(b) The Commissioner's determination that the requirements described in subsection (a) are reasonably probable of satisfaction may be based on partial satisfaction of the requirements at a level set by the Commissioner as a prerequisite for approval of the charter, and also may be based on presentation of a plan for the full satisfaction of the requirements.

(c) If it appears to the Commissioner that the proposed bank has satisfied or is reasonably probable to satisfy the requirements for issuance of a charter, the Commissioner shall issue an order approving the application for a charter and such order shall be submitted to the Commission for its review at a public hearing. (b) At the public hearing, the Commission shall consider the findings and order of the Commissioner and shall hear such testimony as the Commissioner may wish to give or be called upon to give. To the extent that the Commission deems the information and testimony relevant to its review of the Commissioner's order, the Commission shall receive information and hear testimony from the organizers and shall hear from any other interested persons. (2012-56, s. 4.)

§ 53C-3-6. Commission decision.

- (2) The bank is well-capitalized and well-managed as demonstrated by the supervisory rating it received during its most recent safety and soundness examination.
- (3) No notice or application to engage in the new activity is required to be filed by the bank with any federal banking regulator.

(f) A bank permitted to commence a new activity without prior application and approval pursuant to subsection (e) of this section shall notify the Commissioner in writing of the commencement of the new activity no later than the 30th day after the earlier of (i) commencing the new activity or (ii) if applicable, making an investment in a subsidiary through which the new activity will be conducted. (2012-56, s. 4; 2013-29, s. 7; 2017-165, s. 5.)

§ 53C-5-2. Investment authority.

(a) In addition to any powers or investments authorized by any other section of this Chapter, a bank may invest in the following:

- (1) The shares or other securities of the following:
 - a. Any other depository institution.
 - b. Any industrial bank, bankers' bank, or other deposit-taking entity chartered or existing under any federal or State law, including the shares or other securities of clearing corporations defined in G.S. 25-8-102, the shares or other securities of central reserve banks, and the shares of an Edge Act bank. The investment of any bank in the shares of a central reserve bank or bank organized under the Edge Act, 12 U.S.C. § 611, et seq., shall at no time exceed ten percent (10%) of the required capital of the bank making the investment.
 - c. Any company in which a federally chartered institution is authorized to invest under any statute or any regulation, official circular, bulletin, order, or written interpretation issued by the OCC.
- (2) Bonds or notes issued by or fully and unconditionally guaranteed as to principal and interest by the United States Treasury. No bank shall be required to

maintain a reserve against deposits secured by United States Treasury bonds or notes equal in market value to the amount of such deposits, and such bonds or notes shall be valid security for all loans and deposits to the same extent as are any obligations of the United States.

- (3) Federal farm loan bonds, notes, or similar obligations issued by a farm credit system institution.
- (4) Securities issued by federal home loan banks pursuant to the Federal Home Loan Bank Act of 1932, as amended.
- (5) Bonds or notes secured by a mortgage or deed of trust insured or guaranteed by the Federal Housing Administration, Secretary of Housing and Urban Development, or the Veterans Administration, or in mortgages or deeds of trust on real estate that have been accepted for insurance or guarantee by the Federal Housing Administration, Secretary of Housing and Urban Development, or Veterans Administration, or in obligations of a national mortgage association, which obligations are insured or guaranteed by the United States government. No law of this State prescribing the nature, amount, or form of security or requiring security upon which loans or investments may be made, or prescribing the rates or time of payment of the interest any obligation may bear, or prescribing the period for which loans or investments may be made, shall apply to investments made pursuant to this subsection.
- (6) Mutual funds, but subject to rules or orders adopted by the Commissioner.

(b) A bank may make an investment in a subsidiary that will be operated as any of the following:

- (1) Bank operating subsidiary.
- (2) Financial subsidiary.
- (3) DPC subsidiary, as defined by G.S. 53C-1-4(30).

(c) No investment shall be made by a bank or a subsidiary pursuant to subsection (b) or (d) of this section unless the following apply:

- (1) The investment is approved by the board of directors of the bank or a board-authorized committee.
- (2) The bank has carefully investigated the business or activity in which the subsidiary established by the investment will engage.
- (3) The bank has established the risk management and financial controls necessary to engage in the business or activity in a safe and sound manner.
- (4) The bank has, and following the making of the investment and the application of the provisions of this subsection, will continue to satisfy the capital requirements of this Chapter.

(d) A subsidiary may invest in a lower-tier subsidiary, subject to the same requirements and limitations applicable to a bank's investment in a subsidiary.

(e) Except as provided in subsection (f) of this section, a bank or subsidiary proposing to make an investment described in subsection (b) or (d) of this section shall give prior written notice to the Commissioner, providing such detail as the Commissioner may require. Unless the Commissioner, within 30 days following receipt of the notice, notifies the bank or subsidiary that the Commissioner objects to the proposed investment, the bank or subsidiary may complete the investment. However, the Commissioner may extend the period within which to object to the proposed investment if the Commissioner determines that it raises issues that require additional

information or additional time for analysis. While the objection period is so extended, the bank or subsidiary may not proceed with respect to the proposed investment. A bank may appeal an objection by the Commissioner pursuant to G.S. 53C-2-6.

(f) The prior notice requirement provided by subsection (e) of this section shall not apply if all of the following apply:

- (1) The bank is well-capitalized and well-managed as demonstrated by the supervisory rating it received during its most recent examination.
- (2) Each activity of the subsidiary in which the investment is to be made is either of the following:
 - a. One in which the bank is then engaged or has previously been engaged, directly or through a different subsidiary, and for which all necessary approvals of bank supervisory agencies and of the Commissioner have previously been obtained and remain in effect.
 - b. One for which no prior notice or application for approval to any federal bank supervisory authority is required.
- (3) A bank that makes an investment pursuant to the exception created by this subsection shall nevertheless notify the Commissioner in writing of the investment within 30 days thereafter.

(g) Any bank, out-of-state bank, national bank, or any subsidiary thereof that engages in an activity subject to licensure and/or regulation under the laws of this State, other than this Chapter, shall be subject to licensure and/or regulation on a basis that does not arbitrarily discriminate by the appropriate regulatory agency which licenses and/or regulates nonbanks that engage in the same activity.

(h) The Commissioner shall monitor the impact of investment activities of banks and their subsidiaries under this section on the safety and soundness of such banks. Any securities owned or hereafter acquired in excess of the limitations herein imposed shall be disposed of at public or private sale within six months after the date of acquiring the securities and, if not so disposed of, they shall be charged to profit and loss account and no longer carried on the books as an asset. The limit of time in which securities shall be disposed of or charged off the books of the bank may be extended by the Commissioner if in the Commissioner's judgment it is for the best interest of the bank that the extension be granted, provided that the limitations imposed in this section on the ownership of shares or other equity ownership interest in companies are suspended only to the extent that any bank operating under the supervision of the Commissioner may subscribe for and purchase shares and other equity ownership interests in, or debentures, bonds, or other types of securities of, any company organized under the laws of the United States for the purposes of insuring the depositors a part or all of their funds on deposit in banks to the extent as security ownership is required in order to obtain the benefits of deposit insurance for such depositors.

(i) A bank may purchase, hold, and convey real estate other than bank premises for the following purposes:

- (1) As security for extensions of credit made or moneys due to it when that real estate has been mortgaged to it in good faith.
- (2) When the real estate has been purchased at sales upon foreclosures of mortgages and deeds of trust held or owned by it, or on judgments or decrees obtained and rendered for debts due to it, or through deeds in lieu of foreclosure or other settlements affecting security of those debts. All real property acquired under this subdivision shall be sold by the bank within five years after it is

acquired unless, upon application by the bank, the Commissioner extends the time within which the sale shall be made.

(j) A bank's investment in any bonds or other debt obligations of any one person, other than obligations of the United States government or an agency thereof, or other obligations guaranteed by the United States, this State, another state, or other political subdivision of this State or another state, shall at no time exceed ten percent (10%) of the sum of (i) the bank's "capital," as that term is defined in G.S. 53C-1-4, plus (ii) those portions of the bank's allowance for loan and lease losses, deferred tax assets, and intangible assets that are excluded from the bank's capital under 12 C.F.R. Part 325. (2012-56, s. 4; 2013-29, s. 8.)

§ 53C-5-3. Banks, fiduciaries authorized to invest in securities approved by the Secretary of Housing and Urban Development, Federal Housing Administration, Veterans Administration.

(a) Insured Mortgages and Obligation of National Mortgage Associations and Federal Home Loan Banks. — It shall be lawful for all commercial and industrial banks, trust companies, building and loan associations, savings and loan associations, insurance companies, mortgagees and loan correspondents approved by the Secretary of Housing and Urban Development or Federal Housing Administration, and other financial institutions engaged in business in this State, and for guardians, executors, administrators, trustees, or others acting in a fiduciary capacity in this State to invest, to the same extent that such funds may be invested in interest-bearing obligations of the United States, their funds or moneys in their custody or possession that are eligible for investment, in bonds or notes secured by a mortgage or deed of trust insured or guaranteed by the Federal Housing Administration, Secretary of Housing and Urban Development, or the Veterans Administration, or in mortgages or deeds of trust on real estate which have been accepted for insurance or guarantee by the Federal Housing Administration, Secretary of Housing and Urban Development, or Veterans Administration, and in obligations of a national mortgage association, which obligations are insured or guaranteed by the United States Government, or bonds, debentures, consolidated bonds, or other obligations of any federal home loan bank or banks.

(b) Insured or Guaranteed Loans; Loans Purchased by National Mortgage Associations and Federal Home Loan Banks. — All such banks, trust companies, building and loan associations, savings and loan associations, insurance companies, mortgagees and loan correspondents approved by the Secretary of Housing and Urban Development or Federal Housing Administration, and other financial institutions, and also all such guardians, executors, administrators, trustees, or others acting in a fiduciary capacity in this State, may make such loans, secured by real estate, as the Secretary of Housing and Urban Development, the Federal Housing Administration, a national mortgage association, or the Veterans Administration has insured or guaranteed, or has made a commitment to insure or guarantee, and may obtain such insurance or guarantee; provided, further, that the above designated financial institutions may make loans, secured by real estate, that are eligible and committed for sale to a national mortgage association, federal home loan bank, federal home loan mortgage corporation, or other agency or instrumentality of the United States.

(c) Eligibility for Credit Insurance. — All banks, trust companies, building and loan associations, savings and loan associations, insurance companies, mortgagees and loan correspondents approved by the Secretary of Housing and Urban Development or Federal Housing Administration, and other financial institutions, on being approved as eligible for credit insurance by the Secretary of Housing and Urban Development, the Federal Housing Administration, or the

Veterans Administration, may make such loans as are insured by the Secretary of Housing and Urban Development or Federal Housing Administration or insured or guaranteed by the Veterans Administration.

(d) **Certain Securities Made Eligible for Collaterals.** — Whenever by statute of this State collateral is required as security for the deposit of public or other funds; or deposits are required to be made with any public official or department; or an investment of capital or surplus, or a reserve or other fund is required to be maintained, consisting of designated securities, bonds, and notes secured by a mortgage or deed of trust insured or guaranteed by the Secretary of Housing and Urban Development, Federal Housing Administration, or Veterans Administration, debentures issued by the Secretary of Housing and Urban Development or the Federal Housing Administration and obligations of a national mortgage association shall be eligible for such purposes.

(e) **General Laws Not Applicable.** — No law of this State prescribing the nature, amount, or form of security or requiring security upon which loans or investments may be made, or prescribing or limiting the rates or time of payment of the interest any obligation may bear, or prescribing or limiting the period for which loans or investments may be made, shall be deemed to apply to loans or investments made pursuant to the foregoing paragraphs. (2012-56, s. 4.)

