(a) Whenever (i) a state of disaster is proclaimed for the State or for an area within the State under G.S. 166A-19.21 or whenever the President of the United States has issued a major disaster declaration for the State or for an area within the State under the Stafford Act, 42 U.S.C. § 5121, et seq., as amended and (ii) if the Commissioner has issued an order declaring this section effective for the specific disaster:

- (1) Proof of loss stayed. – The application of any provision in an insurance policy insuring real property and its contents that are located within the designated area in the proclamation or declaration, which provision requires an insured to file a proof of loss within a certain period of time after the occurrence of the loss, shall be stayed for the time period not exceeding the earlier of (i) the expiration of the disaster proclamation or declaration and all renewals of the proclamation or (ii) the expiration of the Commissioner's order declaring this section effective for the specific disaster.

Included in the deferral of time limits is the transmittal of information and communications, with respect to insurance policies or contracts, premium finance agreements, or debt instruments when the insurer, insured, claimant, or customer resides or is located in the designated area in the proclamation or declaration. Likewise, the deferral period shall apply to any time limitations imposed on insurers under the

If premiums in arrears are not paid, coverage shall lapse as of the date premiums were paid up, and preexisting conditions shall apply as permitted under this Chapter; and the insured shall be responsible for all medical expenses incurred since the effective date of the lapse in coverage.
- (4) Repealed by Session Laws 2014-115, s. 39.2, effective August 11, 2014.

All cancellation notice requirements are still applicable under this section.

All property and casualty insurance policies or contracts with a properly noticed cancellation for nonpayment effective on or prior to the date the Commissioner has issued an order under this section may be cancelled and such cancellations shall remain valid and effective. All cancellations for nonpayment of insurance policies or contracts scheduled to be effective after the deferral period has commenced must be deferred until the deferral period has expired. If necessary to comply with statute, a cancellation deferred under this subsection must be properly noticed again with an effective date after the expiration of the deferral period. Cancellations for cause that have been properly noticed, including cancellations for material misrepresentation or ineligible risk, may continue to be processed during the deferral period.

- (2) Premium finance companies. – With respect to premium finance companies and premium finance agreements that have financed property and casualty insurance policies for customers or policyholders who reside in the designated area in the proclamation or declaration and who have been displaced from their residences, the following provisions shall apply:

- a. After a deferral period has expired, all payments in arrears under a premium finance agreement shall be due and payable to the premium finance company. If the payments in arrears are not paid, the premium finance company may cancel the premium finance agreement on or after the fifteenth day following the expiration of the deferred period. All cancellation notice requirements are still applicable under this section.
- b. All property and casualty insurance policies or contracts that were financed by an insurance premium finance company with a properly noticed cancellation for nonpayment effective on or prior to the date the Commissioner has issued an order under this section may be cancelled and such cancellations shall remain valid and effective.
- c. This section shall not apply to premium finance agreements entered into on or after the date the Commissioner has issued an order declaring this section effective for the specific disaster.

(c) If the proclamation or declaration is the result of a public health emergency as determined by the Secretary of the U.S. Department of Health and Human Services pursuant to 42 U.S.C. § 247d, or other situations where the Governor has, by executive order, ordered all individuals in North Carolina to stay at home or at their place of residence, the following provisions shall apply:

- (1) Property and casualty insurance companies and premium finance companies. – Property and casualty insurance companies and premium finance companies subject to this Chapter shall give notice to their customers or policyholders who reside within the designated area in the proclamation or declaration of the option of deferring premium payments that are due during the time period covered by the Commissioner's order declaring this section effective for a specific public health emergency or situation that may require the citizens of North Carolina to shelter in place. The deferral period shall be 30 days from the last day the premium or debt payment may be made under the terms of the policy or contract or premium finance agreement.
 - a. When providing notice to customers or policyholders of the option to defer premium payments, property and casualty insurance companies and premium finance companies shall do all of the following:

1. Advise their customers or policyholders of their right to defer their premium and provide the steps required to defer their premium.
 2. Allow for deferral requests from customers or policyholders to be communicated verbally or by electronic means. Written requests for deferral shall not be required.
- b. After required notification is provided, nonpayment will result in a cancellation to be effective on or after the fifteenth day following the expiration of the deferral period.
 - c. After a deferral period has expired, all premium payments in arrears under a property and casualty insurance policy or premium finance agreement shall be due and payable to the insurance company or premium finance company. If the premium payments in arrears are not paid, the property and casualty insurance company or premium finance company may cancel the insurance policies or premium finance agreements that were financed on or after the fifteenth day following the expiration of the deferral period. All cancellation notice requirements are still applicable under this section.
 - d. This section shall not apply to property and casualty insurance policies or contracts entered into on or after the date the Commissioner has issued an order under this section.
- (2) Policy nonrenewals and cancellations not prohibited. – Nothing in this subsection prohibits property and casualty insurance companies from not renewing or cancelling a policy during a public health emergency or situation that may require all individuals in North Carolina to stay at home.
 - (3) Collection agencies. – Collection agencies, as defined in Article 70 of this Chapter, shall discontinue attempts to collect debt against their customers who reside within the designated area in the proclamation or declaration during the deferral period when the customer notifies the collection agency that he or she is experiencing significant financial hardship related to the public health emergency or stay at home order.
 - (4) Deferral period limited in applicability. – For a public health emergency or situation that may require all individuals in North Carolina to stay at home, the deferral period shall not apply to time limitations imposed by any statute, rule, or other policy or contract provision or to the transmittal of information or communications related to insurance policies, premium finance agreements, or debt instruments, except as specifically provided for in this subsection.
 - (5) Exclusions. – This subsection shall not apply to situations that involve enemy attack, invasion, insurrection, riot, rebellion, revolution, civil war or commotion, or military or usurped power.
- (d) The Commissioner may extend any deferral period in this section, depending on the nature and severity of the proclaimed or declared disaster or event. No additional rate or contract filing shall be necessary to effect any deferral period. (2006-145, s. 3; 2012-12, s. 2(i); 2013-199, s. 22(a); 2014-115, s. 39.2; 2022-46, s. 10.)

§ 58-2-47. Incident affecting operations of the Department; stay of deadlines and deemer provisions.

Regardless of whether a state of emergency or disaster has been proclaimed under G.S. 166A-19.20 or G.S. 166A-19.21 or declared under the Stafford Act, whenever an incident beyond the Department's reasonable control, including an act of God, insurrection, strike, fire, power outage, or systematic technological failure, substantially affects the daily business operations of the Department, the Commissioner may issue an order, effective immediately, to stay the application of any deadlines and deemer provisions imposed by law or rule upon the Commissioner or Department or upon persons subject to the Commissioner's jurisdiction, which deadlines and deemer provisions would otherwise operate during the time period for which the operations of the Department have been substantially affected. The order shall remain in effect for a period not exceeding 30 days. The order may be renewed by the Commissioner for successive periods not exceeding 30 days each for as long as the operations of the Department remain substantially affected, up to a period of one year from the effective date of the initial order. (2006-145, s. 3; 2012-12, s. 2(j); 2013-199, s. 22(b).)

§ 58-2-50. Examinations, hearings, and investigations.

All examinations, hearings, and investigations provided for by this Chapter may be conducted by the Commissioner personally or by one or more deputies, investigators, actuaries, examiners or employees designated for the purpose. If the Commissioner or any investigator appointed to conduct the investigations is of the opinion that there is evidence to charge any person or persons with a criminal violation of any provision of this Chapter, the Commissioner may arrest with warrant or cause the person or persons to be arrested. All hearings shall, unless otherwise specially provided, be held in accordance with this Article and Article 3A of Chapter 150B of the General Statutes and at a time and place designated in a written notice given by the Commissioner to the person cited to appear. The notice shall state the subject of inquiry and the specific charges, if any. (1945, c. 383; 1969, c. 1009; 1995, c. 193, s. 6; 1999-219, s. 1.1.)

§ 58-2-52. Appeals and rate-making hearings before the Commissioner.

(a) The Commissioner may adopt rules for the hearing of appeals by the Commissioner or the Commissioner's designated hearing officer under G.S. 58-36-35, 58-37-65, 58-45-50, 58-46-30, 58-48-40(c)(7), 58-48-42, and 58-62-51(c). These rules may provide for prefiled evidence and testimony of the parties, prehearing statements and conferences, settlement conferences, discovery, subpoenas, sanctions, motions, intervention, consolidation of cases, continuances, rights and responsibilities of parties, witnesses, and evidence.

(b) Notwithstanding G.S. 150B-38(h), hearing procedures for rate filings made by the North Carolina Rate Bureau shall be governed by the provisions of Article 36 of this Chapter and G.S. 150B-39 through G.S. 150B-41. The Commissioner may adopt rules for those hearings.

(c) Appeals under the statutes cited in subsection (a) of this section are not contested cases within the meaning of G.S. 150B-2(2). (1993, c. 409, s. 23; 1995, c. 193, s. 7.)

§ 58-2-53. Filing approvals and disapprovals; clarification of law.

Whenever any provision of this Chapter requires a person to file rates, forms, classification plans, rating plans, plans of operation, the Safe Driver Incentive Plan, or any other item with the Commissioner or Department for approval, the approval or disapproval of the filing is an agency

decision under Chapter 150B of the General Statutes only with respect to the person making the filing or any person that intervenes in the filing. (2001-423, s. 2.)

§ 58-2-55. Designated hearing officers.

In any contested case under this Chapter or Article 9A or Article 9B of Chapter 143 of the General Statutes, the Commissioner may designate a member of his staff to serve as a hearing officer. When the Commissioner is unable or elects not to hear a contested case and elects not to designate a hearing officer to hear a contested case, he shall apply to the director of the Office of Administrative Hearings for the designation of an administrative law judge to preside at the hearing of a contested case. Upon receipt of the application, the Director shall, without undue delay, assign an administrative law judge to hear the case. (1989, c. 485, s. 30; 1999-393, s. 4.)

§ 58-2-60. Restraining orders; criminal convictions.

(a) Whenever it appears to the Commissioner that any person has violated, is violating, or threatens to violate any provision of Articles 1 through 64, 65 and 66, 67, 69, 70, or 71 of this Chapter, or Article 9A of Chapter 143 of the General Statutes, he may apply to the superior court of any county in which the violation has occurred, is occurring, or may occur for a restraining order and injunction to restrain such violation. If upon application the court finds that any provision of said statutes has been violated, is being violated, or a violation thereof is threatened, the court shall issue an order restraining and enjoining such violations; and such relief may be granted regardless of whether criminal prosecution is instituted under any provision of law.

(b) The conviction in any court of competent jurisdiction of any licensee for any criminal violation of the statutes referred to in subsection (a) of this section automatically has the effect of suspending the license of that person until such time that the license is reinstated by the Commissioner. As used in this subsection, "conviction" includes an adjudication of guilt, a plea of guilty, and a plea of nolo contendere. (1989, c. 485, s. 30.)

§ 58-2-65. License surrenders.

This section applies to persons or entities licensed under Articles 1 through 64, 65 and 66, 67, 69, 70, or 71 of this Chapter, or Article 9A of Chapter 143 of the General Statutes. When a licensee is accused of any act, omission, or misconduct that would subject the license to suspension or revocation, the licensee, with the consent and approval of the Commissioner, may surrender the license for a period of time established by the Commissioner. A person or entity who surrenders a license shall not thereafter be eligible for or submit any application for licensure during the period of license surrender. (1989, c. 485, s. 30.)

§ 58-2-69. Notification of criminal convictions and changes of address; service of notice; contracts for online services, administrative services, or regulatory data systems.

(a) As used in this section:

- (1) "License" includes any license, certificate, registration, or permit issued under this Chapter.
- (2) "Licensee" means any person who holds a license.

(b) Every applicant for a license shall inform the Commissioner of the applicant's residential address and provide the applicant's e-mail address to which the Commissioner can send electronic notifications and other messages. Every licensee shall give written notification to the Commissioner of any change of the licensee's residential or e-mail address within 10 business days

after the licensee moves into the licensee's new residence or obtains a different e-mail address. This requirement applies if the change of residential address is by governmental action and there has been no actual change of residence location; in which case the licensee shall notify the Commissioner within 10 business days after the effective date of the change. A violation of this subsection is not a ground for revocation, suspension, or nonrenewal of the license or for the imposition of any other penalty by the Commissioner, though a licensee who violates this subsection shall pay an administrative fee of fifty dollars (\$50.00) to the Commissioner.

(c) If a licensee is convicted in any court of competent jurisdiction for any crime or offense other than a motor vehicle infraction, the licensee shall notify the Commissioner in writing of the conviction within 10 days after the date of the conviction. As used in this subsection, "conviction" includes an adjudication of guilt, a plea of guilty, or a plea of nolo contendere.

(d) Notwithstanding any other provision of law, whenever the Commissioner is authorized or required to give any notice under this Chapter to a licensee, the notice may be given personally or by sending the notice by first-class mail to the licensee at the address that the licensee has provided to the Commissioner under subsection (b) of this section.

(e) The giving of notice by mail under subsection (d) of this section is complete upon the expiration of four days after the deposit of the notice in the post office. Proof of the giving of notice by mail may be made by the certificate of any employee of the Department.

(f) Notification by licensees under subsection (b) of this section may be accomplished by submitting written notification directly to the Commissioner or by using any online services approved by the Commissioner for this purpose.

(g) The Commissioner may contract with the NAIC or other persons for the provision of online services to applicants and licensees, for the provision of administrative services, for the provision of license processing and support services, and for the provision of regulatory data systems to the Commissioner. The NAIC or other person with whom the Commissioner contracts may charge applicants and licensees a reasonable fee for the provision of online services, the provision of administrative services, the provision of license processing and support services, and the provision of regulatory data systems to the Commissioner. The fee shall be agreed to by the Commissioner and the other contracting party and shall be stated in the contract. The fee is in addition to any applicable license application and renewal fees. Contracts for the provision of online services, contracts for the provision of administrative services, and contracts for the provision of regulatory data systems shall not be subject to Article 3, 3C, or 8 of Chapter 143 of the General Statutes or to Article 15 of Chapter 143B of the General Statutes. However, the Commissioner shall: (i) submit all proposed contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this subsection to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all contracts to be awarded by the Commissioner under this subsection a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the agreement or contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost agreement or contract for any purpose. (1998-211, s. 16; 2007-507, s. 15; 2009-566, s. 20; 2010-194, s. 6; 2011-196, s. 1; 2011-326, s. 15(f); 2015-241, s. 7A.4(d).)

§ 58-2-70. Civil penalties or restitution for violations; administrative procedure.

(a) This section applies to any person who is subject to licensure or certification under this Chapter.

(b) Whenever the Commissioner has reason to believe that any person has violated any of the provisions of this Chapter, and the violation subjects the license or certification of that person to suspension or revocation, the Commissioner may, after notice and opportunity for a hearing, proceed under the appropriate subsections of this section.

(c) If, under subsection (b) of this section, the Commissioner finds a violation of this Chapter, the Commissioner may, in addition to or instead of suspending or revoking the license or certification, order the payment of a monetary penalty as provided in subsection (d) of this section or petition the Superior Court of Wake County for an order directing payment of restitution as provided in subsection (e) of this section, or both. Each day during which a violation occurs constitutes a separate violation.

(d) If the Commissioner orders the payment of a monetary penalty pursuant to subsection (c) of this section, the penalty shall not be less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1,000). In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation, the amount of money that inured to the benefit of the violator as a result of the violation, whether the violation was committed willfully, and the prior record of the violator in complying or failing to comply with laws, rules, or orders applicable to the violator. The clear proceeds of the penalty shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. Payment of the civil penalty under this section shall be in addition to payment of any other penalty for a violation of the criminal laws of this State.

(e) Upon petition of the Commissioner the court may order the person who committed a violation specified in subsection (c) of this section to make restitution in an amount that would make whole any person harmed by the violation. The petition may be made at any time and also in any appeal of the Commissioner's order.

(f) Restitution to any State agency for extraordinary administrative expenses incurred in the investigation and hearing of the violation may also be ordered by the court in such amount that would reimburse the agency for the expenses.

(g) Nothing in this section prevents the Commissioner from negotiating a mutually acceptable agreement with any person as to the status of the person's license or certificate or as to any civil penalty or restitution.

(h) Unless otherwise specifically provided for, all administrative proceedings under this Chapter are governed by Chapter 150B of the General Statutes. Appeals of the Commissioner's orders under this section shall be governed by G.S. 58-2-75. (1985, c. 666, s. 35; 1987, c. 752, ss. 3-5; c. 864, s. 1; 1989, c. 485, s. 46; 1998-211, s. 15; 1998-215, s. 83(a).)

§ 58-2-75. Court review of orders and decisions.

(a) Any order or decision made, issued or executed by the Commissioner, except an order to make good an impairment of capital or surplus or a deficiency in the amount of admitted assets and except an order or decision that the premium rates charged or filed on all or any class of risks are excessive, inadequate, unreasonable, unfairly discriminatory or are otherwise not in the public interest or that a classification assignment is unwarranted, unreasonable, improper, unfairly discriminatory, or not in the public interest, shall be subject to review in the Superior Court of Wake County on petition by any person aggrieved filed within 30 days from the date of the delivery of a copy of the order or decision made by the Commissioner upon such person. A copy of such petition for review as filed with and certified to by the clerk of said court shall be served upon the Commissioner or in his absence upon someone in active charge of the Department within five days

after the filing thereof. If such petition for review is not filed within the said 30 days, the parties aggrieved shall be deemed to have waived the right to have the merits of the order or decision reviewed and there shall be no trial of the merits thereof by any court to which application may be made by petition or otherwise, to enforce or restrain the enforcement of the same.

(b) The Commissioner shall within 30 days, unless the time be extended by order of court, after the service of the copy of the petition for review as provided in subsection (a) of this section, prepare and file with the clerk of the Superior Court of Wake County a complete transcript of the record of the hearing, if any, had before him, and a true copy of the order or decision duly certified. The order or decision of the Commissioner if supported by substantial evidence shall be presumed to be correct and proper. The court may change the place of hearing,

- (1) Upon consent of the parties; or
- (2) When the convenience of witnesses and the ends of justice would be promoted by the change; or
- (3) When the judge has at any time been interested as a party or counsel.

The cause shall be heard by the trial judge as a civil case upon transcript of the record for review of findings of fact and errors of law only. It shall be the duty of the trial judge to hear and determine such petition with all convenient speed and to this end the cause shall be placed on the calendar for the next succeeding term for hearing ahead of all other cases except those already given priority by law. If on the hearing before the trial judge it shall appear that the record filed by the Commissioner is incomplete, he may by appropriate order direct the Commissioner to certify any or all parts of the record so omitted.

(c) The trial judge shall have jurisdiction to affirm or to set aside the order or decision of the Commissioner and to restrain the enforcement thereof.

(d) Appeals from all final orders and judgments entered by the superior court in reviewing the orders and decisions of the Commissioner may be taken to the appellate division of the General Court of Justice by any party to the action as in other civil cases.

(e) The commencement of proceedings under this section shall not operate as a stay of the Commissioner's order or decision, unless otherwise ordered by the court. (1945, c. 383; 1947, c. 721; 1969, c. 44, s. 55; 1971, c. 703, s. 1.)

§ 58-2-80. Court review of rates and classification.

Any order or decision of the Commissioner that the premium rates charged or filed on all or any class of risks are excessive, inadequate, unreasonable, unfairly discriminatory or are otherwise not in the public interest or that a classification or classification assignment is unwarranted, unreasonable, improper, unfairly discriminatory or not in the public interest may be appealed to the North Carolina Court of Appeals by any party aggrieved thereby. Any such order shall be based on findings of fact, and if applicable, findings as to trends related to the matter under investigation, and conclusions of law based thereon. Any order or decision of the Commissioner, if supported by substantial evidence, shall be presumed to be correct and proper. For the purposes of the appeal the Insurance Commissioner, who shall be represented by his general counsel, shall be deemed an aggrieved party. (1971, c. 703, s. 2.)

§ 58-2-85. Procedure on appeal under § 58-2-80.

Appeals to the North Carolina Court of Appeals pursuant to G.S. 58-2-80 shall be subject to the following provisions:

- (1) No party to a proceeding before the Commissioner may appeal from any final order or decision of the Commissioner unless within 30 days after the entry of such final order or decision, or within such time thereafter as may be fixed by the Commissioner, by order made within 30 days, the party aggrieved by such decision or order shall file with the Commissioner notice of appeal.
- (2) Any party may appeal from all or any portion of any final order or decision of the Commissioner in the manner herein provided. Copy of the notice of appeal shall be mailed by the appealing party at the time of filing with the Commissioner, to each party to the proceeding to the addresses as they appear in the files of the Commissioner in the proceeding. The failure of any party, other than the Commissioner, to be served with or to receive a copy of the notice of appeal shall not affect the validity or regularity of the appeal.
- (3) Repealed by Session Laws 2009-566, s. 26, effective October 1, 2009, and applicable to appeals filed on or after that date.
- (4) The appeal shall lie to the Court of Appeals as provided in G.S. 7A-29. The procedure for the appeal shall be as provided by the rules of appellate procedure.
- (5), (6) Repealed by Session Laws 1975, c. 391, s. 11.
- (7) The Court of Appeals shall hear and determine all matters arising on such appeal, as in this Article provided, and may in the exercise of its discretion assign the hearing of said appeal to any panel of the Court of Appeals.
- (8) Unless otherwise provided by the rules of appellate procedure, the cause on appeal from the Commissioner of Insurance shall be entitled "State of North Carolina ex rel. Commissioner of Insurance (here add any additional parties in support of the Commissioner's order and their capacity before the Commissioner). Appellee(s) v. (here insert name of appellant and his capacity before the Commissioner), Appellant." Appeals from the Insurance Commissioner pending in the superior courts on January 1, 1972, shall remain on the civil issue docket of such superior court and shall have priority over other civil actions. Appeals to the Court of Appeals under G.S. 7A-29 shall be docketed in accordance with the rules of appellate procedure.
- (9) In any appeal to the Court of Appeals, the complainant in the original complaint before the Commissioner shall be a party to the record and each of the parties to the proceeding before the Commissioner shall have a right to appear and participate in said appeal.
- (10) An appeal under this section shall operate as a stay of the Commissioner's order or decision until said appeal has been dismissed or the questions raised by the appeal determined according to law. (1971, c. 703, s. 3; 1975, c. 391, s. 11; 2009-566, s. 26.)

§ 58-2-90. Extent of review under § 58-2-80.

(a) On appeal the court shall review the record in accordance with the rules of the Court of Appeals, and any alleged irregularities in procedures before the Commissioner, not shown in the record, shall be considered under the rules of the Court of Appeals.

(b) So far as necessary to the decision and where presented, the court shall decide all relevant questions of law, interpret constitutional and statutory provisions, and determine the

meaning and applicability of the terms of any action of the Commissioner. The court may affirm or reverse the decision of the Commissioner, declare the same null and void, or remand the case for further proceedings; or it may reverse or modify the decision if the substantial rights of the appellants have been prejudiced because the Commissioner's findings, inferences, conclusions or decisions are:

- (1) In violation of constitutional provisions, or
- (2) In excess of statutory authority or jurisdiction of the Commissioner, or
- (3) Made upon unlawful proceedings, or
- (4) Affected by other errors of law, or
- (5) Unsupported by material and substantial evidence in view of the entire record as submitted, or
- (6) Arbitrary or capricious.

(c) In making the foregoing determinations, the court shall review the whole record or such portions thereof as may be cited by any party and due account shall be taken of the rule of prejudicial error.

(d) The court shall also compel action of the Commissioner unlawfully withheld or unlawfully or unreasonably delayed.

(e) Upon any appeal, the rates fixed or any rule, regulation, finding, determination, or order made by the Commissioner under the provisions of Articles 1 through 64 of this Chapter shall be prima facie correct. (1971, c. 703, s. 4; 2009-566, s. 27.)

§ 58-2-95. Commissioner to supervise local inspectors.

The Commissioner shall exercise general supervision over local investigators of fires and fire prevention inspectors. Whenever the Commissioner has reason to believe that the local inspectors are not doing their duty, he or his deputy shall make special trips of inspection and take proper steps to have all the provisions of the law relative to the investigation of fires and the prevention of fire waste enforced. (1905, c. 506, s. 6; Rev., s. 4690; C.S., s. 6270; 1925, c. 89; 1969, c. 1063, s. 2.)

The office of the Commissioner shall be a public office and the records, reports, books and papers thereof on file therein shall be accessible to the inspection of the public, except that the records compiled as a part of an investigation for the crime of arson, that of unlawful burning, or of fraud, shall not be considered as public records and may be made available to the public only upon an order of court of competent jurisdiction. Provided that such records shall upon request be made available to the district attorney of any district if the same concerns persons or investigations in his district. (1899, c. 54, ss. 9, 77; Rev., s. 4683; 1907, c. 1000, s. 1; C.S., s. 6271; 1945, c. 383; 1951, c. 781, s. 11; 1955, c. 456; 1973, c. 47, s. 2.)

§ 58-2-105. Confidentiality of medical and credentialing records.

(a) All patient medical records in the possession of the Department are confidential and are not public records pursuant to G.S. 58-2-100 or G.S. 132-1. As used in this section, "patient medical records" includes personal information that relates to an individual's physical or mental condition, medical history, or medical treatment, and that has been obtained from the individual patient, a health care provider, or from the patient's spouse, parent, or legal guardian.

(b) Under Part 4 of Article 50 of this Chapter, the Department may disclose patient medical records to an independent review organization, and the organization shall maintain the confidentiality of those records as required by this section, except as allowed by G.S. 58-39-75 and G.S. 58-39-76.

(c) Under Part 4 of Article 50 of this Chapter, all information related to the credentialing of medical professionals that is in the possession of the Commissioner is confidential and is a public record neither under this section nor under Chapter 132 of the General Statutes. (1989 (Reg. Sess., 1990), c. 1021, s. 4; 1993 (Reg. Sess., 1994), c. 678, s. 3; 2001-446, s. 5(a); 2002-187, s. 3.4.)

§ 58-2-110. Original documents and certified copies as evidence.

Every certificate, assignment, or conveyance executed by the Commissioner, in pursuance of any authority conferred on him by law and sealed with his seal of office, may be used as evidence and may be recorded in the proper recording offices, in the same manner and with like effect as a deed regularly acknowledged or proved before an officer authorized by law to take the probate of deeds; and all copies of papers in the office of the Commissioner, certified by him and authenticated by his official seal, shall be evidence as the original. (1899, c. 54, s. 11; Rev., s. 4684; C.S., s. 6272.)

§ 58-2-115. Admissibility of certificate as evidence of agent's authority.

In any case or controversy arising in any court of original jurisdiction within this State wherein it is necessary to establish the question as to whether any insurance or other corporation or agent thereof is or has been licensed by the Department to do business in this State, the certificate of the Commissioner under the seal of his office shall be admissible in evidence as proof of such corporation or agent's authority as conferred by the Department. (1929, c. 289, s. 1; 1991, c. 720, ss. 4, 5.)

§ 58-2-120. Reports of Commissioner to the Governor and General Assembly.

The Commissioner shall, from time to time, report to the Governor and the Joint Legislative Oversight Committee on General Government any change or changes that in the Commissioner's opinion should be made in the laws relating to insurance and other subjects pertaining to the Department. (1899, c. 54, ss. 6, 7, 10; 1901, c. 391, s. 2; Rev., ss. 4687, 4688; 1911, c. 211, s. 2; C.S., s. 6273; 1927, c. 217, s. 5; 1945, c. 383; 1999-219, s. 8; 2021-180, s. 37.7(a).)

Beginning on April 1, 2016, and each year thereafter, the Department of Insurance shall report to the House Appropriations Subcommittee on General Government and the Senate Appropriations Committee on General Government and Information Technology the following information about each local firefighters' relief fund board, the North Carolina State Firefighters' Association, and the North Carolina Association of Rescue and Emergency Medical Services, Inc.:

- (2) The amount of money spent by each entity for each of the statutorily permissible uses.
- (3) Each entity's ending fund balance.

The report also should describe any problems with data collection and quality and, if applicable, make recommendations on actions the General Assembly could take to resolve any data issues. (2014-64, s. 1(h); 2016-51, s. 6.)

§ 58-2-125. Authority over all insurance companies; no exemptions from license.

Every insurance company must be licensed and supervised by the Commissioner, and must pay all licenses, taxes, and fees as prescribed in the insurance laws of the State for the class of company, association, or order to which it belongs. No provision in any statute, public or private, may relieve any company, association, or order from the supervision prescribed for the class of companies, associations, or orders of like character, or release it from the payment of the licenses, taxes, and fees prescribed for companies, associations, and orders of the same class; and all such special provisions or exemptions are hereby repealed. It is unlawful for the Commissioner to grant or issue a license to any company, association, or order, or agent for them, claiming such exemption from supervision by his Department and release for the payment of license, fees, and taxes. (1903, c. 594, ss. 1, 2, 3; Rev., s. 4691; C.S., s. 6274; 1945, c. 383; 1991, c. 720, s. 4.)

§ 58-2-128. Interagency consultation.

(a) Purpose. – It is the stated intention of the Congress in P.L. 106-102, the Gramm-Leach-Bliley Act, that the Board of Governors of the Federal Reserve System, as the umbrella supervisor for financial holding companies, and the Commissioner, as the functional regulator of persons engaged in insurance activities, coordinate efforts to supervise persons that control both a depository institution and a person engaged in insurance activities regulated under State law. In particular, Congress believes that the Board and the Commissioner should share, on a confidential basis, information relevant to the supervision of persons that control both a depository institution and a person engaged in insurance activities, including information regarding the financial health of the consolidated organization and information regarding transactions and relationships between persons engaged in insurance activities and affiliated depository institutions. The purpose of this section is to encourage this coordination and confidential sharing of information and to thereby improve both the efficiency and the quality of the supervision of financial holding companies and their affiliated depository institutions and persons engaged in insurance activities.

(b) Commissioner's Authority. – Upon the request of the Board or the appropriate federal banking agency, the North Carolina Secretary of State, or the North Carolina Commissioner of Banks, the Commissioner may provide any examination or other reports, records, or other information to which the Commissioner has access with respect to a person that:

- (1) Is engaged in insurance activities and regulated by the Commissioner.
- (2) Is an affiliate of a depository institution or financial holding company.

Upon the request of the Board or the appropriate federal banking agency, the North Carolina Secretary of State, or the North Carolina Commissioner of Banks, the Commissioner may provide any examination or other reports, records, or other information to which the Commissioner has access with respect to any insurance producer.

(c) Privilege. – The provision of information or material under this section by the Commissioner does not constitute a waiver of, or otherwise affect, any privilege to which the information or material is otherwise subject.

(d) Definitions. – As used in this section, the terms:

- (1) "Appropriate federal banking agency" and "depository institution" have the same meanings as in section 3 of the Federal Deposit Insurance Act, 12 U.S.C. § 1813.
- (2) "Board" and "financial holding company" have the same meanings as in section 2 of the Bank Holding Company Act of 1956, 12 U.S.C. § 1841, et seq.
- (3) "Insurance producer" or "producer" means a person required to be licensed under this Article to sell, solicit, or negotiate insurance. "Insurance producer" or "producer" includes an agent and a broker. (2001-215, s. 1; 2022-46, s. 14(b).)

§ 58-2-130: Repealed by Session Laws 1991, c. 681, s. 3.

§ 58-2-131. Examinations to be made; authority, scope, scheduling, and conduct of examinations.

(a) This section and G.S. 58-2-132 through G.S. 58-2-134 shall be known and may be cited as the Examination Law. The purpose of the Examination Law is to provide an effective and efficient system for examining the activities, operations, financial condition, and affairs of all persons transacting the business of insurance in this State and all persons otherwise subject to the Commissioner's jurisdiction; and to enable the Commissioner to use a flexible system of examinations that directs resources that are appropriate and necessary for the administration of the insurance statutes and rules of this State.

(b) As used in this section and G.S. 58-2-132 through G.S. 58-2-134, unless the context clearly indicates otherwise:

- (1) "Commissioner" includes an authorized representative or designee of the Commissioner.
- (2) "Examination" means an examination conducted under the Examination Law.
- (3) "Examiner" means any person authorized by the Commissioner to conduct an examination.
- (4) "Insurance regulator" means the official or agency of another jurisdiction that is responsible for the regulation of a foreign or alien insurer.
- (5) "Person" includes a trust or any affiliate of a person.

(c) Before licensing any person to write insurance in this State, the Commissioner shall be satisfied, by such examination and evidence as the Commissioner decides to make and require, that the person is otherwise duly qualified under the laws of this State to transact business in this State.

(d) The Commissioner may conduct an examination of any entity whenever the Commissioner deems it to be prudent for the protection of policyholders or the public, but shall at a minimum conduct a financial examination of every domestic insurer not less frequently than once every five years. In scheduling and determining the nature, scope, and frequency of examinations, the Commissioner shall consider such matters as the results of financial statement analyses and ratios, changes in management or ownership, actuarial opinions, reports of independent certified public accountants, and other criteria as set forth in the NAIC Examiners' Handbook.

(e) To complete an examination of any entity, the Commissioner may authorize an examination or investigation of any person, or the business of any person, insofar as the examination or investigation is necessary or material to the entity under examination.

(f) Instead of examining any foreign or alien insurer licensed in this State, the Commissioner may accept an examination report on that insurer prepared by the insurer's

domiciliary insurance regulator. In making a determination to accept the domiciliary insurance regulator's report, the Commissioner may consider whether (i) the insurance regulator was at the time of the examination accredited under NAIC Financial Regulation Standards and Accreditation Program, or (ii) the examination is performed under the supervision of an NAIC-accredited insurance regulator or with the participation of one or more examiners who are employed by the regulator and who, after a review of the examination work papers and report, state under oath that the examination was performed in a manner consistent with the standards and procedures required by the regulator.

(g) If it appears that the insurer is of good financial and business standing and is solvent, and it is certified in writing and attested by the seal, if any, of the insurer's insurance regulator that it has been examined by the regulator in the manner prescribed by its laws, and was by the examination found to be in sound condition, that there is no reason to doubt its solvency, and that it is still permitted under the laws of such jurisdiction to do business therein, then, in the Commissioner's discretion, further examination may be dispensed with, and the obtained information and the furnished certificate may be accepted as sufficient evidence of the solvency of the insurer.

(h) Upon determining that an examination should be conducted, the Commissioner shall issue a notice of examination appointing one or more examiners to perform the examination and instructing them about the scope of the examination. In conducting the examination, an examiner shall observe the guidelines and procedures in the NAIC Examiners' Handbook. The Commissioner may also use such other guidelines or procedures as the Commissioner deems to be appropriate.

(i) Every person from whom information is sought and its officers, directors, and agents must provide to the Commissioner timely, convenient, and free access, at all reasonable hours at its offices, to all data relating to the property, assets, business, and affairs of the entity being examined. The officers, directors, employees, and agents of the entity must facilitate and aid in the examination. The refusal of any entity, by its officers, directors, employees, or agents, to submit to examination or to comply with any reasonable written request of the Commissioner or to knowingly or willfully make any false statement in regard to the examination or written request, is grounds for revocation, suspension, refusal, or nonrenewal of any license or authority held by the entity to engage in an insurance or other business subject to the Commissioner's jurisdiction.

(j) The Commissioner may issue subpoenas, administer oaths, and examine under oath any person about any matter pertinent to the examination. Upon the failure or refusal of any person to obey a subpoena, the Commissioner may petition the Superior Court of Wake County, and upon proper showing the Court may enter any order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the Court order is punishable as contempt of court.

(k) When making an examination, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners. In the case of an examination of an insurer, the insurer shall bear the cost of retaining those persons.

(l) Pending, during, and after the examination of any entity, the Commissioner shall not make public the financial statement, findings, or examination report, or any report affecting the status or standing of the entity examined, until the entity examined has either accepted and approved the final examination report or has been given a reasonable opportunity to be heard on the report and to answer or rebut any statements or findings in the report. The hearing, if requested, shall be informal and private.

(m) Nothing in the Examination Law limits the Commissioner's authority to terminate or suspend any examination in order to pursue other legal or regulatory action under the laws and rules of this State and to use any final or preliminary examination report, any examiner or insurer work papers or other documents, or any other information discovered or developed during any examination in the furtherance of any legal or regulatory action that the Commissioner may consider to be appropriate. Findings of fact and conclusions made pursuant to any examination are prima facie evidence in any legal or regulator action. (1991, c. 681, s. 2; 1995, c. 360, s. 2(c); c. 517, s. 1; 1998-212, s. 26B(b), (c), (f); 2001-180, ss. 1, 2, 3; 2002-144, s. 6; 2002-187, ss. 2.1, 2.2; 2003-284, s. 22.2; 2004-124, s. 21.1.)

§ 58-2-132. Examination reports.

(a) All examination reports shall comprise only facts appearing upon the books, records, or other documents of the entity, its agents or other persons examined, or as ascertained from the testimony of its officers or agents or other persons examined concerning its affairs, and conclusions and recommendations that the examiners find reasonably warranted from the facts.

(b) No later than 60 days following completion of an examination, the examiners shall file with the Department a verified written examination report under oath. Upon receipt of the verified report, the Department shall send the report to the entity examined, together with a notice that affords the entity examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report. Within 30 days after the date of the examination report, the entity examined shall file affidavits executed by each of its directors stating under oath that they have received and read a copy of the report.

(c) At the end of the 30 days provided for the receipt of written submissions or rebuttals, the Commissioner shall fully consider and review the report, together with any written submissions or rebuttals and any relevant parts of the examiners' work papers and enter an order:

- (1) Adopting the examination report as filed or with modifications or corrections. If the examination report reveals that the entity examined is operating in violation of any law, rule, or prior order of the Commissioner, the Commissioner may order the entity examined to take any action the Commissioner considers necessary and appropriate to cure the violation; or
- (2) Rejecting the examination report with directions to the examiners to reopen the examination to obtain additional data, documentation of the information, and refile under subdivision (1) of this subsection; or
- (3) Calling for an investigatory hearing with no less than 20 days' notice to the insurer for purposes of obtaining additional documentation, data, and testimony.

(d) All orders entered under subdivision (c)(1) of this section shall be accompanied by findings and conclusions resulting from the Commissioner's consideration and review of the examination report, relevant examiner work papers, and any written submissions or rebuttals. Any such order shall be considered a final administration decision and shall be served upon the entity examined by certified mail. Any hearing conducted under subdivision (c)(3) of this section shall be conducted as a nonadversarial confidential investigatory proceeding as necessary for the resolution of any inconsistencies, discrepancies, or disputed issues apparent on the face of the filed examination report or raised by or as a result of the Commissioner's review of relevant work papers or by the written submission or rebuttal of the entity examined. Within 20 days after the conclusion of any such hearing, the Commissioner shall enter an order under subdivision (c)(1) of this section.

The Commissioner may not appoint a member of the Department's examination staff as an authorized representative to conduct the hearing. The hearing shall proceed expeditiously with discovery by the entity examined limited to the examiner's work papers that tend to substantiate any assertions set forth in any written submission or rebuttal. The Commissioner may issue subpoenas for the attendance of any witnesses or the production of any documents the Commissioner considers to be relevant to the investigation, whether they are under the control of the Department, the entity examined, or other persons. The documents produced shall be included in the record, and testimony taken by the Commissioner shall be under oath and preserved for the record. Nothing in this section requires the Department to disclose any information or records that would show the existence or content of any investigation or activity of any federal or state criminal justice agency. In the hearing, the Commissioner shall question the persons subpoenaed. Thereafter the entity examined and the Department may present testimony relevant to the investigation. Cross-examination shall be conducted only by the Commissioner. The entity examined and the Department may make closing statements and may be represented by counsel of their choice.

(e) Upon completion of the examination report under subdivision (c)(1) of this section, the Commissioner shall hold the content of the examination report as private and confidential information for the 30-day period provided for written submissions or rebuttals. If after 30 days after the examination report has been submitted to it, the entity examined has neither notified the Commissioner of its acceptance and approval of the report nor requested to be heard on the report, the report shall then be filed as a public document and shall be open to public inspection, as long as no court of competent jurisdiction has stayed its publication. Nothing in the Examination Law prohibits the Commissioner from disclosing the content of the examination report, preliminary examination report or results, or any related matter, to an insurance regulator or to law enforcement officials of this or any other state or country or of the United States government at any time, as long as the person or agency receiving the report or related matters agrees in writing and is authorized by law to hold it confidential and in a manner consistent with this section. If the Commissioner determines that further regulatory action is appropriate as a result of any examination, the Commissioner may initiate such proceedings or actions as provided by law.

(f) All working papers, information, documents, and copies thereof produced by, obtained by, or disclosed to the Commissioner or any other person in connection with an examination, market analysis, market conduct action, or financial analysis shall be given confidential treatment, are not subject to subpoena, and shall not be made public by the Commissioner or any other person. The Commissioner may use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as part of the Commissioner's official duties.

(g) In order to assist in the performance of the Commissioner's duties, the Commissioner may:

- (1) Share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to subsection (f) of this section, with other state, federal, and international regulatory agencies, with the NAIC, and with state, federal, and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material, communication, or other information.
- (2) Receive documents, materials, communications, or information, including otherwise confidential and privileged documents, materials, or information, from the NAIC, and from regulatory and law enforcement officials of other

foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information.

(3) Enter into agreements governing sharing and use of information consistent with this section.

(h) No waiver of an existing privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (g) of this section.

(i) A privilege established under the law of any state or jurisdiction that is substantially similar to the privilege established under this section shall be available and enforced in any proceeding in, and in any court of, this State.

(j) In this section, "department," "insurance regulator," "law enforcement official or authority," "NAIC," and "regulatory official or agency" include employees, agents, consultants, and contractors of those entities. (1991, c. 681, s. 2; 2001-180, s. 4; 2005-206, s. 2.)

§ 58-2-133. Conflict of interest; cost of examinations; immunity from liability.

(a) No person may be appointed as an examiner by the Commissioner if that person, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination. This section does not preclude an examiner from being:

- (1) A policyholder or claimant under an insurance policy;
- (2) A grantor of a mortgage or similar instrument on the examiner's residence to an insurer if done under customary terms and in the ordinary course of business;
- (3) An investment owner in shares of regulated diversified investment companies; or
- (4) A settler or beneficiary of a blind trust into which any otherwise nonpermissible holdings have been placed.

(b) Notwithstanding the requirements of G.S. 58-2-131, the Commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though they may from time to time be similarly employed or retained by persons subject to examination under the Examination Law. In the case of an examination of an insurer, the insurer shall bear the cost of retaining those persons.

(c) The refusal of any insurer to submit to examination is grounds for the revocation, suspension, or refusal of a license. The Commissioner may make public any such revocation, suspension, or refusal of license and may give reasons for that action.

(d) The provisions of G.S. 58-2-160 apply to examinations conducted under the Examination Law. (1991, c. 681, s. 2; 1995, c. 360, s. 2(d); 2002-144, s. 7; 2003-284, s. 22.2; 2004-124, s. 21.1.)

§ 58-2-134. Cost of certain examinations.

(a) An insurer shall reimburse the State Treasurer for the actual expenses incurred by the Department in any examination of those records or assets conducted under G.S. 58-2-131, 58-2-132, or 58-2-133 under any of the following circumstances:

- (1) The insurer maintains part of its records or assets outside this State under G.S. 58-7-50 or G.S. 58-7-55 and the examination is of the records or assets outside this State.
- (2) The insurer requests an examination of its records or assets.
- (3) The Commissioner examines an insurer that is impaired or insolvent or is unlikely to be able to meet obligations with respect to known or anticipated claims or to pay other obligations in the normal course of business.
- (4) The examination involves analysis of the company's investment portfolio, a material portion of which comprises a sophisticated derivatives program, material holdings of collateralized mortgage obligations with high flux scores, unusual real estate or limited partnership holdings, high or unusual portfolio turnover, material asset movement between related parties, or unusual securities lending activities.

(b) The amount paid by an insurer for an examination of records or assets under this section shall not exceed one hundred thousand dollars (\$100,000), unless the insurer and the Commissioner agree on a higher amount. The State Treasurer shall deposit all funds received under this section in the Insurance Regulatory Fund established under G.S. 58-6-25. Funds received under this section shall be used by the Department for offsetting the actual expenses incurred by the Department for examinations under this section. (1998-212, s. 26B(d); 1999-435, s. 7; 2002-187, s. 2.3.)

§ 58-2-135: Repealed by Session Laws 1991, c. 681, s. 3.

§ 58-2-136. Insurer records sent to Department for examination; expenses.

(a) As used in this section, "records" means all data relating to the property, assets, business, and affairs of the insurer being examined.

(b) In addition to the Commissioner's authority in G.S. 58-2-185 through G.S. 58-2-200 to compel the production of records, in lieu of sending examiners to the location of an insurer's records to conduct an examination under the Examination Law, the Commissioner may require the insurer to send copies of its records to the Department. The chief executive or financial officer of the insurer shall certify under oath that the copies are true and accurate copies of the insurer's records. The insurer being examined shall pay all expenses associated with the examination. The insurer is not liable for the salaries and benefits of Department employees. The refusal by an insurer to pay for expenses under this subsection is grounds for the suspension, revocation, or refusal of a license.

(c) If the Commissioner sends examiners to the location of an insurer's records to conduct an examination under the Examination Law, the insurer shall pay for the travel and subsistence expenses and other administrative expenses associated with the examination. The insurer is not liable for the salaries and benefits of Department employees. The refusal by an insurer to pay for expenses under this subsection is grounds for the suspension, revocation, or refusal of a license. (2002-144, s. 8; 2003-284, s. 22.2; 2004-124, s. 21.1.)

§ 58-2-140: Repealed by Session Laws 1991, c. 681, s. 3.

§ 58-2-145: Repealed by Session Laws 1997-362, s. 7.

§ 58-2-150. Oath required for compliance with law.

Before issuing a license to any insurance company to transact the business of insurance in this State, the Commissioner shall require, in every case, in addition to the other requirements provided for by law, that the company file with the Commissioner the affidavit of its president or other chief officer that it accepts the terms and obligations of this Chapter as a part of the consideration of the license. (1899, c. 54, s. 110; 1901, c. 391, s. 8; Rev., s. 4693; C.S., s. 6276; 1991, c. 720, s. 4; 2004-199, s. 20(a); 2005-215, s. 1; 2006-105, s. 1.1.)

§ 58-2-155. Investigation of charges.

Upon his own motion or upon complaint being filed by a citizen of this State that a company authorized to do business in the State has violated any of the provisions of Articles 1 through 64 of this Chapter, the Commissioner shall investigate the matter, and, if necessary, examine, under oath, by himself or his accredited representatives the president and such other officer or agents of such companies as may be deemed proper; also all books, records, and papers of the same. In case the Commissioner shall find upon substantial evidence that any complaint against a company is justified, said company, in addition to such penalties as are imposed for violation of any of the provisions of Articles 1 through 64 of this Chapter, shall be liable for the expenses of the investigation, and the Commissioner shall promptly present said company with a statement of such expenses. If the company refuses or neglects to pay, the Commissioner is authorized to bring a civil action for the collection of these expenses. (1899, c. 54, s. 111; 1903, c. 438, s. 11; Rev., s. 4694; C.S., s. 6277; 1921, c. 136, s. 4; 1925, c. 275, s. 6; 1945, c. 383.)

§ 58-2-160. Reporting and investigation of insurance and reinsurance fraud and the financial condition of licensees; immunity from liability.

(a) As used in this section, "Commissioner" includes an employee, agent, or designee of the Commissioner. A person, or an employee or agent of that person, acting without actual malice, is not subject to civil liability for libel, slander, or any other cause of action by virtue of furnishing to the Commissioner under the requirements of law or at the direction of the Commissioner reports or other information relating to (i) any known or suspected fraudulent insurance or reinsurance claim, transaction, or act or (ii) the financial condition of any licensee. In the absence of actual malice, members of the NAIC, their duly authorized committees, subcommittees, task forces, delegates, and employees, and all other persons charged with the responsibility of collecting, reviewing, analyzing, or disseminating the information developed from filings of financial statements or examinations of licensees are not subject to civil liability for libel, slander, or any other cause of action by virtue of their collection, review, analysis, or dissemination of the data and information collected from such filings or examinations.

(b) The Commissioner, acting without actual malice, is not subject to civil liability for libel or slander by virtue of an investigation of (i) any known or suspected fraudulent insurance or reinsurance claim, transaction, or act or (ii) the financial condition of any licensee; or by virtue of the publication or dissemination of any official report related to any such investigation, which report is published or disseminated in the absence of fraud, bad faith, or actual malice on the part of the Commissioner. The Commissioner is not subject to civil liability in relation to the collecting, reviewing, analyzing, or dissemination of information that is developed by the NAIC from the filing of financial statements with the NAIC or from the examination of insurers by the NAIC and that is communicated to the Commissioner, including any investigation or publication or dissemination of any report or other information in relation thereto, which report is published or

disseminated in the absence of fraud, bad faith, negligence, or actual malice on the part of the Commissioner.

(c) During the course of an investigation of (i) a known or suspected fraudulent insurance or reinsurance claim, transaction, or act or (ii) the financial condition of any licensee, the Commissioner may request any person to furnish copies of any information relative to the (i) known or suspected claim, transaction, or act or (ii) financial condition of the licensee. The person shall release the information requested and cooperate with the Commissioner pursuant to this section. (1985 (Reg. Sess., 1986), c. 1013, s. 3; 1987, c. 864, s. 43; 1987 (Reg. Sess., 1988), c. 975, s. 3; 1989 (Reg. Sess., 1990), c. 1054, s. 1.)

(1971, c. 948, s. 1; 1987, c. 629, ss. 14, 15; c. 752, s. 1; 1995, c. 360, s. 2(e); 2022-46, s. 14(e).)

§ 58-2-200. Books and papers required to be exhibited.

It is the duty of any person having in his possession or control any books, accounts, or papers of any company licensed under Articles 1 through 64 of this Chapter, to exhibit the same to the Commissioner or to any deputy, actuary, accountant, or persons acting with or for the Commissioner. Any person who shall refuse, on demand, to exhibit the books, accounts, or papers, as above provided, or who shall knowingly or willfully make any false statement in regard to the same, shall be subject to suspension or revocation of his license under Articles 1 through 64 of this Chapter; and shall be deemed guilty of a Class 1 misdemeanor. (1899, c. 54, s. 76; Rev., ss. 3494, 4697; 1907, c. 1000, s. 3; C.S., s. 6286; 1945, c. 383; 1985 (Reg. Sess., 1986), c. 1013, s. 6; 1991, c. 720, s. 4; 1993, c. 539, s. 445; 1994, Ex. § 58-2-210. Rules for mortgage insurance consolidations.

The Commissioner is authorized to adopt rules governing mortgage insurance consolidations and related rules concerning unfair rate discrimination. In the event the Commissioner adopts such rules, while such rules are in effect the unfair rate discrimination provisions of G.S. 58-58-35 and G.S. 58-63-15(7) will not apply to mortgage insurance consolidations to the extent those provisions are inconsistent with such rules. For purposes of this section, "mortgage insurance consolidation" means any transaction in which a mortgage loan servicer makes its premium collection services available to mortgage debtors in connection with an insurer's offer of mortgage insurance, which offer is made to debtors who, immediately prior to the offer, had mortgage insurance with another insurer and were paying premiums for that insurance with their monthly mortgage payments. Such base budget amount shall equal the actual expenditures drawn from the Fund during the prior fiscal year plus the official inflation rate designated by the Director of the Budget in the preparation of the State Budget for each ensuing fiscal year; provided that if interest income on the Fund exceeds the amount yielded by the application of the official inflation rate, such base budget amount shall be the actual expenditures drawn from the Fund. In the event the amount in the Fund exceeds two hundred fifty

thousand dollars (\$250,000) at the end of any fiscal year, such excess shall revert to the General Fund.

(d) Repealed by Session Laws 1996, c. 507, s. 11A(a), (b). (1989 (Reg. Sess., 1990), c. 1069, s. 22; 1993 (Reg. Sess., 1994), c. 769, s. 14.1; 1995, c. 507, s. 11A(a), (b), (c); 2005-215, s. 21; 2012-142, s. 20.2; 2013-360, s. 20.1; 2014-100, s. 6.4(d).)

(a) Notwithstanding Chapter 132 of the General Statutes, all market analysis, documents arising from market conduct action, and financial statement analysis work papers are confidential, are not open for public inspection, and are not discoverable or admissible in evidence in a civil action brought by a party other than the Department against a person regulated by the Department, its directors, officers, or employees, unless the court finds that the interests of justice require that the documents be discoverable or admissible in evidence or except as provided in G.S. 58-2-128 and G.S. 58-2-132(g) through (j). The Commissioner, however, may use market analysis, documents arising from market conduct action, and financial statement analysis work papers in the furtherance of any regulatory or legal action brought as part of the Commissioner's official duties.

"Financial statement analysis work papers" includes financial analysis programs and procedures; correspondence between persons employed or contracted by the Commissioner and the insurer during and as part of the financial statement analysis; memos, e-mails, and other correspondence, in any form, produced by persons employed or contracted by the Commissioner detailing findings or recommendations of the financial statement analysis; and the Actuarial Opinion Summary filed by an insurer as required by and in accordance with NAIC Annual Statement Instructions. "Financial statement analysis work papers" does not mean statements filed with the Commissioner under G.S. 58-2-165, CPA audit reports filed with the Commissioner under G.S. 58-2-205, or documents that constitute an initial filing and any supplemental filing necessary to complete a filing made by an insurer, independent of financial statement analysis.

- (2) "Market conduct action" means any of the full range of activities, other than an examination that the Commissioner may initiate to assess and address the market practices of insurers, beginning with market analysis. Fees charged for an electronic filing are limited to the actual cost of the electronic transaction.

(d) This section does not supersede any other provision of law that requires the electronic filing of a document or requires an applicant for a license or a licensee to make any other filing electronically. (2009-383, s. 2.)

§ 58-2-255. Electronic insurance communications and records.

(a) Definitions. – As used in this section:

- (1) "Communications" means notices, offers, disclosures, documents, forms, information, and correspondence required or permitted to be provided to a party in writing under the insurance laws of this State or that are otherwise provided by an insurer, including, but not limited to, notices pertaining to the cancellation, termination, or nonrenewal of insurance.
- (2) "Delivered by electronic means" includes any of the following:

- a. Delivery to an electronic mail address or an electronic account at which a party has consented to receive electronic communications.
 - b. Displaying information, or a link to information, as an essential step to completing the transaction to which such information relates.
 - c. Providing notice to a party at the electronic mail address or an electronic account at which the party has consented to receive notice of the posting of a communication on an electronic network or site.
- (3) "Insurer" has the same meaning as in G.S. 58-1-5(3).
 - (4) "Party" means a recipient of any communications defined in this section. "Party" includes an applicant, policyholder, insured, claimant, member, provider, or beneficiary.

(b) When any insurance law of this State requires a communication to be provided to a party in writing, signed by a party, provided by means of a specific delivery method, or retained by an insurer, those requirements are satisfied if the insurer complies with Article 40 of Chapter 66 of the General Statutes.

(c) Verification of communications delivered by electronic means shall constitute proof of mailing in civil and administrative proceedings and under the insurance laws of this State.

(d) Nothing in this section affects requirements related to the content or timing of any communication required under the insurance laws of this State.

(e) A recording of an oral communication between an insurer and a party that is reliably stored and reproduced by an insurer shall constitute an electronic communication or record. When a communication is required under the insurance laws of this State to be provided in writing, the communication provided in accordance with this subsection shall satisfy the requirement that the communication be in writing. When a communication is required under the insurance laws of this State to be signed, a recorded oral communication in which a party agrees to the terms stated in the oral communication shall satisfy the requirement. (2013-413, s. 13(b); 2017-150, s. 2.)

Article 3.

General Regulations for Insurance.

§ 58-3-1. State law governs insurance contracts.

All contracts of insurance on property, lives, or interests in this State shall be deemed to be made therein, and all contracts of insurance the applications for which are taken within the State shall be deemed to have been made within this State and are subject to the laws thereof. (1899, c. 54, s. 2; 1901, c. 705, s. 1; Rev., s. 4806; C.S., s. 6287.)

§ 58-3-5. No insurance contracts except under Articles 1 through 64 of this Chapter.

Except as provided in G.S. 58-3-6, it is unlawful for any company to make any contract of insurance upon or concerning any property or interest or lives in this State, or with any resident thereof, or for any person as an insurance producer to make, negotiate, solicit, or in any manner aid in the transaction of such insurance, unless and except as authorized under the provisions of Articles 1 through 64 of this Chapter. (1899, c. 54, s. 2; Rev., s. 4807; C.S., s. 6288; 1998-211, s. 1(a); 2022-46, s. 14(f).)

§ 58-3-6. Charitable gift annuities.

(a) A charitable organization as described in section 501(c)(3) or section 170(c) of the Internal Revenue Code or an educational institution may receive a transfer of property from a

donor in exchange for an annuity payable over one or two lives, under which the actuarial value of the annuity is less than the value of the property transferred and the difference in value constitutes a charitable deduction for federal tax purposes. The issuance of the annuity by a charitable organization does not constitute engaging in the business of insurance if the organization, when the annuity agreement is issued:

- (1) Has a minimum of \$100,000 in unrestricted cash, cash equivalents, or publicly-traded securities, exclusive of the assets contributed by the donor in return for the annuity agreement;
- (2) Has been in active, continuous operation for at least three years or is a successor to or affiliate of a charitable organization that has been in active operation for at least three years; and
- (3) Includes the following disclosure clause in each annuity agreement issued on or after November 1, 1998: "This annuity is not issued by an insurance company, is not subject to regulation by the State of North Carolina, and is not protected or otherwise guaranteed by any government agency or insurance guaranty fund."

Subdivisions (1) and (2) of this subsection do not apply to an educational institution that was issuing annuity agreements prior to October 30, 1998 nor to an organization formed solely to support an educational institution in active operation at least three years prior to October 30, 1998.

(b) A charitable organization or educational institution that issues a charitable annuity shall notify the Department by January 1, 1999, or within 90 days of issuing its first annuity, whichever is later. The notice shall be signed by an officer or director of the organization or educational institution, identify the organization or institution, and certify that the organization or institution is a charitable organization or educational institution and that its annuities are issued in compliance with the applicable provisions of subsection (a) of this section.

(c) A charitable organization that issues charitable annuities must make available to the Commissioner, upon request, a copy of its Internal Revenue Service Form 990 or Form 990-EZ for the most recent fiscal year for which the due date has passed. If the organization was not required to file either form with the Internal Revenue Service for the preceding fiscal year, or was allowed to submit the form in abbreviated format, it shall make available to the Commissioner, upon request, the same information that would have been required to have been filed under the Form 990, in a similar format as specified by the Commissioner. A copy of the Form 990, or corresponding substitute information as authorized by the Commissioner, shall be made available to the prospective annuitant at the time of the initial solicitation of the contribution, and updated information shall be made available at the time of execution of the annuity agreement.

(d) The Department may enforce performance of the requirements of this section by notifying the organization or institution and demanding that it comply with the requirements of this section. The Department may fine an organization or educational institution, up to \$1,000 per annuity agreement, for failure to comply after notice and demand from the Commissioner.

(e) A charitable gift annuity issued by a charitable organization or educational institution prior to October 30, 1998 does not constitute engaging in the business of insurance.

(f) For purposes of this section, an "educational institution" means a public or private college, university, or community college that maintains a faculty to provide instruction to students. (1998-211, s. 1(b).)

§ 58-3-7. Certain accountable care organizations not subject to this Chapter.

This Chapter shall not apply to any accountable care organization approved by the Centers for Medicare and Medicaid Services (CMS) to participate in Medicare programs established under 42 U.S.C. § 1315a or 42 U.S.C. § 1395jjj. This exemption is limited to the activities performed by the accountable care organization pursuant to its agreement with CMS for participation in Medicare programs established under 42 U.S.C. § 1315a or 42 U.S.C. § 1395jjj. (2016-78, s. 5.)

§ 58-3-8. Medical direct primary care agreements not subject to this Chapter.

(a) Definitions. – The following definitions apply in this section:

- (1) Medical direct primary care agreement. – A contract between a primary care provider and an individual patient, a family, or an individual patient's legal representative in which the primary care provider agrees to provide primary care services to the individual patient or family for a specified fee and a specified period of time. Under a medical direct primary care agreement, a direct primary care provider charges a specified periodic fee for health care services and does not bill any third parties on a fee-for-service basis.
- (2) Primary care provider. – An individual or other legal entity that is licensed, registered, or otherwise authorized to provide primary health care services in this State under Chapter 90 of the General Statutes. This includes an individual or other legal entity alone or with others professionally associated with the individual or other legal entity.
- (3) Primary care service. – Includes, but is not limited to, the screening, assessment, diagnosis, and treatment of a patient for the promotion of health or the detection and management of disease or injury within the scope of practice of the primary care provider.

(b) A medical direct primary care agreement is not insurance and is not subject to the provisions of this Chapter. Entering into a medical direct primary care agreement is not the business of insurance and is not subject to the provisions of this Chapter.

(c) Primary care providers and their agents shall not be required to be licensed or certified under this Chapter to market, sell, or offer to sell direct primary care agreements.

(d) A medical direct primary care agreement under this section must do all of the following:

- (1) Be in writing.
- (2) Be signed by the primary care provider, or the provider's agent, and the individual patient, an adult member of the family, or the individual patient's legal representative.
- (3) Allow either party to terminate the agreement with written notice to the other party.
- (4) Specify the periodic fee for the agreement.
- (5) Specify the primary care services that are included in the agreement and covered by the specified periodic fee.
- (6) Specify the duration of the agreement and any automatic renewal periods.
- (7) Prominently state in writing that the agreement is not health insurance. (2020-85, s. 1.)

§ 58-3-10. Statements in application not warranties.

All statements or descriptions in any application for a policy of insurance, or in the policy itself, shall be deemed representations and not warranties, and a representation, unless material or fraudulent, will not prevent a recovery on the policy. (1901, c. 705, s. 2; Rev., s. 4808; C.S., s. 6289.)

§ 58-3-15. Additional or coinsurance clause.

No insurance company or insurance producer licensed to do business in this State may issue any policy or contract of insurance covering property in this State that contains any clause or provision requiring the insured to take or maintain a larger amount of insurance than that expressed in the policy, nor in any way provide that the insured shall be liable as a coinsurer with the company issuing the policy for any part of the loss or damage to the property described in the policy, and any such clause or provision shall be null and void, and of no effect: Provided, the coinsurance clause or provision may be written in or attached to a policy or policies issued when there is printed or stamped on the declarations page of the policy or on the form containing the clause the words "coinsurance contract," and the Commissioner may, in the Commissioner's discretion, determine the location of the words "coinsurance contract" and the size of the type to be used. If there is a difference in the rate for the insurance with and without the coinsurance clause, the rates for each shall be furnished the insured upon request. (1915, c. 109, s. 5; C.S., s. 6441; 1925, c. 70, s. 4; 1945, c. 377; 1947, c. 721; 1999-132, s. 7.1; 2022-46, s. 14(g).)

§ 58-3-20. Group plans other than life, annuity or accident and health.

No policy of insurance other than life, annuity or accident and health may be written in North Carolina on a group plan which insures a group of individuals under a master policy at rates lower than those charged for individual policies covering similar risks. The master policy and certificates, if any, shall be first approved by the Commissioner and the rate, premiums or other essential information shall be shown on the certificate. (1945, c. 377.)

§ 58-3-25. Discriminatory practices prohibited.

(a) No insurer shall after September 1, 1975, base any standard or rating plan for private passenger automobiles or motorcycles, in whole or in part, directly or indirectly, upon the age or sex of the persons insured.

(b) No insurer shall refuse to insure or refuse to continue to insure an individual, limit the amount, extent, or kind of coverage available to an individual, or charge an individual a different rate for the same coverage, solely because of blindness or partial blindness or deafness or partial deafness. With respect to all other physical conditions, including the underlying cause of the blindness or partial blindness or deafness or partial deafness, individuals who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are sighted individuals or individuals whose hearing is not impaired. Refusal to insure or refusal to continue to insure includes denial by an insurer providing disability insurance on the grounds that the policy defines disability as being presumed in the event that the insured loses his eyesight or hearing: Provided that an insurer providing disability insurance may except disability coverage for blindness, partial blindness, deafness, or partial deafness when those conditions existed at the time the application was made for the disability insurance policy. The provisions of this subsection shall be construed to supplement the provisions of G.S. 58-63-15(7) and G.S. 168-10. This subsection shall apply only to the underwriting of life insurance, accident, health, or accident and health insurance under Articles 1 through 66 of this Chapter, and annuities.

(c) No insurer shall refuse to insure or refuse to continue to insure an individual; limit the amount, extent, or kind of coverage available to an individual; or charge an individual a different rate for the same coverage, because of the race, color, or national or ethnic origin of that individual. This subsection supplements the provisions of G.S. 58-3-120, 58-33-80, 58-58-35, and 58-63-15(7). (1975, c. 666, s. 1; 1985, c. 267, s. 1; 1989, c. 485, s. 22; 1991, c. 720, s. 67.)

§ 58-3-30. Meaning of terms "accident", "accidental injury", and "accidental means".

(a) This section applies to the provisions of all group life, group accident, group health, and group accident and health insurance policies and group annuities under Articles 1 through 64 of this Chapter that are issued on or after October 1, 1989, and preferred provider arrangements under Articles 1 through 64 of this Chapter that are entered into on or after October 1, 1989.

(b) "Accident", "accidental injury", and "accidental means" shall be defined to imply "result" language and shall not include words that establish an accidental means test. (1989, c. 485, s. 10.)

§ 58-3-33. Insurer conditionally required to provide information.

(a) A person who claims to have been physically injured or to have incurred property damage where such injury or damage is subject to a policy of nonfleet private passenger automobile insurance may request by certified mail directed to the insurance adjuster or to the insurance company (Attention Corporate Secretary) at its last known principal place of business that the insurance company provide information regarding the policy's limits of coverage under the applicable policy. Upon receipt of such a request, which shall include the policyholder's name, and, if available, policy number, the insurance company shall notify that person within 15 business days, on a form developed by the Department, that the insurer is required to provide this information prior to litigation only if the person seeking the information satisfies all of the following conditions:

- (1) The person seeking the information submits to the insurer the person's written consent to all of the person's medical providers to release to the insurer the person's medical records for the three years prior to the date on which the claim arose, as well as all medical records pertaining to the claimed injury.
- (2) The person seeking the information submits to the insurer the person's written consent to participate in mediation of the person's claim under G.S. 7A-38.3A.
- (3) The person seeking the information submits to the insurer a copy of the accident report required under G.S. 20-166.1 and a description of the events at issue with sufficient particularity to permit the insurer to make an initial determination of the potential liability of its insured.

(b) Within 30 days of receiving the person's written documents required under subsection (a) of this section, the insurer shall provide the policy limits.

(c) Disclosure of the policy limits under this section shall not constitute an admission that the alleged injury or damage is subject to the policy.

(d) This section does not apply to claims seeking recovery for medical malpractice or claims for which an insurer intends to deny coverage under any policy of insurance. (2003-307, s. 1; 2004-199, s. 21.)

§ 58-3-35. Stipulations as to jurisdiction and limitation of actions.

(a) No insurer, self-insurer, service corporation, HMO, MEWA, continuing care provider, viatical settlement provider, or professional employer organization licensed under this Chapter shall make any condition or stipulation in its contracts concerning the court or jurisdiction in which any suit or action on the contract may be brought.

(b) No insurer, self-insurer, service corporation, HMO, MEWA, continuing care provider, viatical settlement provider, or professional employer organization licensed under this Chapter shall limit the time within which any suit or action referred to in subsection (a) of this section may be commenced to less than the period prescribed by law.

(c) All conditions and stipulations forbidden by this section are void. (1899, c. 54, ss. 23, 106; 1901, c. 391, s. 8; Rev., s. 4809; C.S., s. 6290; 2001-334, s. 1; 2007-298, s. 7.1; 2007-484, s. 43.5.)

§ 58-3-40. Proof of loss forms required to be furnished.

When any company under any insurance policy requires a written proof of loss after notice of such loss has been given by the insured or beneficiary, the company or its representative shall furnish a blank to be used for that purpose. If such forms are not so furnished within 15 days after the receipt of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss, upon submitting within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, character, and extent of the loss for which claim is made. (1945, c. 377.)

§ 58-3-45. Insurance as security for a loan by the company.

Where an insurance company, as a condition for a loan by such company, of money upon mortgage or other security, requires that the borrower insure either his life or that of another, or his property, or the title to his property, with the company, and assign or cause to be assigned to it a policy of insurance as security for the loan, and agree to pay premiums thereon during the continuance of the loan, whether the premium is paid annually, semiannually, quarterly, or monthly, such premiums shall not be considered as interest on such loans, nor will any loan be rendered usurious by reason of any such requirements, where the rate of interest charged for the loan does not exceed the legal rate and where the premiums charged for the insurance do not exceed the premiums charged to other persons for similar policies who do not obtain loans. (1915, c. 8; 1917, c. 61; C.S., s. 6291.)

§ 58-3-50. Companies must do business in own name; emblems, insignias, etc.

Every insurance company or group of companies must conduct its business in the State in, and the policies and contracts of insurance issued by it shall be headed or entitled only by, its proper or corporate name or names. There shall not appear on the policy anything that would indicate that it is the obligation of any other than the company or companies responsible for the payment of losses under the policy, though it will be permissible to stamp or print on the policy, the name or names of the department or general agency issuing the same, and the group of companies with which the company is financially affiliated. The use of any emblem, insignia, or anything other than the true and proper corporate name of the company or group of companies shall be permitted only with the approval of the Commissioner; provided that, with the exception of policies subject to the provisions of Article 36 of this Chapter, a coverage within a policy may be issued by more than one company, so long as the policy clearly identifies the company responsible for each coverage. (1899, c. 54, s. 18; Rev., s. 4811; C.S., s. 6292; 1945, c. 377; 1951, c. 781, s. 10; 1995, c. 193, s. 9; 2015-281, s. 10.)

§ 58-3-55. Must not pay death benefits in services.

No insurance company now doing business in this State or that may hereafter be authorized to do business in this State issuing contracts providing benefits in the event of death shall issue any contract providing for the payment of benefits in merchandise or service to be rendered to such policyholder or his beneficiary. (1945, c. 377.)

§ 58-3-60. Publication of assets and liabilities; penalty for failure.

When any company publishes its assets, it must in the same connection and with equal conspicuousness publish its liabilities computed on the basis allowed for its annual statements; and any publications purporting to show its capital must exhibit only the amount of such capital as has been actually paid in cash. Any company or agent thereof who violates this section shall be guilty of a Class 3 misdemeanor and, upon conviction, shall be punished only by a fine of not less than five hundred dollars (\$500.00) nor more than one thousand dollars (\$1,000). (1899, c. 54, ss. 18, 96; Rev., ss. 3492, 4812; C.S., s. 6293; 1985, c. 666, s. 14; 1993, c. 539, s. 446; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 58-3-65. Publication of financial information.

Notwithstanding any other provision of the laws of this State an insurer may, subject to requirements set forth by regulation promulgated by the Commissioner, publish financial statements or information based on financial statements prepared on a basis which is in accordance with requirements of a competent authority and which differs from the basis of the statements which have been filed with the Commissioner. Such differing financial statements or information based on financial statements shall not be made the basis for the application of provisions of any laws of this State not relating solely to the publication of financial information unless such provisions specifically so require. (1973, c. 1130; 1991, c. 720, s. 5.)

§ 58-3-70: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-3-71. Unearned premium reserves.

(a) Every insurance company, other than a life or real estate title insurance company, shall maintain reserves equal to the unearned portions of the gross premiums charged on unexpired or unexpired risks and policies.

(b) No deductions may be made from the gross premiums in force except for original premiums canceled on risks terminated or reduced before expiration, or except for premiums paid or credited for risks reinsured with other solvent assuming insurers authorized to transact business in this State.

(c) Premiums charged for bulk or portfolio reinsurance assumed from other insurers shall be included as premiums in force on the basis of the original premiums and original terms of the policies of the ceding insurer.

(d) Reinsurance ceded to an authorized assuming insurer may be deducted on the basis of original premiums and original terms, except in the case of excess loss or catastrophe reinsurance, which may be deducted only on the basis of actual reinsurance premiums and actual reinsurance terms.

(e) The reserve for unearned premiums shall be computed on an actual basis or may be computed on the monthly pro rata fractional basis if in the opinion of the Commissioner this method produces an adequate reserve.

(f) With respect to marine insurance, premiums on trip risks not terminated shall be deemed unearned; and the Commissioner may require a reserve to be carried thereon equal to one hundred percent (100%) of the premiums on trip risks written during the month ended as of the statement date.

(g) The Commissioner may adopt rules for the unearned premium reserve computation for premiums covering indefinite terms. (1993, c. 452, s. 1.)

§ 58-3-72. Premium deficiency reserves.

(a) In determining the financial condition of any casualty, fidelity, and surety company and any fire and marine company referred to in G.S. 58-7-75, and in any financial statement or report of the company, there shall be included in the liabilities of the company premium deficiency reserves at least equal to the amounts required under this section. The date as of which the determination, statement, or report is made is known as the "date of determination."

(b) For all recorded unearned premium reserves, a premium deficiency reserve shall be calculated to include the amount by which the anticipated losses, loss adjustment expenses, commissions and other acquisition costs, and maintenance costs exceed the sum of those unearned premium reserves and any related expected future installment premiums as of the date of determination.

(c) Except as provided in subsection (f) of this section, commissions, other acquisition costs, and premium taxes do not have to be considered in the determination of the premium deficiency reserve, to the extent that they have previously been incurred.

(d) Except as provided in subsection (f) of this section, no reduction shall be taken for anticipated investment income in the determination of the premium deficiency reserve.

(e) For purposes of determining if a premium deficiency exists, insurance contracts shall be grouped in a manner consistent with the way in which such policies are marketed or serviced.

(f) If the Commissioner determines that the premium deficiency reserves of any company that have been calculated in accordance with this section are inadequate or excessive, the Commissioner may prescribe any other basis that will produce adequate and reasonable reserves. (2001-223, s. 1.1.)

§ 58-3-75. Loss and loss expense reserves of fire and marine insurance companies.

In any determination of the financial condition of any fire or marine or fire and marine insurance company authorized to do business in this State, such company shall be charged, in addition to its unearned premium liability as prescribed in G.S. 58-3-71, with a liability for loss reserves in an amount equal to the aggregate of the estimated amounts payable on all outstanding claims reported to it which arose out of any contract of insurance or reinsurance made by it, and in addition thereto an amount fairly estimated as necessary to provide for unreported losses incurred on or prior to the date of such determination, as defined in G.S. 58-3-81(a), and including, both as to reported and unreported claims, an amount estimated as necessary to provide for the expense of adjusting such claims, and there shall be deducted, in determining such liability for loss reserves, the amount of reinsurance recoverable by such company, in respect to such claims, from assuming insurers in accordance with G.S. 58-7-21. Such loss and loss expense reserves shall be calculated in accordance with any method adopted or approved by the NAIC, unless the Commissioner

determines that another more conservative method is appropriate. (1945, c. 377; 1993, c. 452, s. 2; 1993 (Reg. Sess., 1994), c. 678, s. 4.)

§ 58-3-80: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-3-81. Loss and loss expense reserves of casualty insurance and surety companies.

(a) In determining the financial condition of any casualty insurance or surety company and in any financial statement or report of any such company, there shall be included in the liabilities of that company loss reserves and loss expense reserves at least equal to the amounts required under this section. The amount of those reserves shall be diminished by an allowance or credit for reinsurance recoverable from assuming reinsurers in accordance with G.S. 58-7-21 or G.S. 58-7-26. The date as of which the determination, statement, or report is made is known as the date of determination.

(b) For all outstanding losses and loss expenses, the reserves shall be valued as of the date of determination and shall include the following:

- (1) The aggregate estimated amounts due for losses and loss adjustment expenses on account of all known claims.
- (2) The aggregate estimated amounts due for losses and loss adjustment expenses on account of all unknown, incurred but not reported claims.

(c) Except as provided in subsection (e) of this section, the minimum loss and loss expense reserves for workers' compensation insurance shall be determined as follows:

- (1) In the case of indemnity benefits where tabular reserves are prescribed for the reporting of such benefits under the Workers' Compensation Statistical Plan (WCSP) of the National Council on Compensation Insurance, the minimum reserve shall be the result obtained by the application of the appropriate pension table in the WCSP, unless the reserve required by any method adopted or approved by the NAIC is greater, in which case that greater reserve shall be used.
- (2) In all other cases, including other indemnity benefits, medical benefits, and loss adjustment expense, the reserve shall be determined by subsection (b) of this section, unless the reserve required by any method adopted or approved by the NAIC is greater, in which case that greater reserve shall be used.

(d) Repealed by Session Laws 2001-223, s. 1.2.

(e) Whenever in the judgment of the Commissioner the loss and loss expense reserves of any casualty or surety company doing business in this State calculated in accordance with the foregoing provisions are inadequate or excessive, he may prescribe any other basis that will produce adequate and reasonable reserves.

(f) Every casualty insurance and every surety company doing business in this State shall keep a complete and itemized record showing all losses and claims on which it has received notices, including all notices received by it of the occurrence of any event that may result in a loss. (1993, c. 452, s. 3; 2001-223, s. 1.2.)

§ 58-3-85. Corporation or association maintaining office in State required to qualify and secure license.

Any corporation or voluntary association, other than an association of companies, the members of which are licensed in this State, issuing contracts of insurance and maintaining a principal,

branch, or other office within this State, whether soliciting business in this State or in foreign states, shall qualify under the insurance laws of this State applicable to the type of insurance written by such corporation or association and secure license from the Commissioner as provided under Articles 1 through 64 of this Chapter on insurance, as amended, and the officers and agents of any such corporation or association maintaining offices within this State and failing to qualify and secure license as herein provided shall be deemed guilty of a Class 1 misdemeanor. (1937, c. 39; 1991, c. 720, s. 4; 1993, c. 539, s. 447; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 58-3-90: Repealed by Session Laws 2001-223, s. 2.1.

§ 58-3-95: Repealed by Session Laws 1991, c. 720, s. 71.

§ 58-3-100. Insurance company licensing provisions.

(a) The Commissioner may, after notice and opportunity for a hearing, revoke, suspend, or restrict the license of any insurer if:

- (1) The insurer fails or refuses to comply with any law, order or rule applicable to the insurer.
- (2) After considering the standards under G.S. 58-30-60(b), the Commissioner determines that the continued operation of the insurer is hazardous to its policyholders, to its creditors, or to the general public.
- (3) The insurer has published or made to the Department or to the public any false statement or report.
- (4) The insurer or any of the insurer's officers, directors, employees, or other representatives refuse to submit to any examination authorized by law or refuse to perform any legal obligation in relation to an examination.
- (5) The insurer is found to make a practice of unduly engaging in litigation or of delaying the investigation of claims or the adjustment or payment of valid claims.

(b) Any suspension, revocation or refusal to renew an insurer's license under this section may also be made applicable to the license or registration of any individual regulated under this Chapter who is a party to any of the causes for licensing sanctions listed in subsection (a) of this section.

(c) The Commissioner may impose a civil penalty under G.S. 58-2-70 if an HMO, service corporation, MEWA, or insurer fails to acknowledge a claim within 30 days after receiving written or electronic notice of the claim, but only if the notice contains sufficient information for the insurer to identify the specific coverage involved. Acknowledgement of the claim shall be one of the following:

- (1) A statement made to the claimant or to the claimant's legal representative advising that the claim is being investigated.
- (2) Payment of the claim.
- (3) A bona fide written offer of settlement.
- (4) A written denial of the claim.

A claimant includes an insured, a beneficiary of a life or annuity contract, a health care provider, or a health care facility that is responsible for directly making the claim with an insurer, HMO, service corporation, or MEWA. With respect to a claim under an accident, health, or disability policy, if the acknowledgement sent to the claimant indicates that the claim remains under investigation, within

45 days after receipt by the insurer of the initial claim, the insurer shall send a claim status report to the insured and every 45 days thereafter until the claim is paid or denied. The report shall give details sufficient for the insured to understand why processing of the claim has not been completed and whether the insurer needs additional information to process the claim. If the claim acknowledgement includes information about why processing of the claim has not been completed and indicates whether additional information is needed, it may satisfy the requirement for the initial claim status report. This subsection does not apply to HMOs, service corporations, MEWAs or insurers subject to G.S. 58-3-225.

(d) If a foreign insurance company's license is suspended or revoked, the Commissioner shall cause written notification of the suspension or revocation to be given to all of the company's insurance producers in this State. Until the Commissioner restores the company's license, the company shall not write any new business in this State.

(e) The Commissioner may, after considering the standards under G.S. 58-30-60(b), restrict an insurer's license by prohibiting or limiting the kind or amount of insurance written by that insurer. For a foreign insurer, this restriction relates to the insurer's business conducted in this State. The Commissioner shall remove any restriction under this subsection once the Commissioner determines that the operations of the insurer are no longer hazardous to the public or the insurer's policyholders or creditors. As used in this subsection, "insurer" includes an HMO, service corporation, and MEWA. (1899, c. 54, ss. 66, 75, 112; 1901, c. 391, s. 5; Rev., ss. 4703, 4705; C.S., s. 6297; 1947, c. 721; 1963, c. 1234; 1993, c. 409, s. 1; 1995, c. 193, s. 10; 1999-294, s. 9; 2000-162, s. 4(b); 2001-223, s. 2.2; 2001-334, s. 15; 2003-212, s. 26(a); 2005-215, s. 2; 2005-223, s. 7; 2022-46, s. 14(h).)

§ 58-3-102: Repealed by Session Laws 2021-64, s. 3(c), effective October 1, 2021.

§ 58-3-105. Limitation of risk.

Except as otherwise provided in Articles 1 through 64 of this Chapter, no insurer doing business in this State shall expose itself to any loss on any one risk in an amount exceeding ten percent (10%) of its surplus to policyholders. Any risk or portion of any risk which shall have been reinsured shall be deducted in determining the limitation of risk prescribed in this section. This section shall not apply to (i) life insurance, (ii) accident and health insurance, (iii) the insurance of marine risks, or marine protection and indemnity risks, (iv) workers' compensation or employer's liability risks, and (v) certificates of title, guaranties of title or policies of title insurance. For the purpose of determining the limitation of risk under any provision of Articles 1 through 64 of this Chapter, "surplus to policyholders" shall

- (1) Be deemed to include any voluntary reserves, or any part thereof, which are not required by or pursuant to law, and
- (2) Be determined from the last sworn statement of such insurer on file with the Commissioner pursuant to law, or by the last report on examination filed by the Commissioner, whichever is more recent at the time of assumption of such risk.

In applying the limitation of risk under any provision of Articles 1 through 64 of this Chapter to alien insurers, such provision shall be deemed to refer to the exposure to risk and to the surplus to policyholders of the United States branch of such alien insurer. (1945, c. 377; 1991, c. 636, s. 3; 2013-199, s. 1.)

§ 58-3-110. Limitation of liability assumed.

(a) No company transacting fidelity or surety business in this State shall expose itself to any loss on any one fidelity or surety risk or hazard in an amount exceeding ten per centum (10%) of its policyholders' surplus, unless it shall be protected in excess of that amount by:

- (1) Reinsurance in such form as to enable the obligee or beneficiary to maintain an action thereon against the company reinsured jointly with such reinsurer and, upon recovering judgment against such reinsured, to have recovery against such reinsurer for payment to the extent in which it may be liable under such reinsurance and in discharge thereof; or
- (2) The cosuretyship of such a company similarly authorized; or
- (3) By deposit with it in pledge or conveyance to it in trust for its protection of property; or
- (4) By conveyance or mortgage for its protection; or
- (5) In case a suretyship obligation was made on behalf or on account of a fiduciary holding property in a trust capacity, by deposit or other disposition of a portion of the property so held in trust that no future sale, mortgage, pledge or other disposition can be made thereof without the consent of such company; except by decree or order of a court of competent jurisdiction;

(b) Provided:

- (1) That such company may execute what are known as transportation or warehousing bonds for United States internal revenue taxes to an amount equal to fifty per centum (50%) of its policyholders' surplus;
- (2) That, when the penalty of the suretyship obligation exceeds the amount of a judgment described therein as appealed from and thereby secured, or exceeds the amount of the subject matter in controversy or of the estate in the hands of the fiduciary for the performance of whose duties it is conditioned, the bond may be executed if the actual amount of the judgment or the subject matter in controversy or estate not subject to the supervision or control of the surety is not in excess of such limitation; and
- (3) That, when the penalty of the suretyship obligation executed for the performance of a contract exceeds the contract price, the latter shall be taken as the basis for estimating the limit of risk within the meaning of this section.

(c) No such company shall, anything to the contrary in this section notwithstanding, execute suretyship obligations guaranteeing the deposits of any single financial institution in an aggregate amount in excess of ten per centum (10%) of the policyholders' surplus of such surety, unless it shall be protected in excess of that amount by credits in accordance with subdivisions (1), (2), (3) or (4) of subsection (a) of this section: Provided, nothing in this section shall be construed to make invalid any contract entered into by such company with another person, firm, corporation or municipal corporation, notwithstanding any provisions of this section. (1911, c. 28; C.S., s. 6382; 1931, c. 285; 1945, c. 377.)

§ 58-3-115. Twisting with respect to insurance policies; penalties.

No insurer shall make or issue, or cause to be issued, any written or oral statement that willfully misrepresents or willfully makes an incomplete comparison as to the terms, conditions, or benefits contained in any policy of insurance for the purpose of inducing or attempting to induce a policyholder in any way to terminate or surrender, exchange, or convert any insurance policy. Any person who violates this section is subject to the provisions of G.S. 58-2-70 or G.S. 58-3-100.

(1961, c. 823; 1987, c. 629, s. 4; c. 787, s. 2; c. 864, ss. 3(a), 74; 1989, c. 485, s. 25; 1999-132, s. 1.3.)

§ 58-3-120. Discrimination forbidden.

(a) No company doing the business of insurance as defined in G.S. 58-7-15 shall make any discrimination in favor of any person.

(b) Discrimination between individuals of the same class in the amount of premiums or rates charged for any policy of insurance covered by Articles 50 through 55 of this Chapter, or in the benefits payable thereon, or in any of the terms or conditions of such policy, or in any other manner whatsoever, is prohibited. (1903, c. 488, s. 2; 1905, c. 170, s. 2; Rev., s. 4766; C.S., s. 6430; 1923, c. 4, s. 70; 1925, c. 70, s. 6; 1945, c. 458; 1987, c. 629, s. 5; 2001-297, s. 4.)

§ 58-3-121. Discrimination against coverage of certain bones and joints prohibited.

(a) Discrimination against coverage of procedures involving bones or joints of the jaw, face, or head is prohibited in any health benefit plan. Whenever a health benefit plan provides coverage on a group or individual basis for diagnostic, therapeutic, or surgical procedures involving bones or joints of the human skeletal structure, that plan may not exclude or deny the same coverage for procedures involving any bone or joint of the jaw, face, or head, so long as the procedure is medically necessary to treat a condition which prevents normal functioning of the particular bone or joint involved and the condition is caused by congenital deformity, disease, or traumatic injury. The coverage required by this section involving bones or joints of the jaw, face, or head shall be subject to the same conditions and limitations as are applicable to coverage of procedures involving other bones and joints of the human skeletal structure.

(b) For purposes of this section, in providing coverage for the treatment of conditions of the jaw (temporomandibular joint), authorized therapeutic procedures shall include splinting and use of intraoral prosthetic appliances to reposition the bones. Payment for these therapeutic procedures, and for procedures involved in any other nonsurgical treatment of temporomandibular joint dysfunction, may be subjected to a reasonable lifetime maximum dollar amount. Nothing in this subsection shall require a health benefit plan to cover orthodontic braces, crowns, bridges, dentures, treatment for periodontal disease, dental root form implants, or root canals.

(c) For purposes of this section, "health benefit plan" means accident and health insurance policies or certificates; nonprofit hospital or medical service corporation contracts; health, hospital, or medical service corporation plan contracts; health maintenance (HMO) subscriber contracts; and plans provided by a MEWA or plans provided by other benefit arrangements, to the extent permitted by ERISA. (1995, c. 483, s. 1.)

§ 58-3-122. Anesthesia and hospital charges necessary for safe and effective administration of dental procedures for young children, persons with serious mental or physical conditions, and persons with significant behavioral problems; coverage in health benefit plans.

(a) All health benefit plans shall provide coverage for payment of anesthesia and hospital or facility charges for services performed in a hospital or ambulatory surgical facility in connection with dental procedures for children below the age of nine years, persons with serious mental or physical conditions, and persons with significant behavioral problems, where the provider treating the patient involved certifies that, because of the patient's age or condition or problem, hospitalization or general anesthesia is required in order to safely and effectively perform the procedures. The same deductibles, coinsurance, network requirements, medical necessity

provisions, and other limitations as apply to physical illness benefits under the health benefit plan shall apply to coverage for anesthesia and hospital or facility charges required to be covered under this section.

(b) As used in this section, the term:

- (1) "Health benefit plan" means an accident and health insurance policy or certificate; a nonprofit hospital or medical service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to that Act provided under federal law or regulation. "Health benefit plan" does not mean any plan implemented or administered by the North Carolina Department of Health and Human Services or the United States Department of Health and Human Services, or any successor agency, or its representatives. "Health benefit plan" also does not mean any of the following kinds of insurance:
 - a. Accident.

(1999-134, s. 1; 2019-202, s. 8.)

§ 58-3-125. Repealed by Session Laws 1999-132, s. 1.1.

§ 58-3-130. Insurance producer, adjuster, etc., acting without a license or violating insurance law.

If any person shall assume to act either as principal, insurance producer, limited representative, adjuster or motor vehicle damage appraiser without license as is required by law or, pretending to be a principal, insurance producer, limited representative, adjuster or licensed motor vehicle damage appraiser, shall solicit, examine or inspect any risk, or shall examine into, adjust, or aid in adjusting any loss, investigate or advise relative to the nature and amount of damages to motor vehicles or the amount necessary to effect repairs thereto, or shall receive, collect, or transmit any premium of insurance, or shall do any other act in the soliciting, making or executing any contract

of insurance of any kind otherwise than the law permits, or as principal or agent shall violate any provision of law contained in Articles 1 through 64 of this Chapter, the punishment for which is not elsewhere provided for, he shall be deemed guilty of a Class 1 misdemeanor. (1899, c. 54, s. 115; Rev., s. 3490; C.S., s. 6310; 1945, c. 458; 1949, c. 958, s. 1; 1951, c. 105, s. 1; 1971, c. 757, s. 7; 1985, c. 666, s. 20; 1987, c. 629, s. 9; 1993, c. 539, s. 448; 1994, Ex. § 58-3-135. Certain insurance activities by lenders with customers prohibited.

No lender shall require the purchase of insurance from such lender or subsidiary or affiliate of such lender as a condition to the making, renewing or refinancing of any loan or to the establishing of any of the terms or conditions of such loan. Lenders shall not include organizations of the Farm Credit System. (1985, c. 679, s. 1.)

§ 58-3-137. Prohibition on provisions relating to replacement cost estimators.

(a) No person may require an insurance company or their designated agent to provide the replacement cost estimator or other underwriting or related proprietary business information of an insurer underwriting an insurance policy covering real property, as a condition precedent or condition subsequent to the lending of money or extension of credit to be secured by real property. For purposes of this section, "proprietary business information of an insurer" means information, regardless of form or characteristics, which is owned or controlled by an insurer, or a person or an affiliated person who seeks acquisition of controlling stock in a domestic stock insurer or controlling company, and which (i) is intended to be and is treated by the insurer or the person as private in that the disclosure of the information would cause harm to the insurer, the person, or the company's business operations and that the information has not been disclosed unless disclosed pursuant to a statutory requirement, an order of a court or administrative body, or a private agreement that provides that the information will not be released to the public and (ii) is not otherwise readily ascertainable or publicly available by proper means by other persons from another source in the same configuration as requested by the office. This subsection does not apply to sales of insurance regulated under Articles 35, 57, and 58 of this Chapter or under 12 U.S.C. §§ 4901-4910.

(b) The Department of Insurance may investigate the affairs of any person to whom this section applies to determine whether such person has violated this section. If a violation of this section is found to have been committed knowingly, the person in violation shall be subject to the same procedures and penalties as provided in Articles 3 and 63 of this Chapter. (2022-46, s. 16(a).)

§ 58-3-140. Temporary contracts of insurance permitted.

A lender engaged in making or servicing real estate mortgage or deed of trust loans on one to four family residences shall accept as evidence of insurance a temporary written contract of insurance meeting the requirements of G.S. 58-44-20(4) and issued by any duly licensed insurance producer or insurance company.

Nothing herein prohibits the lender from refusing to accept a binder or from disapproving such insurer or insurance producer provided such refusal or disapproval is reasonable.

Such lender need not accept a binder unless such binder:

- (1) Includes:
 - a. The name and address of the insured;
 - b. The name and address of the mortgagee;

- c. A description of the insured collateral;
 - d. A provision that it may not be cancelled within a term of the binder except upon 10 days' written notice to the mortgagee; and
 - e. The amount of insurance bound.
- (2) Is accompanied by a paid receipt for one year's premium, except in the case of the renewal of a policy subsequent to the closing of a loan; and
 - (3) Includes an undertaking of insurance producer to use his best efforts to have the insurance company issue a policy.

The Department may require binders to contain any additional information to permit the binders to comply with the reasonable requirements of Fannie Mae, the Government National Mortgage Association, or the Federal Home Loan Mortgage Corporation for purchase of mortgage loans. (1989, c. 459, s. 1; 1991, c. 720, s. 4; 2001-487, s. 14(f); 2022-46, s. 14(j).)

§ 58-3-145. Solicitation, negotiation or payment of premiums on insurance policies.

An insurer or insurance producer may accept payment of an insurance premium by credit card or debit card if the insurer accepting payment by credit card or debit card meets the following conditions:

- (1) The insurer complies with the prohibition against unfair discrimination contained in G.S. 58-63-15(7).
- (2) The insurer pays the fees charged by the credit card company or debit card issuer for the payment of premiums by credit card or debit card. (1967, c. 1245; 1979, c. 528; 1991, c. 720, s. 7; 1999-365, s. 1; 2011-215, s. 1; 2022-46, s. 14(k).)

§ 58-3-147. Credit card guaranty or collateral prohibited.

No insurer, representative of any insurer, or insurance producer shall enter into any arrangement that involves the sale of insurance or the pledging of existing insurance as guaranty or collateral for the issuance of any credit card. (1993, c. 226, s. 9; c. 504, s. 40; 2022-46, s. 14(l).)

§ 58-3-149. Certificates of insurance.

- (a) For the purposes of this section, the following definitions apply:
 - (1) Certificate of insurance. – A document prepared or issued exclusively by an insurance company or licensed producer that is used to verify or evidence the existence of property or casualty insurance coverage, including a document submitted or created electronically. Certificate of insurance shall not include a document prepared or issued by an insurance company or producer that is used to verify or evidence the existence of property insurance provided to a lender covering real or personal property which serves as the lender's security for commercial mortgages.
 - (2) Commercial mortgages. – Mortgages or other instruments given for the purpose of creating a lien encumbering office, multiunit residential, apartments, commercial, or industrial properties. Commercial mortgages shall not include a lien encumbering one- to four-family residential properties.
- (b) A certificate of insurance is not a policy of insurance and does not amend, extend, or alter the coverage afforded by the policy to which the certificate of insurance makes reference. A

certificate of insurance shall not confer to a certificate of insurance holder new or additional rights beyond what the referenced policy of insurance expressly provides.

(c) It is unlawful for any person to knowingly prepare, issue, request, or require a certificate of insurance that meets any of the following criteria:

- (1) Has not been filed with and approved by the Commissioner.
- (2) Contains any false or misleading information concerning the policy of insurance to which the certificate of insurance makes reference.
- (3) Purports to alter, amend, or extend the coverage provided by the policy of insurance to which the certificate of insurance makes reference.

(d) Any person not otherwise subject to regulation under Chapter 58 of the General Statutes who prepares, issues, requests, or requires a certificate of insurance that meets the criteria of subdivision (2) or (3) of subsection (c) of this section is subject to a civil penalty of up to five thousand dollars (\$5,000). The clear proceeds of the penalty shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. Payment of the civil penalty under this section shall be in addition to payment of any other penalty for a violation of the criminal laws of this State.

(e) A holder of a certificate of insurance shall have a legal right to notice of cancellation, nonrenewal, or any material change, or any similar notice concerning a policy of insurance, only if the holder is named within the policy or any endorsement and the policy or endorsement requires notice to be provided to the holder. The terms and conditions of the notice, including the required timing of the notice, are governed by the policy of insurance and cannot be altered by a certificate of insurance. (2011-196, s. 3; 2021-177, s. 2.)

§ 58-3-150. Forms to be approved by Commissioner.

(a) It is unlawful for any insurance company licensed and admitted to do business in this State to issue, sell, or dispose of any policy, contract, certificate, or certificate of insurance, or use applications in connection therewith, until the forms of the same have been submitted to and approved by the Commissioner, and copies filed in the Department. If a policy form filing is disapproved by the Commissioner, the Commissioner may return the filing to the filer. As used in this section, "policy form" includes endorsements, riders, or amendments to policies that have already been approved by the Commissioner.

(b) With respect to group and blanket accident and health insurance, group life insurance, and group annuity policies issued and delivered to a trust or to an association outside of this State and covering persons resident in this State, the group certificates to be delivered or issued for delivery in this State shall be filed with and approved by the Commissioner pursuant to subsection (a) of this section.

(c) If not submitted electronically, all contracts, literature, advertising materials, letters, and other documents submitted to the Department to comply with the filing requirements of this Chapter or an administrative rule adopted pursuant to this Chapter shall be submitted on paper eight and one-half inches by eleven inches. Brochures and pamphlets shall not be stapled or bound.

(d) through (g) Recodified as G.S. 58-3-149 by Session Laws 2021-177, s. 2, effective January 1, 2022. (1907, c. 879; 1913, c. 139; C.S., s. 6312; 1945, c. 377; 1987, c. 752, s. 7; 1989, c. 485, s. 9; 1991, c. 720, ss. 5, 51; 1993, c. 506, s. 1; 1998-211, s. 37.3(a); 2003-290, s. 3; 2011-196, s. 3; 2021-177, s. 2.)

§ 58-3-151. Deemer provisions.

No entity subject to the Commissioner's jurisdiction and regulation shall be fined or penalized by the Commissioner for using forms, contracts, schedules of premiums, or other documents required to be filed and approved under this Chapter or for executing contracts required to be filed and approved under this Chapter if those forms, contracts, schedules of premiums, or other documents have been by law deemed to have been approved, and the entity has notified the Commissioner before using the filing or executing the contract that the law has deemed the filing or the contract to be approved. (2001-334, s. 14.)

§ 58-3-152. Excess liability policies; uninsured and underinsured motorist coverages.

With respect to policy forms that provide excess liability coverage, an insurer may limit or exclude coverage for uninsured motorists as provided in G.S. 20-279.21(b)(3) and for underinsured motorists as provided in G.S. 20-279.21(b)(4). (1997-396, s. 1.)

§ 58-3-155. Business transacted with insurer-controlled brokers.

(a) As used in this section:

(1) "Broker" has the same meaning as defined in G.S. 58-33-10(3).

(2) "Control" or "controlled" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or a corporate office held by the person. Control is presumed to exist if any person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person.

(b) The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support that determination, that control exists in fact, notwithstanding the absence of a presumption to that effect. The Commissioner may determine upon application that any person does not or will not upon the taking of some proposed action control another person. The Commissioner may prospectively revoke or modify that determination, after notice and opportunity to be heard whenever in the Commissioner's judgment revocation or modification is consistent with this section.

(c) No licensed property or casualty insurer that has control of a broker may accept insurance from the broker in any transaction in which the broker, when the insurance is placed, is acting as such on behalf of the insured for any compensation, commission, or thing of value unless the broker, before the effective date of the coverage, delivers written notice to the prospective insured disclosing the relationship between the insurer and broker. The disclosure must be signed by the insured and must be retained in the insurer's underwriting file until the completion and release of the examination report under G.S. 58-2-131 through G.S. 58-2-134 for the period in which the coverage is in effect. If the insurance is placed through a subbroker that is not a controlled broker, the controlling insurer shall retain in its records a signed commitment from the subbroker that the subbroker is aware of the relationship between the insurer and the broker and that the subbroker has notified or will notify the insured.

(d) This section does not affect the rights of policyholders, claimants, creditors, or other third parties. (1991, c. 681, s. 9; 1999-132, s. 11.1; 2022-46, s. 14(m).)

§ 58-3-160. Sale of company or major reorganization; license to be restricted.

The Commissioner shall restrict the license by prohibiting new or renewal insurance business transacted in this State by any licensed insurer that, in anticipation of a sale of the insurer to new owners or a major reorganization of the business or management of the insurer, transfers all of its existing insurance business to another insurer through an assumption reinsurance agreement or does not write any new insurance business for over one year. The restriction shall remain in force until after the insurer has filed the following information with the Commissioner and the Commissioner has granted approval:

- (1) Biographical information in a form acceptable to the Commissioner for each new owner, director, or management person;
- (2) A detailed and complete plan of operation describing the kinds of insurance to be written and the method in which the reorganized insurer will perform its various functions;
- (3) Financial projections of the anticipated operational results of the reorganized insurer for the succeeding three years based on the capitalization of the reorganized insurer and its plan of operation, which must be prepared by a properly qualified individual, be in sufficient detail for a complete analysis to be performed, and be accompanied by a list of the assumptions used in making the projections; and
- (4) Any other information the Commissioner considers to be pertinent for a proper analysis of the reorganized insurer. (1991, c. 681, s. 10.)

§ 58-3-165. Business transacted with producer-controlled property or casualty insurers.

(a) As used in this section:

- (2) "Captive insurer" means an insurance company that is owned by another organization and whose exclusive purpose is to insure risks of the parent organization and affiliated companies. In the case of groups and associations, "captive insurer" means an insurance organization that is owned by the insureds, and whose exclusive purpose is to insure risks of member organizations or group members and their affiliates. "Captive insurer" does not include a risk retention group licensed under Part 9 of Article 10 of this Chapter.
- (3) "Control" and its cognates mean the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if any person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person.
- (4) "Controlled insurer" means an insurer that is controlled, directly or indirectly, by a producer.
- (5) "Controlling producer" means a producer who, directly or indirectly, controls an insurer.

- (6) "Insurer" means any person licensed to write property or casualty insurance in this State. "Insurer" includes a risk retention group licensed under Part 9 of Article 10 of this Chapter but excludes a residual market mechanism, a joint underwriting authority, and a captive insurer.
- (7) "Producer" means an insurance broker or brokers or any other person, when, for any compensation, commission, or other thing of value, that person acts or aids in any manner in soliciting, negotiating, or procuring the making of any insurance contract on behalf of an insured other than that person. "Producer" does not mean an exclusive agent or any independent agent acting on behalf of a controlled insurer, including any subagent or representative of the agent, who acts as such in the solicitation of, negotiation for, or procurement or making of an insurance contract, if the agent is not also acting in the capacity of an insurance broker in the transaction in question.

(b) The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect. The Commissioner may determine upon application that any person does not or will not upon the taking of some proposed action control another person. The Commissioner may prospectively revoke or modify that determination, after notice and opportunity to be heard, whenever in the Commissioner's judgment revocation or modification is consistent with this section.

(c) This section applies to insurers that are either domiciled in this State or domiciled in a state that is not an accredited state having in effect a substantially similar law. The provisions of Article 19 of this Chapter, to the extent they are not superseded by this section, apply to all parties within holding company systems subject to this section.

(d) The provisions of this section apply if, in any calendar year, the aggregate amount of gross written premiums on business placed with a controlled insurer by a controlling producer is equal to or greater than five percent (5%) of the admitted assets of the controlled insurer, as reported in the controlled insurer's most recent annual statement or its quarterly statement filed as of September 30 of the prior year. The provisions of this section do not apply if:

- (1) The controlling producer places insurance only with the controlled insurer, or only with the controlled insurer and a member or members of the controlled insurer's holding company system, or the controlled insurer's parent, affiliate, or subsidiary and receives no compensation based upon the amount of premiums written in connection with that insurance; and the controlling producer accepts insurance placements only from nonaffiliated subproducers, and not directly from insureds; and
- (2) The controlled insurer, except for insurance business written through a residual market mechanism, accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.

(e) A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the producer and the insurer specifying the responsibilities of each party, and unless the contract has been approved by the board of directors of the insurer and contains all of the following minimum provisions:

- (1) The insurer may terminate the contract for cause, upon written notice to the producer. The insurer shall suspend the producer's authority to write business during the pendency of any dispute regarding the cause for the termination.
- (2) The producer shall render accounts to the insurer detailing all material transactions, including information necessary to support all commissions, charges, and other fees received by, or owing to, the producer.
- (3) The producer shall remit all funds due under the contract terms to the insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments of premiums collected shall be remitted no later than 90 days after the effective date of any policy placed with the insurer under this contract.
- (4) The producer shall hold all funds collected for the insurer's account in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the Federal Reserve System, in accordance with the provisions of this Chapter as applicable. Funds of a producer who is not required to be licensed in this State shall be maintained in compliance with the requirements of the producer's domiciliary jurisdiction.
- (5) The producer shall maintain separately identifiable records of business written for the insurer.
- (6) The producer shall not assign the contract in whole or in part.
- (7) The insurer shall provide the producer with its underwriting standards, rules and procedures, the manual setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The producer shall adhere to the standards, rules, procedures, rates, and conditions. The standards, rules, procedures, rates, and conditions shall be the same as those applicable to comparable business placed with the insurer by a producer other than a controlling producer.
- (8) The rates and terms of the producer's commissions, charges, or other fees and the purposes for the charges or fees. The rates of the commissions, charges, and other fees shall be no greater than those applicable to comparable business placed with the insurer by producers other than controlling producers. For the purposes of this subdivision and subdivision (7) of this subsection, "comparable business" includes the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business.
- (9) If the contract provides that the producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then the compensation shall not be determined and paid until at least five years after the premiums on liability insurance are earned and at least one year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the insurer's reserves on remaining claims has been independently verified under subsection (g) of this section.
- (10) A limit on the producer's writings in relation to the insurer's surplus and total writings. The insurer may establish a different limit for each line or subline of business. The insurer shall notify the producer when the applicable limit is approached and shall not accept business from the producer if the limit is reached. The producer shall not place business with the insurer if it has been notified by the insurer that the limit has been reached.

(11) The producer may negotiate but shall not bind reinsurance on behalf of the insurer on business the producer places with the insurer; however, the producer may bind facultative reinsurance contracts under obligatory facultative agreements if the producer's contract with the insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which the automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules.

(f) Every controlled insurer shall have an audit committee, consisting of independent directors, of the insurer's board of directors. The audit committee shall meet annually with the insurer's management, the insurer's independent certified public accountants, and an independent casualty actuary or another independent loss reserve specialist acceptable to the Commissioner, to review the adequacy of the insurer's loss reserves.

(g) In addition to any other required loss reserve certification, the controlled insurer shall, on or before April 1 of each year, file with the Commissioner an opinion of an independent casualty actuary or of another independent loss reserve specialist acceptable to the Commissioner, reporting loss ratios for each kind of insurance written and attesting to the adequacy of loss reserves established for losses incurred and outstanding and for incurred but not reported losses as of the end of the prior calendar year on business placed by the producer.

