plans with the information necessary to adequately assess and verify the qualifications of an applicant. The Commissioner may update the uniform provider credentialing application form, as necessary. No insurer that provides a health benefit plan may require an applicant to submit information that is not required by the uniform provider credentialing application form.

(c) As used in this section, the terms "health benefit plan" and "insurer" shall have the meaning provided under G.S. 58-3-167. (2001-172, s. 1; 2002-126, s. 6.9(a); 2005-223, s. 9; 2009-487, s. 1.)