Article 6.

Bank Operations.

§ 53C-6-1. Loans and extensions of credit.

(a) A bank may make a loan or extension of credit secured by the pledge of its own shares or the shares of its holding company, provided:

(1) When a bank exercises its security interest in shares of the bank or its holding company, it shall dispose of all of the shares within a period of six months. If the shares have not been disposed of within six months, the shares shall be charged to profit and loss and no longer carried as an asset of the bank. The Commissioner may extend the six-month period not to exceed an additional six months.

(2) A bank may not extend credit to finance the purchase of or to carry shares of the bank or the shares of its holding company. For purposes of this subsection, the phrase "to carry" has the meaning set forth in 12 C.F.R. Part 221, as promulgated by the Federal Reserve Board.

(b) **Loans and Extensions of Credit – Limitations:**

(1) The total loans and extensions of credit, both direct and indirect, by a bank to a person, other than a municipal corporation for money borrowed, including in the liabilities of a company the liabilities of the several members of the company, outstanding at one time and not fully secured, as determined in a manner consistent with subdivision (2) of this subsection, by collateral having a market value at least equal to the amount of the loan or extension of credit, shall not exceed the greater of (i) fifteen percent (15%) of the sum of the bank's capital plus those portions of the bank's allowance for loan and lease losses, deferred tax assets, and intangible assets that are excluded from the bank's capital under 12 C.F.R. Part 325 or (ii) the amount permitted for national banks in this State by statute or regulation of the Comptroller of the Currency.

- (2) The total loans and extensions of credit, both direct and indirect, by a bank to a person outstanding at one time and fully secured by readily marketable collateral having a market value, as determined by reliable and continuously available price quotations, at least equal to the amount of the loan or extension of credit outstanding, shall not exceed the greater of (i) ten percent (10%) of the sum of the bank's capital plus those portions of the bank's allowance for loan and lease losses, deferred tax assets, and intangible assets that are excluded from the bank's capital under 12 C.F.R. Part 325 or (ii) the amount permitted for national banks by statute or regulation of the Comptroller of the Currency. This limitation shall be separate from and in addition to the limitation contained in subdivision (1) of this subsection.
- (3) The following shall not be considered as extensions of credit within the meaning of this section; provided that the limitations of this subsection shall not apply to loans or obligations to the extent that they are secured or covered by guarantees or by commitments or agreements to take over or purchase the same made by any federal reserve bank or by the United States or any department, board, bureau, commission, or establishment of the United States, including any corporation wholly owned, directly or indirectly, by the United States:
 - a. The discount of bills of exchange drawn in good faith against actual existing values.
 - b. The discount of solvent trade acceptances or other solvent commercial or business paper actually owned by the person negotiating the same.
 - c. Loans or extensions of credit secured by a segregated deposit account in the lending bank.
 - d. The purchase of bankers' acceptances of the kind described in section 13 of the Federal Reserve Act and issued by other depository institutions.
 - e. The purchase of any notes and the making of any loans secured by not less than a like face amount of bonds of the United States or any agency of the United States; or other obligations guaranteed by the United States government or the State of North Carolina; or certificates of indebtedness of the United States, or agency thereof; or other obligations guaranteed by the United States government.
- (4) For purposes of this subsection, the following definitions and conditions apply:
 - a. "Person" includes an individual or a corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, or any other form of entity not specifically listed; provided, the term "person" shall not include (i) a clearing organization registered with the Commodity Futures Trading Commission (or its successor) or the Securities and Exchange Commission (or its successor) or any federal banking agency or (ii) a bank's affiliates.
 - b. Loans or extensions of credit to one person include loans made to other persons when the proceeds of the loans or extensions of credit are to be used for the direct benefit of the first person or the persons are engaged in a common enterprise.

- c. For purposes of this section, extensions of credit by a bank to a person shall include the bank's credit exposures to the person in derivative transactions with the bank.
- d. "Derivative transaction" includes any transaction that is a contract, agreement, swap, warrant, note, or option that is based, in whole or in part, on the value of, any interest in, or any quantitative measure or the occurrence of any event relating to one or more commodities, securities, debt instruments, currencies, interest or other rates, indices, or assets.
- e. Credit exposure to a person in connection with a derivative transaction shall be determined based on an amount that the bank reasonably determines, in accordance with customary industry practices under the terms of the derivative transaction or otherwise, would be its loss if the person were to default on the date of determination, taking into account any netting and collateral arrangements and any guarantees or other credit enhancements, provided that the bank may elect to determine credit exposure on the basis of such other method of determining credit exposure as may be permitted by the bank's primary federal regulator.

(c) The Commissioner shall monitor the lending activities of banks under this section for undue credit concentrations and inadequate risk diversification that could adversely affect the safety and soundness of the banks.

(d) Rules adopted by the Commissioner to ensure that extensions of credit made by banks are in keeping with sound lending practices and to promote the purposes of this Chapter shall not prohibit a bank from making any extension of credit that is a permitted extension of credit for a federally chartered institution.

(e) Any bank may, by resolution duly passed at a meeting of its board of directors or a board-authorized committee, request the Commissioner to suspend the limitations on loans set forth in this section as the limitations may apply to any particular loan (i) on the bank's books that then exceeds such limitations, or (ii) which the bank desires to make or modify in a manner that would not otherwise be permitted in the absence of a suspension of such limitations. Upon receipt of a duly certified copy of such resolution, the Commissioner may, in the Commissioner's discretion and subject to such requirements, limitations, and conditions as the Commissioner deems appropriate, suspend the limitations on loans set forth in this section insofar as they apply to the loan in question. (2012-56, s. 4; 2013-29, ss. 9, 10.)

§ 53C-6-2. Deposits.

(a) A bank may, consistent with applicable law and safe and sound banking practices, offer all types of deposit accounts upon such terms and conditions as the bank considers appropriate.

(b) A bank shall secure insurance for its deposits from the FDIC. (2012-56, s. 4.)

§ 53C-6-3. Securing deposits.

(a) A bank may not create a lien on its assets or otherwise secure the repayment of a deposit, except as authorized or required by this section, other laws of this State, or federal law.

(b) A bank may pledge its assets to secure a deposit of the government of this State or any other state, any agency or political subdivision of this State or any other state, the United States government, any agency or instrumentality of the United States, or any Indian tribe recognized by

the United States government as eligible for the services provided to Indian tribes by the Secretary of the Interior because of its status as an Indian tribe.

(c) This section does not prohibit the pledge of assets by a bank to secure the repayment of money borrowed.

(d) An act, deed, conveyance, pledge, or contract in violation of this section is void. (2012-56, s. 4.)

§ 53C-6-4. Minors.

(a) A bank may issue and operate a deposit account in the name of a minor or in the name of two or more individuals, one or more of whom are minors, and receive payments, pay withdrawals, accept a pledge of the account, issue automated teller machine (ATM) and debit cards, contract for overdraft protection, and act in any other manner with respect to the account on the order of the minor with like effect as if the minor were of full age and legal capacity. Any payment to or at the direction of a minor is a discharge of the bank to the extent thereof. The account shall be held for the exclusive right and benefit of the minor and any joint owners, free from the control of all other persons except creditors. A minor who obtains a deposit account from a bank under this subsection, whether individually or together with others, is bound by the terms of the deposit account agreement to the same extent as if the minor were of full age and legal capacity.

(b) Any bank may lease a safe deposit box to a minor or to two or more individuals, one or more of whom are minors. With respect to any such lease, a bank may deal with the minor in all regards as if the minor were of full age and legal capacity. A minor entering a lease agreement with a bank under this subsection, whether individually or together with others, is bound by the terms of the safe deposit box agreement to the same extent as if the minor were of full age and legal capacity.

(c) If a minor with a deposit account, other than a joint account with right of survivorship or a Payable on Death account, dies, a parent or legal guardian of the minor may access and withdraw the funds on deposit, and the bank is discharged to the extent of any withdrawal. If a minor with a safe deposit box dies, the provisions of G.S. 28A-15-13 shall control the opening, inventory, and release of contents of the safe deposit box.

(d) This section shall not affect the law governing transactions with minors in cases outside the scope of this section, including transactions that constitute an extension of credit to the minor. (2012-56, s. 4.)

§ 53C-6-5: Reserved for future codification purposes.

§ 53C-6-6. Joint accounts.

(a) Any two or more individuals may establish a joint deposit account by written contract. The deposit account shall be held for them as joint tenants. The account also may be held pursuant to G.S. 41-2.1 of the General Statutes and have the incidents set forth in that section. If the account is held pursuant to G.S. 41-2.1, the contract shall set forth that fact.

(b) Unless the individuals establishing a joint account have agreed with the bank that withdrawals require more than one signature, payment by the bank to, or at the direction of, any joint tenant designated in the contract authorized by this section shall be a total discharge of the bank's obligation as to the amount so paid.

(c) Funds in a joint account established with right of survivorship shall belong to the surviving joint tenant or tenants upon the death of a joint tenant, and the funds shall be subject only

to the personal representative's right of collection as set forth in G.S. 28A-15-10(a)(3), or as provided in G.S. 41-2.1 if the account is established pursuant to the provisions of that section. Payment by the bank of funds in the joint account to a surviving joint tenant or tenants shall terminate the personal representative's authority under G.S. 28A-15-10(a)(3) to collect against the bank for the funds so paid, but the personal representative's authority to collect such funds from the surviving joint tenant or tenants is not terminated.

(d) A pledge of a joint account by any one or more of the joint tenants, unless otherwise specifically agreed between the bank and all joint tenants in writing, shall be a valid pledge and transfer of the account or of the amount so pledged, shall be binding upon all joint tenants, shall not operate to sever or terminate the joint ownership of all or any part of the account, and shall survive the death of any joint tenant.

(e) A bank is not liable to joint tenants for complying in good faith with a writ of execution, garnishment, attachment, levy, or other legal process that appears to have been issued by a court or other authority of competent jurisdiction and seeks funds held in the name of any one or more of the joint tenants.

(f) Persons establishing a joint account with right of survivorship under this section shall sign a statement showing their election of the right of survivorship in the account and containing language set forth in a conspicuous manner and substantially similar to the following:

"BANK (or name of institution)
JOINT ACCOUNT WITH RIGHT OF SURVIVORSHIP
G.S. 53C-6-6

We understand that by establishing a joint account under the provisions of North Carolina General Statute 53C-6-6 that:

- (1) The bank (or name of institution) may pay the money in the account to, or on the order of, any person named as a joint holder of the account unless we have agreed with the bank that withdrawals require more than one signature; and
- (2) Upon the death of one joint owner, the money remaining in the account will belong to the surviving joint owners and will not pass by inheritance to the heirs of the deceased joint owner or be controlled by the deceased joint owner's will.

"

(g) This section does not repeal or modify any provision of law relating to estate taxes.

(h) Any joint tenant may terminate a joint account.

(i) Where a joint account is held by two or more individuals and a joint tenant does not wish for the account to be terminated but requests to be removed from the account, the bank shall remove the joint tenant from the account. The joint account shall continue in the names of the remaining tenant or tenants. Any joint tenant who requested to be removed from an account remains liable for any debts incurred in connection with the joint account during the period in which the individual was a named joint tenant.

(j) Any joint account created under the provisions of G.S. 53-146.1 as it existed prior to October 1, 2012, shall for all purposes be governed by the provisions of this section on and after October 1, 2012, and any reference to G.S. 53-146.1 in any document concerning the account shall be deemed a reference to this section.