(h) The controlled insurer shall report annually to the Commissioner the amount of commissions paid to the controlling producer, the percentage that amount represents of the net premiums written, and comparable amounts and percentages paid to noncontrolling producers for placements of the same kinds of insurance.

(i) The controlling producer, before the effective date of any policy, shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer: However, if the business is placed through a subproducer who is not a controlling producer, the controlling producer shall retain in the controlling producer's records a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the producer and that the subproducer has or will notify the prospective insured.

(j) If the Commissioner believes that a controlling producer or any other person has not materially complied with this section or with any rule adopted or order issued under this section, after notice and opportunity to be heard, the Commissioner may order the controlling producer to stop placing business with the controlled insurer. If it is found that, because of the material noncompliance, the controlled insurer or any policyholder of the controlled insurer has suffered any loss or damage, the Commissioner may maintain a civil action or intervene in an action brought by or on behalf of the insurer or policyholder for recovery of compensatory damages for the benefit of the insurer or policyholder or other appropriate relief.

(k) If an order for liquidation or rehabilitation of the controlled insurer has been entered under Article 30 of this Chapter, and the receiver appointed under that order believes that the controlling producer or any other person has not materially complied with this section or any rule adopted or order issued under this section, and the insurer suffered any loss or damage therefrom, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer.

(l) In addition to any other remedies provided in this section, whenever the Commissioner believes that a person has not materially complied with this section, the Commissioner may institute a proceeding under G.S. 58-2-60 or under G.S. 58-2-70. In addition to the civil penalty or

restitution proceedings provided for in G.S. 58-2-70, the Commissioner may issue a cease and desist order against the person.

(m) This section does not affect the Commissioner's right to impose any other penalties provided for in this Chapter nor the rights of policyholders, claimants, creditors, or other third parties.

(n) Controlled insurers and controlling producers who are not in compliance with subsection (e) of this section on October 1, 1991, have until December 1, 1991, to come into compliance and shall comply with subsection (i) of this section beginning with all policies written or renewed on or after December 1, 1991. (1991, c. 681, s. 28; c. 720, s. 92; 2014-65, s. 20.)

An insurer shall not impose cost-sharing for emergency services provided under this section that differs from the cost-sharing that would have been imposed if the physician or provider furnishing the services were a provider contracting with the insurer.

- (2) Refuse to issue or deliver a health benefit plan because of genetic information obtained about any person to be insured by the health benefit plan.
- (3) Charge a higher premium rate or charge for a health benefit plan because of genetic information obtained about any person to be insured by the health benefit plan.

(d) Notwithstanding any other provision of this section, a health benefit plan, as defined in G.S. 58-3-167, and insurers, as defined in G.S. 58-3-167, shall comply with all applicable standards of Public Law 110-233, known as the Genetic Information Nondiscrimination Act of 2008, as amended by Public Law 110-343, and as further amended. (1997-350, s. 1; 1997-443, s. 11A.118(b); 2009-382, s. 18; 2019-202, s. 8.)

§ 58-3-220. Mental illness benefits coverage.

(a) Mental Health Equity Requirement. – Except as provided in subsection (b), an insurer shall provide in each group health benefit plan benefits for the necessary care and treatment of mental illnesses that are no less favorable than benefits for physical illness generally, including application of the same limits. For purposes of this subsection, mental illnesses are as diagnosed and defined in the Diagnostic and Statistical Manual of Mental Disorders, DSM-5, or a subsequent edition published by the American Psychiatric Association, except those mental disorders coded in the DSM-5 or subsequent edition as autism spectrum disorder (299.00), substance-related disorders (291.0 through 292.2 and 303.0 through 305.9), those coded as sexual dysfunctions not due to organic disease (302.70 through 302.79), and those coded as "V" codes. For purposes of this subsection, "limits" includes deductibles, coinsurance factors, co-payments, maximum out-of-pocket limits, annual and lifetime dollar limits, and any other dollar limits or fees for covered services.

(b) Minimum Required Benefits. – Except as provided in subsection (c), a group health benefit plan may apply durational limits to mental illnesses that differ from durational limits that apply to physical illnesses. A group health benefit plan shall provide at least the following minimum number of office visits and combined inpatient and outpatient days for all mental illnesses and disorders not listed in subsection (c), as diagnosed and defined in the Diagnostic and Statistical Manual of Mental Disorders, DSM-5, or a subsequent edition published by the American Psychiatric Association, except those mental disorders coded in the DSM-5 or subsequent edition as autism spectrum disorder (299.00), substance-related disorders (291.0 through 292.2 and 303.0 through 305.9), those coded as sexual dysfunctions not due to organic disease (302.70 through 302.79), and those coded as "V" codes:

- (1) Thirty combined inpatient and outpatient days per year.
- (2) Thirty office visits per year.

(c) Durational limits for the following mental illnesses shall be subject to the same limits as benefits for physical illness generally:

- (1) Bipolar Disorder.
- (2) Major Depressive Disorder.
- (3) Obsessive Compulsive Disorder.
- (4) Paranoid and Other Psychotic Disorder.
- (5) Schizoaffective Disorder.
- (6) Schizophrenia.
- (7) Post-Traumatic Stress Disorder.
- (8) Anorexia Nervosa.
- (9) Bulimia.

(d) Nothing in this section prevents an insurer from offering a group health benefit plan that provides greater than the minimum required benefits, as set forth in subsection (b).

(e) Nothing in this section requires an insurer to cover treatment or studies leading to or in connection with sex changes or modifications and related care.

(f) Weighted Average. – If a group health benefit plan contains annual limits, lifetime limits, co-payments, deductibles, or coinsurance only on selected physical illness and injury benefits, and these benefits do not represent substantially all of the physical illness and injury benefits under the group health benefit plan, then the insurer may impose limits on the mental health benefits based on a weighted average of the respective annual, lifetime, co-payment, deductible, or coinsurance limits on the selected physical illness and injury benefits. The weighted average shall be calculated in accordance with rules adopted by the Commissioner.

(g) Nothing in this section prevents an insurer from applying utilization review criteria to determine medical necessity as defined in G.S. 58-50-61 as long as it does so in accordance with all requirements for utilization review programs and medical necessity determinations specified in that section, including the offering of an insurer appeal process and, where applicable, health benefit plan external review as provided for in Part 4 of Article 50 of Chapter 58 of the General Statutes.

(h) Definitions. – As used in this section:

- (1) "Health benefit plan" has the same meaning as in G.S. 58-3-167.
- (2) "Insurer" has the same meaning as in G.S. 58-3-167.
- (3) "Mental illness" has the same meaning as in G.S. 122C-3(21), with a mental disorder defined in the Diagnostic and Statistical Manual of Mental Disorders, DSM-5, or subsequent editions published by the American Psychiatric Association, except those mental disorders coded in the DSM-5 or subsequent editions as autism spectrum disorder (299.00), substance-related disorders (291.0 through 292.9 and 303.0 through 305.9), those coded as sexual dysfunctions not due to organic disease (302.70 through 302.79), and those coded as "V" codes.

(i) Notwithstanding any other provisions of this section, a group health benefit plan that covers both medical and surgical benefits and mental health benefits shall, with respect to the mental health benefits, comply with all applicable standards of Subtitle B of Title V of Public Law 110-343, known as the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008, and the applicable regulations, as amended.

(j) Subsection (i) of this section applies only to a group health benefit plan covering a large employer as defined in G.S. 58-68-25(a)(10). (2007-268, s. 2; 2009-382, s. 19; 2015-271, s. 1.)

§ 58-3-221. Access to nonformulary and restricted access prescription drugs.

(a) If an insurer (i) maintains one or more closed formularies for or restricts access to covered prescription drugs or devices or (ii) requires an enrollee in a plan with an open or closed formulary to use a prescription drug or sequence of prescription drugs, other than the drug the enrollee's health care provider recommends, before the insurer provides coverage for the recommended prescription drug, then the insurer shall do all of the following:

- (1) Develop the formularies or protocols and any restrictions on access to covered prescription drugs or devices in consultation with and with the approval of a pharmacy and therapeutics committee.
- (2) Make available to participating providers, pharmacists, and enrollees the complete drugs or devices formulary or formularies maintained by the insurer including a list of the devices and prescription drugs on the formulary by major therapeutic category that specifies whether a particular drug or device is preferred over other drugs or devices, as well as any utilization management program indicators.
- (3) Update protocols based on a review of new evidence, research, and newly developed treatments.
- (4) An insurer, or a pharmacy benefits manager under contract with an insurer, shall require that its pharmacy and therapeutics committee either meet the requirements for conflict of interest set by the Center for Medicare and

Medicaid Services or meet the accreditation standards of the National Committee for Quality Assurance or another independent accrediting organization.

(b) An insurer may not void a contract or refuse to renew a contract between the insurer and a prescribing provider because the prescribing provider has prescribed a medically necessary and appropriate nonformulary or restricted access drug or device as provided in this section.

(b1) Exception Process. – Each insurer shall establish and maintain an expeditious process or procedure, published on either the insurer's Web site or in policies provided to health care providers, that allows an enrollee or the enrollee's prescribing provider acting on behalf of the enrollee to obtain, without penalty or additional cost-sharing beyond that provided for in the health benefit plan, coverage for a specific nonformulary drug or device or the drug requested by the prescribing provider, if it is determined to be medically necessary and appropriate by the enrollee's prescribing provider and the prescription drug is covered under the current health benefit plan. [The following provisions apply:]

(1) An insurer shall grant an exception request if the prescribing provider's submitted justification and supporting clinical documentation are sufficient to demonstrate any of the following:

- a. The enrollee has tried the alternate drug or drugs while covered by the current or the previous health benefit plan.
- b. The formulary or alternate drug or drugs has been ineffective in the treatment of the enrollee's disease or condition.
- c. The formulary or alternate drug or drugs causes or is reasonably expected by the prescribing provider to cause a harmful or adverse clinical reaction in the enrollee.
- d. Either (i) the drug is prescribed in accordance with any applicable clinical protocol of the insurer for the prescribing of the drug or (ii) the drug has been approved as an exception to the clinical protocol pursuant to the insurer's exception procedure.
- e. The enrollee's prescribing provider certifies in writing that the enrollee has previously used an alternative nonrestricted access drug or device and the alternative drug or device has been detrimental to the enrollee's health or has been ineffective in treating the same condition and, in the opinion of the prescribing health care provider, is likely to be detrimental to the enrollee's health or ineffective in treating the condition again.

(2) Nothing in this section shall preclude an insurer from requiring prior authorization for the coverage of a prescribed drug that was covered by the enrollee's previous health benefit plan.

(b2) Pharmaceutical drug samples or patient incentive programs, including coupons or debit cards, shall not be considered trial and failure of a preferred prescription drug in lieu of trying the formulary-preferred prescription drug.

(b3) Exception Process Requirements. –

(1) The insurer, health benefit plan, or utilization review organization may request relevant documentation from the patient or health care provider to support the exception request. Relevant information includes the results of any patient examination, clinical evaluation, or second opinion that may be required.

- (2) A licensed physician or licensed pharmacist shall evaluate the clinical appropriateness of the exception request.
- (3) For nonurgent exception requests for a prospective or concurrent review:
 - a. The insurer shall communicate to the enrollee's health care provider if additional information is required within 72 hours after the insurer receives the exception request.
 - b. The insurer shall communicate an exception request determination to the enrollee's providers within 72 hours after receiving all relevant information.
- (4) In the case of an urgent review:
 - a. The insurer shall communicate to the enrollee's health care provider if additional information is required within 24 hours after the insurer receives the exception request.
 - b. The insurer shall communicate an exception request determination to the enrollee's providers within 24 hours after receiving all relevant information.
- (c) As used in this section:
 - (1) "Closed formulary" means a list of prescription drugs and devices reimbursed by the insurer that excludes coverage for drugs and devices not listed.
 - (1a) "Health benefit plan" has definition provided in G.S. 58-3-167.
 - (2) "Insurer" has the meaning provided in G.S. 58-3-167.
 - (3) "Restricted access drug or device" means those covered prescription drugs or devices for which reimbursement by the insurer is conditioned on the insurer's prior approval to prescribe the drug or device or on the provider prescribing one or more alternative drugs or devices before prescribing the drug or device in question.
- (d) Nothing in this section requires an insurer to pay for drugs or devices or classes of drugs or devices related to a benefit that is specifically excluded from coverage by the insurer.
- (e) This section shall not be construed to prevent the health benefit plan from requiring an enrollee to try an A-rated generic equivalent drug, or a biosimilar, as defined under 42 U.S.C. § 262(i)(2), prior to providing coverage for the equivalent branded prescription drug. (1999-178, s. 1; 1999-294, s. 14(a), (b); 2001-446, s. 1.5; 2020-82, s. 4(a).)

§ 58-3-223. Managed care access to specialist care.

- (a) Each insurer offering a health benefit plan that does not allow direct access to all in-plan specialists shall develop and maintain written policies and procedures by which an insured may receive an extended or standing referral to an in-plan specialist. The insurer shall provide for an extended or standing referral to a specialist if the insured has a serious or chronic degenerative, disabling, or life-threatening disease or condition, which in the opinion of the insured's primary care physician, in consultation with the specialist, requires ongoing specialty care. The extended or standing referral shall be for a period not to exceed 12 months and shall be made under a treatment plan coordinated with the insurer in consultation with the primary care physician, the specialist, and the insured or the insured's designee.
- (b) As used in this section:
 - (1) "Health benefit plan" has the meaning applied in G.S. 58-3-167.
 - (2) "Insurer" has the meaning applied in G.S. 58-3-167.

- (3) "Serious or chronic degenerative, disabling, or life-threatening disease or condition" means a disease or condition, which in the opinion of the patient's treating primary care physician and specialist, requires frequent and periodic monitoring and consultation with the specialist on an ongoing basis.
- (4) "Specialist" includes a subspecialist. (1999-168, s. 1; 2001-446, s. 1.2.)

§ 58-3-225. Prompt claim payments under health benefit plans.

(a) As used in this section:

- (1) "Claimant" includes a health care provider or facility that is responsible or permitted under contract with the insurer or by valid assignment of benefits for directly making the claim with an insurer.
- (2) "Health benefit plan" means an accident and health insurance policy or certificate; a nonprofit hospital or medical service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to that act provided under federal law or regulation. "Health benefit plan" does not mean any plan implemented or administered by the North Carolina or United States Department of Health and Human Services, or any successor agency, or its representatives. "Health benefit plan" also does not mean any of the following kinds of insurance:
 - a. Credit.
 - b. Disability income.
 - c. Coverage issued as a supplement to liability insurance.
 - d. Hospital income or indemnity.
 - e. Insurance under which benefits are payable with or without regard to fault and that is statutorily required to be contained in any liability policy or equivalent self-insurance.
 - f. Long-term or nursing home care.
 - g. Medical payments under motor vehicle or homeowners' insurance policies.
 - h. Medicare supplement.
 - i. Short-term limited duration health insurance policies as defined in Part 144 of Title 45 of the Code of Federal Regulations.
 - j. Workers' compensation.
- (3) "Health care facility" means a facility that is licensed under Chapter 131E or Chapter 122C of the General Statutes or is owned or operated by the State of North Carolina in which health care services are provided to patients.
- (4) "Health care provider" means an individual who is licensed, certified, or otherwise authorized under Chapter 90 or 90B of the General Statutes or under the laws of another state to provide health care services in the ordinary course of business or practice of a profession or in an approved education or training program.
- (5) "Insurer" includes an insurance company subject to this Chapter, a service corporation organized under Article 65 of this Chapter, a health maintenance

organization organized under Article 67 of this Chapter, or a multiple employer welfare arrangement subject to Article 50A of this Chapter, that writes a health benefit plan.

(b) An insurer shall, within 30 calendar days after receipt of a claim, send by electronic or paper mail to the claimant:

- (1) Payment of the claim.
- (2) Notice of denial of the claim.
- (3) Notice that the proof of loss is inadequate or incomplete.
- (4) Notice that the claim is not submitted on the form required by the health benefit plan, by the contract between the insurer and health care provider or health care facility, or by applicable law.
- (5) Notice that coordination of benefits information is needed in order to pay the claim.
- (6) Notice that the claim is pending based on nonpayment of fees or premiums.

For purposes of this section, an insurer is presumed to have received a written claim five business days after the claim has been placed first-class postage prepaid in the United States mail addressed to the insurer or an electronic claim transmitted to the insurer or a designated clearinghouse on the day the claim is electronically transmitted. The presumption may be rebutted by sufficient evidence that the claim was received on another day or not received at all.

(c) If the claim is denied, the notice shall include all of the specific good faith reason or reasons for the denial, including, without limitation, coordination of benefits, lack of eligibility, or lack of coverage for the services provided. If the claim is contested or cannot be paid because the proof of loss is inadequate or incomplete, or not paid pending receipt of requested coordination of benefits information, the notice shall contain the specific good faith reason or reasons why the claim has not been paid and an itemization or description of all of the information needed by the insurer to complete the processing of the claim. If all or part of the claim is contested or cannot be paid because of the application of a specific utilization management or medical necessity standard is not satisfied, the notice shall contain the specific clinical rationale for that decision or shall refer to specific provisions in documents that are made readily available through the insurer which provide the specific clinical rationale for that decision; however, if a notice of noncertification has already been provided under G.S. 58-50-61(h), then the specific clinical rationale for the decision is not required under this subsection. If the claim is contested or cannot be paid because of nonpayment of premiums, the notice shall contain a statement advising the claimant of the nonpayment of premiums. If a claim is not paid pending receipt of requested coordination of benefits information, the notice shall so specify. If a claim is denied or contested in part, the insurer shall pay the undisputed portion of the claim within 30 calendar days after receipt of the claim and send the notice of the denial or contested status within 30 days after receipt of the claim. If a claim is contested or cannot be paid because the claim was not submitted on the required form, the notice shall contain the required form, if the form is other than a UB or HCFA form, and instructions to complete that form. Upon receipt of additional information requested in its notice to the claimant, the insurer shall continue processing the claim and pay or deny the claim within 30 days after receiving the additional information.

(d) If an insurer requests additional information under subsection (c) of this section and the insurer does not receive the additional information within 90 days after the request was made, the insurer shall deny the claim and send the notice of denial to the claimant in accordance with subsection (c) of this section. The insurer shall include the specific reason or reasons for denial in

the notice, including the fact that information that was requested was not provided. The insurer shall inform the claimant in the notice that the claim will be reopened if the information previously requested is submitted to the insurer within one year after the date of the denial notice closing the claim.

(e) Health benefit plan claim payments that are not made in accordance with this section shall bear interest at the annual percentage rate of eighteen percent (18%) beginning on the date following the day on which the claim should have been paid. If additional information was requested by the insurer under subsection (b) of this section, interest on health benefit claim payments shall begin to accrue on the 31st day after the insurer received the additional information. A payment is considered made on the date upon which a check, draft, or other valid negotiable instrument is placed in the United States Postal Service in a properly addressed, postpaid envelope, or, if not mailed, on the date of the electronic transfer or other delivery of the payment to the claimant. This subsection does not apply to claims for benefits that are not covered by the health benefit plan; nor does this subsection apply to deductibles, co-payments, or other amounts for which the insurer is not liable.

(f) Insurers may require that claims be submitted within 180 days after the date of the provision of care to the patient by the health care provider and, in the case of health care provider facility claims, within 180 days after the date of the patient's discharge from the facility. However, an insurer may not limit the time in which claims may be submitted to fewer than 180 days. Unless otherwise agreed to by the insurer and the claimant, failure to submit a claim within the time required does not invalidate or reduce any claim if it was not reasonably possible for the claimant to file the claim within that time, provided that the claim is submitted as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, later than one year from the time submittal of the claim is otherwise required.

(g) If a claim for which the claimant is a health care provider or health care facility has not been paid or denied within 60 days after receipt of the initial claim, the insurer shall send a claim status report to the insured. Provided, however, that the claims status report is not required during the time an insurer is awaiting information requested under subsection (c) of this section. The report shall indicate that the claim is under review and the insurer is communicating with the health care provider or health care facility to resolve the matter. While a claim remains unresolved, the insurer shall send a claim status report to the insured with a copy to the provider 30 days after the previous report was sent.

(h) Subject to the time lines required under this section, the insurer may recover overpayments made to the health care provider or health care facility by making demands for refunds and by offsetting future payments. Any such recoveries may also include related interest payments that were made under the requirements of this section. Not less than 30 calendar days before an insurer seeks overpayment recovery or offsets future payments, the insurer shall give written notice to the health care provider or health care facility, which notice shall be accompanied by adequate specific information to identify the specific claim and the specific reason for the recovery. The recovery of overpayments or offsetting of future payments shall be made within the two years after the date of the original claim payment unless the insurer has reasonable belief of fraud or other intentional misconduct by the health care provider or health care facility or its agents, or the claim involves a health care provider or health care facility receiving payment for the same service from a government payor. The health care provider or health care facility may recover underpayments or nonpayments by the insurer by making demands for refunds. Any such recoveries by the health care provider or health care facility of underpayments or nonpayment by

the insurer may include applicable interest under this section. The recovery of underpayments or nonpayments shall be made within the two years after the date of the original claim adjudication, unless the claim involves a health provider or health care facility receiving payment for the same service from a government payor.

(i) Every insurer shall maintain written or electronic records of its activities under this section, including records of when each claim was received, paid, denied, or pending, and the insurer's review and handling of each claim under this section, sufficient to demonstrate compliance with this section.

(j) A violation of this section by an insurer subjects the insurer to the sanctions in G.S. 58-2-70. The authority of the Commissioner under this subsection does not impair the right of a claimant to pursue any other action or remedy available under law. With respect to a specific claim, an insurer paying statutory interest in good faith under this section is not subject to sanctions for that claim under this subsection.

(k) An insurer is not in violation of this section nor subject to interest payments under this section if its failure to comply with this section is caused in material part by (i) the person submitting the claim, or (ii) by matters beyond the insurer's reasonable control, including an act of God, insurrection, strike, fire, or power outages. In addition, an insurer is not in violation of this section or subject to interest payments to the claimant under this section if the insurer has a reasonable basis to believe that the claim was submitted fraudulently and notifies the claimant of the alleged fraud.

(l) Expired January 1, 2003.

(m) Nothing in this section limits or impairs the patient's liability under existing law for payment of medical expenses. (2000-162, s. 4(a); 2001-417, s. 1; 2007-362, s. 1; 2009-382, s. 16; 2019-202, s. 8.)

§ 58-3-227. Health plans fee schedules.

(a) Definitions. – As used in this section, the following terms mean:

- (1) Claim submission policy. – The procedure adopted by an insurer and used by a provider or facility to submit to the insurer claims for services rendered and to seek reimbursement for those services.
- (2) Health care facility or facility. – A facility that is licensed under Chapter 131E or Chapter 122C of the General Statutes or is owned or operated by the State of North Carolina in which health care services are provided to patients.
- (3) Health care provider or provider. – An individual who is licensed, certified, or otherwise authorized under Chapter 90 or Chapter 90B of the General Statutes or under the laws of another state to provide health care services in the ordinary course of business or practice of a profession or in an approved education or training program.
- (4) Insurer. – An entity that writes a health benefit plan and that is an insurance company subject to this Chapter, a service corporation under Article 65 of this Chapter, a health maintenance organization under Article 67 of this Chapter, or a multiple employer welfare arrangement under Article 50A of this Chapter.
- (5) Reimbursement policy. – Information relating to payment of providers and facilities including policies on the following:
 - a. Claims bundling and other claims editing processes.
 - b. Recognition or nonrecognition of CPT code modifiers.

- c. Downcoding of services or procedures.
 - d. The definition of global surgery periods.
 - e. Multiple surgical procedures.
 - f. Payment based on the relationship of procedure code to diagnosis code.
- (6) Schedule of fees. – CPT, HCPCS, ICD-9-CM codes, ICD-10-CM codes, ASA codes, modifiers, and other applicable codes for the procedures billed for that class of provider.

(b) Purpose. – The purpose of this section is to establish the minimum required provisions for the disclosure and notification of an insurer's schedule of fees, claims submission, and reimbursement policies to health care providers and health care facilities. Nothing in this section shall supercede (i) the schedule of fees, claim submission, and reimbursement policy terms in an insurer's contract with a provider or facility that exceed the minimum requirements of this section nor (ii) any contractual requirement for mutual written consent of changes to reimbursement policies, claims submission policies, or fees. Nothing in this section shall prevent an insurer from requiring that providers and facilities keep confidential, and not disclose to third parties, the information that an insurer must provide under this section.

(c) Disclosure of Fee Schedules. – An insurer shall make available to contracted providers the following information:

- (1) The insurer's schedule of fees associated with the top 30 services or procedures most commonly billed by that class of provider, and, upon request, the full schedule of fees for services or procedures billed by that class of provider, in accordance with subdivision (3) of this subsection.
- (2) In the case of a contract incorporating multiple classes of providers, the insurer's schedule of fees associated with the top 30 services or procedures most commonly billed for each class of provider, and, upon request, the full schedule of fees for services or procedures billed for each class of provider, in accordance with subdivision (3) of this subsection.
- (3) If a provider requests fees for more than 30 services and procedures, the insurer may require the provider to specify the additional requested services and procedures and may limit the provider's access to the additional schedule of fees to those associated with services and procedures performed by or reasonably expected to be performed by the provider. The insurer may also limit the frequency of requests for the additional codes by each provider, provided that such additional codes will be made available upon request at least annually and at any time there are changes for which notification is required pursuant to subsection (f) of this section.

(d) Disclosure of Policies. – An insurer shall make available to contracted providers and facilities a description of the insurer's claim submission and reimbursement policies.

(e) Availability of Information. – Insurers shall notify contracted providers and facilities in writing of the availability of information required or authorized to be provided under this section. An insurer may satisfy this requirement by indicating in the contract with the provider the availability of this information or by providing notice in a manner authorized under subsection (f) of this section for notification of changes.

(f) Notification of Changes. – Insurers shall provide advance notice to providers and facilities of changes to the information that insurers are required to provide under this section. The notice period for a change in the schedule of fees, reimbursement policies, or submission of claims

policies shall be the contractual notice period, but in no event shall the notices be given less than 30 days prior to the change. An insurer is not required to provide advance notice of changes to the information required under this section if the change has the effect of increasing fees, expanding health benefit plan coverage, or is made for patient safety considerations, in which case, notification of the changes may be made concurrent with the implementation of the changes. Information and notice of changes may be provided in the medium selected by the insurer, including an electronic medium. However, the insurer must inform the affected contracted provider or facility of the notification method to be used by the insurer and, if the insurer uses an electronic medium to provide notice of changes required under this section, the insurer shall provide clear instructions regarding how the provider or facility may access the information contained in the notice.

(g) Reference Information. – If an insurer references source information that is the basis for a schedule of fees, reimbursement policy, or claim submission policy, and the source information is developed independently of the insurer, the insurer may satisfy the requirements of this section by providing clear instructions regarding how the provider or facility may readily access the source information or by providing for actual access if agreed to in the contract between the insurer and the provider.

(h) Contract Negotiations. – When an insurer offers a contract to a provider, the insurer shall also make available its schedule of fees associated with the top 30 services or procedures most commonly billed by that class of provider. Upon the request of a provider, the insurer shall also make available the full schedule of fees for services or procedures billed by that class of provider or for each class of provider in the case of a contract incorporating multiple classes of providers. If a provider requests fees for more than 30 services and procedures, the insurer may require the provider to specify the additional requested services and procedures and may limit the provider's access to the additional schedule of fees to those associated with services and procedures performed by or reasonably expected to be performed by the provider.

(i) Expired pursuant to Session Laws 2003-364, s. 3, effective January 1, 2005. (2003-369, s. 1; 2017-205, s. 1; 2019-202, s. 8.)

§ 58-3-228. Coverage for extra prescriptions during a state of emergency or disaster.

(a) All health benefit plans as defined in G.S. 58-3-167, the State Health Plan for Teachers and State Employees, and any optional plans or programs operating under Part 2 of Article 3 of Chapter 135 of the General Statutes, and other stand-alone prescription medication plans issued by entities that are licensed by the Department shall have, when an event described in subdivision (b)(1) of this section occurs and the requirements of subdivisions (b)(2) and (b)(3) of this section are satisfied, a procedure in place to waive time restrictions on filling or refilling prescriptions for medication if requested by the covered person or subscriber. The procedure shall include waiver or override of electronic "refill too soon" edits to pharmacies and shall include provision for payment to the pharmacy in accordance with the prescription benefit plan and applicable pharmacy provider agreement. The procedure shall enable covered persons or subscribers to:

- (1) Obtain one refill on a prescription if there are authorized refills remaining, or
- (2) Fill one replacement prescription for one that was recently filled, as prescribed or approved by the prescriber of the prescription that is being replaced and not contrary to the dispensing authority of the dispensing pharmacy.

(b) All entities subject to this section shall authorize payment to pharmacies for any prescription dispensed in accordance with subsection (a) of this section regardless of the date upon

which the prescription had most recently been filled by a pharmacist, if all of the following conditions apply:

- (1) The Commissioner issues a Bulletin Advisory notifying all insurance carriers licensed in this State of a declared state of disaster or state of emergency in North Carolina. The Department shall provide a copy of the Bulletin to the North Carolina Board of Pharmacy.
- (2) The covered person requesting coverage of the refill or replacement prescription resides in a county that:
 - a. Is covered under a state of emergency issued by the Governor or General Assembly under G.S. 166A-19.20, or a declaration of major disaster issued by the President of the United States under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121, et seq., as amended; or
 - b. Repealed by Session Laws 2012-12, s. 2(k), effective October 1, 2012.
- (3) The prescription medication is requested within 29 days after the origination date of the conditions stated in subdivision (b)(1) of this section.
 - (c) The time period for the waiver of prescription medication refills may be extended in 30-day increments by an order issued by the Commissioner.  - (e) Quantity limitations shall be consistent with the original prescription and the extra or replacement fill may recognize proportionate dosage use prior to the disaster.
 - (f) No requirements additional to those under the pharmacy provider agreement or the prescription benefit plan may be placed upon the provider for coverage of the replacement fill or extra fill.

§ 58-3-230. Uniform provider credentialing.

(a) An insurer that provides a health benefit plan and that credentials providers for its networks shall maintain a process to assess and verify the qualifications of a licensed health care practitioner within 60 days of receipt of a completed provider credentialing application form approved by the Commissioner. If the insurer has not approved or denied the provider credentialing application form within 60 days of receipt of the completed application, upon receipt of a written request from the applicant and within five business days of its receipt, the insurer shall issue a temporary credential to the applicant if the applicant has a valid North Carolina professional or occupational license to provide the health care services to which the credential would apply. The insurer shall not issue a temporary credential if the applicant has reported on the application a history of medical malpractice claims, a history of substance abuse or mental health issues, or a history of Medical Board disciplinary action. The temporary credential shall be effective upon issuance and shall remain in effect until the provider's credentialing application is approved or denied by the insurer. When a health care practitioner joins a practice that is under contract with an insurer to participate in a health benefit plan, the effective date of the health care practitioner's

participation in the health benefit plan network shall be the date the insurer approves the practitioner's credentialing application.

(b) The Commissioner shall by rule adopt a uniform provider credentialing application form that will provide health benefit plans with the information necessary to adequately assess and verify the qualifications of an applicant. The Commissioner may update the uniform provider credentialing application form, as necessary. No insurer that provides a health benefit plan may require an applicant to submit information that is not required by the uniform provider credentialing application form.

(c) As used in this section, the terms "health benefit plan" and "insurer" shall have the meaning provided under G.S. 58-3-167. (2001-172, s. 1; 2002-126, s. 6.9(a); 2005-223, s. 9; 2009-487, s. 1.)

(b) An insurer that provides a health benefit plan shall establish and maintain a process to allow a patient's regular physician to submit a claim and, if the claim is accepted, receive payment for covered visit services that the regular physician or a locum tenens agency arranges to be provided by a locum tenens physician, provided the following are true:

- (4) The regular physician identifies the covered visit services as locum tenens physician services meeting the requirements of this section by entering the proper code required by the insurer after the procedure code.
- (5) The regular physician pays for the locum tenens physician's covered visit services on a per diem or similar fee-for-time basis.
- (6) The regular physician maintains a record of each covered visit service provided by the locum tenens physician and makes this record available to the insurer upon request.

(c) A medical group or hospital may submit claims for the covered visit services of a locum tenens physician substituting for a regular physician who is a member of the group or an employee of the hospital if the requirements of subsection (b) of this section are met. For purposes of these requirements, per diem or similar fee-for-time compensation that the group or hospital pays for the locum tenens physician is considered paid by the regular physician. A physician who has left the group and for whom the group has engaged a locum tenens physician as a temporary replacement may bill for the temporary physician for up to 90 consecutive days.

(d) An insurer shall allow a locum tenens physician credentialed with that insurer to substitute for a regular physician in accordance with this section without a statement of supervision if (i) the regular physician is a solo practitioner or (ii) there is not otherwise a regular physician who is able to provide a statement of supervision.

(e) Locum tenens agencies may contract with regular physicians, medical groups, hospitals, and locum tenens physicians to provide placement and administrative services related to the locum tenens substitution, provided the following are true:

§ 58-3-235. Selection of specialist as primary care provider.

(a) Each insurer that offers a health benefit plan shall have a procedure by which an insured diagnosed with a serious or chronic degenerative, disabling, or life-threatening disease or condition, either of which requires specialized medical care may select as his or her primary care physician a specialist with expertise in treating the disease or condition who shall be responsible for and capable of providing and coordinating the insured's primary and specialty care. If the insurer determines that the insured's care would not be appropriately coordinated by that specialist, the insurer may deny access to that specialist as a primary care provider.

(b) The selection of the specialist shall be made under a treatment plan approved by the insurer, in consultation with the specialist and the insured or the insured's designee and after notice to the insured's primary care provider, if any. The specialist may provide ongoing care to the insured and may authorize such referrals, procedures, tests, and other medical services as the insured's primary care provider would otherwise be allowed to provide or authorize, subject to the terms of the treatment plan. Services provided by a specialist who is providing and coordinating primary and specialty care remain subject to utilization review and other requirements of the insurer, including its requirements for primary care providers. (2001-446, s. 1.3.)

§ 58-3-240. Direct access to pediatrician for minors.

Each insurer offering a health benefit plan that uses a network of contracting health care providers shall allow an insured to choose a contracting pediatrician in the network as the primary care provider for the insured's children under the age of 18 and covered under the policy. (2001-446, s. 1.4.)

§ 58-3-245. Provider directories; cost tools for insured.

listing no less frequently than once a year. In addition, every health benefit plan shall maintain a telephone system and may maintain an electronic or on-line system through which insureds can access up-to-date network information. The health benefit plan shall ensure that a patient is provided accurate and current information on each provider's network status through the telephone system and any electronic or online system. If the health benefit plan produces printed directories, the directories shall contain language disclosing the date of publication, frequency of updates, that the directory listing may not contain the latest network information, and contact information for accessing up-to-date network information.

(b) Each directory listing shall include the following network information:

 - a. Is or is not currently accepting new patients.
 - b. Has any other restrictions that would limit an insured's access to that provider.

(c) The directory listing shall include all of the types of participating providers. Upon a participating provider's written request, the insurer shall also list in the directory, as part of the participating provider's listing, the names of any allied health professionals who provide primary care services under the supervision of the participating provider and whose services are covered by virtue of the insurer's contract with the supervising participating provider and whose credentials have been verified by the supervising participating provider. These allied health professionals shall be listed as a part of the directory listing for the participating provider upon receipt of a certification by the supervising participating provider that the credentials of the allied health professional have been verified consistent with the requirements for the type of information required to be verified under G.S. 58-3-230.

(d) A health care provider shall provide to a patient or prospective patient, upon request, information on that provider's network status with a particular health benefit plan. (2001-446, s. 2.2; 2013-382, s. 13.4.)

(b) The insurance identification card must be designed such that if the card is photocopied or electronically scanned, the resulting image is clearly legible. The identification card must present the information in a readily identifiable manner or, alternatively, the information may be embedded on the card and available through magnetic stripe or smart card. The information may also be provided through other electronic technology. (2007-362, s. 2; 2021-30, s. 1(a).)

§ 58-3-250. Payment obligations for covered services.

(a) If an insurer calculates a benefit amount for a covered service under a health benefit plan through a method other than a fixed dollar co-payment, the insurer shall clearly explain in its evidence of coverage and plan summaries how it determines its payment obligations and the payment obligations of the insured. The explanation shall include:

- (1) An example of the steps the insurer would take in calculating the benefit amount and the payment obligations of each party.
- (2) Whether the insurer has obtained the agreement of health care providers not to bill an insured for any amounts by which a provider's charge exceeds the insurer's recognized charge for a covered service and whether the insured may be liable for paying any excess amount.
- (3) Which party is responsible for filing a claim or bill with the insurer.

(b) If an insured is liable for an amount that differs from a stated fixed dollar co-payment or may differ from a stated coinsurance percentage because the coinsurance amount is based on a plan allowance or other such amount rather than the actual charges and providers are permitted to balance bill the insured, the evidence of coverage, plan summaries, and marketing and advertising materials that include information on benefit levels shall contain the following statement: "NOTICE: Your actual expenses for covered services may exceed the stated [coinsurance percentage or co-payment amount] because actual provider charges may not be used to determine

[plan/insurer or similar term] and [insured/member/enrollee or similar term] payment obligations." (2001-446, s. 2.3.)

§ 58-3-255. Coverage of clinical trials.

(a) As used in this section:

(1) "Covered clinical trials" means phase II, phase III, and phase IV patient research studies designed to evaluate new treatments, including prescription drugs, and that: (i) involve the treatment of life-threatening medical conditions, (ii) are medically indicated and preferable for that patient compared to available noninvestigational treatment alternatives, and (iii) have clinical and preclinical data that shows the trial will likely be more effective for that patient than available noninvestigational alternatives. Covered clinical trials must also meet the following requirements:

- a. Must involve determinations by treating physicians, relevant scientific data, and opinions of experts in relevant medical specialties.
- b. Must be trials approved by centers or cooperative groups that are funded by the National Institutes of Health, the Food and Drug Administration, the Centers for Disease Control, the Agency for Health Care Research and Quality, the Department of Defense, or the Department of Veterans Affairs. (c) Only medically necessary costs of health care services, as defined in G.S. 58-50-61, associated with participation in a covered clinical trial, including those related to health care services typically provided absent a clinical trial, the diagnosis and treatment of complications, and medically necessary monitoring, are required to be covered by the health benefit plan and only to the extent that such costs have not been or are not funded by national agencies, commercial manufacturers, distributors, or other research sponsors of participants in clinical trials. Nothing in this section shall be construed to require a health benefit plan to pay or reimburse for non-FDA approved drugs provided or made available to a patient who received the drug during a covered clinical trial after the clinical trial has been discontinued.

(d) Clinical trial costs not required to be covered by a health benefit plan include the costs of services that are not health care services, those provided solely to satisfy data collection and analysis needs, those related to investigational drugs and devices, and those that are not provided for the direct clinical management of the patient. In the event a claim contains charges related to services for which coverage is required under this section, and those charges have not been or cannot be separated from costs related to services for which coverage is not required under this section, the health benefit plan may deny the claim. (2001-446, s. 3.1.)

 - b. Providing monetary or nonmonetary incentives to a health care provider.
- (4) Reduce or limit health benefit plan coverage benefits to an insured for any services related to organ transplantation performed determined to be necessary in consultation with the attending physician and the insured.

(d) In the case of a health benefit plan maintained pursuant to one or more collective bargaining agreements between employee representatives and one or more employers, any amendment to the health benefit plan made pursuant to a collective bargaining agreement solely to conform to this section shall not be treated as a termination of the collective bargaining agreement.

If the insurer's qualified actuary estimates that the expected impact on future annual premiums of ceasing sales of the policy form(s) exceeds five percent (5%) per annum, then the insurer shall comply with the requirements of subdivision (3) of this subsection. If each subsequent annual premium rate filing results in an approved annual premium rate increase no greater than the last premium rate increase approved when the block of insurance was open, plus five percent (5%) per annum, then the insurer shall not be required to comply with the requirements of subdivision (3) of this subsection. If any subsequent annual premium rate filing results in an approved premium rate increase in excess of five percent (5%) per annum more than the last premium rate increase approved while the block of insurance was open, then the insurer shall comply with the requirements of subdivision (3) of this subsection at the time the filing is approved, unless the insurer can demonstrate

For the securities so deposited the faith of the State is pledged that they shall be returned to the companies entitled to receive them or disposed of as herein provided for. In addition to other requirements of this Chapter, all foreign life insurance companies shall deposit securities, as specified in G.S. 58-5-20, that have a market value of four hundred thousand dollars (\$400,000) as a prerequisite of doing business in this State. All foreign life insurance companies shall deposit an additional two hundred thousand dollars (\$200,000) where such companies cannot show three years of net income before being licensed in this State. (1989, c. 485, s. 35; 2003-212, s. 3; 2005-215, s. 3; 2008-124, s. 2.1.)

§ 58-5-60: Repealed by Session Laws 1995, c. 193, s. 8.

§ 58-5-63. Interest; liquidation of deposits for liabilities.

(a) All insurance companies making deposits under this Article are entitled to interest on those deposits. The right to interest is subject to a company paying its insurance policy liabilities. If

any company fails to pay those liabilities, interest accruing after the failure is payable to the Commissioner for the payment of those liabilities under subsection (b) of this section.

(b) If any company fails to pay its insurance policy liabilities after those liabilities have been established by settlement or final adjudication, the Commissioner may liquidate the amount of the company's deposit and accrued interest specified in subsection (a) of this section that will satisfy the company's policy liabilities and make payment to the person to whom the liability is owed. After payment has been made, the Commissioner may require the company to deposit the amount paid out under this subsection. As used in this section, "insurance policy" includes a policy written by a surety bondsman under Article 71 of this Chapter.

(c) Notwithstanding the provisions of G.S. 58-5-70, if any company that is or has been the subject of supervision or rehabilitation proceedings fails to pay its liabilities for temporary disability payments or emergency medical expenses under policies of workers' compensation insurance, the Commissioner shall liquidate the company's deposits and accrued interest and shall use the proceeds to pay such liabilities until that company becomes the subject of a final order of liquidation with a finding of insolvency that has not been stayed or been the subject of a writ of supersedeas or other comparable order. The Commissioner also may enter into one or more contracts to handle the administration of the identification and payment of such liabilities, and to the extent such a contract is entered into, the contractor and its employees, agents, and attorneys, shall have immunity of the same scope and extent as an employee of the State acting in the course and scope of the public duties of such employment. After an order of liquidation with a finding of insolvency has been entered by a court of competent jurisdiction that has not been stayed or been the subject of a writ of supersedeas or other comparable order, then the balance of the proceeds, if any, shall be delivered to the North Carolina Insurance Guaranty Association in accordance with G.S. 58-48-95. To the extent that any payment made hereunder reduces the ratable amount payable to policyholders under G.S. 58-5-70, the liens obtained by the North Carolina Insurance Guaranty Association pursuant to Article 48 of this Chapter shall be reduced to such extent as necessary to permit the policyholders to be paid the ratable share that would have been due but for such payments. (1995, c. 193, s. 11; 1999-294, s. 8; 2001-223, s. 23.2; 2002-185, s. 8.)

Articles 1 through 64 of this Chapter may be cited and shall be known as the Insurance Law.
(1899, c. 54; Rev., s. 4677; C.S., s. 6260.)

§ 58-5-65: Repealed by Session Laws 1995, c. 193, s. 8.

§ 58-5-70. Lien of policyholders; action to enforce.

Upon the securities deposited with the Commissioner by any foreign or alien insurance company, the holders of all contracts of the company who are citizens or residents of this State at the time, or who hold policies issued upon property in the State, shall have a lien for amounts in excess of fifty dollars (\$50.00) due them, respectively, under or in consequence of the contracts for losses, equitable values, return premiums, or otherwise, and shall be entitled to be paid ratably out of the proceeds of the securities, if the proceeds are not sufficient to pay all of the contract holders. When any foreign or alien insurance company depositing securities under this Article becomes insolvent or bankrupt or makes an assignment for the benefit of its creditors, any holder of the contract may begin an action in the Superior Court of the County of Wake to enforce the lien for the benefit of all the holders of the contracts. The Commissioner shall be a party to the suit, and the funds shall be distributed by the court, but the cost of the action shall not be adjudged against the

Commissioner. (1909, c. 923, s. 4; C.S., s. 6445; 1991, c. 720, s. 4; 1995, c. 193, s. 12; 2001-223, s. 24.1; 2001-487, s. 103(a).)

§ 58-5-71. Liens of policyholders; subordination.

Liens against the deposit of a foreign insurer under G.S. 58-5-70 shall be subordinated to the reasonable and necessary expenses of the Commissioner in liquidating the deposit and paying the special deposit claims. "Special deposit claims" has the same meaning set forth in G.S. 58-30-10(19). (1993 (Reg. Sess., 1994), c. 678, s. 7; 2008-124, s. 2.4.)

§ 58-5-75. Substitution for securities paid.

Where the principal of any of the securities so deposited is paid to the Commissioner, he shall notify the company or its agent in this State, and pay the money so received to the company upon receiving other securities of the character named in this Article to an equal amount, or, upon the failure of the company for 30 days after receiving notice to deliver such securities to an equal amount to the Commissioner, he may invest the money in any such securities and hold the same as he held those which were paid. (1909, c. 923, s. 5; C.S., s. 6446; 1991, c. 720, s. 4.)

§ 58-5-80. Return of deposits.

If such company ceases to do business in this State and its liabilities, whether fixed or contingent upon its contracts, to persons residing in this State or having policies upon property situated in this State have been satisfied or have been terminated, or have been fully reinsured, with the approval of the Commissioner, in a solvent company licensed to do an insurance business in North Carolina approved by the Commissioner, upon satisfactory evidence of this fact to the Commissioner the State Treasurer or the trustee selected pursuant to G.S. 58-5-1 shall deliver to such company, upon the order of the Commissioner, the securities in his possession belonging to it, or such of them as remain after paying the liabilities aforesaid. (1909, c. 923, s. 6; C.S., s. 6447; 1951, c. 781, s. 1; 1985, c. 666, s. 57; 1991, c. 720, s. 4.)

§ 58-5-85: Repealed by Session Laws 1991, c. 681, s. 21.

§ 58-5-90. Deposits held in trust by Commissioner or Treasurer.

(a) Deposits by Domestic Company. – The Commissioner or the Treasurer, in that officer's official capacity, shall take and hold in trust deposits made by any domestic insurance company for the benefit of all of the insurer's policyholders and for the purpose of complying with the laws of any other state to enable the company to do business in that state. The company making the deposits is entitled to the income thereof, and may, from time to time, with the consent of the Commissioner or Treasurer, and when not forbidden by the law under which the deposit was made, change in whole or in part the securities which compose the deposit for other solvent securities of equal par value. Upon request of any domestic insurance company the Commissioner or the Treasurer may return to the company the whole or any portion of the securities of the company held by the officer on deposit, when the officer is satisfied that the deposits are subject to no liability and are no longer required to be held by any provision of law or purpose of the original deposit.

(b) Deposits by Foreign or Alien Company. – The Commissioner or Treasurer, in that respective officer's official capacity, shall take and hold in trust deposits made by any foreign or alien insurance company for the benefit of the holders of all insurance contracts of the company who are citizens or residents of this State or who hold policies issued upon property in this State in

accordance with G.S. 58-5-70. The Commissioner or Treasurer may return to the trustees or other representatives authorized for that purpose any deposit made by a foreign or alien insurance company, when it appears that the company has ceased to do business in the State and is under no obligation to policyholders or other persons in the State for whose benefit the deposit was made.

(c) **Action to Enforce or Terminate the Trust.** – An insurance company which has made a deposit in this State pursuant to Articles 1 through 64 of this Chapter, or its trustees or resident managers in the United States, or the Commissioner, or any creditor of the company, may at any time bring an action in the Superior Court of Wake County against the State and other parties properly joined therein, to enforce, administer, or terminate the trust created by the deposit. The process in this action shall be served on the officer of the State having the deposit, who shall appear and answer in behalf of the State and perform such orders and judgments as the court may make in such action. (1899, c. 54, s. 17; 1901, c. 391, s. 2; 1903, c. 438, s. 1; c. 536, s. 4; Rev., s. 4709; C.S., s. 6313; 1945, c. 384; 1991, c. 720, s. 4; 2005-215, s. 4.)

§ 58-5-95. Deposits subject to approval and control of Commissioner.

The deposits of securities required to be made by any insurance company of this State shall be approved by the Commissioner of the State, and he may examine them at all times, and may order all or any part thereof changed for better security, and no change or transfer of the same may be made without his assent. (1903, c. 536, s. 5; Rev., s. 4710; C.S., s. 6314; 1945, c. 384; 1991, c. 720, s. 4.)

§ 58-5-100. Deposits by alien companies required and regulated.

An alien company, other than life, shall not be admitted to do business in this State until, in addition to complying with the conditions by law prescribed for the licensing and admission of such companies to do business in this State, it has made a deposit with the Treasurer or Commissioner, or with the financial officer of some other state of the United States, of a sum not less than the capital required of like companies under Articles 1 through 64 of this Chapter. This deposit must be in exclusive trust for the benefit and security of all the company's policyholders and creditors in the United States, and may be made in the securities, but subject to the limitations, specified in Articles 1 through 64 of this Chapter with regard to the investment of the capital of domestic companies formed and organized under the provisions of Articles 1 through 64 of this Chapter. The deposit shall be deemed for all purposes of the insurance law the capital of the company making it. (1899, c. 54, s. 64; 1903, c. 438, s. 6; Rev., s. 4711; C.S., s. 6315; 1945, c. 384; 1991, c. 720, s. 52.)

§ 58-5-105. Deposits by life companies not chartered in United States.

Every alien life insurance company organized under the laws of any other country than the United States must have and keep on deposit with some state insurance department or in the hands of trustees, in exclusive trust for the security of its contracts with policyholders in the United States, funds of an amount equal to the net value of all its policies in the United States and not less than three hundred thousand dollars (\$300,000). (1899, c. 54, s. 56; Rev., s. 4712; C.S., s. 6316; 1945, c. 384.)

§ 58-5-110. Registration of bonds deposited in name of Treasurer or Commissioner.

The Commissioner is hereby empowered, upon the written consent of any insurance company depositing with the Commissioner or the State Treasurer under any law of this State, any state, county, city, or town bonds or notes which are payable to bearer, to cause such bonds or notes to be

registered as to the principal thereof in lawful books of registry kept by or in behalf of the issuing state, county, city or town, such registration to be in the name of the Treasurer of North Carolina or the Commissioner in trust for the company depositing the notes or bonds and the State of North Carolina, as their respective interest may appear, and is further empowered to require of any and all such companies the filing of written consent to such registration as a condition precedent to the right of making any such deposit or right to continue any such deposit heretofore made. (1925, c. 145, s. 2; 1945, c. 384; 1985, c. 666, s. 58; 1991, c. 720, s. 4.)

§ 58-5-115. Notation of registration; release.

Bonds or notes so registered shall bear notation of such registration on the reverse thereof, signed by the registering officer or agent, and may be released from such registration and may be transferred on such books of registry by the signature of the State Treasurer or Commissioner. (1925, c. 145, s. 3; 1945, c. 384; 1985, c. 666, s. 59.)

If the Commissioner is satisfied that the company has met all requirements of law and appears to be financially solvent, the Commissioner shall not revoke or suspend the license of the company, and the company shall be authorized to do business in this State, subject to all other applicable provisions of the insurance laws of this State. Nothing contained in this section shall be interpreted as applying to licenses issued to individual representatives of insurance companies. (1899, c. 54, s. 78; Rev., s. 4718; C.S., s. 6321; 1955, c. 179, s. 1; 1987, c. 629, s. 16; 1989 (Reg. Sess., 1990), c. 1069, s. 3; 1995, c. 507, s. 11A(c); 2003-212, s. 26(d); 2005-215, s. 5.)

§ 58-6-20. Policyholders to furnish information.

Every corporation, firm, or individual doing business in the State shall, upon request of the Commissioner, furnish the Commissioner any information the Commissioner considers necessary to enable the Commissioner to enforce the payment of a tax levied in this Chapter. (1899, c. 54, s. 79; 1901, c. 391, s. 7; 1903, c. 438, s. 8; Rev., s. 4720; C.S., s. 6323; 1987, c. 864, s. 38; 1991, c. 720, s. 4; 1995 (Reg. Sess., 1996), c. 747, s. 11.)

§ 58-6-25. Insurance regulatory charge.

(a) Charge Levied. – There is levied on each insurance company, other than a captive insurance company, an annual charge for the purposes stated in subsection (d) of this section. The charge levied in this section is in addition to all other fees and taxes. The percentage rate of the charge is established pursuant to subsection (b) of this section and is applied to the company's premium tax liability for the taxable year. In determining an insurance company's premium tax liability for a taxable year, the following shall be disregarded:

- (1) Additional taxes imposed by G.S. 105-228.8.
- (2) Repealed by Session Laws 2008-134, s. 67(a), as amended by Session Laws 2009-445, s. 44, effective for taxable years beginning on or after January 1, 2008.
- (3) Any tax credits for guaranty or solvency fund assessments under G.S. 105-228.5A or G.S. 97-133(a).
- (4) Any tax credits allowed under Chapter 105 of the General Statutes other than tax payments made by or on behalf of the taxpayer.

(b) Rates. – The rate of the charge for each taxable year shall be six and one-half percent (6.5%). When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. It is the intent of the General Assembly (i) that the percentage rate not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve fund, and (ii) that the amount of the reserve not exceed one-third of the estimated cost of operating the Department for each upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns; When Payable. – The charge levied on each insurance company is payable at the time the insurance company remits its premium tax. If the insurance company is required to

remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company's regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Secretary of Revenue. The return shall state the company's total North Carolina premiums or presumed premiums for the taxable year and shall be accompanied by any supporting documentation that the Secretary of Revenue may by rule require.

(d) Use of Proceeds. – The Insurance Regulatory Fund is created in the State treasury, under the control of the Office of State Budget and Management. The proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited to the Fund. The Fund shall be placed in an interest-bearing account and any interest or other income derived from the Fund shall be credited to the Fund. Moneys in the Fund may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The Fund is subject to the provisions of the State Budget Act, except that no unexpended surplus of the Fund shall revert to the General Fund. All money credited to the Fund shall be used to reimburse the General Fund for the following:

- (1) Money appropriated to the Department of Insurance to pay its expenses incurred in regulating the insurance industry, including the captive insurance industry, and other industries in this State.
- (2) Money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors under Article 11A of Chapter 131E of the General Statutes, and in purchasing reports of patient data from statewide data processors certified under that Article.

Article 7.

General Domestic Companies.

§ 58-7-1. Application of this Chapter and general laws.

The general provisions of law relative to the powers, duties, and liabilities of corporations apply to all incorporated domestic insurance companies where pertinent and not in conflict with other provisions of law relative to such companies or with their charters. All insurance companies of this State shall be governed by this Chapter, notwithstanding anything in their special charters to the contrary, provided notice of the acceptance of this Chapter is filed with the Commissioner. (1899, c. 54, s. 19; Rev., s. 4721; C.S., s. 6324; 1991, c. 720, s. 4; 2006-105, s. 1.2.)

§ 58-7-5. Extension of existing charters.

Domestic insurance companies incorporated by special acts, whose charters are subject to limitation of time, shall, after the limitation expires, and upon filing statement and paying the taxes and fees required for an amendment of the charter, continue to be bodies corporate, subject to all general laws applicable to such companies. (1899, c. 54, s. 20; Rev., s. 4722; C.S., s. 6325.)

§ 58-7-10. Certificate required before issuing policies.

No domestic insurance company may issue policies until upon examination of the Commissioner, his deputy or examiner, it is found to have complied with the laws of the State, and until it has obtained from the Commissioner a certificate setting forth that fact and authorizing it to issue policies. The issuing of policies in violation of this section renders the company liable to the forfeiture prescribed by law, but such policies are binding upon the company. (1899, c. 54, ss. 21, 99; 1903, c. 438, s. 10; Rev., s. 4723; C.S., s. 6326; 1991, c. 720, s. 4.)

(b) Any insurer that is licensed to write life insurance or annuities in this State may deliver, or issue for delivery, funding agreements in this State.

(c) Funding agreements may be issued to persons authorized by a state or foreign country to engage in an insurance business or to their affiliates, including affiliates of the issuer. (f) The Commissioner has sole authority to regulate the issuance and sale of funding agreements on behalf of insurers. In addition to the authority in G.S. 58-2-40, the Commissioner may adopt rules relating to:

- (1) Standards to be followed in the approval of forms of funding agreements.
- (2) Reserves to be maintained by and valuation rules for insurers issuing funding agreements.
- (3) Accounting and reporting of funds credited under funding agreements.

- (4) Disclosure of information to be given to holders and prospective holders of funding agreements.
- (5) Qualification and compensation of persons selling funding agreements on behalf of insurers.

In determining minimum valuation reserves to be maintained by and valuation rules for insurers issuing funding agreements, the Commissioner may use any relevant actuarial guideline, regulation, interpretation, or paper published by the Society of Actuaries or the American Academy of Actuaries that the Commissioner considers reasonable. (1993 (Reg. Sess., 1994), c. 600, s. 1; 1998-212, s. 26B(e); 2001-334, s. 17.2.)

In furtherance of that interest, the General Assembly provides a mandate that upon the insolvency of an alien insurer or reinsurer that provides security to fund its United States obligations in accordance with this section and G.S. 58-7-26, the assets representing the security shall be maintained in the United States and claims shall be filed with and valued by the state insurance commissioner with regulatory oversight, and the assets shall be distributed, in accordance with the insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic United States insurance companies. The General Assembly declares that the matters contained in this section and G.S. 58-7-26 are fundamental to the business of insurance in accordance with 15 U.S.C. §§ 1011-1012.

(b) Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of subdivisions (1), (2), (3), (4), (4a), (4b), or (5) of this subsection.  - b. Submit to this State's authority to examine its books and records.

- c. Be licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least one state.
 - d. File annually with the Commissioner a copy of its annual statement filed with the insurance regulator of its state of domicile, a copy of its most recent audited financial statement, and a fee of seven hundred fifty dollars (\$750.00) and either:
 - 1. Maintains a policyholders' surplus in an amount that is not less than twenty million dollars (\$20,000,000) and whose accreditation has not been denied by the Commissioner within 90 days after its submission; or
 - 2. Maintains a policyholders' surplus in an amount less than twenty million dollars (\$20,000,000) and whose accreditation has been approved by the Commissioner.
- (3) Credit for reinsurance – Reinsurer domiciled in another state. – Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a United States branch of an alien assuming insurer is entered through, a state that uses standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien assuming insurer:
- a. Maintains a policyholders' surplus in an amount not less than twenty million dollars (\$20,000,000); and
 - b. Submits to the authority of this State to examine its books and records. The requirement in sub-subdivision (3)a. of this subsection does not apply to reinsurance ceded and assumed under pooling arrangements among insurers in the same holding company system.
- (4) Credit for reinsurance – Reinsurer maintaining trust funds.
- a. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified United States financial institution, as defined in G.S. 58-7-26(b), for the payment of the valid claims of its United States ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the Commissioner information substantially the same as that required to be reported on the NAIC Annual Statement form by licensed insurers to enable the Commissioner to determine the sufficiency of the trust fund. The assuming insurer shall submit to examination of its books and records by the Commissioner and bear the expense of examination.
 - b. Repealed by Session Laws 2001-223, s. 3.1. For applicability, see note.
 - b1. Credit for reinsurance shall not be granted under this subdivision unless the form of the trust and any amendments to the trust have been approved by:
 - 1. The insurance regulator of the state where the trust is domiciled; or

2. The insurance regulator of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.
- b2. The form of the trust and any trust amendments also shall be filed with the insurance regulator of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in its trustees for the benefit of the assuming insurer's United States ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the Commissioner.
- b3. The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year, the trustees of the trust shall report to the Commissioner in writing the balance of the trust, shall list the trust's investments at the end of the preceding year, and shall certify the date of termination of the trust, if so planned, or shall certify that the trust will not expire before the following December 31.
- c. The following requirements apply to the following categories of assuming insurer:
 1. The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers, and, in addition, the assuming insurer shall maintain a surplus in trust of not less than twenty million dollars (\$20,000,000), except as provided in sub-sub-subdivision c.1a. of this subdivision.
 - 1a. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the insurance regulator of the state with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to

reinsurance ceded by United States ceding insurers covered by the trust.

2. In the case of a group including incorporated and individual unincorporated underwriters:

I. For reinsurance ceded under reinsurance agreements with an inception, amendment, or renewal date on or after August 1, 1995, the trust shall consist of an account in trust in an amount not less than the respective underwriters' several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group.

II. For reinsurance ceded under reinsurance agreements with an inception date on or before July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of this section and G.S. 58-7-26, the trust shall consist of an account in trust in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States.

In addition to these trusts, the group shall maintain in trust a surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account. Each incorporated member of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary insurance regulator as are the unincorporated members. Within 90 days after its financial statements are due to be filed with the group's domiciliary insurance regulator, the group shall provide to the Commissioner an annual certification by the group's domiciliary insurance regulator of the solvency of each underwriter member or, if a certification is unavailable, financial statements prepared by independent public accountants of each underwriter member of the group.

3. The trust fund for a group of incorporated insurers under common administration, whose members possess aggregate policyholders surplus of ten billion dollars (\$10,000,000,000), calculated and reported in substantially the same manner as prescribed by the annual statement instructions and Accounting Practices and Procedures Manual of the NAIC, and which has continuously transacted an insurance business outside the United States for at least three years immediately prior to

making application for accreditation, shall do all of the following:

- I. Consist of funds in trust in an amount not less than the assuming insurers' several liabilities attributable to business ceded by United States domiciled ceding insurers to any members of the group pursuant to reinsurance contracts issued in the name of such group;
- II. Maintain a joint trustee surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group; and
- III. File a properly executed NAIC Form AR-1 as evidence of the submission to this State's authority to examine the books and records of any of its members and shall certify that any member examined will bear the expense of any such examination.

Within 90 days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the Commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group.

(4a) d. Repealed by Session Laws 2001-223, s. 3.1. For applicability, see note. Credit for reinsurance – Certified reinsurers. – Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the Commissioner as a reinsurer in this State and secures its obligations in accordance with the requirements of this subdivision:

- a. In order to be eligible for certification, the assuming insurer shall meet the following requirements:
 1. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the Commissioner pursuant to sub-subdivision f. of this subdivision;
 2. The assuming insurer must maintain capital and surplus, or its equivalent, of no less than two hundred fifty million dollars (\$250,000,000) calculated in accordance with sub-sub-subdivision d.8. of this subdivision. This requirement may also be satisfied by an association including incorporated and individual unincorporated underwriters having minimum capital and surplus equivalents, net of liabilities, of at least two hundred fifty million dollars (\$250,000,000) and a central fund containing a balance of at least two hundred fifty million dollars (\$250,000,000);
 3. The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the

Commissioner. These ratings shall be based on interactive communication between the rating agency and the assuming insurer and shall not be based solely on publicly available information. These financial strength ratings will be one factor used by the Commissioner in determining the rating that is assigned to the assuming insurer. Acceptable rating agencies include the following:

- I. Standard & Poor's;
 - II. Moody's Investors Service;
 - III. Fitch Ratings;
 - IV. A.M. Best Company; or
 - V. Any other nationally recognized statistical rating organization.
4. The assuming insurer must submit a properly executed NAIC Form CR-1 as evidence of its submission to the jurisdiction of this State, appointment of the Commissioner as an agent for service of process in this State, and agreement to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgment. The Commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the Commissioner has determined does not adequately and promptly enforce final United States judgments or arbitration awards;
5. The certified reinsurer must agree to meet applicable information filing requirements, as determined by the Commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which is not otherwise public information subject to disclosure shall be exempted from disclosure under the North Carolina Public Records Act, Chapter 132 of the General Statutes, and shall be withheld from public disclosure. The applicable information filing requirements are as follows:
- I. Notification within 10 days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license, or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;
 - II. Annually, NAIC Form CR-F or CR-S, as applicable;
 - III. Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in sub-sub-sub-subdivision a.5.IV. of this subdivision;

- IV. Annually, the most recent audited financial statements, regulatory filings, and actuarial opinion, as filed with the certified reinsurer's supervisor, with a translation into English. Upon the initial certification, audited financial statements for the last two years filed with the certified reinsurer's supervisor;
 - V. At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from United States domestic ceding insurers;
 - VI. A certification from the certified reinsurer's domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction's highest regulatory action level; and
 - VII. Any other information that the Commissioner may reasonably require.
6. Any other requirements for certification deemed relevant by the Commissioner.
- b. An association, including incorporated and individual unincorporated underwriters, may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying requirements of sub-subdivision a. of this subdivision:
- 1. The association shall satisfy its minimum capital and surplus requirements through the capital and surplus equivalents, net of liabilities, of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the Commissioner to provide adequate protection;
 - 2. The incorporated members of the association shall not be engaged in any business other than underwriting as a member of the association and shall be subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and
 - 3. Within 90 days after its financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the Commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member or, if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.
- c. Certification procedure. –
- 1. The Commissioner shall post notice on the Department's Web site promptly upon receipt of any application for certification, including instructions on how members of the public may respond to the application. The Commissioner may not take final

action on the application until at least 30 days after posting the notice required by this sub-subdivision.

2. The Commissioner shall issue written notice to an assuming insurer that has made application and been approved as a certified reinsurer. Included in such notice shall be the rating assigned to the certified reinsurer in accordance with sub-subdivision d. of this subdivision.
 3. Any other requirements reasonably imposed by the Commissioner.
- d. Certified reinsurer rating. – The Commissioner shall assign a rating to each certified reinsurer on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association, including incorporated and individual unincorporated underwriters, that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. The Commissioner shall publish a list of all certified reinsurers and their ratings. Factors that may be considered as part of the evaluation process include the following:
1. The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The Commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification;

Ratings	Best	S&P	Moody's	Fitch
Secure – 1	A++	AAA	Aaa	AAA

2. The business practices of the certified reinsurer in dealing with its ceding insurers, including its record of compliance with reinsurance contractual terms and obligations;
3. For certified reinsurers domiciled in the United States, a review of the most recent applicable NAIC Annual Statement Blank, either Schedule F for property/casualty reinsurers or Schedule S for life and health reinsurers;

4. For certified reinsurers not domiciled in the United States, a review annually of NAIC Form CR-F for property/casualty reinsurers or NAIC Form CR-S for life and health reinsurers;
5. The reputation of the certified reinsurer for prompt payment of claims under reinsurance agreements, based on an analysis of the ceding insurers' in the NAIC Annual Statement Blank Schedule F reporting of overdue reinsurance recoverables, including the proportion of obligations that are more than 90 days past due or are in dispute, with specific attention given to obligations payable to companies that are in administrative supervision or receivership. Based on the analysis conducted, the Commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to United States ceding insurers, provided that the Commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level if the Commissioner finds that:
 - I. More than fifteen percent (15%) of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of 90 days or more which are not in dispute and which exceed one hundred thousand dollars (\$100,000) for each cedent; or
 - II. The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by 90 days or more exceeds fifty million dollars (\$50,000,000).
6. Regulatory actions against the certified reinsurer;
7. The report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in sub-sub-subdivision d.8. of this subdivision;
8. For certified reinsurers not domiciled in the United States, audited financial statements, regulatory filings, and actuarial opinion as filed with the non-United States jurisdiction supervisor, with a translation into English. Upon the initial application for certification, the Commissioner will consider audited financial statements for the last two years filed with its non-United States jurisdiction supervisor;
9. The liquidation priority of obligations to a ceding insurer in the certified reinsurer's domiciliary jurisdiction in the context of an insolvency proceeding;
10. A certified reinsurer's participation in any solvent scheme of arrangement, or similar procedure, which involves United States ceding insurers. The Commissioner shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and
11. Any other information deemed relevant by the Commissioner.

e. Credit allowed a ceding insurer. – The Commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that has been certified as a reinsurer in this State at all times for which statutory financial statement credit for reinsurance is claimed under this subdivision. The credit allowed a ceding insurer shall be based upon the security held by or on behalf of the ceding insurer in accordance with the rating assigned to the certified reinsurer by the Commissioner pursuant to sub-subdivision d. of this subdivision. The security shall be maintained and in a form consistent with the provisions of G.S. 58-7-26. The amount of security required in order for full credit to be allowed shall correspond with the following requirements:

1. Ratings	Security Required
Secure – 1.....	0%
Secure – 2.....	10%
Secure – 3.....	20%
Secure – 4.....	50%
Secure – 5.....	75%
Vulnerable – 6.....	100%

2. If a certified reinsurer maintains a trust to fully secure its obligations subject to subdivision (4) of this subsection, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security, as permitted by this subdivision or comparable laws of other United States jurisdictions, and for its obligations subject to subdivision (4) of this subsection. It shall be a condition to the grant of certification under this subdivision that the certified reinsurer shall have bound itself, by the language of the trust and agreement with the insurance regulator with principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, out of the remaining surplus of such trust any deficiency of any other such trust account.

3. The minimum trusteed surplus requirements provided in subdivision (4) of this subsection are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this subdivision, except that such trust shall maintain a minimum trusteed surplus of ten million dollars (\$10,000,000).

4. With respect to obligations incurred by a certified reinsurer under this subdivision, if the security is insufficient, the Commissioner shall reduce the allowable credit by an amount proportionate to the deficiency and has the discretion to impose further reductions in allowable credit upon finding that there is a

material risk that the certified reinsurer's obligations will not be paid in full when due.

5. For purposes of this subdivision, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure one hundred percent (100%) of its obligations. As used in this sub-sub-subdivision, the term "terminated" refers to revocation, suspension, voluntary surrender, and inactive status. If the Commissioner continues to assign a higher rating as permitted by other provisions of this subdivision, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.
6. Affiliated reinsurance transactions shall receive the same opportunity for reduced security requirements as all other reinsurance transactions.
7. The Commissioner shall require the certified reinsurer to post one hundred percent (100%), for the benefit of the ceding insurer or its estate, security upon the entry of an order of rehabilitation or liquidation or conservation against the ceding insurer.
8. In order to facilitate the prompt payment of claims, a certified reinsurer shall not be required to post security for catastrophe recoverables for a period of one year from the date of the first instance of a liability reserve entry by the ceding company insurer as a result of a loss from a catastrophic occurrence as recognized by the Commissioner. The one-year deferral period is contingent upon the certified reinsurer continuing to pay claims in a timely manner. Reinsurance recoverables for only the following lines of business as reported on the NAIC annual financial statement related specifically to the catastrophic occurrence will be included in the deferral:
 - I. Line 1: Fire.
 - II. Line 2: Allied lines.
 - III. Line 3: Farmowners multiple peril.
 - IV. Line 4: Homeowners multiple peril.
 - V. Line 5: Commercial multiple peril.
 - VI. Line 9: Inland marine.
 - VII. Line 12: Earthquake.
 - VIII. Line 21: Auto physical damage.
9. Credit for reinsurance under this sub-subdivision shall apply only to reinsurance contracts entered into or renewed on or after the effective date of the certification of the assuming insurer. Any reinsurance contract entered into prior to the effective date of the certification of the assuming insurer that is subsequently amended after the effective date of the certification of the assuming insurer, or a new reinsurance contract, covering any risk for which collateral was provided previously, shall only be

subject to this sub-subdivision with respect to losses incurred and reserves reported from and after the effective date of the amendment or new contract.

10. Nothing in this sub-subdivision shall prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under this sub-subdivision.
- f. Qualified jurisdictions. –
1. The Commissioner shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the Commissioner as a certified reinsurer.
 2. In order to determine whether the domiciliary jurisdiction of a non-United States assuming insurer is eligible to be recognized as a qualified jurisdiction, the Commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. A qualified jurisdiction must agree to share information and cooperate with the Commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the Commissioner, include, but are not limited to, the following:
 - I. The framework under which the assuming insurer is regulated.
 - II. The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.
 - III. The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.
 - IV. The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.
 - V. The domiciliary regulator's willingness to cooperate with United States regulators in general and the Commissioner in particular.
 - VI. The history of performance by assuming insurers in the domiciliary jurisdiction.
 - VII. Any documented evidence of substantial problems with the enforcement of final United States judgments in the domiciliary jurisdiction. A jurisdiction will not be

considered to be a qualified jurisdiction if the Commissioner has determined that it does not adequately and promptly enforce final United States judgments or arbitration awards.

VIII. Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.

IX. Any other matters deemed relevant by the Commissioner.

3. The Commissioner shall consider the list of qualified jurisdictions published by the NAIC in determining qualified jurisdictions. If the Commissioner approves a jurisdiction as qualified that does not appear on the NAIC's list of qualified jurisdictions, the Commissioner shall provide thoroughly documented justification with respect to the criteria provided under sub-sub-sub-subdivision f.2.I. through IX. of this subdivision.
 4. United States jurisdictions that meet the requirement for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.
 5. If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the Commissioner has the discretion to suspend the reinsurer's certification indefinitely, in lieu of revocation.
- g. Recognition of certification issued by an NAIC accredited jurisdiction.
- If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the Commissioner has the discretion to defer to that jurisdiction's certification and has the discretion to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed NAIC Form CR-1 and such additional information as the Commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this State. Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in this State as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the Commissioner of any change in its status or rating within 10 days after receiving notice of the change. The Commissioner may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with sub-subdivision d. of this subdivision. The Commissioner may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the Commissioner suspends or revokes the certified reinsurer's certification in accordance with sub-subdivision j. of this subdivision, the certified reinsurer's certification shall remain in good standing in this State for a period of

- three months, which shall be extended if additional time is necessary to consider the assuming insurer's application for certification in this State.
- h. Inactive certified reinsurer. – A certified reinsurer that ceases to assume new business in this State may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subdivision, and the Commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.
 - i. Change in rating or revocation of certification. –
 - 1. In the case of a downgrade by a rating agency or other disqualifying circumstance, the Commissioner shall, upon written notice, assign a new rating to the certified reinsurer in accordance with the requirements of sub-subdivision d. of this subdivision.
 - 2. The Commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this subdivision or, if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the Commissioner to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.
 - 3. If the rating of a certified reinsurer is upgraded by the Commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the Commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the Commissioner, the Commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.
 - 4. Upon revocation of the certification of a certified reinsurer by the Commissioner, the assuming insurer shall be required to post security in accordance with G.S. 58-7-26 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust, in accordance with subdivision (4) of this subsection, the Commissioner may allow additional credit equal to the ceding insurer's pro rata share of such funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may

not be denied credit for reinsurance for a period of three months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the Commissioner to be at high risk of uncollectibility.

- j. Mandatory funding clause. – In addition to the clauses required by rule, reinsurance contracts entered into or renewed under this subdivision shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this subdivision for reinsurance ceded to the certified reinsurer.
 - k. NAIC reporting and notification requirements. – The Commissioner shall comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions.
- (4b) Credit for reinsurance – Reciprocal jurisdiction. –
- a. The following definitions apply in this subdivision:
 - 1. Covered agreement. – An agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this State or for allowing the ceding insurer to recognize credit for reinsurance.
 - 2. Reciprocal jurisdiction. – A jurisdiction as designated by the Commissioner pursuant to sub-subdivision c. of this subdivision that meets one of the following:
 - I. A non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and the European Union, is a member state of the European Union;
 - II. A United States jurisdiction that meets the requirements for accreditation under the NAIC financial standards and accreditation program; or
 - III. A qualified jurisdiction, as determined by the Commissioner pursuant to sub-subdivision f. of subdivision (4a) of this subsection, which is not otherwise described in sub-sub-sub-subdivisions I. or II. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision and which the Commissioner determines meets all of the following additional requirements, consistent with the terms and conditions of in-force covered agreements:

- A. Provides that an insurer which has its head office or is domiciled in such qualified jurisdiction shall receive credit for reinsurance ceded to a United States domiciled assuming insurer in the same manner as credit for reinsurance is received for reinsurance assumed by insurers domiciled in such qualified jurisdiction;
 - B. Does not require a United States domiciled assuming insurer to establish or maintain a local presence as a condition for entering into a reinsurance agreement with any ceding insurer subject to regulation by the non-United States jurisdiction or as a condition to allow the ceding insurer to recognize credit for such reinsurance;
 - C. Recognizes the United States, state regulatory approach to group supervision and group capital by providing written confirmation by a competent regulatory authority in such qualified jurisdiction that insurers and insurance groups that are domiciled or maintain their headquarters in this State or another jurisdiction accredited by the NAIC shall be subject only to worldwide prudential insurance group supervision, including worldwide group governance, solvency and capital, and reporting, as applicable, by the Commissioner or the commissioner of the domiciliary state and will not be subject to group supervision at the level of the worldwide parent undertaking of the insurance or reinsurance group by the qualified jurisdiction; and
 - D. Provides written confirmation by a competent regulatory authority in such qualified jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the Commissioner in accordance with a memorandum of understanding or similar document between the Commissioner and such qualified jurisdiction, including, but not limited to, the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the NAIC.
3. Solvent scheme of arrangement. – A foreign or alien statutory or regulatory compromise procedure subject to requisite majority

creditor approval and judicial sanction in the assuming insurer's home jurisdiction either to finally commute liabilities of duly noticed classed members or creditors of a solvent debtor, or to reorganize or restructure the debts and obligations of a solvent debtor on a final basis, and which may be subject to judicial recognition and enforcement of the arrangement by a governing authority outside the ceding insurer's home jurisdiction.

- b. Credit shall be allowed when the reinsurance is ceded from an insurer domiciled in this State to an assuming insurer meeting each of the following conditions:
 1. The assuming insurer must be licensed to transact reinsurance by, and have its head office or be domiciled in, a reciprocal jurisdiction.
 2. The assuming insurer must have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated on at least an annual basis as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, and confirmed as set forth in sub-sub-subdivision 7. of this sub-subdivision, according to the methodology of its domiciliary jurisdiction, in the following amounts:
 - I. No less than two hundred fifty million dollars (\$250,000,000); or
 - II. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters:
 - A. Minimum capital and surplus equivalents, net of liabilities, or own funds of the equivalent of at least two hundred fifty million dollars (\$250,000,000); and
 - B. A central fund containing a balance of the equivalent of at least two hundred fifty million dollars (\$250,000,000).
 3. The assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, as follows:
 - I. If the assuming insurer has its head office or is domiciled in a reciprocal jurisdiction as defined in sub-sub-sub-subdivision I. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision, the ratio specified in the applicable covered agreement;
 - II. If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in sub-sub-sub-subdivision II. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision, a risk-based capital ratio of three hundred percent (300%) of the authorized control level,

- calculated in accordance with the formula developed by the NAIC;
- III. If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in sub-sub-sub-subdivision III. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision, after consultation with the reciprocal jurisdiction and considering any recommendations published through the NAIC committee process, such solvency or capital ratio as the Commissioner determines to be an effective measure of solvency; or
 - IV. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.
4. The assuming insurer must agree to and provide adequate assurance to the Commissioner, in the form of a properly executed NAIC Form RJ-1, of its agreement to the following:
- I. The assuming insurer must provide prompt written notice and explanation to the Commissioner if it falls below the minimum requirements set forth in sub-sub-subdivision 2. or 3. of sub-subdivision b. of this subdivision, or if any regulatory action is taken against it for serious noncompliance with applicable law;
 - II. The assuming insurer must consent in writing to the jurisdiction of the courts of this State and to the appointment of the Commissioner as agent for service of process. The Commissioner may require that consent for service of process be provided to the Commissioner and included in each reinsurance agreement under the Commissioner's jurisdiction. Nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;
 - III. The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;
 - IV. Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance

- ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate, if applicable;
- V. The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement, which involves this State's ceding insurers, and agree to notify the ceding insurer and the Commissioner and to provide one hundred percent (100%) security to the ceding insurer consistent with the terms of the scheme, should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of subdivision (4a) of subsection (b) of this section, G.S. 58-7-26(a), and as specified by the Commissioner in regulation; and
 - VI. The assuming insurer must agree in writing to meet the applicable information filing requirements as set forth in sub-sub-subdivision 5. of sub-subdivision b. of this subdivision.
5. The assuming insurer or its legal successor must provide, if requested by the Commissioner, on behalf of itself and any legal predecessors, the following documentation to the Commissioner:
- I. For the two years preceding entry into the reinsurance agreement and on an annual basis thereafter, the assuming insurer's annual audited financial statements, in accordance with the applicable law of the jurisdiction of its head office or domiciliary jurisdiction, as applicable, including the external audit report;
 - II. For the two years preceding entry into the reinsurance agreement, the solvency and financial condition report or actuarial opinion, if filed with the assuming insurer's supervisor;
 - III. Prior to entry into the reinsurance agreement and not more than semiannually thereafter, an updated list of all disputed and overdue reinsurance claims outstanding for 90 days or more, regarding reinsurance assumed from ceding insurers domiciled in the United States; and
 - IV. Prior to entry into the reinsurance agreement and not more than semiannually thereafter, information regarding the assuming insurer's assumed reinsurance by ceding insurer, ceded reinsurance by the assuming

insurer, and reinsurance recoverable on paid and unpaid losses by the assuming insurer to allow for the evaluation of the criteria set forth in sub-sub-subdivision 6. of sub-subdivision b. of this subdivision.

6. The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements. The lack of prompt payment will be evidenced if any of the following criteria is met:
 - I. More than fifteen percent (15%) of the reinsurance recoverables from the assuming insurer are overdue and in dispute as reported to the Commissioner;
 - II. More than fifteen percent (15%) of the assuming insurer's ceding insurers or reinsurers have overdue reinsurance recoverable on paid losses of 90 days or more which are not in dispute and which exceed for each ceding insurer one hundred thousand dollars (\$100,000), or as otherwise specified in a covered agreement; or
 - III. The aggregate amount of reinsurance recoverable on paid losses which are not in dispute, but are overdue by 90 days or more, exceeds fifty million dollars (\$50,000,000), or as otherwise specified in a covered agreement.
7. The assuming insurer's supervisory authority must confirm to the Commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements set forth in sub-sub-subdivisions 2. and 3. of sub-subdivision b. of this subdivision.

Nothing in this sub-subdivision shall preclude an assuming insurer from providing the Commissioner with information on a voluntary basis.

- c. The Commissioner shall timely create and publish a list of reciprocal jurisdictions [as follows]:
 1. A list of reciprocal jurisdictions is published through the NAIC committee process. The Commissioner's list shall include any reciprocal jurisdiction, as defined under sub-sub-sub-subdivisions I. and II. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision, and shall consider any other reciprocal jurisdiction included on the NAIC list. The Commissioner may approve a jurisdiction that does not appear on the NAIC list of reciprocal jurisdictions as provided by applicable law, regulation, or in accordance with criteria published through the NAIC committee process.
 2. The Commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets one or more of the requirements of a reciprocal jurisdiction, as provided by applicable law,

regulation, or in accordance with a process published through the NAIC committee process, except that the Commissioner shall not remove from the list a reciprocal jurisdiction as defined under sub-sub-sub-subdivisions I. and II. of sub-sub-subdivision 2. of sub-subdivision a. of this subdivision. Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer which has its home office or is domiciled in that jurisdiction shall be allowed if otherwise allowed pursuant to this section or G.S. 58-7-26.

- d. The Commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this subdivision and to which cessions shall be granted credit in accordance with this subdivision. The Commissioner may add an assuming insurer to such list if an NAIC accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the Commissioner as required under sub-sub-subdivision 4. of sub-subdivision b. of this subdivision and complies with any additional requirements that the Commissioner may impose by law or regulation, except to the extent that they conflict with an applicable covered agreement. [The following applies:]
 - 1. If an NAIC accredited jurisdiction has determined that the conditions set forth in sub-subdivision b. of this subdivision have been met, the Commissioner has the discretion to defer to that jurisdiction's determination and add such assuming insurer to the list of assuming insurers to which cessions shall be granted credit in accordance with this sub-subdivision. The Commissioner may accept financial documentation filed with another NAIC accredited jurisdiction or with the NAIC in satisfaction of the requirements of sub-subdivision b. of this subdivision.
 - 2. When requesting that the Commissioner defer to another NAIC accredited jurisdiction's determination, an assuming insurer must submit a properly executed NAIC Form RJ-1 and additional information as the Commissioner may require. A state that has received such a request will notify other states through the NAIC committee process and provide relevant information with respect to the determination of eligibility.
- e. If the Commissioner determines that an assuming insurer no longer meets one or more of the requirements under this subdivision, the Commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this subdivision. [The following applies:]
 - 1. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit except to the

extent that the assuming insurer's obligations under the contract are secured in accordance with G.S. 58-7-26.

2. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the Commissioner and consistent with the provisions of G.S. 58-7-26.
- f. Before denying statement credit or imposing a requirement to post security with respect to sub-subdivision e. of this subdivision, or adopting any similar requirement that will have substantially the same regulatory impact as security, the Commissioner shall:
1. Communicate with the ceding insurer, the assuming insurer, and the assuming insurer's supervisory authority that the assuming insurer no longer satisfies one of the conditions listed in sub-subdivision b. of this subdivision;
 2. Provide the assuming insurer with 30 days from the initial communication to submit a plan to remedy the defect, and 90 days from the initial communication to remedy the defect, except in exceptional circumstances in which a shorter period is necessary for policyholder and other consumer protection;
 3. After the expiration of 90 days or less, as set out in sub-sub-subdivision 2. of sub-subdivision f. of this subdivision, if the Commissioner determines that no or insufficient action was taken by the assuming insurer, the Commissioner may impose any of the requirements as set out in sub-subdivision f. of this subdivision; and
 4. Provide a written explanation to the assuming insurer of any of the requirements set out in sub-subdivision f. of this subdivision.
- g. If subject to a legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.
- h. Nothing in this subdivision shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this section, or other applicable law or regulation.
- i. Credit may be taken under this subdivision only for reinsurance agreements entered into, amended, or renewed on or after September 1, 2021, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements pursuant to sub-subdivision b. of this

subdivision and (ii) the effective date of the new reinsurance agreement, amendment, or renewal. [The following applies:]

1. This sub-subdivision does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under this subdivision, as long as the reinsurance qualifies for credit under any other applicable provision of this section or G.S. 58-7-26.
 2. Nothing in this subdivision shall authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.
 3. Nothing in this subdivision shall limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.
- (5) Exception for noncompliant assuming insurer. – Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of subdivisions (1), (2), (3), (4), (4a), or (4b) of this subsection, but only with respect to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.
- (6) Curative contract terms for assuming insurer. – If the assuming insurer is not licensed, accredited, or certified to transact insurance or reinsurance in this State, the credit permitted by subdivisions (3) and (4) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:
- a. That if the assuming insurer fails to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the ceding insurer's request, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court if there is an appeal; and
 - b. To designate the Commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding begun by or on behalf of the ceding insurer. This subdivision does not affect the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if the obligation is created in the agreement.
- (7) Required trust agreement provisions. – If the assuming insurer does not meet the requirements of subdivision (1), (2), (3), or (4b) of this subsection, the credit permitted by subdivision (4) or (4a) of this subsection shall not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:
- a. Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by sub-subdivision (4)c. of this subsection, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its

state or country of domicile, the trustee shall comply with an order of the public official with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the public official with regulatory oversight all of the assets of the trust fund.

- b. The assets shall be distributed by, and claims shall be filed with and valued by, the public official with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.
 - c. If the public official with regulatory oversight determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, those assets shall be returned by the public official with regulatory oversight to the trustee for distribution in accordance with the trust agreement.
 - d. The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this provision.
- (8) Failure to meet requirements. –
- a. If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the Commissioner may suspend or revoke the reinsurer's accreditation or certification.
 - b. The Commissioner must give the reinsurer notice and opportunity for hearing. The suspension or revocation may not take effect until after the Commissioner's order on hearing, unless:
 - 1. The reinsurer waives its right to hearing;
 - 2. The Commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under sub-subdivision (4a)f. of this subsection; or
 - 3. The Commissioner finds that an emergency requires immediate action, and a court of competent jurisdiction has not stayed the Commissioner's action.
 - c. While a reinsurer's accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer's obligations under the contract are secured in accordance with G.S. 58-7-26. If a reinsurer's accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with sub-subdivision (4a)e. of this subsection or G.S. 58-7-26.
- (9) Concentration risk. –
- a. A ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer

shall notify the Commissioner within 30 days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds fifty percent (50%) of the domestic ceding insurer's last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

- b. A ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the Commissioner within 30 days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than twenty percent (20%) of the ceding insurer's gross written premium in the prior calendar year, or after it has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

(c) This section applies to all reinsurance cessions made on or after January 1, 1992, under reinsurance agreements that have an inception, anniversary, or renewal date on or after January 1, 1992. (1991, c. 681, s. 22; 1993, c. 452, s. 42; 1993 (Reg. Sess., 1994), c. 678, s. 8; 1995, c. 193, s. 13; c. 360, s. 2(g); 2001-223, s. 3.1; 2009-451, s. 21.15(a); 2017-136, s. 2; 2019-57, s. 5; 2021-114, s. 1.)

§ 58-7-22. Term and universal life insurance reserve financing.

(a) Purpose and Intent. – The purpose and intent of this section is to establish uniform, national standards governing reserve financing arrangements pertaining to life insurance policies containing guaranteed nonlevel gross premiums or guaranteed nonlevel benefits and universal life insurance policies with secondary guarantees, and to ensure that, with respect to those financing arrangements, funds consisting of primary security and other security are held by or on behalf of ceding insurers in the forms and amounts required by this section. In general, for reinsurance ceded for reserve financing purposes, some or all of the assets used to secure the reinsurance treaty or to capitalize the reinsurer meet one of the following:

- (1) Are issued by the ceding insurer or its affiliates.
 - (2) Are not unconditionally available to satisfy the general account obligations of the ceding insurer.
 - (3) Create a reimbursement, indemnification, or other similar obligation on the part of the ceding insurer or any of its affiliates, other than a payment obligation under a derivative contract acquired in the normal course and used to support and hedge liabilities pertaining to the actual risks in the policies ceded pursuant to the reinsurance treaty.
- (b) Definitions. – The following definitions apply in this section:
- (1) Actuarial method. – The methodology used to determine the required level of primary security, as described in subsection (e) of this section.
 - (2) Covered policies. – Subject to the exemptions described in subsection (d) of this section and, other than grandfathered policies, policies of the following policy types:

- a. Life insurance policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits, except for flexible premium universal life insurance policies; or
 - b. Flexible premium universal life insurance policies with provisions resulting in the ability of a policyholder to keep a policy in force over a secondary guarantee period.
- (3) Grandfathered policies. – Policies of the types described in sub-subdivisions a. and b. of subdivision (2) of subsection (b) of this section that were both:
- a. Issued prior to January 1, 2015.
 - b. Ceded, as of December 31, 2014, as part of a reinsurance treaty that would not have met one of the exemptions set forth in subsection (d) of this section had that subsection then been in effect.
- (4) Noncovered policies. – Any policy that does not meet the definition of covered policies, including grandfathered policies.
- (5) Other security. – Any security other than security meeting the definition of primary security that is acceptable to the Commissioner.
- (6) Primary security. – All of the following forms of security:
- a. Cash.
 - b. Securities listed by the Securities Valuation Office of the NAIC meeting the requirements of G.S. 58-7-26(a)(2), but excluding any synthetic letter of credit, contingent note, credit-linked note, or other similar security that operates in a manner similar to a letter of credit, and excluding any securities issued by the ceding insurer or any of its affiliates.
 - c. For security held in connection with funds withheld and modified coinsurance reinsurance treaties, any of the following forms of security:
 - 1. Commercial loans in good standing of CM3 quality and higher.
 - 2. Policy loans.
 - 3. Derivatives acquired in the normal course and used to support and hedge liabilities pertaining to the actual risks in the policies ceded pursuant to the reinsurance treaty.
- (7) Required level of primary security. – The dollar amount determined by applying the actuarial method to the risks ceded with respect to covered policies, but not more than the total reserve ceded.
- (8) Valuation manual. – The valuation manual adopted by the NAIC as described in G.S. 58-58-51 with all amendments adopted by the NAIC that are effective for the financial statement date on which credit for reinsurance is claimed.
- (9) VM-20. – The requirements for principle-based reserves for life products, including all relevant definitions, as outlined in the valuation manual.

(c) Applicability. – This section shall apply to reinsurance treaties that cede liabilities pertaining to covered policies issued by any life insurance company domiciled in this State. This section, G.S. 58-7-21, and G.S. 58-7-26 shall apply to those reinsurance treaties. If there is a direct conflict between the provisions of this section and G.S. 58-7-21, or G.S. 58-7-26, then the provisions of this section shall apply, but only to the extent of the conflict.

(d) Exemptions from this Section. – This section does not apply to any of the following situations:

- (1) Reinsurance of any of the following:
 - a. Policies that satisfy the criteria for exemption for attained age-based yearly renewable term life insurance policies set forth in 11 NCAC 11F.0404(f) or for unitary reserves for certain n-year renewable term life insurance policies set forth in 11 NCAC 11F.0404(g) and that are issued before the later of the following dates:
 1. September 1, 2021.
 2. The date on which the ceding insurer begins to apply the provisions of VM-20 to establish the ceded policies' statutory reserves, but in no event later than January 1, 2020.
 - b. Portions of policies that satisfy the criteria for exemption for yearly renewable term reinsurance set forth in 11 NCAC 11F.0404(e) and which are issued before the later of the following dates:

 3. The initial surrender charge is not less than one hundred percent (100%) of the first year annualized specified premium for the secondary guarantee period.
 - d. Credit life insurance.
 - e. Any variable life insurance policy that provides for life insurance, the amount or duration of which varies according to the investment experience of any separate account or accounts.
 - f. Any group life insurance certificate unless the certificate provides for a stated or implied schedule of maximum gross premiums required in order to continue coverage in force for a period in excess of one year.
- (2) Reinsurance ceded to an assuming insurer that meets the applicable requirements of G.S. 58-7-21(b)(4).
- (3) Reinsurance ceded to an assuming insurer that meets the applicable requirements of subdivision (1), (2), or (3) of G.S. 58-7-21(b) and that also meets all of the following criteria:
 - a. Prepares statutory financial statements in compliance with the NAIC Accounting Practices and Procedures Manual, without any departures from NAIC statutory accounting practices and procedures pertaining to the admissibility or valuation of assets or liabilities that increase the assuming insurer's reported surplus and are material enough that they need to be disclosed in the financial statement of the assuming insurer

pursuant to the NAIC's Statement of Statutory Accounting Principles No. 1.

- b. Is not in a company action level event, regulatory action level event, authorized control level event, or mandatory control level event, as those terms are defined in Article 12 of Chapter 58 of the General Statutes, when its risk-based capital is calculated in accordance with the life risk-based capital report, including overview and instructions for companies, as the same may be amended by the NAIC, without deviation.
- (4) Reinsurance ceded to an assuming insurer that meets the applicable requirements of subdivision (1), (2), or (3) of G.S. 58-7-21(b) and that also meets all of the following criteria:
- a. Is not an affiliate, as defined in G.S. 58-19-5, of either of the following:

 - e. Is not, or would not be, below five hundred percent (500%) of the authorized control level risk-based capital, as defined in G.S. 58-12-2, when its risk-based capital is calculated in accordance with the life risk-based capital report, including overview and instructions for companies, as the same may be amended by the NAIC, without deviation, and without recognition of any departures from NAIC statutory accounting practices and procedures pertaining to the admission or valuation of assets or liabilities that increase the assuming insurer's reported surplus.
- (5) Reinsurance ceded to an assuming insurer that meets any of the following criteria:
- a. Meets the requirements specified under G.S. 58-7-21(b)(4b) in this State.
 - b. Is certified in this State.
 - c.  - 1. Licensed in at least 26 states.
 - 2. Licensed in at least 10 states, and licensed or accredited in a total of at least 35 states.

- (6) Reinsurance not otherwise exempt under subdivisions (1) through (5) of this subsection if the Commissioner, after consulting with the NAIC Financial Analysis Working Group or other applicable group of regulators designated by the NAIC, determines under all the facts and circumstances that all of the following apply:
- a. The risks are clearly outside of the intent and purpose of this section.
 - b. The risks are included within the scope of this section only as a technicality.
 - c. The application of this section to those risks is not necessary to provide appropriate protection to policyholders.

The Commissioner shall publicly disclose any decision made pursuant to this subdivision to exempt a reinsurance treaty from this section and the general basis of that decision, including a summary description of the treaty.

(e) The Actuarial Method and Valuation Used for Purposes of Calculation. – The following applies to this section:

- (1) The actuarial method to establish the required level of primary security for each reinsurance treaty subject to this section shall be VM-20, applied on a treaty-by-treaty basis, including all relevant definitions, from the valuation manual then in effect, applied as follows:
 - a. For covered policies described in sub-subdivision a. of subdivision (2) of subsection (b) of this section, the actuarial method is the greater of the deterministic reserve or the net premium reserve regardless of whether the criteria for exemption testing can be met. However, if the covered policies do not meet the requirements of the stochastic reserve exclusion test in the valuation manual, then the actuarial method is the greatest of the deterministic reserve, the stochastic reserve, or the net premium reserve. In addition, if those covered policies are reinsured in a reinsurance treaty that also contains covered policies described in sub-subdivision b. of subdivision (2) of subsection (b) of this section, then the ceding insurer may elect to instead use sub-subdivision b. of this subdivision as the actuarial method for the entire reinsurance agreement. Whether this sub-subdivision or sub-subdivision b. of this subdivision is used, the actuarial method must comply with any requirements or restrictions that the valuation manual imposes when aggregating these policy types for purposes of principle-based reserve calculations.
 - b. For covered policies described in sub-subdivision b. of subdivision (2) of subsection (b) of this section, the actuarial method is the greatest of the deterministic reserve, the stochastic reserve, or the net premium reserve, regardless of whether the criteria for exemption testing can be met.
 - c. Except as provided in sub-subdivision d. of this subdivision, the actuarial method is to be applied on a gross basis to all risks with respect to the covered policies as originally issued or assumed by the ceding insurer.

- d. If the reinsurance treaty cedes less than one hundred percent (100%) of the risk with respect to the covered policies, then the required level of primary security may be reduced as follows:
1. If a reinsurance treaty cedes only a quota share of some or all of the risks pertaining to the covered policies, then the required level of primary security, as well as any adjustment under sub-subdivision c. of this subdivision, may be reduced to a pro rata portion in accordance with the percentage of the risk ceded.
 2. If the reinsurance treaty in a non-exempt arrangement cedes only the risks pertaining to a secondary guarantee, then the required level of primary security may be reduced by an amount determined by applying the actuarial method on a gross basis to all risks, other than risks related to the secondary guarantee, pertaining to the covered policies, except that for covered policies for which the ceding insurer did not elect to apply the provisions of VM-20 to establish statutory reserves, the required level of primary security may be reduced by the statutory reserve retained by the ceding insurer on those covered policies, where the retained reserve of those covered policies should be reflective of any reduction pursuant to the cession of mortality risk on a yearly renewable term basis in an exempt arrangement.
 3. If a portion of the covered policy risk is ceded to another reinsurer on a yearly renewable term basis in an exempt arrangement, then the required level of primary security may be reduced by the amount resulting by applying the actuarial method including the reinsurance section of VM-20 to the portion of the covered policy risks ceded in the exempt arrangement, except that for covered policies issued prior to January 1, 2017, this adjustment is not to exceed the value of cx divided by double the number of reinsurance premiums per year, where cx is calculated using the same mortality table used in calculating the net premium reserve.
 4. For any other treaty ceding a portion of risk to a different reinsurer, including stop loss, excess of loss, and other nonproportional reinsurance treaties, there will be no reduction in the required level of primary security.

It is possible for any combination of sub-sub-subdivisions in this sub-subdivision to apply. In this case, the adjustments to the required level of primary security will be done in the sequence that accurately reflects the portion of the risk ceded via the treaty. The ceding insurer shall document the rationale and steps taken to accomplish the adjustments to the required level of primary security due to the cession of less than one hundred percent (100%) of the risk.

The adjustments for other reinsurance will be made only with respect to reinsurance treaties entered into directly by the ceding insurer. The

- ceding insurer will make no adjustment as a result of a retrocession treaty entered into by the assuming insurers.
- e. In no event will the required level of primary security resulting from application of the actuarial method exceed the amount of statutory reserves ceded.
 - f. If the ceding insurer cedes risks with respect to covered policies, including any riders, in more than one reinsurance treaty subject to this section, then in no event will the aggregate required level of primary security for those reinsurance treaties be less than the required level of primary security calculated using the actuarial method as if all risks ceded in those treaties were ceded in a single treaty subject to this section.
 - g. If a reinsurance treaty subject to this section cedes risk on both covered and noncovered policies, then credit for the ceded reserves shall be determined as follows:
 - 1. The actuarial method shall be used to determine the required level of primary security for the covered policies, and subsections (f), (g), and (h) of this section shall be used to determine the reinsurance credit for the covered policy reserves.
 - 2. Credit for the noncovered policy reserves shall be granted only to the extent that, in addition to the security held to satisfy the requirements of sub-subdivision a. of this subdivision, security is held by or on behalf of the ceding insurer, in accordance with G.S. 58-7-21(b) and G.S. 58-7-26(a). Any primary security used to meet the requirements of this sub-subdivision may not be used to satisfy the required level of primary security for the covered policies.
- (2) Valuation used for purposes of calculations. – For the purposes of both calculating the required level of primary security pursuant to the actuarial method under subsection (e) of this section and determining the amount of primary security and other security, as applicable, held by or on behalf of the ceding insurer, both of the following shall apply:
- a. For assets, including any assets held in trust, that would be admitted under the NAIC Accounting Practices and Procedures Manual if they were held by the ceding insurer, the valuations are to be determined according to statutory accounting procedures as if those assets were held in the ceding insurer's general account and without taking into consideration the effect of any prescribed or permitted practices.
 - b. For all other assets, the valuations are to be those that were assigned to the assets for the purpose of determining the amount of reserve credit taken. In addition, the asset spread tables and asset default cost tables required by VM-20 shall be included in the actuarial method if adopted by the NAIC's Life Actuarial (A) Task Force no later than the December 31 on or immediately preceding the valuation date for which the required level of primary security is being calculated. The tables of asset

spreads and asset default costs shall be incorporated into the actuarial method in the manner specified in VM-20.

(f) Requirements Applicable to Covered Policies to Obtain Credit for Reinsurance; Opportunity for Remediation. – Subject to the exemptions described in subsection (d) of this section and the provisions of subsections (g) and (h) of this section, credit for reinsurance shall be allowed with respect to ceded liabilities pertaining to covered policies pursuant to G.S. 58-7-21(b) or G.S. 58-7-26(a) if, in addition to all other requirements imposed by law or regulation, all the following requirements are met on a treaty-by-treaty basis:

- (1) The ceding insurer's statutory policy reserves with respect to the covered policies are established in full and in accordance with the applicable requirements of G.S. 58-58-50 and related regulations and actuarial guidelines, and credit claimed for any reinsurance treaty subject to this section does not exceed the proportionate share of those reserves ceded under the contract.
- (2) The ceding insurer determines the required level of primary security with respect to each reinsurance treaty subject to this section and provides support for its calculation, as determined to be acceptable to the Commissioner.
- (3) Funds consisting of primary security, in an amount at least equal to the required level of primary security, are held by or on behalf of the ceding insurer as security under the reinsurance treaty within the meaning of G.S. 58-7-26(a) on a funds withheld, trust, or modified coinsurance basis.
- (4) Funds consisting of other security, in an amount at least equal to any portion of the statutory reserves as to which primary security is not held pursuant to subdivision (3) of this subsection, are held by or on behalf of the ceding insurer as security under the reinsurance treaty within the meaning of G.S. 58-7-26(a).
- (5) Any trust used to satisfy the requirements of this subsection shall comply with all of the conditions and qualifications of 11 NCAC 11C.0504, except for the following:
 - a. Funds consisting of primary security or other security held in trust shall, for the purposes identified in subdivision (2) of subsection (e) of this section, be valued according to the valuation rules set forth by that subdivision, as applicable.
 - b. There are no affiliate investment limitations with respect to any security held in such trust if that security is not needed to satisfy the requirements of subdivision (3) of this subsection.
 - c. The reinsurance treaty must prohibit withdrawals or substitutions of trust assets that would leave the fair market value of the primary security within the trust, when aggregated with primary security outside the trust that is held by or on behalf of the ceding insurer in the manner required by subdivision (3) of this subsection, below one hundred two percent (102%) of the level required by subdivision (3) of this section at the time of the withdrawal or substitution.
 - d. The determination of reserve credit under 11 NCAC 11C.0504(d)(3) shall be determined according to the valuation rules set forth in subdivision (2) of subsection (e) of this section, as applicable.
- (6) The reinsurance treaty has been approved by the Commissioner.

(g) The requirements of subsection (f) of this section must be satisfied as of the date that risks under covered policies are ceded, if that date is on or after the effective date of this section, and on an ongoing basis thereafter. Under no circumstances shall a ceding insurer take or consent to any action or series of actions that would result in a deficiency under subdivision (3) or (4) of subsection (f) of this section with respect to any reinsurance treaty under which covered policies have been ceded. If a ceding insurer becomes aware at any time that a deficiency under subdivision (3) or (4) of subsection (f) of this section exists, then it shall use its best efforts to arrange for the deficiency to be eliminated as expeditiously as possible.

(h) Prior to the due date of each quarterly or annual statement, each life insurance company that has ceded reinsurance within the scope of subsection (c) of this section shall perform an analysis, on a treaty-by-treaty basis, to determine, as to each reinsurance treaty under which covered policies have been ceded, whether, as of the end of the immediately preceding calendar quarter, the valuation date, the requirements of subdivisions (3) and (4) of subsection (f) of this section were satisfied. The ceding insurer shall establish a liability equal to the excess of the credit for reinsurance taken over the amount of primary security actually held pursuant to subdivision (3) of subsection (f) of this section, unless either of the following applies:

- (1) The requirements of subdivisions (3) and (4) of subsection (f) of this section were fully satisfied as of the valuation date as to such reinsurance treaty.
- (2) Any deficiency has been eliminated before the due date of the quarterly or annual statement to which the valuation date relates through the addition of primary security or other security, as applicable, in an amount and in a form as would have caused the requirements of subdivisions (3) and (4) of subsection (f) of this section to be fully satisfied as of the valuation date.

Nothing in this subsection shall be construed to allow a ceding company to maintain any deficiency under subdivisions (3) and (4) of subsection (f) of this section for any period of time longer than is reasonably necessary to eliminate it.

(i) Severability. – If any provision of this section is held invalid, the remainder shall not be affected.

(j) Prohibition Against Avoidance. – No insurer that has covered policies to which this section applies, as set forth in subsection (c) of this section, shall take any action or series of actions, or enter into any transaction or arrangement or series of transactions or arrangements if the purpose of such action, transaction or arrangement, or series thereof is to avoid the requirements of this section, or to circumvent its purpose and intent.

(k) Effective Date. – This section shall become effective September 1, 2021, and apply to all covered policies in force on or after that date. (2021-114, s. 2.)

§ 58-7-25: Repealed by Session Laws 1991, c. 681, s. 23.

§ 58-7-26. Asset or reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of G.S. 58-7-21.

(a) An asset or a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of G.S. 58-7-21 shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the

exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified United States financial institution as defined in subsection (c) of this section. This security may be in the form of:

- (1) Cash;
- (2) Securities that are listed by the Securities Valuation Office of the NAIC, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;
- (3) Clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified United States financial institution, as defined in subsection (b) of this section, effective no later than December 31 of the year for which the filing is being made, and in the possession of, or in trust for, the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever occurs first; or
- (4) Any other form of security acceptable to the Commissioner.

