

§ 160A-581. Territorial jurisdiction.

The jurisdiction of the authority shall extend to all local public passenger transportation operating within the municipality. Said jurisdiction shall also extend up to 30 miles outside of the corporate limits of the municipality where the municipality is a town or city, and up to five miles outside of the boundaries of the municipality where the municipality is a county or up to five miles outside of the combined boundaries of a group of counties. The authority shall not have jurisdiction over public transportation subject to the jurisdiction of and regulated by the I.C.C., nor shall it have jurisdiction over intrastate public transportation classified as common carriers of passengers by the North Carolina Utilities Commission. A public transportation authority shall not extend service into a political subdivision without the consent of the governing body of that political subdivision. A majority vote of the governing body shall constitute consent. (1977, c. 465; 1979, 2nd Sess., c. 1247, s. 45.)