(k) This section shall not be deemed exclusive. Deposit accounts not conforming to this section shall be governed by other applicable provisions of the General Statutes or the common law, as appropriate. (2012-56, s. 4; 2013-29, s. 11.)

§ 53C-6-7. Payable on Death accounts.

(a) If any individual establishing a deposit account executes a written agreement with the bank containing a statement that it is executed pursuant to the provisions of this section and providing for the account to be held in the name of the individual as owner for one or more beneficiaries, the account and any balance thereof shall be held as a Payable on Death account. The account shall have the following incidents:

- (1) Any owner during the owner's lifetime may change any designated beneficiary by a written direction to the bank.
- (2) If there are two or more owners of a Payable on Death account, the owners shall own the account as joint tenants with right of survivorship and, except as otherwise provided in this section, the account shall have the incidents set forth in G.S. 53C-6-6.
- (3) Unless the individual establishing the Payable on Death account has agreed with the bank that a withdrawal requires more than one signature, payment by the bank to, on the order of, or at the direction of any owner is a total discharge of the bank's obligation as to the paid amount.
- (4) If any beneficiary is an individual, there may be one or more beneficiaries, each of whom shall be an individual, and the following requirements shall apply:
 - a. If only one beneficiary is living and of legal age at the death of the last surviving owner, the beneficiary shall be the owner of the account and payment by the bank to the owner shall be a total discharge of the bank's obligation as to the amount paid. If two or more beneficiaries are living at the death of the last surviving owner, they shall be owners of the account as joint tenants with right of survivorship as provided in G.S. 53C-6-6, and payment by the bank to the owners or any of the owners shall be a total discharge of the bank's obligation as to the amount paid.
 - b. If only one beneficiary is living and that beneficiary is not of legal age at the death of the last surviving owner, the bank shall transfer the funds in the account to the general guardian or guardian of the estate, if any, of the minor beneficiary. If no guardian of the minor beneficiary has been appointed, the bank shall hold the funds in a similar interest-bearing account in the name of the minor until the minor reaches the age of majority or until a duly appointed guardian withdraws the funds.
- (5) If any beneficiary is not an individual, there shall be only one beneficiary.
- (6) If one or more owners survive the last surviving beneficiary who was a natural person, or if a beneficiary who is an entity other than a natural person should cease to exist before the death of the owner, the account shall become an individual account of the owner, or a joint account with right of survivorship of the owners, and shall have the legal incidents of an individual account in a case of a single owner or a joint account with right of survivorship, as provided in G.S. 53C-6-6, in the case of multiple owners.
- (7) Prior to the death of the last surviving owner, no beneficiary shall have any ownership interest in a Payable on Death account. Funds in a Payable on Death account established pursuant to this subsection shall belong to the beneficiary or

beneficiaries upon the death of the last surviving owner, and the funds shall be subject only to the personal representative's right of collection as set forth in G.S. 28A-15-10(a)(1). Payment by the bank of funds in the Payable on Death account to the beneficiary or beneficiaries shall terminate the personal representative's authority under G.S. 28A-15-10(a)(1) to collect against the bank for the funds so paid, but the personal representative's authority to collect such funds from the beneficiary or beneficiaries is not terminated.

- (8) A pledge of a Payable on Death account by any owner, unless otherwise specifically agreed between the bank and all owners in writing, is a valid pledge and transfer of the account or of the pledged amount, is binding upon all owners and beneficiaries, does not operate to sever or terminate the joint ownership of all or any part of the account, and survives the death of any owner or any beneficiary.

The individual establishing an account under this subsection shall sign a statement containing language set forth in a conspicuous manner and substantially similar to the following language. The following language may be on a signature card or in an explanation of the account that is set out in a separate document whose receipt is acknowledged by the individual establishing the account:

"BANK (or name of institution)
PAYABLE ON DEATH ACCOUNT
G.S. 53C-6-7

I (or we) understand that by establishing a Payable on Death account under the provisions of North Carolina General Statute 53C-6-7 that:

1. During my (or our) lifetime I (or we), individually or jointly, may withdraw the money in the account.
2. By written direction to the bank (or name of institution) I (or we), individually or jointly, may change the beneficiary or beneficiaries.
3. Upon my (or our) death, the money remaining in the account will belong to the beneficiary or beneficiaries, and the money will not be inherited by my (or our) heirs or be controlled by will.

(b) This section shall not be deemed exclusive. Deposit accounts not conforming to this section shall be governed by other applicable provisions of the General Statutes or the common law, as appropriate.

(c) No addition to the accounts, nor any withdrawal, payment, or change of beneficiary, shall affect the nature of the account as Payable on Death accounts or affect the right of any owner to terminate the account.

(d) This section does not repeal or modify any provisions of law relating to estate taxes.

(e) Any Payable on Death account created under the provisions of G.S. 53-146.2, as it existed prior to October 1, 2012, shall for all purposes be governed by the provisions of this section on and after October 1, 2012, and any reference to G.S. 53-146.2 in any document concerning the account shall be deemed a reference to this section. (2012-56, s. 4; 2013-29, s. 12; 2017-165, s. 6.)

§ 53C-6-8. Personal agency accounts.

(a) Any person may establish a personal agency account by written contract containing a statement that it is executed pursuant to the provisions of this section. A personal agency account

may be any type of deposit account. The written contract shall name an agent who shall have authority to act on behalf of the depositor in the manner set out in this subsection. The agent shall have the authority to do the following:

- (1) Make, sign, or execute checks drawn on the account or otherwise make withdrawals from the account.
- (2) Endorse checks made payable to the principal for deposit only into the account.
- (3) Deposit cash or negotiable instruments, including instruments endorsed by the principal, into the account.

(b) A person establishing an account under this section shall sign a statement containing language substantially similar to the following in a conspicuous manner:

"BANK (or name of institution)
PERSONAL AGENCY ACCOUNT
G.S. 53C-6-8

The undersigned understands that by establishing a personal agency account under the provisions of North Carolina General Statute 53C-6-8, the agent named in the account may:

1. Sign checks drawn on the account.
2. Make deposits into the account.

The undersigned also understand that if the undersigned is a natural person, upon his or her death, the money remaining in the account will be controlled by his or her will or inherited by his or her heirs.

(c) An account created under the provisions of this section grants no ownership right or interest in the agent. Upon the death of the principal, there is no right of survivorship to the account, and the authority set out in subsection (a) of this section terminates.

(d) The written contract referred to in subsection (a) of this section shall provide that the principal may elect to extend the authority of the agent set out in subsection (a) of this section to act on behalf of the principal in regard to the account, notwithstanding the subsequent incapacity or mental incompetence of the principal. If the principal is an individual and elects to extend the authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the agent may continue to exercise the authority, without the requirement of bond or of accounting to any court, until the agent receives actual knowledge that the authority has been terminated. The duly qualified guardian of the estate of the incapacitated or incompetent principal, or the duly appointed attorney-in-fact for the incapacitated or incompetent principal acting pursuant to a durable power of attorney, as defined in G.S. 32A-8 [see now G.S. 32C-1-102], which grants to the attorney-in-fact the authority in regard to the account that is granted to the agent by the written contract executed pursuant to the provisions of this section, shall have the power, upon notifying the agent and providing written notice to the bank where the personal agency account is established, to terminate the agent's authority to act on behalf of the principal with respect to the account. Upon termination of the agent's authority, the agent shall account to the guardian or attorney-in-fact for all actions of the agent in regard to the account during the incapacity or incompetence of the principal. If the principal is an individual and does not elect to extend the authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the authority of the agent set out in subsection (a) of this section terminates.

(e) When an account under this section has been established, all or part of the account or any interest or dividend may be paid on a check made, signed, or executed by the agent. In the absence of actual knowledge that the principal has died or that the agency created by the account

has been terminated, the payment shall be valid and sufficient discharge to the bank for payment so made.

(f) A personal agency account shall have only one owner and one agent. The owner shall retain the authority to change the named agent on the personal agency account.

(g) Any personal agency account created under the provisions of G.S. 53-146.3, as it existed prior to October 1, 2012, shall for all purposes be governed by the provisions of this section on and after October 1, 2012, and any reference to G.S. 53-146.3 in any document concerning the account shall be deemed a reference to this section. (2012-56, s. 4; 2013-29, s. 13; 2017-165, s. 7.)

§ 53C-6-9. Accounts opened by adults for minors.

(a) One or more adults may open and maintain a custodial deposit account for or in the name of a minor and using the minor's taxpayer identification number. Unless otherwise provided in the agreement governing the account the following terms apply:

- (1) Beneficial ownership of the account vests exclusively in the minor. All interest credited to the account shall belong to the minor and shall be reported to the appropriate taxing authorities in the name of the minor using the minor's taxpayer identification number.
- (2) Except as otherwise provided, control of the account vests exclusively in the custodian whose name appears on the bank's records for the account. If there is more than one custodian named on the bank's account records, each may act independently. Any one or more of the custodians named on the bank's records may turn over control of the account to the minor at any time, either before or after the minor reaches the age of majority.
- (3) If the custodian has not already transferred control, then after the minor beneficiary reaches the age of majority, the beneficiary may instruct the bank to transfer control to the beneficiary and remove the named custodian.
- (4) If the custodian or, if more than one custodian is on the account, the last of the custodians to survive dies before the minor reaches the age of majority, the minor's parent or the minor's legal guardian may act as custodian or name another custodian on the account.

(b) This section shall not be deemed exclusive. Accounts not conforming to this section shall be governed by other applicable provisions of the General Statutes, including Chapter 33A, the North Carolina Uniform Transfers to Minors Act, or the common law, as appropriate. (2012-56, s. 4.)

§ 53C-6-10. Payment of balance of deceased person or person under disability to personal representative or guardian.

(a) A bank may pay any balance on deposit to the credit of any deceased individual to the duly qualified personal representative, collector, or public administrator of the decedent who is qualified as such under the laws of any state.

(b) A bank may pay any balance on deposit to the credit of any individual judicially declared incompetent or otherwise under a legal disability to the duly qualified personal representative, guardian, curator, conservator, or committee of the person declared incompetent or under disability who is qualified as such under the laws of any state.

(c) The presentation of a letter of qualification as personal representative, collector, public administrator, guardian, curator, conservator, or committee of the person issued or certified by the

appointing court shall be conclusive proof of the jurisdiction of the court issuing the same and sufficient authority for the payment.

(d) Payment by a bank in good faith under the authority of this section discharges the liability of the bank to the extent of the payment. (2012-56, s. 4.)

§ 53C-6-11. Powers of attorney; notice of revocation; payment after notice.

(a) Any bank may continue to recognize any act of an attorney-in-fact or other agent until the bank receives actual notice of the principal's death or a written notice of revocation signed by the principal who granted the authority or, in the case of a company, evidence satisfactory to the bank of the revocation. Payment by the bank to or at the direction of an attorney-in-fact or other agent before receipt of the notice is a total discharge of the bank's obligation as to the amount so paid.

(b) Notwithstanding that a bank has received written notice of revocation of the authority of an attorney-in-fact or other designated agent, a bank may, until 10 days after receipt of notice, pay any item made, drawn, accepted, or endorsed by the attorney-in-fact or agent prior to the revocation, provided that the item is otherwise properly payable. (2012-56, s. 4.)

§ 53C-6-12. Account statements to be rendered annually or on request.

(a) Every bank shall render an account statement for each deposit account at least annually to the depositor; provided, however, the statements are not required for time deposits. Every bank shall render a statement of account for each deposit account, including time deposits upon receipt of an appropriate request reasonably made by a depositor.