(b) For purposes of subdivision (a)(3) of this section, a "qualified United States financial institution" means an institution that:

- (1) Is organized, or in the case of a United States office of a foreign banking organization licensed, under the laws of the United States or any of its states;
- (2) Is regulated, supervised, and examined by United States federal or state authorities having regulatory authority over banks and trust companies; and
- (3) Has been determined by either the Commissioner or the Securities Valuation Office of the NAIC to meet such standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the Commissioner.

(c) A "qualified United States financial institution" means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

- (1) Is organized, or in the case of a United States branch or agency office of a foreign banking organization licensed, under the laws of the United States or any of its states and has been granted authority to operate with fiduciary powers; and
- (2) Is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.

(d) This section applies to all reinsurance cessions made on or after January 1, 1992, under reinsurance agreements that have an inception, anniversary, or renewal date on or after January 1, 1992. (1991, c. 681, s. 22; 2001-223, s. 3.2; 2006-105, s. 1.3; 2017-136, s. 3.)

§ 58-7-30. Insolvent ceding insurer.

(a) Notwithstanding any other provision of this Article, no credit shall be allowed, as an admitted asset or as a reduction from liability, to any ceding insurer for reinsurance, unless the reinsurance is payable by the assuming insurer, on the basis of reported claims allowed by the court overseeing the liquidation against the ceding insurer under the contract or contracts reinsured

without diminution because of the insolvency of the ceding insurer, directly to the ceding insurer or to its domiciliary receiver except (1) where the contract or other written agreement specifically provides for another payee of the reinsurance in the event of the insolvency of the ceding insurer or (2) where the assuming insurer, with the consent of the direct insured or insureds, has assumed the policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under the policies and in substitution of the obligations of the ceding insurer to the payees.

(b) No credit shall be allowed, as an admitted asset or as a reduction from liability, to any ceding insurer for reinsurance, unless the reinsurance is documented by a policy, certificate, treaty, or other form of agreement that is properly executed by an authorized officer of the assuming insurer. If the reinsurance is ceded through an underwriting manager or agent, the manager or agent shall provide to the domestic ceding insurer evidence of the manager or agent's authority to assume reinsurance for and on behalf of the assuming insurer. The evidence shall consist of either an acceptable letter of authority executed by an authorized officer of the assuming insurer or a copy of the actual agency agreement between the underwriting manager or agent and the assuming insurer; and the evidence shall be specific as to the classes of business within the authority and as to the term of the authority. If there is any conflict between this subsection and Article 9 of this Chapter, the provisions of Article 9 govern.

(c) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against the ceding insurer on the contract reinsured within a reasonable time after the claim is filed in the liquidation proceeding. During the pendency of the claim, any assuming insurer may investigate the claim and interpose at its own expense in the proceeding where the claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator. The expense may be filed as a claim against the insolvent ceding insurer to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. Where two or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to the claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though the expense had been incurred by the ceding insurer. (1985, c. 572, s. 1; 1995, c. 193, s. 14; c. 517, s. 4; 2001-223, s. 3.3.)

§ 58-7-31. Life and health reinsurance agreements.

(a) Notwithstanding any other provision of this Article, this section applies to every domestic life and accident and health insurer, to every other licensed life and accident and health insurer that is not subject to a substantially similar statute or administrative rule in its domiciliary state, and to every licensed property and casualty insurer with respect to its accident and health business. This section does not apply to assumption reinsurance, yearly renewable term reinsurance, nor to certain nonproportional reinsurance, such as stop loss or catastrophe reinsurance.

(b) No insurer shall, for reinsurance ceded, reduce any liability or establish any asset in any financial statement filed with the Commissioner if, by the terms of the reinsurance agreement, in substance or effect, any of the following conditions exist:

- (1) Renewal expense allowances provided or to be provided to the ceding insurer by the reinsurer in any accounting period, are not sufficient to cover anticipated allocable renewal expenses of the ceding insurer on the portion of the business reinsured, unless a liability is established for the present value of the shortfall, using assumptions equal to the applicable statutory reserve basis on the business

- reinsured. Those expenses include commissions, premium taxes, and direct expenses including, but not limited to, billing, valuation, claims, and maintenance expected by the company at the time the business is reinsured.
- (2) The ceding insurer can be deprived of surplus or assets at the reinsurer's option or automatically upon the occurrence of some event, such as the insolvency of the ceding insurer; except that termination of the reinsurance agreement by the reinsurer for nonpayment of reinsurance premiums or other amounts due, such as modified coinsurance reserve adjustments, interest, and adjustments on funds withheld, and tax reimbursements, are not a deprivation of surplus or assets.
 - (3) The ceding insurer is required to reimburse the reinsurer for negative experience under the reinsurance agreement; except that neither offsetting experience refunds against current and prior years' losses under the reinsurance agreement nor payment by the ceding insurer of an amount equal to the current and prior years' losses under the reinsurance agreement upon voluntary termination of in-force reinsurance by the ceding insurer are a reimbursement to the reinsurer for negative experience. Voluntary termination does not include situations where termination occurs because of unreasonable provisions that allow the reinsurer to reduce its risk under the reinsurance agreement.
 - (4) The ceding insurer must, at specific points in time scheduled in the reinsurance agreement, terminate or automatically recapture all or part of the reinsurance ceded.
 - (5) The reinsurance agreement involves the possible payment by the ceding insurer to the reinsurer of amounts other than from income realized from the reinsured policies. No ceding company shall pay reinsurance premiums or other fees or charges to a reinsurer that are greater than the direct premiums collected by the ceding company.
 - (6) The treaty does not transfer all of the significant risk inherent in the business being reinsured. The following table identifies for a representative sampling of products or type of business, the risks that are considered to be significant. For products not specifically included, the risks determined to be significant shall be consistent with this table.

Risk Categories:

- a.= Morbidity.
- b.= Mortality.
- c.= Lapse. (This is the risk that a policy will voluntarily terminate before the recoupment of a statutory surplus strain experienced at issue of the policy.)
- d.= Credit Quality (C1). (This is the risk that invested assets supporting the reinsured business will decrease in value. The main hazards are that assets will default or that there will be a decrease in earning power. It excludes market value declines due to changes in interest rate.)
- e.= Reinvestment (C3). (This is the risk that interest rates will fall and funds reinvested [coupon payments or monies received upon asset maturity or call] will therefore earn less than expected. If asset durations are less than liability durations, the mismatch will increase.)

- f.= Disintermediation (C3). (This is the risk that interest rates will rise and policy loans and surrenders increase or maturing contracts do not renew at anticipated rates of renewal. If asset durations are greater than the liability durations, the mismatch will increase. Policyholders will move their funds into new products offering higher rates. The company may have to sell assets at a loss to provide for these withdrawals.)

- (7) a. The credit quality, reinvestment, or disintermediation risk is significant for the business reinsured and the ceding company does not (other than for the classes of business excepted in subdivision (7)b. of this section) either transfer the underlying assets to the reinsurer or legally segregate such assets in a trust or escrow account or otherwise establish a mechanism satisfactory to the Commissioner that legally segregates, by contract or contractual provisions, the underlying assets.
- b. Notwithstanding the requirements of subdivision (7)a. of this section, the assets supporting the reserves for the following classes of business and any classes of business that do not have a significant credit quality, reinvestment, or disintermediation risk may be held by the ceding company without segregation of those assets:
- Health Insurance – LTC/LTD
 - Traditional Non-Par Permanent
 - Traditional Par Permanent
 - Adjustable Premium Permanent
 - Indeterminate Premium Permanent

– Universal Life Fixed Premium
(no dump-in premiums allowed)

The associated formula for determining the reserve interest rate adjustment must use a formula that reflects the ceding company's investment earnings and incorporates all realized and unrealized gains and losses reflected in the statutory statement. The following is an acceptable formula:

$$\text{Rate} = \frac{2(I + CG)}{X + Y - I - CG}$$

Where: I is the net investment income.

CG is capital gains less capital losses.

X is the current year cash and invested assets plus investment income due and accrued less borrowed money.

Y is the same as X but for the prior year.

- (8) Settlements are made less frequently than quarterly or payments due from the reinsurer are not made in cash within 90 days after the settlement date.
- (9) The ceding insurer is required to make representations or warranties not reasonably related to the business being reinsured.
- (10) The ceding insurer is required to make representations or warranties about future performance of the business being reinsured.
- (11) The reinsurance agreement is entered into for the principal purpose of producing significant surplus aid for the ceding insurer, typically on a temporary basis, while not transferring all of the significant risks inherent in the business reinsured and, in substance or effect, the expected potential liability to the ceding insurer remains basically unchanged.

(c) Notwithstanding subsection (b) of this section, an insurer may, with the prior approval of the Commissioner, take such reserve credit or establish such asset as the Commissioner deems to be consistent with the insurance laws or rules of this State, including actuarial interpretations or standards adopted by the Commissioner.

- (d)
 - (1) Reinsurance agreements entered into after October 1, 1993, that involve the reinsurance of business issued prior to the effective date of the reinsurance agreements, along with any subsequent amendments thereto, shall be filed by the ceding company with the Commissioner within 30 days after its date of execution. Each filing shall include data detailing the financial impact of the transaction. The ceding insurer's actuary who signs the financial statement actuarial opinion with respect to valuation of reserves shall consider this statute and any applicable actuarial standards of practice when determining the proper credit in financial statements filed with the Commissioner. The actuary should maintain adequate documentation and be prepared upon request to describe the actuarial work performed for inclusion in the financial statements and to demonstrate that such work conforms to this statute.
 - (2) Any increase in surplus net of federal income tax resulting from arrangements described in subdivision (d)(1) of this section shall be identified separately on the insurer's statutory financial statement as a surplus item (aggregate write-ins for gains and losses in surplus in the Capital and Surplus Account, page 4 of the Annual Statement) and recognition of the surplus increase as income shall be

reflected on a net of tax basis in the "Reinsurance Ceded" line, page 4 of the Annual Statement as earnings emerge from the business reinsured.

(e) No reinsurance agreement or amendment to any reinsurance agreement may be used to reduce any liability or to establish any asset in any financial statement filed with the Commissioner, unless the reinsurance agreement, amendment, or a binding letter of intent has been duly executed by both parties no later than the "as of date" of the financial statement.

(f) In the case of a letter of intent, a reinsurance agreement or an amendment to a reinsurance agreement must be executed within a reasonable period of time, not exceeding 90 days after the execution date of the letter of intent, in order for credit to be granted for the reinsurance ceded.

(g) The reinsurance agreement shall contain provisions that provide that:

(1) The reinsurance agreement shall constitute the entire reinsurance agreement between the parties with respect to the business being reinsured thereunder and that there are no understandings between the parties other than as expressed in the reinsurance agreement; and

(2) Any change or modification to the reinsurance agreement shall be null and void unless made by amendment to the reinsurance agreement and signed by both parties.

(h) Insurers subject to this section shall reduce to zero by December 31, 1994, any reserve credits or assets established with respect to reinsurance agreements entered into prior to October 1, 1993, that, under the provisions of this section, would not be entitled to recognition of such reserve credits or assets; provided, however, that such reinsurance agreements shall have been in compliance with laws or regulations in existence immediately preceding October 1, 1993. (1993, c. 452, s. 4; 1993 (Reg. Sess., 1994), c. 678, s. 9; 1995, c. 193, ss. 15, 16; 2001-223, ss. 3.4, 3.5.)

§ 58-7-32: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-7-33. Minimum policyholders' surplus to assume property or casualty reinsurance.

(a) Notwithstanding any other provision of law, no domestic property or casualty insurer with less than ten million dollars (\$10,000,000) in policyholders' surplus may, without the Commissioner's prior written approval, assume reinsurance on any risk that it is otherwise permitted to assume except where the reinsurance is:

(1) Required by applicable law or regulation; or

(2) Assumed under pooling arrangement among members of the same holding company system.

(b) This section applies to reinsurance contracts entered into or renewed on or after July 13, 1991.

(c) This section does not invalidate any reinsurance contract that was entered into before July 13, 1991, as between the parties to the contract. (1991, c. 681, s. 26.)

§ 58-7-35. Manner of creating such corporations.

The procedure for organizing such corporations is as follows: The proposed incorporators, not less than 10 in number, a majority of whom must be residents of the State, shall subscribe articles of association setting forth their intention to form a corporation; its proposed name, which must not so closely resemble the name of an existing corporation doing business under the laws of this State as

to be likely to mislead the public, and must be approved by the Commissioner; the class of insurance it proposes to transact and on what business plan or principle; the place of its location within the State, and if on the stock plan, the amount of its capital stock. The words "insurance company," "insurance association," or "insurance society" or "life" or "casualty" or "indemnity," or an acceptable alternative approved by the Commissioner, must be a part of the title of any such corporation. The certificate of incorporation must be subscribed and sworn to by the incorporators before an officer authorized to take acknowledgment of deeds, who shall forthwith certify the certificate of incorporation, as so made out and signed, to the Commissioner at his office in the City of Raleigh. The Commissioner shall examine the certificate, and if he approves of it and finds that the requirements of the law have been complied with, shall certify such facts, by certificate on such articles, to the Secretary of State. Upon the filing in the office of the Secretary of State of the certificate of incorporation and attached certificates, and the payment of a charter fee in the amount required for private corporations, and the same fees to the Secretary of State, the Secretary of State shall cause the certificate and accompanying certificates to be recorded in his office, and shall issue a certificate in the following form:

Be it known that, whereas (here the names of the subscribers to the articles of association shall be inserted) have associated themselves with the intention of forming a corporation under the name of (here the name of the corporation shall be inserted), for the purpose (here the purpose declared in the articles of association shall be inserted), with a capital (or with a permanent fund) of (here the amount of capital or permanent fund fixed in the articles of association shall be inserted), and have complied with the provisions of the statute of this State in such case made and provided, as appears from the following certified articles of association: (here copy articles of association and accompanying certificates). Now, therefore, I (here the name of the Secretary shall be inserted), Secretary of State, hereby certify that (here the names of the subscribers to the articles of association shall be inserted), their associates and successors, are legally organized and established as, and are hereby made, an existing corporation under the name of (here the name of the corporation shall be inserted), with such articles of association, and have all the powers, rights, and privileges and are subject to the duties, liabilities, and restrictions which by law appertain thereto.

Witness my official signature hereunto subscribed, and the seal of the State of North Carolina hereunto affixed, this the _____ day of _____, in the year ____ (in these blanks the day, month, and year of execution of this certificate shall be inserted; and in the case of purely mutual companies, so much as relates to capital stock shall be omitted).

The Secretary of State shall sign the certificate and cause the seal of the State to be affixed to it, and such certificate of incorporation and certificate of the Secretary of State has the effect of a special charter and is conclusive evidence of the organization and establishment of the corporation. The Secretary of State shall also cause a record of his certificate to be made, and a certified copy of this record may be given in evidence with the same effect as the original certificate.

Subject to G.S. 58-8-5, any proposed change in the articles of incorporation shall be filed with the Commissioner, who shall examine the change. If the Commissioner approves the change, the Commissioner shall place a certificate of approval on the change, and forward it to the Secretary of State. (1899, c. 54, s. 25; 1903, c. 438, ss. 2, 3; Rev., s. 4727; C.S., s. 6328; 1957, c. 98; 1987 (Reg. Sess., 1988), c. 975, s. 15; 1989, c. 485, s. 50; 1991, c. 720, ss. 4, 53; 1993, c. 504, s. 4.)

§ 58-7-37. Background of incorporators and proposed management personnel.

(a) Before a license is issued to a new domestic insurance company, each key person must furnish the Commissioner a complete set of the applicant's fingerprints. The applicant's fingerprints shall be certified by an authorized law enforcement officer. The fingerprints of every applicant shall be forwarded to the State Bureau of Investigation for a search of the applicant's criminal history record file, if any. If warranted, the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history record check. An applicant shall pay the cost of the State and any national criminal history record check of the applicant.

(b) As used in this section, "key person" means a proposed officer, director, or any other individual who will be in a position to influence the operating decisions of a domestic insurance company.

(c) The Commissioner may refuse to approve the formation or initial license of a new domestic insurance company under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds as to the incorporators or other key person any one or more of the following conditions:

- (1) Any untrue material statement regarding the background or experience of any incorporator or other key person;
- (2) Violation of, or noncompliance with, any insurance laws, or of any rule or order of the Commissioner or of a commissioner of another state by any incorporator or other key person;
- (3) Obtaining or attempting to obtain the license through misrepresentation or fraud;
- (4) An incorporator or other key person has been convicted of a felony;

At the first meeting, or any adjournment thereof, an organization shall be effected by the choice of a temporary clerk, who shall be sworn; by the adoption of bylaws; and by the election of directors and such other officers as the bylaws require; but at this meeting no person may be elected director who has not signed the certificate of incorporation. The president, secretary, and a majority of the directors shall forthwith make, sign, and swear to a certificate setting forth a copy of the certificate of incorporation, with the names of the subscribers thereto, the date of the first meeting and of any adjournments thereof, and shall submit such certificate and the records of the corporation to the Commissioner of Insurance, who shall examine the same, and who may require such other evidence as he deems necessary. If upon his examination the Commissioner of Insurance approves of the bylaws and finds that the requirements of the law have been complied with, he shall issue a license to the company to do business in the State, as is provided for in this Chapter. (1899, c. 54, s. 25; 1903, c. 438, ss. 2, 3; Rev., s. 4728; C.S., s. 6329.)

§ 58-7-45. Bylaws; classification and election of directors; amendments.

(a) A domestic company may adopt bylaws for the conduct of its business that are not repugnant to law or its articles of incorporation and therein provide for the division of its board of directors into two, three, or four classes, and the election thereof at its annual meetings so that the members of one class only shall retire and their successors be chosen each year. Vacancies in any such class may be filled by election by the board for the unexpired term.

(b) Any change in the bylaws of a domestic company shall be promptly filed with the Commissioner. (1899, c. 54, s. 22; Rev., s. 4724; C.S., s. 6330; 1993, c. 504, s. 5.)

Notice shall include the name of the insurer, the name of the person previously holding the position of president or chief executive officer, the name of the person currently holding the position, and the date the position change took place. (2005-215, s. 6.)

§ 58-7-50. Maintenance and removal of records and assets.

(a) Every domestic insurer shall maintain its home or principal office in this State and keep therein complete records of its assets, transactions, and affairs, specifically including:

- (1) Financial records;
- (2) Corporate records;
- (3) Reinsurance documents;
- (4) All accounting transactions;
- (5) Claim files; and

(b) Every domestic insurer shall have and maintain its assets in this State, except as to:

- (1) Real property and personal property appurtenant thereto lawfully owned by the insurer and located outside this State; and
- (2) Such property of the insurer as may be customary, necessary, and convenient to enable and facilitate the operation of its branch offices, regional home offices, and operations offices, located outside this State as referred to in G.S. 58-7-55.

(c) The removal from this State of all or a part of the records or assets of a domestic insurer except pursuant to a plan of merger or consolidation approved by the Commissioner or for such reasonable purposes and periods of time as may be approved by the Commissioner in writing in advance of such removal, or concealment of such records or assets or part thereof from the Commissioner is prohibited. Any person who, without the prior approval of the Commissioner, removes or attempts to remove such records or assets or part thereof from the office or offices in which they are required to be kept and maintained under subsection (a) of this section or who conceals or attempts to conceal such records from the Commissioner, in violation of this subsection, shall be guilty of a Class I felony. Upon any removal or attempted removal of such records or assets or upon retention of such records or assets or part thereof outside this State, beyond the period therefor specified in the consent of the Commissioner under which consent the records were so removed thereat, or upon concealment of or attempt to conceal records or assets in violation of this section, the Commissioner may institute delinquency proceedings against the insurer pursuant to the provisions of Article 30 of this Chapter.

(d) This section is subject to the exceptions provided in G.S. 58-7-55. The Commissioner may allow a domestic insurer to maintain certain records or assets outside this State.

(e) Every domestic insurer that has its home or principal office in a location outside this State on October 1, 1993, shall petition the Commissioner for approval to continue to operate in that manner. The Commissioner, in determining whether to approve or disapprove the petition, shall consider the exceptions of G.S. 58-7-55, as well as any other factors that might affect the Commissioner's ability to regulate the insurer, or that might affect the insurer's ability to service or protect its policyholders. (1985 (Reg. Sess., 1986), c. 1013, s. 7; 1989, c. 452, s. 3; 1993, c. 452, s. 5; c. 539, s. 1270; 1994, Ex. Sess., c. 24, s. 14(c); 1998-212, s. 26B(a).)

§ 58-7-55. Exceptions to requirements of G.S. 58-7-50.

The provisions of G.S. 58-7-50 shall not be deemed to prohibit or prevent an insurer from:

- (1) Establishing and maintaining branch offices or regional home offices in other states where necessary or convenient to the transaction of its business and keeping therein the detailed records and assets customary and reasonably necessary for the servicing of its insurance in force and affairs in the territory served by such an office, as long as such records and assets are made readily available at such office for examination by the Commissioner at his request.
- (2) Having, depositing, or transmitting funds and assets of the insurer in or to jurisdictions outside this State as required by other jurisdictions as a condition of transacting insurance in such jurisdictions reasonably and customarily required in the regular course of its business.
- (3) Establishing and maintaining its principal operations offices, its usual operations records, and such of its assets as may be necessary or convenient for the purpose, in another state in which the insurer is authorized to transact insurance in order that general administration of its affairs may be combined

with that of an affiliated insurer or insurers, but subject to the following conditions:

- a. That the Commissioner consents in writing to such removal of offices, records, and assets from this State upon evidence satisfactory to him that the same will facilitate and make more economical the operations of the insurer, and will not unreasonably diminish the service or protection thereafter to be given the insurer's policyholders in this State and elsewhere;
 - b. That the insurer will continue to maintain in this State its principal corporate office or place of business, and maintain therein available to the inspection of the Commissioner complete records of its corporate proceedings and a copy of each financial statement of the insurer current within the preceding five years, including a copy of each interim financial statement prepared for the information of the insurer's officers or directors;
 - c. That, upon the written request of the Commissioner, the insurer will with reasonable promptness produce at its principal corporate offices in this State for examination or for subpoena, its records or copies thereof relative to a particular transaction or transactions of the insurer as designated by the Commissioner in his request; and
 - d. That if at any time the Commissioner finds that the conditions justifying the maintenance of such offices, records, and assets outside of this State no longer exist, or that the insurer has willfully and knowingly violated any of the conditions stated in sub-subdivisions b. and c., the Commissioner may order the return of such offices, records, and assets to this State within such reasonable time, not less than six months, as may be specified in the order; and that for failure to comply with such order, as thereafter modified or extended, if any, the Commissioner shall suspend or revoke the insurer's license.
- (4) Placing its investment assets in one or more custodial accounts inside or outside of this State with banks, trust companies, or other similar institutions pursuant to custodial agreements approved by the Commissioner.
 - (5) Permitting policyholder and certificate holder records and claims and other information to be kept and maintained by insurance producers, agents, general agents, third-party administrators, creditors, employers, associations, and others in the ordinary course of business in a manner customary or suitable to the kind or kinds of insurance transacted; provided, however, that the insurer shall, upon reasonable notice, make available to the Commissioner or his designee any records or other information permitted by this subsection to be maintained outside this State. (1985 (Reg. Sess., 1986), c. 1013, s. 7; 1999-132, s. 9.1; 2022-46, s. 14(p).)

Such domestic insurer shall be entitled to like certificates of authority to transact business in this State and shall be subject to the authority and jurisdiction of this State. (1987, c. 752, s. 10.)

§ 58-7-65. Conversion to foreign insurer.

Any domestic insurer may, upon the approval of the Commissioner, transfer its domicile to any other state in which it is licensed to transact the business of insurance. Upon such a transfer such insurer shall cease to be a domestic insurer and shall be licensed in this State, if qualified, as a foreign insurer. The Commissioner shall approve any such proposed transfer unless he determines that such transfer is not in the interest of the policyholders of this State. (1987, c. 752, s. 10.)

§ 58-7-70. Effects of redomestication.

The license, agent appointments and licenses, rates, and other items that the Commissioner authorizes or grants, in his discretion, that are in existence at the time any insurer licensed by the Commissioner transfers its corporate domicile to this or any other state by merger, consolidation, or any other lawful method, shall continue in full force and effect upon the transfer if the insurer remains duly licensed by the Commissioner. All outstanding policies of any transferring insurer shall remain in full force and effect and need not be endorsed as to any new name of the insurer or its new location unless so ordered by the Commissioner. Every transferring insurer shall file new policy forms with the Commissioner on or before the effective date of the transfer, but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the Commissioner: Provided, however, every such transferring insurer shall (i) notify the Commissioner of the details of the proposed transfer and (ii) promptly file any resulting amendments to corporate documents filed or required to be filed with the Commissioner. § 58-7-73. Dissolutions of insurers.

Upon reaching a determination of intent to dissolve and before filing articles of dissolution with the Office of the Secretary of State, a domestic insurer organized under this Chapter shall file a plan of dissolution for approval by the Commissioner. At such time the Commissioner may restrict the license of the insurer. In order to proceed with a dissolution, the plan must be approved by the Commissioner. (2002-187, s. 2.4.)

§ 58-7-80. Capital stock fully paid in cash.

The capital stock shall be paid in cash within 12 months from the date of the charter or certificate of organization, and no certificate of full shares and no policies may be issued until the whole capital is paid in. A majority of the directors shall certify on oath that the money has been paid by the stockholders for their respective shares and is held as the capital of the company invested or to be invested as required by G.S. 58-7-75. (1899, c. 54, s. 27; Rev., s. 4730; C.S., s. 6333; 1945, c. 386.)

§§ 58-7-85 through 58-7-90: Repealed by Session Laws 1991, c. 681, s. 30.

§ 58-7-95. Establishment of separate accounts by life insurance companies.

(a) When used in this section, "variable contract" shall mean any individual or group contract issued by an insurance company providing for life insurance or annuity benefits or contractual payments or values which vary so as to reflect investment results of any segregated portfolio of investments or of a designated separate account or accounts in which amounts received or retained in connection with any of such contracts have been placed.

(b) Any domestic life insurance company may, pursuant to resolution of its board of directors, establish one or more separate accounts and may allocate to such account or accounts amounts (including without limitation proceeds applied under optional modes of settlement or under dividend options) to provide for life insurance, guaranteed investment contracts, or annuities (and benefits incidental thereto) payable in fixed or variable amounts or both.

(c) In addition to the amounts allocated under subsection (b), such company may allocate from its general accounts to such separate account or accounts additional amounts, which may include an initial allocation to establish such account; provided, that such company shall be entitled to withdraw at any time, in whole or in part, its participation in any separate account to which funds have been allocated as provided in this subsection (c), and to receive, upon withdrawal, its proportionate share of the value of the assets of the separate account at the time of withdrawal.

(d) Except as hereinafter provided, the amounts allocated to any separate account and accumulations thereon may be invested and reinvested without regard to any requirements or limitations prescribed by the laws of this State governing the investments of life insurance companies; provided, that to the extent that the company's reserve liability with regard to (i) benefits guaranteed as to amount and duration, and (ii) funds guaranteed as to principal amount or stated rate of interest is maintained in any separate account, a portion of the assets of such separate account at least equal to such reserve liability shall be, except as the Commissioner may otherwise

approve, invested in accordance with the laws of this State governing the investments of life insurance companies. The investments in such separate account or accounts shall not be taken into account in applying the investment limitations applicable to other investments of the company.

(e) Repealed by Session Laws 2001-223, s. 6.3, effective June 15, 2001.

(f) Repealed by Session Laws 2001-223, s. 6.3, effective June 15, 2001.

(g) The life insurance company shall maintain in each separate account assets with a value at least equal to the reserves and other contract liabilities with respect to the account, except as may otherwise be approved by the Commissioner.

(h) The income, if any, and gains and losses, realized or unrealized, from assets allocated to each account shall be credited to or charged against the account without regard to other income, gains or losses of the company.

(i) Unless otherwise approved by the Commissioner, assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then as provided under the terms of the contract or the rules or other written agreement applicable to such separate account; provided, that unless otherwise approved by the Commissioner that portion of the assets of such separate account equal to the company's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (d) hereof, if any, shall be valued in accordance with the rules otherwise applicable to the company's assets. The reserve liability for variable contracts shall be determined in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality guarantees.

(j) If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the company may conduct.

(k) The life insurance company shall have the power and the company's charter shall be deemed amended to authorize such company to do all things necessary under any applicable state or federal law in order that variable contracts may be lawfully sold or offered for sale. To the extent such company deems it necessary to comply with any applicable federal or state laws, such company, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide, for persons having an interest therein, appropriate voting and other rights and special procedures for the conduct of the business of such account, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such company, to manage the business of such account. This provision shall not affect existing laws pertaining to the voting rights of the life insurance company's policyholders.

(l) Amounts allocated to a separate account in the exercise of the power granted by this section shall be owned by the company, and the company shall not be, or hold itself out to be, a trustee with respect to such amounts.

(m) The company shall not, in connection with the allocation of investments or expenses, or in any other respect, discriminate unfairly between separate accounts or between separate and other accounts, but this provision shall not require the company to follow uniform investment policies for its accounts.

(n) No sale, exchange or other transfer of assets may be made by a company between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to

establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made (i) by a transfer of cash, or (ii) by a transfer of securities having a readily determinable market value, provided that such transfer of securities is approved by the Commissioner. The Commissioner may approve other transfers among such accounts if, in his opinion, such transfers would not be inequitable.

(o) Any contract providing benefits payable in variable amounts delivered or issued for delivery in this State shall contain a statement of the essential features of the procedure to be followed by the company in determining the dollar amount of such variable benefits. Any such contract under which the benefits vary to reflect investment experience, including a group contract and any certificate in evidence of variable benefits issued thereunder, shall state that such dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

(p) Any variable annuity contract providing benefits payable in variable amounts issued under this section may include as an incidental benefit provision for payment on death during the deferred period of an amount not in excess of the greater of the sum of the premiums or stipulated payments paid under the contract or the value of the contract at time of death or any other incidental amount approved by the Commissioner; such contracts will be deemed not to be contracts of life insurance and therefore not subject to the provisions of the insurance law governing life insurance contracts. Provision for any other benefit on death during the deferred period will be subject to such insurance provisions.

(q) No domestic life insurance company and no other life insurance company shall deliver or issue for delivery within this State any contracts under this section unless it is licensed or organized to do a life insurance or annuity business in this State, and the Commissioner is satisfied that its financial condition and its methods of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this State. In determining the qualification of a company requesting authority to deliver such contracts within this State, the Commissioner shall consider, among other things:

- (1) The history and financial condition of the company;
- (2) The character, responsibility and general fitness of the officers and directors of the company; and
- (3) The law and regulations under which the company is authorized in the state of domicile to issue variable annuity contracts. The state of entry of an alien company shall be deemed its place of domicile for this purpose.

If the company is a subsidiary of an admitted life insurance company, or affiliated with such company through common management or ownership, it may be deemed by the Commissioner to have met the provisions of this subsection if either it or the parent or affiliated company meets the requirements hereof.

(r) The Commissioner shall have sole and exclusive authority to regulate the issuance by life insurance companies and the sale of such contracts and to issue such reasonable rules and regulations as may be necessary to carry out the purposes and provisions of this section, and such contracts and the life insurance companies which issue them shall not be subject to the Securities Law of North Carolina nor to the jurisdiction of the Secretary of State thereunder.

(s) Except for G.S. 58-58-61 and G.S. 58-58-120 in the case of a variable annuity contract, G.S. 58-58-55, 58-58-120, and 58-58-140(1) in the case of a variable life insurance policy, and except as otherwise provided in this section, all pertinent provisions of this Chapter apply to

separate accounts and contracts issued in connection with separate accounts. Any individual variable life insurance contract, delivered or issued for delivery within this State, shall contain reinstatement and nonforfeiture provisions appropriate to that contract. Any group variable life insurance contract, delivered or issued for delivery within this State, shall contain grace provisions appropriate to that contract. Any individual variable annuity contract, delivered or issued for delivery within this State, shall contain reinstatement provisions appropriate to that contract. (1965, c. 166; 1969, c. 616, s. 2; 1971, c. 831, s. 2; 1973, c. 490; 1979, c. 409, s. 10; 1991, c. 720, s. 4; 1991 (Reg. Sess., 1992), c. 837, s. 7; 2001-223, ss. 6.1, 6.2, 6.3, 6.4; 2003-144, s. 3.)

§ 58-7-100: Repealed by Session Laws 1991, c. 681, s. 30.

§ 58-7-105. Authority to increase or reduce capital stock.

The Commissioner shall, upon application, examine the proceedings of domestic companies to increase or reduce their capital stock, and when found conformable to law shall issue certificates of authority to such companies to transact business upon such increased or reduced capital: Provided, that in no event shall the said capital stock be reduced to an amount less than that required upon organization of such company in G.S. 58-7-75. He shall not allow stockholders' obligations of any description as part of the assets or capital of any stock insurance company unless the same are secured by competent collateral. (1899, c. 54, s. 15; Rev., s. 4732; C.S., s. 6335; 1945, c. 386; 1991, c. 720, s. 4.)

§ 58-7-110. Assessment of shares; revocation of license.

When the net assets of a company organized under this Article do not amount to more than the amount required in G.S. 58-7-75 for its original capital, it may make good its capital to the original amount by assessment of its stock. Shares on which such an assessment is not paid within 60 days after demand shall be forfeitable and may be canceled by vote of the directors and new shares issued to make up the deficiency. If such company does not, within three months after notice from the Commissioner to that effect, make good its capital or reduce the same, as allowed by this Article, its authority to transact new business of insurance shall be revoked by the Commissioner. (1899, c. 54, s. 28; 1903, c. 438, s. 4; Rev., s. 4733; C.S., s. 6336; 1945, c. 386; 1991, c. 720, s. 4.)

§ 58-7-115. Increase of capital stock.

Any company organized under the provisions of Articles 1 through 64 of this Chapter may issue pro rata to its stockholders certificates of any portion of its surplus which shall be considered an increase of its capital to the amount of such certificates. As used in this section, "surplus" means earned surplus; provided, however, issuance of certificates out of paid-in and contributed surplus will be permitted on a case-by-case basis, with the prior approval of the Commissioner. The issuance of those certificates shall not lower the total surplus of the insurer to an amount less than that required to be maintained by G.S. 58-7-75. The company may, at a meeting called for the purpose, vote to increase the amount and number of shares of its capital stock, and to issue certificates therefor when paid for in full. In whichever method the increase is made, the company shall, within 30 days after the issue of such certificates, submit to the Commissioner a certificate setting forth the amount of the increase and the facts of the transaction, signed and sworn to by its president and secretary and a majority of its directors. If the Commissioner finds that the facts conform to the law, he shall endorse his approval thereof; and upon filing such certificate so

endorsed with the Secretary of State, and the payment of a fee of five dollars (\$5.00) for filing the same, the company may transact business upon the capital as increased, and the Commissioner shall issue his certificate to that effect. (1899, c. 54, s. 29; Rev., s. 4734; C.S., s. 6337; 1945, c. 386; 1991, c. 720, s. 4; 1993, c. 452, s. 6.)

§ 58-7-120. Reduction of capital stock.

When the capital stock of a company organized under this Article is impaired, the company may, upon a vote of the majority of the stock represented at a meeting legally called for that purpose, reduce its capital stock and the number of shares thereof to an amount not less than the minimum sum required by law, but no part of its assets and property shall be distributed to its stockholders. Within 10 days after such meeting the company must submit to the Commissioner a certificate setting forth the proceedings thereof and the amount of the reduction and the assets and liabilities of the company, signed and sworn to by its president, secretary, and a majority of its directors. The Commissioner shall examine the facts in the case, and if they conform to law, and in his judgment the proposed reduction may be made without prejudice to the public, he shall endorse his approval upon the certificate. Upon filing the certificate so endorsed with the Secretary of State and paying a filing fee of five dollars (\$5.00), the company may transact business upon the basis of the reduced capital as though it were original capital, and its charter shall be deemed to be amended to conform thereto, and the Commissioner shall issue his certificate to that effect. The company may, by a majority vote of its directors, after the reduction, require the return of the original certificates of stock held by each stockholder in exchange for new certificates it may issue in lieu thereof for such number of shares as each stockholder is entitled to in the proportion that the reduced capital bears to the original capital. (1899, c. 54, s. 30; Rev., s. 4735; C.S., s. 6338; 1991, c. 720, s. 4.)

§ 58-7-125. Dividends not payable when capital stock impaired; liability of stockholders for unlawful dividends.

No dividend shall be paid by any company incorporated in this State when its capital stock is impaired, or when such payment would have the effect of impairing its capital stock; and any dividend so paid subjects the stockholders receiving it to a joint and several liability to the creditors of said company to the extent of the dividend so paid. (1899, c. 54, s. 31; 1903, c. 536, s. 3; Rev., s. 4736; C.S., s. 6339; 1945, c. 386.)

§ 58-7-130. Dividends and distributions to stockholders.

(a) Each domestic insurance company in North Carolina shall be restricted by the Commissioner from the payment of any dividends or other distributions to its stockholders whenever the Commissioner determines from examination of the company's financial condition that the payment of future dividends or other distributions would cause a hazardous financial condition, impair the financial soundness of the company or be detrimental to its policyholders, and those restrictions shall continue in force until the Commissioner specifically permits the payment of dividends or other distributions to stockholders by the company through a written authorization.

(b) A domestic stock insurance company shall not declare or pay dividends or other distributions to its stockholders from any source other than unassigned surplus without the Commissioner's prior written approval. For purposes of this section, "unassigned surplus" means an amount equal to the unassigned funds of a company as reflected in the company's most recent

financial statement filed with the Commissioner under G.S. 58-2-165, including all or part of the surplus arising from unrealized capital gains or revaluation of assets.

(c) A transfer out of paid-in and contributed surplus to common or preferred capital stock will be permitted on a case-by-case basis, with the Commissioner's prior approval, depending on the necessity for a company to make the transfer.

(d) Nothing in this section and no action taken by the Commissioner in any way restricts the liability of stockholders under G.S. 58-7-125.

(e) Dividends and other distributions paid to stockholders are subject to the requirements and limitations of G.S. 58-19-25(d) and G.S. 58-19-30(c). (1945, c. 386; 1991, c. 720, s. 9; 2001-223, s. 5.2; 2002-187, s. 2.5; 2006-105, s. 3.1.)

§ 58-7-135: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-7-140. Certain officers debarred from commissions.

No officer or other person whose duty it is to determine the character of the risk, and upon whose decision the application shall be accepted or rejected by an insurance company, shall receive as any part of his compensation a commission upon the premiums, but his compensation shall be a fixed salary and such share in the net profits as the directors may determine. Nor shall such officer or person be an employee of any officer or agent of the company. (1899, c. 54, s. 32; 1903, c. 438, s. 4; Rev., s. 4738; C.S., s. 6347; 1945, c. 386.)

§ 58-7-145. Restrictions on purchase and sale of equity securities of domestic companies.

(a) Statement of Ownership of Equity Securities. – Every person who is directly or indirectly the beneficial owner of more than ten percent (10%) of any class of any equity security of a domestic stock insurance company or who is a director or an officer of such company shall file in the office of the Commissioner on or before the first day of June, 1966, or within 10 days after he becomes such beneficial owner, director or officer, a statement, in such form as the Commissioner may prescribe, of the amount of all equity securities of such company of which he is the beneficial owner, and within 10 days after the close of each calendar month thereafter if there has been a change in such ownership during such month, shall file in the office of the Commissioner a statement, in such form as the Commissioner may prescribe, indicating his ownership at the close of the calendar month and such changes in his ownership as have occurred during such calendar month.

(b) Profit Made from Sale of Equity Security Held Less than Six Months. – For the purpose of preventing the unfair use of information which may have been obtained by such beneficial owner, director, or officer by reason of his relationship to such company, any profit realized by him from any purchase and sale, or any sale and purchase, of any equity security of such company within a period of less than six months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the company, irrespective of any intention on the part of such beneficial owner, director or officer in entering into such transaction of holding the security purchased or of not repurchasing the security sold for a period exceeding six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the company, or by the owner of any equity security of the company in the name and in behalf of the company, if the company shall fail or refuse to bring such suit within 60 days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized. This section shall

not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the equity security involved, or any transaction or transactions which the Commissioner by rules and regulations may exempt as not comprehended within the purpose of this section.

(c) Delivery of Security Sold. – It shall be unlawful for any such beneficial owner, director or officer, directly or indirectly, to sell any equity security of such company if the person selling the security or his principal (i) does not own the security sold, or (ii) if owning the security, does not deliver it against such sale within 20 days thereafter, or does not within five days after such sale deposit it in the mails or other usual channels of transportation; but no person shall be deemed to have violated this section if he proves that notwithstanding the exercise of good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.

(d) Sales by Dealers. – The provisions of subsection (b) shall not apply to any purchase and sale, or sale and purchase, and the provisions of subsection (c) shall not apply to any sale, of an equity security of a domestic stock insurance company not then or theretofore held by him in an investment account, by a dealer in the ordinary course of his business and incident to the establishment or maintenance by him of a primary or secondary market (otherwise than on an exchange as defined in the Securities Exchange Act of 1934) for such security. The Commissioner may, by such rules and regulations as he deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market.

(e) Arbitrage Transactions. – The provisions of subsections (a), (b) and (c) of this section shall not apply to foreign or domestic arbitrage transactions unless made in contravention of such rules and regulations as the Commissioner may adopt in order to carry out the purposes of this section.

(f) "Equity Security" Defined. – The term "equity security" when used in this section means any stock or similar security; or any security convertible, with or without consideration, into such a security, or carrying any warrant or right to subscribe to or purchase such a security; or any such warrant or right; or any other security which the Commissioner shall deem to be of similar nature and consider necessary or appropriate, by such rules and regulations as he may prescribe in the public interest or for the protection of investors, to treat as an equity security.

(g) Exemptions from Requirements of Section. – The provisions of subsections (a), (b) and (c) hereof shall not apply to equity securities of a domestic stock insurance company if

- (1) Such securities shall be registered, or shall be required to be registered, pursuant to section 12 of the Securities Exchange Act of 1934, as amended, or if
- (2) Such domestic stock insurance company shall not have any class of its equity securities held of record by 100 or more persons on the last business day of the year next preceding the year in which equity securities of the company would be subject to the provisions of subsections (a), (b) and (c) hereof except for the provisions of this subdivision (2).

(h) Rules and Regulations of Commissioner. – The Commissioner shall have the power to make such rules and regulations as may be necessary for the execution of the functions vested in him by subsections (a) through (g) hereof, and may for such purpose classify domestic stock insurance companies, securities, and other persons or matters within his jurisdiction. No provision of subsections (a), (b) and (c) hereof imposing any liability shall apply to any act done or omitted in

good faith in conformity with any rule or regulation of the Commissioner, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or determined by judicial or other authority to be invalid for any reason.

(i) Severability. – If any part or provision of this section or the application thereof to any person or circumstance be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this section or the application thereof to other persons or circumstances. (1965, c. 127, s. 2.)

§ 58-7-150. Consolidation.

(a) A domestic insurer may consolidate with another insurer, subject to the following conditions:

- (1) The plan of consolidation must be submitted to and be approved by the Commissioner before the consolidation.
- (2) The Commissioner shall not approve the plan unless the Commissioner finds that it is fair, equitable to policyholders, consistent with law, and will not conflict with the public interest. If the Commissioner disapproves the plan, the Commissioner shall state the reasons for the disapproval and call for a hearing.
- (3) No director, officer, member or subscriber of any such insurer, except as is expressly provided by the plan of consolidation, shall receive any fee, commission, other compensation or valuable consideration whatever, for in any manner aiding, promoting or assisting in the consolidation.
- (4) Any consolidation as to an incorporated domestic insurer shall in other respects be governed by the general laws of this State relating to business corporations. The consolidation of a domestic mutual insurer may be effected by vote of two thirds of the members voting thereon pursuant to such notice and procedure as the Commissioner may prescribe.

(b) Reinsurance of all or substantially all of the insurance obligations or risks of existing or in-force policies of a domestic insurer by another insurer under an assumption reinsurance agreement, as defined in G.S. 58-10-25(a)(2), shall be deemed a consolidation for the purposes of this section. This section does not apply to consolidations to the extent regulated by Article 19 or other Articles of this Chapter.

(c) Repealed by Session Laws 2005-424, s. 1.3, effective January 1, 2006, and applicable to applications filed, licenses issued, and licenses continued on or after that date. (1947, c. 923; 1955, c. 905; 1985, c. 572, s. 4; 1989 (Reg. Sess., 1990), c. 1069, s. 10; 1993, c. 452, s. 7; 1993 (Reg. Sess., 1994), c. 678, s. 10; 1995, c. 193, s. 18; c. 507, s. 11A(c); 2001-223, ss. 7.1, 7.2; 2005-424, s. 1.3.)

§ 58-7-155: Repealed by Session Laws 2005-424, s. 1.3, effective January 1, 2006, and applicable to applications filed, licenses issued, and licenses continued on or after that date.

§ 58-7-160. Investments unlawfully acquired.

Whenever it appears by examination as authorized by law that a domestic insurer has acquired any assets in violation of the law in force on the date of the acquisition, the Commissioner shall disallow the amount of the assets, if wholly ineligible, or the amount of the value thereof in excess

of any limitation prescribed by this Chapter and shall deduct that amount as a nonadmitted asset of the insurer. (1991, c. 681, s. 29.)

§ 58-7-162. Allowable or admitted assets.

In any determination of the financial condition of an insurer, there shall be allowed as assets only those assets owned by an insurer and that consist of:

- (1) Cash in the possession of the insurer, or in transit under its control, and including the true balance of any deposit in a solvent United States bank, savings and loan association, credit union, or trust company, and the balance of any such deposit in an insolvent United States bank, savings and loan association, credit union, or trust company, to the extent insured by a federal agency.
- (2) Investments, securities, properties, and loans acquired or held in accordance with this Chapter.
- (3) Premium notes, policy loans, and other policy assets and liens on policies and certificates of life insurance and annuity contracts and accrued interest thereon, in an amount not exceeding the legal reserve and other policy liabilities carried on each individual policy.
- (4) The net amount of uncollected and deferred premiums and annuity considerations in the case of a life insurer.
- (5) Repealed by Session Laws 2003-212, s. 5, effective October 1, 2003.
- (6) All premiums in the course of collection not more than 90 days past due, excluding commissions payable thereon, due from any person that solely or in combination with the person's affiliates owes the insurer an amount that equals or exceeds five percent (5%) of the insurer's surplus as regards policyholders, but only if:
 - a. The premiums collected by the person or affiliates and not remitted to the insurer are held in a trust account with a bank or other depository approved by the Commissioner. The funds shall be held as trust funds and may not be commingled with any other funds of the person or affiliates. Disbursements from the trust account may be made only to the insurer, the insured, or, for the purpose of returning premiums, a person that is entitled to returned premiums on behalf of the insured. A written copy of the trust agreement shall be filed with and approved by the Commissioner before becoming effective. The Commissioner shall disapprove any trust agreement filed under this sub-subdivision that does not assure the safety of the premiums collected. The investment income derived from the trust may be allocated as the parties consider to be proper. The person or affiliates shall deposit premiums collected into the trust account within 15 business days after collection; or
 - b. The person or affiliates shall provide to the insurer, and the insurer shall maintain in its possession, an unexpired, clean, irrevocable letter of credit, payable to the insurer, issued for a term of no less than one year and in conformity with the requirements set forth in this sub-subdivision, the amount of which equals or exceeds the liability of the person or affiliates to the insurer, at all times during the period that

the letter of credit is in effect, for premiums collected by the person or affiliates. The letter of credit shall be issued under arrangements satisfactory to the Commissioner and the letter shall be issued by a banking institution that is a member of the Federal Reserve System and that has a financial standing satisfactory to the Commissioner; or

- c. The person or affiliates shall provide to the insurer, and the insurer shall maintain in its possession, evidence that the person or affiliates have purchased and have currently in effect a financial guaranty bond, payable to the insurer, issued for a term of not less than one year and that is in conformity with the requirements set forth in this sub-subdivision, the amount of which equals or exceeds the liability of the person or affiliates to the insurer, at all times during which the financial guaranty bond is in effect, for the premiums collected by the person or persons. Premiums receivable under this subdivision will not be allowed as an admitted asset if a financial evaluation by the Commissioner indicates that the person or affiliates are unlikely to be able to pay the premiums as they become due. The financial evaluation shall be based on a review of the books and records of the controlling or controlled person.

- (8) Certificates of contribution, surplus notes, or other similar evidences of indebtedness, to the extent that admission of these investments results in the double counting of these investments in the reporting entity's balance sheet.
- (9) Any asset that is encumbered in any manner unless the asset is authorized under G.S. 58-7-187 or G.S. 58-7-162(13); provided that an asset that is used as collateral to secure access to advances from a federal home loan bank, as defined by G.S. 58-30-10(9a), shall not be disallowed under the provisions of this section. (1991, c. 681, s. 29; 1993, c. 452, s. 9; 1993 (Reg. Sess., 1994), c. 678, s. 11; 2003-212, s. 7; 2017-164, s. 2; 2018-120, s. 4.1.)

§ 58-7-165. Eligible investments.

(a) Insurers shall invest in or lend their funds on the security of, and shall hold as invested assets, only eligible investments as prescribed in this Chapter.

(b) Any particular investment held by an insurer on December 31, 1991, that was a legal investment when it was made, and that the insurer was legally entitled to possess immediately before January 1, 1992, is an eligible investment.

(1991, c. 681, s. 29.)

§ 58-7-167. General qualifications.

(a) No security or investment, other than real or personal property acquired under G.S. 58-7-187, is eligible for acquisition unless it is interest-bearing or interest-accruing, is entitled to

receive dividends if and when declared and paid, or is otherwise income-producing, is not then in default in any respect, and the insurer is entitled to receive for its exclusive account and benefit the interest or income accruing thereon.

(b) No security or investment shall be eligible for purchase at a price above its market value unless it is approved by the Commissioner and is valued in accordance with valuation procedures of the NAIC that have been adopted by the Commissioner.

(c) This Chapter does not prohibit the acquisition by an insurer of other or additional securities or property if received as a dividend, as a lawful distribution of assets, or under a lawful and bona fide agreement of bulk reinsurance, merger, or consolidation. Any investment so acquired that is not otherwise eligible under this Chapter shall be disposed of under G.S. 58-7-188 if the investment is in property or securities. (1991, c. 681, s. 29.)

§ 58-7-168. Authorization of investment.

An insurer shall not make any investment or loan, other than a policy loan or annuity contract loan of a life insurer, unless the investment or loan is authorized or approved by the insurer's board of directors or by a committee authorized by the board and charged with the supervision or making of the investment or loan. The minutes of any such committee shall be recorded and regular reports of the committee shall be submitted to the board of directors. (1991, c. 681, s. 29.)

§ 58-7-170. Diversification.

(a) Every insurer must maintain an amount equal to its entire policyholder-related liabilities and the minimum capital and surplus required to be maintained by the insurer under this Chapter invested in coin or currency of the United States and in investments authorized under this Chapter, other than the investments authorized under G.S. 58-7-183 or G.S. 58-7-187, except G.S. 58-7-187(b)(1).

(b) Investments eligible under subsection (a), except investments acquired under G.S. 58-7-183, are subject to the following limitations, other limitations of this section, and any other limitations that are expressly provided for in any provision under which the investment is authorized:

- (1) The cost of investments made by insurers in stock authorized by G.S. 58-7-173 shall not exceed twenty-five percent (25%) of the insurer's admitted assets, provided that no more than twenty percent (20%) of the insurer's admitted assets shall be invested in common stock; and the cost of an investment in stock of any one corporation shall not exceed three percent (3%) of the insurer's admitted assets. Notwithstanding any other provision in this Chapter, the financial statement carrying value of all stock investments shall be used for the purpose of determining the asset value against which the percentage limitations are to be applied. Investments in the voting securities of a depository institution, or any company that controls a depository institution, shall not exceed five percent (5%) of the insurer's admitted assets. As used in this subdivision, "depository institution" has the same meaning as in section 3 of the Federal Deposit Insurance Act, 12 U.S.C. § 1813; and includes any foreign bank that maintains a branch, an agency, or a commercial lending company in the United States.
- (2) The cost of Canadian investments authorized by G.S. 58-7-173 shall not exceed forty percent (40%) of the insurer's admitted assets in the aggregate, provided

that no more than twenty-five percent (25%) of the insurer's admitted assets shall be invested in Canadian investments authorized by G.S. 58-7-173(11).

(c) The cost of investments made by an insurer in mortgage loans authorized by G.S. 58-7-179 with any one person, or in mortgage-backed securities authorized by G.S. 58-7-173(1), (2), (8), or (17), and backed by a single collateral pool, shall not exceed three percent (3%) of the insurer's admitted assets. An insurer shall not invest in additional mortgage loans or mortgage-backed securities without the Commissioner's consent if the admitted value of all those investments held by the insurer exceeds an aggregate of sixty percent (60%) of the admitted assets of the insurer. Within the aggregate sixty percent (60%) limitation, the admitted value of all mortgage-backed securities permitted by G.S. 58-7-173(17) shall not exceed thirty-five percent (35%) of the admitted assets of the insurer. The admitted value of other mortgage loans permitted by G.S. 58-7-179 shall not exceed forty percent (40%) of the admitted assets of the insurer. Mortgage-backed securities authorized by G.S. 58-7-173(1), (2), or (8) shall only be subject to the single collateral pool limitation and the sixty percent (60%) aggregate limitation. No later than January 31, 1999, an insurer that has mortgage investments that exceed the limitations specified in this subsection shall submit to the Commissioner a plan to bring the amount of mortgage investments into compliance with the specified limitations by January 1, 2004.

(d) Without the Commissioner's prior written approval, the cost of investments permitted under G.S. 58-7-173 and G.S. 58-7-178, and that are classified as medium to lower quality obligations shall be limited to:

- (1) No more than twenty percent (20%) of an insurer's admitted assets;
- (2) No more than ten percent (10%) of an insurer's admitted assets in obligations designated a 4, 5, or 6 in accordance with the Purposes and Procedures Manual of the NAIC Securities Valuation Office;
- (3) No more than three percent (3%) of an insurer's admitted assets in obligations designated a 5 or 6 in accordance with the Purposes and Procedures Manual of the NAIC Securities Valuation Office; and
- (4) No more than one percent (1%) of an insurer's admitted assets in obligations designated a 6 in accordance with the Purposes and Procedures Manual of the NAIC Securities Valuation Office.

(5),(6) Repealed by Session Laws 1993, c. 452, s. 11.

(e) As used in subsections (d), (f), (g), and (h) of this section, "medium to lower quality obligations" means obligations designated a 3, 4, 5, or 6 in accordance with the Purposes and Procedures Manual of the NAIC Securities Valuation Office.

(f) Each insurer shall possess and maintain adequate documentation to establish that its investments in medium to lower quality obligations do not exceed the limitations under subsection (d) of this section.

(g), (h) Repealed by Session Laws 2005-215, s. 7, effective July 20, 2005.

(i) Failure to obtain the Commissioner's prior written approval shall result in any investments in excess of those permitted by subsection (d) of this section not being allowed as an asset of the insurer.

(j) The Commissioner may limit the extent of an insurer's deposits with any financial institution if the Commissioner determines that the financial solvency of the insurer is threatened by a deposit in excess of insured limits.

(k) The provisions of this section supersede any inconsistent provision of section 106 of the Secondary Mortgage Market Enhancement Act of 1984, 15 U.S.C. § 77r-1, to the extent permitted

by that Act. (1991, c. 681, s. 29; 1993, c. 452, ss. 10-13; c. 504, s. 43; 1993 (Reg. Sess., 1994), c. 678, s. 12; 1998-212, s. 26B(i); 2001-215, s. 3; 2001-223, ss. 8.1, 8.2; 2005-215, s. 7; 2022-46, s. 2(a).)

§ 58-7-172. Cash and deposits.

An insurer may have funds in coin or currency of the United States on hand or on deposit in any solvent national or state bank, savings and loan association, credit union, or trust company. (1991, c. 681, s. 29; 2011-221, s. 5.)

§ 58-7-177: Repealed by Session Laws 2001-223, s. 8.9.

§ 58-7-178. Foreign or territorial investments.

(a) An insurer authorized to transact insurance in a foreign country or any U.S. territory may have funds invested in securities that may be required for that authority and for the transaction of that business, provided the funds and securities are substantially of the same kinds, classes, and investment grades as those otherwise eligible for investment under this Chapter. The aggregate amount of investments under this subsection shall not exceed the amount that the insurer is

required by law to invest in the foreign country or United States territory, or one and one-half times the amount of reserves and other obligations under the contracts, whichever is greater.

(b) An insurer, whether or not it is authorized to do business or has outstanding insurance contracts on lives or risks in any foreign country, may invest in bonds, notes, or stocks of any foreign country or alien corporation that are substantially of the same kinds, classes, and investment grades as those otherwise eligible for investment under this Chapter. § 58-7-179. Mortgage loans.

(a) An insurer may invest any of its funds in bonds, notes, or other evidences of indebtedness that are secured by first mortgages or deeds of trust upon improved real property located in the United States, any U.S. territory, or Canada, or that are secured by first mortgages or deeds of trust upon leasehold estates having an unexpired term of not less than 30 years, inclusive of the terms that may be provided by enforceable options of renewal, as long as the loan matures at least 20 years before the expiration of such lease, in improved real property located in the United States, any U.S. territory, or Canada. In all cases the security for the loan must be a first lien upon the real property, and there must not be any condition or right of reentry or forfeiture not insured against under which, in the case of real property other than leaseholds, the lien can be cut off or subordinated or otherwise disturbed, or under which, in the case of leaseholds, the insurer cannot continue the lease in force for the duration of the loan. Nothing herein prohibits any investment because of the existence of any prior lien for ground rents, taxes, assessments, or other similar charges not yet delinquent. This section does not prohibit investment in mortgages or similar obligations when made under G.S. 58-7-180.

(b) "Improved real property" means all farmlands used for tillage, crops, or pasture; timberlands; and all real property on which permanent improvements, and improvements under construction or in process of construction, suitable for residential, institutional, commercial, or industrial use are situated.

(c) No such mortgage loan or loans made or acquired by an insurer on any one property shall, at the time of investment by the insurer, exceed the larger of the following amounts, as applicable:

- (1) Ninety-five percent (95%) of the value of the real property or leasehold securing the real property in the case of a mortgage on a dwelling primarily intended for occupancy by not more than four families if they insure down to eighty percent (80%) with a licensed mortgage insurance company, or eighty percent (80%) of the value in the case of other real estate mortgages;
- (2) The amount of any insurance or guaranty of the loan by the United States or by an agency or instrumentality thereof; or
- (3) The percentage-of-value limit on the amount of the loan applicable under subdivision (1) of this subsection, plus the amount by which the excess of the loan over the percentage-of-value limit is insured or guaranteed by the United States or by any agency or instrumentality thereof.

(d) In the case of a purchase money mortgage given to secure the purchase price of real estate sold by the insurer, the amount lent or invested shall not exceed the unpaid part of the purchase price.

(e) Nothing in this section prohibits an insurer from renewing or extending a loan for the original or a lesser amount where a shrinkage in value of the real estate securing the loan would cause its value to be less than the amount otherwise required in relation to the amount of the loan. (1991, c. 681, s. 29; 2003-212, s. 11; 2018-120, s. 4.2.)

§ 58-7-180. Chattel mortgages.

(a) In connection with a mortgage loan on the security of real estate designed and used primarily for residential purposes only, where the mortgage loan was acquired under G.S. 58-7-179, an insurer may lend or invest an amount not exceeding twenty percent (20%) of the amount lent on or invested in such real estate mortgage on the security of a chattel mortgage to be amortized by regular periodic payments with a term of not more than five years, and representing a first and prior lien, except for taxes not then delinquent, on personal property constituting durable equipment owned by the mortgagor and kept and used in the mortgaged premises.

(b) For the purposes of this section, the term "durable equipment" includes only mechanical refrigerators, air-conditioning equipment, mechanical laundering machines, heating and cooking stoves and ranges, and, in addition, in the case of apartment houses and hotels, room furniture and furnishings.

(c) Before the acquisition of a chattel mortgage under this section, items of property to be included therein shall be separately appraised by a qualified appraiser and the fair market value determined. No such chattel mortgage loan shall exceed in amount the same ratio of loan to the value of the property as is applicable to the companion loan on the real property.

(d) This section does not prohibit an insurer from taking liens on personal property as additional security for any investment otherwise eligible under this Chapter. (1991, c. 681, s. 29.)

§ 58-7-182. Special investments by title insurers.

In addition to other investments eligible under this Chapter, a title insurer may invest and have invested an amount not exceeding the greater of three hundred thousand dollars (\$300,000) or fifty percent (50%) of that part of its policyholders' surplus that exceeds the minimum surplus required by G.S. 58-7-75 in its abstract plant and equipment, in loans secured by mortgages on abstract plants and equipment, and, with the Commissioner's consent, in stocks of abstract companies. (1991, c. 681, s. 29.)

§ 58-7-183. Special consent investments.

(a) After satisfying the requirements of this Chapter, any funds of an insurer in excess of its reserves and policyholders' surplus required to be maintained may be invested:

- (1) Without limitation in any investments otherwise authorized by this Chapter; or
- (2) In such other investments not specifically authorized by this Chapter as long as any single interest investment does not exceed two percent (2%) of admitted assets and the aggregate of the investments does not exceed the lesser of five percent (5%) of the insurer's total admitted assets or sixty percent (60%) of the amount by which the insurer's policyholders' surplus exceeds the minimum required to be maintained.

The limitations in subdivision (2) of this subsection may be exceeded if approved in writing by the Commissioner.

(b) In no case shall the investments authorized under this section being held by an insurer be greater than the amount by which the insurer's policyholders' surplus exceeds the minimum required to be maintained.

(c) Notwithstanding the provisions of this section, an insurer may not invest in investments prohibited by this Chapter. (1991, c. 681, s. 29; 1993, c. 452, s. 14.1, c. 504, s. 6.)

§ 58-7-185. Prohibited investments and investment underwriting.

(a) In addition to investments excluded under other provisions of this Chapter, except with prior approval by the Commissioner, an insurer shall not directly or indirectly invest in or lend its funds upon the security of:

- (1) Issued shares of its own capital stock, except in connection with a plan for purchase of the shares by the insurer's officers, employees, or agents. No such stock shall, however, constitute an asset of the insurer in any determination of its financial condition.
- (2) Except with the Commissioner's consent, securities issued by any corporation or enterprise, the controlling interest of which is or will after acquisition by the insurer be held directly or indirectly by the insurer or any combination of the insurer and the insurer's directors, officers, parent corporation, subsidiaries, or controlling stockholders. Investments in subsidiaries under G.S. 58-19-10 are not subject to this provision.
- (3) Repealed by Session Laws 2001-223, s. 8.13.

(b) No insurer shall underwrite or participate in the underwriting of an offering of securities or property by any other person. (1991, c. 681, s. 29; 2001-223, ss. 8.12, 8.13.)

§ 58-7-187. Real estate, in general.

(a) An insurer shall not directly or indirectly acquire or hold real estate except as authorized in this section.

(b) An insurer may acquire and hold:

- (1) Land and buildings thereon used or acquired for use as its principal home office and branch offices, or used in conjunction with such offices, for the convenient transaction of its own business.
- (2) Real property acquired in satisfaction in whole or in part of loans, mortgages, liens, judgments, decrees, or debts previously owing to the insurer, in the course of its business.
- (3) Real property acquired in part payment of the consideration on the sale of other real property owned by it, if the transaction effects a net reduction in the insurer's investment in real estate.
- (4) Real property acquired by gift or devise or through merger, consolidation, or bulk reinsurance of another insurer under this Chapter.
- (5) Additional real property and equipment incident to real property, if necessary or convenient for the enhancement of the marketability or sale value of real property previously acquired or held by it under subdivisions (2) through (4) of this subsection.

(c) An insurer may acquire and hold real property for investment, subject to the following conditions:

- (1) The amount shall not exceed in the aggregate the lesser of five percent (5%) of the insurer's admitted assets or fifteen percent (15%) of the insurer's capital and surplus.
- (2) The amount in any one property shall not exceed one percent (1%) of the insurer's admitted assets.
- (3) The amount in unimproved land shall not exceed one-half of one percent (0.5%) of the insurer's admitted assets.
- (4) There shall be no time limit for the disposal of investment real estate.

§ 58-7-188. Time limit for disposal of ineligible property and securities; effect of failure to dispose.

(a) Any property or securities lawfully acquired by an insurer that it could not otherwise have invested in or lent its funds upon at the time of the acquisition shall be disposed of within three years from the date of acquisition, unless within that period the security has attained to the standard of eligibility; except that any security or property acquired under any agreement of bulk reinsurance, merger, or consolidation may be retained for a longer period if so provided in the plan for the reinsurance, merger, or consolidation as approved by the Commissioner under this Chapter. Upon application by the insurer and proof that forced sale of any such property or security would materially injure the insurer's interests, the Commissioner may extend the disposal period for an additional reasonable time.

(b) Any property or securities lawfully acquired and held by an insurer after expiration of the period for their disposal or any extension of the period granted by the Commissioner shall not be allowed as an asset of the insurer. (1991, c. 681, s. 29.)

§ 58-7-190: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-7-192. Valuation of securities and investments.

(a) through (c) Repealed by Session Laws 2003-212, s. 8, effective October 1, 2003.

(d) No valuations shall be greater than any applicable valuation or method contained in the latest edition of the NAIC publications entitled "Purposes and Procedures Manual of the NAIC Securities Valuation Office" or the "Accounting Practices and Procedures Manual", unless the Commissioner determines that another valuation method is appropriate when it results in a more conservative valuation.

(e) Repealed by Session Laws 2003-212, s. 8, effective October 1, 2003. (1991, c. 681, s. 29; 1993, c. 452, ss. 15, 16; 2001-223, s. 8.14; 2003-212, s. 8.)

§ 58-7-193. Valuation of property.

(a), (b) Repealed by Session Laws 2003-212, s. 9, effective October 1, 2003.

(c) Personal property acquired pursuant to chattel mortgages made in accordance with G.S. 58-7-180 shall not be valued at an amount greater than the unpaid balance of principal on the

defaulted loan at the date of acquisition, or the fair market value of the property, whichever amount is less.

(d) If the Commissioner and an insurer do not agree on the value of real or personal property of an insurer, in carrying out the Commissioner's responsibilities under this section, the Commissioner may retain the services of a qualified real or personal property appraiser. The insurer shall reimburse the Commissioner for the costs of the services of any appraiser incurred with respect to the Commissioner's responsibilities under this section. (1991, c. 681, s. 29; 2003-212, s. 9.)

§ 58-7-195: Repealed by Session Laws 2003-212, s. 10, effective October 1, 2003.

§ 58-7-197. Replacing certain assets; reporting certain liabilities.

(a) The Commissioner, upon determining that an insurer's asset has not been valued according to this Chapter or that it does not qualify as an asset, shall require the insurer to properly revalue an improperly valued asset or replace a nonadmitted asset with an asset suitable to the Commissioner within 90 days after the determination.

(b) The Commissioner, upon determining that an insurer has failed to report certain liabilities that should have been reported, shall require that the insurer report those liabilities to the Commissioner within 90 days after notice to the insurer.

(c) When the Commissioner determines that an admitted asset held by any insurer is of doubtful value or is without ascertainable value on a public exchange, unless the insurer establishes a value by placing the asset upon the market and obtaining a bona fide offer for the asset, the Commissioner may have the asset appraised, and the appraisal shall be the true value of the asset. No asset may be carried in an insurer's financial statement under G.S. 58-2-165 at an appraised value established by the insurer unless the Commissioner's prior written approval is obtained.

(d) When any admitted asset defaults as to principal or in the payment of interest or dividends after it has been purchased by an insurer, the asset shall subsequently be carried at its market value or, after notice and opportunity for hearing, at a value determined by the Commissioner.

(e) Whenever it appears to the Commissioner that an insurer has acquired any asset in violation of this Chapter, the Commissioner shall disallow, in whole or in part, the amount of the asset that is prohibited by this Chapter. In any determination of the financial position of the insurer, that amount shall be deducted as a nonadmitted asset of the insurer. (1991, c. 681, s. 29.)

§ 58-7-198. Assets of foreign or alien insurers.

The Commissioner may refuse a new or renewal license to any foreign or alien insurer upon finding that its assets do not comply in substance with the investment requirements and limitations imposed by this Chapter upon like domestic insurers whenever authorized to do the same kinds of insurance business. (1991, c. 681, s. 29.)

§ 58-7-200. Investment transactions.

(c) No insurer shall directly or indirectly invest in, or lend its funds to, any of its directors, officers, controlling stockholders, or any other person in which an officer, director, or controlling stockholder is substantially interested, nor shall any director, officer, or controlling stockholder directly or indirectly accept the funds.

(d) No director, officer, or controlling stockholder of any insurer shall receive any money or valuable thing, either directly or indirectly or through any substantial interest in any other person, for negotiating, procuring, recommending, or aiding in any purchase or sale of property or loan from the insurer; or be monetarily interested either as principal, corporation, agent, or beneficiary, in any such purchase, sale, or loan; and no financial obligation of any such director, officer, or stockholder shall be guaranteed by the insurer. "Substantial interest in any other person" means an interest equivalent to ownership or control by a director, officer, or controlling stockholder or the aggregate ownership or control by all directors, officers, and controlling stockholders of the same insurer of those percentages or more of the stock of the person, as defined under "control" in G.S. 58-19-5(2).

(e) Nothing in this section prohibits:

- (1) A director or officer of any insurer from receiving the usual salary, compensation, or emoluments for services rendered in the ordinary course of that person's duties as a director or officer, if the salary, compensation, or emolument is authorized by vote of the board of directors of the insurer;
- (2) Any insurer in connection with the relocation of the place of employment of an officer, including any relocation in connection with the initial employment of the officer, from (i) making, or the officer from accepting therefrom, a mortgage loan to the officer on real property owned by the officer that is to serve as the officer's residence or (ii) acquiring, or the officer from selling thereto, at not more than its fair market value, the officer's prior residence;
- (3) The payment to a director or officer of any such insurer who is a licensed attorney-at-law of fees in connection with loans made by the insurer if and when the fees are paid by the borrower and do not constitute a charge against the insurer;
- (4) An insurer from making a loan upon a policy held therein by the borrower not in excess of the policy's net value; or
- (5) Subject to G.S. 58-19-30 and G.S. 58-7-163, an insurer from advancing funds to directors, officers, or controlling stockholders, for expenses reasonably expected to be incurred in the ordinary course of the insurer's business, as authorized or approved by the insurer's board of directors or by individuals authorized by the board and charged with the supervision or making of the advances. (1991, c. 681, s. 29; 2001-223, ss. 8.15, 8.16; 2007-127, s. 8.)

 - 2. The market value of the over-the-counter derivative instruments entered into under the agreement, the liquidation of which would result in a final cash payment by the insurer to the business entity.
 - c. For open transactions, market value shall be determined at the end of the most recent quarter of the insurer's fiscal year and shall be reduced by the market value of acceptable collateral held by the insurer or placed in escrow by one or both parties.

Part 30) as to futures transactions in the jurisdiction where the exchange, board of trade, or contract market is located; or
 - c. Upon which foreign stock index futures contracts are listed that are the subject of no-action relief issued by the CFTC's Office of General Counsel, but an exchange, board of trade, or contract market that qualifies as a "qualified foreign exchange" only under this paragraph shall only be a "qualified foreign exchange" as to foreign stock index futures contracts that are the subject of the no-action relief under this paragraph.

A derivative transaction that is entered into as a hedging transaction shall not be considered a replication transaction.

- (2) An insurer shall be able to demonstrate to the Commissioner the intended hedging characteristics and the ongoing effectiveness of the derivative transaction or combination of the transactions through cash flow testing or other appropriate analyses.
- (c) The Commissioner may adopt reasonable rules for investments and transactions under this section including, but not limited to, rules which impose financial solvency standards, valuation standards, and reporting requirements.

Article 8.

Mutual Insurance Companies.

§ 58-8-1. Mutual insurance companies organized; requisites for doing business.

No policy may be issued by a mutual company until the president and the secretary of the company have certified under oath that every subscription for insurance in the list presented to the Commissioner for approval is genuine, and made with an agreement with every subscriber for insurance that he will take the policies subscribed for by him within 30 days after the granting of a license to the company by the Commissioner to issue policies. Any person making a false oath in respect to the certificate is guilty of a Class I felony. (1899, c. 54, ss. 25, 32, 34; 1901, c. 391, s.

3; 1903, c. 438, s. 4; Rev., s. 4738; 1911, c. 93; C.S., s. 6346; 1945, c. 386; 1989 (Reg. Sess., 1990), c. 1054, s. 4; 1993 (Reg. Sess., 1994), c. 767, s. 24.)

§ 58-8-5. Manner of amending charter.

(a) A domestic mutual insurance company may hereafter amend its charter in the following manner only:

- (1) A meeting of the board of directors shall be called in accordance with the bylaws, specifying the amendment to be voted upon at such meeting;
- (2) If at such meeting two thirds of the directors present vote in favor of the proposed amendment, then the president and secretary shall under oath make a certificate to this effect, which certificate shall set forth the call for such meeting, the service of such call upon all directors, and the minutes of the meeting relating to the adoption of the proposed amendment;
- (3) If the meeting at which the proposed amendment is to be considered is a special meeting, rather than a regular annual meeting of policyholders, such special meeting can be called only after the Commissioner has given his approval in writing;
- (4) If at such policyholders' meeting two thirds of those voting in person or by proxy shall vote in favor of any proposed amendment, the president and secretary shall make a certificate under oath setting forth such fact together with the full text of the amendment thus approved. Said certificate shall, within 30 days after such meeting, be submitted to the Commissioner for his approval as conforming to the requirements of law, and it shall be the duty of the Commissioner to act upon all proposed amendments within 10 days after the filing of such certificate with him.

(b) All charter amendments heretofore issued upon application of the board of directors of any domestic mutual insurance company are hereby validated, if otherwise legally adopted. (1943, c. 170; 1947, c. 721; 1991, c. 720, s. 4; 2001-223, s. 9.1.)

§ 58-8-10. Policyholders are members of mutual companies.

(a) Every person insured by a mutual insurance company is a member while that person's policy is in force, entitled to one vote for each policy that person holds, and shall be notified of the (i) time and (ii) place or method of remote communication, or both, for holding the company's meetings by a written notice or by an imprint upon the back of each policy, receipt, or certificate of renewal, as follows:

- (1) If the meetings are to be held at a place, as follows: The insured is hereby notified that by virtue of this policy the insured is a member of the _____ insurance company, and that the annual meetings of the company are held at its home office on the _____ day of _____, in each year, at _____ o'clock.
- (2) If the meetings are to be held solely by remote communication, as follows: The insured is hereby notified that by virtue of this policy the insured is a member of the _____ insurance company, and that the annual meetings of the company are held by means of remote communication, which can be accessed by _____ on the _____ day of _____, in each year, at _____ o'clock.
- (3) If the meetings are to be held at a place and by remote communication, as follows: The insured is hereby notified that by virtue of this policy the insured is a member of the _____ insurance company, and that the annual meetings of the

company are held at its home office and by means of remote communication, which can be accessed by _____ on the _____ day of _____, in each year, at _____ o'clock.

(b) The blanks in subsection (a) of this section shall be duly filled in print and are a sufficient notice. A corporation that becomes a member of a mutual insurance company may authorize any person to represent the corporation; and this representative has all the rights of an individual member. A person holding property in trust may insure it in a mutual insurance company, and as trustee assume the liability and be entitled to the rights of a member; but is not personally liable upon the contract of insurance. Members may vote by proxies, dated and executed within one year after receipt, and returned and recorded on the books of the company three days or more before the meeting at which they are to be used.

(c) Participation by means of remote communication shall be subject to such guidelines and procedures as the board of directors adopts and shall be in conformity with subsection (d) of this section.

(d) Members participating in meetings by means of remote communication shall be deemed (i) present and (ii) voting in person at the meeting if the mutual insurance company has implemented reasonable measures to do all of the following:

- (1) Verify that each person participating remotely is a member.
- (2) Provide each member participating remotely a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to communicate and read or hear the proceedings of the meeting, substantially concurrently with the proceedings.

(e) The board of directors may, in its sole discretion, determine that any meeting of members shall not be held at any place and shall instead be held solely by means of remote communication, but only if the mutual insurance company implements the measures specified in subsection (d) of this section. (1899, c. 54, s. 33; Rev., s. 4739; C.S., s. 6348; 1945, c. 386; 1947, c. 721; 1998-211, s. 37.1(a); 2021-162, s. 3.)

§ 58-8-15. Directors in mutual companies.

Every mutual insurance company shall elect by ballot a board of not less than seven directors, who shall manage and conduct its business and hold office for one year or for such term as the bylaws provide and until their successors are qualified. The directors need not be residents of this State or members of the company. In companies with a guaranty capital, no more than one-half of the directors shall be elected by the holders of guaranty capital, except where guaranty capital holders are policyholders. Policyholders which are holders of guaranty capital shall be entitled to one vote for each policy that person holds and one vote for each unit of guaranty capital that person holds. (1899, c. 54, s. 33; Rev., s. 4739; C.S., s. 6349; 1945, c. 386; 1971, c. 751; 2003-212, s. 14.)

§ 58-8-20. Mutual companies with a guaranty capital.

(a) A mutual insurance company formed as provided in Articles 1 through 64 of this Chapter, in lieu of the contributed surplus required for the organization of mutual companies under the provisions of G.S. 58-7-75, or a mutual insurance company now existing, may, with the prior approval of the Commissioner, tender a guaranty capital offering of not less than fifty thousand dollars (\$50,000), divided into units of one hundred dollars (\$100.00) each, which shall be invested

in the same manner as is provided in this Chapter for the investment of the capital stock of insurance companies.

(a1) Guaranty capital may be issued by an existing domestic mutual insurance company only under the following terms and conditions:

- (1) To aid and assist a financially troubled domestic mutual insurance company which otherwise faces rehabilitation or liquidation by this Department; or
- (2) For any other reason as presented in a petition to the Commissioner and which is found by the Commissioner to be reasonable, justifiable, and in the best interest of all the policyholders of the company.

Guaranty capital issued under subdivision (2) of this subsection shall require written notification of the action proposed by the board of directors of the company to be mailed to the policyholders of the company not less than 30 days before the meeting when the action may be taken. The written notification shall be advertised in two newspapers of general circulation, approved by the Commissioner, not less than three times a week for a period of not less than four weeks before the meeting. The written notification to policyholders shall include a proxy statement to allow policyholders to vote on the proposed action without personal attendance at the meeting, and the Commissioner shall approve both the written notification and the proxy statement. The proposed action shall be effected by a vote of two-thirds of the policyholders voting thereon in person or by proxy.

(b) The board of directors of a company may distribute interest to the holders of guaranty capital in accordance with the guaranty capital filing approved by the Department.

(c) Guaranty capital shall be applied to the payment of losses only when the company has exhausted its cash in hand and the invested assets, exclusive of uncollected premiums, and when thus impaired, the directors may make good the whole or any part of it by assessments upon the contingent funds of the company at the date of such impairment.

(d) Guaranty capital holders are entitled to one vote per unit of guaranty capital. Guaranty capital holders who are not policyholders are not entitled to participate in the policyholder votes prescribed under subdivision (a1)(2) and subsection (e) of this section.

(e) Guaranty capital may be reduced or retired by vote of the policyholders of the company and the assent of the Commissioner, if the net assets of the company above its reserve and all other claims and obligations, exclusive of guaranty capital, for two years immediately preceding and including the date of its last annual statement, is not less than twenty-five percent (25%) of the guaranty capital. Written notice of the proposed action on the part of the company must be mailed to each policyholder of the company not less than 30 days before the meeting when the action may be taken, and must also be advertised in two papers of general circulation, approved by the Commissioner, not less than three times a week for a period of not less than four weeks before the meeting. The written notification to policyholders shall include a proxy statement to allow policyholders to vote on the proposed action without personal attendance at the meeting, and the Commissioner shall approve both the written notification and the proxy statement. An affirmative vote of at least two-thirds of the policyholders voting in person or by proxy is required to adopt the proposed action.

(f) No insurance company with guaranty capital shall distribute to its holders of guaranty capital its assets, except as provided in the guaranty capital filing as approved by the Commissioner.

(g) In the event of a merger, demutualization, or other event where the entity ceases to exist, guaranty capital shall only be returned or repaid to the holders of guaranty capital to the

extent that the guaranty capital has been contributed together with accrued interest as specified in the filing approved by the Commissioner. (1899, c. 54, s. 34; Rev., s. 4740; 1911, c. 196, s. 3; C.S., s. 6350; 1945, c. 386; 1971, c. 752; 1981, c. 723; 1989, c. 320; 1991, c. 720, s. 10; 1993, c. 452, s. 17; 2003-212, s. 15; 2005-215, s. 26.)

§ 58-8-25. Dividends to policyholders.

(a) Any participating or dividend-paying company, stock or mutual or foreign or domestic, that writes other than life insurance or workers' compensation insurance and employers' liability insurance in connection therewith, may declare and pay a dividend to policyholders from its unassigned surplus, as reflected in the company's most recent annual or quarterly statement filed with the Commissioner under G.S. 58-2-165, which shall include only its surplus in excess of any required minimum surplus. No such dividend shall be paid unless it is fair and equitable and for the best interest of the company and its policyholders. In declaring any dividend to its policyholders, any such company may make reasonable classifications of policies expiring during a fixed period, upon the basis of each general kind of insurance covered by those policies and by territorial divisions of the location of risks by states, except that in fixing the amount of dividends to be paid on each general kind of insurance, the dividends shall be uniform in rate and applicable to the majority of risks within that general kind of insurance, and exceptions may be made as to any class or classes of risk and a different rate or amount of dividends paid on the class or classes if the conditions applicable to the class or classes differ substantially from the condition applicable to the kind of insurance as a whole. Every such company shall have an equal rate of dividend for the same term on all policies insuring risks in the same classification. The payment of dividends to policyholders shall not be contingent upon the maintenance or renewal of the policy. All dividends shall be paid to the policyholder unless a written assignment of those dividends is executed. Neither the payment of dividends nor the rate of the dividends may be guaranteed by any company, or its agent, before the declaration of the dividend by the board of directors of the company. The holders of policies of insurance issued by a company in compliance with the orders of any public official, bureau or committee, in conformity with any statutory requirement or voluntary arrangement, for the issuance of insurance to risks not otherwise acceptable to the company, may be established as a separate class of risks.

(b) Any participating or dividend-paying company, stock or mutual or foreign or domestic, that writes workers' compensation insurance and employers' liability insurance in connection therewith may declare and pay a dividend to policyholders from its unassigned surplus, as reflected in the company's most recent statement filed with the Commissioner under G.S. 58-2-165, which shall include only its surplus in excess of any required minimum surplus. No such dividend shall be paid unless it is fair and equitable and for the best interest of the company and its policyholders. In declaring any dividend to its policyholders, any such company may make reasonable classifications of policies expiring during a fixed period. The payment of dividends to policyholders shall not be contingent upon the maintenance or renewal of the policy. All dividends shall be paid to the policyholder unless a written assignment of those dividends is executed. Neither the payment of dividends nor the rate of the dividends may be guaranteed by any company, or its agent, before the declaration of the dividend by the board of directors of the company. The holders of policies of insurance issued by a company in compliance with the orders of any public official, bureau, or committee, in conformity with any statutory requirement or voluntary arrangement, for the issuance of insurance to risks not otherwise acceptable to the company, may be established as a separate class of risks. (1899, c. 54, s. 35; Rev., s. 4741; C.S., s. 6351;

1935, c. 89; 1945, c. 386; 1947, c. 721; 1955, c. 645; 1983, c. 374, ss. 2, 3; 2001-223, s. 9.2.)

§ 58-8-30. Contingent liability of policyholders.

Every insurance company shall in its bylaws and policies prescribe the contingent liability, if any, of its members for the payment of losses, reserves and expenses not provided for by its assets, which contingent liability shall be in accordance with the provisions of G.S. 58-7-75. Each member is liable for the payment of his proportionate share of any assessments made by the company in accordance with the law, his contract and the bylaws of the company on account of losses incurred while he was a member, if he is notified of such assessment within one year after the expiration of his policy. When any reduction is made in the contingent liability of members, it shall apply proportionately to all policies in force. (1945, c. 386.)

§ 58-8-35. Contingent liability printed on policy.

Every insurance company licensed to do business in this State shall print on each policy in clear and explicit language the full contingent liability of its members. (1945, c. 386; 1991, c. 644, s. 1; 1991 (Reg. Sess., 1992), c. 837, s. 2.)

§ 58-8-36. Administrative fees.

Statewide multiline limited assessable mutual insurance companies are not subject to the provisions of G.S. 58-33-85(b). (2011-196, s. 12.)

§ 58-8-40. Nonassessable policies; foreign or alien companies.

No foreign or alien insurance company shall be licensed to issue in this State nonassessable policies unless it has a free surplus equal in amount to that required of a domestic insurance company, writing the same kind or kinds of insurance, and in addition thereto has fully complied with the requirements of the government under which it was organized; and no foreign or alien insurance company may be licensed to do business in this State to issue assessable policies if it issues nonassessable policies in any other state or country unless all policies shall state that any assessment shall be for the exclusive benefit of holders of policies which provide for such contingent liability and the holders of policies subject to assessment shall not be liable to assessment in an amount greater in proportion to the total deficiency than the ratio that the deficiency attributable to the assessable business bears to the total deficiency. (1945, c. 386.)

§ 58-8-45. Waiver of forfeiture in policies assigned or pledged; notice of assignment; payment of assessment or premium by assignee or mortgagee.

When any policy of insurance is issued by any mutual insurance company or association other than life, organized under the laws of this State and such policy is assigned or pledged as collateral security for the payment of a debt, such company or association, by its president and secretary or other managing officers, may insert in such policy so assigned or pledged, or attach thereto as a rider thereon, a provision or provisions to be approved by the Commissioner, whereby any or all conditions of the policy which work a suspension or forfeiture and especially the provisions of the statute which limits such corporation to insure only property of its members, may be waived in such case for the benefit of the assignee or mortgagee. In case any such company or association shall consent to such assignment of any policy or policies, or the proceeds thereof, it may nevertheless at any time thereafter, by its president and secretary or such other officer as may be authorized by the board of directors, cancel such policy by giving the assignee or mortgagee not

less than 10 days' notice in writing: Provided, however, a longer period may be agreed upon by the company or association and such assignee or mortgagee. And the president and secretary of such company or association, with the approval of the Commissioner, may agree with the assignee or mortgagee upon an assessment or premium to be paid to the insurer in case the insured shall not pay the same, which shall not be less than such a rate or sum of money as may be produced by the average assessments or premiums made or charged by like company or association during a period of five years next preceding the year of such agreement and assignment. When an assignment is made as herein provided the policy or policies so assigned or pledged, subject to the conditions herein, shall remain in full force and effect for the benefit of the assignee or mortgagee, notwithstanding the title or ownership of the assured to the property insured, or to any interest therein, shall be in any manner changed, transferred or encumbered. (Ex. Sess., 1920, c. 79; C.S. s. 6351(a); 1945, c. 386; 1991, c. 720, s. 4.)

§ 58-8-50. Guaranty against assessments prohibited.

If any director, officer, or agent of a mutual insurance company, either officially or privately, gives a guarantee to a policyholder of the company against an assessment to which that policyholder would otherwise be liable, the director, officer, or agent shall be punished by a fine not exceeding one thousand dollars (\$1,000) for each offense. (1899, c. 54, s. 100; Rev., s. 3496; C.S., s. 6352; 1945, c. 386; 2003-212, s. 16.)

§ 58-8-55. Manner of making assessments; rights and liabilities of policyholders.

When a mutual insurance company is not possessed of cash funds above its reserve sufficient for the payment of insured losses and expenses, it must make an assessment for the amount needed to pay such losses and expenses upon its members liable to assessment therefor in proportion to their several liabilities. The company shall cause to be recorded in a book kept for that purpose the order for the assessment, together with a statement which must set forth the condition of the company at the date of the order, the amount of its cash assets and deposits, notes, or other contingent funds liable to the assessment, the amount the assessment calls for, and the particular losses or liabilities it is made to provide for. This record must be made and signed by the directors who voted for the order before any part of the assessment is collected, and any person liable to the assessment may inspect and take a copy of the same. When, by reason of depreciation or loss of its funds or otherwise, the cash assets of such company, after providing for its other debts, are less than the required premium reserve upon its policies, it must make good the deficiency by assessment in the manner above provided. If the directors are of the opinion that the company is liable to become insolvent they may, instead of such assessment, make two assessments, the first determining what each policyholder must equitably pay or receive in case of withdrawal from the company and having his policy canceled; the second, what further sum each must pay in order to reinsure the unexpired term of his policy at the same rate as the whole was insured at first. Each policyholder must pay or receive according to the first assessment, and his policy shall be cancelled unless he pays the sum further determined by the second assessment, in which case his policy continues in force; but in neither case may a policyholder receive or have credited to him more than he would have received on having his policy canceled by a vote of the directors under the bylaws. (1899, c. 54, ss. 36, 37; Rev., s. 4742; C.S., s. 6353; 1945, c. 386.)

Part 1. Conversion of Stock and Mutual Insurers.

§ 58-10-1. Stock to mutual insurer conversion.

Any domestic stock life insurance corporation may become a mutual life insurance corporation, and to that end may carry out a plan for the acquisition of shares of its capital stock: Provided, however, that such plan (i) shall have been adopted by a vote of a majority of the directors of such corporation; (ii) shall have been approved by a vote of the holders of two thirds of the stock outstanding at the time of issuing the call for a meeting for that purpose; (iii) shall have been submitted to the Commissioner and shall have been approved by him in writing, and (iv) shall have been approved by a majority vote of the policyholders (including, for the purpose of this Part, the employer or the president, secretary or other executive officer of any corporation or association to which a master group policy has been issued, but excluding the holders of certificates or policies issued under or in connection with a master group policy) voting at said meeting, called for that purpose, at which meeting only such policyholders whose insurance shall then be in force and shall have been in force for at least one year prior to such a meeting shall be entitled to vote; notice of such a meeting shall be given by mailing such notice, postage prepaid, from the home office of such corporation at least 30 days prior to such meeting to such policyholders at their last known post-office addresses: Provided, that personal delivery of such written notice to any policyholder may be in lieu of mailing the same; and such meeting shall be otherwise provided for and conducted in such a manner as shall be provided in such plan: Provided, however, that policyholders may vote in person, by proxy, or by mail; that all such votes shall be cast by ballot, and a representative of the Commissioner shall supervise and direct the methods and procedure of said meeting and appoint an adequate number of inspectors to conduct the voting at said meeting who shall have power to determine all questions concerning the verification of the ballots, the ascertainment of the validity thereof, the qualifications of the voters, and the canvass of the vote, and who shall certify to the said representative and to the corporation the results thereof, and with respect thereto shall act under such rules and regulations as shall be prescribed by the Commissioner; that all necessary expenses incurred by the Commissioner or his representative shall be paid by the corporation as certified to by said Commissioner. Every payment for the acquisition of any shares of the capital stock of such corporation, the purchase price of which is not fixed by such plan, shall be subject to the approval of the Commissioner: Provided, that neither such plan, nor any payment thereunder, nor any payment not fixed by such plan, shall be approved by the Commissioner, if the making of such payment shall reduce the assets of the corporation to an amount less than the entire liabilities of the corporation, including therein the net values of its outstanding contracts according to the standard adopted by the Commissioner, and also all other funds, contingent reserves and surplus which the corporation is required by order or direction of the Commissioner to maintain, save so much of the surplus as shall have been appropriated or paid under such plan. (1937, c. 231, s. 1; 1991, c. 720, s. 4; 1995, c. 318, s. 1; 2001-223, s. 9.3.)

§ 58-10-5. Stock acquired to be turned over to voting trust until all stock acquired; dividends repaid to corporation for beneficiaries.

If a domestic stock life insurance corporation shall determine to become a mutual life insurance corporation it may, in carrying out any plan to that end under the provisions of G.S. 58-10-1, acquire any shares of its own stock by gift, devise, or purchase. And until all such shares are acquired, any shares so acquired shall be acquired in trust for the policyholders of the corporation as hereinafter provided, and shall be assigned and transferred on the books of the corporation to not

less than three nor more than five trustees, and be held by them in trust and be voted by such trustees at all corporate meetings at which stockholders have the right to vote until all of the capital stock of such corporation is acquired, when the entire capital stock shall be retired and canceled; and thereupon, unless sooner incorporated as such, the corporation shall be and become a mutual life insurance corporation without capital stock. Said trustees shall be appointed and vacancies shall be filled as provided in the plan adopted under G.S. 58-10-1. Said trustees shall file with the corporation and with the Commissioner a verified acceptance of their appointments and declaration that they will faithfully discharge their duties as such trustees. After the payment of such dividends to stockholders or former stockholders as may have been provided in the plan adopted under G.S. 58-10-1, all dividends and other sums received by said trustees on said shares of stock so acquired, after paying the necessary expenses of executing said trust, shall be immediately repaid to said corporation for the benefit of all who are or may become policyholders of said corporation and entitled to participate in the profits thereof, and shall be added to and become a part of the surplus earned by said corporation, and be apportionable accordingly as a part of said surplus among said policyholders. (1937, c. 231, s. 2; 1991, c. 720, s. 4; 2011-284, s. 55.)

§ 58-10-10. Mutual to stock insurer conversion.

(a) A domestic mutual insurer may convert to a domestic stock insurer under a plan that is approved in advance by the Commissioner.

(b) The Commissioner shall not approve the plan unless:

- (1) It is fair and equitable to the insurer's policyholders.
- (2) It is adopted by the insurer's board of directors in accordance with the insurer's bylaws and approved by a vote of not less than two-thirds of the insurer's members voting on it in person, by proxy, or by mail at a meeting called for the purpose of voting on the plan, pursuant to reasonable notice and procedure as approved by the Commissioner. If the company is a life insurer, the right to vote may be limited, as its bylaws provide, to members whose policies are other than term or group policies and have been in effect for more than one year.
- (3) Each policyholder's equity in the insurer is determinable under a fair and reasonable formula approved by the Commissioner. The equity shall be based upon the insurer's entire statutory surplus after deducting certificates of contribution, guaranty capital certificates, and similar evidences of indebtedness included in an insurer's statutory surplus.
- (4) The policyholders entitled to vote on the plan and participate in the purchase of stock and distribution of assets include all policyholders on the date the plan was adopted by the insurer's board of directors.
- (5) The plan provides that each policyholder specified in subdivision (4) of this subsection receives a preemptive right to acquire a proportionate part of all of the proposed capital stock of the insurer or of all of the stock of a corporation affiliated with the insurer within a designated reasonable period as the part is determinable under the plan of conversion; and to apply toward the purchase of the stock the amount of the policyholder's equity in the insurer under subdivision (3) of this subsection. The plan must provide for an equitable distribution of fractional interests.

- (6) The plan provides for payment to each policyholder of the policyholder's entire equity in the insurer; with that payment to be applied toward the purchase of stock to which the policyholder is entitled preemptively or to be made in cash, or both. The cash payment may not exceed fifty percent (50%) of each policyholder's equity. The stock purchased, together with the cash payment, if any, shall constitute full payment and discharge of the policyholder's equity as an owner of the mutual insurer.
- (7) Shares are to be offered to policyholders at a price not greater than that of shares to be subsequently offered to others.
- (8) The Commissioner finds that the insurer's management has not, through reduction of volume of new business written, through policy cancellations, or through any other means, sought to (i) reduce, limit, or affect the number or identity of the insurer's members entitled to participate in the plan or (ii) secure for the individuals constituting management any unfair advantage through the plan.
- (9) The plan, when completed, provides that the insurer's capital and surplus are not less than the minimum required of a domestic stock insurer transacting the same kinds of insurance, are reasonable in relation to the insurer's outstanding liabilities, and are adequate to meet its financial needs.

(c) With respect to an insurer with a guaranty capital, the conversion plan shall be approved by a vote of not less than two-thirds of the insurer's guaranty capital shareholders and policyholders as provided for in subdivision (b)(2) of this section. The plan may provide for the issuance of stock in exchange for outstanding guaranty capital shares at their redemption value subject to the conditions in subsection (b) of this section.

(d) The Commissioner may schedule a public hearing on the proposed conversion plan.

(e) The Commissioner may retain, at the mutual insurer's expense, any attorneys, actuaries, economists, accountants, or other experts not otherwise a part of the Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed conversion plan.

(f) The corporate existence of the mutual company continues in the stock company created under this section. All assets, rights, franchises, and interests of the former mutual insurer, in and to real or personal property, are deemed to be transferred to and vested in the stock insurer, without any other deed or transfer; and the stock insurer simultaneously assumes all of the obligations and liabilities of the former mutual insurer.

(g) No director, officer, or employee of the insurer shall receive:

- (1) Any fee, commission, compensation, or other valuable consideration for aiding, promoting, or assisting in the conversion of the mutual insurer to a domestic stock insurer, other than compensation paid to any director, officer, or employee of the insurer in the ordinary course of business; or
- (2) Any distribution of the assets, surplus, or capital of the insurer as part of a conversion.

(h) The Commissioner may adopt rules to carry out the provisions of this section. (1999-369, s. 6; 2001-223, s. 9.5.)

§ 58-10-12. Conversion plan requirements.

(a) As used in this section:

- (1) "Closed block" means an allocation of assets for a defined group of in-force policies which, together with the premiums of those policies and related investment earnings, are expected to be sufficient to maintain the payments of guaranteed benefits, certain expenses, and continuation of the current dividend scale on the closed block, if experience does not change.
 - (2) "Converting mutual" means a domestic mutual insurance company that has adopted a plan of conversion and an amendment to its articles of incorporation under this section that will, upon consummation, result in the domestic mutual insurance company converting into a domestic stock insurance company.
 - (3) "Eligible member" means a person who:
 - a. Is a member of the converting mutual on the date the converting mutual's board of directors adopts a resolution proposing a plan of conversion and an amendment to the articles of incorporation; and

 - (4) "Former mutual" means the domestic stock insurance company resulting from the conversion of a converting mutual to a stock insurance company under a plan of conversion and an amendment to its articles of incorporation under this section.
 - (5) "Member" means a person that, according to the records, articles of incorporation, and bylaws of a converting mutual, is a member of the converting mutual.
 - (6) "Membership interests" means:
 - a. The voting rights of members of a domestic mutual insurance company as provided by law and by the company's articles of incorporation and bylaws; and

 - (8) "Plan of conversion" means the plan of conversion described in subsection (b) of this section.
- (b) The plan of conversion under G.S. 58-10-10 shall:
- (1) Describe the manner in which the proposed conversion will occur and the insurance and any other companies that will result from or be directly affected by the conversion, including the former mutual and any parent company.
 - (2) Provide that the membership interests in the converting mutual will be extinguished as of the effective date of the conversion.
 - (3) Require the distribution to the eligible members, upon the extinguishing of their membership interests, of aggregate consideration equal to the fair value of the converting mutual.
 - (4) Describe the manner in which the fair value of the converting mutual has been or will be determined.

- (5) Describe the form or forms and amount, if known, of consideration to be distributed to the eligible members.

 - (7) Require and describe the method or formula for the fair and equitable allocation of the consideration among the eligible members.
 - (8) Provide for the determination and preservation of the reasonable dividend expectations of eligible members and other policyholders with policies that provide for the distribution of policy dividends, through establishment of a closed block or other method acceptable to the Commissioner.
 - (9) Provide that each member and other policyholder of the converting mutual will receive notification of the address and telephone number of the converting mutual and the former mutual, if different, along with the notice of hearing as approved by the Commissioner.
 - (10) Include other provisions as the converting mutual determines to be necessary.
- (c) After the adoption by the board of directors of the resolution proposing the plan of conversion under G.S. 58-10-10 and the amendment to its articles of incorporation, the converting mutual shall file with the Commissioner an application for approval of the plan and amendment. The application must contain the following information, together with any additional information as the Commissioner may require:
- (1) The plan of conversion and a certificate of the secretary of the converting mutual certifying the adoption of the plan by the board of directors.
 - (2) A statement of the reasons for the proposed conversion and why the conversion is in the best interests of the converting mutual, the eligible members, and the other policyholders. The statement must include an analysis of the risks and benefits to the converting mutual and its members of the proposed conversion and a comparison of the risks and benefits of the conversion with the risks and benefits of reasonable alternatives to a conversion.
 - (3) A five-year business plan and at least two years of financial forecasts of the former mutual and any parent company.
 - (4) Any plans that the former mutual or any parent company may have to:
 - a. Raise additional capital through the issuance of stock or otherwise;

 - (6) A copy of the form of trust agreement, if a distribution of consideration is to be delayed by more than six months after the effective date of the conversion.

- (7) A plan of operation for a closed block, if a closed block is used for the preservation of the reasonable dividend expectations of eligible members and other policyholders with policies that provide for the distribution of policy dividends.
- (8) Copies of the amendment to the articles of incorporation proposed by the board of directors and proposed bylaws of the former mutual and copies of the existing and any proposed articles of incorporation and bylaws of any parent company.
- (9) A list of all individuals who are or have been selected to become directors or officers of the former mutual and any parent company, or the individuals who perform or will perform duties customarily performed by a director or officer, and the following information concerning each individual on the list unless the information is already on file with the Commissioner:
 - a. The individual's principal occupation.
 - b. All offices and positions the individual has held in the preceding five years.
 - c. Any crime of which the individual has been convicted (other than traffic violations) in the preceding 10 years.
 - d. Information concerning any personal bankruptcy of the individual or the individual's spouse during the previous seven years.
 - e. Information concerning the bankruptcy of any corporation or other entity of which the individual was an officer or director during the previous seven years.

 - g. Information concerning the suspension, revocation, or other disciplinary action during the previous 10 years of any state or federal license issued to the individual.
 - h. Information as to whether the individual was refused a bond during the previous 10 years.

 - a. That the provision of stock, cash, policy benefits, or other forms of consideration upon the extinguishing of the converting mutual's membership interests under the plan of conversion and the amendment to the articles of incorporation is fair to the eligible members, as a group, from a financial point of view; and
 - b. Whether the total consideration under sub-subdivision a. of this subdivision is equal to or greater than the surplus of the converting mutual.

The Commissioner may waive the fairness opinion in situations involving a straightforward issuance of stock to members of the former mutual.
- (11) An actuarial opinion as to the following:

- a. The reasonableness and appropriateness of the methodology or formulas used to allocate consideration among eligible members, consistent with this Article.
 - b. The reasonableness of the plan of operation and sufficiency of the assets allocated to the closed block, if a closed block is used for the preservation of the reasonable dividend expectations of eligible members and other policyholders with policies that provide for the distribution of policy dividends.
- (12) If any of the consideration to be distributed to eligible members consists of stock or other securities, subject to the limitations of G.S. 58-10-10(b)(6), a description of the plans made by the former mutual or its parent company to assure that an active public trading market for the stock or other securities will develop within a reasonable amount of time after the effective date of the plan of conversion and that eligible members who receive stock or other securities will be able to sell their stock or other securities, subject to any delayed distribution or transfer restrictions, at reasonable cost and effort.
- (13) Any additional information, documents, or materials that the converting mutual determines to be necessary.

(d) Distribution of all or part of the consideration to some or all of the eligible members may be delayed, or restrictions on sale or transfer of any stock or other securities to be distributed to eligible members may be required, for a reasonable period of time following the effective date of the conversion. However, the period of time shall not exceed six months unless otherwise approved by the Commissioner.

(e) Except as specifically provided in a plan of conversion, for five years following the effective date of the conversion, no person or persons acting in concert (other than the former mutual, any parent company, or any employee benefit plans or trusts sponsored by the former mutual or a parent company) shall directly or indirectly acquire, or agree or offer to acquire, in any manner the beneficial ownership of five percent (5%) or more of the outstanding shares of any class of a voting security of the former mutual or any parent company without the prior approval of the Commissioner of a statement filed by that person with the Commissioner. The statement shall contain the information required by G.S. 58-19-15(b) and any other information required by the Commissioner. The Commissioner shall not approve an acquisition under this subsection unless the Commissioner finds that:

- (1) None of the conditions set forth in G.S. 58-19-15(d) will exist.
- (2) The acquisition will not impede the plan of conversion or the amendment to the articles of incorporation as approved by the members and the Commissioner.
- (3) The boards of directors of the former mutual and any parent company have approved the acquisition.
- (4) The acquisition would be in the best interest of the present and future policyholders of the former mutual without regard to any interest of policyholders as shareholders of the former mutual or any parent company. (2001-223, s. 9.6; 2015-146, s. 1.12; 2015-281, s. 13.)

Part 2. Assumption Reinsurance.

§ 58-10-20. Scope.

(a) This Part applies to any licensed insurer that either assumes or transfers the obligations or risks on policies under an assumption reinsurance agreement that is entered into on or after January 1, 1996.

(b) This Part does not apply to:

- (1) Any reinsurance agreement or transaction in which the ceding insurer continues to remain directly liable for its insurance obligations or risks under the policies subject to the reinsurance agreement.
- (2) The substitution of one insurer for another upon the expiration of insurance coverage under statutory or contractual requirements and the issuance of a new policy by another insurer.
- (3) The transfer of policies under mergers or consolidations of two or more insurers to the extent that those transactions are regulated by statute.
- (4) Except as provided in G.S. 58-10-45, any insurer subject to a judicial order of liquidation or rehabilitation.
- (5) Any reinsurance agreement or transaction to which a state insurance guaranty association is a party, provided that policyholders do not lose any rights or claims afforded under their original policies under Articles 48 or 62 of this Chapter.
- (6) The transfer of liabilities from one insurer to another under a single group policy upon the request of the group policyholder. (1995, c. 318, s. 1; 2004-199, s. 20(b).)

§ 58-10-25. Definitions.

(a) As used in this Part:

- (1) Assuming insurer. – The insurer that acquires an insurance obligation or risk from the transferring insurer under an assumption reinsurance agreement.
- (2) Assumption reinsurance agreement. – Any contract, arrangement, or plan that:
 - a. Transfers insurance obligations or risks of existing or in-force policies from a transferring insurer to an assuming insurer.
 - b. Is intended to effect a novation of transferred policies with the result that the assuming insurer becomes directly liable to the policyholders of the transferring insurer and the transferring insurer's insurance obligations or risks under the policies are extinguished.
- (3) Home service business. – Insurance business on which premiums are collected on a weekly or monthly basis by an agent of the insurer.
- (4) Policy. – A contract of insurance as defined in G.S. 58-1-10.
- (5) Policyholder. – Any person that has the right to terminate or otherwise alter the terms of a policy. It includes any group policy certificate holder whose certificate is in force on the proposed effective date of the assumption, if the certificate holder has the right to keep the certificate in force without any change in benefits after termination of the group policy. The right to keep the certificate in force referred to in this subdivision does not include the right to elect individual coverage under the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), section 601, et seq., of the Employee Retirement Income Security Act of 1974, as amended, 29 U.S.C. § 1161, et seq.

(6) Transferring insurer. – The insurer that transfers an insurance obligation or risk to an assuming insurer under an assumption reinsurance agreement.

