

§ 63-71. Receipt of federal grants.

(a) The Department of Transportation is hereby designated the State agency to accept grants for public airport development and improvements made by the United States pursuant to federal law. The Department shall have authority to comply with federal-aid provisions, to obtain and to disburse said grants in accordance with applicable federal laws and regulations, and to enter into contracts with the federal government, municipalities, counties, or airport authorities in connection with said grants. The Department shall also have the authority to enter into contracts with the Federal Aviation Administration or its successor agency for aeronautics related purposes, including joint acquisition and installation of aviation related equipment in accordance with the procurement procedures of the Federal Aviation Administration where such method of acquisition would result in a cost savings to the Department.

(b) The Department of Transportation shall have authority to act as an agent of any public agency which, either individually or jointly with one or more other public agencies, submits to the Secretary of Transportation of the United States an application for federal aid in connection with airport development, improvement, or planning.