(b) For purposes of this section, an account statement is deemed to have been "rendered" to a depositor as of the earlier of the date the statement is mailed to the depositor's address as shown on bank records and the date the account is posted to the bank's Web site in a manner and a form ensuring the statement to be readily available to the depositor; provided however, the bank and the depositor may agree that an account statement may be rendered by other means.

(c) Nothing in this section shall be construed to relieve the depositor from the duty of exercising due diligence in the review of an account statement rendered by the bank and of timely notification to the bank upon discovery of any error. (2012-56, s. 4.)

§ 53C-6-13. Safe deposit boxes; unpaid rentals; procedure; escheats.

(a) If the rental due on a safe deposit box is 90 days or more past due, the lessor bank may send a notice by registered mail or certified mail, return receipt requested, to the last known address of the lessee or by another means agreed to in writing by the lessor bank and the lessee, stating that the safe deposit box will be opened and its contents stored at the expense of the lessee unless payment of the rental is made within 30 days of the date of the mailing of the notice or the date such notice is given by the means otherwise previously agreed to in writing by the lessor bank and the lessee. If the rental is not paid within the stated period, the box may be opened in the presence of an officer of the bank and of a notary public who is not a director, officer, employee, or shareholder of the bank. The contents shall be sealed in a package by the notary public, who shall write on the outside the name of the lessee and the date of the opening. The notary public shall execute a certificate reciting the name of the lessee, the date of the opening of the box, and a list of its contents. The certificate shall be included in the package, and a copy of the certificate shall be sent by registered mail or certified mail, return receipt requested, to the last known address of the lessee or by the means otherwise previously agreed to in writing by the lessor bank and the lessee. The

package then shall be placed in the general vaults of the bank at a rental not exceeding the rental previously charged for the box.

(b) If the contents of the safe deposit box have not been claimed within two years of the mailing or other permissible delivery of the copy of the certificate to the lessee, the bank may send a further notice to the last known address of the lessee by registered mail or certified mail, return receipt requested, to the last known address of the lessee or by a means otherwise previously agreed to in writing by the lessor bank and the lessee, stating that unless the accumulated charges are paid within 30 days of the date of the mailing of the notice, the contents of the box will be delivered to the State Treasurer as abandoned property under the provisions of Chapter 116B of the General Statutes.

(c) The bank shall submit to the State Treasurer a verified inventory of all of the contents of the safe deposit box upon delivery of the contents of the box or such part thereof as shall be required by the State Treasurer under G.S. 116B-55, but the bank may deduct from any cash of the lessee in the safe deposit box an amount equal to accumulated charges for rental and shall submit to the State Treasurer a verified statement of the charges and deduction. If there is no cash or insufficient cash to pay accumulated charges in the safe deposit box, the bank may submit to the State Treasurer a verified statement of accumulated charges or balance of the accumulated charges due, and the State Treasurer shall remit to the bank the charges or balance due, up to the value of the property in the safe deposit box delivered to the State Treasurer, less any costs or expenses of sale; but if the charges or balance due exceeds the value of the property, the State Treasurer shall remit only the value of the property, less costs or expenses of sale. Any accumulated charges for safe deposit box rental paid by the State Treasurer to the bank shall be deducted from the value of the property of the lessee delivered to the State Treasurer.

(d) Any property, including documents or writings of a private nature, that has little or no apparent financial value need not be sold but may be destroyed by the bank if the State Treasurer declines to receive the property under G.S. 116B-69(a).

(e) An explanation of the contractual provisions pertaining to default, together with reference to this section, shall be printed on every contract for rental of a safe deposit box. (2012-56, s. 4.)

§ 53C-6-14. Reproduction and retention of records; admissibility of copies in evidence; disposition of originals; record production generally.

(a) Any bank may cause any or all records kept by it to be recorded, copied, or reproduced by any photographic, reproduction, electronic, or digital process or method, or by any other records retention technology approved by rule or order of the Commissioner, of a kind that is capable of accurately converting the records into tangible form within a reasonable time. Each such converted tangible form of record also shall be deemed a record.

(b) Any tangible form of a record shall be deemed for all purposes to be an original record and shall be admissible in evidence in all courts and administrative agencies in this State, if otherwise admissible, and the bank may destroy or otherwise dispose of the original form of the record; provided, however, that a bank shall retain either the originals or convertible form of its records for such period as may be required by law or by rule or order of the Commissioner. Any bank may dispose of any original or convertible form of a record that has been retained for the period prescribed by law or by rule or order of the Commissioner for its class.

(c) Originals and converted tangible forms of records shall not be held inadmissible in any court action or proceeding on the grounds that they lack certification, identification, or

authentication and shall be received as evidence if otherwise admissible in any court or quasi-judicial proceeding if they have been identified and authenticated by the live testimony of a competent witness or if the records are accompanied by a certificate substantially in the following form:

(d) This section supplements and does not supersede G.S. 8-45.1. (2012-56, s. 4.)

§ 53C-6-15. Establishment of branches.

(a) A bank may establish one or more branches in this State, whether de novo or by acquisition of existing branches of another depository institution, with the prior written approval of the Commissioner. The Commissioner's approval may be given or withheld, in the Commissioner's discretion, in accordance with the provisions of subsection (c) of this section.

(b) A bank may establish branches in another state, whether de novo or by acquisition of existing branches of another depository institution, in accordance with the provisions of applicable federal law and the laws of the other state, upon prior written approval of the Commissioner. The Commissioner's approval may be given or withheld in the Commissioner's discretion in accordance with the provisions of subsection (c) of this section.

(c) A bank seeking authority to establish a branch shall make application to the Commissioner in a form acceptable to the Commissioner. Not more than 30 days before nor less than 10 days after the filing of the application with the Commissioner, the applicant shall publish public notice of the filing of the application. The public notice shall contain all of the following:

- (1) A statement that the application has been filed with the Commissioner.
- (2) The physical address or location of the proposed branch, including street and city or town.
- (3) A statement that any interested person may make written comment on the application to the Commissioner and that comments received by the Commissioner within 14 days of the date of publication of the public notice shall be considered. The public notice shall provide the then current mailing address of the Commissioner.

(d) A bank may conduct any activities at a branch in another state authorized under this section that are permissible for a bank chartered by the other state where the branch is located, except to the extent the activities are expressly prohibited by the laws of this State or by any rule or order of the Commissioner applicable to the bank.

(e) Upon receipt of an application to establish a branch, the Commissioner shall conduct an examination of the pertinent facts and information and may request such additional information as the Commissioner deems necessary to make a decision on the application. In deciding whether to approve a branch application, the Commissioner shall take into account such factors as the financial condition and history of the applicant; the adequacy of its capital; the applicant's future earnings prospects; the character, competency, and experience of its management; the probable impact of the branch on the condition of the applicant bank and existing depository institutions in the community to be served; and the convenience and needs of the community the proposed branch is to serve. (2012-56, s. 4.)

§ 53C-6-16. Change of location of a branch or principal office.

(a) A bank may change the location of its principal office or a branch with the prior written approval of the Commissioner. A request to relocate the principal office or a branch of a bank shall be made in a form acceptable to the Commissioner and shall include information regarding the reason for the proposed relocation, the distance and direction of the move, and such other information as the Commissioner may require in order to reach a decision in the matter.

(b) Not more than 30 days before nor less than 10 days after filing a request to relocate the principal office or a branch of a bank, the applicant shall publish public notice of the request. The public notice shall contain all of the following:

- (1) A statement that the request has been filed with the Commissioner.
- (2) The physical address of the principal office or branch to be relocated and the physical address of the proposed new location.
- (3) A statement that any interested person may make written comment on the request to the Commissioner and that comments received by the Commissioner within 14 days of the date of publication of the public notice will be considered. The statement shall provide the then current mailing address of the Commissioner.

(c) The Commissioner shall approve a request to relocate the principal office or a branch of a bank if the relocation is to a site within the same vicinity as the original location, or does not result in a material change in the primary service area of the principal office or branch, or is considered important to the economic viability of the bank or the branch, or is otherwise found not to be inconsistent with the public need and convenience. (2012-56, s. 4.)

§ 53C-6-17. Branch closings.

A bank may close a branch upon providing written notice to the Commissioner and the customers of the branch at least 90 days prior to the proposed closing. The notice shall include the date the branch will close and posting, in a conspicuous manner on the branch premises for a period of 30 days prior to the proposed closing date, a notice of its intent to close the branch. The consolidation of two or more branches into a single location in the same vicinity shall not be considered a closure subject to the 90-day and 30-day notice requirements of this section. To be considered a consolidation, the bank shall request consolidation treatment from the Commissioner, who shall decide, in his or her discretion, whether the branches to be consolidated are considered to be in the same vicinity, with due consideration to the distance between the branches and the nature of the market in which the branches are situated. (2012-56, s. 4.)

§ 53C-6-18. Non-branch bank business offices.

(a) A bank may establish in this State or another state one or more non-branch bank business offices as defined by G.S. 53C-1-4(46), subject to the following requirements:

- (1) If a proposed non-branch bank business office will be used in connection with a new activity for which an application is required under G.S. 53C-5-1(d) or an investment for which a notice is required under G.S. 53C-5-2(e), that application or notice shall include written notification of the intent to open the office. The notification shall include the proposed location of the office and a description of the business to be conducted at the office. If the Commissioner does not request additional information or object to its establishment within 10 days of the date of receipt of the notification, the non-branch bank business office shall be deemed approved. In deciding whether to object to the establishment of a non-branch bank business office, the Commissioner shall consider, without limitation, whether the business proposed to be conducted at the non-branch bank business office is permissible for a bank, the costs of its establishment and ongoing operation and the impact of the costs on the bank's capital and profitability, and the ability of the bank's management to conduct the proposed business.
- (2) If written notification is not required under subdivision (a)(1) of this section, the bank shall provide the Commissioner with written notification of the location of the office and a description of the business to be conducted at the office.

(b) An out-of-state bank may establish and operate a non-branch bank business office in this State upon written notice to the Commissioner.

(c) A bank or an out-of-state bank may close a non-branch bank business office at any time with notice to the Commissioner.

(d) No deposits may be taken at a non-branch bank business office. (2012-56, s. 4; 2017-165, s. 8.)

§ 53C-6-19. Operations; suspension.

(a) A bank, any of its branches, and any of its non-branch bank business offices may operate on such days and during such hours, and may observe such holidays, as the bank's board of directors shall designate.

(b) Whenever the Commissioner determines that an emergency exists or is pending in this State or any part thereof, the Commissioner may authorize banks operating in the affected area or areas to suspend any or all of their operations in such area or areas for such period or periods as the Commissioner establishes. An emergency is any condition or occurrence that may interfere with a bank's operations or poses an existing or imminent threat to the safety or security of persons or property, or both.

(c) In the event that an emergency exists or is pending in this State or any part thereof and a bank operating in the affected area or areas is unable to communicate the existence or pendency of the emergency to the OCOB, an officer of the bank may suspend any or all of the bank's operations in the affected area or areas without the prior approval of the Commissioner. The bank shall give notice of such closing to the Commissioner as soon as practicable. (2012-56, s. 4.)

§ 53C-6-20. Savings promotion raffles.

A bank may offer a savings promotion raffle in which the sole consideration required for a chance of winning designated prizes is the deposit of a minimum specified amount of money in a

savings account or other savings program offered by the bank. A bank shall maintain records sufficient to facilitate an audit of the savings promotion raffle, shall conduct the savings promotion raffle in a safe and sound manner, and shall fully disclose the terms and conditions of the promotion to account holders and prospective account holders of the bank. (2019-173, s. 2(b).)

Article 7.

Control Transactions; Combinations; Conversions.

Part 1. Change in Control.

§ 53C-7-101. Control transactions.