(b) For the purposes of this Part, a "novation" does not require the formation of a new policy or the amendment of an existing policy between the assuming insurer and the policyholder. (1995, c. 318, s. 1; 1995 (Reg. Sess., 1996), c. 752, s. 2.)

§ 58-10-30. Notice requirements.

(a) The transferring insurer shall provide or cause to be provided to each policyholder a notice of transfer by first-class mail, addressed to the policyholder's last known address or to the address to which premium notices or other policy documents are sent; or with respect to home service business, by personal delivery with acknowledged receipt. A notice of transfer shall also be sent to the transferring insurer's insurance producers of record on the affected policies.

(b) The notice of transfer shall be in a form identical or substantially similar to Appendix A of the NAIC Assumption Reinsurance Model Act, as amended by the NAIC and shall state or provide:

- (1) The date on which the transfer and novation of the policyholder's policy is proposed to take place.
- (2) The names, addresses, and telephone numbers of the assuming and transferring insurers.
- (3) That the policyholder has the right to either consent to or reject the transfer and novation.
- (4) The procedures and time limit for consenting to or rejecting the transfer and novation.
- (5) A summary of any effect that consenting to or rejecting the transfer and novation will have on the policyholder's rights.
- (6) A statement that the assuming insurer is licensed to write the type of business being assumed in the state where the policyholder resides, or is otherwise authorized, as provided in this Part, to assume that business.
- (7) The name and address of the person at the transferring insurer to whom the policyholder should send the policyholder's written statement of acceptance or rejection of the transfer and novation.
- (8) The address and telephone number of the insurance department where the policyholder resides so that the policyholder may write or call that insurance department for further information about the financial condition of the assuming insurer.
- (9) The following financial data for both insurers:
 - a. Ratings for the last five years, if available, or for any shorter period that is available, from two nationally recognized insurance rating services acceptable to the Commissioner, including the rating services' explanations of the meanings of their ratings. If ratings are unavailable for any year of the five-year period, this shall also be disclosed.
 - b. A balance sheet as of December 31 for the previous three years, if available, or for any shorter period that is available, and as of the date of the most recent quarterly statement.
 - c. A copy of the Management's Discussion and Analysis that was filed as a supplement to the previous year's annual statement.

d. An explanation of the reason for the transfer.

(c) The notice of transfer shall include a preaddressed, postage-paid response card that the policyholder may return as the policyholder's written statement of acceptance or rejection of the transfer and novation.

(d) The notice of transfer shall be filed as part of the prior approval requirement set forth in subsection (e) of this section.

(e) Prior approval by the Commissioner is required for any transaction in which a domestic insurer assumes or transfers obligations or risks on policies under an assumption reinsurance agreement. No insurer licensed in this State shall transfer obligations or risks on policies issued to or owned by residents of this State to any insurer that is not licensed in this State. A domestic insurer shall not assume obligations or risks on policies issued to or owned by policyholders residing in any other state unless it is licensed in the other state, or the insurance regulator of that state has approved the assumption.

(f) Any licensed foreign insurer that enters into an assumption reinsurance agreement that transfers the obligations or risks on policies issued to or owned by residents of this State shall file with the Commissioner the assumption certificate, a copy of the notice of transfer, and an affidavit that the transaction is subject to substantially similar requirements in the states of domicile of both the transferring and assuming insurers. If those requirements do not exist in the state of domicile of either the transferring or assuming insurer, the requirements of subsection (g) of this section apply.

(g) Any licensed foreign insurer that enters into an assumption reinsurance agreement that transfers the obligations or risks on policies issued to or owned by residents of this State shall obtain prior approval of the Commissioner and be subject to all other requirements of this Part with respect to residents of this State, unless the transferring and assuming insurers are subject to assumption reinsurance requirements adopted by statute or administrative rule in the states of their domicile that are substantially similar to those contained in this Part and in any administrative rules adopted under this Part.

(h) The following factors, along with any other factors the Commissioner deems to be appropriate under the circumstances, shall be considered by the Commissioner in reviewing a request for approval:

- (1) The financial condition of the transferring and assuming insurers and the effect the transaction will have on the financial condition of each company.
- (2) The competence, experience, and integrity of those persons who control the operation of the assuming insurer.
- (3) The plans or proposals the assuming insurer has with respect to the administration of the policies subject to the proposed transfer.
- (4) Whether the transfer is fair and reasonable to the policyholders of both insurers.
- (5) Whether the notice of transfer to be provided by the insurer is fair, adequate, and not misleading. (1995, c. 318, s. 1; 2022-46, s. 14(r).)

§ 58-10-35. Policyholder rights.

(a) Policyholders may reject the transfer and novation of their policies by indicating on the response card that the assumption is rejected and returning the card to the transferring insurer.

(b) Payment of any premium to the assuming company during the 24-month period after the notice of transfer has been received indicates the policyholder's acceptance of the transfer to the assuming insurer; and a novation shall occur only if the premium notice clearly states that payment of the premium to the assuming insurer constitutes acceptance of the transfer. The premium notice

shall also provide a method for the policyholder to pay the premium while reserving the right to reject the transfer. With respect to any home service business or any other business not using premium notices, the disclosures and procedural requirements of this subsection are to be set forth in the notice of transfer required by G.S. 58-10-30 and in the assumption certificate.

(c) After no fewer than 24 months after the mailing of the initial notice of transfer required under G.S. 58-10-30, if positive consent to, or rejection of, the transfer and assumption has not been received or consent has not been deemed to have occurred under subsection (b) of this section, the transferring insurer shall send to the policyholder a second and final notice of transfer as specified in G.S. 58-10-30. If the policyholder does not accept or reject the transfer during the one-month period immediately after the date on which the transferring insurer mailed the second and final notice of transfer, the policyholder's consent and novation of the contract will occur. With respect to the home service business, or any other business not using premium notices, the 24-month and one-month periods shall be measured from the date of delivery of the notice of transfer under G.S. 58-10-30.

(d) The transferring insurer shall be deemed to have received the response card on the date it is postmarked. A policyholder may also send the response card by facsimile, other electronic transmission, registered mail, express delivery, or courier service; in which case the response card shall be deemed to have been received by the transferring insurer on the date of actual receipt by the transferring insurer. (1995, c. 318, s. 1; 2007-298, s. 7.3; 2007-484, s. 43.5.)

§ 58-10-40. Effect of consent.

If a policyholder consents to the transfer under G.S. 58-10-35 or if the transfer is effected under G.S. 58-10-45, there shall be a novation of the policy, subject to the assumption reinsurance agreement, with the result that the transferring insurer is thereby relieved of all insurance obligations or risks transferred under the assumption reinsurance agreement and the assuming insurer is directly and solely liable to the policyholder for those insurance obligations or risks. (1995, c. 318, s. 1.)

§ 58-10-45. Commissioner's discretion.

If a domestic insurer or a foreign insurer from a state having a substantially similar law is deemed by its domiciliary insurance regulator to be in hazardous financial condition or a proceeding has been instituted against it for the purpose of reorganizing or conserving the insurer, and the transfer of the policies is in the best interest of the policyholders, as determined by the domiciliary insurance regulator, a transfer and novation may be effected notwithstanding the provisions of this Part. This may include a form of implied consent and adequate notification to the policyholders of the circumstances requiring the transfer as approved by the Commissioner. (1995, c. 318, s. 1.)

Part 3. Disclosure of Material Transactions.

§ 58-10-55. Report.

(a) This Part applies only to domestic insurers. Effective October 1, 1995, every insurer shall file a report with the Commissioner disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements, unless the acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements have been submitted to the Commissioner for review, approval, or informational purposes under any other provisions of this Chapter or the North Carolina

Administrative Code. This report is due within 15 days after the end of the calendar month in which any of these transactions occurred. A copy of the report, including any filed exhibits or other attachments, shall also be filed with the NAIC.

(b) All reports obtained by or disclosed to the Commissioner under this Part are confidential and are not subject to subpoena. No report shall be made public by the Commissioner, the NAIC, or any other person, except to insurance regulators of other states, without the prior written consent of the reporting insurer, unless the Commissioner, after giving the insurer notice and an opportunity to be heard, determines that the interest of policyholders, shareholders, or the public will be served by the publication of the report. In that event, the Commissioner may publish all or any part of the report in a manner the Commissioner considers appropriate. (1995, c. 318, s. 1.)

§ 58-10-60. Acquisitions and dispositions of assets.

(a) Insurers do not have to report acquisitions or dispositions under G.S. 58-10-55 if they are not material. For the purposes of this Part, a material acquisition or the aggregate of any series of related acquisitions during any 30-day period, or a material disposition or the aggregate of any series of related dispositions during any 30-day period, is one that is nonrecurring, not in the ordinary course of business, and involves more than five percent (5%) of the insurer's total admitted assets as reported in its most recent financial statement filed with the Department.

(b) Asset acquisitions subject to this Part include every purchase, lease, exchange, merger, consolidation, succession, or other acquisition, other than the construction or development of real property by or for the insurer or the acquisition of materials for that purpose. Asset dispositions subject to this Part include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment for the benefit of creditors or otherwise, abandonment, destruction, or other disposition.

(c) The following information shall be disclosed in any report under this section:

- (1) Date of the transaction.
- (2) Manner of acquisition or disposition.
- (3) Description of the assets involved.
- (4) Nature and amount of the consideration given or received.
- (5) Purpose of, or reason for, the transaction.
- (6) Manner by which the amount of consideration was determined.
- (7) Gain or loss recognized or realized as a result of the transaction.
- (8) Name of each person from whom the assets were acquired or to whom they were disposed.

(d) Every insurer shall report material acquisitions and dispositions on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers that uses a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer cedes substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus. (1995, c. 318, s. 1.)

§ 58-10-65. Nonrenewals, cancellations, or revisions of ceded reinsurance agreements.

(a) Insurers do not have to report nonrenewals, cancellations, or revisions of ceded reinsurance agreements under G.S. 58-10-55 if they are not material. For the purposes of this Part, a nonrenewal, cancellation, or revision of a ceded reinsurance agreement is considered material and must be reported if:

- (1) It is for property and casualty business, including accident and health business written by a property and casualty insurer and affects:
 - a. More than fifty percent (50%) of the insurer's total ceded written premium; or
 - b. More than fifty percent (50%) of the insurer's total ceded indemnity and loss adjustment reserves.
 - (2) It is for life, annuity, and accident and health business and affects more than fifty percent (50%) of the total reserve credit taken for business ceded, on an annualized basis, as indicated in the insurer's most recent annual statement.
 - (3) It is for either property and casualty, or life, annuity, and accident and health business, and:
 - a. An authorized reinsurer representing more than ten percent (10%) of a total cession is replaced by one or more unauthorized reinsurers; or
 - b. Previously established collateral requirements have been reduced or waived with respect to one or more unauthorized reinsurer's representing collectively more than ten percent (10%) of a total cession.
- (b) No filing is required if:
- (1) For property and casualty business, including accident and health business written by a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than ten percent (10%) of its total written premium for direct and assumed business.
 - (2) For life, annuity, and accident and health business, the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent (10%) of the statutory reserve requirement before any cession.
- (c) The following information shall be disclosed in any report under this section:
- (1) Effective date of the nonrenewal, cancellation, or revision.
 - (2) Description of the transaction, with an identification of the initiator of the transaction.
 - (3) Purpose of, or reason for, the transaction.
 - (4) If applicable, identity of the replacement reinsurers.

(d) Every insurer shall report all material nonrenewals, cancellations, or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers that uses a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes substantially all of its direct and assumed business to the pool. An insurer cedes substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to the pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus. (1995, c. 318, s. 1.)

Part 4. Protected Cell Companies.

§ 58-10-75. Purpose and legislative intent.

This Part provides a basis for the creation of protected cells by a domestic insurer as one means of accessing alternative sources of capital and achieving the benefits of insurance securitization. Investors in fully funded insurance securitization transactions provide funds that are available to pay the insurer's insurance obligations or to repay the investors or both. The creation of protected cells is intended to be a means to achieve more efficiencies in conducting insurance securitizations. (2001-223, s. 25.)

§ 58-10-80. Definitions.

As used in this Part, unless the context requires otherwise, the following terms have the following meanings:

- (1) "Domestic insurer" means an insurer domiciled in the State of North Carolina.
- (2) "Fair value" means the amount at which that asset (or liability) could be bought (or incurred) or sold (or settled) in a current transaction between willing parties, that is, other than in a forced or liquidation sale. Quoted market prices in active markets are the best evidence of fair value and shall be used as the basis for the measurement, if available. If a quoted market price is available, the fair value is the product of the number of trading units times market price. If quoted market prices are not available, the estimate of fair value shall be based on the best information available. The estimate of fair value shall consider prices for similar assets and liabilities and the results of valuation techniques to the extent available in the circumstances. Examples of valuation techniques include the present value of estimated expected future cash flows using a discount rate commensurate with the risks involved, option-pricing models, matrix pricing, option-adjusted spread models, and fundamental analysis. Valuation techniques for measuring financial assets and liabilities and servicing assets and liabilities shall be consistent with the objective of measuring fair value. Those techniques shall incorporate assumptions that market participants would use in their estimates of values, future revenues, and future expenses, including assumptions about interest rates, default, prepayment, and volatility. In measuring financial liabilities and servicing liabilities at fair value by discounting estimated future cash flows, an objective is to use discount rates at which those liabilities could be settled in an arm's-length transaction. Estimates of expected future cash flows, if used to estimate fair value, shall be the best estimate based on reasonable and supportable assumptions and projections. All available evidence shall be considered in developing estimates of expected future cash flows. The weight given to the evidence shall be commensurate with the extent to which the evidence can be verified objectively. If a range is estimated for either the amount or timing of possible cash flows, the likelihood of possible outcomes shall be considered in determining the best estimate of future cash flows.
- (3) "Fully funded" means that, with respect to any exposure attributed to a protected cell, the market value of the protected cell assets, on the date on which the insurance securitization is effected, equals or exceeds the maximum possible exposure attributable to the protected cell with respect to the exposures.

- (4) "General account" means the assets and liabilities of a protected cell company other than protected cell assets and protected cell liabilities.
- (5) "Indemnity trigger" means a transaction term by which relief of the issuer's obligation to repay investors is triggered by its incurring a specified level of losses under its insurance or reinsurance contracts.
- (6) "Nonindemnity trigger" means a transaction term by which relief of the issuer's obligation to repay investors is triggered solely by some event or condition other than the individual protected cell company incurring a specified level of losses under its insurance or reinsurance contracts.
- (7) "Protected cell" means an identified pool of assets and liabilities of a protected cell company segregated and insulated by means of this Chapter from the remainder of the protected cell company's assets and liabilities.
- (8) "Protected cell account" means a specifically identified bank or custodial account established by a protected cell company for the purpose of segregating the protected cell assets of one protected cell from the protected cell assets of other protected cells and from the assets of the protected cell company's general account.
- (9) "Protected cell assets" means all assets, contract rights, and general intangibles, identified with and attributable to a specific protected cell of a protected cell company.
- (10) "Protected cell company" means a domestic insurer that has one or more protected cells.
- (11) "Protected cell company insurance securitization" means the issuance of debt instruments, the proceeds from which support the exposures attributed to the protected cell, by a protected cell company where repayment of principal or interest, or both, to investors under the transaction terms is contingent upon the occurrence or nonoccurrence of an event with respect to which the protected cell company is exposed to loss under insurance or reinsurance contracts it has issued.
- (12) "Protected cell liabilities" means all liabilities and other obligations identified with and attributable to a specific protected cell of a protected cell company. (2001-223, s. 25.)

§ 58-10-85. Establishment of protected cells.

(a) A protected cell company may establish one or more protected cells with the prior written approval of the Commissioner of a plan of operation or amendments submitted by the protected cell company with respect to each protected cell in connection with an insurance securitization. Upon the Commissioner's written approval of the plan of operation, which plan shall include the specific business objectives and investment guidelines of the protected cell, the protected cell company, in accordance with the approved plan of operation, may attribute to the protected cell insurance obligations with respect to its insurance business and obligations relating to the insurance securitization and assets to fund the obligations. A protected cell shall have its own distinct name or designation, which shall include the words "protected cell." The protected cell company shall transfer all assets attributable to a protected cell to one or more separately established and identified protected cell accounts bearing the name or designation of that protected

cell. Protected cell assets must be held in the protected cell accounts for the purpose of satisfying the obligations of that protected cell.

(b) All attributions of assets and liabilities between a protected cell and the general account must be in accordance with the plan of operation approved by the Commissioner. A protected cell company may make no other attribution of assets or liabilities between the protected cell company's general account and its protected cells. Any attribution of assets and liabilities between the general account and a protected cell, or from investors in the form of principal on a debt instrument issued by a protected cell company in connection with a protected cell company securitization, must be in cash or in readily marketable securities with established market values.

(c) The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the protected cell company. Amounts attributed to a protected cell under this Chapter, including assets transferred to a protected cell account, are owned by the protected cell company, and the protected cell company may not be, or may not hold itself out to be, a trustee with respect to those protected cell assets of that protected cell account. Notwithstanding the provisions of this subsection, the protected cell company may allow for a security interest to attach to protected cell assets or a protected cell account when in favor of a creditor of the protected cell and otherwise allowed under applicable law.

(d) This Part does not prohibit the protected cell company from contracting with or arranging for an investment advisor, commodity trading advisor, or other third party to manage the protected cell assets of a protected cell, if all remuneration, expenses, and other compensation of the third-party advisor or manager are payable from the protected cell assets of that protected cell and not from the protected cell assets of other protected cells or the assets of the protected cell company's general account.

(e) A protected cell company shall establish administrative and accounting procedures necessary to properly identify the one or more protected cells of the protected cell company and the protected cell assets and protected cell liabilities attributable to the protected cells. It shall be the duty of the directors of a protected cell company to keep protected cell assets and protected cell liabilities:

- (1) Separate and separately identifiable from the assets and liabilities of the protected cell company's general account; and
- (2) Attributable to one protected cell separate and separately identifiable from protected cell assets and protected cell liabilities attributable to other protected cells. Notwithstanding the provisions of this subsection, if this subsection is violated, the remedy of tracing is applicable to protected cell assets when commingled with protected cell assets of other protected cells or the assets of the protected cell company's general account. The remedy of tracing is not an exclusive remedy.

(f) When establishing a protected cell, the protected cell company shall attribute to the protected cell assets a value at least equal to the reserves and other insurance liabilities attributed to that protected cell. (2001-223, s. 25.)

§ 58-10-90. Use and operation of protected cells.

(a) The protected cell assets of a protected cell may not be charged with liabilities arising out of any other business the protected cell company may conduct. All contracts or other documentation reflecting protected cell liabilities shall clearly indicate that only the protected cell assets are available for the satisfaction of those protected cell liabilities.

(b) The income, gains and losses, realized or unrealized, from protected cell assets and protected cell liabilities must be credited to or charged against the protected cell without regard to other income, gains or losses of the protected cell company, including income, gains or losses of other protected cells. Amounts attributed to any protected cell and accumulations on the attributed amounts may be invested and reinvested without regard to any requirements or limitations of this Chapter and the investments in a protected cell or cells may not be taken into account in applying the investment limitations otherwise applicable to the investments of the protected cell company.

(c) Assets attributed to a protected cell must be valued at their fair value on the date of valuation.

(d) A protected cell company, with respect to any of its protected cells, shall engage in fully funded indemnity triggered insurance securitization to support in full the protected cell exposures attributable to that protected cell. A protected cell company insurance securitization that is nonindemnity triggered shall qualify as an insurance securitization under the terms of this Chapter only after the Commissioner adopts rules addressing the methods of funding of the portion of this risk that is not indemnity based and addressing accounting, disclosure, risk-based capital treatment, and assessing risks associated with the securitizations. A protected cell company insurance securitization that is not fully funded, whether indemnity triggered or nonindemnity triggered, is prohibited. Protected cell assets may be used to pay interest or other consideration on any outstanding debt or other obligation attributable to that protected cell, and nothing in this subsection may be construed or interpreted to prevent a protected cell company from entering into a swap agreement or other transaction for the account of the protected cell that has the effect of guaranteeing interest or other consideration.

(e) In all protected cell company insurance securitizations, the contracts or other documentation effecting the transaction shall contain provisions identifying the protected cell to which the transaction will be attributed. In addition, the contracts or other documentation shall clearly disclose that the assets of that protected cell, and only those assets, are available to pay the obligations of that protected cell. Notwithstanding the provisions of this subsection and subject to the provisions of this Chapter and any other applicable law or rule, the failure to include such language in the contracts or other documentation may not be used as the sole basis by creditors, reinsurers, or other claimants to circumvent the provisions of this Part.

(f) A protected cell company shall only be authorized to attribute to a protected cell account the insurance obligations relating to the protected cell company's general account. Under no circumstances may a protected cell be authorized to issue insurance or reinsurance contracts directly to policyholders or reinsureds or have any obligation to the policyholders or reinsureds of the protected cell company's general account.

(g) At the cessation of business of a protected cell in accordance with the plan approved by the Commissioner, the protected cell company voluntarily shall close out the protected cell account. (2001-223, s. 25.)

§ 58-10-95. Reach of creditors and other claimants.

(a) Protected cell assets shall only be available to the creditors of the protected cell company that are creditors with respect to that protected cell and, accordingly, are entitled, in conformity with this Chapter, to have recourse to the protected cell assets attributable to that protected cell and are absolutely protected from the creditors of the protected cell company that are not creditors with respect to that protected cell and who, accordingly, are not entitled to have recourse to the protected cell assets attributable to that protected cell. Creditors with respect to a

protected cell are not entitled to have recourse against the protected cell assets of other protected cells or the assets or the protected cell company's general account. Protected cell assets are only available to creditors of a protected cell company after all protected cell liabilities have been extinguished or otherwise provided for in accordance with the plan of operation relating to that protected cell.

(b) When an obligation of a protected cell company to a person arises from a transaction, or is otherwise imposed, with respect to a protected cell:

- (1) That obligation of the protected cell company extends only to the protected cell assets attributable to that protected cell, and the person, with respect to that obligation, is entitled to have recourse only to the protected cell assets attributable to that protected cell; and
- (2) That obligation of the protected cell company does not extend to the protected cell assets of any other protected cell or the assets of the protected cell company's general account, and that person, with respect to that obligation, is not entitled to have recourse to the protected cell assets of any other protected cell or the assets of the protected cell company's general account.

(c) When an obligation of a protected cell company relates solely to the general account, the obligation of the protected cell company extends only to, and that creditor, with respect to that obligation, is entitled to have recourse only to the assets of the protected cell company's general account.

(d) The activities, assets, and obligations relating to a protected cell are not subject to the provisions of Articles 48 and 62 of this Chapter, and neither a protected cell nor a protected cell company may be assessed by, or otherwise be required to contribute to, any guaranty fund or guaranty association in this State with respect to the activities, assets, or obligations of a protected cell. Nothing in this subsection affects the activities or obligations of an insurer's general account.

(e) The establishment of one or more protected cells alone does not constitute a fraudulent conveyance, an intent by the protected cell company to defraud creditors, or the carrying out of business by the protected cell company for any other fraudulent purpose. (2001-223, s. 25.)

§ 58-10-100. Conservation, rehabilitation, or liquidation of protected cell companies.

(a) Notwithstanding any other provision of law or rule, upon an order of conservation, rehabilitation, or liquidation of a protected cell company, the receiver shall deal with the protected cell company's assets and liabilities, including protected cell assets and protected cell liabilities, in accordance with the requirements set forth in this Part.

(b) With respect to amounts recoverable under a protected cell company insurance securitization, the amount recoverable by the receiver may not be reduced or diminished as a result of the entry of an order of conservation, rehabilitation, or liquidation with respect to the protected cell company, notwithstanding any provisions to the contrary in the contracts or other documentation governing the protected cell company insurance securitization. (2001-223, s. 25.)

§ 58-10-105. No transaction of an insurance business.

A protected cell company insurance securitization may not be deemed to be an insurance or reinsurance contract. An investor in a protected cell company insurance securitization, by sole means of this investment, may not be deemed to be conducting an insurance business in this State. The underwriters or selling agents and their partners, directors, officers, members, managers, employees, agents, representatives, and advisors involved in a protected cell company insurance

securitization may not be deemed to be conducting an insurance or reinsurance agency, brokerage, intermediary, advisory, or consulting business by virtue of their activities in connection with that business. (2001-223, s. 25.)

§ 58-10-110. Authority to adopt rules.

The Commissioner may adopt rules necessary to effectuate the purposes of this Part. (2001-223, s. 25.)

Part 5. Mortgage Guaranty Insurance.

§ 58-10-120. Definitions.

As used in this Part:

- (1) "Mortgage guaranty insurers report of policyholders position" means the supplementary report required by the Commissioner.
- (2) "Policyholders position" means the contingency reserve established under G.S. 58-10-135 and policyholders' surplus. "Minimum policyholders position" is calculated as described in G.S. 58-10-125.
- (3) "Policyholders surplus" means an insurer's net worth; the difference between its assets and liabilities, as reported in its annual statement. (2001-223, s. 11; 2005-215, s. 11.)

§ 58-10-125. Policyholders position and capital and surplus requirements.

(a) For the purpose of complying with G.S. 58-7-75, a mortgage guaranty insurer shall maintain at all times a minimum policyholders position of not less than one twenty-fifth of the insurer's aggregate insured risk outstanding. The policyholders position shall be net of reinsurance ceded but shall include reinsurance assumed.

(b) Subject to the provisions of subsections (i) through (l) of this section, if a mortgage guaranty insurer does not have the minimum amount of policyholders position required by this section it shall cease transacting new business until the time that its policyholders position is in compliance with this section.

(c) A mortgage guaranty insurer shall at all times maintain capital and surplus in the greater of the amount required by G.S. 58-7-75 or subsection (a) of this section, unless a waiver is obtained by the mortgage guaranty insurer pursuant to subsection (i) of this section.

(d) through (h) Repealed by Session Laws 2007-127, s. 5, effective July 1, 2007.

(i) The Commissioner may waive the requirement found in subsection (a) of this section at the written request of a mortgage guaranty insurer upon a finding that the mortgage guaranty insurer's policyholders position is reasonable in relationship to the mortgage guaranty insurer's aggregate insured risk and adequate to its financial needs. The request must be made in writing at least 90 days in advance of the date that the mortgage guaranty insurer expects to exceed the requirement of subsection (a) of this section and shall, at a minimum, address the factors specified in subsection (j) of this section.

(j) In determining whether a mortgage guaranty insurer's policyholders position is reasonable in relation to the mortgage guaranty insurer's aggregate insured risk and adequate to its financial needs, all of the following factors, among others, shall be considered:

- (1) The size of the mortgage guaranty insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria.

- (2) The extent to which the mortgage guaranty insurer's business is diversified across time, geography, credit quality, origination, and distribution channels.
- (3) The nature and extent of the mortgage guaranty insurer's reinsurance program.
- (4) The quality, diversification, and liquidity of the mortgage guaranty insurer's assets and its investment portfolio.
- (5) The historical and forecasted trend in the size of the mortgage guaranty insurer's policyholders position.
- (6) The policyholders position maintained by other comparable mortgage guaranty insurers in relation to the nature of their respective insured risks.
- (7) The adequacy of the mortgage guaranty insurer's reserves.
- (8) The quality and liquidity of investments in affiliates. The Commissioner may treat any such investment as a nonadmitted asset for purposes of determining the adequacy of surplus as regards policyholders.
- (9) The quality of the mortgage guaranty insurer's earnings and the extent to which the reported earnings of the mortgage guaranty insurer include extraordinary items.
- (10) An independent actuary's opinion as to the reasonableness and adequacy of the mortgage guaranty insurer's historical and projected policyholders position.
- (11) The capital contributions which have been infused or are available for future infusion into the mortgage guaranty insurer.
- (12) The historical and projected trends in the components of the mortgage guaranty insurer's aggregate insured risk, including, but not limited to, the quality and type of the risks included in the aggregate insured risk.

(k) The Commissioner may retain accountants, actuaries, or other experts to assist the Commissioner in the review of the mortgage guaranty insurer's request submitted pursuant to subsection (i) of this section. The mortgage guaranty insurer shall bear the Commissioner's cost of retaining those persons.

(l) Any waiver shall be (i) for a specified period of time not to exceed two years and (ii) subject to any terms and conditions that the Commissioner shall deem best suited to restoring the mortgage guaranty insurer's minimum policyholders position required by subsection (a) of this section. (2001-223, s. 11; 2007-127, s. 5; 2009-254, s. 1; 2010-40, ss. 1, 2; 2013-199, s. 3(a), (b).)

§ 58-10-130. Unearned premium reserve.

- (a) The unearned premium reserve shall be computed as follows:
 - (1) The unearned premium reserve for premiums paid in advance annually shall be calculated on the monthly pro rata fractional basis.
 - (2) Premiums paid in advance for 10-year coverage shall be placed in the unearned premium reserve and shall be released from this reserve as follows:
 - a. 1st month – 1/132;
 - b. 2nd through 12th month – 2/132 each month;
 - c. 13th month – 3/264;
 - d. 14th through 120th month – 1/132 per month;
 - e. 121st month – 1/264
 - (3) Premiums paid in advance for periods in excess of 10 years. During the first 10 years of coverage the unearned portion of the premium shall be the premium

collected minus an amount equal to the premium that would have been earned had the applicable premium for 10 years of coverage been received. The premium remaining after 10 years shall be released from the unearned premium reserve monthly pro rata over the remaining term of coverage.

(b) Repealed by Session Laws 2001-334, s. 16.1.

(c) The case basis method shall be used to determine the loss reserve which shall include a reserve for claims reported and unpaid and a reserve for claims incurred but not reported. (2001-223, s. 11; 2001-334, s. 16.1.)

§ 58-10-135. Contingency reserve for mortgage guaranty insurers.

(a) Subject to G.S. 58-7-21, a mortgage guaranty insurer shall make an annual contribution to the contingency reserve which in the aggregate shall be fifty percent (50%) of the net earned mortgage guaranty premium reported in the annual statement.

(b) Repealed by Session Laws 2007-127, s. 6, effective July 1, 2007.

(c) The contingency reserve established by this section shall be maintained for 120 months and reported in the financial statements as a liability. That portion of the contingency reserve established and maintained for more than 120 months shall be released and shall no longer constitute part of the contingency reserve.

(d) With the approval of the Commissioner, withdrawals may be made from the contingency reserve when incurred losses and incurred loss expenses exceed thirty-five percent (35%) of the net earned premium. On a quarterly basis, provisional withdrawals may be made from the contingency reserve in an amount not to exceed seventy-five percent (75%) of the withdrawal calculated in accordance with this subsection.

(e) With the approval of the Commissioner, a mortgage guaranty insurer may withdraw from the contingency reserve any amounts which are in excess of the minimum policyholders position as filed with the most recently filed annual statement. In reviewing a request for withdrawal pursuant to this subsection, the Commissioner may consider loss development and trends. If any portion of the contingency reserve for which withdrawal is requested pursuant to this subsection is maintained by a reinsurer, the Commissioner may also consider the financial condition of the reinsurer. If any portion of the contingency reserve for which withdrawal is requested pursuant to this subsection is maintained in a segregated account or segregated trust and such withdrawal would result in funds being removed from the segregated account or segregated trust, the Commissioner may also consider the financial condition of the reinsurer.

(f) Releases and withdrawals from the contingency reserve shall be accounted for on a first-in-first-out basis as prescribed by the Commissioner.

(g) The calculations to develop the contingency reserve shall be made in the following sequence:

- (1) The additions required by subsection (a) of this section;
- (2) The releases permitted by subsection (c) of this section;
- (3) The withdrawals permitted by subsection (d) of this section; and
- (4) The withdrawals permitted by subsection (e) of this section.

(h) Whenever the laws or regulations of another jurisdiction in which a mortgage guaranty insurer, subject to the requirements of this Part is licensed, require a larger unearned premium reserve or a larger contingency reserve in the aggregate than that set forth in this Part, the establishment and maintenance of the larger unearned premium reserve or contingency reserve

shall be deemed to be in compliance with this Part. (2001-223, s. 11; 2001-334, ss. 16.2, 16.3; 2007-127, s. 6.)

§ 58-10-140. Report of policyholder's position.

Each mortgage guaranty insurance company doing business in this State must file on a form prescribed by the Commissioner a Mortgage Guaranty Insurers Report of Policyholders Position. The supplemental reports shall be filed with the annual and quarterly statements pursuant to G.S. 58-2-165. (2005-215, s. 12.)

§ 58-10-145. Monoline requirement for mortgage guaranty insurers.

A mortgage guaranty insurance company that transacts any kind of insurance other than mortgage guaranty insurance is not eligible to transact business in this State. Provided, however, that a mortgage guaranty insurance company may, until December 31, 2012, assume reinsurance for "credit insurance," as defined in G.S. 58-7-15(17). (2007-127, s. 7; 2008-124, s. 2.2.)

Part 6. Property and Casualty Actuarial Opinions.

§ 58-10-150. Statement of actuarial opinion.

Every property and casualty insurance company doing business in this State, unless otherwise exempted by the Commissioner, shall annually submit the opinion of an appointed actuary entitled, "statement of actuarial opinion." This opinion shall be filed in accordance with the appropriate NAIC Property and Casualty Annual Statement Instructions. (2007-127, s. 15.)

§ 58-10-155. Actuarial opinion summary.

(a) Every property and casualty insurance company domiciled in this State that is required to submit a statement of actuarial opinion shall annually submit an actuarial opinion summary, written by the company's appointed actuary. This actuarial opinion summary shall be filed in accordance with the appropriate NAIC Property and Casualty Annual Statement Instructions and shall be considered as a document supporting the statement of actuarial opinion required in G.S. 58-10-150.

(b) A company licensed but not domiciled in this State, and a company writing business in this State although not specifically licensed to do so or otherwise authorized, shall provide the actuarial opinion summary upon request. (2007-127, s. 15.)

§ 58-10-160. Actuarial report and work papers.

(a) An actuarial report and underlying work papers as required by the appropriate NAIC Property and Casualty Annual Statement Instructions shall be prepared to support each statement of actuarial opinion and actuarial opinion summary.

(b) If an insurance company fails to provide a supporting actuarial report or work papers at the request of the Commissioner or if the Commissioner determines that the supporting actuarial report or work papers provided by an insurance company are unsatisfactory to the Commissioner, the Commissioner may engage an independent, qualified actuary at the expense of the company to (i) review the opinion and the basis for the opinion and (ii) prepare an actuarial report or work papers. (2007-127, s. 15.)

§ 58-10-165. Monetary penalties for failure to provide documents.

A company that fails to provide a statement of actuarial opinion, actuarial opinion summary, actuarial report, or work papers within the time frame provided in the Commissioner's written request, is subject to the monetary penalties set forth in G.S. 58-2-70. (2007-127, s. 15.)

§ 58-10-170. Qualified immunity of appointed actuary.

The appointed actuary shall not be liable for damages to any person other than the insurance company or the Commissioner for any act, error, omission, decision, or conduct with respect to the appointed actuary's opinion, except in cases of fraud or willful misconduct by the appointed actuary. (2007-127, s. 15.)

§ 58-10-175. Confidentiality.

(a) The statement of actuarial opinion shall be treated as a public record.

(b) Documents, materials, or other information in the possession or control of the Department that are considered an actuarial opinion summary, actuarial report, or work papers provided in support of the opinion, and any other material provided by the company to the Commissioner in connection with the actuarial opinion summary, actuarial report, or work papers shall be confidential by law and privileged, in accord with G.S. 58-2-240, shall not be subject to G.S. 58-2-100, shall not be subject to subpoena, and shall not be subject to discovery or admissible as evidence in any private civil action.

(c) Subsection (b) of this section shall not be construed to limit the Commissioner's authority to release documents to the Actuarial Board for Counseling and Discipline if the documents are required for the purpose of professional disciplinary proceedings and if the Actuarial Board for Counseling and Discipline establishes procedures satisfactory to the Commissioner for preserving the confidentiality of the documents. In addition, this section shall not be construed to limit the Commissioner's authority to use any documents, materials, or other information in furtherance of any regulatory or legal action brought as part of the Commissioner's official duties.

(d) Neither the Commissioner nor any person who received documents, materials, or other information while acting under the authority of the Commissioner shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (b) of this section.

(e) In order to assist in the performance of the Commissioner's duties, the Commissioner:

(1) May share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to subsection (b) of this section with other state, federal, and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material, or other information and has the legal authority to maintain confidentiality.

(2) May receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information, from the NAIC and its affiliates and subsidiaries, and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged

under the laws of the jurisdiction that is the source of the document, material, or information.

(3) May enter into agreements governing the sharing and use of information consistent with this section.

(f) No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (e) of this section. (2007-127, s. 15.)

Part 7. Annual Financial Reporting.

§ 58-10-185. Purpose and scope.

(a) The purpose of this Part is to improve the Commissioner's ability to monitor the financial condition of insurers by requiring (i) an annual audit of financial statements reporting the financial position and the results of operations of insurers by independent certified public accountants, (ii) communication of internal control related matters noted in an audit, and (iii) management's report of internal control over financial reporting.

(b) Every insurer, as defined in G.S. 58-10-190, shall be subject to this Part. Insurers having direct premiums written in this State of less than one million dollars (\$1,000,000) in any calendar year and fewer than 1,000 policyholders or certificate holders of direct written policies nationwide at the end of the calendar year shall be exempt from this Part for the year, unless the Commissioner makes a specific finding that compliance is necessary for the Commissioner to carry out statutory responsibilities, except that insurers having assumed premiums pursuant to contracts of reinsurance of one million dollars (\$1,000,000) or more will not be exempt.

(c) Foreign or alien insurers filing the audited financial report in another state, pursuant to that state's requirement for filing of audited financial reports, which has been found by the Commissioner to be substantially similar to the requirements in this Part, are exempt from G.S. 58-10-195 through G.S. 58-10-240 if:

(1) A copy of the audited financial report, communication of internal control related matters noted in an audit, and the accountant's letter of qualifications that are filed with the other state are filed with the Commissioner in accordance with the filing dates specified in G.S. 58-10-195, 58-10-230, and 58-10-235, respectively. Canadian insurers may submit accountants' reports as filed with the Office of the Superintendent of Financial Institutions, Canada.

(2) A copy of any notification of adverse financial condition report filed with the other state is filed with the Commissioner within the time specified in G.S. 58-10-225.

(d) Foreign or alien insurers required to file management's report of internal control over financial reporting in another state are exempt from filing the report in this State provided the other state has substantially similar reporting requirements and the report is filed with the Commissioner of the other state within the time specified.

(e) This Part shall not prohibit, preclude, or in any way limit the Commissioner from ordering, conducting, or performing examinations of insurers in accordance with G.S. 58-2-131 through G.S. 58-2-134, known as the Examination Law. (2009-384, s. 1.)

§ 58-10-195. General requirements related to filing and extensions for filing of annual audited financial reports and audit committee appointment.

(a) All insurers shall have an annual audit by an independent certified public accountant and shall file an audited financial report with the Commissioner on or before June 1 for the year ended December 31 immediately preceding. The Commissioner may require an insurer to file an audited financial report earlier than June 1 with 90 days' advance notice to the insurer.

(b) Extensions of the June 1 filing date may be granted by the Commissioner for 30-day periods upon a showing by the insurer and its independent certified public accountant of the reasons for requesting an extension and determination by the Commissioner of good cause for an extension. The request for extension must be received in writing not less than 10 days before the due date and in sufficient detail to permit the Commissioner to make an informed decision with respect to the requested extension.

(c) If an extension is granted in accordance with the provisions in subsection (b) of this section, a similar extension of 30 days is granted to the filing of management's report of internal control over financial reporting.

(d) Every insurer required to file an annual audited financial report pursuant to this Part shall designate a group of individuals as constituting its audit committee, as defined in G.S. 58-10-190. The audit committee of an entity that controls an insurer may be deemed to be the insurer's audit committee at the election of the controlling person. (2009-384, s. 1.)

§ 58-10-200. Contents of annual audited financial report.

(a) The annual audited financial report shall report the financial position of the insurer as of the end of the most recent calendar year and the results of its operations, cash flows, and changes in

capital and surplus for the year then ended in conformity with G.S. 58-2-165(c). The financial statements included in the audited financial report shall be prepared in a form and using language and groupings substantially the same as the relevant sections of the annual statement of the insurer filed with the Commissioner, and the financial statement shall be comparative, presenting the amounts as of December 31 of the current year and the amounts as of the immediately preceding December 31. However, in the first year in which an insurer is required to file an audited financial report, the comparative data may be omitted.

- (b) The annual audited financial report shall include the following:
 - (1) Report of independent certified public accountant.
 - (2) Balance sheet reporting admitted assets, liabilities, capital, and surplus.
 - (3) Statement of operations.
 - (4) Statement of cash flows.
 - (5) Statement of changes in capital and surplus.
 - (6) Notes to financial statements, which shall be those required by the appropriate NAIC Annual Statement Instructions and the NAIC Accounting Practices and Procedures Manual. The notes shall include a reconciliation of differences, if any, between the audited statutory financial statements and the annual statement filed pursuant to G.S. 58-2-165(c) with a written description of the nature of these differences. (2009-384, s. 1.)

§ 58-10-205. Designation of independent certified public accountant.

(a) Each insurer required by this Part to file an annual audited financial report must, within 60 days after becoming subject to the requirement, register with the Commissioner in writing the name and address of the independent certified public accountant or accounting firm retained to conduct the annual audit. Insurers not retaining an independent certified public accountant on July 31, 2009, shall register the name and address of their retained independent certified public accountant not less than six months before the date when the first audited financial report is to be filed.

(b) The insurer shall obtain a letter from the accountant and file a copy with the Commissioner stating that the accountant is aware of the provisions of the insurance laws and the regulations of the State of North Carolina that relate to accounting and financial matters and affirming that the accountant will express his or her opinion on the financial statement in terms of its conformity to the statutory accounting practices prescribed or otherwise permitted by the Commissioner, specifying such exceptions as he or she may believe appropriate.

(c) If an accountant for the immediately preceding filed audited financial report is dismissed or resigns, the insurer shall within five business days notify the Commissioner of this event. The insurer shall also furnish the Commissioner with a separate letter within 10 business days after the notification stating whether in the 24 months preceding such event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure; which disagreements, if not resolved to the satisfaction of the former accountant, would have caused him or her to make reference to the subject matter of the disagreement in connection with his or her opinion. The disagreements required to be reported in response to this section include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Disagreements contemplated by this section could include, but are not limited to, disagreements between personnel of the insurer responsible for presentation of its financial statements and

personnel of the accounting firm responsible for rendering its report. The insurer shall also in writing request the former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the reasons for which he or she does not agree; and the insurer shall furnish the responsive letter from the former accountant to the Commissioner together with its own. (2009-384, s. 1.)

§ 58-10-210. Qualifications of independent certified public accountant.

(a) The Commissioner shall not recognize a person or firm as a qualified independent certified public accountant if the person or firm:

- (1) Is not in good standing with the North Carolina State Board of Certified Public Accountant Examiners and in all other states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant; or
- (2) Has either directly or indirectly entered into an agreement of indemnity or release from liability, collectively referred to as indemnification, with respect to the audit of the insurer.

(b) Except as otherwise provided in this Part, the Commissioner shall recognize an independent certified public accountant as qualified as long as he or she conforms to the standards of his or her profession, as contained in the Code of Professional Ethics of the AICPA and Rules and Regulations and Code of Ethics and Rules of Professional Conduct of the North Carolina State Board of Certified Public Accountant Examiners or similar code.

(c) A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, in the event of a delinquency proceeding commenced against the insurer under Article 30 of this Chapter, the mediation or arbitration provisions shall operate at the option of the statutory successor.

(d) Lead Audit Partner Rotation Required.

- (1) The lead or coordinating audit partner, having primary responsibility for the audit, may not act in that capacity for more than five consecutive years. The person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of five consecutive years. An insurer may apply to the Commissioner for relief from the rotation requirement on the basis of unusual circumstances. This application shall be made at least 30 days before the end of the calendar year. The Commissioner may consider any of the following factors in determining if the relief should be granted:
 - a. The number of partners, expertise of the partners, or the number of insurance clients in the currently registered firm.
 - b. The premium volume of the insurer.
 - c. The number of jurisdictions in which the insurer transacts business.
- (2) The insurer shall file, with its annual statement filing, the approval for relief granted pursuant to subdivision (1) of this subsection with the states in which it is licensed or doing business and with the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format.

(e) The Commissioner shall neither recognize as a qualified independent certified public accountant, nor accept an annual audited financial report prepared, in whole or in part, by a natural person who meets any of the following criteria:

- (1) The person has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. §§ 1961 to 1968k, or any dishonest conduct or practices under federal or state law.
- (2) The person has been found to have violated the insurance laws of this State with respect to any previous reports submitted under this Part.
- (3) The person has demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of this Part.

(f) The Commissioner may, as provided in G.S. 58-2-50, hold a hearing to determine whether an independent certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing his or her opinion on the financial statements in the annual audited financial report made pursuant to this Part and require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this Part.

(g) Independence of Services.

- (1) The Commissioner shall not recognize as a qualified independent certified public accountant nor accept an annual audited financial report prepared, in whole or in part, by an accountant who provides to an insurer, contemporaneously with the audit, any of the following nonaudit services:
 - a. Bookkeeping or other services related to the accounting records or financial statements of the insurer.
 - b. Financial information systems design and implementation.
 - c. Appraisal or valuation services, fairness opinions, or contribution-in-kind reports.
 - d. Actuarially oriented advisory services involving the determination of amounts recorded in the financial statements. The accountant may assist an insurer in understanding the methods, assumptions, and inputs used in the determination of amounts recorded in the financial statement only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements. An accountant's actuary may also issue an actuarial opinion or certification on an insurer's reserves if all of the following conditions have been met:
 1. Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions.
 2. The insurer has competent personnel, or engages a third-party actuary to estimate the reserves for which management takes responsibility.
 3. The accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves.
 - e. Internal audit outsourcing services.
 - f. Management functions or human resources.

- g. Broker or dealer, investment adviser, or investment banking services.
- h. Legal services or expert services unrelated to the audit.
- i. Any other services that the Commissioner determines, by administrative rule, are impermissible.

(2) In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three basic principles, violations of which would impair the accountant's independence. The principles are that the accountant cannot function in the role of management, cannot audit his or her own work, and cannot serve in an advocacy role for the insurer.

(h) Insurers having direct written and assumed premiums of less than one hundred million dollars (\$100,000,000) in any calendar year may request an exemption from subdivision (1) of subsection (g) of this section. The insurer shall file with the Commissioner a written statement discussing the reasons why the insurer should be exempt from these provisions. If the Commissioner finds, upon review of this statement, that compliance with this Part would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.

(i) A qualified independent certified public accountant who performs the audit may engage in other nonaudit services, including tax services, that are not described in subdivision (1) of subsection (g) of this section or that do not conflict with the principles set forth in subdivision (2) of subsection (g) of this section, only if the activity is approved in advance by the audit committee, in accordance with subsection (j) of this section.

(j) All auditing services and nonaudit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by the audit committee. The preapproval requirement is waived with respect to nonaudit services if the insurer is a SOX-compliant entity or is a direct or indirect wholly owned subsidiary of a SOX-compliant entity or all of the following apply:

- (1) The aggregate amount of all such nonaudit services provided to the insurer constitutes not more than five percent (5%) of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the nonaudit services are provided.
- (2) The services were not recognized by the insurer at the time of the engagement to be nonaudit services.
- (3) The services are promptly brought to the attention of the audit committee and approved before the completion of the audit by the audit committee or by one or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

(k) The audit committee may delegate to one or more designated members of the audit committee the authority to grant the preapprovals required by subsection (j) of this section. The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

(l) Cooling-Off Period.

- (1) The Commissioner shall not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that

insurer was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due. This section shall only apply to partners and senior managers involved in the audit. An insurer may apply to the Commissioner for relief from this requirement on the basis of unusual circumstances.

- (2) The insurer shall file, with its annual statement filing, the approval for relief granted pursuant to subdivision (1) of this subsection with the states in which it is licensed or doing business and the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format. (2009-384, s. 1.)

§ 58-10-215. Consolidated or combined audits.

An insurer may make written application to the Commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or one hundred percent (100%) reinsurance agreement that affects the solvency of the insurer and affects the integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet that meets all of the following criteria shall be filed with the report:

- (1) Amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet.
- (2) Amounts for each insurer subject to this section shall be stated separately.
- (3) Noninsurance operations may be shown on the worksheet on a combined or individual basis.
- (4) Explanations of consolidating and eliminating entries shall be included.
- (5) A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual statements of the insurers. (2009-384, s. 1.)

§ 58-10-220. Scope of audit and report of independent certified public accountant.

Financial statements furnished pursuant to G.S. 58-10-200 shall be examined by the independent certified public accountant. The audit of the insurer's financial statements shall be conducted in accordance with generally accepted auditing standards. In accordance with AU Section 319 of the Professional Standards of the AICPA, Consideration of Internal Control in a Financial Statement Audit, the independent certified public accountant should obtain an understanding of internal control sufficient to plan the audit. To the extent required by AU Section 319, for those insurers required to file a management's report of internal control over financial reporting pursuant to G.S. 58-10-255, the independent certified public accountant should consider, as that term is defined in "Statement on Auditing Standards No. 102 of the AICPA Professional Standards, Defining Professional Requirements in Statements on Auditing Standards" or its replacement, the most recently available report in planning and performing the audit of the statutory financial statements. Consideration shall be given to the procedures illustrated in the Financial Condition Examiners Handbook promulgated by the NAIC as the independent certified public accountant deems necessary. (2009-384, s. 1.)

§ 58-10-225. Notification of adverse financial condition.

(a) The insurer required to furnish the annual audited financial report shall require the independent certified public accountant to report, in writing, within five business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the Commissioner as of the balance sheet date currently under audit or that the insurer does not meet the minimum capital and surplus requirement of G.S. 58-7-75 as of that date. An insurer that has received a report pursuant to this subsection shall forward a copy of the report to the Commissioner within five business days after receipt of the report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the Commissioner. If the independent certified public accountant fails to receive the evidence within the required five-business-day period, the independent certified public accountant shall furnish to the Commissioner a copy of its report within the next five business days.

(b) No independent certified public accountant shall be liable in any manner to any person for any statement made in connection with subsection (a) of this section if the statement is made in good faith in compliance with that subsection.

(c) If the accountant, subsequent to the date of the audited financial report filed pursuant to this Part, becomes aware of facts that might have affected his or her report, the Commissioner notes the obligation of the accountant to take such action as prescribed in Volume 1, Section AU 561 of the Professional Standards of the AICPA. (2009-384, s. 1.)

§ 58-10-230. Communication of internal control related matters noted in an audit.

(a) In addition to the annual audited financial report, each insurer shall furnish the Commissioner with a written communication as to any unremediated material weaknesses in its internal control over financial reporting noted during the audit. Such communication shall be prepared by the accountant within 60 days after the filing of the annual audited financial report and shall contain a description of any unremediated material weakness, as the term "material weakness" is defined by "Statement on Auditing Standards No. 112 of the AICPA Professional Standards, Communication of Internal Control Related Matters Noted in an Audit," or its replacement, as of December 31 immediately preceding, so as to coincide with the audited financial report described in G.S. 58-10-195(a) in the insurer's internal control over financial reporting noted by the accountant during the course of their audit of the financial statements. If no unremediated material weaknesses are noted, the communication should so state.

(b) The insurer shall provide a description of remedial actions taken or proposed to correct unremediated material weaknesses, if the actions are not described in the accountant's communication. (2009-384, s. 1.)

§ 58-10-235. Accountant's letter of qualifications.

The accountant shall furnish the insurer, in connection with, and for inclusion in, the filing of the annual audited financial report, a letter stating all of the following:

- (1) That the accountant is independent with respect to the insurer and conforms to the standards of his or her profession as contained in the Code of Professional Ethics and pronouncements of the AICPA and the Rules of Professional Conduct of the North Carolina State Board of Certified Public Accountant Examiners Board of Public Accountancy, or similar code.

- (2) The background and experience in general and the experience in audits of insurers of the staff assigned to the engagement and whether each is an independent certified public accountant. Nothing within this Part shall be construed as prohibiting the accountant from utilizing such staff as he or she deems appropriate where their use is consistent with the standards prescribed by generally accepted auditing standards.
- (3) That the accountant understands the annual audited financial report and his opinion thereon will be filed in compliance with this Part and that the Commissioner will be relying on this information in the monitoring and regulation of the financial position of insurers.
- (4) That the accountant consents to the requirements of G.S. 58-10-240 and that the accountant consents and agrees to make available for review by the Commissioner, or the Commissioner's designee or appointed agent, the work papers, as described in G.S. 58-10-240.
- (5) A representation that the accountant is properly licensed by an appropriate state licensing authority and is a member in good standing in the AICPA.
- (6) A representation that the accountant is in compliance with the requirements of G.S. 58-10-210. (2009-384, s. 1.)

§ 58-10-240. Definition, availability, and maintenance of independent certified public accountants' work papers.

(a) Work papers are the records kept by the independent certified public accountant of the procedures followed, the tests performed, the information obtained, and the conclusions reached pertinent to the accountant's audit of the financial statements of an insurer. Work papers, accordingly, may include audit planning documentation, work programs, analyses, memoranda, letters of confirmation and representation, abstracts of company documents, and schedules or commentaries prepared or obtained by the independent certified public accountant in the course of his or her audit of the financial statements of an insurer and which support the accountant's opinion.

(b) Every insurer required to file an audited financial report pursuant to this Part shall require the accountant to make available for review by the Commissioner all work papers prepared in the conduct of the accountant's audit and any communications related to the audit between the accountant and the insurer at the offices of the insurer, at the offices of the Commissioner, or at any other reasonable place designated by the Commissioner. The insurer shall require that the accountant retain the audit work papers and communications until the Commissioner has filed a report on examination covering the period of the audit but no longer than seven years after the date of the audit report.

(c) In the conduct of the periodic review by the Commissioner's examiners in subsection (b) of this section, copies of pertinent audit work papers may be made and retained by the Commissioner. Such reviews by the Commissioner's examiners shall be considered investigations, and all working papers and communications obtained during the course of such investigations shall be confidential. (2009-384, s. 1.)

§ 58-10-245. Requirements for audit committees.

(a) This section shall not apply to foreign or alien insurers licensed in this State or an insurer that is a SOX-compliant entity or a direct or indirect wholly owned subsidiary of a SOX-compliant entity.

(b) The audit committee shall be directly responsible for the appointment, compensation, and oversight of the work of any accountant, including resolution of disagreements between management and the accountant regarding financial reporting, for the purpose of preparing or issuing the audited financial report or related work. Each accountant shall report directly to the audit committee.

(b1) The audit committee of an insurer or group of insurers shall be responsible for overseeing the insurer's internal audit function and granting the person or persons performing the function suitable authority and resources to fulfill the requirements of G.S. 58-10-246.

(c) Each member of the audit committee shall be a member of the board of directors of the insurer or a member of the board of directors of an entity elected pursuant to subsection (f) of this section and G.S. 58-10-190(3).

(d) In order to be considered independent for purposes of this section, a member of the audit committee shall not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept any consulting, advisory, or other compensatory fee from the entity or be an affiliated person of the entity or any subsidiary of the entity. However, if North Carolina law requires board participation by otherwise nonindependent members, that law shall prevail and such members may participate in the audit committee and be designated as independent for audit committee purposes, unless they are an officer or employee of the insurer or one of its affiliates.

(e) If a member of the audit committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the Commissioner, may remain an audit committee member of the responsible entity until the earlier of the next annual meeting of the responsible entity or one year from the occurrence of the event that caused the member to be no longer independent.

(f) To exercise the election of the controlling person to designate the audit committee, the ultimate controlling person shall provide written notice of the affected insurers to the Commissioner. Notification shall be made timely before the issuance of the statutory audit report and include a description of the basis for the election. The election can be changed through notice to the Commissioner by the insurer, which shall include a description of the basis for the change. The election shall remain in effect for perpetuity, until rescinded.

(g) Reports From Accountant.

(1) The audit committee shall require the accountant that performs for an insurer any audit required by this Part to timely report to the audit committee in accordance with the requirements of "Statement on Auditing Standards No. 61 of the AICPA Professional Standards, Communication with Audit Committees," or its replacement, including all of the following:

- a. All significant accounting policies and material permitted practices.
- b. All material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant.
- c. Other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

- (2) If an insurer is a member of an insurance holding company system, the reports required by subdivision (1) of subsection (g) of this section may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the audit committee.

(h) The proportion of independent audit committee members shall meet or exceed the following criteria:

	Prior Calendar Year Direct Written and Assumed Premiums	
\$0 – \$300,000,000	Over \$300,000,000 – \$500,000,000	Over \$500,000,000
No minimum requirements.	Majority (50% or more) of members shall be independent.	Supermajority of members (75% or more) shall be independent.

The Commissioner shall require the entity's board to enact improvements to the independence of the audit committee membership if the insurer is in a risk-based capital action level event, meets one or more of the standards of an insurer deemed to be in hazardous financial condition, or otherwise exhibits qualities of a troubled insurer. The Commissioner may order any insurer with less than five hundred million dollars (\$500,000,000) in prior year direct written and assumed premiums to structure its audit committee with at least a supermajority of independent audit committee members. Prior calendar year direct written and assumed premiums shall be the combined total of direct premiums and assumed premiums from nonaffiliates for the reporting entities.

(i) An insurer with direct written and assumed premiums, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of less than five hundred million dollars (\$500,000,000) may apply to the Commissioner for a waiver from the requirements in this section based upon hardship. The insurer shall file, with its annual statement filing, the approval for relief from this section with the states in which it is licensed or doing business and with the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format. (2009-384, s. 1; 2019-57, s. 2(c).)

§ 58-10-246. Internal audit function requirements.

(a) Exemption. – An insurer is exempt from the requirements of this section if both of the following apply:

- (1) The insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than five hundred million dollars (\$500,000,000).
- (2) If the insurer is a member of a group of insurers, the group has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than one billion dollars (\$1,000,000,000).

(b) Function. – The insurer or group of insurers shall establish an internal audit function providing independent, objective, and reasonable assurance to the audit committee and insurer management regarding the insurer's governance, risk management, and internal controls. This assurance shall be provided by performing general and specific audits, reviews, and tests and by

employing other techniques deemed necessary to protect assets, evaluate control effectiveness and efficiency, and evaluate compliance with policies and regulations.

(c) Independence. – In order to ensure that internal auditors remain objective, the internal audit function must be organizationally independent. For purposes of this section, "organizationally independent" means that the internal audit function (i) shall not defer ultimate judgment on audit matters to others and (ii) shall appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors of the insurer or group of insurers. Organizational independence does not preclude dual-reporting relationships.

(d) Reporting. – The head of the internal audit function shall report to the audit committee with a frequency no less than annually on the periodic audit plan, factors that may adversely impact the internal audit function's independence or effectiveness, material findings from completed audits, and the appropriateness of corrective actions implemented by management as a result of audit findings.

(e) Additional Requirements. – If an insurer is a member of an insurance holding company system or included in a group of insurers, the insurer may satisfy the internal audit function requirements set forth in this section at the ultimate controlling parent level, an intermediate holding company level, or the individual legal entity level. (2019-57, s. 2(d).)

§ 58-10-250. Conduct of insurer in connection with the preparation of required reports and documents.

- (a) No director or officer of an insurer shall, directly or indirectly, do any of the following:
- (1) Make or cause to be made a materially false or misleading statement to an accountant in connection with any audit, review, or communication required under this Part.
 - (2) Omit to state, or cause another person to omit to state, any material fact necessary in order to make statements made, in light of the circumstances under which the statements were made, not misleading to an accountant in connection with any audit, review, or communication required under this Part.

(b) No officer or director of an insurer, or any other person acting under the direction thereof, shall directly or indirectly take any action to coerce, manipulate, mislead, or fraudulently influence any accountant engaged in the performance of an audit pursuant to this Part if that person knew or should have known that the action, if successful, could result in rendering the insurer's financial statements materially misleading.

(c) For purposes of subsection (b) of this section, actions that, "if successful, could result in rendering the insurer's financial statements materially misleading" include, but are not limited to, actions taken at anytime with respect to the professional engagement period to coerce, manipulate, mislead, or fraudulently influence an accountant to do any of the following:

- (1) Issue or reissue a report on an insurer's financial statements that is not warranted in the circumstances, due to material violations of statutory accounting principles prescribed by the Commissioner, generally accepted auditing standards, or other professional or regulatory standards.
- (2) Not perform audit, review, or other procedures required by generally accepted auditing standards or other professional standards.
- (3) Not withdraw an issued report.

§ 58-10-255. Management's report of internal control over financial reporting.

(a) Every insurer required to file an audited financial report pursuant to this Part that has annual direct written and assumed premiums, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of five hundred million dollars (\$500,000,000) or more shall prepare a report of the insurer's or group of insurers' internal control over financial reporting, as these terms are defined in G.S. 58-10-190. The report shall be filed with the Commissioner along with the communication of internal control related matters noted in an audit described under G.S. 58-10-230. Management's report of internal control over financial reporting shall be as of December 31 immediately preceding.

(b) Notwithstanding the premium threshold in subsection (a) of this section, the Commissioner may require an insurer to file management's report of internal control over financial reporting if the insurer is in any risk-based capital level event, or meets any one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in G.S. 58-30-60(b).

(c) An insurer or a group of insurers that is:

- (1) Directly subject to Section 404;
- (2) Part of a holding company system whose parent is directly subject to Section 404;
- (3) Not directly subject to Section 404 but is a SOX-compliant entity; or
- (4) A member of a holding company system whose parent is not directly subject to Section 404 but is a SOX-compliant entity may file its or its parent's Section 404 report and an addendum in satisfaction of this subsection's requirement provided that those internal controls of the insurer or group of insurers having a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements for items included in G.S. 58-10-200(b)(2) through G.S. 58-10-200(b)(6) were included in the scope of the Section 404 report. The addendum shall be a positive statement by management that there are no material processes with respect to the preparation of the insurer's or group of insurers' audited statutory financial statements for items included in G.S. 58-10-200(b)(2) through G.S. 58-10-200(b)(6) that were excluded from the Section 404 report. If there are internal controls of the insurer or group of insurers that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements and those internal controls were not included in the scope of the Section 404 report, the insurer or group of insurers may either file (i) a G.S. 58-10-255 report, or (ii) the Section 404 report and a G.S. 58-10-255 report for those internal controls that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements not covered by the Section 404 report.

(d) Management's report of internal control over financial reporting shall include all of the following:

- (1) A statement that management is responsible for establishing and maintaining adequate internal control over financial reporting.
- (2) A statement that management has established internal control over financial reporting and an assertion, to the best of management's knowledge and belief, after diligent inquiry, as to whether its internal control over financial reporting

is effective to provide reasonable assurance regarding the reliability of financial statements in accordance with statutory accounting principles.

- (3) A statement that briefly describes the approach or processes by which management evaluated the effectiveness of its internal control over financial reporting.
- (4) A statement that briefly describes the scope of work that is included and whether any internal controls were excluded.
- (5) Disclosure of any unremediated material weaknesses in the internal control over financial reporting identified by management as of December 31 immediately preceding. - (6) A statement regarding the inherent limitations of internal control systems.
- (7) Signatures of the chief executive officer and the chief financial officer, or equivalent position.

(e) Management shall document and make available upon a financial condition examination the basis upon which its assertions, required in subsection (d) of this section, are made. Management may base its assertions, in part, upon its review, monitoring, and testing of internal controls undertaken in the normal course of its activities. Management shall have discretion as to the nature of the internal control framework used, and the nature and extent of documentation, in order to make its assertion in a cost-effective manner and, as such, may include assembly of or reference to existing documentation. Management's report on internal control over financial reporting, required by subsection (a) of this section, and any documentation provided in support thereof during the course of a financial condition examination, shall be kept confidential by the Commissioner. (2009-384, s. 1.)

§ 58-10-260. Exemptions and effective dates.

(a) Upon written application of any insurer, the Commissioner may grant an exemption from compliance with any and all provisions of this Part if the Commissioner finds, upon review of the application, that compliance with this Part would constitute a financial or organizational hardship upon the insurer. An exemption may be granted at anytime and from time to time for a specified period or periods. Within 10 days after a denial of an insurer's written request for an exemption, the insurer may request in writing a hearing on its application for an exemption. The hearing shall be held in accordance with Article 3A of Chapter 150B of the General Statutes.

(b) Domestic insurers retaining a certified public accountant on July 31, 2009, who qualify as independent shall comply with this Part for the year ending December 31, 2010, and each year thereafter unless the Commissioner permits otherwise.

(c) Foreign insurers shall comply with this Part for the year ending December 31, 2010, and each year thereafter unless the Commissioner permits otherwise.

(e) The requirements of G.S. 58-10-245 shall become effective on January 1, 2010. An insurer or group of insurers that is not required to have independent audit committee members or only a majority of independent audit committee members, as opposed to a supermajority, because

the total written and assumed premium is below the threshold and subsequently becomes subject to one of the independence requirements due to changes in premium shall have one year following the year the threshold is exceeded, but not earlier than January 1, 2010, to comply with the independence requirements. Likewise, an insurer that becomes subject to one of the independence requirements as a result of a business combination shall have one calendar year following the date of acquisition or combination to comply with the independence requirements.

An insurer or group of insurers exempt from G.S. 58-10-246 that no longer meets the threshold for exemption shall have one calendar year after the year the threshold is exceeded to comply with the requirements of that section. (2009-384, s. 1; 2019-57, s. 2(e).)

§ 58-10-280. General provisions.

(a) A domestic mutual insurance company, upon approval of the Commissioner, may reorganize by forming an insurance holding company based upon a mutual plan and by continuing the corporate existence of the reorganizing insurance company as a stock insurance company. If the Commissioner, after a public comment period as provided in G.S. 58-10-285, or, if applicable, a public hearing, is satisfied that the interests of the policyholders are properly protected and that the plan of reorganization is fair and equitable to the policyholders, the Commissioner may approve the proposed plan of reorganization and may require as a condition of approval such modifications of the proposed plan of reorganization as the Commissioner finds necessary for the protection of the policyholders' interests. The Commissioner may retain consultants as provided in G.S. 58-10-285 to assist in the review of the proposed plan. The Commissioner shall retain jurisdiction over a mutual insurance holding company organized under this Part to assure that policyholder interests are protected. All of the initial shares of the capital stock of the reorganized insurance company shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurance company shall become membership interests in the mutual insurance holding company, pursuant to the terms and conditions of the plan of reorganization approved by the Commissioner. Policyholders of the reorganized insurance company shall be members of the mutual insurance holding company in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurance company.

(b) A domestic mutual insurance company, after approval by the Commissioner, may reorganize by merging its policyholders' membership interests into a mutual insurance holding company formed under subsection (a) of this section and continuing the corporate existence of the reorganizing insurance company as a stock insurance company subsidiary of the mutual insurance holding company. If the Commissioner is satisfied that the interests of the policyholders are properly protected and that the merger of interests is fair and equitable to the policyholders, the Commissioner may approve the proposed merger of interests and may require as a condition of approval such modifications of the proposed merger of interests as the Commissioner finds necessary for the protection of the policyholders' interests. The Commissioner may retain consultants as provided in G.S. 58-10-285. The Commissioner has jurisdiction over the mutual insurance holding company organized under this Part to assure that policyholder interests are protected. All of the initial shares of the capital stock of the reorganized insurance company shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurance company shall, pursuant to the terms and conditions of the plan of reorganization approved by the Commissioner, become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurance company shall be members of the mutual insurance holding company in accordance with subsection (a) of this section and the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurance company.

(c) A mutual insurance holding company resulting from the reorganization of a domestic mutual insurance company that was organized under Articles 7 and 8 and other applicable provisions of this Chapter shall be incorporated under this Chapter. The articles of incorporation and any amendments to such articles of the mutual insurance holding company shall be subject to approval of the Commissioner in the same manner as those of a mutual insurance company.

(d) A mutual insurance holding company is an insurer subject to Article 30 of this Chapter and shall automatically be a party to any proceeding under Article 30 of this Chapter involving an insurance company which, as a result of a reorganization under subsection (a) or (b) of this section, is a subsidiary of the mutual insurance holding company. In any proceeding under Article 30 of this Chapter involving the reorganized insurance company, the assets of the mutual insurance holding company are deemed to be assets of the estate of the reorganized insurance company for purposes of satisfying the claims of the reorganized insurance company's policyholders. A mutual insurance holding company shall not dissolve or liquidate without the approval of the Commissioner or as ordered by the court pursuant to Article 30 of this Chapter.

(e) G.S. 58-10-10 and G.S. 58-10-12 are not applicable to a reorganization or merger of interests under this Part. G.S. 58-10-10 and G.S. 58-10-12 are applicable to demutualization of a mutual insurance holding company that resulted from the reorganization of a domestic mutual insurance company organized under this Chapter as if the mutual insurance holding company was a mutual insurance company.

(f) A membership interest in a domestic mutual insurance holding company shall not constitute a security as defined in Chapter 78A of the General Statutes.

(g) The majority of the voting shares of the capital stock of the reorganized insurance company, which is required by this section to be at all times owned by a mutual insurance holding company, shall not be conveyed, transferred, assigned, pledged, subjected to a security interest or lien, encumbered, or otherwise hypothecated or alienated by the mutual insurance holding company or intermediate holding company. Any conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation of, in, or on the majority of the voting shares of the reorganized insurance company is a violation of this section and shall be void in inverse chronological order of the date of such conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation, as to the shares necessary to constitute a majority of such voting shares. The majority of the voting shares of the capital stock of the reorganized insurance company shall not be subject to execution and levy as provided in Chapter 1 of the General Statutes. The shares of the capital stock of the surviving or new company resulting from a merger or consolidation of two or more reorganized insurance companies or two or more intermediate holding companies that were subsidiaries of the same mutual insurance holding company are subject to the same requirements, restrictions, and limitations to which the shares of the merging or consolidating reorganized insurance companies or intermediate holding companies were subject by this section prior to the merger or consolidation. The ownership of a majority of the voting shares of the capital stock of the reorganized insurance company that are required by this section to be at all times owned by a parent mutual insurance holding company includes indirect ownership through one or more intermediate holding companies in a corporate structure approved by the Commissioner. However, indirect ownership through one or more intermediate holding companies shall not result in the mutual insurance holding company owning less than the equivalent of a majority of the voting shares of the capital stock of the reorganized insurance company. The Commissioner shall have jurisdiction over an intermediate holding company as if it were a mutual insurance holding company.

(h) The applicant's articles of incorporation or bylaws, as appropriate, shall require a policyholder vote of approval of the reorganization by a two-thirds majority of the domestic mutual insurance company's policyholders voting on it in person, by proxy, or by mail at a meeting called for the purpose of voting on the reorganization. (2012-161, s. 1.)

The Commissioner may inform the public of the limited or standard application in a manner deemed appropriate by the Commissioner and may hold a public hearing concerning the application.

(d) The Commissioner may contract, at the expense of the person filing the application, with any attorneys, actuaries, economists, accountants, consultants, or other professional advisors not otherwise a part of the Commissioner's staff to assist the Commissioner in reviewing the application. These contracts are personal professional service contracts exempt from Articles 3 and 3C of Chapter 143 of the General Statutes.

(e) The expenses of mailing any notices and other materials required by this section shall be borne by the person filing the application.

(c) Extensions may be granted by the Commissioner for 30-day periods upon a showing by the applicant business entity of the reasons for requesting an extension and a determination by the Commissioner of good cause for the extension.

(d) As a condition precedent to provisionally approving a license under this section, the applicant business entity shall have filed an application required by this Part and the Commissioner shall have made a preliminary finding that the expertise, experience, and character of the person or persons who will control and manage the applicant business entity are acceptable.

(e) The Commissioner may limit the authority of any provisional licensee in any way deemed necessary.

(f) The Commissioner may rescind the provisional approval at any time if the Commissioner determines that the interests of insureds or the public are at risk.

- (4) If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the captive insurance company may conduct.
- (5) No sale, exchange, or other transfer of assets may be made by a captive insurance company between any of its separate accounts or between any other investment account and one or more of its separate accounts unless (i) in the case of a transfer into a separate account, the transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made; and (ii) such transfer, whether into or from a separate account, is made by a transfer of cash or by a transfer of securities having a readily determinable market value, provided that such

transfer of securities is approved by the Commissioner. The Commissioner may approve other transfers among such accounts, if, in the Commissioner's opinion, such transfers would be equitable.

- (6) To the extent deemed necessary by a captive insurance company in order to comply with any applicable federal or State laws, the captive insurance company, with respect to any separate account, including any separate account which is a management investment company or a unit investment trust, may provide for persons having an interest in the separate account appropriate voting and other rights and special procedures for the conduct of the business of such account, including special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such company, to manage the business of such account. § 58-10-390. Conflict of interest.

(a) Each captive insurance company licensed in this State is required to adopt a conflict of interest statement for officers, governing board members, and key employees. Such statement shall disclose that the individual has no outside commitments, personal or otherwise, that would divert him or her from his or her duty to further the interests of the captive insurance company he or she represents, but this shall not preclude such person from being a governing board member or officer in more than one insurance company.

(b) Each officer, governing board member, and key employee shall file such disclosure with the governing board of the captive insurance company annually. (2013-116, s. 1; 2015-99, s. 1; 2016-78, s. 4.1(h); 2022-7, s. 4(e).)

§ 58-10-400. Insurance manager and intermediaries.

No person shall act in or from this State as a managing general agent, producer, or reinsurance intermediary for captive insurance company business without the authorization of the Commissioner. (2013-116, s. 1; 2014-65, s. 7; 2016-78, s. 4.1(j).)

§ 58-10-405. Annual reports.

(a) No captive insurance company shall be required to make any annual report to the Commissioner except as provided in this Part.

(b) Prior to March 15 of each year, each captive insurance company shall submit to the Commissioner a report of its financial condition on the preceding December 31, verified by oath of two of its executive officers. Each captive insurance company shall report using generally accepted accounting principles, unless the Commissioner requires, approves, or accepts the use of other comprehensive basis of accounting. The Commissioner may require, approve, or accept any appropriate or necessary modifications of the other comprehensive basis of accounting for the type of insurance and kinds of insurers to be reported upon. The Commissioner may require additional information to supplement such report. Except as otherwise provided, each risk retention group and association captive insurance company shall file its report in the form required by G.S. 58-2-165, and each risk retention group shall comply with the requirements set forth in G.S. 58-4-5. All other captive insurance companies shall report on forms adopted by the Commissioner. G.S. 58-10-345(f) shall apply to each report filed pursuant to this section. Branch captive insurance companies shall file the report required by this section unless otherwise required by G.S. 58-10-545. Special Purpose Financial Captive insurance companies shall report in accordance with G.S. 58-10-625.

(c) A pure captive insurance company, a special purpose captive insurance company, or an industrial insured captive insurance company may make written application to the Commissioner for filing the required report on an alternative reporting date based on the company's fiscal year-end. If an alternative reporting date is granted by the Commissioner, then the annual report is due 75 days after the fiscal year-end.

(d) The Commissioner may require any captive insurance company to file a report on its financial condition semiannually, quarterly, monthly, or any other frequency determined by the Commissioner.

(e) The Commissioner may waive the filing of the annual report required by this section subject to the filing of the annual audit required by G.S. 58-10-415. A captive insurance company must make a written request for exemption from the annual report at least 30 days prior to the annual report due date. The Commissioner may not simultaneously exempt a captive insurance company from both the annual report and the annual audit requirements.

(f) Extensions of the due date for filings required by this section may be granted by the Commissioner for 30-day periods upon a showing by the captive insurance company of the reasons for requesting an extension and determination by the Commissioner of good cause for the extension. The request for extension must be received in writing not less than 10 days before the due date and in sufficient detail to permit the Commissioner to make an informed decision with

respect to the requested extension. (2013-116, s. 1; 2014-65, s. 8; 2015-99, s. 1; 2016-78, s. 4.1(k).)

Risk retention groups shall comply with Parts 6 and 7 of Article 10 of this Chapter instead of this section.

(b) Captive insurance companies that have received approval to report on other than a calendar year basis pursuant to G.S. 58-10-405 shall file such statements within 180 days after the end of their fiscal year.

(c) Upon written request by any captive insurance company, the Commissioner may grant an exemption from compliance with any or all provisions of this section if the Commissioner finds that compliance would cause the insurer a financial or organizational hardship. Such request must be made at least 90 days prior to the captive insurance company's fiscal year-end or as otherwise required by the Commissioner. Requests will be considered on a case-by-case basis and may be subject to the Commissioner receiving an annual audit of the captive insurance company's parent in lieu of the annual audit of the captive insurance company.

(c1) Extensions of the due dates for filings required by this section may be granted by the Commissioner for 30-day periods upon a showing by the captive insurance company of the reasons for requesting an extension and determination by the Commissioner of good cause for the extension. The request for extension must be received in writing not less than 10 days before the due date and in sufficient detail to permit the Commissioner to make an informed decision with respect to the requested extension.

(c2) G.S. 58-10-345(f) shall apply to all information filed pursuant to this section.

(d) The annual audit shall consist of the following:

(1) Annual audited financial report. – The annual audited financial report shall include the following:

Financial statements. – Financial statements shall be prepared in accordance with generally accepted accounting principles, unless the Commissioner requires, approves, or accepts the use of other comprehensive basis of accounting, with useful or necessary modifications or adaptations required, approved, or accepted by the Commissioner, and shall be audited by an independent certified public accountant in accordance with generally accepted auditing standards as determined by the American Institute of Certified Public Accountants. The Commissioner may require that the financial statements be supplemented by additional information.

b. Notes to financial statements. – The notes to financial statements shall be those required by generally accepted accounting principles, or as otherwise approved by the Commissioner, and shall also include a reconciliation of differences, if any, between the audited financial report and the report of the captive insurance company's financial condition filed with the Commissioner in accordance with G.S. 58-10-405(b).

c. Related required auditor communications. – Copies of related required auditor communications in accordance with generally accepted auditing standards.

(2) Certified public accountant's affirmation. – The certified public accountant shall furnish a written statement in the engagement letter or other document submitted to the captive insurance company that the certified public accountant is aware of, and will comply with, the responsibilities imposed by G.S. 58-10-420(b) and G.S. 58-10-420(c).

(3), (4) Repealed by Session Laws 2014-65, s. 9, effective July 1, 2014.

(5) Repealed by Session Laws 2015-99, s. 1, effective June 19, 2015.

(e) Every captive insurance company, unless otherwise exempted by the Commissioner, shall annually submit with the annual audited financial report the opinion of an appointed actuary entitled, "Statement of Actuarial Opinion," evaluating the captive insurance company's loss reserves and loss expense reserves. The individual who prepares the Statement of Actuarial Opinion shall be a Fellow of the Casualty Actuarial Society, a member in good standing of the American Academy of Actuaries, or an individual who has demonstrated to the Commissioner competence in loss reserve evaluation. (2013-116, s. 1; 2014-65, s. 9; 2015-99, s. 1; 2016-78, s. 4.1(l); 2022-7, s. 2.)

§ 58-10-420. Independent certified public accountants.

(a) A captive insurance company, after becoming subject to this Part, shall within 60 days, if not already disclosed at the time of application, report to the Commissioner in writing, the name and address of the independent certified public accountant retained to conduct the annual audit set forth in G.S. 58-10-415.

(b) A captive insurance company shall require its independent certified public accountant to immediately notify in writing an officer and all members of the governing board of the captive insurance company of any determination by the independent certified public accountant that the captive insurance company has materially misstated its financial condition in its report to the Commissioner as required in G.S. 58-10-405. A captive insurance company receiving a notification pursuant to this subsection shall forward a copy of the notification to the Commissioner within five business days after receipt of the notification and shall provide the independent certified public accountant with proof that the notification was forwarded to the Commissioner. If the independent certified public accountant fails to receive the proof within the five-day period required by this subsection, the independent certified public accountant shall within the next five business days submit a copy of the notification to the Commissioner.

(c) A captive insurance company shall require its independent certified public accountant to make available for review by the Commissioner or his or her appointed agent the work papers prepared in the conduct of the audit of the captive insurance company. The captive insurance company shall require that the independent certified public accountant retain the audit work papers for a period of not less than five years after the period reported upon. The aforementioned review by the Commissioner shall be considered an audit, and all working papers obtained during the course of such audit shall be confidential. The captive insurance company shall require that the independent certified public accountant provide copies, in such form as the Commissioner deems appropriate, of any of the working papers which the Commissioner considers relevant. Such working papers may be retained by the Commissioner. "Work papers" as referred to in this section include, but are not necessarily limited to, schedules, analyses, reconciliations, abstracts,

memoranda, narratives, flow charts, copies of captive insurance company records, or other documents prepared or obtained by the independent certified public accountant and the independent certified public accountant's employees in the conduct of their audit of the captive insurance company.

(d) The lead audit partner may not act in that capacity for more than five consecutive years. For purposes of this subsection, lead audit partner means the partner having primary responsibility for the audit. The person shall be disqualified from acting in that or similar capacity for the captive insurance company for a period of five consecutive years. A captive insurance company may make application to the Commissioner for relief from the above rotation requirement on the basis of unusual circumstances. This application should be made at least 30 days before the end of the fiscal year. The Commissioner may consider the following factors in determining if the relief should be granted:

- (1) Number of partners, expertise of the partners, or the number of insurance clients in the firm; and
- (2) Premium volume of the captive insurance company.
- (3) Repealed by Session Laws 2016-78, s. 4.1(m), effective June 30, 2016.

(e) Risk retention groups shall comply with Part 7 of Article 10 of this Chapter instead of this section. (2013-116, s. 1; 2014-65, s. 10; 2015-99, s. 1; 2016-78, s. 4.1(m); 2022-7, s. 4(f).)

(b) A captive insurance company may receive interest or dividends from deposits held by the Commissioner or exchange the deposits for others of equal value with the approval of the Commissioner.

(c) If a captive insurance company discontinues business, the Commissioner shall return deposits held by the Commissioner only after being satisfied that all obligations of the captive insurance company have been discharged. (2013-116, s. 1; 2014-65, s. 11.)

§ 58-10-430. Audits and Financial Analysis.

(a) Whenever the Commissioner determines it to be prudent, the Commissioner shall audit a captive insurance company's affairs to ascertain its financial condition, its ability to fulfill its obligations, and whether it has complied with this Part. The expenses and charges of the audit shall be paid by the captive insurance company.

(a1) Whenever the Commissioner determines it to be prudent, the Commissioner shall conduct a financial analysis of information submitted to or obtained by the Commissioner pursuant to this Part. Except as otherwise provided in this Part, the captive insurance company is not required to pay the expense and charges of the financial analysis.

(b) G.S. 58-2-160 shall apply to audits and financial analyses conducted under this section.

(c) All audit reports, preliminary audit reports or results, working papers, recorded information, documents, and copies thereof produced by, obtained by, or disclosed to the Commissioner or any other person in the course of an audit or financial analysis made under this section are confidential, are not subject to subpoena, and may not be made public by the Commissioner or an employee or agent of the Commissioner. Nothing in this subsection shall prevent the Commissioner from using such information in furtherance of the Commissioner's

regulatory authority under this Chapter. The Commissioner shall have the discretion to grant access to such information to public officials having jurisdiction over the regulation of insurance in any other state or country or to law enforcement officers of this State or any other state or agency of the federal government at any time only if the officials receiving the information agree in writing to maintain the confidentiality of the information in a manner consistent with this subsection.

(d) Risk retention groups are not subject to this section and shall instead be audited in accordance with the Examination Law, G.S. 58-2-131 through G.S. 58-2-134. (2013-116, s. 1; 2014-65, s. 12; 2015-99, s. 1; 2016-78, s. 4.1(n); 2022-7, s. 3.)

§ 58-10-435. License suspension or revocation.

(a) The license of a captive insurance company may be suspended or revoked if the Commissioner finds, upon audit, hearing, or other evidence, that a captive insurance company has committed one or more of the violations described in subdivisions (1) through (7a) of this subsection, or met any of the criteria in subdivisions (8) through (10) of this subsection, and that the suspension or revocation is in the best interest of the public and the policyholders of such captive insurance company, notwithstanding any other provision of this Chapter:

- (1) Insolvency or impairment of capital or surplus.
- (2) Failure to meet the requirements of G.S. 58-10-370.
- (3) Refusal or failure to submit an annual report or audit report, as required by this Part, or any other report or statement required by law or by lawful order of the Commissioner.

- (7) Failure otherwise to comply with the laws of this State.
- (7a) Failure to operate in accordance with the plan of operation approved by the Commissioner.
- (8) Failure to commence business according to its plan of operation within two years of being licensed.
- (9) Failure to carry on insurance business in or from this State.
- (10) By request of the captive insurance company.

(b) Before the Commissioner suspends or revokes the license of a captive insurance company under subdivisions (a)(7) or (a)(8) of this section, the Commissioner shall give the captive insurance company notice in writing of the grounds on which the Commissioner proposes to suspend or revoke the license and shall afford the captive insurance company an opportunity to make objection in writing within the period of 30 days after receipt of notice. The Commissioner shall take into consideration any objection received by the Commissioner within that period and, if the Commissioner decides to suspend or revoke the license, cause the order of suspension or revocation to be served on the captive insurance company. (2013-116, s. 1; 2016-78, s. 4.1(o); 2022-7, s. 7.)

§ 58-10-440. Investment requirements.

(a) Except as may be otherwise authorized by the Commissioner, association captive insurance companies and risk retention groups shall comply with the investment requirements contained in G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and 58-7-205, as applicable. Notwithstanding any other provision of this Chapter, the Commissioner may approve the use of alternative reliable methods of valuation and rating.

(b) No pure captive insurance company, industrial insured captive insurance company, protected cell captive insurance company, special purpose captive insurance company, or special purpose financial captive insurance company shall be subject to any restrictions on allowable investments, provided that the Commissioner may prohibit or limit any investment that threatens the solvency or liquidity of any such company.

(c) No captive insurance company or protected cell shall make a loan to or an investment in an affiliate or a participant without prior written approval of the Commissioner, and any such loan or investment shall be evidenced by documentation approved by the Commissioner. Loans of minimum capital and surplus funds required by G.S. 58-10-370 are prohibited. G.S. 58-10-345(f) shall apply to all information filed pursuant to this section.

(d) Notwithstanding this section or G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and 58-7-205, an association captive insurance company of an association described in G.S. 58-10-340(4)(b) [G.S. 58-10-340(4)b.] may hold any interest in qualified headquarters property, and the qualified headquarters property shall be admitted assets and authorized investments of the association captive insurance company. The net book value of the qualified headquarters property deemed admitted and authorized under this subsection may not exceed two million five hundred thousand dollars (\$2,500,000), and an association captive insurance company holding qualified headquarters property pursuant to this subsection shall at all times maintain total surplus, without regard to the qualified headquarters property, of at least the sum of (i) fifty percent (50%) of the net book value of the qualified headquarters property and (ii) the minimum capital and surplus requirements. For purposes of this subsection, "qualified headquarters property" includes the real property and the building in which the principal office of the association captive insurance company is located and also includes any improved and unimproved real property of the association captive insurance company that is located within 1,500 feet of the company's principal office. (2013-116, s. 1; 2014-65, s. 13; 2015-99, s. 1; 2016-78, s. 4.1(p); 2022-7, s. 1(c).)

§ 58-10-445. Reinsurance.

(a) Any captive insurance company may provide reinsurance as authorized by this Chapter on risks ceded by any other insurer.

(b) Any captive insurance company may take credit for the reinsurance of risks or portions of risks ceded to reinsurers complying with this Chapter. If the reinsurer is licensed as a risk retention group, then the ceding risk retention group or its members must qualify for membership with the reinsurer. The Commissioner shall have the discretion to allow a captive insurance company to take credit for the reinsurance of risks or portions of risks ceded to an unauthorized reinsurer, after review, on a case-by-case basis. The Commissioner may require any documents, financial information, or other evidence that will allow an unauthorized reinsurer to demonstrate adequate security for its financial obligations.

(c) In addition to reinsurers authorized by this Chapter, a captive insurance company may take credit for the reinsurance of risks or portions of risks ceded to a pool, exchange, or association to the extent authorized by the Commissioner. The Commissioner may require any documents, financial information, or other evidence that such a pool, exchange, or association will be able to provide adequate security for its financial obligations. The Commissioner may deny authorization or impose any limitations on the activities of a reinsurance pool, exchange, or association that in the Commissioner's judgment are necessary and proper to provide adequate security for the ceding captive insurance company and for the protection and benefit of the public at large.

(d) Insurance by a captive insurance company of any workers' compensation or accident and health-qualified self-insured plan shall only be in the form of reinsurance.

(e) No credit shall be allowed for reinsurance where the reinsurance contract does not result in the complete transfer of the risk or liability to the reinsurer.

(f) No credit shall be allowed, as an asset or a deduction from liability, to any ceding insurer for reinsurance unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding insurer under the contract reinsured without diminution because of the insolvency of the ceding insurer.

(g) Reinsurance under this section shall be effected through a written agreement of reinsurance setting forth the terms, provisions, and conditions governing such reinsurance. The Commissioner may require that complete copies of all reinsurance treaties and contracts be filed and approved by the Commissioner. (2013-116, s. 1; 2014-65, s. 14.)

§ 58-10-450. Membership in rating organizations; exemption from compulsory associations.

(a) No captive insurance company shall be required to join a rating organization.

(b) No captive insurance company shall be permitted to join or contribute financially to any plan, pool, association, or guaranty or insolvency fund in this State, nor shall any such captive insurance company, or any insured or affiliate thereof, receive any benefit from any such plan, pool, association, or guaranty or insolvency fund for claims arising out of the operations of such captive insurance company. (2013-116, s. 1.)

§ 58-10-455. Taxation.

A captive insurance company is taxed in accordance with Article 8B of Chapter 105 of the General Statutes. (2013-116, s. 1.)

§ 58-10-460. Adoption and amendment of rules by Commissioner.

The Commissioner may adopt and, from time to time, amend such rules relating to captive insurance companies as are necessary to enable the Commissioner to carry out the provisions of this Part. (2013-116, s. 1.)

§ 58-10-465. Applicable provisions.

(a) No provisions of this Chapter, other than those contained in this Part or as expressly provided in this Part, shall apply to captive insurance companies. Risk retention groups shall have the privileges and be subject to Article 22 of this Chapter in addition to the applicable provisions of this Part.

(b) The Commissioner may exempt special purpose captive insurance companies, on a case-by-case basis, from provisions of this Chapter and any rules established under this Chapter

that the Commissioner determines to be inappropriate given the nature of the risks to be insured. (2013-116, s. 1; 2014-65, s. 15; 2015-99, s. 1.)

§ 58-10-470: Repealed by Session Laws 2016-78, s. 4.1(q), effective June 30, 2016.

§ 58-10-475. Supervision; rehabilitation; liquidation.

Except as otherwise provided in this Part, the terms and conditions set forth in Article 30 of this Chapter shall apply in full to captive insurance companies licensed under this Part. (2013-116, s. 1; 2015-99, s. 1.)

§ 58-10-480. Authority for expenditure of public funds.

Any municipality, county, authority, utility district, or other public body generally classified as a governmental body or governmental entity whether chartered or organized by local act or public act of the General Assembly, or otherwise, or any agency, board, or commission of any municipality, metropolitan government, county, authority, utility district, or other public body generally classified as a governmental body or governmental entity may expend public funds for the purchase of capital stock in a captive insurance company or to provide guaranty capital in a mutual captive insurance company, provided that at the time of authorization of expenditure of public funds adequate insurance markets in the United States are not available to cover the risks, hazards, and liabilities of the public body or that the needed coverage is only available at excessive rates or with unreasonable deductibles. (2013-116, s. 1.)

§ 58-10-485. Violations and penalties.

(a) If, after providing the opportunity for a contested case hearing held in accordance with the provisions of Article 3A of Chapter 150B of the General Statutes, the Commissioner finds that any insurer, person, or entity required to be licensed or authorized to transact the business of insurance under this Part has violated any provision of this Part or any rule or regulation authorized by this Part, the Commissioner may order:

- (1) The insurer, person, or entity to cease and desist from engaging in the act or practice giving rise to the violation.
- (2) Payment of a monetary penalty pursuant to G.S. 58-2-70.
- (3) The suspension or revocation of the insurer's, person's, or entity's license.

(b) Whenever the Commissioner has evidence that any person has violated or is violating any provisions of this Part, or has violated or is violating any order or requirement of the Commissioner issued by the Commissioner under this Part, and that the interests of policyholders, creditors, or the public may be irreparably harmed by delay, the Commissioner may issue an emergency cease and desist order that shall become effective on the date specified in the order. The emergency cease and desist order shall also include a notice of hearing, which shall be conducted as provided under Article 3A of Chapter 150B of the General Statutes. However, the person ordered to cease and desist under this subsection may request and shall be granted an expedited review of the order. The emergency order shall remain in effect prior to and during the proceedings, unless modified by the Commissioner. (2013-116, s. 1; 2015-99, s. 1.)

§ 58-10-490. Inactive captive insurance companies.

(a) As used in this section, unless the context requires otherwise, "inactive captive insurance company" means a captive insurance company which meets all of the following criteria:

- (1) The company has ceased transacting the business of insurance.
 - (2) There are no remaining liabilities associated with policies written or assumed by the company.
 - (3) The Commissioner declares the company inactive.
- (b) The Commissioner may declare a captive insurance company, other than a risk retention group, an inactive captive insurance company, if such captive insurance company meets the criteria of subdivisions (a)(1) and (a)(2) of this section.
- (c) An inactive captive insurance company shall possess and maintain unimpaired capital and surplus in an amount determined by the Commissioner.
- (d) An inactive captive insurance company shall not be subject to or liable for the payment of any tax under Article 8B of Chapter 105 of the General Statutes for any full year the captive insurance company is inactive.
- (e) The Commissioner may exempt an inactive captive insurance company from any of the filing and reporting requirements of this Part.
- (f) G.S. 58-10-496 is inapplicable to subsection (a) of this section unless the captive insurance company has been placed into supervision, receivership, or liquidation pursuant to Article 30 of Chapter 58 of the General Statutes and the Commissioner has determined that the payment of the minimum tax required by G.S. 105-228.4A(f) will result in the captive insurance company's inability to meet its insurance obligations. (2015-99, s. 1; 2022-7, s. 9.)

§ 58-10-495. Captive insurance companies reinsuring life insurance policies.

- (a) A captive insurance company that reinsures life insurance policies, including term, universal, and variable life policies, and related guarantees and riders, shall maintain reserves that are actuarially sufficient to support the liabilities incurred by the captive insurance company in reinsuring life insurance policies.
- (b) For purposes of the annual report required pursuant to G.S. 58-10-405, a captive insurance company described by subsection (a) of this section shall comply with the following requirements:
- (1) If the company uses statutory accounting principles, it shall submit the annual report in the form of the annual statement approved by the NAIC for life insurers, as modified or supplemented by the Commissioner, unless the Commissioner requires or approves a different form of annual report.
 - (2) If the company uses generally accepted accounting principles, including any appropriate modifications or adaptations thereto approved by the Commissioner, it shall submit the annual report in a form approved by the Commissioner. (2013-116, s. 1.)

§ 58-10-496. Waiver or modification.

The Commissioner may waive or modify any provision of this Part if such waiver or modification, in the Commissioner's opinion, is justified, based on sound actuarial, accounting, or business principles, and does not diminish the solvency prospects of the captive insurance company. No waiver or modification granted by the Commissioner pursuant to this section shall result in a greater regulatory burden than imposed by this Part prior to the exercise of such waiver or modification. (2016-78, s. 4.1(r).)

Subpart 2. Protected Cell Captive Insurance Companies.

§ 58-10-500. Forming a protected cell captive insurance company.

(a) One or more sponsors may form a protected cell captive insurance company under this Subpart.

(b) A protected cell captive insurance company shall be incorporated as a stock insurer with its capital divided into shares and held by the stockholders, as a mutual corporation, as a nonprofit corporation with one or more members, or as a manager-managed limited liability company. (2013-116, s. 1.)

§ 58-10-505. Additional filing requirements for applicant protected cell captive insurance companies.

In addition to the information required by G.S. 58-10-345(c), each applicant protected cell captive insurance company shall file with the Commissioner all of the following:

- (1) Materials demonstrating how the applicant will account for the loss and expense experience of each protected cell at a level of detail found to be sufficient by the Commissioner, and how it will report such experience to the Commissioner.
- (2) A statement acknowledging that all records of the applicant, including records pertaining to any protected cells, shall be made available for inspection or audit by the Commissioner or the Commissioner's designated agent.
- (3) All contracts or sample contracts between the applicant business entity and any participants.
- (4) A statement describing how expenses shall be allocated to each protected cell in a fair and equitable manner. (2013-116, s. 1; 2015-99, s. 1; 2016-78, s. 4.1(s).)

§ 58-10-510. Establishment of protected cells.

(a) A protected cell captive insurance company licensed under this Part may establish and maintain one or more incorporated or unincorporated protected cells, to insure risks of one or more participants, subject to the following conditions:

- (1) A protected cell captive insurance company may establish one or more protected cells if the Commissioner has approved in writing a plan of operation or amendments to a plan of operation submitted by the protected cell captive insurance company with respect to each protected cell. A plan of operation shall include, but is not limited to, the specific business objectives and investment guidelines of the protected cell, provided that the Commissioner may require additional information in the plan of operation.
- (2) Upon the Commissioner's written approval of the plan of operation, the protected cell captive insurance company may attribute insurance obligations with respect to its insurance business to the protected cell in accordance with the approved plan of operation.
- (3) A protected cell shall have its own distinct name or designation that shall include the words "protected cell" or "incorporated cell."
- (4) The protected cell captive insurance company shall transfer all assets attributable to a protected cell to one or more separately established and identified protected cell accounts bearing the name or designation of that protected cell. Protected cell assets must be held in the protected cell accounts for the purpose of satisfying the obligations of that protected cell.

- (5) Repealed by Session Laws 2015-99, s. 1, effective June 19, 2015.
- (6) All attributions of assets and liabilities between a protected cell and the general account shall be in accordance with the plans of operation and participant contracts approved by the Commissioner. Any attribution of assets between the general account and a protected cell shall be in cash or in readily marketable securities with established market values unless otherwise approved by the Commissioner.

(b) The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the protected cell captive insurance company, unless the protected cell is an incorporated cell. Amounts attributed to a protected cell under this Part, including assets transferred to a protected cell account, are owned by the protected cell. No protected cell captive insurance company shall be, or hold itself out to be, a trustee with respect to those protected cell assets of that protected cell account. Notwithstanding this subsection, the protected cell captive insurance company may allow for a security interest to attach to protected cell assets or a protected cell account when the security interest is in favor of a creditor of the protected cell and otherwise allowed under applicable law.

(c) This Part shall not be construed to prohibit the protected cell captive insurance company from contracting with or arranging for an investment advisor, commodity trading advisor, or other third party to manage the protected cell assets of a protected cell, if all remuneration, expenses, and other compensation of the third-party advisor or manager are payable from the protected cell assets of that protected cell and not from the protected cell assets of other protected cells or the assets of the protected cell captive insurance company's general account.

(d) A protected cell captive insurance company shall establish administrative and accounting procedures necessary to properly identify (i) the one or more protected cells of the protected cell captive insurance company and (ii) the assets and liabilities attributable to each protected cell. The governing board of a protected cell captive insurance company shall keep protected cell assets and liabilities:

- (1) Separate and separately identifiable from the assets and liabilities of the protected cell captive insurance company's general account.
- (2) Attributable to one protected cell separate and separately identifiable from protected cell assets and protected cell liabilities attributable to other protected cells.

If this subsection is violated, then the remedy of tracing is applicable to protected cell assets when commingled with protected cell assets of other protected cells or the assets of the protected cell captive insurance company's general account. The remedy of tracing shall not be construed as an exclusive remedy.

(e) When establishing a protected cell, the protected cell captive insurance company shall attribute to the protected cell assets a value at least equal to the reserves and other insurance liabilities attributed to that protected cell.

(f) Each protected cell shall be accounted for separately on the books and records of the protected cell captive insurance company to reflect (i) the financial condition and results of operations of such protected cell, (ii) net income or loss, (iii) dividends or other distributions to participants, and (iv) such other factors as may be provided in the participant contract or required by the Commissioner.

(g) No asset of a protected cell shall be chargeable with liabilities arising out of any other insurance business the protected cell captive insurance company may conduct.

(h) No sale, exchange, or other transfer of assets shall be made by such protected cell captive insurance company between or among any of its protected cells without the consent of such protected cells.

(i) No sale, exchange, transfer of assets, dividend, or distribution shall be made from a protected cell to a protected cell captive insurance company or participant without the Commissioner's approval. In no event shall the Commissioner's approval be given if the sale, exchange, transfer, dividend, or distribution would result in the insolvency or impairment of a protected cell.

(j) The protected cell captive insurance company shall attribute all insurance obligations, assets, and liabilities relating to a reinsurance contract entered into with respect to a protected cell to such protected cell. The performance under such reinsurance contract and any tax benefits, losses, refunds, or credits allocated pursuant to a tax allocation agreement to which the protected cell captive insurance company is a party, including any payments made by or due to be made to the protected cell captive insurance company pursuant to the terms of such agreement, shall reflect the insurance obligations, assets, and liabilities relating to the reinsurance contract that are attributed to such protected cell.

(k) In connection with the rehabilitation or liquidation of a protected cell or a protected cell captive insurance company, the assets and liabilities of a protected cell shall, to the extent the Commissioner determines they are separable, at all times be kept separate from and shall not be commingled with those of other protected cells and the protected cell captive insurance company's general account.

(l) Each protected cell captive insurance company shall annually file with the Commissioner such financial reports as required by the Commissioner. Any such financial report shall include without limitation a consolidating schedule detailing the financial experience of each protected cell.

(l1) In lieu of filing a separate Statement of Actuarial Opinion for a protected cell captive insurance company and each protected cell, a protected cell captive insurance company may file a combined Statement of Actuarial Opinion which shall include a statement of actuarial opinion for each protected cell, and the core, if the core is retaining risk. The combined Statement of Actuarial Opinion shall include a supplemental schedule showing the loss and loss expense reserves for each protected cell, and the core, if the core is retaining risk. The loss and loss expense reserve reported in the supplemental schedule must equal the loss and loss expense reserve amount reported in the audited financial statement and the annual report submitted pursuant to this Part.

(m) Each protected cell captive insurance company shall notify the Commissioner in writing within 10 business days if the protected cell captive insurance company or any of its protected cells are impaired, insolvent, or otherwise unable to meet its claim or expense obligations.

(n) No participant contract shall take effect without the Commissioner's prior written approval. The addition of each new protected cell, the withdrawal of any participant, or the termination of any existing protected cell shall constitute a change in the plan of operation requiring the Commissioner's prior written approval.

(o) If required by the Commissioner, the business written by a protected cell captive insurance company, with respect to each protected cell shall be:

- (1) Fronted by an insurance company approved by the Commissioner.
- (2) Reinsured by a reinsurer approved by the Commissioner.

- (3) Secured by a trust fund in the United States for the benefit of policyholders and claimants, funded by an irrevocable letter of credit, or other arrangement that is acceptable to the Commissioner. The Commissioner may require the protected cell captive insurance company to increase the funding of any security arrangement established under this subdivision. If the form of security is a letter of credit, the letter of credit shall be issued by a bank approved by the Commissioner. A trust maintained pursuant to this subdivision shall be established in a form and upon such terms approved by the Commissioner.

(p) Notwithstanding this Chapter or other laws of this State, and in addition to G.S. 58-10-525, in the event of an insolvency of a protected cell captive insurance company where the Commissioner determines that one or more protected cells remain solvent, the Commissioner may separate such cells from the protected cell captive insurance company and may allow, on application of the protected cell captive insurance company or a protected cell's participant, for the conversion or transfer of such protected cells into one or more new or existing protected cell captive insurance companies, or one or more other captive insurance companies, pursuant to such plan or plans of operation as the Commissioner deems acceptable.

(q) A protected cell of a protected cell captive insurance company may be transferred to another protected cell captive insurance company or may be converted into another captive insurance company upon the approval of a transfer agreement or conversion plan by the Commissioner. All assets and liabilities of the protected cell immediately before the transfer or conversion shall remain the assets and liabilities after the transfer or conversion. All actions and other legal proceedings which were pending by or against the protected cell immediately prior to the transfer or conversion may be continued by or against the protected cell or the captive insurance company into which the protected cell converts.

(r) A protected cell of a protected cell captive insurance company may enter into a contract with its protected cell captive insurance company or with another protected cell of the protected cell captive insurance company that shall be enforceable as if each protected cell of the protected cell captive insurance company were a separate legal entity, even if the protected cell is not organized as an incorporated protected cell. (2013-116, s. 1; 2014-65, s. 16; 2015-99, s. 1; 2016-78, s. 4.1(t); 2022-7, s. 4(g).)

§ 58-10-512. Incorporated protected cells.

(a) A protected cell of a protected cell captive insurance company may be formed as an incorporated protected cell.

(b) The articles of incorporation or articles of organization of an incorporated protected cell shall refer to the protected cell captive insurance company for which it is a protected cell and shall state that the protected cell is incorporated or organized for the limited purposes authorized by the protected cell captive insurance company's license.

(c) An incorporated protected cell may be organized and operated in any form of business organization authorized by the Commissioner. Unless otherwise permitted by the organizational documents of a protected cell captive insurance company, each incorporated protected cell of the protected cell captive insurance company must have the same governing board members, secretary, and registered office as the protected cell captive insurance company.

(d) In addition to the information required to be filed pursuant to G.S. 58-10-510(a)(1), a protected cell captive insurance company shall meet the requirements of G.S. 58-10-345(c)(1) for

each incorporated protected cell. Other documents related to the incorporated protected cell shall be filed with the Commissioner as required before issuing policies of insurance.

(e) It is the intent of the General Assembly under this section to provide protected cell captive insurance companies with the option to establish one or more protected cells as a separate corporation or other legal entity. This section shall not be construed to limit any rights or protections applicable to protected cells that are not incorporated protected cells.

(f) Subject to the prior written approval of the protected cell captive insurance company and of the Commissioner, an incorporated protected cell shall be entitled to enter into contracts and undertake obligations in its own name and for its own account. In the case of a contract or obligation to which the protected cell captive insurance company is not a party, either in its own name and for its own account or on behalf of a protected cell, the counterparty to the contract or obligation shall have no right or recourse against the protected cell captive insurance company and its assets other than against assets properly attributable to the incorporated protected cell that is a party to the contract or obligation. (2015-99, s. 1; 2022-7, s. 4(h).)

§ 58-10-513. Cell shares and cell dividends.

(a) A protected cell captive insurance company may create and issue shares from any of its protected cells, the proceeds of which shall be included in the assets attributable to the cell from which the cell shares were issued.

(b) The proceeds of the issue of shares other than cell shares created and issued by a protected cell captive insurance company shall be included in the protected cell captive insurance company's general account.

(c) A protected cell captive insurance company may pay dividends to cell shareholders from assets attributable to such cell in accordance with the provisions of G.S. 58-10-375. (2015-99, s. 1.)

§ 58-10-515. Participants in a protected cell captive insurance company.

(a) Any person may be a participant in a protected cell captive insurance company formed or licensed under this Part.

(b) A sponsor may be a participant in a protected cell captive insurance company.

(c) A participant need not be a shareholder of the protected cell captive insurance company or any affiliate thereof.

(d) Except as otherwise approved by the Commissioner, a participant shall insure only its own risks and the risks of its affiliates through a protected cell captive insurance company. (2013-116, s. 1; 2015-99, s. 1; 2016-78, s. 4.1(u).)

§ 58-10-517. Company to inform persons they are dealing with protected cell captive insurance company.

A protected cell captive insurance company shall inform any person with whom it transacts business that it is a protected cell captive insurance company, and for the purposes of that transaction, identify or specify the protected cell with which that person is transacting, unless that transaction is not a transaction with a particular protected cell, in which case it shall specify that the transaction is with the protected cell captive insurance company's core. (2015-99, s. 1.)

§ 58-10-520. Combining assets of protected cells.

Notwithstanding G.S. 58-10-510, the assets of two or more protected cells may be combined for purposes of investment and such combination shall not be construed as defeating the segregation of such assets for accounting or other purposes. (2013-116, s. 1; 2014-65, s. 17.)

§ 58-10-525. Application of supervision, rehabilitation, and liquidation provisions to protected cell captive insurance companies.

(a) Except as otherwise provided in this Part, Article 30 of this Chapter shall apply to a protected cell captive insurance company and to each protected cell of a protected cell captive insurance company.

(b) Upon any order of supervision, rehabilitation, or liquidation of a protected cell or a protected cell captive insurance company, the Commissioner or receiver shall manage the assets and liabilities of the protected cell captive insurance company, including assets and liabilities attributed to protected cells, pursuant to this Part.

(c) Notwithstanding Article 30 of this Chapter:

- (1) No assets of a protected cell shall be used to pay any expenses or claims other than those attributable to such protected cell.
- (2) Subject to G.S. 58-10-512(f), a protected cell captive insurance company's capital and surplus shall at all times be available to pay any expenses of, or claims against, the protected cell captive insurance company. (2013-116, s. 1; 2015-99, s. 1; 2016-78, s. 4.1(v).)

Subpart 3. Branch Captive Insurance Companies.

§ 58-10-530. Establishment of branch captive insurance companies.

(a) A branch captive insurance company may be established in this State, in accordance with this Subpart, to write in this State any insurance or reinsurance of the employee benefit business of its parent and affiliated companies that is subject to the Employee Retirement Income Security Act of 1974, as amended, or any insurance or reinsurance permitted to be written by captive insurance companies pursuant to this Part.

(b) No branch captive insurance company shall do any insurance business in this State unless it maintains the principal place of business for its branch operations in this State. (2013-116, s. 1.)

§ 58-10-535. Security for payment of branch captive insurance company liabilities.

(a) No branch captive insurance company shall be issued a license by the Commissioner unless it possesses and maintains as security for the payment of liabilities attributable to the branch operations:

- (1) An amount equal to the amount set forth in G.S. 58-10-370 as the minimum capital requirement for a pure captive insurance company.
- (2) Reserves on such insurance policies or such reinsurance contracts as may be issued or assumed by the branch captive insurance company through its branch operations, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses, and unearned premiums with regard to business written through the branch operations; provided, however, that the Commissioner may permit a branch captive insurance company to credit against any such reserve requirement any security for loss reserves that the branch captive insurance company may post with a ceding insurer or that may

be posted by a reinsurer with the branch captive insurance company, and in either case if such security remains posted.

(b) Subject to the prior approval of the Commissioner, the amounts required in subsection (a) of this section may be held in the form of:

- (1) A trust formed under a trust agreement and funded by assets acceptable to the Commissioner.
- (2) An irrevocable letter of credit issued by a bank approved by the Commissioner.
- (3) With respect to the amounts required in subdivision (a)(1) of this section only, cash on deposit with the Commissioner.
- (4) Any combination of subdivisions (b)(1) through (3) of this section. (2013-116, s. 1; 2015-99, s. 1.)

§ 58-10-540: Repealed by Session Laws 2015-99, s. 1, effective June 19, 2015.

§ 58-10-545. Filing of reports and statements.

Prior to March 1 of each year, or with the approval of the Commissioner within 60 days after its fiscal year-end, a branch captive insurance company shall file with the Commissioner a copy of all reports and statements required to be filed under the laws of the jurisdiction in which the alien captive insurance company is formed, verified by oath of two of its executive officers. If the Commissioner is satisfied that the annual report filed by the alien captive insurance company in its domiciliary jurisdiction provides adequate information concerning the financial condition of the alien captive insurance company, the Commissioner may waive the requirement for completion of the captive annual statement for business written in the alien jurisdiction. (2013-116, s. 1.)

§ 58-10-550. Audit of a branch captive insurance company.

(a) Any audit of a branch captive insurance company pursuant to G.S. 58-10-430 shall be of branch business and branch operations only so long as the branch captive insurance company files annually with the Commissioner a certificate of compliance, or its equivalent, issued by or filed with the licensing authority of the jurisdiction in which the branch captive insurance company is formed, and demonstrates to the Commissioner's satisfaction that it is operating in sound financial condition in accordance with all applicable laws and regulations of such jurisdiction.

(b) As a condition of licensure, an alien captive insurance company shall grant authority to the Commissioner for audit of the affairs of the alien captive insurance company in the jurisdiction in which the alien captive insurance company is formed. (2013-116, s. 1; 2016-78, s. 4.1(w).)

Subpart 4. Special Purpose Financial Captives.

§ 58-10-555. Creation of special purpose financial captives.

Special purpose financial captives (SPFCs) are provided by this Subpart exclusively to facilitate the securitization of one or more risks as a means of accessing alternative sources of capital and achieving the benefits of securitization. SPFCs are created for the limited purpose of entering into SPFC contracts and insurance securitization transactions and into related agreements to facilitate the accomplishment and execution of those transactions. The creation of SPFCs is intended to achieve greater efficiencies in structuring and executing insurance securitizations, to diversify and broaden sources of capital for insurers, to facilitate access for many insurers to insurance securitization and capital markets financing technology, and to further the economic

development and expand the interest of this State through its captive insurance program. (2013-116, s. 1.)

§ 58-10-560. Controlling provisions when conflict exists; exemptions.

(a) No provisions of this Chapter, other than those expressly provided in this Part, shall apply to an SPFC. If any conflict occurs in this Part related to an SPFC, the provisions of this Subpart shall control.

(b) The Commissioner may exempt an SPFC or its protected cells, on a case-by-case basis, from this Part if the Commissioner determines regulation under this Part to be inappropriate given the nature of the risks to be insured. (2013-116, s. 1; 2015-99, s. 1.)

§ 58-10-565. Application requirements.

(a) An SPFC, when permitted by its organizational documents, may apply to the Commissioner for a certificate of authority to transact insurance or reinsurance business as authorized by this Part. An SPFC shall only insure or reinsure the risks of its counterparty. Notwithstanding any other provision of this Part, an SPFC may purchase reinsurance to cede the risks assumed under the SPFC contract as approved by the Commissioner.

(b) To transact business in this State, an SPFC shall:

- (1) Comply with the procedures established in G.S. 58-10-345(c).
- (2) Obtain from the Commissioner a certificate of authority authorizing it to conduct insurance or reinsurance business, or both, in this State.
- (3) Hold at least one management meeting each year in this State. For the purposes of this section, management is defined as the governing board or other individual or individuals vested with overall responsibility for the management of the affairs of the SPFC, including the election and appointment of officers or other of those agents to act on behalf of the SPFC.
- (4) Maintain its principal place of business in this State.
- (5) Appoint a resident registered agent to accept service of process and to otherwise act on its behalf in this State. If the registered agent, with reasonable diligence, is not found at the registered office of the SPFC, the Commissioner shall be an agent of the SPFC upon whom any process, notice, or demand may be served.
- (6) Provide such documentation of the insurance securitization as requested by the Commissioner immediately upon closing of the transaction, including:
 - a. An opinion of a duly licensed North Carolina legal counsel with respect to compliance with this Part and any other applicable laws as of the effective date of the transaction.
 - b. A statement under oath of its president and secretary demonstrating its financial condition.
- (7) Provide a complete set of the documentation of the insurance securitization to the Commissioner immediately following closing of the transaction.

(c) A complete SPFC application shall include the following:

- (1) A certified copy of the SPFC's organizational documents.
- (2) Evidence of:
 - a. The amount and liquidity of its assets relative to the risks to be assumed.
 - b. The adequacy of the expertise, experience, and character of the person or persons who manage the SPFC.

- c. The overall soundness of the SPFC's plan of operation.
 - d. Other factors considered relevant by the Commissioner in ascertaining whether the proposed SPFC is able to meet its policy obligations.
 - e. The applicant SPFC's financial condition, including the source and form of the minimum capital to be contributed to the SPFC.
- (3) A plan of operation consisting of a description of or statement of intent with respect to the contemplated insurance securitization, the SPFC contract, and related transactions, which shall include:
- a. Draft documentation or, at the discretion of the Commissioner, a written summary of all material agreements that are entered into to effectuate the SPFC contract and, before the effectuation of the SPFC contract, the insurance securitization, to include the names of the counterparty, the nature of the risks being assumed, the proposed use of protected cells, if any, and the maximum amounts, purpose, and nature and the interrelationships of the various transactions required to effectuate the insurance securitization.
 - b. The source and form of additional capital to be contributed to the SPFC.
 - c. The proposed investment strategy of the SPFC.
 - d. A description of the underwriting, reporting, and claims payment methods by which losses covered by the SPFC contract are reported, accounted for, and settled.
 - e. A pro forma balance sheet and income statement illustrating various stress case scenarios for the performance of the SPFC under the SPFC contract.
- (4) Biographical affidavits in NAIC format of all of the prospective SPFC's officers and governing board members, providing the officers' and governing board members' legal names, any names under which they have or are conducting their affairs, and any other biographical information as the Commissioner may request.
- (5) An affidavit from the applicant SPFC verifying:
- a. The applicant SPFC complies with this Part.
 - b. The applicant SPFC operates only pursuant to this Part.
 - c. The applicant SPFC's investment strategy reflects and takes into account the liquidity of assets and the reasonable preservation, administration, and asset management of such assets relative to the risks associated with the SPFC contract and the insurance securitization transaction.
 - d. The securities proposed to be issued, if any, are valid legal obligations that are either properly registered or constitute an exempt security or form part of an exempt transaction.
- (6) Any other statements or documents required by the Commissioner to evaluate and complete the licensing of the SPFC.
- (d) In addition to the information required by subsection (c) of this section and by G.S. 58-10-585, when a protected cell is used, an applicant SPFC shall file with the Commissioner:
- (1) A business plan demonstrating how the applicant SPFC accounts for the loss and expense experience of each protected cell at a level of detail found to be

sufficient by the Commissioner and how the applicant will report the experience to the Commissioner.

- (2) A statement acknowledging that all records of the SPFC, including records pertaining to any protected cells, must be made available for inspection or audit by the Commissioner.
- (3) All contracts or sample contracts between the SPFC and any counterparty related to each protected cell.
- (4) A description of the expenses allocated to each protected cell.

(e) Information submitted pursuant to this section shall be and remain confidential, and shall not be made public by the Commissioner or the Commissioner's designee unless disclosure is ordered by a court of competent jurisdiction. In addition, the Commissioner shall have the discretion to disclose such information to a public official having jurisdiction over the regulation of insurance in another state, provided that:

- (1) Such public official shall agree in writing to maintain the confidentiality of such information.
- (2) The laws of the state in which such public official serves require such information to be and to remain confidential.

(f) G.S. 58-10-430 applies to SPFCs.

(g) SPFCs are subject to any rules or regulations promulgated pursuant to G.S. 58-10-460.

(h) The Commissioner may retain legal, financial, and audit services from outside the Department to audit and investigate the application, the cost of which may be charged against the applicant. The Commissioner also may use internal resources to audit and investigate the application based upon an hourly rate for the services performed or the usual and customary fee charged by the financial services industry for similar work subject to a minimum fee of twelve thousand dollars (\$12,000), six thousand dollars (\$6,000) of which is payable upon filing of the application and the remainder upon licensure.

(i) An SPFC shall be subject to payment of premium taxes as required by G.S. 58-10-455.

(j) The Commissioner shall grant a certificate of authority authorizing the SPFC to transact insurance or reinsurance business as an SPFC in this State, upon a finding by the Commissioner that:

- (1) The SPFC's proposed plan of operation provides a reasonable and expected successful operation.
- (2) The terms of the SPFC contract and related transactions comply with this Part.
- (3) The proposed plan of operation is not hazardous to any counterparty.
- (4) To the extent required by law or regulation, the Commissioner or an equivalent regulatory authority of the state of domicile of each counterparty has notified the Commissioner in writing or otherwise provided assurance satisfactory to the Commissioner that it has approved or not disapproved the transaction.
- (5) The certificate of authority authorizing the SPFC to transact business is limited only to the insurance or reinsurance activities that the SPFC is authorized to conduct pursuant to this Part.

(k) In evaluating the expectation of a successful operation, factors the Commissioner shall consider include whether the proposed SPFC and its management are of known good character and reasonably believed not to be affiliated, directly or indirectly, through ownership, control, management, reinsurance transactions, or other insurance or business relations, with a person known to have been involved in the improper manipulation of assets, accounts, or reinsurance.

(l) To minimize the likelihood that the proposed plan of operation is hazardous to any counterparty, the Commissioner may require reasonable safeguards in the SPFC's plan of operation where applicable and appropriate in the circumstance, including, without limitation, that certain assets of the SPFC be held in a trust to secure the obligations of the SPFC to a counterparty under an SPFC contract.

(m) A foreign or alien corporation or limited liability company, upon approval of the Commissioner, may become a domestic SPFC after complying with G.S. 58-10-345(c)(1). After such documents are successfully filed, the foreign or alien corporation or limited liability company is entitled to the necessary or appropriate certificates or licenses to transact business as an SPFC in this State and is subject to the authority and jurisdiction of this State. In connection with this redomestication, the Commissioner may waive any requirements for public hearings. It is not necessary for a corporation or limited liability company redomesticating into this State to merge, consolidate, transfer assets, or otherwise engage in another reorganization, other than as specified in this section. (2013-116, s. 1; 2014-65, s. 18; 2015-99, s. 1; 2016-78, s. 4.1(x); 2022-7, s. 4(i).)

§ 58-10-570. Organization of an SPFC.

(a) An SPFC may be established as a stock corporation, limited liability company, mutual, partnership, or other form of organization approved by the Commissioner.

(b) The SPFC's organizational documents shall limit the SPFC's authority to transact the business of insurance or reinsurance to those activities the SPFC conducts to accomplish its purpose as expressed in this Part.

(c) The SPFC shall not adopt a name that is the same as, deceptively similar to, or likely to be confused with or mistaken for another existing business name registered in this State. Any name adopted by an SPFC shall comply with State law.

(d) An SPFC shall have at least three incorporators or organizers, of whom at least two shall be residents of this State.

(e) At least one of the members of the management of the SPFC shall be a resident of this State.

(f) An SPFC formed pursuant to this Part has the privileges of and is subject to all other requirements of this State's law applicable to its formation, as well as the applicable provisions contained in this Part, provided that this Part controls if a conflict exists in this State's law. (2013-116, s. 1.)

§ 58-10-575. Minimum capital.

(a) An SPFC shall initially possess and maintain minimum capital of not less than two hundred and fifty thousand dollars (\$250,000). All of the minimum initial capitalization shall be in cash. All other funds of the SPFC in excess of its minimum initial capitalization shall be in the form of cash, cash equivalent, or securities invested as approved by the Commissioner.

(b) Additional capitalization for the SPFC shall be determined, if so required, by the Commissioner after giving due consideration to the SPFC's plan of operation, feasibility study, pro formas, and the nature of the risks being insured or reinsured, which may be prescribed in formulas approved by the Commissioner. (2013-116, s. 1.)

§ 58-10-580. Authorized activities.

(a) An SPFC shall only insure the risks of a counterparty.

(b) No SPFC shall issue a contract for assumption of risk or indemnification of loss other than an SPFC contract. However, the SPFC may cede risks assumed through an SPFC contract to third-party reinsurers through the purchase of reinsurance or retrocession protection on terms approved by the Commissioner.

(c) An SPFC may enter into contracts and conduct other commercial activities related or incidental to and necessary to fulfill the purposes of the SPFC contract, insurance securitization, and this Part. Those activities may include, but are not limited to:

- (1) Entering into SPFC contracts.
- (2) Issuing SPFC securities in accordance with applicable securities law.
- (3) Complying with the terms of such contracts or securities.
- (4) Entering into trust, guaranteed investment contract, letter of credit, swap, tax, administration, reimbursement, or fiscal agent transactions.
- (5) Complying with trust indenture, reinsurance, or retrocession, and agreements necessary or incidental to effectuate an insurance securitization in compliance with this Part or the plan of operation approved by the Commissioner.

(d) An SPFC shall do all of the following:

- (1) Discount its reserves at discount rates as approved by the Commissioner.
- (2) Maintain reserves that are actuarially sufficient to support the liabilities incurred by an SPFC in reinsuring life insurance policies.
- (3) File annually with the Commissioner an actuarial opinion on reserves provided by an approved independent actuary. (2013-116, s. 1.)

§ 58-10-585. Establishment of protected cell accounts.

(a) This section and G.S. 58-10-590 provide a basis for the creation and use of protected cells by an SPFC as a means of accessing alternative sources of capital, lowering formation and administrative expenses, and generally making insurance securitizations more efficient. If a conflict exists between other provisions of this Part and either this section or G.S. 58-10-590, then this section or G.S. 58-10-515 shall control as applicable.

(b) An SPFC may establish and maintain one or more protected cells with prior written approval of the Commissioner and subject to compliance with the applicable provisions of this Part and all of the following conditions:

- (1) A protected cell shall be established only for the purpose of insuring or reinsuring risks of one or more SPFC contracts with a counterparty with the intent of facilitating an insurance securitization.
- (2) Each protected cell shall be accounted for separately on the books and records of the SPFC to reflect the financial condition and results of operations of the protected cell, net income or loss, dividends, or other distributions to the counterparty for the SPFC contract with each cell, and other factors as may be provided in the SPFC contract, insurance securitization transaction documents, plan of operation, or business plan, or as required by the Commissioner.
- (3) Amounts attributed to a protected cell under this Part, including assets transferred to a protected cell account, are owned by the SPFC, and no SPFC shall be or hold itself out to be a trustee with respect to those protected cell assets of that protected cell account.
- (4) All attributions of assets and liabilities between a protected cell and the general account shall be in accordance with the plan of operation approved by the

Commissioner, and no other attribution of assets or liabilities by an SPFC between the SPFC's general account and its protected cell or cells is permitted. The SPFC shall attribute all insurance obligations, assets, and liabilities relating to an SPFC contract and the related insurance securitization transaction, including any securities issued by the SPFC as part of the insurance securitization, to a particular protected cell. The insurance obligations, assets, and liabilities relating to the SPFC contract and the insurance securitization transaction that are attributed to a particular protected cell shall be consistent with:

- a. The rights, benefits, obligations, and liabilities of any securities attributable to that protected cell.
 - b. The performance under an SPFC contract and the related securitization transaction and any tax benefits, losses, refunds, or credits allocated, at any point in time pursuant to a tax allocation agreement between the SPFC and the SPFC's counterparty, parent, or company or group company, or any of them, in common control with them, as the case may be, including any payments made by or due to be made to the SPFC pursuant to the terms of the agreement.
- (5) No assets of a protected cell shall be chargeable with liabilities arising out of an SPFC contract related to or associated with another protected cell. However, one or more SPFC contracts may be attributed to a protected cell only if the SPFC contracts are intended to be and ultimately are part of a single securitization transaction.
 - (6) No sale, exchange, or other transfer of assets shall be made by the SPFC between or among any of the SPFC's protected cells without the consent of the Commissioner, counterparty, and each protected cell.
 - (7) Except as otherwise contemplated in the SPFC contract or related insurance securitization transaction documents, or both, no sale, exchange, transfer of assets, dividend, or distribution shall be made from a protected cell to a counterparty or parent without the Commissioner's approval and the sale, exchange, transfer, dividend, or distribution shall not be approved if the sale, exchange, transfer, dividend, or distribution would result in a protected cell's insolvency or impairment.
 - (8) An SPFC may pay interest or repay principal, or both, and make distributions or repayments with respect to any securities attributed to a particular protected cell from assets or cash flows relating to or emerging from the SPFC contract and the insurance securitization transactions that are attributable to that particular protected cell in accordance with this Part, or as otherwise approved by the Commissioner.

(c) No SPFC contract with or attributable to a protected cell shall take effect without the Commissioner's prior written approval, and the addition of each new protected cell constitutes a change in the business plan requiring the Commissioner's prior written approval. The Commissioner may retain legal, financial, and audit services from outside the Department to audit and investigate the application for a protected cell, the cost of which may be charged against the applicant, or the Commissioner may use internal resources to audit and investigate the application, the cost of which may be charged against the applicant, or both.

(d) An SPFC utilizing protected cells shall possess and maintain minimum capitalization separate and apart from the capitalization of its protected cell or cells in an amount determined by the Commissioner after giving due consideration of the SPFC's business plan, feasibility study, and pro formas, including the nature of the risks to be insured or reinsured. For purposes of determining the capitalization of each protected cell, an SPFC shall initially capitalize and maintain capitalization in each protected cell in the amount and manner required for an SPFC in G.S. 58-10-575.

(e) The establishment of one or more protected cells alone shall not constitute and shall not be deemed to be a fraudulent conveyance, an intent by the SPFC to defraud creditors, or the carrying out of business by the SPFC for any other fraudulent purpose. (2013-116, s. 1; 2016-78, s. 4.1(y).)

§ 58-10-590. Protected cell accounts.

(a) All of the following shall apply to a protected cell:

- (1) The creation of a protected cell shall not create, with respect to that protected cell, a legal person separate from the SPFC.
- (2) Notwithstanding subdivision (a)(1) of this subsection, a protected cell shall have its own distinct name or designation that includes the words "protected cell." The SPFC shall transfer all assets attributable to the protected cell to one or more separately established and identified protected cell accounts bearing the name or designation of that protected cell.
- (3) Although a protected cell is not a separate legal person, the property of an SPFC in a protected cell is subject to orders of the court by name as the property would have been if the protected cell were a separate legal person.
- (4) The property of an SPFC in a protected cell shall be served with process in its own name in all civil actions or proceedings involving or relating to the activities of that protected cell or a breach by the SPFC of a duty to the protected cell or to a counterparty to a transaction linked or attributed to it by serving the SPFC.
- (5) A protected cell exists only at the pleasure of the SPFC. At the cessation of business of a protected cell in accordance with the plan approved by the Commissioner, the SPFC shall close out the protected cell account.

(b) Nothing in this section shall be construed to prohibit an SPFC from contracting with or arranging for an investment advisor, commodity trading advisor, or other third party to manage the assets of a protected cell, if all remuneration, expenses, and other compensation of the third-party advisor or manager are payable from the assets of that protected cell and not from the assets of other protected cells or the assets of the SPFC's general account, unless approved by the Commissioner.

(c) Creditors with respect to a protected cell are not entitled to have recourse against the protected cell assets of other protected cells or the assets of the SPFC's general account. If an obligation of an SPFC relates only to the general account, the obligation of the SPFC extends only to that creditor with respect to that obligation, and the creditor is entitled to have recourse only to the assets of the SPFC's general account.

(d) The assets of the protected cell shall not be used to pay expenses or claims other than those attributable to the protected cell. Protected cell assets are available only to the SPFC contract counterparty and other creditors of the SPFC that are creditors only with respect to that protected

cell and, accordingly, are entitled in conformity with this Part, to have recourse to the protected cell assets attributable to that protected cell. The assets of the protected cell are protected from the creditors of the SPFC that are not creditors with respect to that protected cell and who, accordingly, are not entitled to have recourse to the protected cell assets attributable to that protected cell. If an obligation of an SPFC to a person or counterparty arises from an SPFC contract or related insurance securitization transaction, or is otherwise incurred with respect to a protected cell, then the obligation shall:

- (1) Extend only to the protected cell assets attributable to that protected cell, and the person or counterparty, with respect to that obligation, is entitled to have recourse only to the protected cell assets attributable to that protected cell.
- (2) Not extend to the protected cell assets of another protected cell or the assets of the SPFC's general account, and the person or counterparty, with respect to that obligation, is not entitled to have recourse to the protected cell assets of another protected cell or the assets of the SPFC's general account. The SPFC's capitalization held separate and apart from the capitalization of its protected cell or cells must be available at all times to pay expenses of or claims against the SPFC and may not be used to pay expenses or claims attributable to any protected cell.

(e) Notwithstanding any other provision of law, an SPFC may allow for a security interest in accordance with applicable law to attach to protected cell assets or a protected cell account when in favor of a creditor of the protected cell or to facilitate an insurance securitization, including, without limitation, the issuance of the SPFC contract, to the extent those protected cell assets are not required at all times to support the risk, but without otherwise affecting the discharge of liabilities under the SPFC contract, or as otherwise approved by the Commissioner.

(f) An SPFC shall establish administrative and accounting procedures necessary to properly identify the one or more protected cells of the SPFC and the protected cell assets and protected cell liabilities to each protected cell. An SPFC shall keep protected cell assets and protected cell liabilities:

- (1) Separate and separately identifiable from the assets and liabilities of the SPFC's general account.
- (2) Attributable to one protected cell separate and separately identifiable from protected cell assets and protected cell liabilities attributable to other protected cells.

(g) All contracts or other documentation reflecting protected cell liabilities shall clearly indicate that only the protected cell assets are available for the satisfaction of those protected cell liabilities. In all SPFC insurance securitizations involving a protected cell, the contracts or other documentation effecting the transaction shall contain provisions identifying the protected cell to which the transaction is attributed. In addition, the contracts or other documentation shall clearly disclose that the assets of that protected cell, and only those assets, are available to pay the obligations of that protected cell. Notwithstanding this subsection, and subject to this Part and other applicable laws or regulations, the failure to include this language in the contracts or other documentation shall not be used as the sole basis by creditors, insureds or reinsureds, insurers or reinsurers, or other claimants to circumvent the provisions of this section.

(h) An SPFC with protected cells shall annually file with the Department accounting statements and financial reports required by this Part, which shall:

- (1) Detail the financial experience of each protected cell and the SPFC separately.

- (2) Provide the combined financial experience of the SPFC and all protected cells.
- (i) An SPFC with protected cells shall notify the Commissioner in writing within 10 business days of a protected cell becoming insolvent. (2013-116, s. 1.)

§ 58-10-595. Issuing securities.

(a) An SPFC may issue securities, including surplus notes and other forms of financial instruments, subject to and in accordance with applicable law, its approved plan of operation, and its organizational documents.

(b) An SPFC, in connection with the issuance of securities, may enter into and perform all of its obligations under any required contracts to facilitate the issuance of these securities.

(c) Subject to the approval of the Commissioner, an SPFC may lawfully:

(1) Account for the proceeds of surplus notes as surplus and not as debt for purposes of statutory accounting.

(2) Submit for prior approval of the Commissioner periodic written requests for payments of interest on and repayments of principal of surplus notes. In lieu of approval of periodic written requests for authorization to make payments of interest on and repayments of principal of surplus notes and other debt obligations issued by the SPFC, the Commissioner may approve a formula or plan, which shall be included in the SPFC's plan of operation as amended from time to time, for payment of interest, principal, or both, with respect to such surplus notes and debt obligations.

(d) The Commissioner, without otherwise prejudicing the Commissioner's authority, may approve formulas for an ongoing plan of interest payments or principal repayments, or both, to provide guidance in connection with the Commissioner's ongoing reviews of requests to approve the payments on and principal repayments of the surplus notes.

(e) The obligation to repay principal or interest, or both, on the securities issued by the SPFC must reflect the risk associated with the obligations of the SPFC to the counterparty under the SPFC contract. (2013-116, s. 1.)

§ 58-10-600. Asset management agreements.

An SPFC may enter into swap agreements, or other forms of asset management agreements, including guaranteed investment contracts, or other transactions that have the objective of leveling timing differences in funding of up-front or ongoing transaction expenses, or managing asset, credit, or interest rate risk of the investments to minimize the likelihood that the investments are not sufficient to assure payment or repayment of the securities, and related interest or principal payments, issued pursuant to an SPFC insurance securitization transaction, or the obligations of the SPFC under the SPFC contract. (2013-116, s. 1; 2015-99, s. 1.)

§ 58-10-605. Reinsurance.

(a) An SPFC may reinsure only the risks of a ceding insurer pursuant to a reinsurance contract. No SPFC shall issue a contract of insurance or a contract for assumption of risk or indemnification of loss other than such reinsurance contract.

(b) Unless otherwise approved in advance by the Commissioner, no SPFC shall assume or retain exposure to insurance or reinsurance losses for its own account that are not funded by:

(1) Proceeds from an insurance securitization, letters of credit, or other assets described in G.S. 58-10-340(22).

- (2) Premium and other amounts payable by the ceding insurer to the SPFC pursuant to the reinsurance contract.
- (3) Any return on investment of the items described in subdivisions (1) and (2) of this subsection.

(c) The reinsurance contract shall contain all provisions required or approved by the Commissioner, which requirements shall take into account the laws applicable to the ceding insurer regarding the ceding insurer taking credit for the reinsurance provided under such reinsurance contract.

(d) An SPFC may cede risks assumed through a reinsurance contract to one or more reinsurers through the purchase of reinsurance, subject to the prior approval of the Commissioner.

(e) An SPFC may enter into contracts and conduct other commercial activities related or incidental to and necessary to fulfill the purposes of the reinsurance contract, the insurance securitization, and this Part, provided such contracts and activities are included in the SPFC's plan of operation or are otherwise approved in advance by the Commissioner. Such contracts and activities may include the following:

- (1) Entering into SPFC contracts.
- (2) Issuing SPFC securities in accordance with applicable securities law.
- (3) Complying with the terms of such contracts or securities.
- (4) Entering into trust, guaranteed investment contract, letter of credit, swap, tax, administration, reimbursement, or fiscal agent transactions.
- (5) Complying with trust indenture, reinsurance, or retrocession and other agreements necessary or incidental to effectuate an insurance securitization in compliance with this Part or the plan of operation approved by the Commissioner.

(f) Unless otherwise approved in advance by the Commissioner, a reinsurance contract shall not contain any provision for payment by the SPFC in discharge of its obligations under the reinsurance contract to any person other than the ceding insurer or any receiver of the ceding insurer.

(g) An SPFC shall notify the Commissioner immediately of any action by a ceding insurer or any other person to foreclose on or otherwise take possession of collateral provided by the SPFC to secure any obligation of the SPFC.

(h) In the SPFC insurance securitization, the contracts or other relating documentation shall contain provisions identifying the SPFC.

(i) Unless otherwise approved by the Commissioner, no SPFC shall enter into an SPFC contract with a person that is not licensed or otherwise authorized to transact the business of insurance or reinsurance in at least its state or country of domicile.

(j) No SPFC shall:

- (1) Have any direct obligation to the policyholders or reinsureds of the counterparty.
- (2) Perform any of the following activities with anyone convicted of a felony, anyone who is untrustworthy or of known bad character, or anyone convicted of a criminal offense involving the conversion or misappropriation of fiduciary funds or insurance accounts, theft, deceit, fraud, misrepresentation, or corruption:
 - a. Lend or otherwise invest assets.
 - b. Place any assets in custody, trust, or under management.

- c. Borrow money or receive a loan or advance, other than by issuance of the securities pursuant to an insurance securitization. (2013-116, s. 1.)

§ 58-10-610. No securities considered to be insurance or reinsurance contracts.

No securities issued by an SPFC pursuant to an insurance securitization shall be considered to be insurance or reinsurance contracts. No investor in these securities or a holder of these securities, by sole means of this investment or holding, shall be considered to be transacting the business of insurance in this State. The underwriter's placement or selling agents and their partners, directors, officers, members, managers, employees, agents, representatives, and advisors involved in an insurance securitization pursuant to this Part shall not be considered to be insurance producers or brokers or conducting business as an insurance or reinsurance company or agency, brokerage, intermediary, advisory, or consulting business only by virtue of their activities in connection with an insurance securitization. (2013-116, s. 1.)

§ 58-10-615. Disposition of assets; investment limitations.

(a) The assets of an SPFC shall be preserved and administered by or on behalf of the SPFC to satisfy the liabilities and obligations of the SPFC incident to the reinsurance contract, the insurance securitization, and other related agreements.

(b) In the insurance securitization, the security offering memorandum or other document issued to prospective investors regarding the offer and sale of a surplus note or other security shall include a disclosure that all or part of the proceeds of such insurance securitization will be used to fund the SPFC's obligations to the ceding insurer.

(c) No SPFC shall be subject to any restriction on investments other than the following:

- (1) The Commissioner may limit investments by an SPFC to those categories and amounts of authorized investments delineated in G.S. 58-7-167, 58-7-170, 58-7-172, 58-7-173, 58-7-178, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, and 58-7-205, as applicable and as amended from time to time.
- (2) No SPFC shall make a loan to any person other than as permitted under its plan of operation or as otherwise approved in advance by the Commissioner.
- (3) The Commissioner may prohibit or limit any investment that threatens the solvency or liquidity of the SPFC unless the investment is otherwise approved by the Commissioner in writing. (2013-116, s. 1.)

§ 58-10-620. Dividends.

(a) No SPFC shall declare or pay dividends in any form to its owners other than in accordance with the insurance securitization transaction agreements, and in no extent shall the dividends decrease the capital of the SPFC below two hundred fifty thousand dollars (\$250,000). After giving effect to the dividends, the assets of the SPFC, including assets held in trust pursuant to the terms of the insurance securitization, shall be sufficient to satisfy the Commissioner that the SPFC can meet its obligations. Approval by the Commissioner of an ongoing plan for the payment of dividends or other distribution by an SPFC must be conditioned upon the retention at the time of each payment of capital or surplus equal to or in excess of amounts specified by or determined in accordance with formulas approved for the SPFC by the Commissioner.

(b) The dividends may be declared by the management of the SPFC if the dividends do not violate this Part or jeopardize the fulfillment of the obligations of the SPFC or the trustee pursuant

to the SPFC insurance securitization agreements, the SPFC contract, or any related transaction and other provisions of this Part. (2013-116, s. 1.)

§ 58-10-625. Changes in plan of operation; filing of audit and statement of operation; audits.

(a) Any material change of the SPFC's plan of operation, whether or not through an SPFC protected cell, shall require prior approval of the Commissioner. The following transactions do not constitute material change for purposes of this section:

- (1) If initially approved in the plan of operation, securities subsequently issued to continue the securitization activities of the SPFC either during or after expiration, redemption, or satisfaction of all of these, of part or all of the securities issued pursuant to initial insurance securitization transactions.
- (2) A change and substitution in a counterparty to a swap transaction for an existing insurance securitization as allowed pursuant to this Part if the replacement swap counterparty carries a similar or higher rating to its predecessor with two or more nationally recognized rating agencies.

(b) No later than six months after the fiscal year-end of the SPFC, the SPFC shall file with the Commissioner an audit by a certified public accounting firm of the financial statements of the SPFC and the trust accounts.

(c) Repealed by Session Laws 2014-65, s. 19, effective July 1, 2014.

(d) Each SPFC shall file by March 1 a report of its financial condition, using either generally accepted accounting principles or, if approved, accepted, or required by the Commissioner, statutory accounting principles with useful or necessary modifications or adaptations for the type of insurance and kinds of insurers to be reported upon, and as supplemented by additional information required by the Commissioner. The report shall include a statement of income, a balance sheet, and may include a detailed listing of invested assets, including identification of assets held in trust to secure the obligations of the SPFC under the SPFC contract. The SPFC also may include with the filing risk-based capital calculations and other adjusted capital calculations to assist the Commissioner with evaluating the levels of the surplus of the SPFC for the year ending on December 31 of the previous year. The report shall be prepared on forms required by the Commissioner. In addition, the Commissioner may require the filing of performance assessments of the SPFC contract.

(e) An SPFC shall maintain the SPFC's records in this State unless otherwise approved by the Commissioner and shall make its records available for audit by the Commissioner at any time. The SPFC shall keep its books and records in such manner that its financial condition, affairs, and operations can be ascertained and so that the Commissioner may readily verify its financial statements and determine its compliance with this Part.

(f) All original books, records, documents, accounts, and vouchers shall be preserved and kept available in this State for the purpose of audit and until authority to destroy or otherwise dispose of the records is secured from the Commissioner. The original records, however, may be kept and maintained outside this State if, according to a plan adopted by the management of the SPFC and approved by the Commissioner, the SPFC maintains suitable copies instead of the originals. The books or records may be photographed, reproduced on film, or stored and reproduced electronically. (2013-116, s. 1; 2014-65, s. 19; 2016-78, s. 4.1(z).)

§ 58-10-630. Cessation of business.

At the cessation of business of an SPFC following termination or cancellation of an SPFC contract and the redemption of any related securities issued in connection with the SPFC contract, the authority granted by the Commissioner expires or, in the case of retiring and surviving protected cells, is modified, the SPFC is no longer authorized to conduct activities unless and until a new or modified certificate of authority is issued pursuant to a new filing under this Part or as agreed by the Commissioner. (2013-116, s. 1.)

§ 58-10-635. Supervision, rehabilitation, or liquidation of SPFC.

(a) Except as otherwise provided in this section, the terms and conditions set forth in Article 30 of this Chapter pertaining to supervision, rehabilitation, and liquidation of insurers apply in full to SPFCs or each of the SPFC's protected cells, independently, or both, without causing or otherwise effecting a supervision, rehabilitation, or liquidation of the SPFC or another protected cell.

(b) Notwithstanding the provisions of Article 30 of this Chapter, and without causing or otherwise effecting a rehabilitation or liquidation of an otherwise solvent protected cell of an SPFC and subject to the provisions of subdivision (g)(5) of this section, the Commissioner may apply by petition to the court for an order authorizing the Commissioner to rehabilitate or liquidate an SPFC domiciled in this State on one or more of the following grounds:

- (1) There has been embezzlement, wrongful sequestration, dissipation, or diversion of the assets of the SPFC intended to be used to pay amounts owed to the counterparty or the holders of SPFC securities.
- (2) The SPFC is insolvent and the holders of a majority in outstanding principal amount of each class of SPFC securities request or consent to rehabilitation or liquidation pursuant to the provisions of this Part.

(c) Notwithstanding the provisions of Article 30 of this Chapter, the Commissioner may apply by petition to the Court for an order authorizing the Commissioner to rehabilitate or liquidate one or more of an SPFC's protected cells independently, without causing or otherwise effecting a rehabilitation or liquidation of the SPFC generally or another of its protected cells on one or more of the following grounds:

- (1) There has been embezzlement, wrongful sequestration, dissipation, or diversion of the assets of the SPFC attributable to the affected protected cell or cells intended to be used to pay amounts owed to the counterparty or the holders of SPFC securities of the affected protected cell or cells.
- (2) The affected protected cell is insolvent and the holders of a majority in outstanding principal amount of each class of SPFC securities attributable to that particular protected cell request or consent to rehabilitation or liquidation pursuant to the provisions of this Part.

(d) The Court may not grant relief provided by subdivision (b)(1) or (c)(1) of this section, unless after notice and a hearing, the Commissioner, who shall have the burden of proof, establishes by preponderance of the evidence that relief must be granted. The court's order may be made with respect to one or more protected cells by name, rather than the SPFC generally.

(e) Notwithstanding another provision in this Chapter, rules adopted under this Chapter, or another applicable law or regulation, upon any order of rehabilitation or liquidation of a SPFC, or one or more of the SPFC's protected cells, the receiver shall manage the assets and liabilities of the SPFC pursuant to the provisions of this Part. The receiver shall ascertain that the assets linked to one protected cell are not applied to the liabilities linked to another protected cell or to the SPFC

generally, unless an asset or liability is linked to more than one protected cell, in which case the receiver shall deal with the asset or liability in accordance with the terms of any relevant governing instrument or contract.

(f) With respect to amounts recoverable under an SPFC contract, the amount recoverable by the receiver must not be reduced or diminished as a result of the entry of an order of rehabilitation or liquidation with respect to the counterparty, notwithstanding another provision in the contracts or other documentation governing the SPFC insurance securitization.

(g) Notwithstanding the provisions of Article 30 of this Chapter or other laws of this State:

- (1) An application or petition, or a temporary restraining order or injunction issued pursuant to the provisions of Article 30 of this Chapter, with respect to a counterparty does not prohibit the transaction of a business by an SPFC, including any payment by an SPFC made pursuant to an SPFC security, or any action or proceeding against an SPFC or its assets.
- (2) The commencement of a summary proceeding or other interim proceeding commenced before a delinquency proceeding with respect to an SPFC, and any order issued by the court does not prohibit the payment by an SPFC made pursuant to an SPFC security, SPFC contract, or the SPFC from taking any action required to make the payment.
- (3) A receiver of a counterparty may not void a nonfraudulent transfer by a counterparty to an SPFC of money or other property made pursuant to an SPFC contract.
- (4) A receiver of an SPFC may not void a nonfraudulent transfer by the SPFC of money or other property made to a counterparty pursuant to an SPFC contract or made to or for the benefit of any holder of an SPFC security on account of the SPFC security.
- (5) The Commissioner may not seek to have an SPFC with protected cells declared insolvent as long as at least one of the SPFC's protected cells remains solvent, and in the case of such an insolvency, the receiver shall handle the SPFC's assets in compliance with subsection (e) of this section and other laws of this State.

(h) Subsection (g) of this section does not prohibit the Commissioner from taking any action permitted under Article 30 of this Chapter with respect only to the rehabilitation of an SPFC with protected cell or cells, provided the Commissioner would have had sufficient grounds to seek to declare the SPFC insolvent, subject to and without otherwise affecting the provisions of subdivision (5) of subsection (g) of this section. In this case, with respect to the solvent protected cell or cells, the Commissioner may not prohibit payments made by the SPFC pursuant to the SPFC security, SPFC contract, or otherwise made under the insurance securitization transaction that are attributable to these protected cell or cells or prohibit the SPFC from taking any action required to make these payments.

(i) With the exception of the fulfillment of the obligations under an SPFC contract, and notwithstanding another provision of this Part or other laws of this State, the assets of an SPFC, including assets held in trust, must not be consolidated with or included in the estate of a counterparty in any delinquency proceeding against the counterparty, pursuant to the provisions of this Part for any purpose including, without limitation, distribution to creditors of the counterparty. (2013-116, s. 1; 2015-99, s. 1.)

(b) The requirements of this Part shall apply to all insurers domiciled in this State unless exempt pursuant to G.S. 58-10-725. (2017-136, s. 1.)

§ 58-10-710. Risk management framework.

An insurer shall maintain a risk management framework to assist the insurer with identifying, assessing, monitoring, managing, and reporting on its material and relevant risks. This requirement may be satisfied if the insurance group of which the insurer is a member maintains a risk management framework applicable to the operations of the insurer. (2017-136, s. 1.)

§ 58-10-715. ORSA requirement.

Subject to G.S. 58-10-725, an insurer, or the insurance group of which the insurer is a member, shall regularly conduct an ORSA consistent with a process comparable to the ORSA Guidance Manual. The ORSA shall be conducted no less than annually but also at any time when there are significant changes to the risk profile of the insurer or the insurance group of which the insurer is a member. (2017-136, s. 1.)

§ 58-10-720. ORSA Summary Report.

(a) No more than once each year, an insurer shall submit to the Commissioner an ORSA Summary Report under the following circumstances:

- (1) If the insurer is a member of an insurance group, and the Commissioner is the lead state Commissioner of that insurance group as determined following the procedures within the Financial Analysis Handbook adopted by the NAIC, then the insurer shall submit the ORSA Summary Report to the Commissioner.
- (2) If subdivision (1) of this subsection does not apply to the insurer, then the insurer shall submit the ORSA Summary Report upon the Commissioner's request.

(b) The reports shall include a signature of the insurer or insurance group's chief risk officer or other executive having responsibility for the oversight of the insurer's enterprise risk management process attesting to the best of their belief and knowledge that the insurer applies the enterprise risk management process described in the ORSA Summary Report and that a copy of the report has been provided to the insurer's board of directors or to the appropriate committee of the board of directors.

(c) An insurer may comply with subsection (a) of this section by providing the most recent and substantially similar reports provided by the insurer or another member of an insurance group of which the insurer is a member to the commissioner of another state or to a supervisor or regulator of a foreign jurisdiction, if that report provides information that is comparable to the information described in the ORSA Guidance Manual. Any such report in a language other than

English must be accompanied by a translation of that report into the English language. (2017-136, s. 1.)

§ 58-10-725. Exemption.

(a) An insurer shall be exempt from the requirements of this Part if it meets both of the following standards:

- (2) The insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium, including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than one billion dollars (\$1,000,000,000).

(b) If an insurer qualifies for exemption pursuant to subdivision (1) of subsection (a) of this section, but the insurance group of which the insurer is a member does not qualify for exemption pursuant to subdivision (2) of subsection (a) of this section, then the ORSA Summary Report that may be required pursuant to G.S. 58-10-720 shall include every insurer within the insurance group, regardless of whether an insurer meets the standard of subdivision (1) of subsection (a) of this section. This requirement may be satisfied by the submission of more than one ORSA Summary Report for any combination of insurers within the group, provided that the reports, taken together, include every insurer within the insurance group.

(c) If an insurer does not qualify for exemption pursuant to subdivision (1) of subsection (a) of this section, but the insurance group of which it is a member qualifies for exemption pursuant to subdivision (2) of subsection (a) of this section, then the only ORSA Summary Report that may be required pursuant to G.S. 58-10-720 shall be the report applicable to that insurer.

(d) An insurer that does not qualify for exemption pursuant to subsection (a) of this section may apply to the Commissioner for a waiver from the requirements of this Part based upon unique circumstances. In deciding whether to grant the insurer's request for waiver, the Commissioner may consider the type and volume of business written, ownership and organizational structure, and any other factor the Commissioner considers relevant to the insurer or insurance group of which the insurer is a member. If the insurer is part of an insurance group with insurers domiciled in more than one state, the Commissioner shall coordinate with the lead state commissioner and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

(e) Notwithstanding the exemptions stated in this section:

- (1) The Commissioner may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA Summary Report based on unique circumstances, including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests.
- (2) The Commissioner may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA Summary Report if the insurer has a risk-based capital company action level event as set forth in G.S. 58-12-11, meets one or more of the standards of an insurer deemed to be in

hazardous financial condition as defined in G.S. 58-30-60, or otherwise exhibits qualities of a troubled insurer as determined by the Commissioner.

(f) If an insurer that qualifies for an exemption pursuant to subsection (a) of this section subsequently no longer qualifies for that exemption due to changes in premium as reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer shall have one year following the year the threshold is exceeded to comply with the requirements of this Part. (2017-136, s. 1.)

§ 58-10-730. Contents of ORSA Summary Report.

(a) The ORSA Summary Report shall be prepared consistent with the ORSA Guidance Manual, subject to the requirements of subsection (b) of this section. Documentation and supporting information shall be maintained and made available upon examination or upon request of the Commissioner.

(b) The review of the ORSA Summary Report, and any additional requests for information, shall be made using procedures similar to those currently used in the analysis and examination of multistate or global insurers and insurance groups. (2017-136, s. 1.)

§ 58-10-735. Confidentiality.

However, the Commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties. The Commissioner shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer.

(b) Neither the Commissioner nor any person who received documents, materials, or other ORSA-related information, through examination or otherwise, while acting under the authority of the Commissioner or with whom such documents, materials, or other information are shared pursuant to this Part shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the Commissioner's regulatory duties, the Commissioner:

- (1) May, upon request, share documents, materials, or other ORSA-related information, including the confidential and privileged documents, materials, or information subject to subsection (a) of this section and any proprietary and trade secret documents and materials, with other state, federal, and international financial regulatory agencies. For purposes of this subdivision, financial regulatory agencies shall include members of any supervisory college as defined in G.S. 58-19-37, the NAIC, and any third-party consultants designated by the Commissioner. Recipients of information under this subdivision must agree in writing to maintain the confidentiality and privileged status of the

ORSA-related documents, materials, or other information and verify in writing the recipient's legal authority to maintain confidentiality.

- (2) May receive documents, materials, or other ORSA-related information, including otherwise confidential and privileged documents, materials, or information and proprietary and trade secret information or documents, from regulatory officials of other foreign or domestic jurisdictions, including members of any supervisory college as defined in G.S. 58-19-37, and from the NAIC. The Commissioner shall maintain as confidential or privileged any documents, materials, or information received pursuant to this subdivision with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information.
- (3) Shall enter into a written agreement with the NAIC or a third-party consultant governing sharing and use of information provided pursuant to this Part, consistent with this subsection, that shall do all of the following:
 - a. Specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC or a third-party consultant pursuant to this Part, including procedures and protocols for sharing by the NAIC with other state regulators from states in which the insurance group has domiciled insurers. The agreement shall provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the ORSA-related documents, materials, or other information and has verified in writing the legal authority to maintain confidentiality.
 - b. Specify that ownership of information shared with the NAIC or a third-party consultant pursuant to this Part remains with the Commissioner, and the NAIC's or a third-party consultant's use of the information is subject to the direction of the Commissioner.
 - c. Prohibit the NAIC or third-party consultant from storing the information shared pursuant to this Part in a permanent database after the underlying analysis is completed.
 - d. Require prompt notice be given to an insurer whose confidential information in the possession of the NAIC or a third-party consultant pursuant to this Part is subject to a request or subpoena to the NAIC or a third-party consultant for disclosure or production.
 - e. Require the NAIC or a third-party consultant to consent to intervention by an insurer in any judicial or administrative action in which the NAIC or a third-party consultant may be required to disclose confidential information about the insurer shared with the NAIC or a third-party consultant pursuant to this Part.
 - f. In the case of an agreement involving a third-party consultant, provide for the insurer's written consent.

(d) The sharing of information and documents by the Commissioner pursuant to this Part shall not constitute a delegation of regulatory authority or rule making, and the Commissioner is solely responsible for the administration, execution, and enforcement of the provisions of this Part.

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, proprietary and trade secret materials, or other ORSA-related information shall occur as a result of

disclosure of such ORSA-related information or documents to the Commissioner under this section or as a result of sharing as authorized in this Part.

(f) Documents, materials, or other information in the possession or control of the NAIC or a third-party consultant pursuant to this Part shall be confidential by law and privileged, shall not be considered a public record under either G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. (2017-136, s. 1.)

§ 58-10-740. Sanctions.

(a) Any insurer failing, without just cause, to timely file the ORSA Summary Report as required in this Part shall be subject to a civil penalty of one hundred dollars (\$100.00) for each day's delay, not to exceed a total penalty of one thousand dollars (\$1,000).

(b) Notice and Opportunity to Be Heard Required. – After providing notice and opportunity to be heard in accordance with the provisions of Chapter 150B of the General Statutes, the Commissioner may order the respondent to pay the assessment and civil penalty imposed by this section.

§ 58-10-745. Severability clause.

If any provision of this Part or the application thereof to any person or circumstance is held invalid, such determination shall not affect the provisions or applications of this Part which can be given effect without the invalid provision or application, and, to that end, the provisions of this Part are severable. (2017-136, s. 1.)

(b) Nothing in this Part shall be construed to prescribe or impose corporate governance standards and internal procedures beyond that which is required under applicable state corporate law. Notwithstanding the foregoing, nothing in this Part shall be construed to limit the

(c) The requirements of this Part shall apply to all insurers domiciled in this State. (2019-57, s. 3(a).)

(d) The insurer or insurance group shall have discretion regarding the appropriate format for providing the required information and may customize the CGAD to provide the most relevant information necessary to permit the Commissioner to gain an understanding of the corporate governance structure, policies, and practices utilized by the insurer or insurance group.

(e) For purposes of completing the CGAD, the insurer or insurance group may provide information regarding corporate governance at the ultimate controlling parent level, an intermediate holding company level, or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group shall clearly reference the location of the relevant information within the CGAD and attach the referenced document if it is not already filed or available to the Commissioner.

(h) Each year following the initial filing of the CGAD, the insurer or insurance group shall file an amended version of the previously filed CGAD indicating where changes have been made. If no changes were made in the information or activities reported by the insurer or insurance group, the filing shall so state. (2019-57, s. 3(a).)

§ 58-12-4. Finding; endorsement of additional capital.

The General Assembly finds that an excess of capital over the amount produced by the risk-based capital requirements contained in this Article and in the formulas, schedules, and instructions referenced in this Article is desirable in the business of insurance. Accordingly, the General Assembly encourages insurers to seek to maintain capital above the risk-based capital levels required by this Article. Additional capital is used and useful in the insurance business and helps to secure an insurer against various risks inherent in or affecting the business of insurance but not accounted for or only partially measured by the risk-based capital requirements contained in this Article. (1995, c. 318, s. 3.)

- (2) The notification by the Commissioner to the insurer of an adjusted risk-based capital report that indicates the event in sub-subdivision (1)a., (1)b., or (1)c. of this subsection if the insurer does not challenge the adjusted risk-based capital report under G.S. 58-12-30.
- (3) If the insurer challenges an adjusted risk-based capital report that indicates the event in sub-subdivision (1)a., (1)b., or (1)c. of this subsection under G.S. 58-12-30, the notification by the Commissioner to the insurer that the Commissioner has rejected the insurer's challenge.

(b) In the event of a company action level event, the insurer shall prepare and submit to the Commissioner a comprehensive financial plan that:

- (1) Identifies the conditions in the insurer that contribute to the company action level event.
- (2) Contains proposals of corrective actions that the insurer intends to take and would be expected to result in the elimination of the company action level event.

- (3) Provides forecasts of the insurer's financial results in the current year and at least the four succeeding years (except for health organizations, which must provide forecasts in the current year and at least the two succeeding years), both in the absence of proposed corrective actions and giving effect to the proposed corrective actions, including forecasts of statutory balance sheets, operating income, net income, capital and surplus, and risk-based capital levels (the forecasts for both new and renewal business should include separate forecasts for each major line of business and separately identify each significant income, expense, and benefit component).
 - (4) Identifies the key assumptions affecting the insurer's forecasts and the sensitivity of the forecasts to the assumptions.
 - (5) Identifies the quality of, and problems associated with, the insurer's business, including its assets, anticipated business growth and associated surplus strain, extraordinary exposure to risk, mix of business, and use of reinsurance in each case, if any.
- (c) The risk-based capital plan shall be submitted:
- (1) Within 45 days after the company action level event; or
 - (2) If the insurer challenges an adjusted risk-based capital report pursuant to G.S. 58-12-30, within 45 days after notification to the insurer that the Commissioner has rejected the insurer's challenge.

(d) Within 60 days after the submittal by an insurer of a risk-based capital plan to the Commissioner, the Commissioner shall notify the insurer whether the risk-based capital plan shall be implemented or is, in the judgment of the Commissioner, unsatisfactory. If the Commissioner determines the risk-based capital plan is unsatisfactory, the notification to the insurer shall set forth the reasons for the determination, and may set forth proposed revisions that will render the risk-based capital plan satisfactory, in the judgment of the Commissioner. Upon notification from the Commissioner, the insurer shall prepare a revised risk-based capital plan, which may incorporate by reference any revisions proposed by the Commissioner, and shall submit the revised risk-based capital plan to the Commissioner:

- (1) Within 45 days after notification from the Commissioner; or
- (2) If the insurer challenges the notification from the Commissioner under G.S. 58-12-30, within 45 days after a notification to the insurer that the Commissioner has rejected the insurer's challenge.

(e) In the event of a notification by the Commissioner to an insurer that the insurer's risk-based capital plan or revised risk-based capital plan is unsatisfactory, the Commissioner may, subject to the insurer's right to a hearing under G.S. 58-12-30, specify in the notification that the notification constitutes a regulatory action level event.

(f) Every domestic insurer that files a risk-based capital plan or revised risk-based capital plan with the Commissioner shall file a copy of the risk-based capital plan or revised risk-based capital plan with the insurance regulator in any state in which the insurer is authorized to do business if:

- (1) That state has a risk-based capital provision substantially similar to G.S. 58-12-21(a); and

- (2) The insurance regulator of that state has notified the insurer of its request for the filing in writing, in which case the insurer shall file a copy of the risk-based capital plan or revised risk-based capital plan in that state no later than the later of:
 - a. Fifteen days after the receipt of notice to file a copy of its risk-based capital plan or revised risk-based capital plan with the state; or

 - (9) If the insurer challenges a determination by the Commissioner under subdivision (8) of this subsection pursuant to G.S. 58-12-30, the notification by the Commissioner to the insurer that the Commissioner has rejected the challenge (unless the failure of the insurer to adhere to its risk-based capital plan or revised risk-based capital plan has no substantial adverse effect on the ability of the insurer to eliminate the regulatory action level event with respect to the insurer).
- (b) In the event of a regulatory action level event the Commissioner shall:
- (1) Require the insurer to prepare and submit a risk-based capital plan or, if applicable, a revised risk-based capital plan.
 - (2) Perform such examination or analysis, as the Commissioner deems necessary, of the assets, liabilities, and operations of the insurer, including a review of its risk-based capital plan or revised risk-based capital plan.
 - (3) After the examination or analysis, issue an order specifying such corrective actions as the Commissioner shall determine are required (a "Corrective Order").
- (c) In determining corrective actions, the Commissioner may take into account such factors as are deemed relevant with respect to the insurer based upon the Commissioner's examination or analysis of the assets, liabilities, and operations of the insurer, including, but not limited to, the results of any sensitivity tests undertaken pursuant to risk-based capital instructions. The risk-based capital plan or revised risk-based capital plan shall be submitted:
- (1) Within 45 days after the occurrence of the regulatory action level event;
 - (2) If the insurer challenges an adjusted risk-based capital report pursuant to G.S. 58-12-30 and the challenge is not in the judgment of the Commissioner frivolous, within 45 days after the notification to the insurer that the Commissioner has, after a hearing, rejected the insurer's challenge; or
 - (3) If the insurer challenges a revised risk-based capital plan under G.S. 58-12-30, within 45 days after notification to the insurer that the Commissioner has rejected the challenge.
- (d) The Commissioner may retain actuaries and investment experts and other consultants as may be necessary in the judgment of the Commissioner to review the insurer's risk-based capital plan or revised risk-based capital plan, examine or analyze the assets, liabilities, and operations of the insurer and formulate the Corrective Order with respect to the insurer. The fees, costs, and expenses relating to consultants shall be borne by the affected insurer or such other party as directed by the Commissioner. (1993 (Reg. Sess., 1994), c. 678, s. 1.)

§ 58-12-20. Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-12-21. Authorized control level event.

(a) "Authorized control level event" means any of the following events:

- (1) The filing of a risk-based capital report by the insurer that indicates that the insurer's total adjusted capital is greater than or equal to its mandatory control level risk-based capital but less than its authorized control level risk-based capital.
- (2) The notification by the Commissioner to the insurer of an adjusted risk-based capital report that indicates the event in subdivision (1) of this subsection if the insurer does not challenge the adjusted risk-based capital report under G.S. 58-12-30.
- (3) If the insurer challenges an adjusted risk-based capital report that indicates the event in subdivision (1) of this subsection under G.S. 58-12-30, notification by the Commissioner to the insurer that the Commissioner has rejected the challenge.
- (4) The failure of the insurer to respond, in a manner satisfactory to the Commissioner, to a Corrective Order if the insurer has not challenged the Corrective Order under G.S. 58-12-30.
- (5) If the insurer has challenged a Corrective Order under G.S. 58-12-30 and the Commissioner has rejected the challenge or modified the Corrective Order, the failure of the insurer to respond, in a manner satisfactory to the Commissioner, to the Corrective Order after the rejection or modification by the Commissioner.

(b) In the event of an authorized control level event with respect to an insurer, the Commissioner shall:

- (1) Take such actions as are required under G.S. 58-12-30 regarding an insurer with respect to which a regulatory action level event has occurred; or
- (2) If the Commissioner deems it to be in the best interests of the policyholders and creditors of the insurer and of the public, take such actions as are necessary to cause the insurer to be placed under regulatory control under Article 30 of this Chapter. If the Commissioner takes such actions, the authorized control level event shall be deemed sufficient grounds for the Commissioner to take action under Article 30 of this Chapter, and the Commissioner shall have the rights, powers, and duties with respect to the insurer as are set forth in Article 30 of this Chapter. If the Commissioner takes actions under this subdivision pursuant to an adjusted risk-based capital report, the insurer shall be entitled to such protections as are afforded to insurers under the provisions of Article 30 of this Chapter pertaining to summary proceedings. (1993 (Reg. Sess., 1994), c. 678, s. 1.)

(b) In the event of a mandatory control level event with respect to a life insurer or a health organization, the Commissioner shall take actions as are necessary to cause the insurer to be placed under regulatory control under Article 30 of this Chapter. The mandatory control level event is sufficient grounds for the Commissioner to take action under Article 30 of this Chapter, and the Commissioner shall have the rights, powers, and duties with respect to the insurer as are set forth in Article 30 of this Chapter. If the Commissioner takes actions pursuant to an adjusted risk-based capital report, the insurer shall be entitled to such protections as are afforded to insurers under the provisions of Article 30 of this Chapter pertaining to summary proceedings. Notwithstanding any of the foregoing, the Commissioner may forego action for up to 90 days after the mandatory control level event if the Commissioner finds there is a reasonable expectation that the mandatory control level event may be eliminated within the 90-day period.

(c) In the event of a mandatory control level event with respect to a property and casualty insurer, the Commissioner shall take actions as are necessary to cause the insurer to be placed under regulatory control under Article 30 of this Chapter, or, in the case of an insurer which is writing no business and which is running off its existing business, may allow the insurer to continue its runoff under the supervision of the Commissioner. In either event, the mandatory control level event is sufficient grounds for the Commissioner to take action under Article 30 of this Chapter, and the Commissioner shall have the rights, powers, and duties with respect to the insurer as are set forth in Article 30 of this Chapter. If the Commissioner takes actions under an adjusted risk-based capital report, the insurer shall be entitled to such protections as are afforded to insurers under the provisions of Article 30 of this Chapter pertaining to summary proceedings. Notwithstanding any of the foregoing, the Commissioner may forego action for up to 90 days after the mandatory control level event if the Commissioner finds there is a reasonable expectation that the mandatory control level event may be eliminated within the 90-day period. (1993 (Reg. Sess., 1994), c. 678, s. 1; 2001-223, ss. 12.7, 12.8.)

§ 58-12-30. Hearings.

Upon (i) notification to an insurer by the Commissioner of an adjusted risk-based capital report; or (ii) notification to an insurer by the Commissioner that the insurer's risk-based capital plan or revised risk-based capital plan is unsatisfactory, and the notification constitutes a regulatory action level event with respect to the insurer; or (iii) notification to any insurer by the Commissioner that the insurer has failed to adhere to its risk-based capital plan or revised risk-based capital plan and that the failure has a substantial adverse effect on the ability of the insurer to eliminate the company action level event with respect to the insurer in accordance with its risk-based capital plan or revised

risk-based capital plan; or (iv) notification to an insurer by the Commissioner of a corrective order with respect to the insurer, the insurer has a right to a confidential hearing, at which the insurer may challenge any determination or action by the Commissioner. The insurer shall notify the Commissioner of its request for a hearing within five days after the notification by the Commissioner under this section. Upon receipt of the insurer's request for a hearing, the Commissioner shall set a date for the hearing; the date shall be no less than 10 days nor more than 30 days after the date of the insurer's request. (1993 (Reg. Sess., 1994), c. 678, s. 1; 1995, c. 517, s. 5.)

§ 58-12-35. Confidentiality and prohibition on announcements.

(a) All risk-based capital reports, to the extent the information therein is not required to be set forth in a publicly available annual statement schedule, and the risk-based capital plans, including the results or report of any examination or analysis of an insurer performed pursuant hereto and any corrective order issued by the Commissioner pursuant to examination or analysis, with respect to any domestic insurer or foreign insurer that are filed with the Commissioner constitute information that shall be kept confidential by the Commissioner. This information shall not be made public and shall not be subject to subpoena, discovery, or admissible in evidence in any private civil action, other than by the Commissioner, and then only for the purpose of enforcement actions taken by the Commissioner under this Article or any other provision of this Chapter. In order to assist in the performance of the Commissioner's duties, the Commissioner may share and receive confidential and privileged risk-based capital information in a manner consistent with that information shared and received pursuant to G.S. 58-2-132(g) and (h). Neither the Commissioner nor any person who received documents, materials, or other information while acting under the authority of the Commissioner shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to this subsection.

(b) The General Assembly finds that the comparison of an insurer's total adjusted capital to any of its risk-based capital levels is a regulatory tool that may indicate the need for possible corrective action with respect to the insurer, and is not intended as a means to rank insurers generally. Therefore, except as otherwise required under this Article, the making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, an advertisement, announcement, or statement containing an assertion, representation, or statement with regard to the risk-based capital levels of any insurer, or of any component derived in the calculation by any insurer, agent, broker, or other person engaged in any manner in the insurance business is prohibited; provided, however, that if any materially false statement with respect to the comparison regarding an insurer's total adjusted capital to its risk-based capital levels (or any of them) or an inappropriate comparison of any other amount to the insurers' risk-based capital levels is published in any written publication and the insurer is able to demonstrate to the Commissioner, with substantial proof, the falsity of

the statement, or the inappropriateness, as the case may be, then the insurer may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement. (1993 (Reg. Sess., 1994), c. 678, s. 1; 1995, c. 193, s. 22; 2013-199, s. 5.)

§ 58-12-40. Supplemental provisions; rules; exemptions.

(a) The provisions of this Article are supplemental to any other provisions of the laws of this State, and do not preclude or limit any other powers or duties of the Commissioner under those laws, including Article 30 of this Chapter.

(b) Risk-based capital instructions, risk-based capital reports, adjusted risk-based capital reports, risk-based capital plans, and revised risk-based capital plans are solely for use by the Commissioner in monitoring the solvency of insurers and the need for possible corrective action with respect to insurers. The Commissioner shall not use any of these reports or plans for rate making nor consider or introduce them as evidence in any rate proceeding. The Commissioner shall not use these reports or plans to calculate or derive any elements of an appropriate premium level or rate of return for any kind of insurance that an insurer or any affiliate is authorized to write.

(c) The Commissioner may exempt from the application of this Article any domestic property or casualty insurer that:

- (1) Writes direct business only in this State.
- (2) Writes direct annual premiums of two million dollars (\$2,000,000) or less.
- (3) Assumes no reinsurance in excess of five percent (5%) of direct written premiums.

(d) The Commissioner may, in the Commissioner's discretion, exempt from the application of this Article:

- (1) Any domestic town or county mutual insurance company organized under G.S. 58-7-75(5)d.
- (2) Any domestic life or health insurer that:
 - a. Has no direct or assumed annual premiums; and
 - b. Has no direct or assumed policyholder obligations.
- (3) Any domestic health maintenance organization that:
 - a. Writes only direct business in this State;
 - b. Assumes no reinsurance in excess of five percent (5%) of direct written premiums; and
 - c. Writes direct annual premiums for a comprehensive medical business of two million dollars (\$2,000,000) or less, or is a single service health maintenance organization that covers less than 2,000 lives. (1993 (Reg. Sess., 1994), c. 678, s. 1; 1995, c. 318, s. 6; 2005-215, s. 22.)

§ 58-12-45. Foreign insurers.

(a) Any foreign insurer shall, upon written request of the Commissioner, submit to the Commissioner a risk-based capital report as of the end of the calendar year just ended the later of:

- (1) The date a risk-based capital report would be required to be filed by a domestic insurer under this Article; or
- (2) Fifteen days after the request is received by the foreign insurer.

Any foreign insurer shall, at the written request of the Commissioner, promptly submit to the Commissioner a copy of any risk-based capital plan that is filed with the insurance regulator of any other state.

(b) In the event of a company action level event, regulatory action level event, or authorized control level event with respect to any foreign insurer as determined under the risk-based capital statute or rule applicable in the state of domicile of the insurer, or if no risk-based capital statute or rule is in force in that state under the provisions of this Article, if the insurance regulator of the state of domicile of the foreign insurer fails to require the foreign insurer to file a risk-based capital plan in the manner specified under the risk-based capital statute or, if no risk-based capital provision is in force in that state, under G.S. 58-12-11, the Commissioner may require the foreign insurer to file a risk-based capital plan with the Commissioner. In that event the failure of the foreign insurer to file a risk-based capital plan with the Commissioner is grounds to order the insurer to cease and desist from writing new insurance business in this State.

(c) In the event of a mandatory control level event with respect to any foreign insurer, if no domiciliary receiver has been appointed with respect to the foreign insurer under the rehabilitation or liquidation statutes of the state of domicile of the foreign insurer, the Commissioner may make application to the Superior Court of Wake County as permitted under Article 30 of this Chapter with respect to the liquidation of property of foreign insurers found in this State; and the occurrence of the mandatory control level event is an adequate ground for the application. (1993 (Reg. Sess., 1994), c. 678, s. 1; 1995, c. 193, s. 23.)

§ 58-12-50. Notices.

All notices by the Commissioner to an insurer that may result in regulatory action under this Article are effective upon dispatch if transmitted by registered or certified mail; or in the case of any other transmission are effective upon the insurer's receipt of the notice. (1993 (Reg. Sess., 1994), c. 678, s. 1.)

- (4) In the event of a mandatory control level event with respect to an insurer, the Commissioner shall take the actions required under G.S. 58-12-21 with respect to the insurer. (1993 (Reg. Sess., 1994), c. 678, s. 1.)

§ 58-12-60. Property or casualty phase-in provision.

- (4) In the event of a mandatory control level event with respect to an insurer, the Commissioner shall take the actions required under G.S. 58-12-21 with respect to the insurer. (1995, c. 318, s. 7.)

§ 58-12-65. Health organization phase-in provision.

For risk-based capital reports required to be filed by health organizations with respect to calendar year 2001, the following requirements apply in lieu of the provisions of G.S. 58-12-11, 58-12-16, 58-12-21, and 58-12-25:

§ 58-12-70. HMO net worth requirements.

The Commissioner may require an HMO to have and maintain a larger amount of net worth than prescribed in G.S. 58-67-110, based upon the principles of risk-based capital as determined by the NAIC or the Commissioner. (2001-223, s. 12.10.)

(1985, c. 327, s. 1; 1991, c. 681, s. 30.1; 1993, c. 504, s. 7.)

§ 58-13-20. Exception.

(a) This Article does not apply to those reserve assets of an insurer that are held, deposited, pledged, hypothecated, or otherwise encumbered as provided in this section to secure, offset, protect, or meet those policyholder-related liabilities of the insurer that are established, incurred, or required under the provisions of a reinsurance agreement whereby the insurer has reinsured the insurance policy liabilities of a ceding insurer, provided:

- (1) The ceding insurer and the reinsurer are both licensed to transact business in this State;
- (2) Pursuant to a written agreement between the ceding insurer and the reinsurer, reserve assets substantially equal to the policyholder-related liabilities required to be established by the reinsurer on the reinsured business are either (i) deposited by or are withheld from the reinsurer and are in the custody of the

ceding insurer as security for the payment of the reinsurer's obligations under the reinsurance agreement, and such assets are held subject to withdrawal by and under the separate or joint control of the ceding insurer, or (ii) deposited and held in trust account for that purpose and under those conditions with a qualified United States financial institution.

(b) The Commissioner has the right to examine any of such assets, reinsurance agreements, or deposit arrangements at any time in accordance with his authority to make examinations of insurers as conferred by other provisions of this Chapter.

- (1) Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any of its states;
- (2) Is regulated, supervised, and examined by United States federal or state authorities having regulatory authority over banks and trust companies; and
- (3) Has been determined by either the Commissioner or the Securities Valuation Office of the NAIC to meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions who serve as trustees. (1985, c. 327, s. 1; 1993, c. 504, s. 9; 2001-223, s. 13.4; 2005-215, s. 25.)

§ 58-13-25. Prohibition of hypothecation.

(a) Every insurer subject to this Article shall at all times have and maintain free and unencumbered reserve assets equal to an amount that is the total of its policyholder-related liabilities and its required minimum capital and minimum surplus and shall not pledge, hypothecate, or otherwise encumber those reserve assets. The Commissioner, upon application made to the Commissioner, may issue a written order approving the pledging, hypothecation, or encumbrance of any of the assets of an insurer not otherwise prohibited upon a finding that the pledging, hypothecation, or encumbrance will not adversely affect the insurer's solvency.

(b) Every insurer shall file, along with any statement filed under G.S. 58-2-165, a statement sworn to by the chief executive officer of the insurer that: (i) Title to assets in an amount equal to the policyholder-related liabilities and minimum required capital and minimum required surplus of the insurer that are not pledged, hypothecated, or otherwise encumbered is vested in the insurer; (ii) the only assets of the insurer that are pledged, hypothecated, or otherwise encumbered are as identified and reported in the sworn statement and no other assets of the insurer are pledged, hypothecated, or otherwise encumbered; and (iii) the terms and provisions of the transaction of the pledge, hypothecation, or encumbrance are as reported in the sworn statement.

(c) Any person that accepts a pledge, hypothecation, or encumbrance of any asset of an insurer, as security for a debt or other obligation of the insurer, not in accordance with this Article, is deemed to have accepted the asset subject to a superior, preferential, and automatically perfected lien in favor of claimants: Provided, that said lien does not apply to the assets of an insurer in a delinquency proceeding under Article 30 of this Chapter if the Commissioner or the court, whichever is appropriate, approves the pledge, hypothecation, or encumbrance of the assets.

(d) In the event of the liquidation of any insurer subject to this Article, claimants of the insurer shall have a prior and preferential claim against all assets of the insurer except those that have been pledged, hypothecated, or encumbered in accordance with this Article. Subject to Article 30 of this Chapter, all claimants have equal status; and their prior and preferential claims

are superior to any claim or cause of action against the insurer by any other person. (1985, c. 327, s. 1; 1989, c. 452, s. 4; 1991, c. 681, s. 30.3; 1993, c. 504, s. 10; 2002-187, s. 2.9.)

Article 14.

Unauthorized Insurance by Domestic Companies.

§ 58-14-1. Purpose of Article.

It is the purpose of this Article to effectively control and regulate the activities of domestic insurance companies so as to prevent them from engaging in and transacting insurance business in states and jurisdictions in which they are not authorized to do a business of insurance. The General Assembly recognizes that insofar as domestic companies of this State engage in transacting insurance business in states and jurisdictions in which they are not authorized to do business that such activity subjects the domestic companies of this State to the penalties for such unlawful activities in other states and jurisdictions, and that such activities tend to substantially impair the effectiveness of the domestic companies in this State. The General Assembly also recognizes that the practices of unauthorized insurers could be largely corrected if each state would effectively regulate the activities of its domestic companies. The provisions of this Article are in addition to all other statutory provisions designed to control the activities of domestic companies and nothing herein shall be construed to amend, modify or repeal the provisions of existing laws. (1967, c. 935, s. 1.)

§ 58-14-5. Domestic insurers prohibited from transacting business in foreign states without authorization; exceptions.

Except as hereinafter provided, no domestic insurer organized under the laws of this State shall transact or attempt to transact or solicit business in any manner or accept risks in any jurisdiction in which such insurer is not licensed in accordance with the laws of such jurisdiction. There is excepted from the terms of this section the following acts and transactions:

- (1) Contracts entered into by a domestic company insuring a risk within a foreign state or jurisdiction, where the law of the foreign state or jurisdiction permits an unauthorized insurer to so contract;
- (2) Contracts entered into where the prospective insured is personally present in the state in which the insurer is authorized to transact business when he signs the application;
- (3) Contracts of reinsurance between a licensed insurer of the foreign state or jurisdiction and a domestic company;
- (4) The issuance of certificates under a lawfully transacted group life or group disability policy, where the master policy was entered into in a state in which the insurer was then authorized to transact business;
- (5) The renewal or continuance in force, with or without modification, of contracts otherwise lawful and which were not originally executed in violation of this section. (1967, c. 935, s. 1.)

§ 58-14-10. Domestic insurers; advertising; exceptions.

No domestic insurer shall knowingly solicit or advertise its insurance business in a state or jurisdiction in which it is not licensed as an authorized insurer. Provided, however, that this section shall not prohibit a domestic insurer from advertising through publications, radio or television if such advertising is not expressly directed toward the residents or subjects of insurance in a foreign

state or other jurisdiction. Nor shall this section apply to trade journals or directories. (1967, c. 935, s. 1.)

§ 58-14-15. Penalties provided for unauthorized acts.

When any domestic insurer knowingly engages in the practice of soliciting, advertising or making contracts for insurance in states or jurisdictions in which it is not licensed, the Commissioner may issue an order requiring the company to cease and desist from engaging in such activities and, for the purposes of this section, the acts prohibited by G.S. 58-14-10 and the foregoing sections, are declared to be an unfair trade practice within the meaning of G.S. 58-63-15 and G.S. 58-63-40. When the Commissioner has reason to believe that any domestic company has been engaged or is engaging in the practice of knowingly soliciting, advertising or writing contracts of insurance on risks within a state or jurisdiction in which it is not licensed, the Commissioner shall serve the company with notice of hearing and the hearing shall conform with the hearing procedure set forth in G.S. 58-63-25. Any action taken by the Commissioner after the hearing shall comply with G.S. 58-63-32, and any company aggrieved by an order of the Commissioner is entitled to the judicial review provided in G.S. 58-63-35. (1967, c. 935, s. 1; 1991, c. 720, ss. 4, 54; 1995, c. 193, s. 24; 1995 (Reg. Sess., 1996), c. 742, s. 23.)

Article 15.

Reciprocal Insurance.

Part 1. General Provisions.

§ 58-15-1. Scope.

This Article applies to all reciprocals and reciprocal insurance. (1989, c. 425, s. 1.)

§ 58-15-5. Definitions.

As used in this Article:

- (1) "Attorney" means the person designated and authorized by subscribers as the attorney-in-fact having authority to obligate them on reciprocal and other insurance contracts.
- (2) "License" means a license to transact the business of insurance in this State, issued by the Commissioner.
- (3) In addition to the meaning of the term as defined in G.S. 12-3(6) and G.S. 58-1-5(9), "person" means any county, city, school board, hospital authority, or any other local governmental authority or local agency or public service corporation owned, operated or controlled by a local government or local government authority, that has the power to enter into contractual undertakings within or without the State.
- (4) "Reciprocal" means an aggregation of subscribers under a common name.
- (5) "Reciprocal insurance" means insurance resulting from the mutual exchange of insurance contracts among persons in an unincorporated association under a common name through an attorney-in-fact having authority to obligate each person both as insured and insurer.
- (6) "Subscriber" means a person obligated under a reciprocal insurance agreement. (1989, c. 425, s. 1; 1991, c. 720, s. 15; 1999-132, s. 9.1.)

§ 58-15-10. Kinds of insurance.

A reciprocal licensed in this State may write the kinds of insurance enumerated in G.S. 58-7-15, except life insurance, annuities, and title insurance. (1989, c. 425, s. 1.)

§ 58-15-15. Risk limitations.

(a) Except for Article 11 of this Chapter and as otherwise specifically provided, all the provisions of Articles 1 through 64 of this Chapter relating to insurers generally, and those relating to insurers writing the same kinds of insurance that reciprocals are permitted to write, are applicable to reciprocals.

(b) A reciprocal shall be deemed to comply with G.S. 58-3-105 if:

- (1) It issues policies containing a contingent assessment liability, provided for in G.S. 58-15-60; and
- (2) It maintains reinsurance in an amount that the Commissioner considers adequate to reasonably limit the reciprocal's aggregate losses to the lesser of:
 - a. Ten percent (10%) of the surplus to policyholders of the reciprocal multiplied by the number of subscribers;
 - b. The surplus to policyholders of the reciprocal multiplied by three; or
 - c. Five million dollars (\$5,000,000). (1989, c. 425, s. 1.)

§ 58-15-20. Eligible contracting persons.

(a) Persons of this State may enter into reciprocal insurance contracts with each other and with persons of other states and countries.

(b) For any corporation now existing or subsequently organized under the laws of this State, the authority to enter into reciprocal insurance contracts is in addition to the authority conferred upon it in its charter and is incidental to the purposes for which the corporation is organized. (1989, c. 425, s. 1.)

§ 58-15-25. Business name.

Every reciprocal shall have and use an appropriate business name that includes the word or words "reciprocal," "interinsurer," "interinsurance," or "exchange". (1989, c. 425, s. 1.)

§ 58-15-30. License, surplus, and deposit requirements.

(a) No reciprocal shall engage in any insurance transaction in this State until it has obtained a license to do so in accordance with the applicable provisions of Articles 1 through 64 of this Chapter. The license shall continue in full force and effect, subject to timely payment of an annual license continuation fee in accordance with G.S. 58-6-7 and subject to any other applicable provision of the insurance laws of this State.

(b) No domestic or foreign reciprocal shall be licensed in this State unless it has a surplus to policyholders of at least eight hundred thousand dollars (\$800,000); and no alien reciprocal shall be licensed unless it has a trusted surplus of at least eight hundred thousand dollars (\$800,000).

(c) Each domestic, foreign, or alien reciprocal licensed in this State shall deposit and maintain deposits with the Commissioner of at least four hundred thousand dollars (\$400,000) in cash or in value of securities of the kind specified in G.S. 58-5-15, which shall be subject to Article 5 of this Chapter. (1989, c. 425, s. 1; 2003-212, s. 26(e); 2004-203, s. 74(a); 2005-215, s. 24.)

§ 58-15-35. Continuation of business under prior requirements.

(a) Notwithstanding other provisions of Articles 1 through 64 of this Chapter regarding minimum required surplus, any reciprocal that was licensed to write and was writing any kind of insurance in this State on January 1, 1990 may continue to write that kind of insurance under the appropriate license from the Commissioner. Such reciprocal shall maintain at all times the minimum surplus, and the minimum trusteed surplus if an alien reciprocal, that was required before January 1, 1990.

(b) Before any reciprocal obtains a license to write in this State any kind of insurance that it was not licensed to write and writing in this State on January 1, 1990, it shall comply with all the requirements of this Part regarding surplus. (1989, c. 425, s. 1.)

§ 58-15-40. Certification of foreign and alien reciprocals.

No foreign reciprocal shall be licensed in this State until it files with the Commissioner a certificate of the insurance regulator of the state in which it is organized. The certificate shall show that the foreign reciprocal is licensed to write and is writing actively in that state the kind of insurance it proposes to write in this State. No alien reciprocal shall be licensed in this State until it files with the Commissioner a certificate of the insurance regulator of (i) the state through which it entered the United States or (ii) the alien reciprocal's domiciliary country. The certificate shall show that the alien reciprocal is licensed to write and is writing actively in that state or country the kind of insurance it proposes to write in this State. Foreign and alien reciprocals must also satisfy the appropriate provisions of Article 16 of this Chapter pertaining to admission requirements. (1989, c. 425, s. 1.)

§ 58-15-45. Attorney's domicile.

Nothing in Articles 1 through 64 of this Chapter regarding the admission and licensing of foreign and alien insurers requires that the attorney of a foreign or alien reciprocal be resident or domiciled in this State, or that the principal office of the attorney be maintained in this State. The office or offices of the attorney shall be determined by the subscribers through the power of attorney. (1989, c. 425, s. 1.)

§ 58-15-50. Contracts and property.

A reciprocal may enter into contracts and acquire, hold title to, and convey property in its business name. All contracts of a reciprocal, including its insurance contracts, shall be executed on behalf of the reciprocal by the attorney of the reciprocal. (1989, c. 425, s. 1.)

§ 58-15-55. Insurance producer license.

No person shall act in this State as an agent of a reciprocal in the solicitation or procurement of applications for insurance, subscriber's agreements, or powers of attorney, or in the collection of premiums in connection with the reciprocal, without first procuring an insurance producer license from the Commissioner pursuant to Article 33 of this Chapter. An agent shall be appointed by each reciprocal the agent represents. (1989, c. 425, s. 1; 2022-46, s. 14(t).)

§ 58-15-60. Subscribers' contingent liability.

(a) Each subscriber insured under an assessable policy has a contingent assessment liability for payment of actual losses and expenses incurred by the reciprocal while his policy was

in force. This liability is in the amount provided for in the power of attorney or subscriber's agreement.

(b) The contingent assessment liability on any one policy in any one calendar year equals the premiums earned, as defined in G.S. 58-15-135, on the policy for that year multiplied by not more than ten.

(c) The contingent assessment liability is several and not joint.

(d) Each assessable policy issued by the reciprocal shall plainly set forth a statement of the contingent assessment liability on the front of the policy in capital letters, in contrasting color, and in no less than ten-point type. (1989, c. 425, s. 1.)

§ 58-15-65. Nonassessable policies.

(a) The Commissioner may issue a certificate authorizing the reciprocal to reduce or extinguish the contingent assessment liability of subscribers under its policies then in force in this State and to omit provisions imposing contingent assessment liability in all policies delivered or issued for delivery in this State for as long as all such surplus to policyholders remains unimpaired. The certificate may be issued if (i) a reciprocal has surplus to policyholders of at least two million dollars (\$2,000,000), and (ii) an application of the attorney has been approved by the subscribers' advisory committee.

(b) The Commissioner shall issue this certificate if the conditions of subsection (a) of this section are met and if he determines that the reciprocal's surplus to policyholders is reasonable in relation to the reciprocal's outstanding liabilities and is adequate to meet its financial needs. In making that determination the following factors, among others, shall be considered:

- (1) The size of the reciprocal as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
- (2) The extent to which the reciprocal's business is diversified among different kinds of insurance;
- (3) The number and size of risks insured in each kind of insurance;
- (4) The extent of the geographic dispersion of the reciprocal's insured risks;
- (5) The nature and extent of the reciprocal's reinsurance program;
- (6) The quality, diversification, and liquidity of the reciprocal's investment portfolio;
- (7) The recent past and trend in the size of the reciprocal's surplus to policyholders;
- (8) The surplus to policyholders maintained by other comparable insurers; and
- (9) The adequacy of the reciprocal's reserves.

(c) Upon impairment of the surplus to policyholders as described in subsection (a) of this section, the Commissioner shall revoke the certificate. After revocation, the reciprocal shall not issue or renew any policy without providing for the contingent assessment liability of subscribers.

(d) The Commissioner shall not authorize a domestic reciprocal to extinguish the contingent assessment liability of any of its subscribers or in any of its policies to be issued, unless it has the required surplus to policyholders and extinguishes the contingent assessment liability of all of its subscribers and in all policies to be issued for all kinds of insurance it writes. However, if required by the laws of another state in which the domestic reciprocal is transacting the business of insurance as a licensed insurer, it may issue policies providing for the contingent assessment liability of its subscribers that acquire policies in that state and need not extinguish the contingent assessment liability applicable to policies already in force in that state. (1989, c. 425, s. 1.)

§ 58-15-70. Distribution to subscribers.

A reciprocal may return to its subscribers any savings or credits accruing to their accounts. Any such distribution shall not unfairly discriminate between classes of risks or policies or between subscribers. However, the distribution may vary for classes of subscribers based upon the experience of those classes. (1989, c. 425, s. 1.)

§ 58-15-75. Reserves.

Each reciprocal shall maintain the same unearned premium and loss or claim reserves required for stock and mutual companies writing the same kinds of insurance. (1989, c. 425, s. 1.)

§ 58-15-80: Reserved for future codification purposes.

§ 58-15-85. Service of process.

(a) Each attorney of a domestic reciprocal who files the declaration required by G.S. 58-15-100, and each attorney of a foreign or alien reciprocal that applies for a license, shall file with the Commissioner a written power of attorney executed in duplicate by the attorney that appoints the Commissioner as agent of the reciprocal. Upon the appointment, the Commissioner may be served all legal process against such reciprocal pursuant to G.S. 58-16-30. A copy of the power of attorney, duly certified by the Commissioner, is admissible as evidence in the courts of this State.

(b) Whenever any such process is served upon the Commissioner, G.S. 58-16-45 is applicable, except that the process shall be directed to the attorney at the address shown on the power of attorney. Nothing in this section limits the right to serve any process upon any reciprocal in any other manner permitted by law. (1989, c. 425, s. 1.)

§ 58-15-90. Legal proceedings.

(a) Any reciprocal doing business in this State may sue or be sued in its business name.

(b) Any action or suit against a reciprocal may be brought in any county (i) where its principal office is located, or (ii) where the cause of action or any part of the cause of action arose. If the action or suit is to recover a loss under a policy of property insurance, it may also be brought in the county where the property insured was situated at the date of the policy. Any action or suit against a foreign or alien reciprocal may also be brought in any county of this State in which it has any debts owed to it.

(c) In an action against a reciprocal, process against the reciprocal may be served upon the Commissioner. If the defendant in the action is a domestic reciprocal, process against that domestic reciprocal shall be served upon the attorney for that domestic reciprocal unless service upon that attorney is not feasible. (1989, c. 425, s. 1.)

§ 58-15-95. Liability on judgments.

Any judgment against a reciprocal based upon legal process duly served as provided in this Article is binding upon the reciprocal and upon each of the reciprocal's subscribers as their respective interests may appear, in an amount not exceeding their respective contingent assessment liabilities. There is no derivative liability on the part of the attorney, officers, employees, agents, or subscribers' advisory committee of the reciprocal arising merely by reason of the status of such persons. (1989, c. 425, s. 1.)

Part 2. Domestic Reciprocal.

§ 58-15-100. Declaration for license.

(a) One hundred or more persons domiciled in this State and designated as subscribers may organize a domestic reciprocal and apply to the Commissioner for a license to transact the business of insurance. The Commissioner may authorize such a reciprocal to form with a lesser number of subscribers upon being satisfied that the risks are adequately spread and financial projections indicate that such a reciprocal will have a reasonable potential to succeed in its business with such a lesser number of subscribers. The original subscribers and the proposed attorney shall execute and file with the Commissioner a declaration setting forth:

- (1) The name of the attorney and the business name of the reciprocal;
- (2) The location of the reciprocal's principal office, which shall be the same as that of the attorney and shall be in this State;
- (3) The kinds of insurance proposed to be written;
- (4) The names and addresses of the original subscribers;
- (5) The designation and appointment of the attorney, and a copy of the power of attorney and subscriber's agreement;
- (6) The names and addresses of the officers and directors of the attorney, if a corporation, or of its members if not a corporation;
- (7) The powers of the subscribers' advisory committee, and the names and terms of office of its members;
- (8) A statement that each of the original subscribers has in good faith applied for insurance of the kind proposed to be written and that the reciprocal has received from each original subscriber the anticipated premium or premium deposit for a term of not less than six months for the policy for which application is made;
- (9) A statement of the financial condition of the reciprocal, including a schedule of its assets;
- (10) A statement that the reciprocal has the surplus to policyholders required by G.S. 58-15-30;
- (11) A copy of each policy, endorsement, and application form it proposes to issue or use; and
- (12) Financial projections of the anticipated operational results of the reciprocal for a five-year period based upon the initial surplus of the proposed reciprocal and its plan of operation.

(b) The declaration shall be acknowledged by each original subscriber and by the attorney. (1989, c. 425, s. 1.)

§ 58-15-105. Attorney's bond.

(a) Concurrent with the filing of the declaration provided for in G.S. 58-15-100, the attorney of a domestic reciprocal shall file with the Commissioner a fidelity bond payable to this State. The bond shall be executed by the attorney and by a licensed insurer and is subject to the approval of the Commissioner.

(b) The bond shall be in an amount established in the discretion of the Commissioner, which amount shall be at least fifty thousand dollars (\$50,000). The bond shall be on the condition that the attorney faithfully accounts for all moneys and other property of the reciprocal coming into the attorney's control and that the attorney does not withdraw or appropriate for his own use from

the funds of the reciprocal any moneys or property to which he is not entitled under the power of attorney.

(c) The bond is not subject to cancellation unless 30-days' written notice of intent to cancel is given to the attorney and the Commissioner. (1989, c. 425, s. 1.)

§ 58-15-110. Deposit in lieu of bond.

Instead of filing the bond required by G.S. 58-15-105, the attorney may maintain on deposit with the Commissioner an equal amount in cash or in value of securities of the kind specified in G.S. 58-5-20 and subject to the same conditions as the bond. (1989, c. 425, s. 1.)

§ 58-15-115. Advisory committee.

The advisory committee exercising the subscribers' rights in a domestic reciprocal shall be selected under rules adopted by the subscribers. At least three-fourths of the committee shall comprise subscribers or their representatives other than the attorney or any person employed by, representing, or having a financial interest in the attorney. The committee shall supervise the finances of the reciprocal and the reciprocal's operations to the extent required to assure their conformity with the subscriber's agreement and power of attorney and shall exercise any other powers conferred on it by the subscriber's agreement. (1989, c. 425, s. 1.)

§ 58-15-120. Subscriber's agreement and power of attorney.

(a) Every subscriber of a domestic reciprocal shall execute a subscriber's agreement and power of attorney setting forth the rights, privileges, and obligations of the subscriber as an underwriter and as a policyholder, and the powers and duties of the attorney. The subscriber's agreement and power of attorney shall contain in substance the following provisions:

- (1) A designation and appointment of the attorney to act for and bind the subscriber in all transactions relating to or arising out of the operations of the reciprocal;
- (2) A provision empowering the attorney (i) to accept service of legal process on behalf of the reciprocal and (ii) to appoint the Commissioner agent of the reciprocal upon whom may be served all legal process against the reciprocal;
- (3) Except for nonassessable policies, a provision for a contingent assessment liability of each subscriber in a specified amount in accordance with G.S. 58-15-60; and
- (4) The maximum amount to be deducted from advance premiums or deposits to be paid the attorney, and the items of expense, in addition to losses, to be paid by the reciprocal.

(b) The subscriber's agreement may:

- (1) Provide for the right of substitution of the attorney and revocation of the power of attorney;
 - (2) Impose any restrictions upon the exercise of the power agreed upon by the subscribers;
 - (3) Provide for the exercise of any right reserved to the subscribers directly or through an advisory committee;
 - (4) Provide for indemnification of the attorney, officers, employees, agents, and subscribers' advisory committee of the reciprocal against liability and litigation expenses to the extent permitted in the case of domestic business corporations;
- or

- (5) Contain other lawful provisions considered advisable. (1989, c. 425, s. 1.)

§ 58-15-125. Modification of subscriber's agreement and power of attorney.

Modification of the terms of the subscriber's agreement and the power of attorney of a domestic reciprocal shall be made jointly by the attorney and the subscriber's advisory committee. No modification is retroactive nor does it affect any insurance contract issued prior to the modification. (1989, c. 425, s. 1.)

§ 58-15-130. Advance of funds.

The attorney or other interested persons may advance to a domestic reciprocal any funds required for its operations. The funds advanced shall not be treated as a liability of the reciprocal and shall not be withdrawn or repaid except out of the reciprocal's earned surplus in excess of its minimum required surplus. This section does not apply to loans made by commercial lenders in the ordinary course of their businesses. (1989, c. 425, s. 1.)

§ 58-15-135. Assessments.

(a) Assessments may be levied upon the subscribers of a domestic reciprocal by the attorney in accordance with G.S. 58-15-60. The assessments shall be approved in advance by the subscribers' advisory committee.

(b) Each domestic reciprocal subscriber's share of an assessment shall be computed by multiplying the premiums earned on the subscriber's policies during the period to be covered by the assessment by the ratio of the total assessment to the total premiums earned during the period upon all policies subject to the assessment. However, no assessment shall exceed the aggregate contingent assessment liability computed in accordance with G.S. 58-15-60. For the purposes of this section, the premiums earned on the subscriber's policies are the gross premiums charged by the reciprocal for the policies minus any charges not recurring upon the renewal or extension of the policies. No subscriber shall have an offset against any assessment for which he is liable on account of any claim for unearned premium or losses payable. (1989, c. 425, s. 1.)

§ 58-15-140. Duration of liability for assessment.

Every subscriber of a domestic reciprocal having contingent assessment liability shall be liable for and shall pay his share of any assessment computed in accordance with this Part, if, while the policy is in force or for such period after its termination as the Commissioner may establish by rule, the subscriber is notified (i) by the attorney of his intention to levy the assessment or (ii) that delinquency proceedings have been commenced against the reciprocal under the provisions of Article 30 of this Chapter, and the Commissioner or receiver intends to levy an assessment. In adopting such rules the Commissioner may take into account factors including the kinds of insurance issued by such reciprocals. (1989, c. 425, s. 1, c. 770, s. 70; 1989 (Reg. Sess., 1990), c. 1021, s. 1.)

§ 58-15-145. Distribution of assets after liquidation.

Upon the liquidation of a domestic reciprocal, the assets remaining after (i) discharge of its indebtedness and policy obligations, (ii) the return of any contributions of the attorney or other person made as provided in G.S. 58-15-130, and (iii) the return of any unused deposits, savings, or credits, shall be distributed. The distribution shall be according to a formula approved by the

Commissioner or the Court to the persons who were its subscribers within the 12 months prior to the final termination of its license. (1989, c. 425, s. 1.)

§ 58-15-150. Financial impairment; assessment; liquidation.

(a) If (i) the assets of a domestic reciprocal are at any time insufficient to settle the sum of its liabilities, except those on account of funds contributed by the attorney or other parties, and its required surplus to policyholders, and (ii) the deficiency is not cured from other sources, its attorney shall levy an assessment upon subscribers made subject to assessment by the terms of their policies for the amount needed to make up the deficiency. However, the assessment shall be subject to G.S. 58-15-60.

(b) If the attorney fails to make the assessment within 30 days after the Commissioner orders him to do so, or if the deficiency is not fully made up within 60 days after the date the assessment is made, delinquency proceedings may be instituted and conducted against the insurer as provided in Article 30 of this Chapter.

(c) If liquidation of the reciprocal is ordered, an assessment shall be levied upon the subscribers for the amount the Commissioner or the Court, as the case may be, determines to be necessary to discharge all liabilities of the reciprocal. This assessment shall exclude any funds contributed by the attorney or other persons, but shall include the reasonable cost of the liquidation. However, the assessment is subject to G.S. 58-15-60. (1989, c. 425, s. 1; c. 770, s. 71.)

Article 16.

Foreign or Alien Insurance Companies.

§ 58-16-1. Admitted to do business.

(a) Any insurance company or other insurance entity that is owned or controlled by any foreign government outside the continental limits of the United States or the territories of the United States is prohibited from doing any kind of insurance business in the State of North Carolina. For the purposes of this section, "foreign government" means any foreign government or any state, province, municipality, or political subdivision of any foreign government, and shall not be construed to apply to any insurance company organized under the laws of a foreign nation that is owned or controlled by the private citizens or private business interest of that foreign nation.

Nothing herein repeals or reduces the license, fees, taxes, and other obligations now imposed by the laws of this State or to go into effect with the companies of any other state or nation unless some company of this State is actually doing or seeking to do business in such state or

nation. When an insurance company organized under the laws of any state or country is prohibited by the laws of such state or country or by its charter from investing its assets other than capital stock in the bonds of this State, then and in such case the Commissioner is authorized and directed to refuse to grant a license to transact business in this State to such insurance company. (1899, c. 54, ss. 16, 62; 1903, c. 438, s. 6; Rev., s. 4750; C.S., s. 6414; 1927, c. 167, s. 1; 1931, c. 287; 1951, c. 781, s. 9; 1971, c. 421, s. 1; 1985, c. 666, s. 5; 1989, c. 645, s. 2; 1991, c. 720, s. 4; 1995, c. 517, s. 8.)

§ 58-16-35. Unauthorized Insurers Process Act.

(a) Purpose of Section. – The purpose of this section is to subject certain insurers to the jurisdiction of courts of this State in suits by or on behalf of insureds or beneficiaries under insurance contracts. The General Assembly declares that it is a subject of concern that many residents of this State hold policies of insurance issued by insurers not authorized to do business in this State, thus presenting to such residents the often insuperable obstacle of resorting to distant forums for the purpose of asserting legal rights under such policies. In furtherance of such State interest, the General Assembly herein provides a method of substituted service of process upon such insurers and declares that in so doing it exercises its power to protect its residents and to define, for the purpose of this statute, what constitutes doing business in this State, and also exercises powers and privileges available to the State by virtue of Public Law 15, 79th Congress of the United States, Chapter 20, 1st Session, s. 340, as amended, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

(b) Service of Process upon Unauthorized Insurer. –

- (1) Any of the following acts in this State, effected by mail or otherwise, by an unauthorized foreign or alien insurer:
 - a. The issuance or delivery of contracts of insurance to residents of this State or to corporations authorized to do business therein,
 - b. The solicitation of applications for such contracts,
 - c. The collection of premiums, membership fees, assessments or other considerations for such contracts, or
 - d. Any other transaction of business,is equivalent to and shall constitute an appointment by such insurer of the Commissioner and his successor or successors in office, to be its true and lawful

attorney, upon whom may be served all lawful process in any action, suit, or proceeding instituted by or on behalf of an insured or beneficiary arising out of any such contract of insurance, and any such act shall be signification of its agreement that such service of process is of the same legal force and validity as personal service of process in this State upon such insurer.

- (2) Such service of process shall be made by delivering to and leaving with the Commissioner or some person in apparent charge of his office two copies thereof and the payment to him of ten dollars (\$10.00). The Commissioner shall within four business days mail by certified or registered mail one of the copies of such process to the defendant at its last known principal place of business, and shall keep a record of all process so served upon him. Such service of process is sufficient, provided notice of such service and a copy of the process are sent within 10 days thereafter by certified or registered mail by plaintiff or plaintiff's attorney to the defendant at its last known principal place of business, and the defendant's receipt, or receipt issued by the transmitting post office, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff or plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defendant is required to appear, or within such further time as the court may allow.
 - (3) Service of process in any such action, suit or proceeding shall in addition to the manner provided in subdivision (2) of this subsection be valid if:
 - a. It is served on a person within this State who is in the State on behalf of the insurer to solicit insurance, make, issue, or deliver a contract of insurance, or collect or receive a premium, membership fee, assessment, or other consideration for insurance;
 - b. A copy of the process is sent within 10 days after service by certified or registered mail by the plaintiff or plaintiff's attorney to the defendant at the defendant's last known principal place of business; and
 - c. The defendant's receipt, or the receipt issued by the transmitting post office, showing the name of the sender of the letter and the name and address of the person to whom the letter is addressed, and the affidavit of the plaintiff or plaintiff's attorney showing a compliance herewith are filed with the clerk of the court in which such action is pending on or before the date the defendant is required to appear, or within such further time as the court may allow.
 - (4) No plaintiff or complainant shall be entitled to a judgment by default under this section until the expiration of 30 days from the date of the filing of the affidavit of compliance.
 - (5) Nothing in this section contained shall limit or abridge the right to serve any process, notice or demand upon any insurer in any other manner now or hereafter permitted by law.
- (c) Defense of Action by Unauthorized Insurer. –
- (1) Before any unauthorized foreign or alien insurer shall file or cause to be filed any pleading in any action, suit or proceeding instituted against it, such unauthorized insurer shall either

- a. Deposit with the clerk of the court in which such action, suit or proceeding is pending cash or securities or file with such clerk a bond with good and sufficient sureties, to be approved by the court, in an amount to be fixed by the court sufficient to secure the payment of any final judgment which may be rendered in such action; or
 - b. Procure a license to transact the business of insurance in this State.
- (2) The court in any action, suit, or proceeding, in which service is made in the manner provided in subdivisions (2) or (3) of subsection (b) may, in its discretion, order such postponement as may be necessary to afford the defendant reasonable opportunity to comply with the provisions of subdivision (1) of this subsection and to defend such action.
- (3) Nothing in subdivision (1) of this subsection is to be construed to prevent an unauthorized foreign or alien insurer from filing a motion to quash a writ or to set aside service thereof made in the manner provided in subdivisions (2) or (3) of subsection (b) on the ground either
- a. That such unauthorized insurer has not done any of the acts enumerated in subdivision (1) of subsection (b), or
 - b. That the person on whom service was made pursuant to subdivision (3) of subsection (b) was not doing any of the acts therein enumerated.

(d) **Attorney Fees.** – In any action against an unauthorized foreign or alien insurer upon a contract of insurance issued or delivered in this State to a resident thereof or to a corporation authorized to do business therein, if the insurer has failed for 30 days after demand prior to the commencement of the action to make payment in accordance with the terms of the contract, and it appears to the court that such refusal was vexatious and without reasonable cause, the court may allow to the plaintiff a reasonable attorney fee and include such fee in any judgment that may be rendered in such action; providing, however, that the fee or portion of fee included in the judgment shall be not less than twenty-five dollars (\$25.00) nor more than twelve and one-half percent (12 1/2%) of the amount which the court or jury finds the plaintiff is entitled to recover against the insurer. Failure of an insurer to defend any such action shall be deemed prima facie evidence that its failure to make payment was vexatious and without reasonable cause.

(e) **Short Title.** – This section may be cited as the Unauthorized Insurers Process Act. (1955, c. 1040; 1985, c. 666, ss. 5, 8; 1987, c. 752, s. 11; 1989, c. 645, s. 3; 1991, c. 720, s. 4; 1999-132, s. 9.1.)

§ 58-16-45. Commissioner to notify company of service or acceptance of service of process.

When service of legal process is made in the manner provided in G.S. 58-16-30, the Commissioner or his duly appointed deputy shall within four business days thereafter notify the company served of such service or acceptance of service by registered or certified mail directed to its secretary, or its resident manager in the case of a foreign company having no secretary in the United States. Such notification shall be accompanied by a copy of the process served or accepted and any pleading or order accompanying the process. The Commissioner shall keep a record

which shall show the day and hour of such service or acceptance of service of process and whether any pleading or order accompanied the process. When service is made under the provisions of G.S. 58-16-30, the time within which to file a responsive pleading, as provided by Chapter 1A of the General Statutes, shall be deemed extended by 12 days. (1899, c. 54, s. 16; Rev., s. 4751; C.S., s. 6415; 1927, c. 167, s. 2; 1971, c. 421, s. 2; 1985, c. 666, s. 7; 1987, c. 752, s. 11; 1991, c. 720, s. 4.)

- (9) Acting as an administrative agent for a governmental instrumentality that is performing an insurance function.
 - (10) Financing of insurance premiums, agents, and other forms of consumer financing.
 - (11) Any other business activity that is reasonably ancillary to an insurance business.
 - (12) Owning a corporation or corporations engaged or organized to engage exclusively in one or more of the businesses specified in this section.
- (b) In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under this Chapter, a domestic insurer may also:
- (1) Invest, in common stock, preferred stock, debt obligations, and other securities of one or more affiliates or subsidiaries, amounts that do not exceed the lesser of ten percent (10%) of the insurer's admitted assets or fifty percent (50%) of the insurer's policyholders' surplus, provided that after those investments, the insurer's policyholders' surplus will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs. In calculating the amount of the investments, investments in domestic or foreign insurance affiliates or subsidiaries and health maintenance organizations shall be excluded, and there shall be included: (i) total net monies or other consideration expended and obligations assumed in the acquisition or formation of an affiliate or subsidiary, including all organizational expenses and contributions to capital and surplus of the affiliate or subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and (ii) all amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities, and all contributions to the capital or surplus, of an affiliate or subsidiary subsequent to its acquisition or formation;
 - (2) Invest any amount in common stock, preferred stock, debt obligations and other securities of one or more subsidiaries engaged or organized to engage exclusively in the ownership and management of assets authorized as investments for the insurer; provided that such subsidiary agrees to limit its investments in any asset so that such investments will not cause the amount of the total investment of the insurer to exceed any of the investment limitations specified in subdivision (b)(1) of this section or in Article 7 of this Chapter applicable to the insurer. For the purposes of this section, "the total investment of the insurer" includes: (i) any direct investment by the insurer in an asset; and (ii) the insurer's proportionate share of any investment in an asset by any subsidiary of the insurer, which shall be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of such subsidiary.
 - (3) With the approval of the Commissioner, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one or more affiliates or subsidiaries; provided that after such investment the insurer's policyholders' surplus will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
- (c) Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries made pursuant to subsection (b) of this section are not subject to any of the otherwise applicable restrictions or prohibitions contained in this Chapter

applicable to such investments of insurers except the medium to lower quality obligation limitations under G.S. 58-7-170(d).