(a) Except as otherwise expressly permitted by this section, a person shall not engage in a control transaction, as defined by G.S. 53C-1-4(22), involving a bank without the prior approval of the Commissioner. A person may contract to engage in a control transaction with the consummation of such control transaction being subject to receipt of the approval of the Commissioner.

(b) The Commissioner may require a person who is obligated to file an application under this Part to appoint an agent resident in this State for service of process upon the filing of such notice or as a condition to the acceptance of such application for review. The application for approval shall be in a form required by the Commissioner and shall be accompanied by such fee as may be required by rule.

(c) The following transactions shall not constitute a control transaction requiring the prior approval of the Commissioner:

- (1) The acquisition of control over voting securities in connection with securing, collecting, or satisfying a debt previously contracted for in good faith and not for the purpose of acquiring control of the bank, if the acquiring person files a notice with the Commissioner, in the form required by the Commissioner, describing such transaction at least 10 days before the acquiring person first votes or directs the voting of the voting securities.
- (2) The acquisition of control over voting securities by a person who has previously engaged in a control transaction with respect to the bank after receiving the approval of the Commissioner under this Article, which approval permits the acquisition of control over additional voting securities, or any person who is an affiliate of the person previously engaging in the approved control transaction with the permission and who is identified in the application submitted for the approval, if the acquiring person files a notice with the Commissioner, in the form required by the Commissioner, describing the transaction at least 10 days before the acquiring person or affiliate thereof first votes or directs the voting of the voting securities.
- (3) An acquisition of control over voting securities by operation of law, will, or intestate succession, if the acquiring person files a notice with the Commissioner, in the form required by the Commissioner, describing the acquisition or transfer at least 10 days before the acquiring person first votes or directs the voting of the voting securities.
- (4) Bona fide gifts.
- (5) A transaction exempted by rules, orders, or declaratory rulings of the Commissioner issued because approval of such a transaction is not necessary to achieve the objectives of this Chapter.

- (5a) An acquisition of control over voting shares exempt from the prior approval requirements set forth in section 3 of the Bank Holding Company Act, as amended (12 U.S.C. § 1842), pursuant to the exceptions described in items (A), (B), or (C) of subsection (a) of that section.
- (6) An acquisition of control over voting securities in a transaction subject to approval under section 3 of the Bank Holding Company Act, as amended (12 U.S.C. § 1842).

(d) Upon receipt of a notice described in subsection (c), the Commissioner may, before the 10th day following the receipt, notify the acquiring person of the Commissioner's objection to the exercise of control over the voting securities or may require the acquiring party to submit further information before exercising control over the voting securities. An acquiring person receiving a notice of objection shall be required to submit an application for approval of a control transaction. An acquiring person receiving a notice to submit further information may be required to provide any information that would be included in an application for approval of a control transaction. In the event such an acquiring person is comprised of a group of persons, the Commissioner may require each member of the group to submit relevant information.

(e) All voting securities over which control has been acquired by an acquiring person shall not be voted on any matter submitted to a vote of the holders of the outstanding voting securities of the bank and shall be deemed authorized but unissued for purposes of determining the presence of a quorum of holders of voting securities until such time as follows:

- (1) The Commissioner has approved an application for approval of a control transaction with respect to the voting securities.
- (2) The transaction is one listed in subsection (c) of this section that does not require the filing of a notice with the Commissioner.
- (3) The transaction is one listed in subsection (c) of this section that requires a notice to be filed with the Commissioner and the Commissioner has not issued an objection to the notice and any requirement of the Commissioner for the filing of further information has been determined by the Commissioner to have been satisfied. (2012-56, s. 4; 2013-29, s. 14.)

§ 53C-7-102. Application regarding a control transaction.

(a) A person seeking approval of a control transaction involving a bank under this Article shall file the following with the Commissioner:

- (1) An application in the form prescribed by the Commissioner.
- (2) All filing fees required by a rule of the Commissioner.
- (3) Such information as is required by a rule of the Commissioner or as is deemed by the Commissioner to achieve the objectives of this Chapter.

(b) In the event a person submitting an application is a group of persons, the Commissioner may require each member of the group to submit information relevant to the application.

(c) Notwithstanding any laws to the contrary, information about the character, competence, or experience of an acquiring person or its proposed management personnel or affiliates shall be deemed a record of the Commissioner and subject to G.S. 53C-2-7(b). (2012-56, s. 4; 2013-29, s. 15.)

§ 53C-7-103. Public notice.

A person filing an application for approval of a control application shall publish a public notice of the filing of the application not more than 30 days before nor more than 10 days after the filing of the application with the Commissioner. The public notice shall contain the following:

- (1) A statement that the application has been filed with the Commissioner.
- (2) The name of the applicable bank and the address of its principal office.
- (3) A statement that any interested person may make written comment on the proposed control transaction and that comments received by the Commissioner within 14 days of the date of the publication of the public notice shall be considered. The public notice shall provide the current mailing address of the Commissioner. (2012-56, s. 4.)

§ 53C-7-104. Actions on control transaction applications.

(a) The Commissioner shall examine the proposed control transaction, including the character, competence, and experience of the acquiring person and its proposed management personnel, to determine whether the interests of the customers and communities served by the bank would be adversely affected by the proposed control transaction. Not later than the 60th day following receipt of a completed application for approval of a control transaction, unless extraordinary circumstances require a longer period of review, the Commissioner shall approve or deny the application.

(b) The Commissioner may deny an application for approval of a control transaction for any of the following reasons:

- (1) The financial condition of the person seeking approval of a control transaction could jeopardize the financial stability of the bank or the financial interests of its customers.
- (2) An examination of the character, competence, and experience of any acquiring person or of any of the proposed management personnel shows that it would not be in the interest of the depositors of the bank, or in the interest of the public, to permit the person to control the bank.
- (3) The plans or proposals of the person seeking approval with respect to exercising control over the bank would not be in the best interests of the bank's customers.
- (4) Upon the effective date of such proposed control transaction, the bank would not be solvent, have inadequate capital, or not be in compliance with this Chapter or rules of the Commissioner.
- (5) The application for approval is incomplete.
- (6) If the acquiring person solicits votes for the approval of or consents to the control transaction from the holders of the voting securities of the bank, adequate and complete disclosures of all material information about the proposed control transaction, together with a prominent statement that neither the control transaction nor any solicitation of the holders' votes or consents have been approved by the Commissioner and that any representation to the contrary is a criminal offense, have not been made to the holders.

(c) If an application filed under this Part is approved by the Commissioner, the control transaction may become effective. All conditions to approval set forth in the order of the Commissioner shall be enforceable against the person, and each member of a group of persons, receiving the approval. (2012-56, s. 4.)

§ 53C-7-105. Appeal.

Any order of the Commissioner denying an application for approval of a control transaction may be appealed to the Commission by the person filing the application denied, as provided in G.S. 53C-2-6. (2012-56, s. 4.)

Part 2. Combinations.

§ 53C-7-201. Combination authority.

With the approval of the Commissioner, a bank may combine with one or more depository institutions or non-depository institutions, provided that the bank is the surviving entity in any combination with a non-depository institution. The application for approval shall be in the form required by the Commissioner and shall be accompanied by a fee as set forth by rule. (2012-56, s. 4.)

§ 53C-7-202. Combination application and investigation.

(a) A bank seeking approval of a combination shall file with the Commissioner an application for approval, copies of the agreement under which the bank proposes to effect the combination, and such additional information as the Commissioner shall require by rule or as is required by the Commissioner in connection with the application in order to achieve the objectives of this Chapter.

(b) A bank filing an application for approval of a combination shall publish a public notice of the filing of the application not more than 30 days before nor more than 10 days after the filing of the application with the Commissioner. The public notice shall contain the following:

- (1) A statement that the application has been filed with the Commissioner.
- (2) The names of the parties to the proposed combination and the addresses of their principal offices.
- (3) A statement that any interested person may make written comment on the proposed combination and that comments received by the Commissioner within 14 days of the date of the publication of the public notice shall be considered. The public notice shall contain the current mailing address of the Commissioner.

(c) The Commissioner shall examine the proposed combination, including the character, competency, and experience of the proposed directors and executive officers of the surviving party of the combination, to determine whether the interests of the customers of and communities served by the parties to the combination would be adversely affected by the proposed combination.

(d) Notwithstanding any laws to the contrary, information about the character, competence, or experience of the directors and executive officers of the parties to a combination received by the Commissioner shall be subject to G.S. 53C-2-7(b). (2012-56, s. 4.)

§ 53C-7-203. Decision on application.

Based on the application and the Commissioner's examination, the Commissioner shall enter an order approving or denying approval of the proposed combination not later than the 60th day following the date the Commissioner notifies the parties that the application is complete, unless extraordinary circumstances require a longer period of review. (2012-56, s. 4.)

§ 53C-7-204. Interim banks.

The Commissioner may approve an application to organize an interim bank solely for the purpose of effecting a combination under this Article. No interim bank shall transact any business except as is incidental and necessary to its organization and the combination. The Commissioner may set forth in the order approving the organization such additional conditions with respect to the interim bank as the Commissioner deems necessary. (2012-56, s. 4.)

§ 53C-7-205. Fiduciary powers and liabilities in a combination or a transferring of assets and liabilities.

(b) A plan of conversion shall be submitted as a part of the application filed with the Commissioner. The Commissioner may require amendment of the plan.

been approved by the Commission or the Commissioner and that any representation to the contrary is a criminal offense.

(d) Following approval of the plan of conversion, the Commissioner shall supervise and monitor the conversion process in order to determine compliance by the converting institution with the plan of conversion and applicable law.

(e) The Commissioner shall authorize by order the consummation of the conversion, issue a charter, and permit the converting institution to file with the Secretary of State and other public officials such documents as are necessary to effect the conversion when the Commissioner determines the conversion process complied with the organizational law applicable to the converting institution and the plan of conversion was approved, if required by applicable organizational law, by such vote of the converting institution's equity ownership interest holders as is required under the organizational law.

(f) The Commissioner may provide in the order authorizing the consummation of conversion for the resulting bank to do the following:

- (1) Wind up any activities legally engaged in by the converting institution at the time of conversion but not permitted to banks.

Except as may be authorized by the Commissioner pursuant to subsection (f) of this section, the bank shall have only those rights, powers, and duties authorized for or imposed upon banks by the laws of this State and the United States. (c) Upon the effective date of the conversion, the resulting depository institution shall cease to be a bank.

(d) Upon the effective date of the conversion, all rights, liabilities, and obligations of whatever kind of the bank shall continue and remain in its new form of organization as a depository institution organized under the laws of this State, another state, or the United States. All actions and

proceedings to which the bank was party prior to conversion shall be unaffected by the conversion and shall proceed as if the conversion had not been effected. (2012-56, s. 4.)

(a) Every bank shall be under the supervision of the Commissioner. It shall be the Commissioner's duty to enforce the banking laws through the employees and agents of the OCOB. All banks shall conduct their business in a manner consistent with the banking laws.

(b) The Commissioner may enter into written agreements, cease and desist order stipulations, cease and desist orders, consent orders, and similar arrangements with banks and their holding companies, or either of them; may request resolutions be approved by boards of directors of banks and their holding companies, or either of them; and may take other similar corrective actions.

(c) Upon written request, the Commissioner may, notwithstanding any other provision of law to the contrary, issue letters of interpretation, advisory opinions, or written guidance on any laws under the Commissioner's jurisdiction, provided that the interpretations, opinions, and guidance shall not have the force and effect of rules of law. (2012-56, s. 4.)

§ 53C-8-2. Assessments and fees.

Banks shall pay the following assessments and fees into the OCOB within 10 days after receipt of an invoice:

- (1) Annual assessments. – Each bank shall pay a cumulative assessment based on its total assets as shown on its report of condition made to the Commissioner as of December 31 each year or the date most nearly approximating the same, not to exceed the amount determined by applying the following schedule:
 - a. On the first fifty million dollars (\$50,000,000) of assets, or fraction thereof, ten thousand dollars (\$10,000).
 - b. On assets greater than fifty million dollars (\$50,000,000) but not more than two hundred fifty million dollars (\$250,000,000), fourteen dollars (\$14.00) per hundred thousand dollars (\$100,000), or fraction thereof.
 - c. On assets greater than two hundred fifty million dollars (\$250,000,000), but not more than five hundred million dollars (\$500,000,000), eleven dollars (\$11.00) per hundred thousand dollars (\$100,000), or fraction thereof.
 - d. On assets greater than five hundred million dollars (\$500,000,000), but not more than one billion dollars (\$1,000,000,000), seven dollars (\$7.00) per hundred thousand dollars (\$100,000), or fraction thereof.

- (3) Special assessments. – If the Commissioner determines that the financial condition or manner of operation of a bank warrants further examination or an increased level of supervision, or in the event of a combination or conversion, the Commissioner may charge, and the institutions shall pay, an assessment equal to the reasonable cost of further examination, increased level of supervision, or supervision with regard to the combination or conversion. The Commissioner's determination of the cost of further examination shall be, in the absence of manifest error, dispositive of the issue of reasonableness.
 - (4) In the first half of each calendar year, the Commission shall review the estimated cost of maintaining each division of the OCOB for the next fiscal year. If the estimated assessments provided for under this Chapter for any division shall exceed the estimated cost of maintaining that division for the next fiscal year, then the Commission may reduce by a uniform percentage any assessments provided for in this Chapter for that division. If the estimated assessments provided for in this Chapter for any division shall be less than the estimated cost of maintaining that division for the next fiscal year, then the Commission may increase by a uniform percentage any assessments provided for in this Chapter for that division to an amount that will increase the amount of assessments to be collected to an amount at least equal to the estimated cost of maintaining that division of the OCOB for the next fiscal year. § 53C-8-4. Examination by Commissioner.

(a) The Commissioner may examine everything relating to the business of a bank or its holding company, and may appoint examiners to make such examination. (c) The Commissioner shall furnish a copy of the report of examination to the bank or the holding company examined and may, upon request, furnish a copy of the report to the primary federal regulator of the bank or its holding company and to the FDIC if not the bank's primary federal regulator. (2012-56, s. 4.)

(2012-56, s. 4.)

§ 53C-8-7. Examiner making false report.

If any bank examiner shall knowingly and willfully make any false or fraudulent report of the condition of any bank that the examiner has examined with the intent to aid or abet the bank or its affiliates in committing violations of any provision of this Chapter, or if any examiner shall keep or accept any bribe or gratuity given for the purpose of inducing the examiner not to file any report of examination of any bank, or if any examiner shall neglect to make an examination of any bank by reason of having received or accepted any bribe or gratuity, the examiner shall be guilty of a Class H felony. If the Commissioner, any deputy commissioner, or any bank examiner accepts an extension of credit or gratuity from any bank, or from any officer, director, employee, or affiliate thereof, that individual shall be guilty of a Class 1 misdemeanor and may be fined a sum equal to the extension of credit made or the gratuity given.

(b) Notwithstanding the provisions of subsection (a) of this section, the Commissioner may exempt from the application of subsection (a) any deputy commissioner or any bank examiner with respect to any extension of credit existing upon the hiring of the deputy commissioner or bank examiner by the OCOB and any extension of the term or renewal of such extension of credit made thereafter, so long as the extension of term or renewal has terms and conditions generally available to customers of the applicable bank having generally the same creditworthiness as the deputy commissioner or bank examiner. (2012-56, s. 4.)

(d) Consistent with Article 3A of Chapter 150B of the General Statutes, notice and opportunity for hearing shall be provided before any of the actions authorized by this section shall be undertaken by the Commissioner. In cases involving extraordinary circumstances requiring immediate action, the Commissioner may take such action but shall promptly afford a subsequent hearing upon application to rescind the action taken.

(e) The Commissioner shall have the power to subpoena witnesses, compel their attendance, require the production of evidence, administer oaths, and examine any person under oath in connection with any subject related to a duty imposed or a power vested in the Commissioner.

(f) The Commissioner may impose a civil money penalty of not more than one thousand dollars (\$1,000) for each violation by any bank, trust company, or subsidiary thereof, or any director, officer, or employee, or any other person the Commissioner is authorized to regulate, of an order issued under subdivision (1) of subsection (c) of this section. The Commissioner may impose a civil money penalty of not more than five hundred dollars (\$500.00) per day for each day that a bank, trust company, or subsidiary thereof, or any director, officer, or employee, or any other person the Commissioner is authorized to regulate, violates a cease and desist order issued under

subdivision (2) of subsection (c) of this section. The proceeds of civil money penalties imposed pursuant to this subsection, net of documented expenses of examination and enforcement, shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(g) Administrative orders issued by the Commissioner and civil money penalties imposed for violation of such orders shall be subject to review by the Commission, which shall have power to amend, modify, or disapprove the same at any regular or special meeting.

(h) Notwithstanding any penalty imposed by the Commissioner, the Commission may, after notice of and opportunity for hearing, impose, enter judgment for, and enforce, by appropriate process, a penalty of not more than ten thousand dollars (\$10,000) against any bank, trust company, or subsidiary thereof, or against any of its directors, officers, or employees, or any other person the Commissioner is authorized to regulate, for violating any lawful order of the Commission or Commissioner. The proceeds of civil money penalties imposed pursuant to this subsection, net of documented expenses of examination and enforcement, shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(i) If the Commissioner believes that a violation of a criminal statute has occurred, the Commissioner may refer the matter to the appropriate prosecutorial agency. (2012-56, s. 4.)

§ 53C-8-13. Immediate action orders.

(a) In the event that the Commissioner determines that a bank has inadequate capital or insufficient capital or determines that immediate action is necessary to cause a bank to conduct its business in a safe and sound manner or to cause a bank or any of its directors, officers, or employees to cease from an act or course of conduct that threatens, or is reasonably probable of threatening, the financial integrity of the bank, the commissioner may order, as applicable, the bank to take such corrective action as the Commissioner deems necessary or may order the bank, director, officer, or employee to immediately cease such conduct, act, or course of conduct and to refrain therefrom in the future.

(b) Any order made under this section shall be effective upon issuance, provided, however, that the Commissioner shall promptly afford a subsequent hearing upon the order as provided in G.S. 53C-2-6. (2012-56, s. 4.)

§ 53C-8-14. Supervisory control.

(a) Whenever the Commissioner determines that a bank has insufficient capital and is conducting its business in an unsafe or unsound manner or in any fashion that threatens the financial integrity of the bank, the Commissioner may serve a notice of charges on the bank, requiring it to show cause why it should not be placed under supervisory control. The notice of charges shall specify the grounds for supervisory control and set the time and place for a hearing. A hearing before the Commissioner shall be held no earlier than seven days and no later than 15 days after issuance of the notice of charges.

(b) If, after the hearing provided in subsection (a) of this section, the Commissioner determines that supervisory control of the bank is necessary to protect the bank's customers, creditors, or the general public, the Commissioner shall issue an order taking supervisory control of the bank. The board of directors of the bank in office on the date of the issuance of the order may appeal the order of the Commissioner to the Commission pursuant to G.S. 53C-2-6 no later than 10 days after the date of the issuance of the order.

(c) The Commissioner may appoint an agent to supervise and monitor the operations of the bank during the period of supervisory control. During the period of supervisory control, the bank

shall act in accordance with any instructions and directions as may be given by the Commissioner, directly or through the agent, and shall not act or fail to act except when to do so would violate an outstanding order of its federal bank supervisory agent or the FDIC if the FDIC is not its primary federal regulator.

(d) Within 180 days of the date of the order taking supervisory control, the Commissioner shall issue an order approving a plan for the termination of supervisory control on the 30th day following the issuance of the order. The plan may provide for the following:

The order shall state that it is a "Temporary Order of Removal" and shall further state the grounds upon which it was issued together with the date, time, and location of a hearing on the matter. For good cause shown, the Commissioner may grant the director, officer, or employee subject to the order a 10-day extension of the hearing date, but the temporary removal order shall remain in full force and effect. Upon a hearing before the Commissioner within the prescribed time, the temporary removal order may be dissolved or made permanent in whole or in part.

(b) Any removal under this section is effective in all respects as if the removal had been made by the shareholders of the bank in question.

(c) Without the prior written approval of the Commissioner, no director, officer, or employee subject to an order under this section shall be eligible to be elected, reelected, or appointed any position as a director, officer, or employee of that bank or any other North Carolina financial institution during the period of the order's effect.

(d) An individual who is the subject of an order of the Commissioner under this section may appeal the order to the Commission pursuant to G.S. 53C-2-6 no later than 10 days after the date of issuance of the order. (2012-56, s. 4.)

§ 53C-8-16. Emergency powers.

The Commissioner may enter into cooperative, coordinating, and information sharing agreements with (i) any bank supervisory agency having jurisdiction over an out-of-state bank that operates one or more branches in this State and (ii) any bank supervisory agency of another state in which a bank operates one or more branches with respect to the periodic examination or other supervision of the branches of the out-of-state bank operating in this State or the branches of the bank operating in such other state. (2012-56, s. 4.)

Notwithstanding any other provision of this Chapter, in order to protect the public, including depositors and creditors of a bank, the Commissioner, upon making a finding that a bank is unable to operate in a safe and sound manner and is not reasonably likely to be able to resume safe and sound operations, may authorize or require a combination of the bank, a control transaction, or any other transaction, whether or not the Commissioner has taken supervisory control pursuant to G.S. 53C-8-14. In ordering any such combination, control transaction, or other transaction, the Commissioner may order that a vote of the bank's shareholders shall not be required to effect the combination, control transaction, or other transactions. (2012-56, s. 4.)

§ 53C-9-102. Distributions; assignments restricted.

A bank that is in the process of involuntary or voluntary dissolution pursuant to this Article may not make or pay distributions to its shareholders unless the bank has the prior written approval of the Commissioner. No bank shall make any general assignment for the benefit of its creditors except by surrendering possession of its assets to the Commissioner for dissolution and liquidation pursuant to G.S. 53-9-301, and any other purported assignment by the bank for the benefit of its creditors shall be void. (2012-56, s. 4.)

§ 53C-9-103. Cancellation of charter.

Whenever a combination, dissolution, or other transaction occurs by which a bank ceases to exist or ceases to be eligible for a charter, the Commissioner shall by order cancel the bank's charter and shall publish the order in accordance with G.S. 53-1-4(59). A copy of the order shall be filed by the Commissioner with the Secretary of State. The bank shall continue to exist under Chapter 55 of the General Statutes for the purpose of dissolving and liquidating its business and affairs. (2012-56, s. 4.)

Part 2. Voluntary Dissolution and Liquidation.

§ 53C-9-201. Voluntary dissolution prior to receipt of charter.

A bank in formation may, prior to issuance of its charter, give notice to the Commissioner and, with the Commissioner's consent, abandon its application to the Commissioner and dissolve and

liquidate by a majority vote of its board of directors and as provided under Chapter 55 of the General Statutes. (2012-56, s. 4.)

§ 53C-9-202. Voluntary dissolution.

(a) With the approval of the Commissioner, a bank may engage in a voluntary dissolution and liquidation.