(d) Whether any investment pursuant to subsection (b) of this section meets the applicable requirements of that subsection is to be determined, before such investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the day they were made, net of any return of capital invested, not including dividends.

(e) If an insurer ceases to control a subsidiary, it shall dispose of any investment therein made pursuant to this section within three years from the time of the cessation of control or within such further time as the Commissioner may prescribe, (i) unless after cessation of control such investment meets the requirements for investment under any other provision of Articles 1 through 64 of this Chapter, or (ii) unless the Commissioner authorizes the insurer to continue the investment. (1989, c. 722, s. 1; 1993, c. 504, s. 11; 2001-223, ss. 16.2, 16.3, 16.4; 2019-179, s. 1; 2022-46, ss. 2(b), 14(u).)

§ 58-19-15. Acquisition of control of or merger with domestic insurer.

(a) No person other than the issuer shall make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities, or seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer, if, after the consummation thereof, the person would, directly or indirectly (or by conversion or by exercise of any right to acquire), be in control of the insurer, and no person shall enter into an agreement to merge with or otherwise to acquire control of a domestic insurer or any person controlling a domestic insurer unless the offer, request, invitation, agreement entered into, or acquisition is conditioned upon the approval of the Commissioner, and furnished on a Form A as prescribed by the Commissioner under this section. No such merger or other acquisition of control is effective until a statement containing the information required by this section has been filed with the Commissioner and all other provisions of this section have been complied with and the merger or acquisition of control has been approved by the Commissioner under this section. The statement containing the information required by this section shall also be filed with the domestic insurer when it is filed with the Commissioner.

(a1) For the purposes of this section a "domestic insurer" includes any person controlling a domestic insurer, unless the person, as determined by the Commissioner, is either directly or through its affiliates primarily engaged in business other than insurance. Further, for the purposes of this section, "person" does not include any securities broker holding, in the usual and customary broker's function, less than twenty percent (20%) of the voting securities of an insurance company or of any person that controls an insurance company.

(a2) Any acquisition of control of a domestic insurer must be completed not later than 90 days after the date of the Commissioner's order approving the acquisition under this section, unless the Commissioner grants an extension in writing on a showing of good

cause for the delay. Any increase in a company's capital and surplus required under this Article as a result of the change of control of a domestic insurer must be completed not later than 90 days after the date of the Commissioner's order approving the change of control and before the company writes any new insurance business.

(a3) If the deadlines for completion in subsection (a2) of this section are not met, the person seeking to acquire control of the domestic insurer must resubmit the statement required by subsection (b) of this section, and the Commissioner may reconsider approval of acquisition of control under this section.

(a4) For purposes of this section, any controlling person of the domestic insurer seeking to divest its controlling interest in the domestic insurer, in any manner, shall file with the Commissioner, with a copy to the insurer, confidential notice of its proposed divestiture at least 30 days prior to the cessation of control. The Commissioner shall determine those instances in which the party or parties seeking to divest or to acquire a controlling interest in an insurer, will be required to file for and obtain approval of the transaction. The information shall remain confidential until the conclusion of the transaction unless the Commissioner, in his discretion determines that confidential treatment will interfere with enforcement of this section. If the statement referred to in subsection (a) of this section is otherwise filed, this subsection shall not apply.

(a5) With respect to a transaction subject to this section, the acquiring person must also file a pre-acquisition notification with the Commissioner on a Form E as prescribed by the Commissioner. In addition to the information required by the Form E, the Commissioner may require an expert opinion as to the competitive impact of the proposed acquisition at the acquiring person's expense. A failure to file the pre-acquisition notification may subject the insurer or other person who fails to make the filing and who also fails to demonstrate a good-faith effort to comply with this requirement to a fine of not more than fifty thousand dollars (\$50,000).

(b) The statement to be filed with the Commissioner under subsection (a) of this section shall be furnished on a Form A as prescribed by the Commissioner, made under oath or affirmation, and shall contain the following information:

- (1) The name and address of each person by whom or on whose behalf the merger or other acquisition of control referred to in subsection (a) of this section is to be effected (hereinafter called "acquiring party"), and: (i) if such person is an individual, his principal occupation and all offices and positions held during the past five years, and any conviction of crimes other than minor traffic violations during the past 10 years; (ii) if such person is not an individual, a report of the nature of its business operations during the past five years or for such lesser period as such person and any predecessors thereof shall have been in existence; an informative description of the business intended to be done by such person and such person's subsidiaries; and a list of all individuals who are or who have been selected to become directors or executive officers of such person, or who perform or will perform functions appropriate to such positions. Such list shall include for each such individual the information required by sub-subdivision (1)(i) of this subsection.

- (2) The source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control; a description of any transaction wherein funds were or are to be obtained for any such purpose, including any pledge of the insurer's stock, or the stock of any of its subsidiaries or controlling affiliates; and the identity of persons furnishing such consideration; provided, however, that where a source of such consideration is a loan made in the lender's ordinary course of business, the identity of the lender shall remain confidential, if the person filing such statement so requests.
- (3) Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding five fiscal years of each such acquiring party, or for such lesser period as such acquiring party and any predecessors thereof have been in existence; and similar unaudited information as of a date not earlier than 90 days prior to the filing of the statement.
- (4) Any plans or proposals that each acquiring party may have to liquidate such insurer, to sell its assets or merge or consolidate it with any person, or to make any other material change in its business or corporate structure or management.
- (5) The number of shares of any security referred to in subsection (a) of this section that each acquiring party proposes to acquire; the terms of the offer, request, invitation, agreement, or acquisition referred to in subsection (a) of this section; and a statement as to the method by which the fairness of the proposal was arrived at.
- (6) The amount of each class of any security referred to in subsection (a) of this section that is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring party.
- (7) A full description of any contracts, arrangements, or understandings with respect to any security referred to in subsection (a) of this section in which any acquiring party is involved, including transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. Such description shall identify the persons with whom such contracts, arrangements, or understandings have been entered into.
- (8) A description of the purchase of any security referred to in subsection (a) of this section during the 12 calendar months preceding the filing of the statement, by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid therefor.
- (9) A description of any recommendations to purchase any security referred to in subsection (a) of this section made during the 12 calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of such acquiring party.
- (10) Copies of all tender offers for, requests, or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subsection (a) of this section, and any related additional soliciting material that has been distributed.
- (11) The term of any agreement, contract, or understanding made with or proposed to be made with any third party in connection with any acquisition of control of

or merger with a domestic insurer, and the amount of any fees, commissions, or other compensation to be paid to the third party with regard thereto.

- (11a) An agreement by the person required to file the statement referred to in subsection (a) of this section that it will provide the annual report, specified in G.S. 58-19-25, for so long as control exists.
- (11b) An acknowledgement by the person required to file the statement referred to in subsection (a) of this section that the person and all subsidiaries within its control in the insurance holding company system will provide information to the Commissioner upon request as necessary to evaluate enterprise risk to the insurer.
- (12) Such additional information as the Commissioner may by rule prescribe as necessary or appropriate for the protection of policyholders of the insurer or in the public interest.

If the person required to file the statement referred to in subsection (a) of this section is a partnership, limited partnership, syndicate, or other group, the Commissioner shall require that the information called for by subdivisions (1) through (12) of this subsection be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group, and each person who controls such partner or member. If any such partner, member, or person is a corporation or the person required to file the statement referred to in subsection (a) of this section is a corporation, the Commissioner shall require that the information called for by subdivisions (1) through (12) of this subsection be given with respect to such corporation, each officer and director of such corporation, and each person who is, directly or indirectly, the beneficial owner of more than ten percent (10%) of the outstanding voting securities of such corporation.

If any material change occurs in the facts set forth in the statement filed with the Commissioner and sent to such insurer pursuant to this section, an amendment setting forth such change, together with copies of all documents and other material relevant to such change, shall be filed with the Commissioner and sent to such insurer by the filer within two business days after the person learns of such change.

(c) If any offer, request, invitation, agreement, or acquisition referred to in subsection (a) of this section is proposed to be made by means of a registration statement under the Federal Securities Act of 1933, in circumstances requiring the disclosure of similar information under the Federal Securities Exchange Act of 1934, or under any State law requiring similar registration or disclosure, the person required to file the statement referred to in subsection (a) may utilize such documents in furnishing the information called for by that statement.

(d) The Commissioner shall approve any merger or other acquisition of control referred to in subsection (a) of this section unless, after a public hearing thereon, he finds any of the following:

- (1) After the change of control, the domestic insurer referred to in subsection (a) of this section would not be able to satisfy the requirements for the issuance of a license to write the kind or kinds of insurance for which it is presently licensed.
- (2) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance or tend to create a monopoly in this State.

- (3) The financial condition of any acquiring party might jeopardize the financial stability of the insurer or prejudice the interest of its policyholders.
- (4) Any plans or proposals that the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest.
- (5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interests of policyholders of the insurer and of the public to permit the merger or other acquisition of control.
- (6) The acquisition is likely to be hazardous or prejudicial to the insurance-buying public.

(e) The public hearing referred to in subsection (d) of this section shall be held within 120 days after the statement required by subsection (a) of this section is filed, and the Commissioner shall give at least 30 days notice of the hearing to the person filing the statement, to the insurer, and to such other persons as may be designated by the Commissioner. The Commissioner shall make a determination as expeditiously as is reasonably practicable after the conclusion of the hearing. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interest may be affected by the hearing shall have the right to present evidence, examine and cross-examine witnesses, and offer oral or written arguments; and in connection therewith shall be entitled to conduct discovery proceedings at any time after the statement is filed with the Commissioner under this section and in the same manner as is presently allowed in the superior courts of this State. In connection with discovery proceedings authorized by this section, the Commissioner may issue such protective orders and other orders governing the timing and scheduling of discovery proceedings as might otherwise have been issued by a superior court of this State in connection with a civil proceeding. If any party fails to make reasonable and adequate response to discovery on a timely basis or fails to comply with any order of the Commissioner with respect to discovery, the Commissioner on the Commissioner's own motion or on motion of any other party or person may order that the hearing be postponed, recessed, convened, or reconvened, as the case may be, following proper completion of discovery and reasonable notice to the person filing the statement, to the insurer, and to such other persons as may be designated by the Commissioner.

If the proposed acquisition of control will require the approval of the insurance commissioners of more than one state, the public hearing referred to in this subsection may be held on a consolidated basis upon request of the person filing the statement referred to in subsection (a) of this section. Such person shall file the statement referred to in subsection (a) of this section with the NAIC within five days of making the request for a public hearing. A commissioner may opt out of a consolidated hearing and shall provide notice to the applicant of the opt out within 10 days of the receipt of the statement referred to in subsection (a) of this section. A hearing conducted on a consolidated basis shall be public and shall be held within the United States before the commissioners of the states in which

the insurers are domiciled. Such commissioners shall hear and receive evidence. A commissioner may attend such hearing, in person or by telecommunication.

(f) The Commissioner may retain, at the acquiring person's expense, any attorneys, actuaries, economists, accountants, or other experts not otherwise a part of the Commissioner's staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed acquisition of control.

(g) The expenses of mailing any notices and other materials required by this section shall be borne by the person making the filing. As security for the payment of such expenses, such person shall file with the Commissioner an acceptable bond or other deposit in an amount to be determined by the Commissioner.

(h) The provisions of this section do not apply to any offer, request, invitation, agreement, or acquisition that the Commissioner by order exempts therefrom as (i) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or (ii) as otherwise not comprehended within the purposes of this section. Any acquisition of stock of a former domestic mutual insurer by a parent company that occurs in connection with the conversion of a mutual insurer to a stock insurer under G.S. 58-10-10 is not subject to this section, provided that no person acquires control of the parent company.

(i) Each of the following are violations of this section:

- (1) The failure to file any statement, amendment, or other material required to be filed pursuant to subsection (a) or (b) of this section.
- (2) The effectuation or any attempt to effectuate an acquisition of control of, divestiture of, or merger with a domestic insurer, unless the Commissioner has given his approval of the acquisition, divestiture, or merger.

(j) The courts of this State are vested with jurisdiction over every person not resident, domiciled, or authorized to do business in this State who files a statement with the Commissioner under this section; and the overall actions involving such person arising out of violations of this section and each such person is deemed to have performed acts equivalent to and constituting an appointment by such person of the Commissioner to be his true and lawful attorney upon whom may be served all legal process in any action, suit, or proceeding arising out of violations of this section. Copies of all such process shall be handled in accordance with the provisions of G.S. 58-16-30, 58-16-35, and 58-16-45. (1989, c. 722, s. 1; 1991, c. 681, ss. 31, 32; c. 720, s. 17; 1993, c. 452, ss. 26-29; c. 504, s. 12; c. 553, s. 16; 1995, c. 517, ss. 11, 12; 2001-223, s. 16.5; 2015-146, s. 1.3(a), (b); 2015-281, s. 13.)

§ 58-19-17. Foreign or alien insurer's report of change of control.

(a) As used in this section, "controlling capital stock" means enough of an insurer's shares of the issued and outstanding stock, as defined in G.S. 58-19-5(2), to give its owner the power to exercise a controlling influence over the management or policies of the insurer.

(b) If there is a change in the controlling capital stock or a change of twenty-five percent (25%) or more of the assets of a foreign or alien insurer, the insurer shall report the

change in writing to the Commissioner within 30 days after the effective date of the change. The report shall be in a form prescribed by the Commissioner and shall contain the name and address of the new owners of the controlling stock or assets, the nature and value of the new assets, and other relevant information that the Commissioner requires. (1991, c. 681, s. 38.)

§ 58-19-20: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-19-25. Registration of insurers.

(a) Every insurer that is authorized to do business in this State and that is a member of an insurance holding company system shall register with the Commissioner pursuant to G.S. 58-19-25(b), except a foreign insurer subject to the registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to those contained in:

- (1) This section.
- (2) G.S. 58-19-30(a), G.S. 58-19-30(c), and G.S. 58-19-30(d).
- (3) G.S. 58-19-30(b) or a statutory or regulatory provision such as the following: Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions within 15 days after the end of the month in which it learns of each change or addition. The insurer shall also file a copy of its registration statement and any amendments to the statement in each state in which that insurer is authorized to do business, if requested by the insurance regulator of that state.

Any insurer that is subject to registration under this section shall register within 30 days after it becomes subject to registration, and an amendment to the registration statement shall be filed by April 1 of each year for the previous calendar year; unless the Commissioner for good cause shown extends the time for registration or filing, and then within the extended time. All registration statements shall contain a summary, on a Form C as prescribed by the Commissioner, outlining all items in the current registration statement representing changes from the prior registration statement. The Commissioner may require any insurer that is an insurance member of a holding company system that is not subject to registration under this section to furnish a copy of the registration statement or other information filed by the insurance company with the insurance regulator of its domiciliary jurisdiction.

(b) Every insurer subject to registration shall file the registration statement on a Form B prescribed by the Commissioner, which shall contain the following current information:

- (1) The bylaws, capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer.
- (2) The identity and relationship of every member of the insurance holding company system.
- (3) The following agreements in force, and transactions currently outstanding or that have occurred during the last calendar year between such insurer and its affiliates:

- a. Loans, other investments, or purchases, sales or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates.
 - b. Purchases, sales, or exchange of assets.
 - c. Transactions not in the ordinary course of business.
 - d. Guarantees or undertakings for the benefit of an affiliate that result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business.
 - e. All management agreements, service contracts, and cost-sharing arrangements.
 - f. Reinsurance agreements.
 - g. Dividends and other distributions to shareholders.
 - h. Consolidated tax allocation agreements.
- (4) Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system.
 - (5) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the Commissioner.
 - (6) If requested by the Commissioner, the insurer shall include financial statements of or within an insurance holding company system, including all affiliates. Financial statements may include, but are not limited to, annual audited financial statements filed with the United States Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended. An insurer required to file financial statements pursuant to this subdivision may satisfy the request by providing the Commissioner with the most recently filed parent corporation financial statements that have been filed with the United States Securities and Exchange Commission.
 - (7) Statements that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures.
 - (8) Any other information required by the Commissioner by rule or regulation.

(c) No information need be disclosed on the registration statement filed pursuant to subsection (b) of this section if such information is not material for the purposes of this section. Unless the Commissioner by rule or order provides otherwise, all sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent (1//s2%) or less of an insurer's admitted assets as of the preceding December 31 are not material for the purposes of this section.

(d) Subject to G.S. 58-7-130(b) and G.S. 58-19-30(c), each domestic insurer shall report to the Commissioner all dividends and other distributions to shareholders within five business days following the declaration thereof and at least 30 days before the payment of the dividend or distribution by providing the information set forth in G.S. 58-19-30(e). A prior notification of an ordinary dividend or any other ordinary distribution required under

this subsection shall be deemed to be incomplete unless all of the information required by G.S. 58-19-30(e) has been included. The Commissioner shall consider the factors set forth in G.S. 58-19-30(d) in his review of dividends or other distributions to shareholders pursuant to this subsection. The Commissioner may adopt rules to further the requirements of this section.

(e) Any person within an insurance holding company system subject to registration shall provide complete and accurate information to an insurer, where such information is reasonably necessary to enable the insurer to comply with the provisions of this Article.

(f) The Commissioner shall terminate the registration of any insurer that demonstrates that it no longer is a member of an insurance holding company system. A termination of registration shall include the information set forth in subdivision (j)(1) of this section and shall be deemed to have been granted unless the Commissioner, within 30 days after receipt of the request, notifies the registrant otherwise.

(g) The Commissioner may require or allow two or more affiliated insurers subject to registration under this section to file a consolidated or alternative registration statement as provided in subsection (h) of this section. The Commissioner, however, reserves the right to require individual filings if he deems such filings necessary in the interest of clarity, ease of administration, or the public good.

(h) Any authorized insurer may file a registration statement on behalf of any affiliated insurer or insurers that are required to register under subsection (a) of this section. A registration statement may include information not required by Article 19 of this Chapter regarding any insurer in the insurance holding company system even if the insurer is not authorized to do business in this State. In lieu of filing a registration statement on a Form B, the authorized insurer may file a copy of the registration statement or similar report that it is required to file in its state of domicile, provided all of the following apply:

- (1) The statement or report contains substantially similar information required to be furnished on Form B.
- (2) The filing insurer is the principal insurance company in the insurance holding company system.

The question of whether the filing insurer is the principal insurance company in the insurance holding company system is a question of fact, and an insurer filing a registration statement or report in lieu of Form B on behalf of an affiliated insurer shall set forth a brief statement of facts which will substantiate the filing insurer's claim that it, in fact, is the principal insurer in the insurance holding company system.

(i) The provisions of this section do not apply to any insurer, information, or transaction if and to the extent that the Commissioner by rule or order exempts the same from the provisions of this section.

(j) Any person may file with the Commissioner a disclaimer of affiliation, which includes the information outlined in G.S. 58-19-25(j)(2), with any authorized insurer, or such a disclaimer of affiliation may be filed by such insurer or any member of an insurance holding company system as set forth in this subsection:

- (1) A disclaimer of affiliation shall be deemed to have been granted unless the Commissioner, within 30 days following the receipt of a complete disclaimer of

affiliation, notifies the filing party that the disclaimer of affiliation is disallowed. In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party shall be relieved of its duty to register under this section if approval of the disclaimer of affiliation has been granted by the Commissioner, or if the disclaimer of affiliation is deemed to have been approved.

- (2) A disclaimer of affiliation pursuant to this subsection or a request for termination of registration pursuant to G.S. 58-19-25(f) claiming that a person does not, or will not upon the taking of some proposed action, control another person (hereinafter "subject") shall contain the following information:
- a. The number of authorized, issued, and outstanding voting securities of the subject.
 - b. With respect to the person whose control is denied and all affiliates of such person, the number and percentage of shares of the subject's voting securities, which are held of record or known to be beneficially owned, and the number of shares concerning which there is a right to acquire, directly or indirectly.
 - c. All material relationships and bases for affiliation between the subject and the person whose control is denied and all affiliates of such person.
 - d. A statement explaining why the person should not be considered to control the subject.

(k) The failure to file a registration statement or any summary of the registration statement or enterprise risk filing thereto required by this section within the time specified for such filing is a violation of this section.

(l) Effective January 1, 2016, the ultimate controlling person of every insurer subject to registration shall also file an annual enterprise risk report on Form F as prescribed by the Commissioner. The report shall, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that could pose enterprise risk to the insurer. The report shall be filed with the lead state commissioner of the insurance holding company system as determined by the procedures within the Financial Analysis Handbook adopted by the NAIC. (1989, c. 722, s. 1; 1991, c. 681, ss. 33, 34; 1993, c. 452, ss. 30-32; c. 504, s. 13; 1993 (Reg. Sess., 1994), c. 678, s. 14; 1995, c. 193, s. 26; 2001-223, s. 16.6; 2006-105, s. 3.2; 2015-146, s. 1.4; 2015-281, s. 13.)

§ 58-19-30. Standards and management of an insurer within an insurance holding company system.

(a) Transactions within an insurance holding company system to which an insurer subject to registration is a party are subject to all of the following standards:

- (1) The terms shall be fair and reasonable.
- (2) Charges or fees for services performed shall be reasonable.
- (3) Expenses incurred and payment received shall be allocated to the insurer in conformity with customary insurance accounting practices consistently applied.
- (4) The books, accounts, and records of each party to all such transactions shall be so maintained as to clearly and accurately disclose the nature and details of the

transactions, including such accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties.

- (5) The insurer's surplus as regards policyholders following any dividends or distributions to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
- (6) Agreements for cost-sharing services and management services shall include such provisions as required by this Article or rule and regulation issued by the Commissioner.

(b) The following transactions involving a domestic insurer and any person in its holding company system, including amendments or modifications of affiliated agreements that were previously filed pursuant to this section and that are subject to any materiality standards contained in subdivision (1) through (7) of this section [subdivisions (1) through (6) of this subsection], may not be entered into unless the insurer has notified the Commissioner in writing of its intention to enter into the transaction at least 30 days before the transaction, or such shorter period as the Commissioner permits, and the Commissioner has not disapproved it within that period. The notice for amendments or modifications shall include the reason for the change and the financial impact on the domestic insurer. Informal notice shall be given to the Commissioner, within 30 days after termination of a previously filed agreement, so that the Commissioner may determine the type of filing required, if any. An insurer required to give notice of a proposed transaction pursuant to this subsection shall furnish the required information on a Form D, as prescribed by the Commissioner:

- (1) Sales, purchases, exchanges, loans or extensions of credit, or investments, provided the transactions equal or exceed: (i) with respect to nonlife insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders; (ii) with respect to life insurers, three percent (3%) of the insurer's admitted assets; each as of the preceding December 31.
- (2) Loans or extensions of credit to any person who is not affiliated, where the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making the loans or extensions of credit provided the transactions equal or exceed: (i) with respect to nonlife insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders; (ii) with respect to life insurers, three percent (3%) of the insurer's admitted assets; each as of the preceding December 31.
- (3) Reinsurance agreements or modifications to the agreements, including the following:
 - a. Reinsurance pooling agreements.
 - b. Agreements in which either (i) the reinsurance premium or a change in the insurer's liabilities or (ii) the projected reinsurance premium or a change in the insurer's liabilities in any of the next three years equals or exceeds five percent (5%) of the insurer's surplus as regards policyholders, as of the preceding December 31.

- c. Agreements that may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one or more affiliates of the insurer.
- (4) All management agreements, service contracts, tax allocation agreements, or cost-sharing arrangements. Management agreements, service contracts, and cost-sharing arrangements shall at a minimum and as applicable:
- a. Identify the person providing services and the nature of such services.
 - b. Set forth the methods to allocate costs.
 - c. Require timely settlement, not less frequently than on a quarterly basis, and compliance with the requirements in the NAIC Accounting Practices and Procedures Manual.
 - d. Prohibit advancement of funds by the insurer to the affiliate except to pay for services defined in the agreement.
 - e. State that the insurer will maintain oversight for functions provided to the insurer by the affiliate and that the insurer will monitor services annually for quality assurance.
 - f. Define books and records of the insurer to include all books and records developed or maintained under or related to the agreement.
 - g. Specify that all books and records of the insurer are and remain the property of the insurer and are subject to the control of the insurer.
 - h. State that all funds and invested assets of the insurer are the exclusive property of the insurer, held for the benefit of the insurer and are subject to the control of the insurer.
 - i. Include standards for termination of the agreement with and without cause.
 - j. Include provisions for indemnification of the insurer in the event of gross negligence or willful misconduct on the part of the affiliate providing the services.
 - k. Specify that, if the insurer is placed in receivership or seized by the Commissioner under Article 30 of this Chapter:
 - 1. All of the rights of the insurer under the agreement extend to the receiver or Commissioner.
 - 2. All books and records will immediately be made available to the receiver or the Commissioner and shall be turned over to the receiver or Commissioner immediately upon the receiver's or the Commissioner's request.
 - l. Specify that the affiliate has no automatic right to terminate the agreement if the insurer is placed in receivership pursuant to Article 30 of this Chapter.
 - m. Specify that the affiliate will continue to maintain any systems, programs, or other infrastructure notwithstanding a seizure by the Commissioner under Article 30 of this Chapter, and will make them available to the receiver, for so long as the affiliate continues to receive timely payment for services rendered.

- (5) Guarantees when made by a domestic insurer; provided, however, that a guarantee which is quantifiable as to amount is not subject to the notice requirements of this subdivision unless it exceeds the lesser of one-half percent (0.5%) of the insurer's admitted assets or ten percent (10%) of surplus as regards policyholders as of the preceding December 31. Further, all guarantees which are not quantifiable as to amount are subject to the notice requirements of this subdivision.
- (6) Any material transactions, specified by rule, that the Commissioner determines may adversely affect the interests of the insurer's policyholders.

Nothing in this section authorizes or permits any transactions that, in the case of an insurer, not a member of the same insurance holding company system, would be otherwise contrary to law. A domestic insurer may not enter into transactions that are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would otherwise occur. If the Commissioner determines that such separate transactions were entered into over any 12-month period for that purpose, the Commissioner may exercise the Commissioner's authority under G.S. 58-19-50. The Commissioner, in reviewing transactions pursuant to this subsection, shall consider whether the transactions comply with the standards set forth in subsection (a) of this section and whether they may adversely affect the interests of policyholders. The Commissioner shall be notified within 30 days after any investment of a domestic insurer in any one corporation if, as a result of the investment, the total investment in the corporation by the insurance holding company system exceeds ten percent (10%) of the corporation's voting securities.

(c) No domestic insurer shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until (i) 30 days after the Commissioner has received notice of the declaration thereof and has not within that period disapproved the payment or (ii) the Commissioner has approved the payment within the 30-day period.

For the purposes of this section, an "extraordinary dividend" or "extraordinary distribution" includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of (i) ten percent (10%) of the insurer's surplus as regards policyholders as of the preceding December 31, or (ii) the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending the preceding December 31; but does not include pro rata distributions of any class of the insurer's own securities.

Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional upon the Commissioner's approval, and the declaration shall confer no rights upon shareholders until (i) the Commissioner has approved the payment of the dividend or distribution or (ii) the Commissioner has not disapproved the payment within the 30-day period referred to above.

(d) For the purposes of this Article, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and

adequate to its financial needs, the factors set forth in subdivisions (1) through (11) of this subsection, among others, shall be considered. In determining the adequacy of an insurer's surplus, no single factor is controlling. The Commissioner will consider the net effect of all of the factors in subdivisions (1) through (11) of this subsection, plus other factors bearing on the financial condition of the insurer. [The factors are:]

- (1) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria.
- (2) The extent to which the insurer's business is diversified among the several kinds of insurance.
- (3) The number and size of risks insured in each kind of insurance.
- (4) The extent of the geographic dispersion of the insurer's insured risks.
- (5) The nature and extent of the insurer's reinsurance program.
- (6) The quality, diversification, and liquidity of the insurer's investment portfolio. In determining the quality and liquidity of investments in subsidiaries, the Commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.
- (7) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders.
- (8) The surplus as regards policyholders maintained by other comparable insurers. In comparing the surplus maintained by other insurers, the Commissioner will consider the extent to which each of these factors varies from company to company.
- (9) The adequacy of the insurer's reserves.
- (10) The quality and liquidity of investments in affiliates. The Commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in his judgment such investment so warrants.
- (11) The quality of the insurer's earnings and the extent to which the reported earnings of the insurer include extraordinary items.

(e) Requests for approval of extraordinary dividends or any other extraordinary distribution to shareholders made pursuant to subsection (c) of this section and prior notice of an ordinary dividend or any other ordinary distribution to shareholders under G.S. 58-19-25(d) shall include the following:

- (1) The amount of the proposed dividend or distribution.
- (2) The date established for payment of the dividend or distribution.
- (3) A statement as to whether the dividend or distribution is to be in cash or other property and, if in property, a description thereof, its cost, and its fair market value together with an explanation of the basis for valuation.
- (4) A statement identifying the dividend or distribution as an ordinary dividend or other ordinary distribution subject to G.S. 58-19-25(d) or as an extraordinary dividend or other extraordinary distribution as defined in subsection (c) of this section.
- (5) A copy of the calculations determining whether the proposed dividend or distribution is an ordinary dividend or other ordinary distribution subject to G.S. 58-19-25(d), or an extraordinary dividend or other extraordinary distribution as

defined in subsection (c) of this section. The work paper shall include the following information:

- a. The amounts, dates, and form of payment of all dividends or distributions (including regular dividends but excluding distributions of the insurer's own securities) paid within the period of 12 consecutive months ending on the date fixed for payment of the proposed dividend for which notification is being given or approval is sought and commencing on the day after the same day of the same month in the last preceding year.
 - b. Surplus as regards policyholders as of the preceding December 31.
 - c. If the insurer is a life insurer, the net gain from operations for the 12-month period ending the preceding December 31.
 - d. If the insurer is not a life insurer, the net income less realized capital gains for the 12-month period ending the preceding December 31.
- (6) A balance sheet and statement of income for the period between the last annual statement filed with the Commissioner and the end of the month preceding the month in which the request for approval or the prior notification of a dividend or distribution is submitted. The insurer shall indicate the amount of all unrealized capital gains included in unassigned funds.
- (7) A brief statement as to the effect of the proposed dividend or distribution upon the insurer's surplus and the reasonableness of surplus in relation to the insurer's outstanding liabilities and the adequacy of surplus relative to the insurer's financial needs.
- (8) A brief statement as to the intended use or uses of the proposed dividend or distribution by the parent, and if applicable, any upstream parent of the insurer.

A request for approval of an extraordinary dividend or any other extraordinary distribution shall be deemed to be incomplete unless all of the information required by this subsection has been included. (1989, c. 722, s. 1; 1991, c. 681, ss. 35, 36; c. 720, s. 18; 1993, c. 452, s. 33; 2001-223, s. 16.7; 2005-215, s. 14; 2006-105, ss. 3.3, 3.4; 2015-146, ss. 1.5(a), 1.5(b); 2015-281, s. 13.)

§ 58-19-35. Examination.

(a) Subject to the limitation contained in this section and in addition to the powers that the Commissioner has under other provisions of Articles 1 through 64 of this Chapter relating to the examination of insurers, the Commissioner also has the power to examine any insurer registered under G.S. 58-19-25, its affiliates, or any acquiring party to ascertain the financial condition of such insurer, its affiliates, or acquiring party, including the enterprise risk to the insurer by the ultimate controlling person, by any entity or combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis.

(b) The Commissioner may retain, at the expense of the registered insurer or acquiring party that is being examined, such attorneys, actuaries, economists, accountants, and other experts not otherwise a part of the Commissioner's staff as are reasonably necessary to assist in the conduct of the examination under subsection (a) of this section.

Any persons so retained shall be under the direction and control of the Commissioner and shall act in a purely advisory capacity.

(c) Repealed by Session Laws 1995, c. 360, s. 2(h).

(d) Repealed by Session Laws 2015-146, s. 1.6, as amended by Session Laws 2015-281, s. 13, effective July 1, 2015.

(e) The Commissioner may order any insurer registered under G.S. 58-19-25 or any acquiring party to produce such records, books, or other information in the possession of the insurer, its affiliates, or acquiring party as reasonably necessary to determine compliance with this Chapter.

(f) To determine compliance with this Chapter, the Commissioner may order any insurer registered under G.S. 58-19-25 to produce information not in the possession of the insurer if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations, or other method. In the event the insurer cannot obtain the information requested by the Commissioner, the insurer shall provide the Commissioner a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of that information. Whenever it appears to the Commissioner that the detailed explanation is without merit, the Commissioner may require, after notice and hearing, the insurer to pay a penalty of one thousand dollars (\$1,000) for each day's delay or may suspend or revoke the insurer's license.

(g) In the event the insurer fails to comply with an order, the Commissioner shall have the power to examine the affiliates to obtain the information. The Commissioner shall also have the power to issue subpoenas, to administer oaths, and to examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the Commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court. Every person shall be obligated to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. He or she shall be entitled to the same fees and mileage, if claimed, as a witness in the courts of the county specified in the subpoena as the site of the examination. Any fees, mileage, and actual expense necessarily incurred in securing the attendance of witnesses, and their testimony, shall be itemized and charged against, and be paid by, the company being examined. (1989, c. 722, s. 1; 1995, c. 193, s. 27; c. 360, s. 2(h); 2015-146, s. 1.6; 2015-281, s. 13.)

§ 58-19-37. Supervisory colleges.

(a) With respect to any insurer registered under G.S. 58-19-25, and in accordance with subsection (c) of this section, the Commissioner shall also have the power to participate in a supervisory college for any domestic insurer that is part of an insurance holding company system with international operations in order to determine compliance by the insurer with this Chapter. The powers of the Commissioner with respect to supervisory colleges include, but are not limited to, the following:

(1) Initiating the establishment of a supervisory college.

- (2) Clarifying the membership and participation of other supervisors in the supervisory college.
- (3) Clarifying the functions of the supervisory college and the role of other regulators, including the establishment of a group-wide supervisor.
- (4) Coordinating the ongoing activities of the supervisory college, including planning meetings, supervisory activities, and processes for information sharing.
- (5) Establishing a crisis management plan.

(b) Each registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the Commissioner's participation in a supervisory college in accordance with subsection (c) of this section, including reasonable travel expenses. For purposes of this section, a supervisory college may be convened as either a temporary or permanent forum for communication and cooperation between the regulators charged with the supervision of the insurer or its affiliates, and the Commissioner may establish a regular assessment to the insurer for the payment of these expenses.

(c) In order to assess the business strategy, financial position, legal and regulatory position, risk exposure, risk management, and governance processes, and as part of the examination of individual insurers in accordance with G.S. 58-19-35, the Commissioner may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal, and international regulatory agencies. The Commissioner may enter into agreements in accordance with G.S. 58-19-40 providing the basis for cooperation between the Commissioner and the other regulatory agencies and the activities of the supervisory college. Nothing in this section shall delegate to the supervisory college the authority of the Commissioner to regulate or supervise the insurer or its affiliates within its jurisdiction. (2015-146, s. 1.7; 2015-281, s. 13.)

§ 58-19-38. Group-wide supervision of internationally active insurance groups.

(a) In cooperation with other state, federal, and international regulatory agencies, the Commissioner will identify a single group-wide supervisor for an internationally active insurance group in accordance with the provisions of this section. The Commissioner is authorized to act as the group-wide supervisor for any internationally active insurance group. However, the Commissioner may otherwise acknowledge another regulatory official as the group-wide supervisor where the internationally active insurance group meets any of the following criteria:

- (1) It does not have substantial insurance operations in the United States.
- (2) It has substantial insurance operations in the United States, but not in this State.
- (3) It has substantial insurance operations in the United States and this State, but the Commissioner has determined pursuant to the factors set forth in subsections (b) and (f) of this section that the other regulatory official is the appropriate group-wide supervisor.

An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the Commissioner make a determination or acknowledgment as to a group-wide supervisor pursuant to this section.

(b) The Commissioner shall consider all of the following factors when determining that the Commissioner is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this State or acknowledges that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group:

- (1) The place of domicile of the insurers within the internationally active insurance group that holds the largest share of the group's written premiums, assets, or liabilities.
- (2) The place of domicile of the top-tiered insurer(s) in the insurance holding company system of the internationally active insurance group.
- (3) The location of the executive offices or largest operational offices of the internationally active insurance group.
- (4) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a regulatory system that the Commissioner determines to have either of the following characteristics:
 - a. The system is substantially similar to the system of regulation provided under the laws of this State.
 - b. The system is otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials.
- (5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the Commissioner with reasonably reciprocal recognition and cooperation.

A regulatory official identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made (i) after consideration of the factors listed in subdivisions (1) through (5) of this subsection, (ii) in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and (iii) in consultation with the internationally active insurance group.

(c) Notwithstanding any other provision of law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the Commissioner shall acknowledge that regulatory official as the group-wide supervisor. However, the Commissioner shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group pursuant to subsection (b) of this section when there is a material change in the internationally active insurance group that results in either of the following:

- (1) The internationally active insurance group's insurers domiciled in this State holding the largest share of the group's premiums, assets, or liabilities.
- (2) This State being the place of domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group.

(d) Pursuant to G.S. 58-19-35, the Commissioner is authorized to collect from any insurer registered pursuant to G.S. 58-19-25 all information necessary to determine whether the Commissioner may act as the group-wide supervisor of an internationally active insurance group or if the Commissioner may acknowledge another regulatory

official to act as the group-wide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the Commissioner, the Commissioner shall notify the insurer registered pursuant to G.S. 58-19-25 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have 30 days to provide the Commissioner with additional information pertinent to the pending determination.

(e) If the Commissioner is the group-wide supervisor for an internationally active insurance group, the Commissioner is authorized to engage in the following group-wide supervision activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure all of the following:
 - a. That the material financial condition and liquidity risks to the members of the internationally active insurance group, that are engaged in the business of insurance, are identified by management.
 - b. That reasonable and effective mitigation measures are in place.
- (2) Request, from any member of an internationally active insurance group subject to the Commissioner's supervision, information necessary and appropriate to assess enterprise risk. This information includes information about the governance, risk assessment and management, capital adequacy, and material intercompany transactions of the members of the internationally active insurance group.
- (3) Coordinate and, in reliance on the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of the internationally active insurance group that are engaged in the business of insurance.
- (4) Communicate with other state, federal, and international regulatory agencies with jurisdiction over members within the internationally active insurance group and share relevant information through supervisory colleges as set forth in G.S. 58-19-37 or otherwise subject to the confidentiality provisions of G.S. 58-19-40.
- (5) Enter into agreements with or obtain documentation from any insurer registered under G.S. 58-19-25, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the Commissioner's role as group-wide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation shall not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this State is doing business in this State or is otherwise subject to jurisdiction in this State.
- (6) Other group-wide supervision activities, consistent with the authorities and purposes enumerated above, as considered necessary by the Commissioner.

(f) If the Commissioner acknowledges that another regulatory official from a jurisdiction that is not accredited by the NAIC is the group-wide supervisor, the

Commissioner is authorized to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor, provided that both of the following conditions are met:

- (1) The Commissioner's cooperation is in compliance with the laws of this State.
- (2) The regulatory official acknowledged as the group-wide supervisor recognizes and cooperates with the Commissioner's activities as a group-wide supervisor for other internationally active insurance groups where applicable.

Where recognition and cooperation are not reasonably reciprocal, the Commissioner is authorized to refuse recognition and cooperation.

(g) The Commissioner may enter into agreements with or obtain documentation from any insurer registered under G.S. 58-19-25, any affiliate of the insurer, and other state, federal, and international regulatory agencies for members of the internationally active insurance group that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

(h) The Commissioner may adopt rules necessary for the administration of this section.

(i) A registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the Commissioner's participation in the administration of this section, including the engagement of attorneys, actuaries, and any other professionals and reasonable travel expenses. (2019-57, s. 1(c).)

§ 58-19-40. Confidential treatment.

(a) Documents, materials, or other information in the possession or control of the Department that are obtained by or disclosed to the Commissioner or any other person in the course of an examination or investigation made pursuant to G.S. 58-19-35, and all information reported or provided to the Department pursuant to subdivisions (11a) and (11b) of G.S. 58-19-15(b), G.S. 58-19-25, G.S. 58-19-30 and G.S. 58-19-38 shall be confidential by law and privileged, shall not be considered a public record under either G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. However, the Commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties. The Commissioner shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer to which it pertains unless the Commissioner, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public will be served by the publication thereof, in which event the Commissioner may publish all or any part of the information in such manner as may be deemed appropriate.

(b) Neither the Commissioner nor any person who received documents, materials, or other information while acting under the authority of the Commissioner or with whom such documents, materials, or other information are shared pursuant to this Article shall be

permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (a) of this section.

(c) In order to assist in the performance of the duties imposed by this Article, the Commissioner:

- (1) May share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to subsection (a) of this section, with other state, federal, and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities, including members of any supervisory college described in G.S. 58-19-37, provided that the recipient agrees in writing to maintain the confidentiality and privileged status of the document, material, or other information and has verified in writing the legal authority to maintain confidentiality.
- (2) Notwithstanding subdivision (1) of this subsection, may only share confidential and privileged documents, material, or information reported pursuant to G.S. 58-19-25 with Commissioners of states having statutes or regulations substantially similar to subsection (a) of this section and who have agreed in writing not to disclose such information.
- (3) May receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information from the NAIC and its affiliates and subsidiaries and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information.
- (4) Shall enter into written agreements with the NAIC governing sharing and use of information provided pursuant to this Article consistent with this subsection that shall:
 - a. Specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC and its affiliates and subsidiaries pursuant to this Article, including procedures and protocols for sharing by the NAIC with other state, federal, or international regulators;
 - b. Specify that ownership of information shared with the NAIC and its affiliates and subsidiaries pursuant to this Article remains with the Commissioner, and the NAIC's use of the information is subject to the direction of the Commissioner;
 - c. Require prompt notice to be given to an insurer whose confidential information in the possession of the NAIC pursuant to this Article is subject to a request or subpoena to the NAIC for disclosure or production; and
 - d. Require the NAIC and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the NAIC and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the

NAIC and its affiliates and subsidiaries pursuant to Article 19 of this Chapter.

(d) The sharing of information by the Commissioner pursuant to this Article shall not constitute a delegation of regulatory authority or rule making, and the Commissioner is solely responsible for the administration, execution, and enforcement of the provisions of Article 19 of this Chapter.

(e) No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (c) of this section.

(f) Documents, materials, or other information in the possession or control of the NAIC pursuant to a requirement of this Article shall be confidential by law and privileged, shall not be considered a public record under G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. (1989, c. 722, s. 1; 2015-146, s. 1.8; 2015-281, s. 13; 2019-57, s. 1(d).)

§ 58-19-45. Injunctions; prohibitions against the voting of securities; sequestration of voting securities.

(a) Whenever it appears to the Commissioner that any person has committed or is about to commit a violation of this Article or of any rule or order of the Commissioner under this Article, the Commissioner may apply to the Superior Court of Wake County for an order enjoining such person from violating or continuing to violate this Article or any such rule or order; and for such other equitable relief as the nature of the case and the interest of the domestic insurer's policyholders or the public may require.

(b) No security that is the subject of any agreement or arrangement regarding acquisition, or that is acquired or to be acquired, in contravention of the provisions of this Article or of any rule or order of the Commissioner under this Article, may be voted at any shareholder's meeting nor may be counted for quorum purposes; and any action of shareholders requiring the affirmative vote of a percentage of shares may be taken as though such securities were not issued and outstanding. No action taken at any such meeting shall be invalidated by the voting of such securities, unless the action would materially affect control of the insurer or unless the courts of this State have so ordered. If an insurer or the Commissioner has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this Article or of any rule or order issued by the Commissioner under this Article, the insurer or the Commissioner may apply to the Superior Court of Wake County to enjoin any offer, request, invitation, agreement, or acquisition made in contravention of G.S. 58-19-15 or any rule or order of the Commissioner under that section to enjoin the voting of any security so acquired, to void any vote of such security already cast at any meeting of shareholders, and for such other equitable relief as the nature of the case and the interest of the insurer's policyholders or the public may require.

(c) In any case where a person has acquired or is proposing to acquire any voting securities in violation of this Article or any rule or order of the Commissioner under this Article, the Superior Court of Wake County may, on such notice as the court considers appropriate and upon the application of the insurer or the Commissioner, seize or sequester any voting securities of the insurer owned directly or indirectly by the person, and issue an order with respect thereto as may be appropriate to effectuate the provisions of this Article. Notwithstanding any other provision of law, for the purposes of this Article the sites of the ownership of the securities of domestic insurers are in this State. (1989, c. 722, s. 1; 1991, c. 681, s. 37; 1993, c. 452, s. 34.)

§ 58-19-50. Sanctions.

(a) Any person failing, without just cause, to file any registration statement as required in this Article shall pay, after notice and hearing, a civil penalty of one hundred dollars (\$100.00) for each day's delay, not to exceed a total penalty of one thousand dollars (\$1,000), to the Commissioner. (c) Whenever it appears to the Commissioner that any insurer subject to this Article or any director, officer, employee, or agent thereof has engaged in any transaction or entered into a contract that is subject to G.S. 58-19-30 and that would not have been approved had such approval been requested, the Commissioner may order the insurer to immediately cease and desist from any further activity under that transaction or contract. After notice and hearing the Commissioner may also order the insurer to void any such contracts and restore the status quo if such action is in the best interest of the policyholders, creditors, or the public.

(d) Whenever it appears to the Commissioner that any insurer or any director, officer, employee, or agent thereof has knowingly and willfully committed a violation of this Article, the Commissioner may cause criminal proceedings to be instituted by the Superior Court of Wake County against such insurer or the responsible director, officer, employee, or agent thereof. (f) Whenever it appears to the Commissioner that any person has committed a violation of G.S. 58-19-15, and which prevents the full understanding of the enterprise risk to the insurer by the affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision in accordance with Article 30 of this Chapter. (1989, c. 722, s. 1; 1993, c. 504, s. 14; c. 539, ss. 1271, 1272; 1994, Ex. Sess., c. 24, s. 14(c); 1998-215, s. 84; 2015-146, s. 1.9; 2015-281, s. 13.)

(1989, c. 722, s. 1.)

§ 58-19-60. Recovery.

(b) No such distribution is recoverable if the parent or affiliate shows that when paid such distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that such distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person that was a parent corporation or insurance holding company or a person that otherwise controlled the insurer or affiliate at the time such distributions were paid is liable up to the amount of distributions or payments under subsection (a) of this section such person received. Any person who otherwise controlled the insurer at the time such distributions were declared is liable up to the amount of distributions he would have received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they are jointly and severally liable.

(d) The maximum amount recoverable under this section is the amount needed in excess of all other available assets of the insurer to pay its contractual obligations and to reimburse any guaranty funds.

Any such determination shall be accompanied by specific findings of fact and conclusions of law. (1989, c. 722, s. 1; 2003-212, s. 26(f).)

The statements filed shall contain the numbers and captions of all items, but the text of the items may be omitted, provided the answers are prepared in such a manner as to indicate clearly the scope and coverage of the items. All instructions, whether appearing under the items of the form or elsewhere, are to be omitted. Unless expressly provided otherwise, if any item is inapplicable or the answer to the item is in the negative, an appropriate statement to that effect shall be made.

(b) A complete copy of each statement, including exhibits and all other papers and documents filed as a part of the statement, shall be filed with the Commissioner by mail addressed to the Commissioner and shall be signed in the manner prescribed on the form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of the power of attorney or other authority shall also be filed with the statement.

Excerpts of documents may be filed as exhibits if the documents are extensive. Documents currently on file with the Commissioner which were filed within three years need not be attached as exhibits. References to information contained in exhibits or in documents already on file shall clearly identify the material and shall specifically indicate that such material is to be incorporated by reference in answer to the item. Such materials shall not be incorporated by reference in any case where the incorporation would render the statement incomplete, unclear, or confusing.

(b) Where an item requires a summary or outline of the provisions of any document, only a brief statement shall be made as to the pertinent provisions of the document. In addition to the statement, the summary or outline must incorporate by reference particular parts of any exhibit or document currently on file with the Commissioner which was filed within three years and may be qualified in its entirety by such reference. In any case where two or more documents required to be filed as exhibits are substantially identical in all material respects except as to the parties thereto, the dates of execution, or other details, a copy of only one of the documents need be filed with a schedule identifying the omitted documents and setting forth the material details in which those documents differ from the documents, a copy of which is filed. - (2) Stating why the filing thereof at the time required is impractical.

information, document, or report is required. (2015-146, s. 1.11; 2015-281, s. 13.)

The person filing may also file such exhibits as it may desire in addition to those expressly required by the statement. The exhibits shall be so marked as to indicate clearly the subject matters to which they refer. Changes to Form A, B, C, D, or F shall include on the top of the cover page the phrase: "Change No. [insert number] to" and shall indicate the date of the change and not the date of the original filing. § 58-21-17. Placement with alien insurers.

Nothing in this Article prohibits a surplus lines licensee from placing surplus lines insurance with, or procuring surplus lines insurance from, a nonadmitted insurer domiciled outside the United States that is listed on the Quarterly Listing of Alien Insurers maintained by the International Insurers Department of the NAIC. (2011-120, s. 5.)

§ 58-21-20. Eligible surplus lines insurer required.

(a) A surplus lines licensee shall not place coverage with a nonadmitted insurer unless, at the time of placement, the surplus lines licensee has determined that the nonadmitted insurer satisfies the following:

- (1) Repealed by Session Laws 2011-120, s. 6, effective July 21, 2011.
- (2) Qualifies under one of the following subdivisions:
 - a. Has capital and surplus or its equivalent under the laws of its domiciliary jurisdiction, which equals the greater of either:
 1. This State's minimum capital and surplus requirements under G.S. 58-7-75.
 2. Fifteen million dollars (\$15,000,000).

The requirements of this sub-subdivision may be satisfied by an insurer's possessing less than the minimum capital and surplus upon an affirmative finding of acceptability by the Commissioner. The finding shall be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability, and company record and reputation within the industry. In no event shall the Commissioner make an affirmative finding of acceptability when the nonadmitted insurer's capital and surplus is less than four million five hundred thousand dollars (\$4,500,000).
 - b. In the case of any Lloyd's plans or other similar group of insurers, which consists of unincorporated individual insurers, or a combination of both unincorporated and incorporated insurers, maintains a trust fund in an amount of not less than one hundred million dollars (\$100,000,000) as security to the full amount thereof for all policyholders and creditors in the United States of each member of the group, and the trust shall likewise comply with the terms and conditions established in subdivision (2)a. of this section for alien insurers.
 - c. In the case of an "insurance exchange" created by the laws of individual states, maintain capital and surplus, or the substantial equivalent thereof, of not less than seventy-five million dollars (\$75,000,000) in the aggregate. For insurance exchanges which maintain funds in an amount of not less than fifteen million dollars (\$15,000,000) for the protection of all insurance exchange policyholders, each individual

syndicate shall maintain minimum capital and surplus, or the substantial equivalent thereof, of not less than five million dollars (\$5,000,000). If the insurance exchange does not maintain funds in an amount of not less than fifteen million dollars (\$15,000,000) for the protection of all insurance exchange policyholders, each individual syndicate shall meet the minimum capital and surplus requirements of subdivision (2)a. of this section.

- d. In the case of a group of incorporated insurers under common administration, which has continuously transacted an insurance business outside the United States for at least three years immediately before this time, and which submits to this State's authority to examine its books and records and bears the expense of the examination, and maintains an aggregate policyholders' surplus of not less than ten billion dollars (\$10,000,000,000), and maintains in trust a surplus of not less than one hundred million dollars (\$100,000,000) for the benefit of United States surplus lines policyholders of any member of the group, and each insurer maintains capital and surplus of not less than twenty-five million dollars (\$25,000,000) per company.
- (3) Has caused to be provided to the Commissioner a copy of its current annual statement certified by such insurer; such statement to be provided no more than two months, and for alien insurers six months, after the close of the period reported upon and that is either:
- a. Filed with and approved by the regulatory authority in the domicile of the nonadmitted insurer; or
 - b. Certified by an accounting or auditing firm licensed in the jurisdiction of the insurer's domicile; or
 - c. In the case of an insurance exchange, the statement may be an aggregate combined statement of all underwriting syndicates operating during the period reported.

(a1) A surplus lines licensee shall not place coverage with a nonadmitted domestic surplus lines insurer unless, at the time of placement, the surplus lines licensee has verified that the insurer is a nonadmitted domestic surplus lines insurer as defined in G.S. 58-21-10.

(b) In addition to meeting the requirements in subdivisions (a)(1) through (a)(3) of this section, an insurer shall be an eligible surplus lines insurer if it appears on the most recent list of eligible surplus lines insurers published by the Commissioner. Nothing in this subsection shall require the Commissioner to place or maintain the name of any nonadmitted insurer on the list of eligible surplus lines insurers. There shall be no liability on the part of, and no cause of action of any nature shall arise against, the Commissioner or his employees or representatives for any action taken or not taken by them in the performance of their powers and duties under this subsection.

(c) Every surplus lines insurer that applies for eligibility under this section shall pay a nonrefundable fee of five hundred dollars (\$500.00). In order to renew eligibility, such insurer shall pay a nonrefundable renewal fee of one thousand dollars (\$1,000) on or before January 1 of each year thereafter. Such fees shall not be prorated. (b) A nonadmitted domestic surplus lines insurer shall only write surplus lines insurance in this State procured pursuant to the requirements of this Article. A nonadmitted domestic surplus lines insurer may write surplus lines insurance in any other jurisdiction in which the insurer is eligible to write surplus lines insurance if the nonadmitted domestic surplus lines insurer complies with any requirements of that jurisdiction.

(c) Insurance written by a nonadmitted domestic surplus lines insurer is subject to the premium receipts tax required by G.S. 58-21-85.

§ 58-21-35. Duty to file and retain reports.

The certificate described in subsection (d), cover note, binder, or other evidence of insurance shall be executed by the surplus lines licensee and shall show the description and location of the subject of the insurance, coverages including any material limitations other than those in standard forms, a general description of the coverages of the insurance, the premium and rate charged and taxes to be collected from the insured, and the name and address of the insured and surplus lines insurer or insurers and proportion of the entire risk assumed by each, and the name of the surplus lines licensee and the licensee's license number.

(b) No producing broker or surplus lines licensee shall issue or deliver any evidence of insurance or purport to insure or represent that insurance will be or has been written by any eligible surplus lines insurer, or a nonadmitted insurer pursuant to G.S. 58-21-25, unless he has authority from the insurer to cause the risk to be insured, or has received information from the insurer in the regular course of business that such insurance has been granted.

(c) If, after delivery of any such evidence of insurance there is any change in the identity of the insurers, or the proportion of the risk assumed by any insurer, or any other material change in coverage as stated in the producing broker's or surplus lines licensee's original evidence of insurance, or in any other material as to the insurance coverage so evidenced, the producing broker or surplus lines licensee shall promptly issue and deliver to the insured an appropriate substitute for or endorsement of the original document, accurately showing the current status of the coverage and the insurers responsible thereunder.

(d) As soon as reasonably possible after the placement of any such insurance the producing broker or surplus lines licensee shall deliver a copy of the policy or, if not available, a certificate of insurance to the insured to replace any evidence of insurance previously issued. Each certificate or policy of insurance shall contain or have attached thereto a complete record of all policy insuring agreements, conditions, exclusions, clauses, endorsements, or any other material facts that would regularly be included in the policy.

(e) Any surplus lines licensee or producing broker who fails to comply with the requirements of this section shall be subject to the penalties provided in G.S. 58-21-105.

(f) Every evidence of insurance negotiated, placed, or procured under the provisions of this Article issued by the surplus lines licensee shall bear the name of the licensee and one of the following legends, whichever is applicable, in 12 point type and in contrasting color or in 12 point type and underlined and in bold print:

(1) For nonadmitted insurers: "The insurance company with which this coverage has been placed is not licensed by the State of North Carolina and is not subject to its supervision. In the event of the insolvency of the insurance company, losses under this policy will not be paid by any State insurance guaranty or solvency fund."

(2) For nonadmitted domestic surplus lines insurers: "The insurance company with which this coverage has been placed is domiciled and authorized by the State of North Carolina and is subject to its supervision. However, in the event of the insolvency of the insurance company, losses under this policy will not be paid by any State insurance guaranty or solvency fund." (1985, c. 688, s. 1; 2006-105, s. 2.7; 2018-120, s. 2.1(h).)

§ 58-21-50. Duty to notify insured.

No contract of insurance placed by a surplus lines licensee under this Article shall be binding upon the insured and no premium charged therefor shall be due and payable until the producing broker or surplus lines licensee notifies the insured in writing, a copy of which shall be maintained by the broker or licensee with the records of the contract and available for possible examination, that:

(1) For surplus lines insurers that are not a nonadmitted domestic surplus lines insurer, the insurer with which the coverage has been placed is not licensed by this State and is not subject to its supervision and in the event the insurer who

issued this policy becomes insolvent, losses will not be paid by any State guaranty or solvency fund.

- (2) For nonadmitted domestic surplus lines insurers, in the event of the insolvency of the surplus lines insurer with which the coverage has been placed, losses will not be paid by any State insurance guaranty or solvency fund.

Nothing in this section shall nullify any agreement by any insurer to provide insurance. (1985, c. 688, s. 1; 2018-120, s. 2.1(i).)

§ 58-21-55. Valid surplus lines insurance.

Insurance contracts procured under this Article shall be valid and enforceable as to all parties. (1985, c. 688, s. 1.)

§ 58-21-60. Effect of payment to surplus lines licensee.

A payment of premium to a surplus lines licensee acting for a person other than himself in negotiating, continuing, or reviewing any policy of insurance under this Article shall be deemed to be payment to the insurer, notwithstanding any conditions or stipulations inserted in the policy or contract. (1985, c. 688, s. 1.)

§ 58-21-65. Licensing of surplus lines license.

(a) For insureds whose home state is this State, no insurance producer licensed by the Commissioner shall directly procure any contract of surplus lines insurance with any nonadmitted domestic surplus lines insurer or nonadmitted insurer, unless he possesses a current surplus lines insurance license issued by the Commissioner.

(b) The Commissioner shall issue a surplus lines license to any qualified holder of a current insurance producer license with property and casualty lines of authority, but only when the agent has done all of the following:

- (4) Repealed by Session Laws 2004-199, s. 20(c), effective August 17, 2004.

(c) Corporations shall be eligible to be surplus lines licensees, upon the following conditions:

- (1) The corporate licensee shall list individuals within the corporation who have satisfied all requirements of this Article to become surplus lines licensees; and
- (2) Only those individuals listed on the corporate license and who are surplus lines licensees shall transact surplus lines business.

(d) Each surplus lines license shall be issued on September 1 of each year and expire August 31 of the following year unless renewed. Application for renewal shall be made 30 days before the expiration date. The license shall be renewed upon payment of the annual license fee and compliance with the other applicable provisions of this section. Any person who places surplus lines insurance without a valid surplus lines license in effect shall pay a penalty of one thousand dollars (\$1,000) and be subject to such other penalties as provided by law.

The clear proceeds of civil penalties provided for in this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

§ 58-22-15. Risk retention groups chartered in this State.

(a) General Requirements. – A risk retention group shall, pursuant to the provisions of Part 9 of Article 10 of this Chapter, be chartered and licensed to write only liability insurance pursuant to this Article and, except as provided elsewhere in this Article, must comply with all of the laws and rules applicable to such insurers chartered and licensed in this State and with G.S. 58-22-20 to the extent such requirements are not a limitation on laws, administrative rules, or requirements of this State.

(b) Plan of Operation. – Before it may offer insurance in any state, each risk retention group shall also submit for approval to the Commissioner of this State a plan of operation or feasibility study. The Commissioner may limit the net amount of risk retained by a risk retention group for any individual risk. The risk retention group shall submit an appropriate revision in the event of any subsequent material change in any item of the plan of operation or feasibility study, within 10 days after any such change. The group shall not offer any additional kinds of liability insurance, in this State or in any other state, until a revision of such plan or study is approved by the Commissioner.

(c) Required Information. – At the time of filing its application for a charter, the risk retention group shall provide to the Commissioner in summary form the following information: the identity of the initial members of the group, the identity of those individuals who organized the group or who will provide administrative services or otherwise influence or control the activities of the group, the amount and nature of initial capitalization, the coverages to be afforded, and the states in which the group intends to operate. Upon receipt of this information, the Commissioner shall forward such information to the NAIC. Providing notification to the NAIC is in addition to and shall not be sufficient to satisfy the requirements of G.S. 58-22-20 or any other sections of this Article.

(d) Governance Standards. – Risk retention groups shall comply with the following governance standards:

(1) Board of directors. – The following standards apply to the board of directors of the risk retention group:

a. Definitions. – The following definitions apply in this subdivision:

1. Board of directors or board. – The governing body of the risk retention group elected by the shareholders or members to establish policy, elect or appoint officers and committees, and make other governing decisions.

2. Director. – A natural person designated in the articles of the risk retention group, or designated, elected, or appointed by any other manner, name, or title to act as a director.

b. Independent directors. – The board of directors of the risk retention group shall have a majority of independent directors. If the risk retention group is a reciprocal, then the attorney-in-fact would be required to adhere to the same standards regarding independence of operation and governance as imposed on the risk retention group's board of directors or subscribers advisory committee under these standards; and, to the extent permissible under State law, service providers of a reciprocal risk retention group should contract with the risk retention group and not the attorney-in-fact.

c. Determination of independence. – No director qualifies as independent unless the board of directors affirmatively determines that the director has no material relationship, as partially specified in sub-subdivision d. of this subdivision, with the risk retention group. Each risk retention group shall disclose these determinations to the Commissioner at least annually. For the purpose of this subdivision, any person that is a direct or indirect owner of or subscriber in the risk retention group (or is an officer, director, or employee of such an owner and insured, unless some other position of such officer, director, or employee constitutes a material relationship), as contemplated by Section 3901(a)(4)(E)(ii) of the federal Liability Risk Retention Act, is considered to be "independent."

d. Material relationship. – "Material relationship" of a person with the risk retention group includes, but is not limited to, the following:

1. The receipt in any one 12-month period of compensation or payment of any other item of value by such person, a member of such person's immediate family, or any business with which such person is affiliated from the risk retention group or a consultant or service provider to the risk retention group is greater than or equal to five percent (5%) of the risk retention group's gross written premium for such 12-month period or two percent (2%) of its surplus, whichever is greater, as measured at the end of any fiscal quarter falling in such a 12-month period. Such person or immediate family member of such person is not

independent until one year after his/her compensation from the risk retention group falls below the threshold.

2. A relationship with an auditor as follows: a director or an immediate family member of a director who is affiliated with or employed in a professional capacity by a present or former internal or external auditor of the risk retention group is not independent until one year after the end of the affiliation, employment, or auditing relationship.
 3. A relationship with a related entity as follows: a director or immediate family member of a director who is employed as an executive officer of another company where any of the risk retention group's present executives serve on that other company's board of directors is not independent until one year after the end of such service or the employment relationship.
- (2) Service provider contracts. –
- a. The term of any material service provider contract with the risk retention group shall not exceed five years. Any such contract, or its renewal, shall require the approval of the majority of the risk retention group's independent directors. The risk retention group's board of directors shall have the right to terminate any service provider, audit, or actuarial contracts at any time for cause after providing adequate notice as defined in the contract. The service provider contract is deemed material if the amount to be paid for such contract is more than or equal to the greater of five percent (5%) of the risk retention group's annual gross written premium or two percent (2%) of its surplus.
 - b. For purposes of this standard, "service providers" shall include captive managers, auditors, accountants, actuaries, investment advisors, lawyers, managing general underwriters, or other party responsible for underwriting, determination of rates, collection of premium, adjusting and settling claims, or the preparation of financial statements. Any reference to "lawyers" in the prior sentence of this sub-subdivision does not include defense counsel retained by the risk retention group to defend claims, unless the amount of fees paid to such lawyers are "material" under the standard set forth in this subdivision for a service provider contract.
 - c. No service provider contract shall be entered into with a person meeting the definition of "material relationship" contained in sub-subdivision (1)d. of this subsection unless the risk retention group has notified the Commissioner in writing of its intention to enter into such transaction at least 30 days prior thereto and the Commissioner has not disapproved it within such period.
- (3) Written policy. – The risk retention group's board of directors shall adopt a written policy in the plan of operation as approved by the board that requires the board to do all of the following:
- a. Assure that all owner/insureds of the risk retention group receive evidence of ownership interest.

- b. Develop a set of governance standards applicable to the risk retention group.
 - c. Oversee the evaluation of the risk retention group's management including, but not limited to, the performance of the captive manager, managing general underwriter, or other party or parties responsible for underwriting, determination of rates, collection of premium, adjusting or settling claims, or the preparation of financial statements.
 - d. Review and approve the amount to be paid for all material service providers.
 - e. Review and approve, at least annually, all of the following:
 - 1. Risk retention group's goals and objectives relevant to the compensation of officers and service providers.
 - 2. The officers' and service providers' performance in light of those goals and objectives.
 - 3. The continued engagement of the officers and material service providers.
- (4) Governance standards. – The board of directors shall adopt and disclose governance standards. For purposes of this subdivision, "disclose" means making such information available through electronic or other means, such as posting on the risk retention group's Web site, and providing such information to members or insureds upon request. The standards to be disclosed shall include all of the following:
- a. A process by which the directors are elected by the owner/insureds.
 - b. Director qualification standards.
 - c. Director responsibilities.
 - d. Director access to management and, as necessary and appropriate, independent advisors.
 - e. Director compensation.
 - f. Director orientation and continuing education.
 - g. The policies and procedures that are followed for management succession.
 - h. The policies and procedures that are followed for annual performance evaluation of the board.
- (5) Business conduct and ethics. – The board of directors shall adopt and disclose a code of business conduct and ethics for directors, officers, and employees and promptly disclose to the board of directors any waivers of the code for directors or executive officers. The code of business conduct and ethics shall include the following topics:
- a. Conflicts of interest.
 - b. Matters covered under the corporate opportunities doctrine as that doctrine has been interpreted by the courts of this State.
 - c. Confidentiality.
 - d. Fair dealing.
 - e. Protection and proper use of risk retention group assets.
 - f. Duty of compliance with all applicable laws, rules, and regulations.

- g. A requirement to report any illegal or unethical behavior which affects the operation of the risk retention group.
- (6) Reporting noncompliance. – The captive manager or the president or chief executive officer of the risk retention group shall promptly notify the Commissioner in writing if either becomes aware of any material noncompliance with the governance standards set forth in this subsection. (1985 (Reg. Sess., 1986), c. 1013, s. 8; 1987, c. 310, s. 1; c. 727, s. 13; 1993, c. 452, s. 36; 1995 (Reg. Sess., 1996), c. 747, s. 8; 2013-116, s. 2; 2014-65, s. 22; 2015-146, s. 3.)

(b) The purchasing group shall register with and designate the Commissioner as its agent solely for the purpose of receiving service of legal documents or process, except that such requirement does not apply in the case of a purchasing group:

 - b. Is domiciled on and after October 27, 1986, in any state of the United States;

- (a) A purchasing group may not purchase insurance from a risk retention group that is not chartered in a state nor from an insurer not admitted in the state in which the purchasing group is located, unless the purchase is effected through a licensed producer acting pursuant to the surplus lines laws and regulations of such state.
- (b) A purchasing group that obtains liability insurance from a nonadmitted insurer or from a risk retention group shall provide each member of the purchasing group that has a risk resident or located in this State with the notice specified in G.S. 58-21-45(f) or G.S. 58-22-20(7), whichever is applicable.
- (c) No purchasing group may purchase insurance that provides for a deductible or for a self-insured retention applicable to the group as a whole; provided, however, that coverage may provide for a deductible or for self-insured retention applicable to members of the group. This includes, but is not limited to, the Commissioner's administrative authority to investigate, issue subpoenas, conduct depositions and hearings, issue orders, and seek or impose penalties. With regard to any investigation, administrative proceeding, or litigation, the Commissioner can rely on the procedural law and regulations of the State. The injunctive authority of the Commissioner in regard to risk retention groups is restricted by the requirement that any injunction be issued by a court of competent jurisdiction. (1987, c. 310.)

§ 58-22-55. Penalties.

A risk retention group that violates any provision of this Article is subject to G.S. 58-2-70. (1985 (Reg. Sess., 1986), c. 1013, s. 8; 1987, c. 310.)

Any person acting, or offering to act, as an agent or broker for a risk retention group or purchasing group, that solicits members, sells insurance coverage, purchases coverage for its members located within the State, or otherwise does business in this State shall, before commencing any such activity, obtain an insurance producer license from the Commissioner. (1987, c. 310, s. 1; 2022-46, s. 14(cc).)

§ 58-22-65. Binding effect of orders issued in U.S. District Court.

An order issued by any district court of the United States enjoining a risk retention group from soliciting or selling insurance, or operating, in any state, or in all states or in any territory or possession of the United States, upon a finding that such a group is in a hazardous financial condition, is enforceable in the courts of this State. § 58-23-20. Termination.

A pool or a terminating member must provide at least 90 days' written notice of the termination or cancellation. A workers' compensation pool must notify the Commissioner of the termination or cancellation of a member within 10 days after notice of termination or cancellation is received or issued. (1985 (Reg. Sess., 1986), c. 1027, s. 26.)

§ 58-23-25: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-23-26. Financial monitoring and evaluation of pools.

(a) Each pool shall have an annual audit by an independent certified public accountant, pursuant to Part 7 of Article 10 of this Chapter, at the expense of the pool, and shall make a copy of the audit available to the governing body or chief executive officer of each member of the pool. A copy of the audit shall be filed with the Commissioner within 130 days after the end of the pool's fiscal year, unless that time is extended by the Commissioner. The annual audit shall report the financial position of the pool in conformity with statutory accounting practices prescribed or permitted by the Commissioner.

(b) Each pool shall have an actuarial evaluation of its loss and loss adjustment expense reserves, including reserves for loss and loss adjustment expenses incurred but not reported, performed annually by a qualified actuary. A copy of the evaluation shall be filed with the

Commissioner along with the annual audit submitted pursuant to subsection (a) of this section. A "qualified actuary" shall be as defined or prescribed by the Commissioner.

(c) Each pool is subject to G.S. 58-2-131, 58-2-132, 58-2-133, 58-2-134, 58-2-150, 58-2-155, 58-2-165, 58-2-180, 58-2-185, 58-2-190, 58-2-200, 58-3-71, 58-3-75, 58-3-81, 58-3-105, 58-6-5, 58-7-21, 58-7-26, 58-7-30, 58-7-31, 58-7-50, 58-7-55, 58-7-140, 58-7-160, 58-7-162, 58-7-163, 58-7-165, 58-7-167, 58-7-168, 58-7-170, 58-7-172, 58-7-173, 58-7-175, 58-7-179, 58-7-180, 58-7-183, 58-7-185, 58-7-187, 58-7-188, 58-7-192, 58-7-193, 58-7-197, 58-7-200, Part 7 of Article 10, and Articles 13, 19, and 34 of this Chapter. Annual financial statements required by G.S. 58-2-165 shall be filed by each pool within 60 days after the end of the pool's fiscal year, subject to extension by the Commissioner. (1993, c. 452, s. 39; c. 504, s. 45; 1999-132, s. 11.4; 2001-223, s. 8.10; 2003-212, s. 12; 2009-384, s. 2.)

§ 58-23-30. Insolvency or impairment of pool.

(a) If, as a result of the annual audit or an examination by the Commissioner, it appears that the assets of a pool are insufficient to enable the pool to discharge its legal liabilities and other obligations, the Commissioner must notify the administrator and the board of trustees of the pool of the deficiency and his list of recommendations to abate the deficiency, including a recommendation not to add any new members until the deficiency is abated. If the pool fails to comply with the recommendations within 30 days after the date of the notice, the Commissioner may apply to the Superior Court of Wake County for an order requiring the pool to abate the deficiency and authorizing the Commissioner to appoint one or more special deputy commissioners, counsel, clerks, or assistants to oversee the implementation of the Court's order. The compensation and expenses of such persons shall be fixed by the Commissioner, subject to the approval of the Court, and shall be paid out of the funds or assets of the pool.

(b) If a pool is determined to be insolvent, financially impaired, or is otherwise found to be unable to discharge its legal liabilities and other obligations, each pool contract will provide that the members of the pool shall be assessed on a pro rata basis as calculated by the amount of each member's average annual contribution in order to satisfy the amount of deficiency. Members of a pool may, by contract, agree to limit the assessment to the amount of each member's annual contribution to the pool. Such a contractual agreement shall not impair the authority granted the Commissioner by this section. (1985 (Reg. Sess., 1986), c. 1027, s. 26; 1987, c. 441, ss. 16, 17.)

§ 58-23-35. Immunity of administrators and boards of trustees.

Subordinate lodges shall be required by the laws of the society to hold regular meetings periodically in furtherance of the purposes of the society.

(b) A society may, at its option, organize and operate lodges for children under the minimum age for adult membership. Membership and initiation in local lodges shall not be required of such children, nor shall they have a voice or vote in the management of the society. (1987, c. 483, s. 2.)

Vacancies on the board between elections may be filled in the manner prescribed by the society's laws. Those persons elected to the board shall constitute a majority in number and not less than the number of votes required to amend the society's laws. A person filling the

unexpired term of an elected board member shall be considered to be an elected member. The board shall meet at least quarterly to conduct the business of the society.

(c) Only benefit members are eligible for election to the supreme governing body, the board of directors or any intermediate assembly; and

(d) Each voting member shall have one vote; no vote may be cast by proxy. (1987, c. 483, s. 2; 1989, c. 364, s. 1.)

§ 58-24-15. Terms used.

(1) Providing benefits as specified in G.S. 58-24-75; and

(2) Operating for one or more social, intellectual, educational, charitable, benevolent, moral, fraternal, patriotic or religious purposes for the benefit of its members, which may also be extended to others.

Such purposes may be carried out directly by the society, or indirectly through subsidiary corporations or affiliated organizations.

(b) Every society shall have the power to adopt laws and rules for the government of the society, the admission of its members, and the management of its affairs. It shall have the power to change, alter, add to or amend such laws and rules and shall have such other powers as are necessary and incidental to carrying into effect the objects and purposes of the society. (1987, c. 483, s. 2.)

§ 58-24-25. Qualifications for membership.

(a) A society shall specify in its laws or rules:

- (1) Eligibility standards for each and every class of membership, provided that if benefits are provided on the lives of children, the minimum age for adult membership shall be set at not less than age 15 and not greater than age 21;
- (2) The process for admission to membership for each membership class; and
- (3) The rights and privileges of each membership class, provided that only benefit members shall have the right to vote on the management of the insurance affairs of the society.

(c) Membership rights in the society are personal to the member and are not assignable. (1987, c. 483, s. 2.)

§ 58-24-30. Location of office, meetings, communications to members, grievance procedures.

(a) The principal office of any domestic society shall be located in this State. The meetings of its supreme governing body may be held in any state, district, province or territory wherein such society has at least one subordinate lodge, or in such other location as determined by the supreme governing body, and all business transacted at such meetings shall be as valid in all respects as if such meetings were held in this State. The minutes of the proceedings of the supreme governing body and of the board of directors shall be in the English language.

(b) A society may provide in its laws for an official publication in which any notice, report, or statement required by law to be given to members, including notice of election, may be published. Such required reports, notices and statements shall be printed conspicuously in the publication. If the records of a society show that two or more members have the same mailing address, an official publication mailed to one member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

(c) Not later than June 1 of each year, a synopsis of the society's annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society or, in lieu thereof, such synopsis may be published in the society's official publication.

(d) A society may provide in its laws or rules for grievance or complaint procedures for members. (1987, c. 483, s. 2.)

§ 58-24-35. No personal liability.

(a) The officers and members of the supreme governing body or any subordinate body of a society shall not be personally liable for any benefits provided by a society.

(b) Any person may be indemnified and reimbursed by any society for expenses reasonably incurred by, and liabilities imposed upon, such person in connection with or arising out of any action, suit or proceeding, whether civil, criminal, administrative or investigative, or threat thereof, in which the person may be involved by reason of the fact that he or she is or was a director, officer, employee or agent of the society or of any firm, corporation or organization which he or she served in any capacity at the request of the society. A person shall not be so indemnified or reimbursed (1) in relation to any matter in such action, suit or proceeding as to which he or she shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employee or agent of the society or (2) in relation to any matter in such action, suit or proceeding, or threat thereof, which has been made the subject of a compromise settlement; unless in either such case the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best

interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that his or her conduct was unlawful. The determination whether the conduct of such person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in subpoints (1) or (2) of the preceding sentence may only be made by the supreme governing body or board of directors by a majority vote of a quorum consisting of persons who were not parties to such action, suit or proceeding or by a court of competent jurisdiction. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to such person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which such person may be entitled as a matter of law and shall inure to the benefit of his or her heirs, executors and administrators.

(c) A society shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the society, or who is or was serving at the request of the society as a director, officer, employee or agent of any other firm, corporation, or organization against any liability asserted against such person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the society would have the power to indemnify the person against such liability under this section.

(d) A person serving as an officer or a member of a supreme governing body of a society shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act, except where the person:

- (1) Is compensated for his services beyond reimbursement for expenses,
- (2) Was not acting within the scope of his official duties,
- (3) Was not acting in good faith,
- (4) Committed gross negligence or willful or wanton misconduct that resulted in the damage or injury,
- (5) Derived an improper personal financial benefit from the transaction,
- (6) Incurred the liability from the operation of a motor vehicle, or
- (7) Is sued in an action that would qualify as a derivative action if the organization were a for-profit corporation or as a member's or director's derivative action under G.S. 55A-28.1 or G.S. 55A-28.2 if the organization were a nonprofit corporation.

The immunity in this subsection is personal to the individual officers and members of the supreme governing body and does not immunize the organization for the acts or omissions of those officers or members. (1987, c. 483, s. 2, c. 799, s. 2.)

§ 58-24-40. Waiver.

The laws of the society may provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws of the society. Such provision shall be binding on the society and every member and beneficiary of a member. (1987, c. 483, s. 2.)

§ 58-24-45. Organization.

A domestic society organized on or after January 1, 1988 shall be formed as follows:

- (a) Ten or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society, may make, sign and

acknowledge before some officer competent to take acknowledgement of deeds, articles of incorporation, in which shall be stated:

- (1) The proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;
 - (2) The purposes for which it is being formed and the mode in which its corporate powers are to be exercised. Such purposes shall not include more liberal powers than are granted by this Article;
 - (3) The names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme governing body, which election shall be held not later than one year from the date of issuance of the permanent license.
- (b) Such articles of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within one year shall be filed with the Commissioner, who may require such further information as the Commissioner deems necessary. The bond with sureties approved by the Commissioner shall be in such amount, not less than three hundred thousand dollars (\$300,000) nor more than one million five hundred thousand dollars (\$1,500,000), as required by the Commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the Commissioner shall so certify, retain and file the articles of incorporation and furnish the incorporators a preliminary license authorizing the society to solicit members as hereinafter provided.
- (c) No preliminary license granted under the provisions of this section shall be valid after one year from its date or after such further period, not exceeding one year, as may be authorized by the Commissioner upon cause shown, unless the 500 applicants hereinafter required have been secured and the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in one year from the date of the preliminary license, or at the expiration of the extended period, unless the society shall have completed its organization and received a license to do business as hereinafter provided.
- (d) Upon receipt of a preliminary license from the Commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each such applicant a receipt for the amount so collected. No society shall incur any liability other than for the return of such advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any benefit to any person until:

- (1) Actual bona fide applications for benefits have been secured on not less than 500 applicants, and any necessary evidence of insurability has been furnished to and approved by the society;
 - (2) At least 10 subordinate lodges have been established into which the 500 applicants have been admitted;
 - (3) There has been submitted to the Commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of such applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge of which each applicant is a member, amount of benefits to be granted and premiums therefor; and
 - (4) It shall have been shown to the Commissioner, by sworn statement of the treasurer, or corresponding officer of such society, that at least 500 applicants have each paid in cash at least one regular monthly premium as herein provided, which premiums in the aggregate shall amount to at least one hundred and fifty thousand dollars (\$150,000). Said advance premiums shall be held in trust during the period of organization and if the society has not qualified for a license within one year, as herein provided, such premiums shall be returned to said applicants.
- (e) The Commissioner may make such examination and require such further information as the Commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the Commissioner shall issue to the society a license to that effect and that the society is authorized to transact business pursuant to the provisions of this Article. The license shall be prima facie evidence of the existence of the society at the date of such certificate. The Commissioner shall cause a record of such license to be made. A certified copy of such record may be given in evidence with like effect as the original license.
- (f) Any incorporated society authorized to transact business in this State at the time this Article becomes effective shall not be required to reincorporate. (1987, c. 483, s. 2; 1991, c. 720, s. 4; 1999-132, s. 9.1.)

§ 58-24-50. Amendments to laws.

(a) A domestic society may amend its laws in accordance with the provisions thereof by action of its supreme governing body at any regular or special meeting thereof or, if its laws so provide, by referendum. Such referendum may be held in accordance with the provisions of its laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within six months from the date of submission thereof, a majority of the members voting shall have signified their consent to such amendment by one of the methods herein specified.

(b) No amendment to the laws of any domestic society shall take effect unless approved by the Commissioner who shall approve such amendment if the Commissioner finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this State or with the character, objects and purposes of the society. Unless the Commissioner shall disapprove any such amendment within 60 days after the filing of same, such amendment shall be considered approved. The approval or disapproval of the Commissioner shall be in writing and mailed to the secretary or

corresponding officer of the society at its principal office. In case the Commissioner disapproves such amendment, the reasons therefor shall be stated in such written notice.

(c) Within 90 days from the approval thereof by the Commissioner, all such amendments, or a synopsis thereof, shall be furnished to all members of the society either by mail or by publication in full in the official publication of the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendments or synopsis thereof, stating facts which show that same have been duly addressed and mailed, shall be prima facie evidence that such amendments or synopsis thereof, have been furnished the addressee.

(d) Every foreign or alien society authorized to do business in this State shall file with the Commissioner a duly certified copy of all amendments of, or additions to, its laws within 90 days after the enactment of same.

(e) Printed copies of the laws as amended, certified by the secretary or corresponding officer of the society shall be prima facie evidence of the legal adoption thereof. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-55. Institutions.

A society may create, maintain and operate, or may establish organizations to operate, not for profit institutions to further the purposes permitted by G.S. 58-24-20(a)(2). Such institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held or leased by the society for this purpose shall be reported in every annual statement. (1987, c. 483, s. 2.)

§ 58-24-60. Reinsurance.

(a) A domestic society may, by a reinsurance agreement, cede any individual risk or risks in whole or in part to an insurer (other than another fraternal benefit society) having the power to make such reinsurance and authorized to do business in this State, or if not so authorized, one which is approved by the Commissioner, but no such society may reinsure substantially all of its insurance in force without the written permission of the Commissioner. It may take credit for the reserves on such ceded risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability, to a ceding society for reinsurance made, ceded, renewed, or otherwise becoming effective after January 1, 1988, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society.

(b) Notwithstanding the limitation in subsection (a), a society may reinsure the risks of another society in a consolidation or merger approved by the Commissioner under G.S. 58-24-65. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-65. Consolidations and mergers.

(a) A domestic society may consolidate or merge with any other society by complying with the provisions of this section. It shall file with the Commissioner:

- (1) A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;
- (2) A sworn statement by the president and secretary or corresponding officers of each society showing the financial condition thereof on a date fixed by the Commissioner but not earlier than December 31, next preceding the date of the contract;

- (3) A certificate of such officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a two-thirds vote of the supreme governing body of each society, such vote being conducted at a regular or special meeting of each such body, or, if the society's laws so permit, by mail; and
- (4) Evidence that at least 60 days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(b) If the Commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, the Commissioner shall approve the contract and issue a certificate to such effect. Upon such approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval filed with the Commissioner of this State or, if the laws of such state or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the Commissioner of such state or territory and a certificate of such approval filed with the Commissioner of this State. In case such contract is not approved it shall be inoperative, and the fact of the submission and its contents shall not be disclosed by the Commissioner.

(c) Upon the consolidation or merger becoming effective as herein provided, all the rights, franchises and interests of the consolidated or merged societies in and to every species of property, real, personal or mixed, and things in action thereunto belonging shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds, and the title to any real estate or interest therein, vested under the laws of this State in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after such consolidation or merger.

(d) The affidavit of any officer of the society or of anyone authorized by it to mail any notice or document, stating that such notice or document has been duly addressed and mailed, shall be prima facie evidence that such notice or document has been furnished the addressees.

(e) All necessary and actual expenses and compensation incident to the proceedings provided in this section shall be paid as provided by such contract of consolidation or merger: Provided, however, that no brokerage or commission shall be included in such expenses and compensation or shall be paid to any person by either of the parties to any such contract in connection with the negotiation therefor or execution thereof, nor shall any compensation be paid to any officer or employee of either of the parties to such contract for directly or indirectly aiding in effecting such contract of consolidation or merger. An itemized statement of all such expenses shall be filed with the Commissioner, subject to approval, and when approved the same shall be binding on the parties thereto. Except as fully expressed in the contract of consolidation or merger, or itemized statement of expenses, as approved by the Commissioner, or commissioners, as the case may be, no compensation shall be paid to any person or persons, and no officer or employee of the State shall receive any compensation, directly or indirectly, for in any manner aiding, promoting, or assisting any such consolidation or merger. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-70. Conversion of fraternal benefit society into mutual life insurance company.

Any domestic fraternal benefit society may be converted and licensed as a mutual life insurance company by compliance with all the requirements of the general insurance laws for mutual life insurance companies. A plan of conversion shall be prepared in writing by the board of directors setting forth in full the terms and conditions of conversion. The affirmative vote of two-thirds of all members of the supreme governing body at a regular or special meeting shall be necessary for the approval of such plan. No such conversion shall take effect unless and until approved by the Commissioner who may give such approval if the Commissioner finds that the proposed change is in conformity with the requirements of law and not prejudicial to the certificateholders of the society. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-75. Benefits.

(a) A society may provide the following contractual benefits in any form:

- (1) Death benefits;
- (2) Endowment benefits;
- (3) Annuity benefits;
- (4) Temporary or permanent disability benefits;
- (5) Hospital, medical or nursing benefits;
- (6) Monument or tombstone benefits to the memory of deceased members; and
- (7) Such other benefits as authorized for life insurers and which are not inconsistent with this Article.

(b) A society shall specify in its rules those persons who may be issued, or covered by, the contractual benefits in subsection (a), consistent with providing benefits to members and their dependents. A society may provide benefits on the lives of children under the minimum age for adult membership upon application of an adult person. (1987, c. 483, s. 2.)

§ 58-24-80. Beneficiaries.

(a) The owner of a benefit contract shall have the right at all times to change the beneficiary or beneficiaries in accordance with the laws or rules of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or rules, limit the scope of beneficiary designations and shall provide that no revocable beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the benefit contract.

(b) A society may make provision for the payment of funeral benefits to the extent of such portion of any payment under a certificate as might reasonably appear to be due to any person equitably entitled thereto by reason of having incurred expense occasioned by the burial of the member.

(c) If, at the death of any person insured under a benefit contract, there is no lawful beneficiary to whom the proceeds shall be payable, the amount of such benefit, except to the extent that funeral benefits may be paid as hereinbefore provided, shall be payable to the personal representative of the deceased insured, provided that if the owner of the certificate is other than the insured, such proceeds shall be payable to such owner. (1987, c. 483, s. 2.)

§ 58-24-85. Benefits not attachable.

No money or other benefit, charity, relief or aid to be paid, provided or rendered by any society, shall be liable to attachment, garnishment or other process, or to be seized, taken, appropriated or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or beneficiary, or any other person who may have a right thereunder, either before or after payment by the society. (1987, c. 483, s. 2.)

§ 58-24-90. The benefit contract.

(a) Every society authorized to do business in this State shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided thereby. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each thereof, shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.

(b) Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

(c) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.

(d) A society shall provide in its laws that if its reserves as to all or any class of certificates become impaired its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of such deficiency as ascertained by its board, and that if the payment is not made either (1) it shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates; or (2) in lieu of or in combination with (1), the owner may accept a proportionate reduction in benefits under the certificate. The society may specify the manner of the election and which alternative is to be presumed if no election is made.

(e) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

(f) No certificate shall be delivered or issued for delivery in this State unless a copy of the form has been filed with and approved by the Commissioner in the manner provided for like policies issued by life insurers in this State. Every life, accident, health, or disability insurance certificate and every annuity certificate issued on or after one year from the effective date of this Article shall meet the standard contract provision requirements not inconsistent with this Article for like policies issued by life insurers in this State, except that a society may provide for a grace period for payment of premiums of one full month in its certificates. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any sections of the society's laws or rules in

force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.

(g) Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control of ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government and control of such certificates and all rights, obligations and liabilities incident thereto and connected therewith. Ownership rights prior to such transfer shall be specified in the certificate.

(h) A society may specify the terms and conditions on which benefit contracts may be assigned. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-95. Nonforfeiture benefits, cash surrender values, certificate loans and other options.

(a) For certificates issued prior to one year after January 1, 1988, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall comply with the provisions of law applicable immediately prior to January 1, 1988.

(b) For certificates issued on or after one year from January 1, 1988 for which reserves are computed on the Commissioner's 1941 Standard Ordinary Mortality Table, the Commissioner's 1941 Standard Industrial Table or the Commissioner's 1958 Standard Ordinary Mortality Table, or the Commissioner's 1980 Standard Mortality Table, or any more recent table made applicable to life insurers, every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall not be less than the corresponding amount ascertained in accordance with the laws of this State applicable to life insurers issuing policies containing like benefits based upon such tables. (1987, c. 483, s. 2.)

§ 58-24-100. Investments.

A society shall invest its funds only in investments that are authorized by the laws of this State for the investment of assets of life insurers and subject to the limitations thereon. Any foreign or alien society permitted or seeking to do business in this State must comply in substance with the investment requirements and limitations imposed by Article 7 of this Chapter and applicable to life insurers; provided, that any society that invests its funds in accordance with the laws of the state, district, territory, country, or province in which it is incorporated, shall thereby be deemed to be in compliance with the investment requirements and limitations for a period of two years from January 1, 1988. (1987, c. 483, s. 2; 1995, c. 193, s. 29.)

§ 58-24-105. Funds.

(a) All assets shall be held, invested and disbursed for the use and benefit of the society and no member or beneficiary shall have or acquire individual rights therein or become entitled to any apportionment on the surrender of any part thereof, except as provided in the benefit contract.

(b) A society may create, maintain, invest, disburse and apply any special fund or funds necessary to carry out any purpose permitted by the laws of such society.

(c) A society may, pursuant to resolution of its supreme governing body, establish and operate one or more separate accounts and issue contracts on a variable basis, subject to the provisions of law regulating life insurers establishing such accounts and issuing such contracts. To the extent the society deems it necessary in order to comply with any applicable federal or State laws, or any rules issued thereunder, the society may adopt special procedures for the conduct of the business and affairs of a separate account, may, for persons having beneficial interests therein, provide special voting and other rights, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of certified public accountants, and selection of a committee to manage the business and affairs of the account, and may issue contracts on a variable basis to which G.S. 58-24-90(b) and G.S. 58-24-90(d) shall not apply. (1987, c. 483, s. 2.)

§ 58-24-110. Exemptions.

Except as herein provided, societies shall be governed by this Article and shall be exempt from all other provisions of the general insurance laws of this State unless they be expressly designated therein, or unless it is specifically made applicable by this Article. (1987, c. 483, s. 2.)

§ 58-24-115. Taxation.

Every society organized or licensed under this Article is hereby declared to be a charitable and benevolent institution, and all of its funds shall be exempt from all and every State, county, district, municipal and school tax other than taxes on real estate not occupied by such society in carrying on its business. (1987, c. 483, s. 2.)

§ 58-24-120. Valuation.

(a) Standards of valuation for certificates issued prior to one year after the effective date of this Article shall be those provided by the laws applicable immediately prior to January 1, 1988.

(b) The minimum standards of valuation for certificates issued on or after one year from January 1, 1988, shall be based on the following tables:

- (1) For certificates of life insurance – the Commissioner's 1941 Standard Ordinary Mortality Table, the Commissioner's 1941 Standard Industrial Mortality Table, the Commissioner's 1958 Standard Ordinary Mortality Table, the Commissioner's 1980 Standard Ordinary Mortality Table or any more recent table made applicable to life insurers;
- (2) For annuity and pure endowment certificates, for total and permanent disability benefits, for accidental death benefits and for non-cancellable accident and health benefits – such tables as are authorized for use by life insurers in this State.

All of the above shall be under valuation methods and standards (including interest assumptions) in accordance with the laws of this State applicable to life insurers issuing policies containing like benefits.

(c) The Commissioner may, in his or her discretion, accept other standards for valuation if the Commissioner finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The Commissioner may, in his or her discretion, vary the standards of mortality applicable to all benefit contracts on substandard lives or other extra hazardous lives by any society authorized to do business in this State.

(d) Any society, with the consent of the Commissioner of the state of domicile of the society and under such conditions, if any, which the Commissioner may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any benefit member shall not be affected thereby. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-125. Reports.

Reports shall be filed in accordance with the provisions of this section.

- (a) Every society transacting business in this State shall annually, on or before the first day of March, unless for cause shown such time has been extended by the Commissioner, file with the Commissioner a true statement of its financial condition, transactions and affairs for the preceding calendar year and pay the fee specified in G.S. 58-6-5 for filing same. The statement shall be in general form and context as approved by the NAIC for fraternal benefit societies and as supplemented by additional information required by the Commissioner.
- (b) As part of the annual statement herein required, each society shall, on or before the first day of March, file with the Commissioner a valuation of its certificates in force on December 31st last preceding, provided the Commissioner may, in his or her discretion for cause shown, extend the time for filing such valuation for not more than two calendar months. Such valuation shall be done in accordance with the standards specified in G.S. 58-24-120. Such valuation and underlying data shall be certified by a qualified actuary or, at the expense of the society, verified by the actuary of the Department of the state of domicile of the society.
- (c) A society neglecting to file the annual statement in the form and within the time provided by this section shall forfeit one hundred dollars (\$100.00) for each day during which such neglect continues, and, upon notice by the Commissioner to that effect, its authority to do business in this State shall cease while such default continues. (1987, c. 483, s. 2; 1991, c. 720, ss. 4, 19.)

§ 58-24-130. Perpetual license.

Subject to timely payment of the annual license continuation fee and subject to any other applicable provisions of the insurance laws of this State, a license, other than a preliminary license, to a fraternal benefit society under this Article shall continue in full force and effect. For each license the society shall pay the Commissioner the fee specified in G.S. 58-6-5. The society shall pay the Commissioner, as an annual license continuation fee and a condition of the continuation of the license, the fee specified in G.S. 58-6-7 on or before the first day of March on a form to be supplied by the Commissioner. A duly certified copy or duplicate of the license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of Articles 1 through 64 of this Chapter. (1987, c. 483, s. 2; 1991, c. 720, s. 4; 2003-212, s. 26(g).)

§ 58-24-135. Examination of societies; no adverse publications.

(a) The Commissioner, or any person he or she may appoint, may examine any domestic, foreign or alien society transacting or applying for admission to transact business in this State in the same manner as authorized for examination of domestic, foreign or alien insurers. Requirements of

notice and an opportunity to respond before findings are made public as provided in the laws regulating insurers shall also be applicable to the examination of societies.

(b) Repealed by Session Laws 1995, c. 360, s. 2(i). (1987, c. 483, s. 2; 1991, c. 720, s. 4; 1995, c. 360, s. 2(i).)

§ 58-24-140. Foreign or alien society – Admission.

No foreign or alien society shall transact business in this State without a license issued by the Commissioner. Any such society desiring admission to this State shall comply substantially with the requirements and limitations of this Article applicable to domestic societies. Any such society may be licensed to transact business in this State upon filing with the Commissioner:

- (e) Certification from the proper official of its home state, territory, province or country that the society is legally incorporated and licensed to transact business therein;
- (f) Copies of its certificate forms; and
- (g) Such other information as the Commissioner may deem necessary;

and upon a showing that its assets are invested in accordance with the provisions of Articles 1 through 64 of this Chapter. (1987, c. 483, s. 2; 1991, c. 720, ss. 4, 20.)

§ 58-24-145. Injunction – Liquidation – Receivership of domestic society.

- (a) When the Commissioner upon investigation finds that a domestic society:
 - (1) Has exceeded its powers;
 - (2) Has failed to comply with any provision of this Article;
 - (3) Is not fulfilling its contracts in good faith;
 - (4) Has a membership of less than 400 after an existence of one year or more; or
 - (5) Is conducting business fraudulently or in a manner hazardous to its members, creditors, the public or the business;

the Commissioner shall notify the society of such deficiency or deficiencies and state in writing the reasons for his or her dissatisfaction. The Commissioner shall at once issue a written notice to the society requiring that the deficiency or deficiencies which exist are corrected. After such notice the society shall have a 30 day period in which to comply with the Commissioner's request for correction, and if the society fails to comply the Commissioner shall notify the society of such findings of noncompliance and require the society to show cause on a date named why it should not be enjoined from carrying on any business until the violation complained of shall have been corrected, or why an action under Article 41 of Chapter 1 of the General Statutes (quo warranto) should not be commenced against the society.

(b) If on such date the society does not present good and sufficient reasons why it should not be so enjoined or why such action should not be commenced, the Commissioner may present the facts relating thereto to the Attorney General who shall, if he or she deems the circumstances

warrant, commence an action to enjoin the society from transacting business or under Article 41 of Chapter 1 of the General Statutes (quo warranto).

(c) The court shall thereupon notify the officers of the society of a hearing. If after a full hearing it appears that the society should be so enjoined or liquidated or a receiver appointed, the court shall enter the necessary order. No society so enjoined shall have the authority to do business until:

- (1) The Commissioner finds that the violation complained of has been corrected;
- (2) The costs of such action shall have been paid by the society if the court finds that the society was in default as charged;
- (3) The court has dissolved its injunction; and
- (4) The Commissioner has reinstated the license.

(d) If the court orders the society liquidated, it shall be enjoined from carrying on any further business, whereupon the receiver of the society shall proceed at once to take possession of the books, papers, money and other assets of the society and, under the direction of the court, proceed forthwith to close the affairs of the society and to distribute its funds to those entitled thereto.

(e) No action under this section shall be recognized in any court of this State unless brought by the Attorney General upon request of the Commissioner. Whenever a receiver is to be appointed for a domestic society, the court shall appoint the Commissioner as such receiver.

(f) The provisions of this section relating to hearing by the Commissioner, action by the Attorney General at the request of the Commissioner, hearing by the court, injunction and receivership shall be applicable to a society which shall voluntarily determine to discontinue business. (1987, c. 483, s. 2; 1991, c. 720, s. 4; 1999-132, s. 9.1.)

§ 58-24-150. Suspension, revocation or refusal of license of foreign or alien society.

(a) When the Commissioner upon investigation finds that a foreign or alien society transacting or applying to transact business in this State:

- (1) Has exceeded its powers;
- (2) Has failed to comply with any of the provisions of this Article;
- (3) Is not fulfilling its contracts in good faith; or
- (4) Is conducting its business fraudulently or in a manner hazardous to its members or creditors or the public;

the Commissioner shall notify the society of such deficiency or deficiencies and state in writing the reasons for his or her dissatisfaction. The Commissioner shall at once issue a written notice to the society requiring that the deficiency or deficiencies which exist are corrected. After such notice the society shall have a 30 day period in which to comply with the Commissioner's request for correction, and if the society fails to comply the Commissioner shall notify the society of such findings of noncompliance and require the society to show cause on a date named why its license should not be suspended, revoked or refused. If on such date the society does not present good and sufficient reason why its authority to do business in this State should not be suspended, revoked or refused, the Commissioner may suspend or refuse the license of the society to do business in this State until satisfactory evidence is furnished to the Commissioner that such suspension or refusal should be withdrawn or the Commissioner may revoke the authority of the society to do business in this State.

(b) Nothing contained in this section shall be taken or construed as preventing any such society from continuing in good faith all contracts made in this State during the time such society was legally authorized to transact business herein. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-155. Injunction.

No application or petition for injunction against any domestic, foreign or alien society, or lodge thereof, shall be recognized in any court of this State unless made by the Attorney General upon request of the Commissioner. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-24-160. Licensing of agents.

(a) Agents of societies shall be licensed in accordance with the provisions of the general insurance laws regulating the licensing, revocation, suspension or termination of license of resident and nonresident insurance producers; provided that agents licensed pursuant to former G.S. 58-268 as of July 1, 1977, shall be exempt from examination.

(b) No examination or license shall be required of any regular salaried officer, employee or member of a licensed society who devotes substantially all of his or her services to activities other than the solicitation of fraternal insurance contracts from the public, and who receives for the solicitation of such contracts no commission or other compensation directly dependent upon the amount of business obtained. (1987, c. 483, s. 2; 2022-46, s. 14(dd).)

§ 58-24-165. Unfair methods of competition and unfair and deceptive acts and practices.

Every society authorized to do business in this State shall be subject to the provisions of Article 63 of this Chapter relating to unfair methods of competition and unfair or deceptive acts or practices; provided, however, that nothing in such provisions shall be construed as applying to or affecting the right of any society to determine its eligibility requirements for membership, or be construed as applying to or affecting the offering of benefits exclusively to members or persons eligible for membership in the society by a subsidiary corporation or affiliated organization of the society. (1987, c. 483, s. 2.)

§ 58-24-170. Service of process.

(a) Every society authorized to do business in this State shall appoint in writing the Commissioner and each successor in office to be its true and lawful attorney upon whom all lawful process in any action or proceeding against it shall be served, and shall agree in such writing that any lawful process against it which is served on said attorney shall be of the same legal force and validity as if served upon the society, and that the authority shall continue in force so long as any liability remains outstanding in this State. Copies of such appointment, certified by said Commissioner, shall be deemed sufficient evidence thereof and shall be admitted in evidence with the same force and effect as the original thereof might be admitted.

(b) Service shall only be made upon the Commissioner, or if absent, upon the person in charge of the Commissioner's office. It shall be made in duplicate and shall constitute sufficient service upon the society. When legal process against a society is served upon the Commissioner, the Commissioner shall forthwith forward one of the duplicate copies by certified or registered mail, prepaid, directed to the secretary or corresponding officer. No such service shall require a society to file its answer, pleading or defense in less than 30 days from the date of mailing the copy of the service to a society. Legal process shall not be served upon a society except in the manner herein provided. At the time of serving any process upon the Commissioner, the plaintiff or

complainant in the action shall pay to the Commissioner a fee in the amount set in G.S. 58-16-30. (1987, c. 483, s. 2; 1989, c. 645, s. 4; 1991, c. 720, s. 4.)

§ 58-24-180. Penalties.

(a) Any person, officer, member, or examining physician of any society authorized to do business under this Article who shall knowingly or willfully make any false or fraudulent statement or representation in or with reference to any application for membership, or for the purpose of obtaining money from or benefit in any society transacting business under this Article, shall be guilty of a Class 1 misdemeanor.

(b) Any person who shall solicit membership for, or in any manner assist in procuring membership in any fraternal benefit society not licensed to do business in this State, or who shall solicit membership for, or in any manner assist in procuring membership in any such society not authorized as herein provided to do business as herein defined in this State, shall be guilty of a Class 3 misdemeanor and upon conviction thereof shall be punished only by a fine of not less than one thousand dollars (\$1,000) nor more than five thousand dollars (\$5,000).

(c) Any society, or any officer, agent, or employee thereof, neglecting or refusing to comply with, or violating, any of the provisions of this Article, the penalty for which neglect, refusal, or violation is not specified in this section, shall be guilty of a Class 3 misdemeanor, and upon conviction shall be punished only by a fine not to exceed five thousand dollars (\$5,000).

(d) Any person violating the provisions of G.S. 58-24-65 shall be guilty of a Class I felony.

(e) Any person who willfully makes any false statement under oath in any verified report or declaration that is required by law from fraternal benefit societies, is guilty of a Class I felony. (1987, c. 483, s. 2; 1989 (Reg. Sess., 1990), c. 1054, s. 3; 1993, c. 539, ss. 451, 1273; 1994, Ex. Sess., c. 24, s. 14(c); 1993 (Reg. Sess., 1994), c. 767, s. 25.)

- (2) Orders, societies or associations which admit to membership only persons engaged in one or more crafts or hazardous occupations, in the same or similar lines of business, insuring only their own members and their families, and the ladies' societies or ladies' auxiliaries to such orders, societies or associations;
- (3) Domestic societies which limit their membership to employees of a particular city or town, designated firm, business house or corporation which provide for a death benefit of not more than five hundred dollars (\$500.00) or disability benefits of not more than three hundred fifty dollars (\$350.00) to any person in any one year, or both;
- (4) Domestic societies or associations of a purely religious, charitable or benevolent description, which provide for a death benefit of not more than five hundred dollars (\$500.00) or for disability benefits of not more than three hundred fifty dollars (\$350.00) to any one person in any one year, or both;

- (5) An association of local lodges of a society now doing business in this State which provides death benefits not exceeding five hundred dollars (\$500.00) to any one person, provided, that the Commissioner may authorize the payment of death benefits not exceeding three thousand dollars (\$3,000) to any one person, or may authorize disability benefits not exceeding three hundred dollars (\$300.00), or may authorize both payments, in any one year to any one person; or
- (6) Any association, whether a fraternal benefit society or not, which was organized before 1880 and whose members are officers or enlisted, regular or reserve, active, retired, or honorably discharged members of the Armed Forces or Sea Services of the United States, and a principal purpose of which is to provide insurance and other benefits to its members and their dependents or beneficiaries.

(b) Any such society or association described in subsections (a)(3) or (a)(4) supra which provides for death or disability benefits for which benefit certificates are issued, and any such society or association included in subsection (a)(4) which has more than 1000 members, shall not be exempted from the provisions of this Article but shall comply with all requirements thereof.

(c) No society which, by the provisions of this section, is exempt from the requirements of this Article, except any society described in subsection (a)(2) supra, shall give or allow, or promise to give or allow to any person any compensation for procuring new members.

(d) Every society which provides for benefits in case of death or disability resulting solely from accident, and which does not obligate itself to pay natural death or sick benefits shall have all of the privileges and be subject to all the applicable provisions and regulations of this Article except that the provisions thereof relating to medical examination, valuations of benefit certificates, and incontestability, shall not apply to the society.

(e) The Commissioner may require from any society or association, by examination or otherwise, such information as will enable the Commissioner to determine whether the society or association is exempt from the provisions of this Article.

(f) Societies, orders, or associations exempted under the provisions of this section shall also be exempt from all other provisions of the general insurance laws of this State. (1987, c. 483, s. 2; 1989, c. 364, s. 2; c. 485, s. 2; 1991, c. 476, s. 1; c. 720, ss. 4, 45, 55; 2007-27, s. 1; 2008-187, s. 12.)

Article 25.

Fraternal Orders.

§ 58-25-1. General insurance law not applicable.

Nothing in the general insurance laws, except such as apply to fraternal orders shall be construed to extend to benevolent associations incorporated under the laws of this State that only levy an assessment on the members to create a fund to pay the family of a deceased member and make no profit therefrom, and do not solicit business through agents. (1987, c. 483, s. 2.)