(b) If, by a majority vote, the board of directors of a bank should determine that in their judgment the bank should be dissolved and liquidated, then the board of directors shall submit immediately to the Commissioner the following documents, certified by an appropriate officer of the bank:

- (1) The board of directors' resolution.
- (2) The bank's proposed articles of dissolution.
- (3) The board of directors' plan for liquidation.
- (4) Any notices or proxy solicitation materials proposed to be sent to shareholders.

(c) The Commissioner shall examine the documents submitted under subsection (b) of this section and such other matters as the Commissioner deems relevant and may issue an order authorizing the bank and its board of directors to proceed with dissolution and liquidation as provided in G.S. 53C-9-203. Examination by the Commissioner of the materials referred to in subsection (b)(4) of this section shall not be deemed to be approval of the documents for any purpose.

(d) At any annual or special meeting of shareholders called for the purpose of voting upon a proposal for voluntary dissolution of a bank, the shareholders of the bank may, by an affirmative vote, in person or by proxy, of the holders of shares representing at least two-thirds of the votes entitled to be cast on such matters, resolve to dissolve and liquidate the bank in accordance with the order of the Commissioner issued under subsection (c) of this section.

(e) If a majority of the board of directors of a bank should determine that in its best judgment the bank should be dissolved and liquidated but deems it impractical or otherwise inadvisable to proceed with a vote upon voluntary dissolution by the shareholders, then the board of directors shall immediately forward a certified copy of its resolution to the Commissioner and the Commissioner shall place the bank in receivership pursuant to G.S. 53C-9-301. (2012-56, s. 4.)

§ 53C-9-203. Voluntary dissolution and liquidation procedure.

(a) At the appropriate time, the Commissioner shall do the following:

- (1) Inform the FDIC and the bank's federal supervisory agency if other than the FDIC.
- (2) Select and appoint a receiver or receiver in liquidation, just as if the liquidation were involuntary under G.S. 53C-9-301.
- (3) Attach a certificate of approval to the articles of dissolution, and the bank shall then file the certified articles with the Secretary of State.

(b) Upon the filing of the articles of dissolution with the Secretary of State, it shall be unlawful for the bank to accept any additional deposit accounts or additions to deposit accounts or make any additional extensions of credit, but all its income and receipts in excess of actual expenses of liquidation of the bank shall be applied to the discharge of its liabilities.

(c) The persons charged with liquidation of the bank in the approved plan of dissolution shall cause to be published a public notice stating the bank has closed and will dissolve and

liquidate and notifying its depositors and creditors to present their claims for payment, specifying the method for doing so.

(d) The bank may pay reasonable compensation, subject to the approval of the Commissioner, to the persons charged with its liquidation.

(e) Any bank in the process of voluntary dissolution and liquidation shall be subject to examination by the Commissioner and shall furnish any reports required by the Commissioner.

(f) If the Commissioner determines at any time that the voluntary liquidation plan is not working, the Commissioner may place the bank in receivership pursuant to G.S. 53C-9-301. (2012-56, s. 4.)

Part 3. Receivership; Involuntary Dissolution.

§ 53C-9-301. Receivership.

(a) The Commissioner may take custody of the books, records, and assets of every kind and character of any bank in the instances established in Part 2 of this Article or if it reasonably appears from one or more examinations made by the Commissioner that any of the following conditions exist:

- (1) The directors or officers of the bank, or the liquidators of the bank subject to a voluntary plan of liquidation, have neglected, failed, or refused to take action that the Commissioner deems necessary for the protection of the bank.
- (2) The directors, officers, or liquidators of the bank have impeded or obstructed an examination.
- (3) The business of the bank is being conducted in a fraudulent, illegal, or unsafe manner.
- (4) The bank is in an unsafe or unsound condition to transact business and it is not reasonably probable that it will be able to return to a safe and sound condition.
- (5) The capital of the bank is impaired such that the likely realizable value of its assets is insufficient to pay and satisfy the claims of all depositors and all creditors.
- (6) The directors or officers of the bank, or the liquidators of a bank subject to a voluntary plan of liquidation, have assumed duties or performed acts in excess of those authorized by applicable statutes or regulations, by the bank's organizational documents or plan of liquidation, or without supplying the required bond.
- (7) The bank is insolvent or is in imminent danger of insolvency or has suspended its ordinary business transactions due to insufficient funds.
- (8) The bank is unable to continue operations.

(b) Unless the Commissioner reasonably finds that an emergency exists that requires that the Commissioner take custody immediately, the Commissioner shall first give written notice to the board of directors of the bank specifying which of those circumstances listed in subdivisions (1) through (8) of subsection (a) have been determined to exist and shall allow a reasonable time in which corrections may be made before a receiver of the bank will be appointed as outlined in subsections (c) and (d) of this section. For these purposes, "written notice" shall be deemed to include any report of examination or other confidential or nonconfidential written communication that is either directly from the Commissioner or is joined in by the Commissioner.

(c) The Commissioner shall appoint as receiver or coreceivers one or more qualified persons for the purpose of receivership and liquidation of the bank of which the Commissioner has

taken custody under subsection (a) of this section, which receiver shall furnish a bond in such form and amount, and with such surety, as the Commissioner may require.

(d) The Commissioner may appoint the FDIC or its nominee as the receiver, and the receiver shall be permitted to serve without posting bond. In the event of such an appointment, the Commissioner shall thereafter be forever relieved of any and all responsibility and liability in respect to the receivership and the liquidation of the bank.

(e) In the event the Commissioner takes custody of a bank and then appoints a receiver for the bank, the Commissioner shall serve personally at the bank's principal office through the officer who is present and appears to be in charge, the Commissioner's order taking possession and, if applicable, the Commissioner's order appointing a receiver for the bank in liquidation. The Commissioner shall also mail a certified copy of the order taking possession and the appointing order by certified mail or by express delivery to any previous receiver or other legal custodian of the bank and to the Clerk of Superior Court of Wake County. The Commissioner shall give notice to the public of the Commissioner's actions by posting a notice summarizing the Commissioner's actions near the entrance to each branch of the bank, and the Commissioner shall issue a similar public notice as defined in G.S. 53C-1-4(59).

(f) Whenever a receiver for a bank is duly appointed and qualified under subsection (c) or (d) of this section:

- (1) The receiver, by operation of law and without any conveyance or other instrument, act, or deed, shall succeed to all the rights, titles, powers, and privileges of the bank, its shareholders, officers, and directors, or any of them, and to the titles to the books, records, and assets of every description of any previous receiver or other legal custodian of the bank. Neither the shareholders, officers, or directors, nor any of them, shall thereafter, except as expressly provided in this section, have or exercise any rights, powers, or privileges or act in connection with any assets or property of any nature of the bank in receivership.
- (2) The Commissioner may, at any time, direct the receiver (unless it is the FDIC) to return the bank to its previous or a newly constituted management and its shareholders.
- (3) A receiver, other than the FDIC, may, at any time during the receivership and before final liquidation, be removed and a replacement appointed by the Commissioner.

(g) A receiver may perform any of the following acts:

- (1) Demand, sue for, collect, receive, and take into possession all the goods and chattels, rights and credits, moneys and effects, lands and tenements, books, papers, choses in action, bills, instruments, notes, intangible interests, and property of every description of the bank.
- (2) Foreclose mortgages, deeds of trust, and other liens granted to the bank to the extent the bank would have the right to do so.
- (3) Seek injunctions and institute suits for the recovery of any property, damages, or demands existing in favor of the bank, and shall, upon the receiver's own application, be substituted as party plaintiff in the place of the bank in any suit or proceeding pending at the time of the receiver's appointment.
- (4) Sell, convey, and assign any or all of the property rights and interests owned by the bank.

- (5) Appoint agents and engage independent contractors.
- (6) Examine papers and investigate persons.
- (7) Make and carry out agreements with the FDIC for the payment or assumption of the bank's liabilities, in whole or in part, and to sell, convey, transfer, pledge, or assign assets as security or otherwise and to make guarantees in connection therewith.
- (8) Perform all other acts that might be done by the employees, officers, and directors of the bank.

These powers shall be continued in effect until liquidation of the bank or until return of the bank to its prior or newly constituted management.

(h) The Commissioner may, unless the FDIC has been appointed as receiver, determine that the receivership proceedings of a bank should be discontinued and the possession of the bank returned to newly constituted management. The Commissioner shall then remove the receiver and restore all the rights, powers, and privileges of the bank's depositors, shareholders, customers, employees, officers, and directors. The return of a bank to a newly constituted management from the possession of a receiver shall, by operation of law and without any conveyance or other instrument, act, or deed, vest in the bank the title to all property held by the receiver in the capacity as receiver for the bank.

(i) Claims against a bank in receivership shall have the following order of priority for payment:

- (1) Costs, expenses, and debts of the bank incurred on or after the date of the appointment of the receiver, including compensation for the receiver and a reasonable sum for the time of employees and agents of the OCOB.
- (2) Claims of holders of deposit accounts.
- (3) Claims of secured creditors in such order of priority as is established by applicable law or regulation.
- (4) Claims of general creditors.
- (5) Claims of holders of the bank's shares in the order of preference established by the bank's organizational documents.

(j) All claims of each class described within subsection (i) of this section shall be paid in full so long as sufficient assets are available therefor. Members of a class for which the receiver cannot make payment in full shall be paid an amount proportionate to their total claims.

(k) The Commissioner may direct the receiver to make payment of claims for which no provision is made in this section and may direct the payment of less than all claims within a class.

(l) When all assets of the bank have been fully liquidated, all claims and expenses have been paid or settled, and the receiver has recommended a final distribution, the dissolution of the bank in receivership shall be accomplished in the following manner:

- (1) The receiver shall file with the Commissioner a detailed report, in a form to be prescribed by the Commissioner, of the receiver's acts and proposed final distribution of the bank's assets.
- (2) Upon the Commissioner's approval of the final report of the receiver, the receiver shall make the final distribution of the bank's assets in any manner as the Commissioner may direct.
- (3) When any unclaimed property, including funds due to a known but unlocated depositor, remains following the final distribution of the bank's assets, such

property shall be promptly transferred to the State Treasurer to hold in accordance with the provisions of Chapter 115B of the General Statutes.

- (4) Upon completion of the actions described in this subsection, the process of dissolution and liquidation of the bank shall be deemed complete, and the Commissioner shall issue a certification of completed liquidation to the Secretary of State.
- (5) Upon completion of the process of dissolution and liquidation, the Commissioner shall cause an examination of the receiver's activities and records to be conducted, with which the receiver shall assist. The accounts of the receiver shall then be ruled upon by the Commissioner, and if approved, the receiver shall be given a final and complete discharge and release. (2012-56, s. 4.)

Part 4. Provisions Relating to Any Dissolution or Receivership.

§ 53C-9-401. Article relating to receivers applicable to insolvent banks.

§ 53C-9-403. Authority to serve as trustee terminated.

Whenever any bank that has been, or shall be, appointed trustee in any indenture, deed of trust, or other instrument of like character, executed to secure the payment of any bonds, notes, or other evidences of indebtedness, has been or shall be placed in receivership, a new trustee shall be appointed in the manner provided in G.S. 36C-7-704 or other applicable law, and the powers and duties of the bank as trustee in any such instrument shall immediately cease. (2012-56, s. 4; 2013-29, s. 19.)

§ 53C-9-404. Petition for new trustee; upon parties interested.

In all cases of dissolution receivership and liquidation under this Article, the clerk of superior court of any county in which an indenture, deed of trust, or other instrument of like character is recorded shall, upon the verified petition of any person interested in any such trust, either as trustee, beneficiary, or otherwise, which interest shall be set out in the petition, enter an order directing service, in the manner required by law for service of summons, on all interested parties of

a notice requiring all persons having any interest in the trust to appear at the clerk's office on a day designated in the order and notice, not less than 30 days from the date of the first publication of the notice, and show cause why a new trustee shall not be appointed. The notice shall set forth the names of the parties to the indenture, deed of trust, or other such instrument, and the date the documents were executed and the place of recording. (2012-56, s. 4.)

§ 53C-9-405. Appointment of substitute trustee where no objection made.

If, upon the day fixed in the notice, no person appears and objects to the appointment of a substitute trustee, the clerk of superior court shall, upon such terms as he or she deems advisable to the best interest of all parties, appoint a competent person authorized to act as substitute trustee, who shall be vested with and shall exercise all the powers conferred upon the trustee named in the instrument. (2012-56, s. 4.)

§ 53C-9-406. Hearing where objection made; appeal from order.

Article 10.
Bank Holding Companies.
Part 1. Change in Control.

§ 53C-10-101. Holding companies.

Every holding company, as defined in G.S. 53C-1-4(39), that directly or indirectly controls a depository institution or nonbank subsidiary that has an office located in this State shall register with the Commissioner and maintain that registration on an annual basis in the form prescribed by the Commissioner. (2012-56, s. 4; 2017-165, s. 10.)

§ 53C-10-102. Holding company control transaction.

(a) Except as otherwise expressly permitted by this section, a person shall not engage in a control transaction to which a holding company formed under the laws of this State and having a bank as a subsidiary is a party without the prior approval of the Commissioner. A person may

contract to engage in a control transaction with the consummation of the control transaction being subject to receipt of the approval of the Commissioner.

(b) The Commissioner may require a person who is obligated to file a notice or an application under this section to appoint an agent resident in this State for service of process upon the filing of the notice or application or as a condition to the acceptance of the notice or application for review. An application for approval shall be in a form required by the Commissioner and shall be accompanied by such fee as may be required by rule.

(c) The following transactions shall not constitute a control transaction under this section requiring the prior approval of the Commissioner:

- (1) The acquisition of control over voting securities by a person who has previously engaged in a control transaction with respect to the holding company after receiving the approval of the Commissioner under this Article, which approval permits the acquisition of control over additional voting securities, or any person who is an affiliate of the person previously engaging in the approved control transaction with such permission and who is identified in the application submitted for the approval, if the acquiring person files a notice with the Commissioner, in the form required by the Commissioner, describing the transaction at least 10 days before the acquiring person or affiliate thereof first votes or directs the voting of the voting securities.
- (2) An acquisition of control over voting securities by operation of law, will, or intestate succession, if the acquiring person files a notice with the Commissioner, in the form required by the Commissioner, describing the acquisition or transfer at least 10 days before the acquiring person first votes or directs the voting of the voting securities.
- (3) Bona fide gifts.
- (4) A transaction exempted by rules, orders, or declaratory rulings of the Commissioner, issued because approval of the transaction is not necessary to achieve the objectives of this Chapter.
- (5) An acquisition of control over voting shares exempt from the prior approval requirements set forth in section 3 of the Bank Holding Company Act, as amended (12 U.S.C. § 1842), pursuant to the exceptions described in items (A), (B), or (C) of subsection (a) of that section.
- (6) An acquisition of control over voting securities in a transaction subject to approval under section 3 of the Bank Holding Company Act, as amended (12 U.S.C. § 1842).

(d) Upon receipt of a notice described in subsection (c) of this section, the Commissioner may, before the 10th day following the receipt, notify the acquiring person of the Commissioner's objection to the exercise of control over the voting securities or may require the acquiring party to submit further information before exercising control over the voting securities. An acquiring person receiving a notice of objection shall be required to submit an application for approval of a control transaction. An acquiring person receiving a notice to submit further information may be required to provide any information that would be included in an application for approval of a control transaction. In the event such an acquiring person is comprised of a group of persons, the Commissioner may require each member of the group to submit relevant information.

(e) All voting securities over which control has been acquired by an acquiring person shall not be voted on any matter submitted to a vote of the holders of the outstanding voting securities of

the holding company of a bank and shall be deemed authorized but unissued for purposes of determining the presence of a quorum of holders of voting securities until such time as follows:

- (1) The Commissioner has approved an application for approval of a control transaction with respect to the voting securities.
- (2) The transaction is one listed in subsection (c) of this section that does not require the filing of a notice with the Commissioner.
- (3) The transaction is one listed in subsection (c) of this section that requires a notice to be filed with the Commissioner and the Commissioner has not issued an objection to the notice and any requirement of the Commissioner for the filing of further information had been determined by the Commissioner to have been satisfied. (2012-56, s. 4; 2013-29, s. 20.)

§ 53C-10-103. Application regarding a control transaction.

(a) A person seeking approval of a control transaction to which a holding company of a bank is a party under this Article shall file the following with the Commissioner:

- (1) An application in the form prescribed by the Commissioner.
- (2) All filing fees required by rule of the Commissioner.
- (3) Any other information required by a rule of the Commissioner or deemed by the Commissioner to achieve the objectives of this Chapter.

(b) In the event a person submitting an application is a group of persons, the Commissioner may require each member of the group to submit information relevant to the application.

(c) Notwithstanding any laws to the contrary, information about the character, competence, or experience of an acquiring person or its proposed management personnel or affiliates shall be deemed a confidential record of the Commissioner subject to G.S. 53C-2-7(b). (2012-56, s. 4.)

§ 53C-10-104. Public notice.

A person filing an application for approval of a control transaction shall publish a public notice of the filing of the application not more than 30 days before nor more than 10 days after the filing of the application with the Commissioner. The public notice shall contain the following:

- (1) A statement that the application has been filed with the Commissioner.
- (2) The name of the applicable holding company and the address of its principal office.

The public notice shall provide the current mailing address of the Commissioner. (2012-56, s. 4.)

§ 53C-10-105. Actions on control transaction applications.

(a) The Commissioner shall examine the proposed control transaction, including the character, competence, and experience of the acquiring person and its proposed management personnel, to determine whether the financial stability of the holding company or the interests of the customers served by one or more bank subsidiaries of the holding company would be adversely affected by the proposed control transaction. Not later than the 60th day following receipt of a completed application for approval of a control transaction unless extraordinary circumstances require a longer period of review, the Commissioner shall approve or deny the application.

(b) The Commissioner may deny an application for approval of a control for any of the following reasons:

- (1) The financial condition of the person seeking approval of a control transaction could jeopardize the financial stability of the holding company, one or more bank subsidiaries of the holding company, or the financial interests of the bank's customers.
- (2) An examination of the character, competence, or experience of any acquiring person or of any of the proposed management personnel of the holding company shows that it would not be in the interest of the customers of one or more of the bank subsidiaries of the holding company or in the interest of the public to permit the person to control the holding company.
- (3) The plans or proposals of the person seeking approval with respect to exercising control over the holding company would not be in the best interests of the customers of one or more bank subsidiaries of the holding company.
- (4) Upon the effective date of the proposed control transaction, one or more of the bank subsidiaries of the holding company would not be solvent, have inadequate capital, or not be in compliance with this Chapter or rules of the Commissioner.
- (5) The application for approval is incomplete.
- (6) If the acquiring person solicits votes for the approval of or consents to the control transaction from the holders of the voting securities of the holding company, adequate and complete disclosures of all material information about the proposed control transaction, together with a prominent statement that neither the control transaction nor any solicitation of such holders' votes or consents has been approved by the Commissioner and that any representation to the contrary is a criminal offense, have not been made to the holders.

(c) If an application filed under this Part is approved by the Commissioner, the control transaction may become effective. All conditions to approval set forth in the order of the Commissioner shall be enforceable against the person, and each member of a group of persons, receiving the approval. (2012-56, s. 4.)

§ 53C-10-106. Appeal.

Any order of the Commissioner denying an application for approval of a control transaction may be appealed to the Commission by the person filing the application denied, as provided in G.S. 53C-2-6. (2012-56, s. 4.)

Part 2. Combinations.

§ 53C-10-201. Combination authority.

With the approval of the Commissioner, a holding company of a bank may combine with one or more other holding companies or other companies. The application for approval shall be in the form required by the Commissioner and shall be accompanied by such fee as may be required by rule. (2012-56, s. 4.)

§ 53C-10-202. Combination application and investigation.

(a) A holding company of a bank seeking approval of a combination shall file with the Commissioner an application for approval, copies of the agreement under which the holding

company proposes to effect the combination, and any additional information that the Commissioner shall require by rule or as is required by the Commissioner in connection with the application in order to achieve the objectives of this Chapter.

(b) A holding company filing an application for approval of a combination shall publish a public notice of the filing of the application not more than 30 days before nor more than 10 days after the filing of the application with the Commissioner. The public notice shall contain the following:

- (1) A statement that the application has been filed with the Commissioner.
- (2) The names of the parties to the proposed combination and the addresses of its principal offices.
- (3) A statement that any interested person may make written comment on the proposed combination and that comments received by the Commissioner within 14 days of the publication of the public notice shall be considered. The public notice shall provide the current mailing address of the Commissioner.

(c) The Commissioner shall examine the proposed combination, including the character, competency, and experience of the proposed directors and executive officers of the surviving party of the combination, to determine whether the interests of the customers and communities served by the banks controlled by the parties to the combination would be adversely affected by the proposed combination.

(d) Notwithstanding any laws to the contrary, information about the character, competence, and experience of the directors and executive officers of the parties to a combination received by the Commissioner shall be deemed a confidential record of the Commissioner subject to G.S. 53C-2-7(b). (2012-56, s. 4.)

§ 53C-10-203. Decision on application.

Based on the application and the Commissioner's examination, the Commissioner shall enter an order approving or denying approval of the proposed combination not later than the 60th day following the date the Commissioner notifies the parties that the application is complete, unless extraordinary circumstances require a longer period of review. (2012-56, s. 4.)

§ 53C-10-204. Appeal.

Any order of the Commissioner denying an application for approval of a combination may be appealed to the Commission by a party to the combination, as provided in G.S. 53C-2-6. (2012-56, s. 4.)

Part 3. General Authority.

§ 53C-10-301. Cease and desist order.

Upon a finding that any action of a holding company subject to registration under this Article, or its nonbank affiliate, may be in violation of any banking laws, the Commissioner, after a reasonable notice to the holding company and an opportunity for it to be heard, shall have the authority to order it to cease and desist from such action. If the holding company fails to appeal the decision within 10 days of the date of the issuance of the order in accordance with G.S. 53C-2-6, and continues to engage in the action in violation of the Commissioner's order to cease and desist such action, it shall be subject to a civil money penalty of twenty thousand dollars (\$20,000) for each day it remains in violation of the order. The penalty provision of this section shall be in addition to and not in lieu of any other provision of law applicable to a holding company's failure to

comply with an order of the Commissioner. The clear proceeds of the civil money penalty shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (2012-56, s. 4; 2013-29, s. 21.)

§ 53C-10-302. Other control changes.

Each holding company of a bank shall report to the Commissioner any changes in its directors, president, chief executive officer, or chief financial officer by the close of the second day on which the holding company is open for business following the change. (2012-56, s. 4.)

§ 53C-10-303. Fees.

- (2) An annual registration fee of seven hundred fifty dollars (\$750.00).
- (3) A fee of fifty dollars (\$50.00) for the issuance of any certified copies of documents plus one dollar (\$1.00) per page over a number of pages specified by the Commissioner. (1983 (Reg. Sess., 1984), c. 1113, s. 1; 2017-165, s. 11.)