§ 58-25-5. Fraternal orders defined.

Every incorporated association, order, or society doing business in this State on the lodge system, with ritualistic form of work and representative form of government, for the purpose of making provision for the payment of benefits of three hundred dollars (\$300.00) or less in case of death, sickness, temporary or permanent physical disability, either as the result of disease, accident, or old age, formed and organized for the sole benefit of its members and their beneficiaries, and not for profit, is hereby declared to be a "fraternal order". Societies and orders which do not make insurance contracts or collect dues or assessments therefor, but simply pay burial or other benefits out of the treasury of their orders, and use their funds for the purpose of building homes or asylums for the purpose of caring for and educating orphan children and aged and infirm people in this State, shall not be considered as "fraternal orders"; and such order or association paying death or disability benefits may also create, maintain, apply, or disburse among its membership a reserve or emergency fund as may be provided in its constitution or bylaws; but no profit or gain may be added to the payments made by a member. (1987, c. 483, s. 2.)

§ 58-25-10. Funds derived from assessments and dues.

The fund from which the payment of benefits, as provided for in G.S. 58-25-5, shall be made, and the fund from which the expenses of such association, order or society shall be defrayed, shall be derived from assessments or dues collected from its members. Such societies or associations shall be governed by the laws of the State governing fraternal orders or societies, and are exempt from the provisions of all general insurance laws of this State, and no law hereafter passed shall apply to such orders or societies unless fraternal orders or societies are designated therein. (1987, c. 483, s. 2.)

§ 58-25-15. Appointment of member as receiver or collector; appointee as agent for order or society; rights of members.

Assessments and dues referred to in G.S. 58-25-5 and G.S. 58-25-10 may be collected, receipted, and remitted by a member or officer of any local or subordinate lodge of any fraternal order or society when so appointed or designated by any grand, district, or subordinate lodge or officer, deputy, or representative of the same, there being no regular licensed agent or deputy of said grand lodge charged with said duties; but any person so collecting said dues or assessments shall be the agent or representative of such fraternal order or society, or any department thereof, and shall bind them by their acts in collecting and remitting said amounts so collected. Under no circumstances, regardless of any agreement, bylaws, contract, or notice, shall said officer or collector be the agent or representative of the individual member from whom any such collection is made; nor shall said member be responsible for the failure of such officer or collector to safely keep, handle, or remit said dues or assessments so collected, in accordance with the rules, regulations, or bylaws of said order or society; nor shall said member, regardless of any rules, regulations, or bylaws to the contrary, forfeit any rights under his certificate of membership in said fraternal order or society by reason of any default or misconduct of any said officer or member so acting. (1987, c. 483, s. 2.)

§ 58-25-20. Meetings of governing body; principal office.

Any such order or society incorporated and organized under the laws of this State may provide for the meeting of its supreme legislative or governing body in any other state, province, or territory wherein such order or society has subordinate lodges, and all business transacted at such

meetings is as valid in all respects as if the meetings were held in this State; but the principal business office of such order or society shall always be kept in this State. (1987, c. 483, s. 2.)

§ 58-25-25. Conditions precedent to doing business.

Any such fraternal order, society, or association as defined by this Article, chartered and organized in this State or organized and doing business under the laws of any other state, district, province, or territory, having the qualifications required of domestic societies of like character, upon satisfying the Commissioner that its business is proper and legitimate and so conducted, may be admitted to transact business in this State upon the same conditions as are prescribed by Articles 1 through 64 of this Chapter for admitting and authorizing foreign insurance companies to do business in this State, except that such fraternal orders shall not be required to have the capital required of such insurance companies. Organizers or agents shall be licensed without requiring an examination; provided, organizers or agents who are engaged in or intend to engage in the sale of individual policies of life insurance shall take the examination required of life insurance producers. Those organizers or agents licensed for the sale of insurance pursuant to former G.S. 58-268 as of July 1, 1977, shall be exempt from examination. (1987, c. 483, s. 2; 1991, c. 720, s. 4; 2022-46, s. 14(ee).)

§ 58-25-30. Certain lodge systems exempt.

The following beneficial orders or societies shall be exempt from the requirements of this Article, and shall not be required to pay any license tax or fees nor make any report to the Commissioner, unless the assessments collected for death benefits by the supreme lodge amount to at least three hundred dollars (\$300.00) in one year: Beneficial fraternal orders, or societies incorporated under the laws of this State, which are conducted under the lodge system which have the supreme lodge or governing body located in this State, and which are so organized that the membership consists of members of subordinate lodges; that the subordinate lodges accept for membership only residents of the county in which such subordinate lodge is located; that each subordinate lodge issues certificates, makes assessments, and collects a fund to pay benefits to the widows and orphans of its own deceased members and their families, each lodge independently of the others, for itself and independently of the supreme lodge; that each lodge controls the fund for this purpose; that in addition to the benefits paid by each subordinate lodge to its own members, the supreme lodge provides for an additional benefit for such of the members of the subordinate lodges as are qualified, at the option of the subordinate lodge members; that such organization is not conducted for profit, has no capital stock, and has been in operation for 10 years in this State.

The Commissioner may require the chief or presiding officer, or the secretary, to file annually an affidavit that such organization is entitled to this exemption. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-25-35. Insurance on children.

Any fraternal order or society authorized pursuant to this Article to do business in this State and operating on the lodge plan may provide in its constitution and bylaws, in addition to other benefits provided for therein, for the payment of death or annuity benefits upon the lives of children between the ages of one and 16 years at next birthday, for whose support and maintenance a member of such order or society is responsible. The order or society may at its option organize and operate branches for such children and membership in local lodges, and initiation therein shall not be required of such children, nor shall they have any voice in the management of the order or

society. The total benefits payable as above provided shall in no case exceed the following amounts at ages at next birthday at time of death, respectively, as follows: one year, twenty dollars (\$20.00); two years, fifty dollars (\$50.00); three years, seventy-five dollars (\$75.00); four years, one hundred dollars (\$100.00); five years, one hundred twenty-five dollars (\$125.00); six years, one hundred fifty dollars (\$150.00); seven years, two hundred dollars (\$200.00); eight years, two hundred fifty dollars (\$250.00); nine years, three hundred dollars (\$300.00); 10 years, four hundred dollars (\$400.00); 11 years, five hundred dollars (\$500.00); 12 years, six hundred dollars (\$600.00); 13 years, seven hundred dollars (\$700.00); 14 years, eight hundred dollars (\$800.00); 15 years, nine hundred dollars (\$900.00); 16 years, one thousand dollars (\$1,000). (1987, c. 483, s. 2.)

§ 58-25-40. Medical examination; certificates and contributions.

No benefit certificate as to any child shall take effect until after medical examination or inspection by a licensed medical practitioner, in accordance with the laws of the order or society, nor shall any such benefit certificate be issued unless the order or society shall simultaneously put in force at least 500 such certificates, on each of which at least one assessment has been paid, nor where the number of lives represented by such certificate falls below 500. The death benefit contributions to be made upon such certificate shall be based upon the "Standard Mortality Table" or the "English Life Table Number Six," and a rate of interest not greater than four percent (4%) per annum, upon a higher standard or upon such mortality, morbidity, and interest standards permitted by the laws of this State for use by life insurance companies; but contributions may be waived or returns may be made from any surplus held in excess of reserve and other liabilities, as provided in the bylaws; and extra contributions shall be made if the reserves hereafter provided for become impaired. (1987, c. 483, s. 2.)

§ 58-25-45. Reserve fund; exchange of certificates.

Any order or society entering into such insurance agreements shall maintain on all such contracts the reserve required by the standard of mortality and interest adopted by the order or society for computing contributions as provided in G.S. 58-25-35, and the funds representing the benefit contributions and all accretions thereon shall be kept as separate and distinct funds, independent of the other funds of the order or society, and shall not be liable for nor used for the payment of the debts and obligations of the order or society other than the benefits herein authorized. An order or society may provide that when a child reaches the minimum age for initiation into membership in such order or society, any benefit certificate issued hereunder may be surrendered for cancellation and exchanged for any other form of certificate issued by the order or society: Provided, that such surrender will not reduce the number of lives insured below 500; and upon the issuance of such new certificate any reserve upon the original certificate herein provided for shall be transferred to the credit of the new certificate. Neither the person who originally made application for benefits on account of such child, nor the beneficiary named in such original certificate, nor the person who paid the contributions, shall have any vested right in such new certificate, the free nomination of a beneficiary under the new certificate being left to the child so admitted to benefit membership. (1987, c. 483, s. 2.)

§ 58-25-50. Separation of funds.

An entirely separate financial statement of the business transactions and of assets and liabilities arising therefrom shall be made in its annual report to the Commissioner by an order or society

availing itself of the provisions hereof. The separation of assets, funds, and liabilities required hereby shall not be terminated, rescinded, or modified, nor shall the funds be diverted for any use other than as specified in the preceding section, as long as any certificates issued hereunder remain in force, and this requirement shall be recognized and enforced in any liquidation, reinsurance, merger, or other change in the condition or the status of the order or society. (1987, c. 483, s. 2; 1991, c. 720, s. 4.)

§ 58-25-55. Payments to expense or general fund.

Any order or society shall have the right to provide in its laws and the certificate issued hereunder for specified payments on account of the expense or general fund, which payments shall or shall not be mingled with the general fund of the order or society, as its constitution and bylaws may provide. (1987, c. 483, s. 2.)

§ 58-25-60. Continuation of certificates.

In the event of the termination of membership in the order or society by the person responsible for the support of any child on whose account a certificate may have been issued as provided herein, the certificate may be continued for the benefit of the estate of the child, provided the contributions are continued, or for the benefit of any other person responsible for the support and maintenance of such child who shall assume the payment of the required contributions. (1987, c. 483, s. 2.)

§ 58-25-65. Appointment of trustees to hold property.

The lodges of Masons, Odd Fellows, Knights of Pythias, camps of Woodmen of the World, councils of the Junior Order of United American Mechanics, orders of the Elks, Young Men's Christian Associations, Young Women's Christian Associations and other benevolent or fraternal orders and societies may appoint from time to time suitable persons trustees of their bodies or societies, in such manner as they deem proper, which trustees, and their successors, shall have power to receive, purchase, take, and hold property, real and personal, in trust for such society or body. The trustees shall have power, when instructed so to do by resolution adopted by the order, society or body which they represent, to mortgage or sell and convey in fee simple any real or personal property owned by the order, society or body; and the conveyances so made by the trustees shall be effective to pass the property in fee simple to the purchaser or to the mortgagee or trustee for the purposes in such conveyance or mortgage expressed. If there shall be no trustee, then any real or personal property which could be held by such trustees shall vest in and be held by such charitable, benevolent, religious, or fraternal orders and societies, respectively, according to such intent. (1987, c. 483, s. 2.)

§ 58-25-70. Unauthorized wearing of badges, etc.

Any person who fraudulently and willfully wears the badge or button of any fraternal organization or society, either in the identical form or in such near resemblance thereto as to be a colorable imitation thereof, or who fraudulently and willfully uses the name of any such order, society or organization, the titles of its officers, or its insignia, ritual, or ceremonies, unless entitled to wear or use the same under the constitution and bylaws, rules and regulations of such fraternal organization, society, or order, shall be deemed guilty of a Class 3 misdemeanor. (1987, c. 483, s. 2; 1993, c. 539, s. 452; 1994, Ex. Sess., c. 24, s. 14(c).)

Article 26.

Real Estate Title Insurance Companies.

§ 58-26-1. Purpose of organization; formation; insuring closing services; premium rates; combined premiums for lenders' coverages.

(a) Companies may be formed in the manner provided in this Article for the purpose of furnishing information in relation to titles to real estate and of insuring owners and others interested therein against loss by reason of encumbrances and defective title; provided, however, that no such information shall be so furnished nor shall such insurance be so issued as to North Carolina real property unless and until the title insurance company has obtained the opinion of an attorney, licensed to practice law in North Carolina and not an employee or agent of the company, who has conducted or caused to be conducted under the attorney's direct supervision a reasonable examination of the title. The company shall cause to be made a determination of insurability of title in accordance with sound underwriting practices for title insurance companies. A company may also insure the proper performance of services necessary to conduct a real estate closing performed by an approved attorney licensed to practice in North Carolina. Provided, however, nothing in this section shall be construed to prohibit or preclude a title insurance company from insuring proper performance by its issuing agents.

(b) Repealed by Session Laws 2002-187, s. 7.1.

(b1) Domestic and foreign title insurance companies are subject to the same capital, surplus, deposit, and investment requirements that govern the formation and operation of stock casualty companies.

(c) This Article shall not be interpreted so as to imply the repeal or amendment of any of the provisions of Chapter 84 of the General Statutes of North Carolina nor of any other provisions of common law or statutory law governing the practice of law.

(d) The premium rates charged for insuring against loss by reason of encumbrances and defective title and for insuring real estate closing services shall be based on the purchase price of the real estate being conveyed or the loan amount and shall not be established as flat fees. If a title insurer has also issued title insurance protecting a lender or owner against loss by reason of encumbrances and defective title, the insurer shall charge one undivided premium for the combination of the title insurance and the closing services insurance.

(e) If the premium stated upon a policy of title insurance has been understated or overstated due to inadvertence, mistake, or miscalculation of the closing attorney or his employees, and the incident is not purposeful or part of a pattern, the Commissioner of Insurance shall not be required to impose a civil penalty or other sanction for the inadvertence, mistake, or miscalculation. (1899, c. 54, s. 38; 1901, c. 391, s. 3; Rev., s. 4745; C.S., s. 6395; 1923, c. 71; 1973, c. 128; 1985, c. 666, s. 43; 1987, c. 625, ss. 1-3; 1993, c. 129, s. 1; c. 504, s. 15; 2002-187, ss. 7.1, 7.2; 2018-38, s. 2.1.)

§ 58-26-5. Certificate of authority to do business.

Before any such company may issue any policy or make any contract or guarantee of insurance, it shall file with the Commissioner a certified copy of the record or the certificate of its organization in the office of the Secretary of State, and obtain from the Commissioner his certificate that it has complied with the laws applicable to it and that it is authorized to do business. (1899, c. 54, s. 38; 1901, c. 391, s. 3; Rev., s. 4745; C.S., s. 6396; 1991, c. 720, s. 4.)

§ 58-26-6. Exemption for policies issued on property affected by boundary certification.

The Commissioner of Insurance shall not take any of the following actions with respect to a real estate title insurance company that previously operated only in South Carolina and issued a policy of title insurance in compliance under South Carolina law for a parcel of real estate now determined to be located wholly or partially in North Carolina:

- (1) Require a certificate of authority to do business as a real estate title insurance company under Article 26 of Chapter 58 of the General Statutes.
- (2) Take enforcement action against any title insurance company for failure to comply with the requirements of Article 26, 27, or 28 of Chapter 58 of the General Statutes applicable to real estate title insurance companies in North Carolina or any other statutory or regulatory requirements applicable to all insurance companies in North Carolina.

Nothing in this section is intended to prevent the Commissioner of Insurance from entering into a memorandum of agreement with the South Carolina Department of Insurance with respect to enforcement of South Carolina law against real estate title insurance companies subject to this section. (2016-23, s. 3(e).)

§ 58-26-10. Financial statements and licenses required.

Title insurance companies are subject to G.S. 58-2-131, 58-2-132, 58-2-133, 58-2-134, 58-2-165, 58-2-180, and 58-6-5. The Commissioner may require title insurance companies to separately report their experience in insuring titles and in insuring closing services. The license to do business in this State issued to a title insurance company shall continue in full force and effect, subject to timely payment of the annual license continuation fee in accordance with G.S. 58-6-7 and subject to any other applicable provisions of the insurance laws of this State. The Commissioner shall annually license the agents of title insurance companies. (1899, c. 54, s. 38; 1901, c. 391, s. 3; Rev., s. 4745; C.S., s. 6397; 1987, c. 625, ss. 4, 5; 1991, c. 720, s. 4; 1993, c. 504, s. 17; 1999-132, s. 11.5; 2003-212, s. 26(h).)

§ 58-26-15. Limitation of risk.

No real estate title insurance company shall guarantee or insure in any one risk on real property located in North Carolina more than forty percent (40%) of its combined capital and surplus without first having the approval of the Commissioner, which approval shall be endorsed upon the policy. (1945, c. 386; 1967, c. 936; 1993, c. 504, s. 18.)

Article 28.

Unauthorized Insurers.

§ 58-28-1. Purpose of Article.

It is the purpose of this Article to abate and prevent the practices of unauthorized insurers within the State of North Carolina, and to provide methods for effectively enforcing the laws of this State against such practices. The General Assembly finds that there is within this State a substantial amount of insurance business being transacted by insurers who have not complied with the laws of this State and have not been authorized by the Commissioner to do business. These practices by unauthorized insurers are deemed to be harmful and contrary to public welfare of the citizens of this State. The difficulties which arise from the acts and practices of unauthorized insurers are compounded by the fact that such companies may be licensed in foreign jurisdictions and conduct a long-range business without having personal representatives or agents in proximity to insureds. The General Assembly further declares that it is a subject of vital public interest to the State that unlicensed and unauthorized companies have been and are now engaged in soliciting by way of direct mail and other advertising media, insurance risks within this State, and that such companies enjoy the many benefits and privileges provided by the State as well as the protection afforded to citizens under exercise of the police powers of the State, without themselves being subject to the laws designed to protect the insurance consuming public. The provisions of this Article are in addition to all other statutory provisions of Articles 1 through 64 of this Chapter relating to unauthorized insurers and do not replace, alter, modify or repeal such existing provisions. (1967, c. 909, s. 1; 1987, c. 864, s. 46; 1991, c. 720, s. 4.)

§ 58-28-5. Transacting business without a license prohibited; exceptions.

(a) Except as otherwise provided in this section, it is unlawful for any company to enter into a contract of insurance as an insurer or to transact insurance business in this State as set forth in G.S. 58-28-13 without a license issued by the Commissioner. This section does not apply to the following acts or transactions:

- (1) The procuring of a policy of insurance upon a risk within this State where the applicant is unable to procure coverage in the open market with admitted companies and is otherwise in compliance with Article 21 of this Chapter.
- (2) Contracts of reinsurance; but not including assumption reinsurance transactions, whereby the reinsuring company succeeds to all of the liabilities of and supplants the ceding company on the insurance contracts that are the subject of the transaction, unless prior approval has been obtained from the Commissioner.
- (3) Transactions in this State involving a policy lawfully solicited, written and delivered outside of this State covering only subjects of insurance not resident, located or expressly to be performed in this State at the time of issuance, and which transactions are subsequent to the issuance of such policy.
- (4) Transactions in this State involving group life insurance, group annuities, or group, blanket, or franchise accident and health insurance where the master policy for the insurance was lawfully issued and delivered in a state in which the

company was authorized to transact business, unless the company has had its license to conduct business in this State suspended or revoked.

- (5) Transactions in this State involving all policies of insurance issued before July 1, 1967.
- (6) The procuring of contracts of insurance issued to a nuclear insured. As used in this subdivision, "nuclear insured" means a public utility procuring insurance against radioactive contamination and other risks of direct physical loss at a nuclear electric generating plant.
- (7) Insurance independently procured, as specified in subsection (b) of this section.
- (8) Insurance on vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured under marine insurance policies, as distinguished from inland marine insurance policies.
- (9) Transactions in this State involving commercial aircraft insurance, meaning insurance against (i) loss of or damage resulting from any cause to commercial aircraft and its equipment, (ii) legal liability of the insured for loss or damage to another person's property resulting from the ownership, maintenance, or use of commercial aircraft, and (iii) loss, damage, or expense incident to a liability claim.
- (10) An activity in this State by or on the sole behalf of a captive insurer licensed and subject to regulation in another jurisdiction other than this State that insures solely the risks of the company's parent and affiliated companies or the risks of a controlled unaffiliated business.

(b) Any person in this State may directly procure or directly renew insurance with an eligible surplus lines insurer, as defined in G.S. 58-21-10(3), without the involvement of an agent, broker, or surplus lines licensee, on a risk located or to be performed, in whole or in part, in this State. The person shall, within 30 days after the date the insurance is procured or renewed, file a written report with the Commissioner on forms prescribed by the Commissioner. The report must contain the name and address of the insured; name and address of the insurer; the subject of insurance; a general description of the coverage; the amount of premium currently charged; and any additional information requested by the Commissioner. The report must also contain an affidavit of the insured that states that the full amount or kind of insurance cannot be obtained from insurers that are licensed to do business in this State; and that the insured has made a diligent search among the insurers that are licensed to transact and are actually writing the particular kind and class of insurance in this State. Gross premiums charged for the insurance, less any return premiums, are subject to a tax at the rate of five percent (5%). At the time of filing the report required by this subsection, the insured shall pay the tax to the Commissioner. The Commissioner has the powers specified in G.S. 58-21-90 with respect to the tax levied by this subsection.

(c) This section does not apply to any surviving nonprofit corporation that results from a merger between the nonprofit corporation established by the North Carolina State Bar Council pursuant to Chapter 707 of the 1975 Session Laws of North Carolina and another domestic nonprofit corporation; provided, however, that any such surviving corporation shall register with the North Carolina State Bar Council under G.S. 84-23.1. (1967, c. 909, s. 1; 1971, c. 510, s. 3; 1985, c. 688, s. 2; 1987, c. 727, ss. 4, 5; c. 864, ss. 47, 70; 1991, c. 644, s. 6; 1993, c. 409, s. 26; c. 504, s. 20; 1995, c. 193, s. 30; 1999-219, s. 5.4; 2004-166, s. 4; 2007-305, s. 4; 2008-124, ss. 3.1, 3.2; 2013-116, s. 3; 2022-46, s. 9.)

§ 58-28-10: Repealed by Session Laws 2008-124, s. 3.5, effective July 28, 2008, and applicable to violations that occur on or after that date.

Payment of the civil penalty under this section shall be in addition to payment of any other penalty for a violation of the criminal laws of this State.

(h) Upon petition of the Commissioner, the Superior Court of Wake County may order the person who committed a violation specified in this section to make restitution in an amount that would make whole any person harmed by the violation. The petition may be made at any time and also in any appeal of any order issued by the Commissioner.

(i) Restitution to the Department for extraordinary administrative expenses incurred in the investigation and hearing of the violation may also be ordered by the court in such amount that would reimburse the Department for the expenses.

(j) Nothing in this section prevents the Commissioner from negotiating a mutually acceptable agreement with any person as to any civil penalty or restitution.

(k) The Attorney General of the State of North Carolina at the request of and upon information from the Commissioner shall initiate a civil action in behalf of the Commissioner in any county of the State in which a violation under this section occurs to recover the penalty provided. Service of process upon the nonadmitted insurer shall be made under G.S. 58-28-40. (2008-124, s. 3.4.)

§ 58-28-14. Monetary penalty; factors to be considered.

In determining the amount of the penalty under G.S. 58-28-13, the Commissioner shall consider:

- (1) The amount of money that inured to the benefit of the violator as a result of the violation,

Any person or insured holding contracts of insurance of an unauthorized insurer may bring an action in the courts of this State under the provisions of G.S. 58-16-35 for the enforcement of any rights pursuant to the contract of insurance. The failure of the insurance company to obtain a license shall not prevent such company from defending any action at law or

suit in equity in any court of this State so long as the said company fully complies with the provisions of G.S. 58-16-35(c), but no company transacting insurance business in this State without a license shall be permitted to maintain an action at law or in equity in any court of this State to enforce any right, claim or demand arising out of the transaction of such business until such company shall have obtained a license. Nor shall an action at law or in equity be maintained in any court of this State by any successor or assignee of such company on any such right, claim or demand originally held by such company until a license shall have been obtained by the company or by a company which has acquired all or substantially all of its assets. Nothing in this section shall be construed to abrogate the conditions of admission into this State nor to impair the authority of the Commissioner with respect to the issuance of licenses. The Commissioner in considering the issuance of a license shall take into consideration the acts or transactions which an unauthorized company has engaged in in this State prior to its application for a license. (1967, c. 909, s. 1; 1991, c. 720, ss. 4, 56; 1999-132, s. 9.1; 2000-140, s. 12.)

§ 58-28-20. Cease and desist orders; judicial review.

(a) Whenever the Commissioner has reasonable grounds to believe that any person is violating or is about to violate G.S. 58-28-5, 58-28-45, or 58-33-95, the Commissioner may, after notice and opportunity for hearing, make written findings and issue and cause to be served upon the person an order to cease and desist violating G.S. 58-28-5, 58-28-45, or 58-33-95.

(b) Until the expiration of the time allowed under G.S. 58-2-75 for filing a petition for review, the Commissioner may at any time, upon notice and in a manner the Commissioner considers proper, modify or set aside in whole or in part any order issued by the Commissioner under this section as follows:

- (1) Any time before the expiration of the time allowed for seeking judicial review, if no petition for review has been filed; or
- (2) If a petition for review has been timely filed, until the transcript of the record in the proceeding has been filed with the Court.

§ 58-28-35. Provisions of Article additional to existing law; application.

This Article applies to all kinds of insurance, including service corporations that would be subject to Article 65 of this Chapter, HMOs that would be subject to Article 67 of this Chapter, MEWAs that would be subject to Article 50A of this Chapter, and self-insured workers' compensation operations that would be subject to Article 47 of this Chapter or Article 4 of Chapter 97 of the General Statutes. (1989, c. 485, s. 15; 1999-244, s. 9; 2019-202, s. 8.)

§ 58-28-40. Service of process on Secretary of State as agent for unauthorized company.

(a) Any act of entering into a contract of insurance as an insurer or transacting insurance business in this State, as set forth in G.S. 58-28-12 by an unauthorized, foreign or alien company, shall be equivalent to and shall constitute an appointment by such company of the Secretary of State to be its true and lawful attorney upon whom may be served all lawful process in any action or proceeding against it arising out of a violation of G.S. 58-28-5, and any of said acts shall be a signification of its agreement that any such process against it, which is so served, shall be of the same legal force and validity as if in fact served upon the company.

(b) Service of process on the Secretary of State shall be made by the sheriff delivering to and leaving with the Secretary of State duplicate copies of such process, notice or demand. Service shall be deemed complete when the Secretary of State is so served. The Secretary of State shall endorse upon both copies the time of receipt and shall forthwith send one of such copies by registered mail, with return receipt requested, to such insurer at its last known principal place of business as shown on the process, notice or demand served on the Secretary of State. The Commissioner and the Attorney General shall see that such address is included on the process, notice or demand which is served upon the Secretary of State. A copy of the complaint or order of the clerk extending the time for filing the complaint must be mailed to the insurer with the copy of the summons. When a copy of the complaint is not mailed with the summons, the Secretary of State shall mail a copy of the complaint when it is served on him in the same manner as the copy of summons is required to be mailed.

(c) Upon the return to the Secretary of State of the requested return receipt showing delivery and acceptance of such registered mail, or upon the return of such registered mail showing refusal thereof by such unauthorized insurer, the Secretary of State shall note thereon the date of such return to him and shall attach either the return receipt or such refused mail including the envelope, as the case may be, to the copy of the process, notice or demand theretofore retained by

him and shall mail the same to the clerk of the court in which such action or proceeding is pending and in respect of which such process, notice or demand was issued. Such mailing, in addition to the return by the sheriff, shall constitute the due return required by law. The clerk of the court shall thereupon file the same as a paper in such action or proceeding.

(d) Service made under this section shall have the same legal force and validity as if the service had been made personally in this State. The refusal of any such unauthorized insurer to accept delivery of the registered mail provided for in subsection (b) of this section or the refusal to sign the return receipt shall not affect the validity of such service; and any foreign or alien insurer refusing to accept delivery of such registered mail shall be charged with knowledge of the contents of any process, notice or demand contained therein.

(e) Whenever service of process is made upon the Secretary of State as herein provided the defendant unauthorized insurer shall have 30 days from the date when the defendant receives or refuses to accept the registered mail containing the copy of the complaint sent as in this section provided in which to appear and answer the complaint in the action or proceeding so instituted. Entries on the defendant's return receipt or the refused registered mail shall be sufficient evidence of such date. If the date of acceptance or refusal to accept the registered mail cannot be determined from the entries on the return receipt or from notations of the postal authorities on the envelope, then the date when the defendant accepted or refused to accept the registered mail shall be deemed to be the date that the return receipt or the registered mail was received back by the Secretary of State.

(f) The court in any action or proceeding in which service is made in the manner provided in the above paragraph may, in its discretion, order such postponement as may be necessary to afford such company reasonable opportunity to defend such action or proceeding.

(g) The Secretary of State shall keep a summarized record of all processes, notices and demands served upon him under this section, and shall record therein the time of such service and his action with reference thereto.

(h) Nothing herein contained shall limit or affect the right to serve any process, notice or demand to be served upon an insurer in any other manner now or hereafter permitted by law.

(i) No judgment by default shall be entered in any such action or proceeding until the expiration of 30 days from the date of the filing of the affidavit of compliance. (1967, c. 909, s. 1; 1987, c. 864, ss. 62-64; 1991, c. 720, s. 4; 2008-124, s. 3.3.)

- (1) "Chief executive officer", as used in subsection (b) of this section, means the person, irrespective of title, designated by the board of directors or trustees of an insurer as the person charged with administering and implementing an insurer's policies and procedures.
- (2) "Impaired", as used in subsections (b) and (c) of this section, means a financial condition in which the assets of an insurer are less than the sum of the insurer's minimum required capital, minimum required surplus, and all liabilities as determined in accordance with the requirements for the preparation and filing of a financial statement under G.S. 58-2-165 and under other provisions of this Chapter.
- (3) "Insolvent", as used in subsection (c) of this section, has the same meaning as set forth in G.S. 58-30-10(13).

(b) Whenever an insurer is impaired, its chief executive officer shall, as soon as is reasonably possible, notify the Commissioner in writing of the impairment and shall at the same time notify in writing all of the members of the board of directors or trustees of the insurer, if the chief executive officer knows or has reason to know of the impairment. An officer, director, or trustee of an insurer shall notify the chief executive officer of the impairment of the insurer if the officer, director, or trustee knows or has reason to know that the insurer is impaired. Any person who knowingly violates this subsection shall, upon conviction, be guilty of a Class 1 misdemeanor.

§ 58-30-15. Jurisdiction and venue.

(a) No delinquency proceeding shall be commenced by anyone other than the Commissioner and no other court has jurisdiction to entertain, hear, or determine any proceeding commenced by any other person.

(b) Except as provided in this Article, no court of this State has jurisdiction to entertain, hear, or determine any complaint praying for the dissolution, liquidation, rehabilitation, sequestration, conservation, or receivership of any insurer; or praying for an injunction or restraining order or other relief preliminary to, incidental to, or relating to such proceedings.

(c) In addition to other grounds for jurisdiction provided by the laws of this State, the Court has jurisdiction over a person served pursuant to Chapter 1A of the General Statutes or other applicable provisions of law in an action brought by the receiver of a domestic insurer or an alien insurer domiciled in this State:

- (1) If the person served is obligated to the insurer in any way as an incident to any agency or brokerage arrangement that may exist or has existed between the insurer and the agent or broker, in any action on or incident to the obligation; or
- (2) If the person served is a reinsurer who has at any time entered into a contract of reinsurance with an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, or is an agent or broker of or for the reinsurer, in any action on or incident to the reinsurance contract; or
- (3) If the person served is or has been an officer, manager, trustee, organizer, promoter, or person in a position of comparable authority or influence, in an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, in any action resulting from such a relationship with the insurer; or
- (4) If the person served is or was, when the delinquency proceeding was begun against the insurer, holding assets in which the receiver claims an interest on behalf of the insurer, in any action concerning the assets; or
- (5) If the person served is obligated to the insurer in any way whatsoever, in any action on or incident to the obligation.

(d) All actions authorized in this Article shall be brought in the Superior Court of Wake County.

(e) The provisions of Chapter 150B of the General Statutes do not apply to this Article. (1989, c. 452, s. 1; 1991, c. 681, s. 41.)

§ 58-30-20. Injunctions and orders.

(a) Any receiver appointed in a proceeding under this Article may at any time apply for, and any court of general jurisdiction may grant, such restraining orders, preliminary and permanent injunctions, and other orders as may be deemed to be necessary and proper to prevent:

- (1) The transaction of further business;
- (2) The transfer of property;
- (3) Interference with the receiver or with a proceeding under this Article;
- (4) Waste of the insurer's assets;
- (5) Dissipation and transfer of bank accounts;
- (6) The institution or further prosecution of any actions or proceedings;
- (7) The obtaining of preferences, judgments, attachments, garnishments, or liens against the insurer, its assets or its policyholders;
- (8) The levying of execution against the insurer, its assets, or its policyholders;
- (9) The making of any sale or deed for nonpayment of taxes or assessments that would lessen the value of the assets of the insurer;
- (10) The withholding from the receiver of books, accounts, documents, or other records relating to the business of the insurer; or
- (11) Any other threatened or contemplated action that might lessen the value of the insurer's assets or prejudice the rights of policyholders, creditors, or shareholders, or the administration of any proceeding under this Article.

(b) The receiver may apply to any court outside of this State for the relief described in subsection (a) of this section.

(c) Notwithstanding any provision in subsections (a) and (b) of this section to the contrary, after the seventh day following the filing of a delinquency proceeding, a federal home loan bank shall not be stayed or prohibited from exercising its rights regarding collateral pledged by an insurer-member. The federal home loan bank exercising its rights regarding collateral pledged by an insurer-member shall repurchase any outstanding capital stock in excess of the amount of its stock that the insurer-member is required to hold as a minimum investment to the extent the federal home loan bank determines in good faith the repurchase is (i) permissible under applicable law, regulations, obligations arising under regulations, and the federal home loan bank's capital plan and (ii) consistent with the capital stock practices currently applicable to the federal home loan bank's entire membership.

(d) Within 10 days of the appointment of a receiver for an insurer-member in a proceeding under this Article, the federal home loan bank shall provide the receiver with a process and time line for all of the following:

- (1) The release of collateral that exceeds the amount required to support secured obligations remaining after any repayment of loans as determined under applicable agreements between the federal home loan bank and the insurer-member.
- (2) The release of any collateral of the insurer-member remaining in the federal home loan bank's possession following repayment in full of all outstanding secured obligations of the insurer-member.
- (3) The payment of fees owed by the insurer-member and the operation, maintenance, closure, or disposition of deposits and other accounts of the insurer-member as mutually agreed upon by the receiver and federal home loan bank.

(4) Any redemption or repurchase of federal home loan bank stock or excess stock of any class that the insurer-member is required to own.

(e) Upon request of a receiver appointed under this Article, the federal home loan bank shall provide any available options for an insurer-member subject to a delinquency proceeding to renew or restructure a loan. In determining which options to renew or restructure a loan are available, the federal home loan bank may consider market conditions, the terms of any loans outstanding to the insurer-member, the applicable policies of the federal home loan bank, and the federal laws and regulations applicable to the federal home loan bank. (1989, c. 452, s. 1; 2017-164, s. 1(b).)

§ 58-30-22. Powers of Commissioner and receiver to examine or audit books or records.

(a) As used in this section, "person" includes an agent of the insurer; a broker, ceding or assuming reinsurer, or reinsurance intermediary that has done business with the insurer; or any affiliate of the insurer.

(b) In addition to other powers granted under this Chapter, the Commissioner in any supervision proceeding under this Article and a receiver in any delinquency proceeding under this Article has the power to examine or audit the books or records of any person insofar as those books or records relate to the business activities of the insurer that is under supervision or subject to a delinquency proceeding.

(c) Repealed by Session Laws 1995, c. 360, s. 2(a). (1991, c. 681, s. 42; 1995, c. 360, s. 2(a).)

§ 58-30-25. Cooperation of officers, owners and employees.

(a) Any officer, manager, director, trustee, owner, employee, or agent of any insurer, and any other person with authority over or in charge of any segment of the insurer's affairs, shall cooperate with the Commissioner in any proceeding under this Article or any investigation preliminary to the proceeding. As used in this section, "person" includes any person who exercises direct or indirect control over activities of an insurer through any holding company or other affiliate of the insurer. "Cooperate" includes replying promptly in writing to any inquiry from the Commissioner requesting such a reply and making available to the Commissioner any books, accounts, documents, or other records or information or property of or pertaining to the insurer and in his possession, custody, or control.

(b) No person shall obstruct or interfere with the Commissioner in the conduct of any delinquency proceeding or any investigation preliminary or incidental thereto.

(c) This section does not abridge otherwise existing legal rights, including the right to resist a petition for any delinquency proceeding or other order.

(d) Any person described in subsection (a) of this section who fails to cooperate with the Commissioner, or any person who obstructs or interferes with the Commissioner in the conduct of any delinquency proceeding or any investigation preliminary or incidental thereto, or any person who knowingly and willfully violates any order the Commissioner issued validly under this Article is subject to the civil penalty and restitution provisions of G.S. 58-2-70 and is subject further to the revocation or suspension of any licenses issued by the Commissioner. (1989, c. 452, s. 1.)

§ 58-30-30. Bonds.

In any proceeding under this Article, the Commissioner and his deputies shall be responsible on their official bonds for the faithful performance of their duties. (1989, c. 452, s. 1.)

§ 58-30-35. Executory contracts and unexpired leases.

(a) Except as provided in subsections (b), (c), and (d) of this section, the receiver, subject to the Court's approval, may assume or reject any executory contract or unexpired lease of the insurer.

(b) (1) If there has been a default in an executory contract or unexpired lease of the insurer, the receiver may not assume such contract or lease unless, at the time of assumption of such contract or lease, the receiver:

- a. Cures, or provides adequate assurance that the receiver will promptly cure, such default;
- b. Compensates, or provides adequate assurance that the receiver will promptly compensate, a party, other than the insurer to such contract or lease, for any actual pecuniary loss to such party resulting from such default; and
- c. Provides adequate assurance of future performance under such contract or lease.

(2) Subdivision (1) of this subsection does not apply to a default that is a breach of a provision relating to;

- a. The insolvency or financial condition of the insurer at any time before the closing of the case;
- b. The commencement of a proceeding under this Article; or
- c. The appointment of or taking possession by a receiver in a proceeding under this Article or a custodian before such commencement.

(3) Notwithstanding any other provision of this section, if there has been a default in an unexpired lease of the insurer, other than a default of a kind specified in subdivision (2) of this subsection, the receiver may not require a lessor to provide services or supplies incidental to such lease before assumption of such lease unless the lessor is compensated under the terms of such lease for any services and supplies provided under such lease before assumption of such lease.

(c) The receiver may not assume or assign an executory contract or unexpired lease of the insurer, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties, if:

(1) a. Applicable law excuses a party, other than the insurer, to such contract or lease from accepting performance from or rendering performance to the receiver or an assignee of such contract or lease, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties; and

b. Such party does not consent to such assumption or assignment; or

(2) Such contract is a contract to make a loan, or extend other debt financing or financial accommodations, to or for the benefit of the insurer, or to issue a security of the insurer.

(d) (1) In a proceeding under G.S. 58-30-105, if the receiver does not assume or reject an executory contract or unexpired lease of the insurer within 60 days after the order for liquidation, or within such additional time as the Court, for cause, within such 60-day period, fixes, then such contract or lease is deemed to be rejected.

- (2) In a proceeding under G.S. 58-30-80 the receiver may assume or reject an executory contract or unexpired lease of the insurer at any time before the order for a plan of rehabilitation, but the Court, on request of any party to such contract or lease, may order the receiver to determine within a specified period of time whether to assume or reject such contract or lease.
- (e) (1) Notwithstanding a provision in an executory contract or unexpired lease, or in applicable law, an executory contract or unexpired lease of the insurer may not be terminated or modified, and any right or obligation under such contract or lease may not be terminated or modified, at any time after the commencement of the proceeding solely because of a provision in such contract or lease that is conditioned on:
 - a. The insolvency or financial condition of the insurer at any time before the closing of the proceeding;
 - b. The commencement of a proceeding under this Article; or
 - c. The appointment of or taking possession by a receiver in a proceeding under this Article or a custodian before such commencement.
- (2) Subdivision (1) of this subsection does not apply to an executory contract or unexpired lease of the insurer, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties, if:
 - a. Applicable law excused a party, other than the insurer, to such contract or lease from accepting performance from or rendering performance to the receiver or to an assignee of such contract or lease, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties and such party does not consent to such assumption or assignment; or
 - b. Such contract is a contract to make a loan, or extend other debt financing or financial accommodations, to or for the benefit of the insurer, or to issue a security of the insurer.
- (f) (1) Except as provided in subsection (c) of this section, notwithstanding a provision in an executory contract or unexpired lease of the insurer, or in applicable law, that prohibits, restricts, or conditions the assignment of such contract or lease, the receiver may assign such contract or lease under subdivision (2) of this subsection.
- (2) The receiver may assign an executory contract or unexpired lease of the insurer only if:
 - a. The receiver assumes such contract or lease in accordance with the provisions of this section; and
 - b. Adequate assurance of future performance by the assignee of such contract or lease is provided, whether or not there has been a default in such contract or lease.
- (3) Notwithstanding a provision in an executory contract or unexpired lease of the insurer, or in applicable law that terminates or modifies, or permits a party other than the insurer to terminate or modify, such contract or lease or a right or obligation under such contract or lease on account of an assignment of such contract or lease, such contract, lease, right, or obligation may not be terminated

or modified under such provision because of the assumption or assignment of such contract or lease by the receiver.

- (g) Except as provided in subdivisions (h)(2) and (i)(2) of this section, the rejection of an executory contract or unexpired lease of the insurer constitutes a breach of such contract or lease:
- (1) If such contract or lease has not been assumed under this section or under a plan of rehabilitation under G.S. 58-30-80, immediately before the date of the filing of the petition; or
 - (2) If such contract or lease has been assumed under this section or under a plan of rehabilitation under G.S. 58-30-80:
 - a. If before such rejection the proceeding has not been converted to a proceeding under G.S. 58-30-105 at the time of such rejection; or
 - b. If before such rejection the case has been converted to a proceeding under G.S. 58-30-105: (i) immediately before the date of such conversion, if such contract or lease was assumed before such conversion; or (ii) at the time of such rejection, if such contract or lease was assumed after such conversion.
- (h) (1) If the receiver rejects an unexpired lease of real property of the insurer under which the insurer is the lessor, the lessee under such lease may treat the lease as terminated by such rejection, or, in the alternative, may remain in possession for the balance of the term of such lease and any renewal or extension of such term that is enforceable by such lessee under applicable provision of law outside of this Article.
- (2) If such lessee remains in possession, such lessee may offset against the rent reserved under such lease for the balance of the term after the date of the rejection of such lease, and any such renewal or extension, any damages occurring after such date caused by the nonperformance of any obligation of the insurer after such date, but such lessee does not have any rights against the estate on account of any damages arising after such date from such rejection, other than such offset.
- (i) (1) If the receiver rejects an executory contract of the insurer for the sale of real property under which the purchaser is in possession, such purchaser may treat such contract as terminated, or, in the alternative, may remain in possession of such real property.
- (2) If such purchaser remains in possession:
 - a. Such purchaser shall continue to make all payments due under such contract but may offset against such payments any damages occurring after the date of the rejection of such contract caused by the nonperformance of any obligation of the insurer after such date, but such purchaser does not have any rights against the estate on account of any damages arising after such date from such rejection, other than such offset; and
 - b. The receiver shall deliver title to such purchaser in accordance with the provisions of such contract, but is relieved of all other obligations to perform under such contract.
- (j) A purchaser that treats an executory contract as terminated under subsection (i) of this section, or a party whose executory contract to purchase real property from the insurer is rejected

and under which such party is not in possession, has a lien on the interest of the insurer in such property for the recovery of any portion of the purchase price that such purchaser or party has paid.

(k) Assignment by the receiver to a person of a contract or lease assumed under this section relieves the receiver and the estate from any liability for any breach of such contract or lease occurring after such assignment. (1989, c. 452, s. 1.)

§ 58-30-40. Turnover of property by a custodian.

(a) As used in this section "custodian" means:

- (1) A receiver or trustee of any of the property of the insurer, appointed in a case or proceeding not under this Article;
- (2) An assignee under a general assignment for the benefit of the insurer's creditors; or
- (3) A trustee, receiver, or agent under applicable law, or under a contract, that is appointed or authorized to take charge of property of the insurer for the purpose of enforcing a lien against such property, or for the purpose of general administration of such property for the benefit of the insurer's creditors.

(b) A custodian with knowledge of the commencement of a proceeding under this Article may not make any disbursement from, or take any action in the administration of property of the insurer, proceeds of such property, or property of the estate, in the possession, custody, or control of such custodian, except such action as is necessary to preserve such property.

(c) A custodian shall:

- (1) Deliver to the receiver any property of the insurer transferred to such custodian, or proceeds of such property, that is in such custodian's possession, custody, or control on the date that such custodian acquires knowledge of the commencement of the proceeding; and
- (2) File an accounting of any property of the insurer, or proceeds of such property, that, at any time, came into the possession, custody, or control of such custodian.

(d) The Court, after notice and a hearing, shall:

- (1) Protect all entities to which a custodian has become obligated with respect to such property;
- (2) Provide for the payment of reasonable compensation for services rendered and costs and expenses incurred by such custodian; and
- (3) Surcharge such custodian, other than an assignee for the benefit of the insurer's creditors that was appointed or took possession more than 120 days before the date of the filing of the petition, for any improper excessive disbursement, other than a disbursement that has been made in accordance with applicable law or approved, after notice and a hearing, by a court of competent jurisdiction before the commencement of the proceeding under this Article.

(e) The Court may, after notice and a hearing, excuse compliance with subsection (a), (b), or (c) of this section, if the interests of policyholders, creditors, and any equity security holders would be better served by permitting a custodian to continue in possession, custody, or control of such property. (1989, c. 452, s. 1.)

§ 58-30-45. Utility service.

(a) Except as provided in subsection (b) of this section, a utility may not alter, refuse, or discontinue service to, or discriminate against, the receiver or the insurer solely on the basis that a debt owed by the insurer to such utility for service rendered before an order of rehabilitation or liquidation was not paid when due.

(b) Such utility may alter, refuse, or discontinue service if neither the receiver nor the insurer, within 20 days after the date of an order of rehabilitation or liquidation, furnishes adequate assurance of payment, in the form of a deposit or other security, for services after such date. On request of a party in interest and after notice and a hearing, the Court may order reasonable modification of the amount of the deposit or other security necessary to provide adequate assurance of payment. (1989, c. 452, s. 1.)

§ 58-30-50. Continuation of delinquency proceedings.

Every proceeding that was commenced under the laws in effect before June 26, 1989, is deemed to have been commenced under this Article for the purpose of conducting the proceeding; except that in the discretion of the Commissioner the proceeding may be continued, in whole or in part, as it would have been continued had this Article not been enacted. (1989, c. 452, s. 1.)

§ 58-30-55. Condition on release from delinquency proceedings.

No insurer that is subject to any delinquency proceedings, whether formal or informal, administrative or judicial, shall:

- (1) Be released from such proceeding, unless such proceeding is converted into a judicial rehabilitation or liquidation proceeding;
- (2) Be permitted to solicit or accept new business or request or accept the restoration of any suspended or revoked license;
- (3) Be returned to the control of its shareholders or private management; or
- (4) Have any of its assets returned to the control of its shareholders or private management;

until all payments of or on account of the insurer's contractual obligations by all guaranty associations, along with all expenses thereof and interest on all such payments and expenses, have been repaid to the guaranty associations or a plan of repayment by the insurer shall have been approved by the guaranty associations. (1989, c. 452, s. 1; 1999-132, s. 9.1; 2000-140, s. 14.)

§ 58-30-60. Commissioner's summary orders and supervision proceedings.

(a) Whenever the Commissioner has reasonable cause to believe, and determines after a hearing held under subsection (e) of this section, that any domestic insurer has committed or is engaged in, or is about to commit or engage in, any act, practice, or transaction that would subject it to delinquency proceedings under this Article, he may make and serve upon the insurer and any other persons involved, such orders as are reasonably necessary to correct, eliminate, or remedy such conduct, condition, or ground.

(b) The Commissioner may consider any or all of the following standards to determine whether the continued operation of any licensed insurer is hazardous to its policyholders, creditors, or the general public:

- (1) Adverse findings reported in financial condition and market conduct examination reports, audit reports, and actuarial opinions, reports, or summaries;

- (2) The NAIC Insurance Regulatory Information System and its other financial analysis solvency tools and reports;
- (3) Repealed by Session Laws 2013-199, s. 6, effective July 1, 2013.
- (4) Whether the insurer has made adequate provision, according to presently accepted actuarial standards of practice, for the anticipated cash flows required by the contractual obligations and related expenses of the insurer, when considered in light of the assets held by the insurer with respect to such reserves and related actuarial items, including, but not limited to, the investment earnings on such assets, and the considerations anticipated to be received and retained under such policies and contracts;
- (5) The ability of an assuming reinsurer to perform and whether the insurer's reinsurance program provides sufficient protection for the insurer's remaining surplus, after taking into account the insurer's cash flow and the classes of business written as well as the financial condition of the assuming reinsurer;
- (6) Whether an insurer's operating loss in the last 12-month period or any shorter period of time, including, but not limited to, net capital gain or loss, changes in nonadmitted assets, and cash dividends paid to shareholders, is greater than fifty percent (50%) of the insurer's remaining policyholders' surplus in excess of the minimum required;
- (6a) Whether the insurer's operating loss in the last 12-month period or any shorter period of time, excluding net capital gains, is greater than twenty percent (20%) of the insurer's remaining policyholders' surplus in excess of the minimum required;
- (7) Whether a reinsurer, obligor, or any entity within the insurer's insurance holding company system is insolvent, threatened with insolvency, or delinquent in payment of its monetary or any other obligation and which in the opinion of the Commissioner may affect the solvency of the insurer;
- (8) Contingent liabilities, pledges, or guaranties that either individually or collectively involve a total amount that in the Commissioner's opinion may affect an insurer's solvency;
- (9) Whether any controlling person of an insurer is delinquent in the transmitting to or payment of net premiums to the insurer;
- (10) The age and collectibility of receivables;
- (11) Whether the management of an insurer, including officers, directors, or any other person who directly or indirectly controls the operation of the insurer, fails to possess and demonstrate the competence, fitness, or reputation considered by the Commissioner to be necessary to serve the insurer in that position;
- (12) Whether the management of an insurer has failed to respond to the Commissioner's inquiries about the condition of the insurer or has furnished false and misleading information in response to an inquiry by the Commissioner;
- (12a) Whether the insurer has failed to meet financial and holding company filing requirements in the absence of a reason satisfactory to the Commissioner;
- (13) Whether the management of an insurer has filed any false or misleading sworn financial statement, has released a false or misleading financial statement to a

- lending institution or to the general public, or has made a false or misleading entry or omitted an entry of material amount in the insurer's books;
- (14) Whether the insurer has grown so rapidly and to such an extent that it lacks adequate financial and administrative capacity to meet its obligations in a timely manner;
 - (15) Whether the insurer has experienced or will experience in the foreseeable future cash flow or liquidity problems;
 - (16) Whether management has established reserves that do not comply with minimum standards established by State insurance laws, regulations, statutory accounting standards, sound actuarial principles, and standards of practice;
 - (17) Whether management persistently engages in material under reserving that results in adverse development;
 - (18) Whether transactions among affiliates, subsidiaries, or controlling persons for which the insurer receives assets or capital gains, or both, do not provide sufficient value, liquidity, or diversity to assure the insurer's ability to meet its outstanding obligations as they mature; or
 - (19) Any other finding determined by the Commissioner to be hazardous to the insurer's policyholders, creditors, or general public.

To determine an insurer's financial condition under this Article, the Commissioner may: disregard any credit or amount receivable resulting from transactions with a reinsurer that is insolvent, impaired, or otherwise subject to a delinquency proceeding; make appropriate adjustments to asset values attributable to investments in or transactions with parents, subsidiaries, or affiliates of an insurer; refuse to recognize the stated value of accounts receivable if the insurer's ability to collect receivables is highly speculative in view of the age of the account or the financial condition of the debtor; or increase the insurer's liability in an amount equal to any contingent liability, pledge, or guarantee not otherwise included if there is a substantial risk that the insurer will be called upon to meet the obligation undertaken within the next 12-month period.

If upon examination or at any other time the Commissioner has reasonable cause to believe that any domestic insurer is in such condition as to render the continuance of its business hazardous to the public or to holders of its policies or certificates of insurance, or if the domestic insurer gives its consent, then the Commissioner shall upon the Commissioner's determination:

- (1) Issue an order notifying the insurer of that determination; and
- (2) Furnish to the insurer a written list of the Commissioner's requirements to abate that determination that may include any of the following:
 - a. A reduction in the total amount of present and potential liability for policy benefits by reinsurance.
 - b. A reduction, suspension, or limitation of the volume of insurance being accepted or renewed.
 - c. A reduction in general insurance and commission expenses by specified methods.
 - d. An increase in the insurer's capital and surplus.
 - e. A suspension or limitation in the insurer's declaration and payment of dividends to its stockholders or policyholders.
 - f. The filing of reports in a form acceptable to the Commissioner concerning the market value of its assets.

- g. A limitation or withdrawal from certain investments or the discontinuance of certain investment practices to the extent the Commissioner considers necessary.
- h. Documentation of the adequacy of premium rates in relation to the risks insured.
- i. The filing, in addition to regular annual financial statements, of interim financial reports on the form adopted by the NAIC or on such format prescribed by the Commissioner.
- j. The correction of corporate governance practice deficiencies.
- k. The adoption and utilization of governance practices acceptable to the Commissioner.
- l. The provision of a business plan to the Commissioner in order to continue to transact business in the State.

Notwithstanding any other provision of law limiting the frequency or amount of premium rate adjustments, the Commissioner may adjust rates for any nonlife insurance product written by the insurer that the Commissioner considers necessary to improve the financial condition of the insurer.

(c) If the Commissioner makes a determination to supervise an insurer subject to an order under subsections (a) or (b) of this section, he shall notify the insurer that it is under the supervision of the Commissioner. During the period of supervision, the Commissioner may appoint a supervisor to supervise such insurer. The order appointing a supervisor shall direct the supervisor to enforce orders issued under subsections (a) and (b) of this section and may also require that the insurer may not do any of the following things during the period of supervision, without the prior approval of the Commissioner or his supervisor:

- (1) Dispose of, convey, or encumber any of its assets or its business in force;
- (2) Withdraw from any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation, or liability;
- (7) Merge or consolidate with another company; or
- (8) Enter into any new reinsurance contract or treaty.

(d) Any insurer subject to an order under this section shall comply with the lawful requirements of the Commissioner and, if placed under supervision, shall comply with the requirements of the Commissioner within such period of time established by the Commissioner. The Commissioner may in his discretion extend the time for compliance beyond such period of time for cause. In the event of such insurer's failure to comply within such period of time, the Commissioner may institute proceedings under this Article to have a rehabilitator or liquidator appointed, or extend the period of supervision.

(e) The notice of hearing under subsection (a) of this section and any order issued pursuant to that subsection shall be served upon the insurer pursuant to the applicable rules of civil procedure. The notice of hearing shall state the time and place of hearing, and the conduct, condition, or ground upon which the Commissioner would base his order. Unless mutually agreed upon between the Commissioner and the insurer, the hearing shall occur not less than 10 days nor more than 30 days after notice is served and shall be either in Wake County or in some other place designated by the Commissioner. The Commissioner shall hold all hearings under subsection (a) of

this section privately unless the insurer requests a public hearing, in which case the hearing shall be public.

(f) Any insurer subject to an order under subsection (b) of this section may request an administrative hearing before the Commissioner or his designee to review that order. Such hearing shall be held as provided in subsection (e) of this section, but the request for a hearing shall not stay the effect of the order. If the Commissioner issues an order under subsection (b) of this section, the insurer may, at any time, waive the hearing and apply for immediate judicial relief by means of any remedy afforded by law without first exhausting its administrative remedies. Subsequent to an administrative hearing, any party to the proceedings whose interests are substantially affected is entitled to judicial review of any order issued by the Commissioner.

(g) During the period of supervision the insurer may request the Commissioner to review any action taken or proposed to be taken by the supervisor, specifying wherein the action complained of is believed not to be in the best interest of the insurer.

(h) If any person violates any supervision order issued under this section that as to him is then still in effect, he shall be liable to pay a civil penalty imposed by the Court not to exceed ten thousand dollars (\$10,000). The clear proceeds of civil penalties imposed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(i) The Commissioner may apply for, and any court of general jurisdiction may grant, such restraining orders, preliminary and permanent injunctions, and other orders as may be deemed to be necessary and proper to enforce a supervision order.

(j) In the event that any person subject to the provisions of this Article, including any person described in G.S. 58-30-25(a), knowingly and willfully violates any valid order of the Commissioner issued under the provisions of this section and, as a result of such violation, the net worth of the insurer is reduced or the insurer suffers loss that it would not otherwise have suffered, said person shall become personally liable to the insurer for the amount of any such reduction or loss. The Commissioner or supervisor is authorized to bring an action on behalf of the insurer in the Court to recover the amount of the reduction or loss together with any costs. (1989, c. 452, s. 1; 1989 (Reg. Sess., 1990), c. 1021, s. 6; 1991, c. 681, s. 43; 1998-215, s. 86; 2013-199, s. 6.)

§ 58-30-62. Administrative supervision of insurers.

(a) As used in this section, an insurer has "exceeded its powers" when it: has refused to permit examination of its books, papers, accounts, records or affairs by the Commissioner; has in violation of G.S. 58-7-50 removed from this State books, papers, accounts or records necessary for an examination of the insurer; has failed to comply promptly with applicable financial reporting statutes or rules and related Department requests; continues to transact the business of insurance after its license has been revoked or suspended by the Commissioner; by contract or otherwise, has unlawfully, or has in violation of an order of the Commissioner, or has without first having obtained any legally required written approval of the Commissioner, totally reinsured its entire outstanding business or merged or consolidated substantially its entire property or business with another insurer; has engaged in any transaction in which it is not authorized to engage under the laws of this State; has not complied with G.S. 58-7-73; or has refused to comply with a lawful order of the Commissioner. As used in this section, "Commissioner" includes an authorized representative or designee of the Commissioner.

(b) This section applies to all domestic insurers and any other insurer doing business in this State whose state of domicile has asked the Commissioner to apply the provisions of this section to that insurer.

(c) An insurer may be subject to administrative supervision by the Commissioner if upon examination or at any other time it appears to the Commissioner that the insurer: has exceeded its powers; has failed to comply with applicable provisions of this Chapter; is conducting its business in a manner that is hazardous to the public or to its insureds; or consents to administrative supervision.

(d) If the Commissioner determines that the conditions set forth in subsection (c) of this section exist, the Commissioner shall: notify the insurer of that determination; furnish to the insurer a written list of the requirements to abate those conditions; and notify the insurer that it is under the supervision of the Commissioner and that the Commissioner is applying and effectuating the provisions of this section.

(e) If placed under administrative supervision, the insurer shall have 60 days, or a different period of time determined by the Commissioner, to comply with the requirements of the Commissioner under this section. If the Commissioner determines after notice and hearing that the conditions giving rise to the supervision still exist at the end of the supervision period specified in this subsection, the Commissioner may extend the period; or if the Commissioner determines that none of the conditions giving rise to the supervision exist, the Commissioner shall release the insurer from supervision.

(f) Notwithstanding any other provision of law and except as set forth in this section, all proceedings, hearings, notices, correspondence, reports, records, and other information in the possession of the Commissioner or the Department relating to the supervision of any insurer are confidential. The Department shall have access to such proceedings, hearings, notices, correspondence, reports, records, or other information as permitted by the Commissioner. The Commissioner may open the proceedings or hearings, or disclose the notices, correspondence, reports, records, or information to a department, agency or instrumentality of this or another state of the United States if the Commissioner determines that the disclosure is necessary or proper for the enforcement of the laws of this or another state of the United States. The Commissioner may open the proceedings or hearings or make public the notices, correspondence, reports, records, or other information if the Commissioner considers that it is in the best interest of the insurer, its insureds or creditors, or the general public. This section does not apply to hearings, notices, correspondence, reports, records, or other information obtained upon the appointment of a receiver for the insurer by a court of competent jurisdiction.

(g) During the period of supervision, the Commissioner shall serve as the administrative supervisor. The Commissioner may provide that the insurer shall not do any of the following during the period of supervision, without the Commissioner's prior approval: dispose of, convey, or encumber any of its assets or its business in force; withdraw from any of its bank accounts; lend or invest any of its funds; transfer any of its property; incur any debt, obligation, or liability; merge or consolidate with another company; establish new premiums or renew any policies; enter into any new reinsurance contract or treaty; terminate, surrender, forfeit, convert, or lapse any insurance coverage, except for nonpayment of premiums due; release, pay, or refund premium deposits, accrued cash, or loan values, unearned premiums, or other reserves on any insurance coverage; make any material change in management; increase salaries or benefits of officers or directors or make preferential payment of bonuses, dividends, or other payments considered preferential; or make any other change in its operations that the Commissioner considers to be material.

(h) During the period of supervision the insurer may contest an action taken or proposed to be taken by the Commissioner, specifying why the action being complained of would not result in improving the insurer's condition.

(i) This section does not limit powers granted to the Commissioner by any other provision of law. This section does not preclude the Commissioner from initiating judicial proceedings to place an insurer in a delinquency proceeding under this Article, regardless of whether the Commissioner has previously initiated administrative supervision proceedings under this section or under G.S. 58-30-60 against the insurer. The determination as to actions under this section is in the Commissioner's discretion.

(j) Notwithstanding any other provision of law, the Commissioner may meet with a supervisor appointed under this section and with the attorney or other representative of the supervisor, without the presence of any other person, at the time of any proceeding or during the pendency of any proceeding held under the authority of this section, to carry out the Commissioner's duties under this section or for the supervisor to carry out the supervisor's duties under this section.

(k) There is no liability by, and no cause of action of any nature arises against, the Commissioner for any acts or omissions by the Commissioner in the performance of the Commissioner's powers and duties under this section. (1991, c. 681, s. 44; 2002-187, s. 2.10; 2003-212, s. 26(i).)

§ 58-30-65. Court's seizure order.

(a) The Commissioner may file in the Court a petition alleging, with respect to a domestic insurer:

- (1) That there exist grounds that justify a judicial order for a formal delinquency proceeding against an insurer under this Article;
- (2) That the interests of policyholders, creditors, or the public will be endangered by delay; and
- (3) The contents of an order deemed by the Commissioner to be necessary.

(b) Upon a filing under subsection (a) of this section, the Court may issue forthwith, **ex parte**, the requested order, that directs the Commissioner to take possession and control of all or a part of the property, books, accounts, documents, and other records of an insurer, and of the premises occupied by it for transaction of its business, and that, until further order of the Court, enjoins the insurer and its officers, managers, agents, and employees from disposing of its property and from transacting its business except with the written consent of the Commissioner.

(c) The Court shall specify in the order what its duration shall be, which shall be such time as the Court considers necessary for the Commissioner to ascertain the condition of the insurer. On motion of either party or on its own motion, the Court may from time to time hold such hearings as it considers desirable after such notice as it considers appropriate; and may extend, shorten, or modify the terms of the seizure order. The Court shall vacate the seizure order if the Commissioner fails to commence a formal proceeding under this Article after having a reasonable opportunity to do so. An order of the Court pursuant to a formal proceeding under this Article shall **ipso facto** vacate the seizure order.

(d) Entry of a seizure order under this section does not constitute an anticipatory breach of any contract of the insurer.

(e) An insurer subject to an **ex parte** order under this section may petition the Court at any time after the issuance of such order for a hearing and review of the order. The Court shall hold

such a hearing and review not more than 15 days after the request. A hearing under this subsection may be held privately in chambers, and it shall be so held if the insurer proceeded against so requests.

(f) If, at any time after the issuance of such an order, it appears to the Court that any person whose interest is or will be substantially affected by the order did not appear at the hearing and has not been served, the Court may order that notice be given. An order that notice be given does not stay the effect of any order previously issued by the Court. (1989, c. 452, s. 1.)

§ 58-30-70. Confidentiality of hearings.

In all proceedings and judicial reviews thereof under G.S. 58-30-60 and G.S. 58-30-65, all records of the insurer, other documents, and all Department files and Court records and papers, insofar as they pertain to or are a part of the record of the proceedings, shall be and remain confidential except as is necessary to obtain compliance therewith, unless the Court, after hearing arguments from the parties in chambers, orders otherwise; or unless the insurer requests that the matter be made public. Until such Court order, all papers filed with the clerk of the Court shall be held by him in a confidential file. (1989, c. 452, s. 1.)

§ 58-30-71. Immunity and indemnification of the receiver and employees.

(a) Persons entitled to protection under this section are:

- (1) All receivers responsible for the conduct of a delinquency proceeding under this Article, including present and former receivers; and
- (2) All of the receiver's employees, meaning all present and former special deputies and assistant special deputies appointed by the Commissioner, staff assigned to the delinquency proceeding employed by the Attorney General's Office, and all persons whom the Commissioner, special deputies, or assistant special deputies have employed to assist in a delinquency proceeding under this Article.
- (3) All of the receiver's contractors, meaning all persons who are retained by the receiver or the receiver's employees as independent contractors to assist in a delinquency proceeding under this Article, including attorneys, accountants, auditors, and other professional persons or firms and their employees.

(b) The receiver, the receiver's employees, and the receiver's contractors shall have official immunity and are immune from suit and liability, both personally and in their official capacities, for any claim for damage to or loss of property or personal injury or other civil liability caused by or resulting from any alleged act, error, or omission of the receiver or any employee arising out of or by reason of any of the following:

- (1) Their duties or employment.
- (2) Any matters that have been subject to review by the Court after notice and opportunity to be heard, provided that the alleged act, error, or omission was not disapproved or disallowed by the Court.

Provided, however, that nothing in this section holds the receiver, the receiver's employees, or the receiver's contractors immune from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of the receiver, the receiver's employees, or the receiver's contractors or for any bodily injury caused by the operation of a motor vehicle.

(c) If any legal action is commenced against the receiver or any employee, whether against him personally or in his official capacity, alleging property damage, property loss, personal injury,

or other civil liability caused by or resulting from any alleged act, error, or omission of the receiver or any employee arising out of or by reason of their duties or employment, the receiver and any employee shall be indemnified from the assets of the insurer for all expenses, attorneys' fees, judgments, settlements, decrees, or amounts due and owing or paid in satisfaction of or incurred in the defense of such legal action; unless it is determined upon a final adjudication on the merits that the alleged act, error, or omission of the receiver or employee giving rise to the claim did not arise out of or by reason of his duties or employment, or was caused by intentional or willful and wanton misconduct.

(d) Attorneys' fees and all related expenses incurred in defending a legal action for which immunity or indemnity is available under this section shall be paid from the assets of the insurer, as they are incurred, before the final disposition of the action, upon receipt of any agreement by or on behalf of the receiver or employee to repay the attorneys' fees and expenses if it is ultimately determined upon a final adjudication on the merits that the receiver or employee is not entitled to immunity or indemnity under this section.

(e) Any indemnification for expense payments, judgments, settlements, decrees, attorneys' fees, surety bond premiums, or other amounts paid or to be paid from the insurer's assets under this section shall be an administrative expense of the insurer.

(f) In the event of any actual or threatened litigation against a receiver or any employee for which immunity or indemnity may be available under this section, a reasonable amount of funds, that in the judgment of the Commissioner may be needed to provide immunity or indemnity, shall be segregated and reserved from the assets of the insurer as security for the payment of indemnity until all applicable statutes of limitation have run, all actual or threatened actions against the receiver or any employee have been completely and finally resolved, and all obligations of the insurer and the Commissioner under this section have been satisfied.

(g) In lieu of segregation and reserving of funds, the Commissioner may, in his discretion, obtain a surety bond or make other arrangements that will enable the Commissioner to fully secure the payment of all obligations under this section.

(h) If any legal action against an employee for which indemnity may be available under this section is settled before final adjudication on the merits, the insurer must pay the settlement amount on behalf of the employee, or indemnify the employee for the settlement amount, unless the Commissioner determines:

(1) That the claim did not arise out of or by reason of the employee's duties or employment; or

(2) That the claims were caused by the intentional or willful and wanton misconduct of the employee.

(i) In any legal action in which the receiver is a defendant, that portion of any settlement relating to the alleged act, error, or omission of the receiver is subject to the approval of the court before which the delinquency proceeding is pending. The court shall not approve that portion of the settlement if it determines:

(1) That the claim did not arise out of or by reason of the receiver's duties or employment; or

(2) That the claim was caused by the intentional or willful and wanton misconduct of the receiver.

(j) Nothing in this section deprives the receiver, the receiver's employees, or the receiver's contractors of any immunity, indemnity, benefits of law, rights, or any defense otherwise available.

(k) Subsection (b) of this section applies to any suit based in whole or in part on any alleged act, error, or omission that occurs on or after October 1, 1993.

(l) No legal action shall lie against the receiver or any employee based in whole or in part on any alleged act, error, or omission that occurred before October 1, 1993, unless suit is filed and valid service of process is obtained within 12 months after October 1, 1993.

(m) Subsections (c), (h), and (i) of this section apply to any suit that is pending on or filed after October 1, 1993, without regard to when the alleged act, error, or omission took place. (1993, c. 452, s. 40; 2019-179, s. 3(a)-(c).)

§ 58-30-75. Grounds for rehabilitation.

The Commissioner may petition the Court for an order authorizing him to rehabilitate a domestic insurer or an alien insurer domiciled in this State on any one or more of the following grounds:

- (1) The insurer is in such condition that the further transaction of business would be hazardous financially to its policyholders, creditors, or the public.
- (2) There is reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer that if established would endanger assets in an amount threatening the solvency of the insurer.
- (3) The insurer has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person; if the person has been found after notice and hearing by the Commissioner to be dishonest or untrustworthy in a way affecting the insurer's business.
- (4) Control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in a person or persons found after notice and hearing to be untrustworthy.
- (5) Any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, director or trustee, employee, or other person, has refused to be examined under oath by the Commissioner concerning its affairs, whether in this State or elsewhere; and after reasonable notice of the fact, the insurer has failed promptly and effectively to terminate the employment and status of the person and all his influence on management.
- (6) After demand by the Commissioner the insurer has failed to promptly make available for examination any of its own property, books, accounts, documents, or other records; those of any subsidiary or related company within the control of the insurer; or those of any person having executive authority in the insurer insofar as they pertain to the insurer.
- (7) Without first obtaining the written consent of the Commissioner, the insurer has (i) transferred, or attempted to transfer, in a manner contrary to Article 19 of this Chapter, substantially its entire property or business, or (ii) has entered into any transaction, the effect of which is to merge, consolidate, or reinsure substantially its entire property or business in or with the property or business of any other person.

- (8) The insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator, or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under Articles 1 through 64 of this Chapter, and such appointment has been made or is imminent, and such appointment might oust the courts of this State of jurisdiction or might prejudice orderly delinquency proceedings under this Article.
- (9) Within the previous four years the insurer has willfully violated its charter or articles of incorporation, its bylaws, Articles 1 through 67 of this Chapter, or any valid order of the Commissioner under G.S. 58-30-60.
- (10) The insurer has failed to pay within 60 days after due any obligation to any state or any subdivision thereof or any judgment entered in any state, if the court in which such judgment was entered has jurisdiction over such subject matter; except that such nonpayment is not a ground until 60 days after any good faith effort by the insurer to contest the obligation has been terminated, whether it is before the Commissioner or in the courts, or the insurer has systematically attempted to compromise or renegotiate previously agreed settlements with its creditors on the ground that it is financially unable to pay its obligations in full.
- (11) The insurer has failed to file its annual report or any other financial report required by statute within the time allowed by law and, after written demand by the Commissioner, has failed to immediately give an adequate explanation.
- (12) The board of directors or the holders of a majority of the shares entitled to vote, or a majority of those individuals entitled to the control of those persons specified in G.S. 58-30-5, request or consent to rehabilitation under this Article. (1989, c. 452, s. 1; c. 770, s. 72.1; 1995, c. 193, s. 31; 2001-223, s. 19.)

§ 58-30-80. Rehabilitation orders.

(a) An order to rehabilitate the business of a domestic insurer or an alien insurer domiciled in this State, shall appoint the Commissioner and his successors in office as the rehabilitator, and shall direct the rehabilitator forthwith to take possession of the assets of the insurer and to administer them under the general supervision of the Court. The filing or recording of the order with the clerk of the Court or register of deeds of the county in which the principal business of the insurer is conducted, or the county in which its principal office or place of business is located, shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds would have imparted. The order to rehabilitate the insurer shall by operation of law vest title to all assets of the insurer in the rehabilitator.

(b) Any order issued under this section shall require accounting to the Court by the rehabilitator. Accountings shall be at such intervals as the Court specifies in its order.

(c) Entry of an order of rehabilitation shall not constitute an anticipatory breach of any contract of the insurer. (1989, c. 452, s. 1.)

§ 58-30-85. Powers and duties of the rehabilitator.

(a) The rehabilitator has the power:

- (1) To appoint a special deputy to act for him under this Article, and to determine his reasonable compensation. The special deputy has all powers of the

rehabilitator granted by this section. The special deputy serves at the pleasure of the rehabilitator.

- (2) To employ employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and such other personnel as he may deem to be necessary to assist in the rehabilitation.
- (3) To fix the reasonable compensation of employees and agents, legal counsel, actuaries, accountants, appraisers, and consultants, with the approval of the Court.
- (4) To pay reasonable compensation to persons appointed; and to defray from the funds or assets of the insurer all expenses of taking possession of, conserving, conducting, rehabilitating, disposing of, or otherwise dealing with the business and property of the insurer.
- (5) To hold hearings, to subpoena witnesses to compel their attendance, to administer oaths, to examine any person under oath, and to compel any person to subscribe to this testimony after it has been correctly reduced to writing; and in connection therewith to require the production of any books, papers, records, or other documents that he considers relevant to the inquiry.
- (6) To collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose:
 - a. To institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts;
 - b. To do such other acts that are necessary or expedient to collect, conserve, or protect its assets or property, including the power to sell, compound, compromise, or assign debts for purposes of collection upon such terms and conditions as he deems to be best; and
 - c. To pursue any creditor's remedies available to enforce his claims.
- (7) To conduct public and private sales of the property of the insurer.
- (8) To use assets of the estate of an insurer under a rehabilitation order to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under G.S. 58-30-220.
- (9) To acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with, any property of the insurer at its market value or upon such terms and conditions that are fair and reasonable. He also has the power to execute, acknowledge, and deliver any and all deeds, assignments, releases and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the rehabilitation.
- (10) To borrow money on the security of the insurer's assets or without security and to execute and deliver all documents necessary to that transaction for the purpose of facilitating the rehabilitation.
- (11) To enter into such contracts that are necessary to carry out the order to rehabilitate, and to affirm or disavow any contracts to which the insurer is a party.
- (12) To continue to prosecute and to institute in the name of the insurer or in his own name any and all suits and other legal proceedings, in this State or elsewhere, and to abandon the prosecution of claims he deems unprofitable to pursue further.

- (13) To prosecute any action that may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer or against any other person.
- (14) To remove any or all records and property of the insurer to the offices of the Commissioner or to such other place as may be convenient for the purposes of efficient and orderly execution of the rehabilitation.
- (15) To deposit in one or more banks in this State such sums as are required for meeting current administration expenses and dividend distributions.
- (16) To invest all sums not currently needed, unless the Court orders otherwise.
- (17) To file any necessary documents for recording in the office of any register of deeds in this State or elsewhere where property of the insurer is located.
- (18) To assert all defenses available to the insurer as against third persons, including statutes of limitation, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition in rehabilitation has been filed shall not bind the rehabilitator.
- (19) To exercise and enforce all rights, remedies, and powers of any creditor, shareholder, policyholder, or member; including any power to avoid any transfer or lien that may be given by law and that is not included within G.S. 58-30-140 through 58-30-150.
- (20) To intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and to act as the receiver or trustee whenever the appointment is offered.
- (21) To enter into agreements with any receiver or insurance regulator of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.
- (22) To exercise all powers now held or subsequently conferred upon receivers by laws of this State not inconsistent with the provisions of this Article.

(b) The enumeration in this section of the powers and authority of the rehabilitator shall not be construed as a limitation upon him, nor shall it exclude in any manner his right to do such other acts not specifically enumerated in this section or otherwise provided for, as may be necessary or appropriate for the accomplishment of or in aid of the purpose of rehabilitation.

(c) The rehabilitator may take such action as he considers necessary or appropriate to reform and revitalize the insurer. He shall have all the powers of the directors, officers, and managers, whose authority shall be suspended, except to the extent they may be redelegated by the rehabilitator. He shall have full power to direct, manage, hire, and discharge employees, subject to any contract rights they may have, and to deal with the property and business of the insurer.

(d) If it appears to the rehabilitator that there has been criminal or tortious conduct, or breach of any contractual or fiduciary obligation detrimental to the insurer by any officer, manager, agent, broker, employee or other person, he may pursue all available legal remedies on behalf of the insurer.

(e) If the rehabilitator determines that reorganization, consolidation, conversion, reinsurance, merger, runoff, or other transformation of the insurer is appropriate, he shall prepare a plan to effect such changes. Upon application of the rehabilitator for approval of the plan, and after such notice and hearings as the Court may prescribe, the Court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. Any plan approved under this section shall be, in the opinion of the Court, fair and equitable to all parties concerned. If the plan is

approved, the rehabilitator shall carry out the plan. In the case of a life insurer, the plan proposed may include the imposition of liens upon the policies of the insurer, if all rights of shareholders are first relinquished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights under policies, for such period and to such an extent as may be necessary.

(f) The rehabilitator shall have the power under G.S. 58-30-140 and G.S. 58-30-145 to avoid fraudulent transfers. (1989, c. 452, s. 1; 2009-172, s. 2.)

§ 58-30-90. Actions by and against rehabilitator.

(a) When a rehabilitation order against an insurer is entered, every court in this State, before which any pending action or proceeding in which the insurer is a party or is obligated to defend a party, shall stay the action or proceeding for 120 days and such additional time that is necessary for the rehabilitator to obtain proper representation and prepare for further proceedings. The rehabilitator may take such action respecting pending litigation as he deems necessary in the interests of justice and for the protection of creditors, policyholders, and the public. The rehabilitator may immediately consider all litigation pending outside this State and may petition the courts having jurisdiction over that litigation for stays whenever necessary to protect the estate of the insurer.

(b) No statute of limitations or defense of laches shall run with respect to any action by or against an insurer between the filing of a petition for appointment of a rehabilitator for that insurer and the order granting or denying that petition.

(c) Any domestic or foreign guaranty association has standing to appear in any Court proceeding concerning the rehabilitation of an insurer if such association is or may become liable to act as a result of the rehabilitation. (1989, c. 452, s. 1.)

§ 58-30-95. Termination of rehabilitation.

(a) Whenever the rehabilitator believes further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policyholders or the public, or would be futile, the rehabilitator may petition the Court for an order of liquidation. A petition under this subsection shall have the same effect as a petition under G.S. 58-30-100. The Court may make such findings and issue such orders at any time upon its own motion. The Court shall permit the directors of the insurer to take such actions as are reasonably necessary to defend against the petition and may order payment from the estate of the insurer of such costs and other expenses of defense as justice may require. The court may allow the payment of costs and expenses incurred in defending against the petition for an order of liquidation only upon a specific finding that the defense was conducted, and the costs and expenses were incurred, in good faith. The directors shall have the burden of proving good faith. Evidence of good faith shall be the existence of a reasonable basis to conclude that the insurer is actually solvent or that there exists a viable means to accomplish rehabilitation without jeopardizing the remaining assets of the insurer and that continued operation of the insurer is in the best interest of the policyholders, stockholders, and creditors.

(b) The rehabilitator may at any time petition the Court for an order terminating rehabilitation of an insurer. The Court shall also permit the directors of the insurer to petition the Court for an order terminating rehabilitation of the insurer and may order payment from the estate of the insurer of such costs and other expenses of such petition as justice may require. The court may allow the payment of costs and expenses incurred in defending against the petition for an order terminating rehabilitation only upon a specific finding that the defense was conducted, and the costs and expenses were incurred, in good faith. The directors shall have the burden of proving

good faith. Evidence of good faith shall be the existence of a reasonable basis to conclude that the insurer is actually solvent or that there exists a viable means to accomplish rehabilitation without jeopardizing the remaining assets of the insurer and that continued operation of the insurer is in the best interest of the policyholders, stockholders, and creditors. If the Court finds that rehabilitation has been accomplished and that grounds for rehabilitation under G.S. 58-30-75 no longer exist, it shall order that the insurer be restored to possession of its property and the control of the business. The Court may also make that finding and issue that order at any time upon its own motion. (1989, c. 452, s. 1; 1993, c. 452, s. 41.)

§ 58-30-100. Grounds for liquidation.

The Commissioner may petition the Court for an order directing him to liquidate a domestic insurer or an alien insurer domiciled in this State on the basis:

- (1) Of any ground for an order of rehabilitation as specified in G.S. 58-30-75, whether or not there has been a prior order directing the rehabilitation of the insurer;
- (2) That the insurer is insolvent; or
- (3) That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public. (1989, c. 452, s. 1.)

§ 58-30-105. Liquidation orders.

(a) An order to liquidate the business of a domestic insurer shall appoint the Commissioner and his successors in office liquidator and shall direct the liquidator forthwith to take possession of the assets of the insurer and to administer them under the general supervision of the Court. The liquidator is vested by operation of law with the title to all of the property, contracts, and rights of action, and all of the books and records of the insurer ordered liquidated, wherever located, as of the entry of the final order of liquidation. The filing or recording of the order with the clerk of the superior court and the register of deeds of the county in which its principal office or place of business is located; or, in the case of real estate, with the register of deeds of the county where the property is located, shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds would have imparted.

(b) Upon issuance of the order, the rights and liabilities of any such insurer and of its creditors, policyholders, shareholders, members and all other persons interested in its estate shall become fixed as of the date of entry of the order of liquidation, except as provided in G.S. 58-30-110 and G.S. 58-30-195.

(c) An order to liquidate the business of an alien insurer domiciled in this State shall be in the same terms and have the same legal effect as an order to liquidate a domestic insurer; except that the assets and the business in the United States shall be the only assets and business included therein.

(d) At the time of petitioning for an order of liquidation or at any time thereafter the Commissioner, after making appropriate findings of an insurer's insolvency, may petition the Court for a judicial declaration of such insolvency. After providing such notice and hearing as it deems to be proper, the Court may make the declaration.

(e) Any order issued under this section requires accounting to the Court by the liquidator. Accountings shall be at such intervals as the Court specifies in its order. (1989, c. 452, s. 1.)

§ 58-30-110. Continuance of coverage.

(a) All policies, other than life or health insurance or annuities, that are in effect at the time of the issuance of an order of liquidation shall continue in force only for the lesser of:

- (1) A period of 30 days from the date of entry of the liquidation orders;
- (2) The expiration of the policy coverage;
- (3) The date when the insured has replaced the insurance coverage with equivalent insurance in another insurer or otherwise terminated the policy; or
- (4) The liquidator has effected a transfer of the policy obligation pursuant to G.S. 58-30-120(a)(8).

(b) An order of liquidation under G.S. 58-30-105 terminates coverages at the time specified in subsection (a) of this section for the purposes of any other statute.

(c) Policies of life or health insurance or annuities shall continue in force for such period and under such terms as is provided for by any applicable domestic or foreign guaranty association.

(d) Policies of life or health insurance or annuities or any period of coverage of such policies that are not covered by a domestic or foreign guaranty association shall terminate under subsections (a) and (b) of this section. (1989, c. 452, s. 1.)

§ 58-30-115. Dissolution of insurer.

The Commissioner may petition for an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this State at the time he applies for a liquidation order. The Court shall order dissolution of the corporation upon petition by the Commissioner upon or after the granting of a liquidation order. If the dissolution has not previously been ordered, it shall be effected by operation of law upon the discharge of the liquidator if the insurer is under a liquidation order for some other reason. (1989, c. 452, s. 1.)

§ 58-30-120. Powers of liquidator.

(a) The liquidator has the power:

- (1) To appoint a special deputy to act for him under this Article, and to determine his reasonable compensation. The special deputy has all powers of the liquidator granted by this section. The special deputy serves at the pleasure of the liquidator.
- (2) To employ employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and such other personnel as he may deem to be necessary to assist in the liquidation.
- (3) To fix the reasonable compensation of employees and agents, legal counsel, actuaries, accountants, appraisers, and consultants, with the approval of the Court.
- (4) To pay reasonable compensation to persons appointed; and to defray from the funds or assets of the insurer all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. In the event that the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the Commissioner may advance the costs so incurred out of any appropriation for the maintenance of the Department. Any amounts so advanced for expenses of administration shall be repaid to the Commissioner for the use of the Department out of the first available moneys of the insurer.

- (5) To hold hearings, to subpoena witnesses to compel their attendance, to administer oaths, to examine any person under oath, and to compel any person to subscribe to this testimony after it has been correctly reduced to writing; and in connection therewith to require the production of any books, papers, records, or other documents that he considers relevant to the inquiry.
- (6) To collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose:
 - a. To institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts;
 - b. To do such other acts that are necessary or expedient to collect, conserve, or protect its assets or property, including the power to sell, compound, compromise, or assign debts for purposes of collection upon such terms and conditions as he deems to be best; and
 - c. To pursue any creditor's remedies available to enforce his claims.
- (7) To conduct public and private sales of the property of the insurer.
- (8) To use assets of the estate of an insurer under a liquidation order to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under G.S. 58-30-220.
- (9) To acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with, any property of the insurer at its market value or upon such terms and conditions that are fair and reasonable. He also has the power to execute, acknowledge, and deliver any and all deeds, assignments, releases and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation.
- (10) To borrow money on the security of the insurer's assets or without security and to execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.
- (11) To enter into such contracts that are necessary to carry out the order to liquidate, and to affirm or disavow any contracts to which the insurer is a party.
- (12) To continue to prosecute and to institute in the name of the insurer or in his own name any and all suits and other legal proceedings, in this State or elsewhere, and to abandon the prosecution of claims he deems unprofitable to pursue further. If the insurer is dissolved under G.S. 58-30-115, he shall have the power to apply to any court in this State or elsewhere for leave to substitute himself for the insurer as plaintiff.
- (13) To prosecute any action that may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer or against any other person.
- (14) To remove any or all records and property of the insurer to the offices of the Commissioner or to such other place as may be convenient for the purposes of efficient and orderly execution of the liquidation. Domestic and foreign guaranty associations shall have such reasonable access to the records of the insurer as is necessary for them to carry out their statutory obligations.
- (15) To deposit in one or more banks in this State such sums as are required for meeting current administration expenses and dividend distributions.
- (16) To invest all sums not currently needed, unless the Court orders otherwise.

- (17) To file any necessary documents for recording in the office of any register of deeds in this State or elsewhere where property of the insurer is located.
- (18) To assert all defenses available to the insurer as against third persons, including statutes of limitation, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition in liquidation has been filed shall not bind the liquidator. Whenever a domestic or foreign guaranty association has an obligation to defend any suit, the liquidator shall give precedence to such obligation and may defend only in the absence of a defense by such guaranty associations.
- (19) To exercise and enforce all rights, remedies, and powers of any creditor, shareholder, policyholder, or member; including any power to avoid any transfer or lien that may be given by law and that is not included within G.S. 58-30-140 through G.S. 58-30-150.
- (20) To intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and to act as the receiver or trustee whenever the appointment is offered.
- (21) To enter into agreements with any receiver or insurance regulator of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.
- (22) To exercise all powers now held or subsequently conferred upon receivers by laws of this State not inconsistent with the provisions of this Article.

(b) The enumeration in this section of the powers and authority of the liquidator shall not be construed as a limitation upon him, nor shall it exclude in any manner his right to do such other acts not specifically enumerated in this section or otherwise provided for, as may be necessary or appropriate for the accomplishment of or in aid of the purpose of liquidation. (1989, c. 452, s. 1.)

§ 58-30-125. Notice to creditors and others.

(a) Unless the Court otherwise directs, the liquidator shall give or cause to be given notice of the liquidation order as soon as possible:

- (1) By first-class mail and either by facsimile, electronic mail, or telephone to the insurance regulator of each jurisdiction in which the insurer is doing business;
- (2) By first-class mail to any domestic or foreign guaranty association that is or may become obligated as a result of the liquidation;
- (3) By first-class mail to all insurance agents of the insurer;
- (4) By first-class mail to all persons known or reasonably expected to have claims against the insurer, including all policyholders, at their last known addresses indicated by the records of the insurer; and
- (5) By publication in a newspaper of general circulation in the county in which the insurer has its principal place of business and in such other locations as the liquidator deems to be appropriate.

(b) Notice to potential claimants under subsection (a) of this section shall require claimants to file with the liquidator their claims, together with proper proofs thereof under G.S. 58-30-190, on or before a date the liquidator specifies in the notice. All claimants have a duty to keep the liquidator informed of any changes of address. The liquidator need not require the following to file claims under this section:

- (1) Persons claiming cash surrender values or other investment values in life insurance and annuities.
- (2) Persons claiming unearned premiums on property or casualty insurance.
- (c) If notice is given in accordance with this section, the distribution of assets of the insurer under this Article shall be conclusive with respect to all claimants, whether or not they receive notice. (1989, c. 452, s. 1; 2006-105, s. 1.4.)

§ 58-30-127. Duties of agents.

(a) Every person who receives notice in the form prescribed in G.S. 58-30-125 that an insurer that person represents as an agent is the subject of a liquidation order shall, upon request of the liquidator and within 60 days after receipt of the request, provide to the liquidator the information in the agent's records related to any policy issued by the insurer through the agent; and if the agent is a general agent, the information in the general agent's records related to any policy issued by the insurer through a subagent under contract with the general agent, including the name and address of the subagent.

(b) For the purpose of this section, a policy is issued through an agent if the agent has a property interest in the expiration of the policy or if the agent has had in the agent's possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another person.

(c) Any agent failing to provide information to the liquidator as required by this section is to be subject to G.S. 58-2-70.

(d) The provisions of this section are in addition to any other duties in this Chapter that are placed on agents. (1991, c. 681, s. 45.)

§ 58-30-130. Actions by and against liquidator.

(a) Upon the issuance of an order appointing a liquidator of a domestic insurer or of an alien insurer domiciled in this State, no action at law or equity shall be brought against the insurer or liquidator, whether in this State or elsewhere, nor shall any such existing actions be maintained or further presented after issuance of such order. The Court shall give full faith and credit to injunctions against the liquidator or the insurer or the continuation of existing actions against the liquidator or the insurer, when such injunctions are included in an order to liquidate an insurer issued pursuant to corresponding provisions in other states. Whenever, in the liquidator's judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this State, he may intervene in the action. The liquidator may defend any action in which he intervenes under this section at the expense of the estate of the insurer.

(b) The liquidator may, upon or after an order for liquidation, within two years or such subsequent time period as applicable law may permit, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which such order is entered. Where (i) by any agreement, a period of limitation is fixed for instituting a suit or proceeding upon any claim, or for filing any claim, proof of claim, proof of loss, demand, notice, or the like; or (ii) in any proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking any action, filing any claim or pleading, or doing any act; and (iii) in any such case the period had not expired at the date of the filing of the petition; the liquidator may, for the benefit of the estate, take any such action or do any such act, required of or permitted to the insurer, within a period of 180 days subsequent to the entry of an order for

liquidation, or within such further period as is shown to the satisfaction of the Court not to be unfairly prejudicial to the other party.

(c) Any domestic or foreign guaranty association has standing to appear in any Court proceeding concerning the liquidation of an insurer if such association is or may become liable to act as a result of the liquidation. (1989, c. 452, s. 1; 2009-570, s. 27.)

§ 58-30-135. Collection and list of assets.

(a) As soon as practicable after the liquidation order but not later than 120 days thereafter, the liquidator shall prepare in duplicate a list of the insurer's assets. The list shall be amended or supplemented from time to time as the liquidator determines. One copy shall be filed in the office of the clerk of the Court and one copy shall be retained for the liquidator's files. All amendments and supplements shall be similarly filed.

(b) The liquidator shall reduce the assets to a degree of liquidity that is consistent with the effective execution of the liquidation.

(c) A submittal to the Court for disbursement of assets in accordance with G.S. 58-30-180 fulfills the requirements of subsection (a) of this section. (1989, c. 452, s. 1.)

§ 58-30-140. Fraudulent transfers prior to petition.

(a) Every transfer made or suffered and every obligation incurred by an insurer within one year prior to the filing of a successful petition for rehabilitation or liquidation under this Article is fraudulent as to then existing and future creditors if made or incurred without fair consideration or if made or incurred with actual intent to hinder, delay, or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this Article, that is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee, for a present fair equivalent value; and except that any purchaser, lienor, or obligee, who in good faith has given a consideration less than fair for such transfer, lien, or obligation, may retain the property, lien, or obligation as security for repayment. The Court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event, the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.

(b) A transfer of property other than real property is made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee under G.S. 58-30-150(c). A transfer of real property is made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee. A transfer that creates an equitable lien is not perfected if there are available means by which a legal lien could be created. Any transfer that is not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition. The provisions of this subsection apply whether or not there are or were creditors who might have obtained any liens or persons who might have become bona fide purchasers.

(c) Any transaction of the insurer with a reinsurer is fraudulent and may be avoided by the receiver under subsection (a) of this section if:

- (1) The transaction consists of the termination, adjustment, or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time

of the transaction, unless the reinsurer gives a present fair equivalent value for the release; and

- (2) Any part of the transaction took place within one year prior to the date of filing of the petition through which the receivership was commenced.

(d) Every person receiving any property from the insurer or any benefit thereof as the result of a fraudulent transfer under subsection (a) of this section is personally liable therefor and is bound to account to the liquidator. (1989, c. 452, s. 1; 1991, c. 681, s. 46.)

§ 58-30-145. Fraudulent transfer after petition.

(a) After a petition for rehabilitation or liquidation has been filed, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value; or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The commencement of a proceeding in rehabilitation or liquidation shall be constructive notice upon the recording of a copy of the petition for or order of rehabilitation or liquidation with the register of deeds in the county in which any real property in question is located. The exercise by a court of the United States or any state to authorize or effect a judicial sale of real property of the insurer within any county in any state is not impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.

(b) After a petition for rehabilitation or liquidation has been filed and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:

- (1) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith is valid against the receiver if made for a present fair equivalent value; or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.
- (2) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property, or any part thereof, to the insurer or upon his order, with the same effect as if the petition were not pending.
- (3) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith.
- (4) A person asserting the validity of a transfer under this section has the burden of proof. Except as elsewhere provided in this section, no transfer by or on behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator is valid as against the liquidator.

(c) Nothing in this Article impairs the validity of currency or the negotiability of any instrument. (1989, c. 452, s. 1.)

§ 58-30-147. Voidable transfers for federal home loan banks.

(a) The receiver for an insurer-member of a federal home loan bank shall not void any obligation to transfer or transfer of money or other property arising under a federal home loan bank security, pledge, collateral, or guarantee agreement or any other similar arrangement or credit enhancement related to a federal home loan bank security agreement when the agreement or

arrangement is made (i) in the ordinary course of business and (ii) in compliance with the applicable federal home loan bank agreement.

(b) Notwithstanding subsection (a) of this section, a transfer may be avoided if the transfer is made with intent to hinder, delay, or defraud the insurer-member, the receiver for the insurer-member, existing creditors, or future creditors.

(c) Nothing in this section is intended to affect a receiver's rights regarding advances to an insurer-member in delinquency proceedings under 12 C.F.R. § 1266.4. (2017-164, s. 1(c).)

§ 58-30-150. Voidable preferences and liens.

(a) A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within one year before the filing of a successful petition for liquidation under this Article, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, then such transfers shall be deemed to be preferences if made or suffered within one year before the filing of the successful petition for rehabilitation, or within two years before the filing of the successful petition for liquidation, whichever time is shorter. Any preference may be avoided by the liquidator if:

- (1) The insurer was insolvent at the time of the transfer;
- (2) The transfer was made within four months before the filing of the petition;
- (3) The creditor receiving it or to be benefited thereby or his agent acting with reference thereto had, at the time the transfer was made, reasonable cause to believe that the insurer was insolvent or was about to become insolvent; or
- (4) The creditor receiving it was an officer, or any employee, attorney, or other person who was in fact in a position of comparable influence in the insurer to an officer, whether or not he held such position, or any shareholder holding directly or indirectly more than five percent (5%) of any class of any equity security issued by the insurer, or any other person, firm, corporation, association, or aggregation of persons with whom the insurer did not deal at arm's length.

Where the preference is voidable, the liquidator may recover the property or, if it has been converted, its value from any person who has received or converted the property; except where a bona fide purchaser or lienor has given less than fair equivalent value, he shall have a lien upon the property to the extent of the consideration actually given by him. Where a preference by way of lien or security title is voidable, the Court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the liquidator.

(b) A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee. A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee. A transfer that creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created. A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition. The provisions of this subsection apply whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(c) A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of such proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution, or like process, whether before, upon, or after judgment or decree and whether before or upon levy. It does not include liens that under applicable law are given a special priority over other liens that are prior in time. A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection (b) of this section, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. Such a lien could not, however, become superior and such a purchase could not create superior rights for the purpose of subsection (b) of this section through any acts subsequent to the obtaining of such a lien or subsequent to such a purchase that require the agreement or concurrence of any third party or that require any further judicial action or ruling.

(d) A transfer of property for or on account of a new and contemporaneous consideration that is deemed under subsection (b) of this section to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of any antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within 21 days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if such a loan is actually made, or a transfer that becomes security for a future loan, shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.

(e) If any lien deemed to be voidable under subdivision (a)(2) of this section has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition under this Article that results in a liquidation order, the indemnifying transfer or lien shall also be deemed to be voidable.

(f) The property affected by any lien deemed to be voidable under subsections (a) and (e) of this section shall be discharged from such lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator; except that the Court may on due notice order any such lien to be preserved for the benefit of the estate, and the Court may direct that such conveyance be executed as may be proper or adequate to evidence the title of the liquidator.

(g) The Court shall have summary jurisdiction of any proceeding by the liquidator to hear and determine the rights of any parties under this section. Reasonable notice of any hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the Court, upon application of any party in interest, shall in the same proceeding ascertain the value of the property or lien. If such value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the Court, to the liquidator, within such reasonable times as the Court shall fix.

(h) The liability of the surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the liquidator; or where the property is retained under subsection (g) of this section to the extent of the amount paid to the liquidator.

(i) If a creditor has been preferred and afterward in good faith gives the insurer further credit, without security of any kind, for property that becomes a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference that would otherwise be recoverable from him.

(j) If an insurer, within four months before the filing of a successful petition for liquidation under this Article, or at any time in contemplation of a proceeding to liquidate it, directly or indirectly pays money or transfers property to an attorney at law for services rendered or to be rendered, such transactions may be examined by the Court on its own motion or on petition of the liquidator, and shall be held valid only to the extent of a reasonable amount to be determined by the Court. Any excess may be recovered by the liquidator for the benefit of the estate; provided that where the attorney is in a position of influence in the insurer or an affiliate thereof, payment of any money or the transfer of any property to the attorney at law for services rendered or to be rendered shall be governed by the provision of subdivision (a)(4) of this section.

(k) Every officer, manager, employee, shareholder, member, subscriber, attorney, or any other person acting on behalf of the insurer who knowingly participates in giving any preference, when he has reasonable cause to believe the insurer is or is about to become insolvent at the time of the preference, shall be personally liable to the liquidator for the amount of the preference. It is permissible to infer that there is a reasonable cause to so believe if the transfer was made within four months before the date of filing of the successful petition for liquidation. Every person receiving any property from the insurer or the benefit thereof as a preference voidable under subsection (a) of this section shall be personally liable therefor and shall be bound to account to the liquidator. Nothing in this subsection prejudices any other claim by the liquidator against any person. (1989, c. 452, s. 1.)

§ 58-30-155. Claims of holders of void or voidable rights.

(a) No claims of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment, or encumbrance voidable under this Article shall be allowed unless he surrenders the preference, lien, conveyance, transfer, assignment or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim shall not be allowed unless the money is paid or the property is delivered to the liquidator within 30 days from the date of the entering of the final judgment; except that the Court having jurisdiction over the liquidation may allow further time if there is an appeal or other continuation of the proceeding.

(b) A claim allowable under subsection (a) of this section by reason of the avoidance, whether voluntary or involuntary, of a preference, lien, conveyance, transfer, assignment, or encumbrance, may be filed as an excused late filing under G.S. 58-30-185 if filed within 30 days from the date of the avoidance, or within the further time allowed by the Court under subsection (a) of this section. (1989, c. 452, s. 1.)

§ 58-30-160. Setoffs.

(a) Mutual debts or mutual credits, whether arising out of one or more contracts between the insurer and another person in connection with any action or proceeding under this Article shall be set off and the balance only shall be allowed or paid, except as provided in subsections (b), (d), and (e) of this section and in G.S. 58-30-175.

(b) No setoff shall be allowed in favor of any person where:

- (1) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle the person to share as a claimant in the assets of the insurer;
- (2) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a setoff;
- (3) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution;
- (4) Repealed by Session Laws 1995 (Regular Session, 1996), c. 658, s. 1.
- (5) The obligation of the insurer is owed to an affiliate of the person, or to any other entity or association other than the person;
- (6) The obligation of the person is owed to an affiliate of the insurer, or to any other entity or association other than the insurer;
- (7) The obligations between the person and the insurer arise out of transactions where either the person or the insurer has assumed risks and obligations from the other party and then has ceded back to that party substantially the same risks and obligations;
- (8) The obligation of the person is to pay to the insurer sums held in a fiduciary capacity for the insurer; or
- (9) The person alone or together with any other member of its insurance company holding system owns fifty percent (50%) or more of the voting stock of the insurer.

(c) A setoff shall be permitted to local agents against agents' balances otherwise payable to the domiciliary or ancillary receiver for the amount expended by the agents to replace insurance coverage of their insureds and the reasonable expenses incident thereto as a result of any domestic, foreign or alien insurer being placed in delinquency proceedings. Agents claiming a setoff shall within 60 days of replacing coverage provide a verified accounting of the replacement of the insurance to the domiciliary receiver, the ancillary receiver, if any, and the North Carolina Insurance Guaranty Association or similar organization in the state of residence of the policyholder. The verified accounting shall include the name of the agent, the name of the insured, the policy number, the replacement policy number, the cost of the replacement policy, the amount of unearned premium under each policy as to which setoff is claimed, any claimed expenses and a verification that the accounting has been provided to each of the persons and entities described herein. Unearned premiums set off as provided above in any amount shall be deemed paid in full by the insurer and no person shall have a claim for the unearned premiums against the North Carolina Insurance Guaranty Association or similar organization in the state of residence of the policyholder.

(d) The receiver shall provide persons with accounting statements identifying debts which are currently due and payable. Where a person owes to the insurer currently due and payable balances, against which the person asserts setoff of mutual credits which may become due and payable from the insurer in the future, the person shall promptly pay to the receiver the currently due and payable amount; provided that, notwithstanding any other provision of this Article, the receiver shall promptly and fully refund, to the extent of the person's prior payments, any mutual credits that become due and payable to the person by the insurer.

(e) Notwithstanding any other provision of this section, a setoff of sums due on obligations in the nature of those set forth in subdivision (b)(7) of this section shall be allowed for those sums accruing from business written where the contracts were entered into, renewed, or extended with the express written approval of the insurance regulator of the state of domicile of the now insolvent insurer, when in the judgment of the regulator it was necessary to provide reinsurance in order to prevent or mitigate a threatened impairment or insolvency of the insurer in connection with the exercise of the regulator's official responsibilities. (1989, c. 452, s. 1; 1991, c. 681, s. 47; 1995 (Reg. Sess., 1996), c. 658, s. 1.)

§ 58-30-165. Assessments.

(a) As soon as practicable but not more than two years from the date of an order of liquidation under G.S. 58-30-105 of an insurer issuing assessable policies, the liquidator shall make a report to the Court setting forth:

- (1) The reasonable value of the assets of the insurer;
- (2) The insurer's probable total liabilities;
- (3) The probable aggregate amount of the assessment necessary to pay all claims of creditors and expenses in full, including expenses of administration and costs of collecting the assessment; and
- (4) A recommendation as to whether an assessment should be made and in what amount.

(b) Upon the basis of the report provided in subsection (a) of this section, including any supplements and amendments thereto, the Court may levy one or more assessments against all members of the insurer who are subject to assessment. Subject to any applicable legal limits on assessability, the aggregate assessment shall be for the amount that the sum of the probable liabilities, the expenses of administration, and the estimated cost of collection of the assessment, exceeds the value of existing assets, with due regard given to assessments that cannot be collected economically.

(c) After a levy of assessment under subsection (b) of this section, the liquidator shall issue an order directing each member who has not paid the assessment pursuant to the order, to show cause why the liquidator should not pursue a judgment therefor.

(d) The liquidator shall give notice of the order to show cause by publication or by certified mail to each member liable thereunder mailed to his last known address as it appears on the insurer's records, at least 20 days before the return day of the order to show cause.

(e) If a member does not appear and serve duly verified objections upon the liquidator on or before the return day of the order to show cause under subsection (c) of this section, the Court shall make an order adjudging the member liable for the amount of the assessment against him pursuant to subsection (c) of this section, together with costs, and the liquidator shall have a judgment against the member therefor. If on or before such return day, the member appears and serves duly verified objections upon the liquidator, the Commissioner may hear and determine the matter or may appoint a referee to hear it and make such order as the facts warrant. In the event that the Commissioner determines that such objections do not warrant relief from assessment, the member may request the Court to review the matter and vacate the order to show cause.

(f) The liquidator may enforce any order or collect any judgment under subsection (e) of this section by any lawful means. (1989, c. 452, s. 1; 2009-172, s. 3.)

§ 58-30-170. Reinsurer's liability.

The amount recoverable by the liquidator from reinsurers shall not be reduced as a result of the delinquency proceedings, regardless of any provision in the reinsurance contract or other agreement. Payment made directly to an insured or other creditor does not diminish the reinsurer's obligation to the insurer's estate except;

- (1) Where the contract specifically provides for another payee of the reinsurance in the event of the insolvency of the ceding insurer or
- (2) Where the assuming insurer, with the consent of the direct insured or insureds, has assumed the policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under policies and in substitution of the obligations of the ceding insurer to the payees. (1989, c. 452, s. 1.)

§ 58-30-175. Recovery of premiums owed.

(a) An agent, broker, premium finance company, or any other person, other than the insured, responsible for the payment of a premium is obligated to pay an unpaid premium for the full policy term due the insurer at the time of the declaration of insolvency, whether earned or unearned, as shown on the records of the insurer. The liquidator also has the right to recover from such person any part of an unearned premium that represents commission of such person. Except as provided in G.S. 58-30-160, credits or setoffs or both are not allowed to an agent, broker, or premium finance company for any amounts advanced to the insurer by the agent, broker, or premium finance company on behalf of, but in the absence of a payment by, the insured.

(b) An insured is obligated to pay any unpaid premium due the insurer at the time of the declaration of insolvency, as shown on the records of the insurer. (1989, c. 452, s. 1.)

§ 58-30-180. Domiciliary liquidator's proposal to distribute assets.

(a) Within one year after a final determination of insolvency of an insurer by the Court, the liquidator shall make application to the Court for approval of a proposal to disburse assets out of marshalled assets, from time to time as such assets become available, to a domestic or foreign guaranty association having obligations because of such insolvency. If the liquidator determines that there are insufficient assets to disburse, the application required by this section shall be considered satisfied by a filing by the liquidator stating the reasons for this determination.

(b) Such proposal shall at least include provisions for:

- (1) Reserving amounts for the payment of expenses of administration and the payment of claims of secured creditors, to the extent of the value of the security held, and claims falling within the priorities established in G.S. 58-30-220(1) and (4);
- (2) Disbursement of the assets marshalled to date and subsequent disbursement of assets as they become available;
- (3) Equitable allocation of disbursements to each of the domestic and foreign guaranty associations entitled thereto;
- (4) The securing by the liquidator from each of the associations entitled to disbursements pursuant to this section of an agreement to return to the liquidator such assets, together with income earned on assets previously disbursed, as may be required to pay claims of secured creditors and claims falling within the priorities established in G.S. 58-30-220 in accordance with such priorities. No bond shall be required of any such association; and

(5) A full report to be made by each association to the liquidator accounting for all assets so disbursed to the association, all disbursements made therefrom, any interest earned by the association on such assets and any other matter as the Court directs.

(c) The liquidator's proposal shall provide for disbursements to the associations in amounts estimated at least equal to the claim payments made or to be made thereby for which such associations could assert a claim against the liquidator; and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of such claim payments made or to be made by the association then disbursements shall be in the amount of available assets.

(d) The liquidator's proposal shall, with respect to an insolvent insurer writing life or health insurance or annuities, provide for disbursements of assets to any domestic or foreign guaranty association covering life or health insurance or annuities or to any other entity reinsuring, assuming, or guaranteeing policies or contracts of insurance under the acts creating such associations.

(e) Notice of such application shall be given to the association in and to the insurance regulators of each of the states. Any such notice shall be deemed to have been given when deposited in United States certified mail, first class postage prepaid, at least 30 days prior to submission of such application to the Court. Action on the application may be taken by the Court provided the above required notice has been given and provided further that the liquidator's proposal complies with subdivisions (b)(1) and (b)(2) of this section. (1989, c. 452, s. 1; 1995, c. 517, s. 13; 2006-105, s. 1.5.)

§ 58-30-185. Filing of claims.

(a) Proof of all claims shall be filed with the liquidator in the form required by G.S. 58-30-190 on or before the last day for filing specified in the notice required under G.S. 58-30-125, except that proof of claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.

(b) The liquidator may permit a claimant making a late filing to share in distributions, whether past or future, as if he were not late, to the extent that any such payment will not prejudice the orderly administration of the liquidation, under the following circumstances:

- (1) The existence of the claim was not known to the claimant and that he filed his claim as promptly thereafter as reasonably possible after learning of it;
- (2) A transfer to a creditor was avoided under G.S. 58-30-140 through 58-30-150, or was voluntarily surrendered under G.S. 58-30-155, and that the filing satisfies the conditions of G.S. 58-30-155; and
- (3) The valuation under G.S. 58-30-215, of security held by a secured creditor shows a deficiency, that is filed within 30 days after the valuation.

(c) The liquidator shall permit late filing claims to share in distributions, whether past or future, as if they were not late, if such claims are claims of a guaranty association or foreign guaranty association for reimbursement of covered claims paid or expenses incurred, or both, subsequent to the last day for filing where such payments were made and expenses incurred as provided by law. Claims of domestic and foreign guaranty associations for reimbursement of covered claims paid or expenses incurred shall be deemed to be absolute.

(d) The liquidator may consider any claim filed late that is not covered by subsection (b) of this section, and permit it to receive distributions that are subsequently declared on any claims of

the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late-filing claimant shall receive, at each distribution, the same percentage of the amount allowed on his claim as is then being paid to claimants of any lower priority. This shall continue until his claim has been paid in full. (1989, c. 452, s. 1.)

§ 58-30-190. Proof of claim.

(a) Proof of claim shall consist of a statement signed by the claimant that includes all of the following that are applicable:

- (1) The particulars of the claim, including the consideration given for it;
- (2) The identity and amount of the security on the claim;
- (3) The payments made on the debt, if any;
- (4) That the sum claimed is justly owing and that there is no setoff, counterclaim, or defense to the claim;
- (5) Any right of priority of payment or other specific right asserted by the claimant;
- (6) A copy of the written instrument that is the foundation of the claim; and
- (7) The name and address of the claimant and any attorney who represents him.

(b) No claim need be considered or allowed if it does not contain all the information in subsection (a) of this section that may be applicable. The liquidator may require that a prescribed form be used, and may require that other information and documents be included.

(c) At any time the liquidator may request the claimant to present information or evidence supplementary to that required under subsection (a) of this section; and may take testimony under oath, require production of affidavits or depositions, or otherwise obtain additional information or evidence.

(d) No judgment or order against an insured or the insurer entered after the date of filing of a successful petition for liquidation, and no judgment or order against an insured or the insurer entered at any time by default or by collusion, need be considered as evidence of liability or of amount of damages. No judgment or order against an insured or the insurer entered within four months before the filing of the petition need be considered as evidence of liability or of the amount of damages.

(e) All claims of a guaranty association or foreign guaranty association shall be in such form and contain such substantiation as may be agreed to by the association and the liquidator; and failing such agreement as ordered by the Court. (1989, c. 452, s. 1.)

§ 58-30-195. Special claims.

(a) No contingent claim shall share in a distribution of the assets of an insurer that has been adjudicated to be insolvent by an order made pursuant to G.S. 58-30-105; except that such claims shall be considered, if properly presented, and may be allowed to share where:

- (1) Such claim becomes absolute against the insurer on or before the last day fixed for filing of proofs of claim against the assets of such insurer, or
- (2) There is a surplus and the liquidation is thereafter conducted upon the basis that such insurer is solvent.

(b) Where an insurer has been so adjudicated to be insolvent, any person who has a cause of action against an insured of such insurer under a liability insurance policy issued by such insurer, has the right to file a claim in the liquidation proceedings, regardless of the fact that such claim may be contingent, and such claim may be allowed:

- (1) If it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and
- (2) If such person furnishes suitable proof, unless the Court for good cause shown otherwise directs, that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and
- (3) If the total liability of such insurer to all claimants arising out of the same act of its insured is no greater than its total liability would be were it not in liquidation.

No judgment against such an insured taken after the date of the entry of the liquidation order shall be considered in the liquidation proceedings as evidence of liability or of the amount of damages, and no judgment against an insured taken by default, inquest, or by collusion prior to the entry of the liquidation order shall be considered as conclusive evidence in the liquidation proceeding, either of the liability of such insured to such person upon such cause of action or of the amount of damages to which such person is therein entitled.

(c) No claim of any secured claimant shall be allowed at a sum greater than the difference between the value of the claim without security and the value of the security itself as of the date of entry of the order of liquidation or such other date set by the Court for fixation of rights and liabilities as provided in G.S. 58-30-105 unless the claimant surrenders his security to the Commissioner, in which event the claim shall be allowed in the full amount for which it is valued.

(d) Claims that are due but for the passage of time, including any structured settlements or judgments involving periodic payments, shall be treated the same as absolute claims, except that such claims may be discounted at the legal rate of interest.

(e) Claims made under employment contracts by directors, principal officers, or persons in fact performing similar functions or having similar powers, are limited to payment for services rendered prior to the issuance of any order of rehabilitation or liquidation under this Article. (1989, c. 452, s. 1.)

§ 58-30-200. Special provisions for third party claims.

(a) Whenever any third party asserts a cause of action against an insured of an insurer in liquidation, the third party may file a claim with the liquidator.

(b) Whether or not the third party files a claim, the insured may file a claim on his own behalf in the liquidation. If the insured fails to file a claim by the date for filing claims specified in the order of liquidation or within 60 days after mailing of the notice required by G.S. 58-30-125, whichever is later, he is an unexcused late filer.

(c) The liquidator shall make his recommendations to the Court under G.S. 58-30-225 for the allowance of an insured's claim under subsection (b) of this section after consideration of the probable outcome of any pending action against the insured on which the claim is based, the probable damages recoverable in the action, and the probable costs and expenses of defense. After allowance by the Court, the liquidator shall withhold any dividends payable on the claim, pending the outcome of litigation and negotiation with the insured. Whenever it seems appropriate, he shall reconsider the claim on the basis of additional information and amend his recommendations to the Court. The insured shall be afforded the same notice and opportunity to be heard on all changes in the recommendation as in its initial determination. The Court may amend its allowance as it thinks appropriate. As claims against the insured are settled or barred, the insured shall be paid from the amount withheld the same percentage dividend as was paid on other claims of like property, based on the lesser of (i) the amount actually recovered from the insured by action or paid by agreement

plus the reasonable costs and expense of defense, or (ii) the amount allowed on the claims by the Court. After all claims are settled or barred, any sum remaining from the amount withheld shall revert to the undistributed assets of the insurer. Delay in final payment under this subsection shall not be a reason for unreasonable delay of final distribution and discharge of the liquidator.

(d) No claim may be presented under this section if it is or may be covered by any domestic or foreign guaranty association. (1989, c. 452, s. 1; 2003-221, s. 14.)

§ 58-30-205. Disputed claims.

(a) When a claim is denied in whole or in part by the liquidator, written notice of the determination shall be given to the claimant or his attorney by first class mail at the address shown in the proof of claim. Within 60 days from the mailing of the notice, the claimant may file his objections with the liquidator. If no such filing is made, the claimant may not further object to the determination.

(b) Whenever objections are filed with the liquidator and the liquidator does not alter his denial of the claim as a result of the objections, the liquidator shall ask the Court for a hearing as soon as practicable and give notice of the hearing by first class mail to the claimant or his attorney and to any other persons directly affected, not less than 10 nor more than 30 days before the date of the hearing. The matter may be heard by the Court or by a court-appointed referee who shall submit findings of fact along with his recommendation. (1989, c. 452, s. 1.)

§ 58-30-210. Claims of surety.

Whenever a creditor, whose claim against an insurer is secured in whole or in part by the undertaking of another person, fails to prove and file that claim, the other person may do so in the creditor's name and shall be subrogated to the rights of the creditor, whether the claim has been filed by the creditor or by the other person in the creditor's name, to the extent that he discharges the undertaking. In the absence of an agreement with the creditor to the contrary, the other person shall not be entitled to any distribution until the amount paid to the creditor on the undertaking plus the distributions paid on the claim from the insurer's estate to the creditor equals the amount of the entire claim of the creditor. Any excess received by the creditor shall be held by him in trust for such other person. As used in this section, "other person" does not mean a guaranty association or foreign guaranty association. (1989, c. 452, s. 1.)

§ 58-30-215. Secured creditor's claims.

(a) The value of any security held by a secured creditor shall be determined in one of the following ways, as the Court may direct:

- (1) By converting the same into money according to the terms of the agreement pursuant to which the security was delivered to such creditors; or
- (2) By agreement, arbitration, compromise or litigation between the creditor and the liquidator.

(b) The determination shall be under the supervision and control of the Court with due regard for the recommendation of the liquidator. The amount so determined shall be credited upon the secured claim, and any deficiency shall be treated as an unsecured claim. If the claimant surrenders his security to the liquidator, the entire claim shall be allowed as if unsecured. (1989, c. 452, s. 1; 1991, c. 720, s. 68.)

§ 58-30-220. Priority of distribution.

The priority of distribution of claims from the insurer's estate shall be in accordance with the order in which each class of claims is set forth in this section. Every claim in each class shall be paid in full or adequate funds shall be retained for payment before the members of the next class receive any payment. No subcategories shall be established within the categories in a class. The order of distribution of claims shall be:

- (1) The receiver's expenses for the administration and conservation of assets of the insurer.
- (2) Claims or portions of claims for benefits under policies and for losses incurred, including claims of third parties under liability policies; claims of HMO enrollees and HMO enrollees' beneficiaries; claims for unearned premiums; claims for funds or consideration held under funding agreements, as defined in G.S. 58-7-16; claims under life insurance and annuity policies, whether for death proceeds, annuity proceeds, or investment values; and claims of domestic and foreign guaranty associations, including claims for the reasonable administrative expenses of domestic and foreign guaranty associations; but excluding claims of insurance pools, underwriting associations, or those arising out of reinsurance agreements, claims of other insurers for subrogation, and claims of insurers for payments and settlements under uninsured and underinsured motorist coverages.
 - (2a) For HMOs, claims of providers and participating providers, as defined in G.S. 58-67-5(h) and G.S. 58-67-5(1)[(I)], who are obligated by statute, agreement, or court order to hold enrollees harmless from liability for services provided and covered by an HMO.
 - (2b) For prepaid health plans licensed under Article 93 of this Chapter, claims of providers who are obligated by statute, agreement, or court order to hold enrollees harmless, except for copayments and deductibles, from liability for health care services provided and covered by a prepaid health plan.
- (3) Claims of the federal or any state or local government or taxing authority, including claims for taxes.
- (4) Compensation actually owing to employees other than officers of the insurer for services rendered within three months before the commencement of a delinquency proceeding against the insurer under this Article, but not exceeding one thousand dollars (\$1,000) for each employee. In the discretion of the Commissioner, this compensation may be paid as soon as practicable after the proceeding has been commenced. This priority is in lieu of any other similar priority that may be authorized by law as to wages or compensation of those employees.
- (5) Claims of general creditors, including claims of insurance pools, underwriting associations, or those arising out of reinsurance agreements; claims of other insurers for subrogation; and claims of insurers for payments and settlements under uninsured and underinsured motorist coverages. (1989, c. 452, s. 1; 1993 (Reg. Sess., 1994), c. 600, s. 2; 1995, c. 517, s. 14; 1998-211, s. 4; 2018-49, s. 2(a).)

§ 58-30-225. Liquidator's recommendations to the Court.

(a) The liquidator shall review all claims duly filed in the liquidation and shall make such further investigation as necessary. He may compound, compromise, or in any other manner negotiate the amount for which claims will be recommended to the Court except where he is required by law to accept claims as settled by any person or organization, including any domestic or foreign guaranty association. Unresolved disputes shall be determined under G.S. 58-30-205. As soon as practicable, the liquidator shall present to the Court a report of the claims against the insurer with his recommendations. The report shall include the name and address of each claimant and the amount of any claim finally recommended. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment values and the amounts owed.

(b) The Court may approve, disapprove, or modify the report on claims by the liquidator. Such reports that are not modified by the Court within a period of 60 days following submission by the liquidator shall be treated by the liquidator as allowed claims, subject thereafter to later modification or to rulings made by the Court pursuant to G.S. 58-30-205. No claim under a policy of insurance shall be allowed for an amount in excess of the applicable policy benefits. (1989, c. 452, s. 1.)

§ 58-30-230. Distribution of assets.

(a) Under the direction of the Court, the liquidator shall pay distributions in a manner that will assure the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims, including third party claims. Distribution of assets in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the Court.

(b) Interest on claims shall be paid only after all claims have been paid under subsection (a) of this section. This subsection does not apply to interest awarded as part of a judgment. (1989, c. 452, s. 1.)

§ 58-30-235. Unclaimed and withheld funds.

(a) All unclaimed funds subject to distribution remaining in the liquidator's hands when he is ready to apply to the Court for discharge, including the amount distributable to any creditor, shareholder, member, or other person who is unknown or cannot be found, shall be deposited with the State Treasurer, and shall be paid without interest except in accordance with G.S. 58-30-220 to the person entitled thereto or his legal representative upon proof satisfactory to the State Treasurer of his right thereto. Any amount on deposit not claimed within six years from the discharge of the liquidator shall be considered abandoned and shall be escheated without formal escheat proceedings.

(b) All funds withheld under G.S. 58-30-195 and not distributed shall upon discharge of the liquidator be deposited with the State Treasurer and paid by him in accordance with G.S. 58-30-220. Any sums remaining that under G.S. 58-30-220 would revert to the undistributed assets of the insurer shall be transferred to the State Treasurer and become the property of the State under subsection (a) of this section, unless the Commissioner in his discretion petitions the Court to reopen the liquidation under G.S. 58-30-245. (1989, c. 452, s. 1.)

§ 58-30-240. Termination of proceedings.

(a) When all assets justifying the expense of collection and distribution have been collected and distributed under this Article, the liquidator shall apply to the Court for discharge. The Court may grant the discharge and make any other orders, including an order to transfer any remaining funds that are uneconomic to distribute, as may be deemed appropriate.

(b) Any other person may apply to the Court at any time for an order under subsection (a) of this section. If the application is denied, the applicant shall pay the costs and expenses of the liquidator in resisting the application, including reasonable attorney fees. (1989, c. 452, s. 1.)

§ 58-30-245. Reopening liquidation.

After the liquidation proceeding has been terminated and the liquidator discharged, the Commissioner or other interested party may at any time petition the Court to reopen the proceedings for good cause, including the discovery of additional assets. If the Court is satisfied that there is justification for reopening, it shall so order. (1989, c. 452, s. 1.)

§ 58-30-250. Disposition of records during and after termination of liquidation.

Whenever it appears to the Commissioner that the records of any insurer in process of liquidation or completely liquidated are no longer useful, he may recommend to the Court and the Court shall direct what records should be retained for future reference and what should be destroyed. (1989, c. 452, s. 1.)

§ 58-30-255. External audit of the receiver's books.

The Court may, as it deems to be desirable, cause audits to be made of the books of the Commissioner relating to any receivership established under this Article, and a report of each audit shall be filed with the Commissioner and with the Court. The books, records, and other documents of the receivership shall be made available to any auditor at any time without notice. The expense of each audit shall be considered a cost of administration of the receivership. (1989, c. 452, s. 1.)

§ 58-30-260. Conservation of property of foreign or alien insurers found in this State.

(a) If a domiciliary liquidator has not been appointed, the Commissioner may apply to the Court by verified petition for an order directing him to act as conservator to conserve the property of an alien insurer not domiciled in this State or a foreign insurer on any one or more of the following grounds:

- (1) Any of the grounds in G.S. 58-30-75;
- (2) That any of its property has been sequestered by official action in its domiciliary state, or in any other state;
- (3) That enough of its property has been sequestered in an alien country to give reasonable cause to fear that the insurer is or may become insolvent;
- (4) That its license to do business in this State has been revoked or that none was ever issued; and that there are residents of this State with outstanding claims or outstanding policies.

(b) When an order is sought under subsection (a) of this section, the Court shall cause the insurer to be given such notice and time to respond thereto as is reasonable under the circumstances.

(c) The Court may issue the order in whatever terms it shall deem appropriate. The filing or recording of the order with the clerk of court or the register of deeds of the county in which the

principal business of the company is located, shall impart the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that register of deeds would have imparted.

(d) The conservator may at any time petition for and the Court may grant an order under G.S. 58-30-265 to liquidate assets of a foreign or alien insurer under conservation, or, if appropriate, for an order under G.S. 58-30-275, to be appointed ancillary receiver.

(e) The conservator may at any time petition the Court for an order terminating conservation of an insurer. If the Court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The Court may also make such finding and issue such order at any time upon motion of any interested party, but if such motion is denied all costs shall be assessed against such party. (1989, c. 452, s. 1; 1999-132, s. 9.1.)

§ 58-30-265. Liquidation of property of foreign or alien insurers found in this State.

(a) If no domiciliary receiver has been appointed, the Commissioner may apply to the Court by verified petition for an order directing him to liquidate the assets found in this State of a foreign insurer or an alien insurer not domiciled in this State, on any of the following grounds:

- (1) Any of the grounds in G.S. 58-30-75 or G.S. 58-30-100; or
- (2) Any of the grounds specified in G.S. 58-30-260(a)(2) through (4).

(b) When an order is sought under subsection (a) of this section, the Court shall cause the insurer to be given such notice and time to respond thereto as is reasonable under the circumstances.

(c) If it appears to the Court that the best interests of creditors, policyholders, and the public require, the Court may issue an order to liquidate in whatever terms it deems to be appropriate. The filing or recording of the order with the clerk of the Court or the register of deeds of the county in which the principal business of the insurer is located or the county in which its principal office or place of business is located, shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds would have imparted.

(d) If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall thereafter act as ancillary receiver under G.S. 58-30-275. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section, may petition the court for permission to act as ancillary receiver under G.S. 58-30-275.

(e) On the same grounds as are specified in subsection (a) of this section, the Commissioner may petition any appropriate federal district court to be appointed receiver to liquidate that portion of the insurer's assets and business over which that court will exercise jurisdiction, or any lesser part thereof that the Commissioner considers desirable for the protection of the policyholders and creditors in this State.

(f) The Court may order the Commissioner, when he has liquidated the assets of a foreign or alien insurer under this section, to pay claims of residents of this State against the insurer under such rules as to the liquidation of insurers under this Article as are otherwise compatible with the provisions of this section. (1989, c. 452, s. 1.)

§ 58-30-270. Domiciliary liquidators in other states.

(a) The domiciliary liquidator of an insurer domiciled in a reciprocal state is, except as to special deposits and security on secured claims under G.S. 58-30-275(c), vested by operation of law with the title to all of the assets, property, contracts and rights of action, agents' balances, and

all of the books, accounts, and other records of the insurer located in this State. The date of vesting shall be the date of the filing of the petition, if that date is specified by the domiciliary law for the vesting of property in the domiciliary state. Otherwise, the date of vesting shall be the date of entry of the order directing possession to be taken. The domiciliary liquidator shall have the immediate right to recover the balances due from agents and to obtain possession of the books, accounts, and other records of the insurer located in this State. He also shall have the right to recover all other assets of the insurer located in this State, subject to G.S. 58-30-275.

(b) If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the Commissioner shall be vested by operation of law with the title to all of the property, contracts, and rights of action, and all of the books, accounts and other records of the insurer located in this State, at the same time that the domiciliary liquidator is vested with title in the domicile. The Commissioner may petition for a conservation or liquidation order under G.S. 58-30-260 and G.S. 58-30-265, or for an ancillary receivership under G.S. 58-30-275, or after approval by the Court may transfer title to the domiciliary liquidator, as the interests of justice and the equitable distribution of the assets require.

(c) Claimants residing in this State may file claims with the liquidator or ancillary receiver, if any, in this State or with the domiciliary liquidator, if the domiciliary law permits. The claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings. (1989, c. 452, s. 1.)

§ 58-30-275. Ancillary formal proceedings.

(a) If a domiciliary liquidator has been appointed for an insurer not domiciled in this State, the Commissioner may file a petition with the Court requesting appointment as ancillary receiver in this State:

(1) If he finds that there are sufficient assets of the insurer located in this State to justify the appointment of an ancillary receiver;

(2) If the protection of creditors or policyholders in this State so requires.

(b) The Court may issue an order appointing an ancillary receiver in whatever terms it deems to be appropriate, including provisions for payment of the reasonable and necessary expenses of the proceedings. The filing or recording of the order with a register of deeds in this State imparts the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds.

(c) When a domiciliary liquidator has been appointed in a reciprocal state, then the ancillary receiver appointed in this State, may, whenever necessary, aid and assist the domiciliary liquidator in recovering assets of the insurer located in this State. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this State, and shall pay the necessary expenses of the proceedings. He shall promptly transfer all remaining assets, books, accounts, and records to the domiciliary liquidator. Subject to this section, the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this State.

(d) When a domiciliary liquidator has been appointed in this State, ancillary receivers appointed in reciprocal states shall have, as to assets and books, accounts, and other records in their respective states, corresponding rights, duties and powers to those provided in subsection (c) of this section for ancillary receivers appointed in this State. (1989, c. 452, s. 1; 1993 (Reg. Sess., 1994), c. 678, s. 17.)

§ 58-30-280. Ancillary summary proceedings.

The Commissioner in his sole discretion may institute proceedings under G.S. 58-30-60 through 58-30-70 at the request of the insurance regulator of the domiciliary state of any foreign or alien insurer having property located in this State. (1989, c. 452, s. 1.)

§ 58-30-285. Claims of nonresidents against insurers domiciled in this State.

(a) In a liquidation proceeding begun in this State against an insurer domiciled in this State, claimants residing in foreign countries or in states not reciprocal states must file claims in this State, and claimants residing in reciprocal states may file claims either with the ancillary receivers, if any, in their respective states, or with the domiciliary liquidator. Claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceeding.

(b) Claims belonging to claimants residing in reciprocal states may be proved either in the liquidation proceeding in this State as provided in this Article, or in ancillary proceedings, if any, in the reciprocal states. If notice of the claims and opportunity to appear and be heard is afforded the domiciliary liquidator of this State as provided in G.S. 58-30-290(b) with respect to ancillary proceedings, the final allowance of claims by the courts in ancillary proceedings in reciprocal states shall be conclusive as to amount and as to priority against special deposits or other security located in such ancillary states, but shall not be conclusive with respect to priorities against general assets under G.S. 58-30-220. (1989, c. 452, s. 1.)

§ 58-30-290. Claims of residents against insurers domiciled in reciprocal states.

(a) In a liquidation proceeding in a reciprocal state against an insurer domiciled in that state, claimants against the insurer who reside within this State may file claims either with the ancillary receiver, if any, in this State, or with the domiciliary liquidator. Claims must be filed on or before the last dates fixed for the filing of claims in the domiciliary proceeding.

(b) Claims belonging to claimants residing in this State may be proved either in the domiciliary state under the law of that state, or in ancillary proceedings, if any, in this State. If a claimant elects to prove his claim in this State, he shall file his claim with the liquidator in the manner provided in G.S. 58-30-185 and G.S. 58-30-190. The ancillary receiver shall make his recommendation to the Court as under G.S. 58-30-225. He shall also arrange a date for hearing if necessary under G.S. 58-30-205 and shall give notice to the liquidator in the domiciliary state, either by certified mail or by personal service at least 40 days prior to the date set for hearing. If the domiciliary liquidator, within 30 days after the giving of such notice, gives notice in writing to the ancillary receiver and to the claimant, either by certified mail or by personal service, of his intention to contest the claim, he shall be entitled to appear or to be represented in any proceedings in this State involving the adjudication of the claim.

(c) The final allowance of the claim by the courts of this State shall be accepted as conclusive as to amount and as to priority against special deposits or other security located in this State. (1989, c. 452, s. 1.)

§ 58-30-295. Attachment, garnishment and levy of execution.

During the pendency in this or any other state of a liquidation proceeding, whether called by that name or not, no action or proceeding in the nature of an attachment, garnishment, or levy of execution shall be commenced or maintained in this State against the delinquent insurer or its assets. (1989, c. 452, s. 1.)

§ 58-30-300. Interstate priorities.

(a) In a liquidation proceeding in this State involving one or more reciprocal states, the order of distribution of the domiciliary state shall control as to all claims of residents of this and reciprocal states. All claims of residents of reciprocal states shall be given equal priority of payment from general assets regardless of where such assets are located.

(b) The owners of special deposit claims against an insurer for which a liquidator is appointed in this or any other state shall be given priority against the special deposits in accordance with the statutes governing the creation and maintenance of the deposits. If there is a deficiency in any deposit, so that the claims secured by it are not fully discharged from it, the claimants may share in the general assets, but the sharing shall be deferred until general creditors, and also claimants against other special deposits who have received smaller percentages from their respective special deposits, have been paid percentages of their claims equal to the percentage paid from the special deposit.

(c) The owner of a secured claim against an insurer for which a liquidator has been appointed in this or any other state may surrender the owner's security and file the claim as a general creditor, or the claim may be discharged by resort to the security in accordance with G.S. 58-30-215 in which case the deficiency, if any, shall be treated as a claim against the general assets of the insurer on the same basis as claims of unsecured creditors. (1989, c. 452, s. 1; 1995, c. 193, s. 32.)

§ 58-30-305. Subordination of claims for noncooperation.

If an ancillary receiver in another state or foreign country, whether called by that name or not, fails to transfer to the domiciliary liquidator in this State any assets within his control other than special deposits, diminished only by the expenses of the ancillary receivership, if any, the claims filed in the ancillary receivership, other than special deposit claims or secured claims shall be placed in the class of claims under G.S. 58-30-220(5). (1989, c. 452, s. 1.)

§ 58-30-310. Exemption from filing fees.

As used in this section, "Commissioner" includes the Commissioner's deputies, employees, or attorneys of record. The Commissioner is not required to pay any fee to any public officer in this State for filing, recording, issuing a transcript or certificate, or authenticating any paper or instrument pertaining to the exercise by the Commissioner of any of the powers or duties conferred upon him under this Article. This section applies whether or not the paper or instrument is connected with the commencement of an action or proceeding by or against the Commissioner or with the subsequent conduct of an action or proceeding. (1989 (Reg. Sess., 1990), c. 1069, s. 15.)

Article 31.

§ 58-31-1. State Property Fire Insurance Fund created.

Upon the expiration of all existing policies of fire insurance upon state-owned buildings, fixtures, furniture, and equipment, including all such property the title to which may be in any State department, institution, or agency, the State of North Carolina shall not reinsure any of such properties.

There is hereby created a "State Property Fire Insurance Fund," which shall be as a special fund in the State treasury, for the purpose of providing a reserve against loss from fire at State departments and institutions. The State Treasurer shall be the custodian of the "State Property Fire Insurance Fund" and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and 147-69.3. The unexpended appropriations of State departments and institutions for fire insurance premiums for the fiscal year 1944-1945 and the appropriations for fire insurance premiums made for the biennium 1945-1947 or that may thereafter be made for this purpose shall be transferred to the "State Property Fire Insurance Fund." § 58-31-2. Certain buildings of North Carolina Global TransPark exempt.

(a) A building located on State lands that is privately owned or privately leased, and located within the North Carolina Global TransPark, is exempt from application of this Article provided that (i) the North Carolina Global TransPark Authority requires a private owner or private lessee to obtain adequate insurance to cover fire losses to underlying and surrounding real property owned by the State, (ii) the private owner or private lessee obtains and maintains adequate insurance naming the Authority and the Department of Transportation as an additional insured for fire losses, and (iii) the Authority discloses to the private owner or private lessee that the State of North Carolina shall not reinsure that building and the building is exempt from the State Property Fire Insurance Fund coverage for fires losses.

(b) The minimum amount of insurance that will be required under subsection (a) of this section is one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate per occurrence.

The Authority shall consult with the Commissioner of Insurance regarding the adequacy of insurance for fire losses required by this section during this period. (2020-90, s. 2.1.)

§ 58-31-5. Appropriations; fund to pay administrative expenses.

Upon the expiration of the existing fire insurance policies on said properties and in making appropriations for any biennium after the next biennium, the Commissioner shall file with the Department of Administration his estimate of the appropriations which will be necessary in order to set up and maintain an adequate reserve to provide a fund sufficient to protect the State, its departments, institutions, and agencies from loss or damage to any of said properties up to fifty per centum (50%) of the value thereof. Appropriations made for the creating of such fire insurance reserves against property of the Department of Agriculture and Consumer Services, or the Department of Transportation or any special operating fund shall be charged against the funds of such departments.

The State Property Fire Insurance Fund is authorized and empowered to pay all the administrative expenses occasioned by the administration of Article 31 of Chapter 58 of the General Statutes. (a) In the case of total or partial loss of any property of any State agency or institution, the Commissioner shall determine the amount of loss and certify that amount to the agency or institution concerned and to the Director of the Budget and Council of State. The Director of the Budget and Council of State may authorize transfers from the Fund to the agency or institution that suffered the loss in amounts that are necessary to pay for the actual cost of restoration or replacement of the property. In the event there is not a sufficient amount in the Fund to pay for the actual cost of restoration or replacement, the Director of the Budget and the Council of State may supplement the Fund by transferring amounts from the Contingency and Emergency Fund.

(b) The Commissioner, with the approval of the Council of State, is authorized to adopt rules necessary to carry out the purpose of this Article, which rules shall be binding on all State agencies and institutions. The Commissioner, with the approval of the Governor and Council of State, is authorized and empowered to purchase from insurers admitted to do business in North Carolina such insurance or reinsurance as may be necessary to protect the State Property Fire Insurance Fund against loss with respect to such insurance coverage. The words "extended coverage insurance," as used in this section, mean insurance against loss or damage caused by windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles or smoke. § 58-31-52. State motor vehicle safety program.

(a) Findings, Policy, and Purpose. – Motor vehicle accidents exact a terrible toll of human tragedy and suffering as well as national resources within the United States. The same is true, on a smaller scale, within North Carolina State government. Every year State employees or members of the general public are killed or injured, and a significant portion of the State's financial resources is expended as a direct result of accidents involving State-owned vehicles. Accordingly, it is North Carolina policy that the State-owned motor vehicle fleet and vehicles used on behalf of the State be operated and maintained in such a manner as to minimize deaths, injuries, and costs. The purpose of this section is to direct the Commissioner of Insurance to develop a program to provide policy, requirements, procedures, technical information, and standards for administering a State vehicle safety program which will apply to all State personnel involved in the administration and operation of vehicles on behalf of the State.

(b) The Commissioner shall develop and adopt a State motor vehicle safety program to assure that State-owned motor vehicles are operated and maintained in a safe manner.

(c) In developing the program, the Commissioner shall include the following:

- (1) Basic criteria concerning qualifications, screening, and education of drivers.

- (3) Safety maintenance requirements.
- (4) Accident reporting and review procedures.

(d) The requirements and procedures established under the program apply to all agencies and persons operating vehicles on behalf of the State, unless specifically exempted by the Commissioner. Agencies may adopt more stringent requirements and procedures than those adopted by the Commissioner under this section. The administration of the program in each agency is the responsibility of each agency head or that person's designee.

(e) The provisions of Chapter 150B of the General Statutes do not apply to the program developed and adopted under this section. (1995, c. 517, s. 15.)

(a) Employee Insurance Committee. – The head of each State government employee payroll unit offering payroll deduction insurance products to employees shall appoint an Employee Insurance Committee for the following purposes:

- (1) To review insurance products currently offered through payroll deduction to the State employees in the Employee Insurance Committee's payroll unit to

determine if those products meet the needs and desires of employees in the Employee Insurance Committee's payroll unit.

- (2) To select the types of insurance products that reflect the needs and desires of employees in the Employee Insurance Committee's payroll unit.
- (3) To competitively select the best insurance products of the types determined by the Employee Insurance Committee to reflect the needs and desires of the employees of that payroll unit.

As used in this section, "insurance product" includes a prepaid legal services plan registered under G.S. 84-23.1.

(b) Appointment of Employee Insurance Committee Members. – The members of the Employee Insurance Committee shall be appointed by the head of the payroll unit. The Committee shall consist of not less than five or more than nine individuals a majority of whom have been employed in the payroll unit for at least one year. The committee members shall, except where necessary initially to establish the rotation herein prescribed, serve three-year terms with approximately one-third of the terms expiring annually. Committee membership make-up shall fairly represent the work force in the payroll unit and be selected without regard to any political or other affiliations. It shall be the duty of the payroll unit head to assure that the Employee Insurance Committee is completely autonomous in its selection of insurance products and insurance companies and that no member of the Employee Insurance Committee has any conflict of interest in serving on the Committee. A committee on employee benefits elected or appointed by the faculty representative body of a constituent institution of The University of North Carolina shall be deemed constituted and functioning as an employee insurance committee in accordance with this section. Any decision rendered by the Employee Insurance Committee where the autonomy of the Committee or a conflict of interest is questioned shall be subject to appeal pursuant to the Administrative Procedure Act, or in the case of departments, boards and commissions which are specifically exempt from the Administrative Procedure Act, pursuant to the appeals procedure prescribed for such department, board or commission.

(c) Payroll Deduction Slots. – Each payroll unit shall be entitled to the number of payroll deduction slots it needs to be used for payment of insurance premiums for products selected by the Employee Insurance Committee and offered to the employees of the payroll unit. The Employee Insurance Committee shall select only one company per payroll deduction slot. The products selected by the Employee Insurance Committee may be offered on a pretax basis if the products qualify as a cafeteria plan under section 125 of the Code. For purposes of this subsection, the term "Code" has the same meaning as defined in G.S. 105-228.90. The Company selected by an Employee Insurance Committee shall be permitted to sell through payroll deduction only the products specifically approved by the Employee Insurance Committee. The assignment by the Employee Insurance Committee of a payroll deduction slot shall be for a period of not less than two years unless the insurance company shall be in violation of the terms of the written agreement specified in this subsection. The insurance company awarded a payroll deduction slot shall, pursuant to a written agreement setting out the rights and duties of the insurance company, be afforded an adequate opportunity to solicit employees of the payroll unit by making such employees aware that a representative of the company will be available at a specified time and at a location convenient to the employees.

Notwithstanding any other provision of the General Statutes, once an employee has selected an insurance product for payroll deduction, that product may not be removed from payroll deduction for that employee without his or her specific written consent.

When an employee retires from State employment and payroll deduction under this section is no longer available, the insurance company may not terminate life insurance products purchased under the payroll deduction plan without the retiree's specific written consent solely because the premium is no longer deducted from payroll.

(c1) Procedure for Selection of Insurance Product Proposals. – All insurance product proposals shall be sealed. The Committee shall open all proposals in public and record them in the minutes of the Committee, at which time the proposals become public records open to public inspection.

After the public opening, the Committee shall review the proposals, examining the cost and quality of the products, the reputation and capabilities of the insurance companies submitting the proposals, and other appropriate criteria. The Committee shall determine which proposal, if any, would meet the needs and desires of the employees of that Committee's payroll unit and shall award a payroll deduction slot to the company submitting the proposal that meets those needs and desires. The Committee may reject any or all proposals.

A company may seek to modify or withdraw a proposal only after the public opening and only on the basis that the proposal contains an unintentional clerical error as opposed to an error in judgment. A company seeking to modify or withdraw a proposal shall submit to the Committee a written request, with facts and evidence in support of its position, prior to the award of the payroll deduction slot, but not later than two days after the public opening of the proposals. The Committee shall promptly review the request, examine the nature of the error, and determine whether to permit or deny the request.

(d) Criminal Penalty. – It shall be a Class 3 misdemeanor for any State employee, who has supervisory authority over any member of the Employee Insurance Committee, to attempt to influence the autonomy of any Employee Insurance Committee either in the appointment of members to such Committee or in the operation of such Committee; or for anyone to open a sealed insurance product proposal or disclose or exhibit the contents of a sealed insurance product proposal, prior to the public opening of the proposal. The Commissioner of Insurance shall have the authority to investigate complaints alleging acts subject to the criminal penalty and shall report his findings to the Attorney General of North Carolina. § 58-31-65. Owner-controlled or wrap-up insurance authorized.

(a) To the extent it is determined necessary and in the best interest of this State, the Department may obtain design and construction insurance or provide for self-insurance against property damage caused by this State, its departments, agencies, boards, and commissions and all officers and employees of this State in connection with the construction of public works projects. Workers' compensation and general liability insurance may be purchased to cover both general contractors and subcontractors doing work on a specific contracted work site. In connection with the construction of public works projects, the Department may also use an owner-controlled or wrap-up insurance program if all of the following conditions are met:

- (2) The program maintains completed operations coverage for a term during which coverage is reasonably commercially available as determined by the Commissioner, but in no event for fewer than three years.

- (3) Bid specifications clearly specify for all bidders the insurance coverage provided under the program and the minimum safety requirements that shall be met.
 - (4) The program does not prohibit a contractor or subcontractor from purchasing any additional insurance coverage that a contractor believes is necessary for protection from any liability arising out of the contract. The cost of the additional insurance shall not be passed through to this State on a contract bid.
 - (5) The program does not include surety insurance.
 - (6) The State may purchase an owner-controlled or wrap-up policy that has a deductible or self-insured retention as long as the deductible or self-insured retention does not exceed one million dollars (\$1,000,000).
- (b) For the purposes of subsection (a) of this section:
- (1) "Owner-controlled or wrap-up insurance" means a series of insurance policies issued to cover this State and all of the construction managers, contractors, subcontractors, architects, and engineers on a specified contracted work site or work sites for purposes of general liability, property damage, and workers' compensation. A State agency or the State may be a secondary insured under owner-controlled or wrap-up insurance.
 - (2) "Specific contracted work site" means construction being performed at one site or a series of contiguous sites separated only by a street, roadway, waterway, or railroad right-of-way, or along a continuous system for the provision of water and power. (2001-167, s. 1.)

§ 58-31-66. Public construction contract surety bonds.

- (a) Neither the State nor any county, city, or other political subdivision of the State, or any officer, employee, or other person acting on behalf of any such entity shall, with respect to any public building or construction contract, require any contractor, bidder, or proposer to procure a bid bond, payment bond, or performance bond from a particular surety, agent, producer, or broker.

Part 1. Public Education Property.

§ 58-31A-1. Definitions.

The following definitions shall apply in this Part:

- (2) Public education board. – A local board of education of a local school administrative unit, as defined in G.S. 115C-5(5), a board of trustees of a

- (3) Public education property. – Property owned by a local board of education, a regional school board of directors, or a community college board of trustees. (2019-176, s. 3(b); 2021-184, s. 3(a).)

§ 58-31A-5. Duty of the Commissioner to operate insurance system for public education property.

The Commissioner shall have the duty to manage and operate a system of insurance for public education property. The Commissioner may offer a system of property insurance to any charter schools approved pursuant to G.S. 115C-218.5. (2019-176, s. 3(b).)

§ 58-31A-10. Flood insurance.

Premiums for flood insurance coverage for public education buildings shall be paid by each public education board in accordance with rates fixed by the Commissioner, and the Commissioner may purchase from insurers admitted to do business in North Carolina such insurance or reinsurance as may be necessary to protect the State Public Education Insurance Fund against loss with respect to such insurance coverage. (2019-176, s. 3(b).)

§ 58-31A-15. Authority and rules for organization of system.

The Commissioner is hereby authorized, directed, and empowered to establish a division to manage and operate a system of insurance for public education property. The Commissioner shall adopt such rules and regulations as may be necessary to provide all details inherent in the insurance of public education property. The Commissioner shall employ any staff necessary, which in his or her opinion is necessary to insure and protect effectively public education property, and he or she shall fix their compensation consistent with the policies of the State Human Resources Commission. (2019-176, s. 3(b).)

§ 58-31A-20. State Public Education Property Insurance Fund; decrease of premiums when fund reaches five percent of total insurance in force.

(a) There is established a State Public Education Property Insurance Fund (Fund) as a special fund in the State treasury for the purpose of providing a reserve against property loss of public education boards. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. All funds paid over to the State Treasurer by the Commissioner for premiums on insurance by public education boards and all money received from interest or from loans and deposits and from any other source connected with the insurance of the property shall be held by the State Treasurer in the Fund for the purpose of paying all insurable hazards for which the Fund shall be liable and the expenses necessary for the proper conduct of the insurance of such property, together with such premiums for reinsurance that the Commissioner may deem necessary to reinsure as provided by this Article.

(b) When the balance of the Fund reaches the sum of five percent (5%) of the total insurance in force, then annually thereafter the Commissioner shall proportionately

decrease the premiums on insurance to an amount which will be sufficient to maintain the Fund at five percent (5%) of the total insurance in force, and in the event in the judgment of the Commissioner the income from the investments of the Fund are sufficient to maintain the same at five percent (5%) of the total insurance in force, no premium shall be charged for the ensuing year. However, no public education board shall cease to pay premiums until five annual payments of premiums have been made on a building or property insured whether or not through such payments the Fund shall be increased beyond five percent (5%) of the total insurance in force, unless such building or property shall cease to be insurable under this Article within such five-year period. (2019-176, s. 3(b).)

§ 58-31A-25. Insurance of property by public education boards; notice of election to insure and information to be furnished; outstanding policies.

All public education boards may insure all public education property titled to that board against the direct loss or damage by insurable hazards in public education buildings and other public education properties in the Fund. Any property covered by an insurance policy in effect on the date when the property of a public education board is insured in the Fund shall be insured by the Fund as of the expiration of the policy. Each public education board shall give notice of its election to insure in the Fund at least 90 days prior to such insurance becoming effective and shall furnish to the Commissioner a full and complete list of all outstanding property insurance policies, giving in complete detail the name of the insurers, the amount of the insurance and expirations thereof. While the said insurance policies remain in effect, the Fund shall act as coinsurer of the properties covered by such insurance to the same extent and in the same manner as is provided for coinsurance under the provisions of the standard form of property insurance as provided by law, and in the event of loss shall have the same rights and duties as required by participating insurance companies. (2019-176, s. 3(b).)

§ 58-31A-30. Inspections of insured public education properties.

The Commissioner shall provide for periodic inspections of all public education properties in the State of North Carolina insured under the provisions of this Article, in addition to the inspections required by G.S. 115C-525(b). The person making inspections required under G.S. 115C-525(b) shall furnish a copy to the Commissioner, and the local superintendent shall furnish to the Commissioner their corrective action plan. The inspections shall be for safety of buildings and particularly buildings used to provide instruction to students. The inspections shall be the basis for offering such engineering advice as may be thought to be necessary to safeguard students in public education buildings from death and injury from school fires or explosions and to protect the properties from loss, and the public education properties shall be required so far as possible, and reasonable, to carry out and put into effect any recommendations made by the Commissioner. (2019-176, s. 3(b).)

§ 58-31A-35. Information to be furnished prior to insuring in Fund; providing for payment of premiums.

Public education boards shall, at least 90 days before insuring in the Fund, furnish to the Commissioner a complete and detailed list of all public education buildings and contents of those buildings and other insurable public education property, together with an estimate of the present value of the property. Valuation for purposes of insuring in the Fund shall be reached by agreement in accordance with the procedure established for adjustment of losses. Public education boards and the tax-levying authority shall be required to provide for the payment of premiums for insurance on the school properties of each public education board, respectively, to the extent of not less than eighty percent (80%) of the current insurable value of the said properties, including the insurance in property insurance companies and the insurance provided by the Fund. (2019-176, s. 3(b).)

§ 58-31A-40. Determination and adjustment of premium rates; certificate as to insurance carried; no lapse; notice as to premiums required, and payments of premiums.

(a) The Commissioner shall determine the annual premium rate to be charged for insurance of public education properties pursuant to this Article, and rates shall be adjusted from time to time so as to provide insurance against damage or loss resulting from insurable hazards to public education buildings and properties of the public education boards at the lowest cost possible in keeping with the payment of cost of administration under this Article, and the creation of adequate reserves to pay losses which may be incurred. The Commissioner shall furnish to each public education board annually and, at such times as changes may require, a certificate showing the amount of insurance carried on each item of insurable property. This insurance shall not lapse but shall remain in force until the public education board requests that the insurance be canceled or until such property becomes uninsurable in the manner set out in G.S. 58-31A-45. From time to time, the public education board shall be notified as to the amount of the premiums required to be paid for insurance and the amounts to be provided for in the annual budget of the public education board. The tax-levying authorities shall provide by taxation or otherwise a sum sufficient to pay the required premiums.

(b) The public education board shall, within 30 days from notice of the rate of the premium, pay to the Commissioner the amount of the premiums on the insurance, and in the event that there are no funds available to make a payment on the premiums as required by this subsection, the premium shall be paid out of the first funds available to the public education board. Delayed payments shall bear interest at the rate of six percent (6%) per annum. (2019-176, s. 3(b).)

§ 58-31A-45. Adjustment of losses; determination and report of appraisers; payment of amounts to treasurers of local school administrative units; disbursement of funds.

(a) In the event of loss or damage by insurable hazards to public education buildings and properties for the public education boards, the Fund shall pay the loss (i) in the same proportion as the amount of insurance carried bore to the valuation of the property at the time it was insured, but not exceeding the amount which it would cost to repair or replace

the property with material of like kind and quality within a reasonable time after the loss, (ii) not in excess of the amount of insurance provided for the property, and (iii) not in excess of the amount of the loss that the Fund is required to pay in participation with property insurance companies having policies of insurance in force on the properties at the time of the loss or damage. The Fund shall not be liable for a greater proportion of any loss than the amount of insurance shall bear to the whole insurance covering the property against the peril involved.

(b) In the event of loss or damage by insurable hazards to public education buildings and properties of the public education boards, to the property insured, when an agreement as to the extent of the loss or damage cannot be arrived at between the Commissioner and the public education board with control charge of the property, the amount of the loss or damage shall be determined by three appraisers selected as follows: the Commissioner shall select one appraiser, the public education board in control of the property shall select one appraiser, and the two appraisers selected by the Commissioner and the public education board shall select a third appraiser. The selected appraisers shall be disinterested persons and shall be qualified from experience to appraise and value the property. If the appraisers appointed by the Commissioner and the public education board shall fail to agree upon a third appraiser within 15 days of their selection, then, on request of the Commissioner or the public education board, a third appraiser shall be selected by any regular resident superior court judge of the superior court district or set of districts as defined in G.S. 7A-41.1 in which the property is located. The selected appraisers shall file their written report with the Commissioner and with the public education board. The costs of the appraisal shall be paid from the Fund. Upon the determination of the loss by the appraisers, the Commissioner shall pay the amount of the loss or damage to the education property to the finance officer of the public education board, upon proper warrant of the Commissioner. The funds shall be paid out by the finance officer for the disbursement of the funds to the public education board. (2019-176, s. 3(b).)

§ 58-31A-50. Maintenance of inspection and engineering service; cancellation of insurance.

The Commissioner is authorized and empowered to maintain an inspection and engineering service deemed by it to be appropriate and necessary to reduce the hazards of fire in public education buildings insured in the Fund and to expend for such purpose not in excess of ten percent (10%) of the annual premiums collected from the public education boards. The Commissioner is authorized and empowered to cancel any insurance on any public education property when, in his or her opinion, because of dilapidation and depreciation of the property, the property is no longer insurable. The public education board shall be notified at least 30 days prior to cancellation, and in the event the public education board demonstrates the property can be restored to insurable condition, the Commissioner may continue insurance coverage, provided, that the findings and results of the inspection of public education property by the agents of the Commissioner shall be reported to the public education board and to the tax-levying authority for that public education board that carry insurance with the Fund at least 30 days prior to finalization of a local budget for that

fiscal year to ensure that all public education property shall be properly taken care of and made safe from fire hazards. (2019-176, s. 3(b).)

§ 58-31A-55. Other property insurance.

The Commissioner shall adopt rules for providing property insurance on property insured by the Fund against all risks of direct physical loss not otherwise insured against pursuant to this Article. Losses covered by this additional insurance shall be paid out of the Fund in the same manner as fire and extended coverage losses. Each public education board that elects to purchase this additional insurance shall pay a premium in accordance with rates fixed by the Commissioner. This additional insurance shall be subject to the provisions and stipulations on policy forms approved by the Commissioner. (2019-176, s. 3(b).)

Part 2. Student-Athletic Catastrophic Insurance.

§ 58-31A-60. Catastrophic insurance for covered activities.

- (3) Covered persons. – Students or school personnel participating in or responsible for supervising covered activities.
- (4) Participating school. – As defined in G.S. 115C-407.50.

(b) The Commissioner of Insurance shall have the duty to offer catastrophic insurance coverage for covered persons to participating schools for covered activities.

(c) Premiums for catastrophic insurance for covered activities shall be paid by each participating school in accordance with rates fixed by the Commissioner, and the Commissioner may purchase from insurers admitted to do business in North Carolina such insurance as may be necessary. (2021-184, s. 3(a).)

§ 58-32-5. Meetings of Commission; compensation.

The Commission shall meet at least four times per year, on or about January 15, April 15, July 15, October 15 and upon call of the chairman. § 58-32-10. Powers and duties of Commission.

The Commission may acquire from an insurance company or insurance companies a group plan of professional liability insurance covering the law-enforcement officers and/or public officers and employees of any political subdivision of the State. The Commission has full authority to negotiate with insurance companies submitting bids or proposals and shall award its group plan master contract on the basis of the company or companies found by it to offer maximum coverage at the most reasonable premium. The Commission may enter into a master policy contract of any term that it finds to be in the best interests of the law-enforcement officers and/or public officers and employees of the political subdivisions of the State, not to exceed five years. The Commission, in negotiating for the contract, is not authorized to pledge or offer the credit of the State of North Carolina. The insurance premiums shall be paid by the political subdivisions whose employees are covered by the professional liability insurance. Any political subdivision may elect coverage for any or all of its employees on a departmental basis. All employees in a department must be covered if coverage is elected for that department. Nothing in this section requires any political subdivision to participate in any group plan of professional liability insurance.

The Commission may, in its discretion, employ professional and clerical staff whose salaries shall be as established by the State Human Resources Commission.

If the Commission determines that reasonable coverage is not available at a reasonable cost, the Commission may undertake any studies and inquiries into the situation and alternatives, including self-insurance and State-administered funds, that the Commission deems appropriate. The Commission shall then bring before the General Assembly any recommendations that it deems appropriate.

The Commission may acquire information regarding loss ratios, loss factors, loss experience, and other such facts and figures from any agency or company issuing professional liability insurance covering public officers, employees, or law-enforcement officers in this State. This information is not a public record within the meaning of Chapter 132 of the General Statutes where it names the company divulging the information, but the Commission may make public the information to show aggregate statistics in respect to the experience of the State as a whole. The information shall be provided to the Commission upon its written demand and shall be submitted to the Commission by the company or companies upon sworn affidavit. If any agency or company fails or refuses to supply the information to the Commission within a reasonable time following receipt of the demand, the Commission may apply to the Superior Court sitting in Wake County for appropriate orders to enforce the demand.

For purposes of this section, the term "political subdivision" includes any county, city, town, incorporated village, sanitary district, metropolitan water district, county water and sewer district, water and sewer authority, hospital authority, parking authority, local ABC board, special airport district, airport authority, soil and water conservation district created pursuant to G.S. 139-5, fire district, volunteer or paid fire department, rescue squad, city or

(1979, c. 325, s. 1; 1983, c. 543, s. 3; 1985, c. 666, s. 79; 1985 (Reg. Sess., 1986), c. 1027, s. 30; 1987, c. 564, s. 9; 2013-382, s. 9.1(c); 2018-47, s. 6(a).)

§ 58-32-15. Professional liability insurance for State officials.

(a) The Commission may acquire professional liability insurance covering the officers and employees, or any group thereof, of any State department, institution or agency or any community college or technical college. Premiums for such insurance shall be paid by the requesting department, institution, agency, community college or technical college at rates established by the Commission, from funds made available to such department, institution, agency, community college or technical college for the purpose.

(b) The Commission, pursuant to this section, may acquire professional liability insurance covering the officers and employees, or any group thereof, of a department, institution or agency of State government or a community college or technical college only if the coverage to be provided by the insurance policy is in excess of the protection provided by Articles 31 and 31A of Chapter 143 of the General Statutes, other than the protection provided by G.S. 143-300.9.

(c) The purchase, by any State department, institution, agency, community college or technical college of professional liability insurance covering the law-enforcement officers, officers or employees of such department, institution, agency, community college or technical college shall not be construed as a waiver of any defense of sovereign immunity by such department, institution, agency, community college or technical college. The purchase of such insurance shall not be deemed a waiver by any employee of the defense of sovereign immunity to the extent that such defense may be available to him.

(d) The payment, by any State department, institution, agency, community college or technical college of funds as premiums for professional liability insurance through the plan provided herein, covering the law-enforcement officers or officials or employees of such department, institution, agency, community college or technical college is hereby declared to be for a public purpose. (1981, c. 1109, s. 3; 1985, c. 666, s. 79; 1987, c. 301; 1991, c. 674, s. 3.)

§ 58-32-20. Commission to act as liaison; meetings of Commission.

The Commission shall act as liaison between the insurance company or companies with which it contracts, their servicing agent and the insureds. The Commission shall give notice of its meetings to the company or companies and to all insureds. The Commission shall attempt to resolve such difficulties as arise in the servicing and administration of the

program of insurance between the company and insureds. (1979, c. 325, s. 1; 1985, c. 666, s. 79.)

- (d) A person holding a license or licenses for the lines of authority specified in subsection (c1) of this section may sell, solicit, or negotiate only the kind or lines of authority for which that person is licensed.
- (e) A variable life and variable annuity products license authorizes a resident insurance producer to sell, solicit, or negotiate variable contracts if the insurance producer satisfies the Commissioner that the insurance producer has met the FINRA requirements of the Secretary of State of North Carolina.
- (f) An accident and health or sickness license authorizes a resident insurance producer to sell, solicit, or negotiate Medicare supplement and long-term care insurance policies as defined respectively in Articles 54 and 55 of this Chapter, provided that the licensee takes and passes a supplemental written examination for the insurance as provided in G.S. 58-33-30(e) and pays the supplemental registration fee provided in G.S. 58-33-125(c).
- (g) The Commissioner may issue one or more licenses without examination to individuals for limited lines insurance per qualifications and application procedures defined in the administrative rules.
- (h) No licensed insurance producer or limited representative shall sell, solicit, or negotiate anywhere in the boundaries of this State, or receive or transmit an application or premium of insurance, for a company not licensed to do business in this State, except as provided in G.S. 58-28-5 and Article 21 of this Chapter.
- (i) No insurance producer shall place a policy of insurance with any insurer unless the insurance producer has a current appointment as agent for the insurer in accordance with G.S. 58-33-40 or has a valid temporary license issued in accordance with G.S. 58-33-66.
- (j) A business entity that sells, solicits, or negotiates insurance shall be licensed in accordance with G.S. 58-33-31(b). Every member of the partnership and every officer, director, stockholder, and employee of the business entity personally engaged in this State in selling, soliciting, or negotiating policies of insurance shall qualify as an individual licensee. A business entity license shall expire on March 31 of each year unless the business entity pays the renewal fee.
- (k) The license shall state the name and an identifying number of the licensee, date of issue, line or lines of authority covered by the license, and any other information as the Commissioner deems to be proper.
- (l) A license issued to an insurance producer authorizes him to act until his license is otherwise suspended or revoked. Upon the suspension or revocation of a license, the licensee or any person having possession of such license shall return it to the Commissioner.
- (m) A license of a limited representative, adjuster, or motor vehicle damage appraiser shall be renewed on April 1 each year, and renewal fees shall be paid. The Commissioner is not required to print licenses for the purpose of renewing licenses. The Commissioner may

establish for licenses "staggered" license renewal dates that will apportion renewals throughout each calendar year. If the system of staggered licensing is adopted, the Commissioner may extend the licensure period for some licensees. License renewal fees prescribed by G.S. 58-33-125 shall be prorated to the extent they are commensurate with extensions.

(n) A license as an insurance producer or limited representative is not required of the following:

- (1) An officer, director, or employee of an insurer or of an insurance producer or limited representative, provided that the officer, director, or employee does not receive any commission on policies written or sold to insure risks residing, located, or to be performed in this State, except for indirect receipt of proceeds of commissions in the form of salary, benefits, or distributions, and:
 - a. The officer, director, or employee's activities are executive, administrative, managerial, clerical, or a combination of these, and are only indirectly related to the sale, solicitation, or negotiation of insurance; or
 - b. The officer, director, or employee's function relates to underwriting, loss control, inspection, or the processing, adjusting, investigating, or settling of a claim on a contract of insurance; or
 - c. The officer, director, or employee is acting in the capacity of a special agent or agency supervisor assisting insurance producers where the person's activities are limited to providing technical advice and assistance to licensed insurance producers and do not include the sale, solicitation, or negotiation of insurance.
- (2) A person who secures and furnishes information for the purpose of group life insurance, group property and casualty insurance, group annuities, group or blanket accident and health insurance; or for the purpose of enrolling individuals under plans; issuing certificates under plans or otherwise assisting in administering plans; or performs administrative services related to mass-marketed property and casualty insurance; where no commission is paid to the person for the service.
- (3) An employer or association or its officers, directors, employees, or the trustees of an employee trust plan, to the extent that the employers, officers, employees, director, or trustees are engaged in the administration or operation of a program of employee benefits for the employer's or association's own employees or the employees of its subsidiaries or affiliates, which program involves the use of insurance issued by an insurer, as long as the employers, associations, officers, directors, employees, or trustees are not in any manner compensated, directly or indirectly, by the company issuing the contracts.
- (4) Employees of insurers or organizations employed by insurers who are engaging in the inspection, rating, or classification of risks, or in the supervision of the training of insurance producers and who are not individually engaged in the sale, solicitation, or negotiation of insurance.
- (5) A person whose activities in this State are limited to advertising without the intent to solicit insurance in this State through communications in printed publications or other forms of electronic mass media whose distribution is not

limited to residents of this State, provided that the person does not sell, solicit, or negotiate insurance that would insure risks residing, located, or to be performed in this State.

- (6) A person who is not a resident of this State who sells, solicits, or negotiates a contract of insurance for commercial property and casualty risks to an insured with risks located in more than one state insured under that contract, provided that that person is otherwise licensed as an insurance producer to sell, solicit, or negotiate that insurance in the state where the insured maintains its principal place of business and the contract of insurance insures risks located in that state.
- (7) A salaried full-time employee who counsels or advises his or her employer relative to the insurance interests of the employer or of the subsidiaries or business affiliates of the employer provided that the employee does not sell or solicit insurance or receive a commission.
- (8) Licensed insurers authorized to write the kinds of insurance described in G.S. 58-7-15(1) through G.S. 58-7-15(3) that do business without the involvement of a licensed agent.
- (9) A person indirectly receiving proceeds of commissions as part of the transfer of insurance business or in the form of retirement or similar benefits.

(o) Nothing in this Article requires an insurer to obtain an insurance producer license. In this subsection, "insurer" does not include an insurer's officers, directors, employees, subsidiaries, or affiliates.

(p) An individual shall not simultaneously hold an insurance producer license with casualty, personal lines, or property lines of authority and an adjuster's license in this State. An individual who holds an insurance producer license with casualty, personal lines, or property lines of authority may apply for an adjuster license without having to take the adjuster examination in G.S. 58-33-30(e) if the individual applies for the adjuster license within 60 days after surrendering an insurance producer license with casualty, personal lines, or property lines of authority. An individual who holds an adjuster license may apply for an insurance producer license with casualty, personal lines, or property lines of authority without having to take the casualty, personal lines, or property insurance producer examination in G.S. 58-33-30(e) if the individual applies for an insurance producer license with casualty, personal lines, or property lines of authority within 60 days after surrendering the adjuster license. (2001-203, s. 6; 2007-507, s. 1; 2009-383, s. 1; 2009-566, ss. 2, 3; 2022-46, s. 13(a).)

§ 58-33-27. Claims handling for portable consumer electronic devices.

- (a) As used in this section, the following definitions apply:
 - (1) "Automated claims adjudication system" means a preprogrammed computer system designed for the collection, data entry, calculation, and system-generated final resolution of claims on insurance policies that cover only portable consumer electronic devices, which system shall meet the following criteria:
 - a. Be utilized only by a licensed adjuster, licensed insurance producer, or supervised individuals operating pursuant to this section.
 - b. Comply with all claims payment requirements of this Chapter.

- c. Be certified as compliant with this section by a licensed adjuster who is an officer of a licensed business entity under this Chapter.
- (2) "Portable consumer electronic devices" include the following, which must be easily carried or conveyed by hand: smartphones, navigation devices, cellular phones, personal digital assistants, iPads, iPhones, Androids, video games, wireless reading devices, laptops, tablets, netbooks, MP3 players, digital cameras, and other electronic devices that are portable in nature, their accessories, and services related to the use of the device.

(b) No adjuster license is required for an individual who, in connection with insurance covering only portable consumer electronic devices as defined in subdivision (a)(2) of this section, collects claim information from or furnishes claim information to insureds, who conducts data entry, including entering data into an automated claims adjudication system, and who does not exercise any discretion in the disposition of the portable consumer electronic device claim; provided that the individual is supervised by a licensed adjuster or licensed insurance producer and there are no more than 25 individuals who may adjust claims under the supervision of the licensed adjuster or licensed insurance producer. No insurance producer acting as a supervisor pursuant to this section is required to be licensed as an adjuster.

(c) If other property losses occur in conjunction with the loss associated with the portable consumer electronic device, the individual who performs duties as described in G.S. 58-33-10(2) on the total loss, including the loss associated with the portable consumer electronic device, must hold an adjuster's license. (2011-196, s. 8; 2022-46, s. 13(a).)

§ 58-33-30. License requirements.

The Commissioner shall not issue or continue any license of an insurance producer, limited representative, adjuster, or motor vehicle damage appraiser except as follows:

- (a) Application. – The applicable license application requirements of G.S. 58-33-31 shall be satisfied.
- (b), (c) Repealed by Session Laws 2001-203, s. 7, effective July 1, 2002.
- (d) Education and Training. –
 - (1) Each applicant must have had special education, training, or experience of sufficient duration and extent reasonably to satisfy the Commissioner that the applicant possesses the competence necessary to fulfill the responsibilities of an insurance producer, limited representative, adjuster, or motor vehicle damage appraiser.
 - (2) All individual applicants for licensing as insurance producers under G.S. 58-33-26(c1)(1), (2), (4), (6), or (7) shall furnish evidence satisfactory to the Commissioner of successful completion of at least 20 hours of instruction for each license, which shall in all cases include the general principles of insurance and any other topics relevant to the license that the Commissioner establishes by administrative rules. Any applicant who submits satisfactory evidence of having successfully completed a producer training course that has been approved by the Commissioner and that is offered by or under the auspices of a property, casualty, life or accident and health or sickness insurance company

admitted to do business in this State or a professional insurance association shall be deemed to have satisfied the educational requirements of this subdivision.

- (3) Each resident applicant for a Medicare supplement and long-term care insurance license shall furnish evidence satisfactory to the Commissioner of successful completion of 10 hours of instruction, which shall in all cases include the principles of Medicare supplement and long-term care insurance and federal and North Carolina law relating to such insurance. A resident applicant who submits satisfactory evidence of having successfully completed a producer training course that has been approved by the Commissioner and that is offered by or under the auspices of a licensed life or health insurer or a professional insurance association satisfies the educational requirements of this subdivision.

(e) Examination. –

- (1) After completion and filing of the application with the Commissioner, the Commissioner shall require each applicant for license as an insurance producer or an adjuster to take an examination as to the applicant's competence to be licensed. The applicant must take and pass the examination according to requirements prescribed by the Commissioner. This subsection shall not apply to adjusters who adjust only federal crop insurance claims and are certified in accordance with subdivision (2a) of this subsection.
- (2) The Commissioner may require any licensed insurance producer, adjuster, or motor vehicle damage appraiser to take and successfully pass an examination in writing, testing his competence and qualifications as a condition to the continuance or renewal of his license, if the licensee has been found guilty of any violation of any provision of this Chapter. If an individual fails to pass such an examination, the Commissioner shall revoke all licenses issued in his name and no license shall be issued until such individual has passed an examination as provided in this Article.
- (2a) Adjusters who adjust federal crop insurance claims shall be certified as having passed a proficiency examination approved by the federal Risk Management Agency (RMA) as a condition of obtaining an adjuster's license under this Chapter or another proficiency examination approved by the Commissioner. An adjuster who intends to adjust crop insurance claims shall furnish the Commissioner proof that the adjuster is certified as having passed the required examination pursuant to this section.
- (3) Each examination shall be as the Commissioner prescribes and shall be of sufficient scope to test the applicant's knowledge of:
 - a. The terms and provisions of the policies or contracts of insurance the applicant proposes to effect; or
 - b. The types of claims or losses the applicant proposes to adjust; and
 - c. The duties and responsibilities of the license; and

- d. The current laws of this State applicable to the license.
- (4) The answers of the applicant to the examination shall be provided by the applicant under the Commissioner's supervision. The Commissioner shall give examinations at such times and places within this State as the Commissioner considers necessary reasonably to serve the convenience of both the Commissioner and applicants: Provided that the Commissioner may contract directly with persons for the processing of examination application forms and for the administration and grading of the examinations required by this section; the Commissioner may charge a reasonable fee in addition to the registration fee charged under G.S. 58-33-125, to offset the cost of the examination contract authorized by this subsection; and such contracts shall not be subject to Article 3 of Chapter 143 of the General Statutes. However, the Commissioner shall: (i) submit all proposed agreements or contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this subdivision to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all contracts to be awarded by the Commissioner under this subdivision a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost contract for any purpose.
- (5) The Commissioner shall collect in advance the examination and registration fees provided in G.S. 58-33-125 and in subsection (4) of this section. The Commissioner shall make or cause to be made available to all applicants, for a reasonable fee to offset the costs of production, materials that he considers necessary for the applicants' proper preparation for examinations. The Commissioner may contract directly with publishers and other suppliers for the production of the preparatory materials, and contracts so let by the Commissioner shall not be subject to Article 3 of Chapter 143 of the General Statutes. However, the Commissioner shall: (i) submit all proposed contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this subdivision to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all contracts to be awarded by the Commissioner under this subdivision a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost contract for any purpose.
- (6) In addition to the examinations for the lines of authority specified in G.S. 58-33-26(c1)(1) before any resident may sell Medicare supplement

or long-term care insurance policies defined respectively in Articles 54 and 55 of this Chapter, the resident must take and pass a supplemental written examination according to requirements prescribed by the Commissioner.

- (7) An individual who fails to appear for the examination as scheduled or fails to pass the examination shall reapply for an examination and remit all required fees and forms before being rescheduled for another examination.
- (f) Repealed by Session Laws 2022-46, s. 13(a), effective July 7, 2022.
- (g) Denial of License. – If the Commissioner finds that the applicant has not fully met the requirements for licensing, the Commissioner shall refuse to issue the license and shall notify in writing the applicant and the appointing insurer, if any, of the denial, stating the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or revoked or not renewed under G.S. 58-33-46. In order for an applicant to be entitled to a review of the Commissioner's action to determine the reasonableness of the action, the applicant must make a written demand upon the Commissioner for a review no later than 30 days after service of the notification upon the applicant. The review shall be completed without undue delay, and the applicant shall be notified promptly in writing of the outcome of the review. In order for an applicant who disagrees with the outcome of the review to be entitled to a hearing under Article 3A of Chapter 150B of the General Statutes, the applicant must make a written demand upon the Commissioner for a hearing no later than 30 days after service upon the applicant of the notification of the outcome.
- (h) Resident-Nonresident Licenses. – The Commissioner shall issue a resident or nonresident license to an insurance producer, limited representative, adjuster, or motor vehicle damage appraiser as follows:
 - (1) Resident.

An individual may qualify for a license as a resident if he resides in this State. Any license issued pursuant to an application claiming residency in this State shall be void if the licensee, while holding a resident license in this State, also holds or makes application for a resident license in, or thereafter claims to be a resident of, any other state, or ceases to be a resident of this State; provided, however, if the applicant is a resident of a county in another state, the border of which county is contiguous with the state line of this State, the applicant may qualify as a resident for licensing purposes in this State.
 - (2) Nonresident.
 - a. An individual may qualify for a license under this Article as a nonresident if he holds a like license in another state or territory of the United States. An individual may qualify for a license as a nonresident motor vehicle damage appraiser or a nonresident adjuster if the applicant's state of residency does not offer such licenses and such applicant meets all other requirements for licensure of a resident. A license issued to a nonresident of this State shall grant the same rights and privileges afforded a

resident licensee, except as provided in subsection (i) of this section.

- a1. If a nonresident licensee's license in his or her home state is no longer in good standing for any reason, the nonresident licensee's license issued by the Commissioner shall automatically lapse 30 days after the loss of the nonresident's home state license. Within 30 days following the lapse, the nonresident's lapsed license may be reinstated if (i) the nonresident licensee is otherwise entitled to licensure and (ii) he or she provides proof satisfactory to the Commissioner that his or her home state license has been reinstated or reissued. A lapsed nonresident license may also be reinstated upon proof satisfactory to the Commissioner that the nonresident has relocated to another jurisdiction, obtained a new home state license, and has filed a change of address notice with the Commissioner within 60 days after the issuance of the new home state license. If the lapsed nonresident license is not reinstated as provided herein, the nonresident must submit a new application for licensure to the Commissioner.
- b. Except as provided in G.S. 58-33-32, a nonresident of this State may be licensed without taking an otherwise required written examination if the insurance regulator of the state of the applicant's residence certifies that the applicant has passed a similar written examination or has been a continuous holder, prior to the time such written examination was required, of a license like the license being applied for in this State.
- c. Repealed by Session Laws 2022-46, s. 13(a), effective July 7, 2022.
- d. Process Against Nonresident Licensees. –
 1. Each licensed nonresident insurance producer, adjuster, limited representative, or motor vehicle damage appraiser shall by the act of acquiring such license be deemed to appoint the Commissioner as his attorney to receive service of legal process issued against the insurance producer, adjuster, limited representative, or motor vehicle damage appraiser in this State upon causes of action arising within this State.
 2. The appointment shall be irrevocable for as long as there could be any cause of action against the nonresident arising out of his insurance transactions in this State.
 3. Duplicate copies of such legal process against such nonresident licensee shall be served upon the Commissioner either by a person competent to serve a summons, or through certified or registered mail. At the time of such service the plaintiff shall pay to the Commissioner a fee in the amount set in G.S. 58-16-30,

taxable as costs in the action to defray the expense of such service.

4. Upon receiving such service, the Commissioner or his duly appointed deputy shall within three business days send one of the copies of the process, by registered or certified mail, to the defendant nonresident licensee at his last address of record as filed with the Commissioner.
 5. The Commissioner shall keep a record of the day and hour of service upon him of all such legal process. No proceedings shall be had against the defendant nonresident licensee, and such defendant shall not be required to appear, plead or answer until the expiration of 40 days after the date of service upon the Commissioner.
- e. If the Commissioner revokes or suspends any nonresident's license through a formal proceeding under this Article, he shall promptly notify the appropriate Commissioner of the licensee's residence of such action and of the particulars thereof.
- (i) Retaliatory Provision. – Whenever, by the laws or regulations of any other state or jurisdiction, any limitation of rights and privileges, conditions precedent, or any other requirements are imposed upon residents of this State who are nonresident applicants or licensees of such other state or jurisdiction in addition to, or in excess of, those imposed on nonresidents under this Article, the same such requirements shall be imposed upon such residents of such other state or jurisdiction. This subsection does not apply to fees charged to insurance producers.
- (j) Reciprocity Provision. – To the extent that other states that provide for the licensing and regulation of and payment of commissions to insurance producers or limited representatives, waive restrictions on the basis of reciprocity with respect to North Carolina licensees applying for or holding nonresident licenses in those states, the same restrictions on licensees from those states applying for or holding North Carolina nonresident licenses shall be waived. (1987, c. 629, s. 1; c. 864, ss. 80, 86; 1987 (Reg. Sess., 1988), c. 975, s. 30; 1989, c. 485, s. 21; c. 645, s. 5; c. 657, s. 1.1; 1989 (Reg. Sess., 1990), c. 941, ss. 3, 7; 1991, c. 212, s. 2; c. 476, s. 3; 1993, c. 409, s. 2; c. 504, ss. 26, 37; 1998-211, s. 18; 2000-122, s. 3; 2001-203, ss. 7, 8, 9, 10, 11, 29.; 2005-240, s. 1; 2007-507, s. 3; 2009-566, s. 6(b); 2010-194, s. 7; 2011-196, s. 9; 2011-326, s. 15(g); 2018-120, s. 4.3; 2022-46, s. 13(a).)

§ 58-33-31. Application for license.

(a) A person applying for a resident license shall make application to the Commissioner on the Uniform Application and declare under penalty of denial, suspension, or revocation of the license that the statements made in the application are true, correct, and complete to the best of the individual's knowledge and belief. Before approving the application, the Commissioner shall find that the individual:

- (1) Is at least 18 years of age.
 - (2) Has not committed any act that is a ground for probation, suspension, nonrenewal, or revocation set forth in G.S. 58-33-46.
 - (3) Has satisfied any applicable requirements of G.S. 58-33-30(d).
 - (4) Has paid the applicable fees set forth in G.S. 58-33-125.
 - (5) Has successfully passed any examinations required by G.S. 58-33-30(e).
- (b) A business entity selling, soliciting, or negotiating insurance shall obtain an insurance producer license. Application shall be made using the Uniform Business Entity Application. Before approving the application, the Commissioner shall find that:
- (1) The business entity has paid the applicable fees set forth in G.S. 58-33-125.
 - (2) The business entity has designated a licensed producer, who is a natural person, responsible for the business entity's compliance with the insurance laws and administrative rules of this State and orders of the Commissioner.
- (c) The Commissioner may require any documents reasonably necessary to verify the information contained in an application. (2001-203, s. 12; 2022-46, s. 13(a).)

§ 58-33-32. Interstate reciprocity in producer licensing.

- (a) The purpose of this section is to make North Carolina insurance producer licensing comply with the reciprocity requirements in the federal Gramm-Leach-Bliley Act, Public Law 106-102. This section does not apply to surplus lines licensees in Article 21 of this Chapter, except as provided in subsections (c) and (d) of this section.
- (b) Repealed by Session Laws 2001-203, s. 13, effective July 1, 2002.
- (c) Unless denied licensure under G.S. 58-33-30 or G.S. 58-33-50, a nonresident person shall receive a nonresident producer license if:
- (1) The person is currently licensed as a resident and in good standing in that person's home state;
 - (2) The person has submitted the request for licensure in the form prescribed by the Commissioner and has paid the applicable fees required by G.S. 58-33-125;
 - (3) The person has submitted or transmitted to the Commissioner a copy of the application for licensure that the person submitted to that person's home state, or in lieu of the same, a completed Uniform Application or Uniform Business Entity Application; and
 - (4) The person's home state awards nonresident producer licenses to residents of this State on a reciprocal basis.

The Commissioner may verify the producer's licensing status through the producer database maintained by the NAIC or affiliates or subsidiaries of the NAIC.

(d) A person licensed as a surplus lines producer in that person's home state shall receive a nonresident surplus lines license under subsection (c) of this section. Except for the licensure provisions of this section, nothing in this section otherwise amends or supersedes any provision of Article 21 of this Chapter.

(e) A person licensed or registered as a viatical settlement broker or provider, as defined in G.S. 58-58-205, in that person's home state shall receive a nonresident viatical settlement broker or provider license under subsection (c) of this section. Except for the

licensure provisions of this section, nothing in this section otherwise amends or supersedes any provision of Part 5 of Article 58 of this Chapter.

(f) A person licensed as a limited line credit insurance producer or other type of limited lines producer in that person's home state may, under subsection (c) of this section, receive a nonresident limited lines producer license granting the same scope of authority as granted under the license issued by the producer's home state. For the purposes of this subsection, limited lines insurance is any authority granted by the home state that restricts the authority of the license to less than the total authority prescribed in the associated major lines under G.S. 58-33-26(c1)(1), 58-33-26(c1)(2), 58-33-26(c1)(4), 58-33-26(c1)(5), 58-33-26(c1)(6), and 58-33-26(c1)(7).

(g) An individual who applies for an insurance producer license in this State who was previously licensed for the same lines of authority in that individual's home state shall not be required to complete any prelicensing education or examination. This exemption is available only if:

- (1) The applicant is currently licensed in the applicant's home state; or
- (2) The application is received within 90 days after the cancellation of the applicant's previous license and the applicant's home state issues a certification that, at the time of cancellation, the applicant was in good standing in that state; or
- (3) The home state's producer database records, maintained by the NAIC or affiliates or subsidiaries of the NAIC, indicate that the producer is or was licensed in good standing for the lines of authority requested.

A person licensed as an insurance producer in another state who moves to this State and who wants to be licensed as a resident under G.S. 58-33-31 shall apply within 90 days after establishing legal residence.

(h) The Commissioner shall not assess a greater fee for an insurance license or related service to a nonresident producer based solely on the fact that the producer does not reside in this State.

(i) The Commissioner shall waive any license application requirements for a nonresident license applicant with a valid license from the applicant's home state, except the requirements imposed by subsection (c) of this section, if the applicant's home state awards nonresident licenses to residents of this State on the same basis.

(j) A nonresident producer's satisfaction of the nonresident producer's home state's continuing education requirements for licensed insurance producers shall constitute satisfaction of this State's continuing education requirements if the nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon producers from this State on the same basis.

(k) A producer shall report to the Commissioner any administrative action taken against the producer in another state or by another governmental agency in this State within 30 days after the final disposition of the matter. As used in this subsection, "administrative action" includes enforcement action taken against the producer by the FINRA. This report shall include a copy of the order or consent order and other information or documents filed in the proceeding necessary to describe the action.

(l) Within 30 days after the initial pretrial hearing date or similar proceeding, a producer shall report to the Commissioner any criminal prosecution of the producer. The report shall include a copy of the initial complaint filed, the order resulting from the hearing or similar proceeding, and any other information or documents filed in the proceeding necessary to describe the prosecution. (2000-122, s. 2; 2001-203, s. 13; 2001-436, s. 4; 2007-507, s. 4; 2009-566, s. 5; 2022-46, s. 13(a).)

§ 58-33-35: Repealed by Session Laws 2009-566, s. 6(a), effective August 28, 2009.

§ 58-33-40. Appointment of agents.

(a) Except as provided in subsection (b) of this section, no individual who holds a valid insurance producer license issued by the Commissioner shall, either directly or for an insurance agency, solicit, negotiate, or otherwise act as an agent for an insurer by which the individual has not been appointed.

(b) Any insurer authorized to transact business in this State may appoint as its agent any individual who holds a valid insurance producer license issued by the Commissioner. To appoint an individual as its agent, the appointing insurer shall file, in a format approved by the Commissioner, a notice of appointment within 15 days after the date the first insurance application is submitted. The individual shall be authorized to act as an agent for the appointing insurer for the kinds of insurance for which the insurer is authorized in this State and for which the appointed insurance producer is licensed in this State, unless specifically limited. For purposes of determining the number of appointments for an insurance producer, there shall be one appointment for each line of authority for which the appointed insurance producer is licensed in this State, unless specifically limited.

(c) Repealed by Session Laws 2009-566, s. 9, effective August 28, 2009.

(d) Every insurer shall remit in a manner prescribed by the Commissioner the appointment fee specified in G.S. 58-33-125 for each appointed insurance producer.

(e) An appointment shall continue in effect as long as the appointed insurance producer is properly licensed and the appointing insurer is authorized to transact business in this State, unless the appointment is cancelled.

(h) Notwithstanding any other provision of this Chapter, any documents, materials, or other information in the control or possession of the Commissioner or any organization of which the Commissioner is a member that is (i) furnished by an insurer, producer, limited representative, or an employee or agent thereof acting on behalf of the insurer, producer, or limited representative under this section, or (ii) obtained by the Commissioner in an investigation under this section shall be confidential by law and privileged, shall not be subject to or public records under G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall not be subject to discovery in any civil action other than a proceeding brought by the Commissioner against a person to whom such documents, materials, or other information relate. The Commissioner may condition such sharing on an agreement by the recipient to maintain the confidentiality and privileged status of the document, material, or other information;

- (2) Receive documents, materials, or information, including otherwise confidential and privileged documents, materials, or information from other state, federal, and international regulatory agencies, from the NAIC, its affiliates or subsidiaries, and from state, federal, and international law enforcement authorities, and may agree to maintain the confidential and privileged status of the document, material, or other information received under the laws of the jurisdiction that is the source of the document, material, or information; and
- (3) Enter into agreements governing sharing and use of information consistent with this subsection.

(j) No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the Commissioner under this section or as a result of sharing as authorized in subsection (i) of this section.

(k) Nothing in this Article prohibits the Commissioner from releasing final, adjudicated actions including for cause terminations that are open to public inspection under G.S. 58-2-100, to a database or other clearinghouse service maintained by the NAIC, its affiliates, or subsidiaries of the NAIC.

(l) An insurer, the authorized representative of the insurer, producer, or limited representative that fails to report as required under this section or that is found to have reported with actual malice by a court of competent jurisdiction may, after notice and hearing, have its license suspended or revoked and may be fined in accordance with G.S. 58-2-70. Notification to the state or states where nonresident license is issued must be made as soon as possible, yet no later than 30 days after change in new state resident license. Licensee shall include new and old address. A new state resident license is required for nonresident licenses to remain valid. (a) Unless denied licensure under this Article, persons who have met the requirements of this Article shall be issued a public adjuster license.

However, an administrative fee in the amount of double the unpaid renewal fee shall be required for the issuance of the new public adjuster license. The new public adjuster license shall be effective the date the Commissioner receives the request for renewal and the late payment penalty.

(f) Any public adjuster licensee that fails to apply for renewal of a license before expiration of the current license shall pay a lapsed license fee of twice the license fee and be subject to other penalties as provided by law before the license will be renewed. If the Department receives the request for reinstatement and the required lapsed license fee within 60 days after the date the license lapsed, the Department shall reinstate the license retroactively to the date the license lapsed. If the Department receives the request for reinstatement and the required lapsed license fee after 60 days but within one year of the date the license lapsed, the Department shall reinstate the license prospectively with the date the license is reinstated. If the person applies for reinstatement more than one year from the date of lapse, the person shall reapply for the license under this Article.

(g) A licensed public adjuster who is unable to comply with license renewal procedures because of military service, a long-term medical disability, or some other extenuating circumstance may request a waiver of those procedures. The public adjuster may also request a waiver of any examination requirement, fine, or other sanction imposed for failure to comply with renewal procedures.

(h) The license shall contain the licensee's name, city and state of business address, personal identification number, the date of issuance, the expiration date, and any other information the Commissioner deems necessary.

(b) If the action by the Commissioner is to deny an application for or not renew a license, the Commissioner shall notify the applicant or licensee and advise, in writing, the applicant or licensee of the reason for the nonrenewal or denial of the applicant's or licensee's license. The applicant or licensee may make written demand upon the Commissioner in accordance with Article 3A of Chapter 150B of the General Statutes for a hearing before the Commissioner to determine the reasonableness of the Commissioner's action. The hearing shall be held pursuant to Article 3A of Chapter 150B of the General Statutes.

(c) The license of a business entity may be suspended, revoked, or refused if the Commissioner finds, after hearing, that an individual licensee's violation was known or should have been known by one or more of the partners, officers, or managers acting on behalf of the business entity and the violation was neither reported to the Commissioner nor corrective action taken.

(d) In addition to or in lieu of any applicable denial, suspension, or revocation of a license, a person may, after hearing, be subject to a civil penalty according to G.S. 58-2-70.

(e) The Commissioner shall retain the authority to enforce the provisions of and impose any penalty or remedy authorized by this Chapter against any person who is under investigation for or charged with a violation of this Chapter, even if the person's license or registration has been surrendered or has lapsed by operation of law. (2009-565, s. 1.)

- (1) A bond executed and issued by an insurer authorized to issue bonds in this State which meets all of the following requirements:
 - a. It shall be in the minimum amount of twenty thousand dollars (\$20,000).
 - b. It shall be in favor of this State and shall specifically authorize recovery by the Commissioner on behalf of any person in this State who sustained damages as the result of erroneous acts, failure to act, conviction of

fraud, or conviction of unfair practices in his or her capacity as a public adjuster.

- c. It shall not be terminated unless at least 30 days' prior written notice will have been filed with the Commissioner and given to the licensee.
- (2) An irrevocable letter of credit issued by a qualified financial institution, which meets all of the following requirements:

 - c. It shall not be terminated unless at least 30 days' prior written notice will have been filed with the Commissioner and given to the licensee.

(b) The issuer of the evidence of financial responsibility shall notify the Commissioner upon termination of the bond or letter of credit, unless otherwise directed by the Commissioner.

(c) The Commissioner may ask for the evidence of financial responsibility at any time he or she deems relevant.

(d) The authority to act as a public adjuster shall automatically terminate if the evidence of financial responsibility terminates or becomes impaired. (2009-565, s. 1.)

§ 58-33A-55. Continuing education.

(a) An individual who holds a public adjuster license and who is not exempt under subsection (b) of this section shall satisfactorily complete a minimum of 24 hours of continuing education courses, including ethics, reported on a biennial basis in conjunction with the license renewal cycle.

§ 58-33A-60. Public adjuster fees.

(a) A public adjuster shall not pay a commission, service fee, or other valuable consideration to a person for investigating or settling claims in this State if that person is required to be licensed under this Article and is not so licensed.

(b) A person shall not accept a commission, service fee, or other valuable consideration for investigating or settling claims in this State if that person is required to be licensed under this Article and is not so licensed.

(c) A public adjuster may pay or assign commission, service fees, or other valuable consideration to persons who do not investigate or settle claims in this State, unless the payment would violate G.S. 58-33-85 or G.S. 58-63-15(8).

(d) In the event of a catastrophic incident, there shall be limits on catastrophic fees. No public adjuster shall charge, agree to, or accept as compensation or reimbursement any payment, commission, fee, or other thing of value equal to more than ten percent (10%) of any insurance settlement or proceeds. No public adjuster shall require, demand, or accept any fee, retainer, compensation, deposit, or other thing of value before settlement of a claim. (2009-565, s. 1.)

§ 58-33A-65. Contract between public adjuster and insured.

(a) Public adjusters shall ensure that all contracts for their services are in writing and contain all of the following terms:

- (1) Legible full name of the adjuster signing the contract, as specified in Department records.
- (2) Permanent home state business address and phone number.
- (3) Department license number.
- (4) Title of "Public Adjuster Contract."
- (5) The insured's full name, street address, insurance company name and policy number, if known or upon notification.
- (6) A description of the loss and its location, if applicable.
- (7) Description of services to be provided to the insured.
- (8) Signatures of the public adjuster and the insured.
- (9) Date contract was signed by the public adjuster and date the contract was signed by the insured.
- (10) Attestation language stating that the public adjuster is fully bonded pursuant to State law.
- (11) Full salary, fee, commission, compensation, or other considerations the public adjuster is to receive for services.

(b) The contract may specify that the public adjuster shall be named as a co-payee on an insurer's payment of a claim.

- (1) If the compensation is based on a share of the insurance settlement, the exact percentage shall be specified.
- (2) Initial expenses to be reimbursed to the public adjuster from the proceeds of the claim payment shall be specified by type, with dollar estimates set forth in the contract and with any additional expenses first approved by the insured.
- (3) Compensation provisions in a public adjusting contract shall not be redacted in any copy of the contract provided to the Commissioner. Such a redaction shall constitute an omission of material fact in violation of Article 63 of this Chapter.

(c) If the insurer, not later than 72 hours after the date on which the loss is reported to the insurer, either pays or commits in writing to pay to the insured the policy limit of the insurance policy, the public adjuster shall comply with all of the following:

- (1) Not receive a commission consisting of a percentage of the total amount paid by an insurer to resolve a claim.
- (2) Inform the insured that loss recovery amount might not be increased by insurer.
- (3) Be entitled only to reasonable compensation from the insured for services provided by the public adjuster on behalf of the insured, based on the time spent on a claim and expenses incurred by the public adjuster, until the claim is paid or the insured receives a written commitment to pay from the insurer.

(d) A public adjuster shall provide the insured a written disclosure concerning any direct or indirect financial interest that the public adjuster has with any other party who is involved in any aspect of the claim, other than the salary, fee, commission, or other consideration established in the written contract with the insured, including, but not limited to, any ownership of, other than as a minority stockholder, or any compensation expected to be received from any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop, or any other firm that provides estimates for work, or that performs any work, in conjunction with damages caused by the insured loss on which the public adjuster is engaged. The word "firm" shall include any corporation, partnership, association, joint-stock company, or person.

(e) A public adjuster contract may not contain any contract term that includes any of the following terms:

- (1) Allows the public adjuster's percentage fee to be collected when money is due from an insurance company but not paid, or that allows a public adjuster to collect the entire fee from the first check issued by an insurance company rather than as a percentage of each check issued by an insurance company.
- (2) Requires the insured to authorize an insurance company to issue a check only in the name of the public adjuster.
- (3) Imposes collection costs or late fees.
- (4) Precludes a public adjuster from pursuing civil remedies.

(f) Before the signing of the contract, the public adjuster shall provide the insured with a separate disclosure document regarding the claim process that states:

- (1) Property insurance policies obligate the insured to present a claim to his or her insurance company for consideration. There are three types of adjusters that could be involved in that process. The definitions of the three types are as follows:
 - a. "Company adjuster" means the insurance adjusters who are employees of an insurance company. They represent the interest of the insurance company and are paid by the insurance company. They will not charge you a fee.
 - b. "Independent adjuster" means the insurance adjusters who are hired on a contract basis by an insurance company to represent the insurance company's interest in the settlement of the claim. They are paid by your insurance company. They will not charge you a fee.
 - c. "Public adjuster" means the insurance adjusters who do not work for any insurance company. They work for the insured to assist in the preparation, presentation, and settlement of the claim. The insured hires them by signing a contract agreeing to pay them a fee or commission based on a percentage of the settlement or other method of compensation.
- (2) The insured is not required to hire a public adjuster to help the insured meet his or her obligations under the policy but has the right to do so.
- (3) The insured has the right to initiate direct communications with the insured's attorney, the insurer, the insurer's adjuster, and the insurer's attorney, or any other person regarding the settlement of the insured's claim.
- (4) The public adjuster is not a representative or employee of the insurer.

(5) The salary, fee, commission, or other consideration is the obligation of the insured, not the insurer.

(g) The contracts shall be executed in duplicate to provide an original contract to the public adjuster and an original contract to the insured. The public adjuster's original contract shall be available at all times for inspection without notice by the Commissioner.

(h) The public adjuster shall provide the insurer a notification letter, which has been signed by the insured, authorizing the public adjuster to represent the insured's interest.

(i) The insured has the right to rescind the contract within three business days after the date the contract was signed. The rescission shall be in writing and mailed or delivered to the public adjuster at the address in the contract within the three-business-day period.

(j) If the insured exercises the right to rescind the contract, anything of value given by the insured under the contract will be returned to the insured within 15 business days after the receipt by the public adjuster of the cancellation notice. (2009-565, s. 1; 2013-199, s. 21.)

§ 58-33A-70. Escrow or trust accounts.

A public adjuster who receives, accepts, or holds any funds on behalf of an insured, toward the settlement of a claim for loss or damage, shall deposit the funds in a noninterest-bearing escrow or trust account in a financial institution that is insured by an agency of the federal government in the public adjuster's home state or where the loss occurred. (2009-565, s. 1.)

§ 58-33A-75. Record retention.

(a) A public adjuster shall maintain a complete record of each transaction as a public adjuster. The records required by this section shall include all of the following:

- (1) Name of the insured.
- (2) Date, location, and amount of the loss.
- (3) Copy of the contract between the public adjuster and insured.
- (4) Name of the insurer, amount, expiration date and number of each policy carried with respect to the loss.
- (5) Itemized statement of the insured's recoveries.
- (6) Itemized statement of all compensation received by the public adjuster, from any source whatsoever, in connection with the loss.
- (7) A register of all monies received, deposited, disbursed, or withdrawn in connection with a transaction with an insured, including fees, transfers, and disbursements from a trust account and all transactions concerning all interest-bearing accounts.
- (8) Name of public adjuster who executed the contract.
- (9) Name of the attorney representing the insured, if applicable, and the name of the claims representatives of the insurance company.
- (10) Evidence of financial responsibility in a format prescribed by the Commissioner.

(b) Records shall be maintained for at least five years after the termination of the transaction with an insured and shall be open to examination by the Commissioner at all times.

(c) Records submitted to the Commissioner in accordance with this section that contain information identified in writing as proprietary by the public adjuster shall be treated as confidential by the Commissioner and shall not be subject to Chapter 132 of the General Statutes or G.S. 58-2-100. (2009-565, s. 1.)

§ 58-33A-80. Standards of conduct of public adjusters.

(a) A public adjuster shall, under his or her license, serve with objectivity and complete loyalty the interest of his or her client alone and render to the insured such information, counsel, and service, as within the knowledge, understanding, and opinion in good faith of the licensee, as will best serve the insured's insurance claim needs and interest.

(b) A public adjuster shall not solicit, or attempt to solicit, an insured during the progress of a loss-producing occurrence, as defined in the insured's insurance contract.

(c) A public adjuster shall not permit an unlicensed employee or representative of the public adjuster to conduct business for which a license is required under this Article.

(d) A public adjuster shall not have a direct or indirect financial interest in any aspect of the claim, other than the salary, fee, commission, or other consideration established in the written contract with the insured, unless full written disclosure has been made to the insured as set forth in G.S. 58-33A-65.

(e) A public adjuster shall not acquire any interest in salvage of property subject to the contract with the insured unless the public adjuster obtains written permission from the insured after settlement of the claim with the insurer as set forth in G.S. 58-33A-65.

(f) The public adjuster shall abstain from referring or directing the insured to get needed repairs or services in connection with a loss from any person described by any of the following criteria, unless disclosed to the insured:

(1) The public adjuster has a financial interest in the person.

(2) The public adjuster may receive direct or indirect compensation for the referral from the person.

(g) The public adjuster shall disclose to an insured if the public adjuster has any interest or will be compensated by any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop, or any other firm that performs any work in conjunction with damages caused by the insured loss. The word "firm" includes any corporation, partnership, association, joint-stock company, or person.

(h) Any compensation or anything of value in connection with an insured's specific loss that will be received by a public adjuster shall be disclosed by the public adjuster to the insured in writing, including the source and amount of any such compensation.

(i) Public adjusters shall adhere to all of the following general ethical requirements:

(1) A public adjuster shall not undertake the adjustment of any claim if the public adjuster is not competent and knowledgeable as to the terms and conditions of the insurance coverage, or which otherwise exceeds the public adjuster's current expertise.

(2) A public adjuster shall not knowingly make any oral or written material misrepresentations or statements that are false or maliciously critical and intended to injure any person engaged in the business of insurance to any insured client or potential insured client.

(3) No public adjuster, while so licensed by the Department, may represent or act as a company adjuster or independent adjuster on the same claim.

(4) The contract shall not be construed to prevent an insured from pursuing any civil remedy after the three-business-day revocation or cancellation period.

- (5) A public adjuster shall not enter into a contract or accept a power of attorney that vests in the public adjuster the effective authority to choose the persons who shall perform repair work.
- (6) A public adjuster shall ensure that all contracts for the public adjuster's services are in writing and set forth all terms and conditions of the engagement.
- (j) A public adjuster may not agree to any loss settlement without the insured's knowledge and consent.
- (k) Public adjusters shall not solicit a client for employment between the hours of 9:00 P.M. and 9:00 A.M. (2009-565, s. 1.)

§ 58-33A-90. Reporting of actions.

(a) A public adjuster shall report to the Commissioner any administrative action taken against the public adjuster in another jurisdiction or by another governmental agency in this State within 30 days after the final disposition of the matter. This report shall include a copy of the order, consent order, or other relevant legal documents.

(b) Within 30 days after the initial pretrial hearing date, the public adjuster shall report to the Commissioner any criminal prosecution of the public adjuster taken in any jurisdiction. The report shall include a copy of the initial complaint filed, the order resulting from the hearing, and any other relevant legal documents. (2009-565, s. 1.)

§ 58-33A-95. Rules.

The Commissioner may, in accordance with Chapter 150B of the General Statutes, adopt rules that are necessary or proper to carry out the purposes of this Article. (2009-565, s. 1.)

Article 34.

Agency and Management Contracts.

§ 58-34-1: Repealed by Session Laws 1991, c. 681, s. 50.

§ 58-34-2. Managing general agents.

(a) As used in this Article:

- (1) "Control", including the terms "controlling", "controlled by", and "under common control", means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person.
- (1a) "Custodial agreement" means any agreement or contract under which any person is delegated authority to safekeep assets of the insurer.
- (2) "Insurer" means a domestic insurer but does not mean a reciprocal regulated under Article 15 of this Chapter.
- (2a) "Management contract" means any agreement or contract under which any person is delegated management duties or control of an insurer or transfers a substantial part of any major function of an insurer, such as adjustment of losses, production of business, investment of assets, or general servicing of the insurer's business.

- (3) "Managing general agent" or "MGA" means any person who manages all or part of the insurance business of an insurer (including the management of a separate division, department, or underwriting office) and acts as an agent for the insurer, whether known as a managing general agent, manager, or other similar term, who, with or without the authority, either separately or together with persons under common control, produces, directly or indirectly, and underwrites an amount of gross direct written premium equal to or more than five percent (5%) of the policyholder surplus as reported in the last annual statement of the insurer in any one quarter or year together with one or more of the following activities related to the business produced: (i) adjusts or pays any claims, or (ii) negotiates reinsurance on behalf of the insurer. "MGA" does not mean an employee of the insurer; an underwriting manager who, pursuant to contract, manages all or part of the insurance operations of the insurer, is under common control with the insurer, is subject to Article 19 of this Chapter, and whose compensation is not based on the volume of premiums written; a person who, under Article 15 of this Chapter, is designated and authorized by subscribers as the attorney-in-fact for a reciprocal having authority to obligate them on reciprocal and other insurance contracts; or a U.S. Manager of the United States branch of an alien insurer.
- (4) "Qualified actuary" means a person who meets the standards of a qualified actuary as specified in the NAIC Annual Statement Instructions, as amended or clarified by rule, order, directive, or bulletin of the Department, for the type of insurer for which the MGA is establishing loss reserves.
- (5) "Underwrite" means the authority to accept or reject risk on behalf of the insurer.

(b) Control is presumed to exist if any person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect. The Commissioner may determine upon application that any person does not or will not upon the taking of some proposed action control another person. The Commissioner may prospectively revoke or modify that determination, after the notice and opportunity to be heard, whenever, in the Commissioner's judgment, revocation, or modification is consistent with this Article.

(c) No person shall act as an MGA with respect to risks located in this State for an insurer unless that person is a licensed insurance producer in this State. No person shall act as an MGA representing an insurer with respect to risks located outside of this State unless that person is licensed as an insurance producer in this State; and the license may be a nonresident license. The Commissioner may require a bond in an amount acceptable to the Commissioner for the protection of the insurer. The Commissioner may require the MGA to maintain an errors and omissions policy.

(d) No person acting as an MGA shall place business with an insurer unless there is in force a written contract between the MGA and the insurer that sets forth the responsibilities of each party and, where both parties share responsibility for a particular

function, specifies the division of such responsibilities, and that contains the following minimum provisions:

- (1) The insurer may terminate the contract for cause upon written notice to the MGA. The insurer may suspend the underwriting authority of the MGA during the pendency of any dispute regarding the cause for termination.
- (2) The MGA will render accounts to the insurer detailing all transactions and remit all funds due under the contract to the insurer on not less than a monthly basis.
- (3) All funds collected for the account of an insurer will be held by the MGA in a fiduciary capacity in a bank that is a member of the Federal Reserve System. This account shall be used for all payments on behalf of the insurer. The MGA may retain no more than three months estimated claims payments and allocated loss adjustment expenses.
- (4) Separate records of business written by the MGA will be maintained. The insurer shall have access to and right to copy all accounts related to its business in a form usable by the insurer, and the Commissioner shall have access to all books, bank accounts, and records of the MGA in a form usable to the Commissioner. The records shall be retained according to the provisions of 11 NCAC 11C.0105.
- (5) The contract may not be assigned in whole or part by the MGA.
- (6) Appropriate underwriting guidelines, including: the maximum annual premium volume; the basis of the rates to be charged; the types of risks that may be written; maximum limits of liability; applicable exclusions; territorial limitations; policy cancellation provisions; and the maximum policy period. The insurer shall have the right to cancel or nonrenew any policy of insurance subject to applicable laws and rules.
- (7) If the contract permits the MGA to settle claims on behalf of the insurer:
 - a. All claims must be reported to the insurer in a timely manner.
 - b. A copy of the claim file will be sent to the insurer at its request or as soon as it becomes known that the claim: has the potential to exceed an amount determined by the insurer and approved by the Commissioner; involves a coverage dispute; may exceed the MGA's claims settlement authority; is open for more than six months; or is closed by payment of an amount set by the insurer and approved by the Commissioner.
 - c. All claim files will be the joint property of the insurer and MGA. However, upon an order of liquidation of the insurer the files shall become the sole property of the insurer or its estate; the MGA shall have reasonable access to and the right to copy the files on a timely basis.
 - d. Any settlement authority granted to the MGA may be terminated for cause upon the insurer's written notice to the MGA or upon the termination of the contract. The insurer may suspend the settlement authority during the pendency of any dispute regarding the cause for termination.
- (8) Where electronic claims files are in existence, the contract must address the timely transmission of the data.
- (9) If the contract provides for a sharing of interim profits by the MGA, and the MGA has the authority to determine the amount of the interim profits by

establishing loss reserves, controlling claim payments, or by any other manner, interim profits will not be paid to the MGA until one year after they are earned for property insurance business and five years after they are earned on casualty business and not until the profits have been verified under subsection (f) of this section.

(10) The MGA shall not:

- a. Bind reinsurance or retrocessions on behalf of the insurer, except that the MGA may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the insurer contains reinsurance underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules;
- b. Commit the insurer to participate in insurance or reinsurance syndicates;
- c. Appoint any producer without assuring that the producer is lawfully licensed to transact the type of insurance for which the producer is appointed;
- d. Without prior approval of the insurer, pay or commit the insurer to pay a claim over a specified amount, net of reinsurance, which shall not exceed one percent (1%) of the insurer's policyholder's surplus as of the preceding December 31;
- e. Collect any payment from a reinsurer or commit the insurer to any claim settlement with a reinsurer, without the insurer's prior approval. If prior approval is given, a report must be promptly forwarded to the insurer;
- f. Permit its subproducer to serve on the insurer's board of directors;
- g. Jointly employ an individual who is employed with the insurer; or
- h. Appoint a sub-MGA.

(e) An insurer shall have on file by June 1 of each year an audited financial report of each MGA with which it is doing business. The report shall include the opinion of an independent certified public accountant, report the financial position of the MGA as of the most recent year-end and the results of its operations and cash flows, and include appropriate notes to financial statements. The insurer shall provide a copy of the report to the Commissioner within 15 days of receipt by the insurer.

(f) If an MGA establishes loss reserves, the insurer shall provide with its annual statement, in addition to any other required statement of actuarial opinion, the statement of a qualified actuary attesting to the adequacy of loss reserves established on business produced by the MGA. The statement shall comply in all respects with the NAIC Annual Statement Instructions regarding the Statement of Actuarial Opinion.

(g) The insurer shall periodically, at least semiannually, conduct an on-site review of the underwriting and claims processing operations of the MGA. The insurer shall prepare and maintain a written report on the review and make it available to the Commissioner upon the Commissioner's request.

(h) Binding authority for all reinsurance contracts, except those contracts expressly permitted under sub-subdivision (d)(10)a. of this section, or participation in insurance or

reinsurance syndicates, shall rest with an officer of the insurer, who shall not be affiliated with the MGA.

(i) Within 15 days after entering into or termination of a contract with an MGA, the insurer shall provide written notification of the appointment or termination to the Commissioner. Notices of appointment of an MGA shall include a copy of the contract, a statement of duties that the MGA is expected to perform on behalf of the insurer, the lines of insurance for which the MGA is to be authorized to act, whether any affiliation exists between the insurer and the MGA and the basis for the affiliation, NAIC biographical affidavit for each officer, director, and each person who owns ten percent (10%) or more of the outstanding voting stock of the MGA, and any other information the Commissioner may request. The Commissioner may prescribe the form to be used for notification of the information required by this item.

(j) The Commissioner shall disapprove any such contract that:

- (1) Does not contain the required contract provisions specified in subsection (d) of this section;
- (2) Subjects the insurer to excessive charges for expenses or commission;
- (3) Vests in the MGA any control over the management of the affairs of the insurer to the exclusion of the board of directors of the insurer;
- (4) Is entered into with any person if the person or its officers and directors are of known bad character or have been affiliated directly or indirectly through ownership, control, management, reinsurance transactions, or other insurance or business relationships with any person known to have been involved in the improper manipulation of assets, accounts, or reinsurance; or
- (5) Is determined by the Commissioner to contain provisions that are not fair and reasonable to the insurer.

Failure of the Commissioner to disapprove any such contract within 30 days after the contract has been filed with the Commissioner constitutes the Commissioner's approval of the contract. An insurer may continue to accept business from the person until the Commissioner disapproves the contract. Any disapproval shall be in writing. The Commissioner may withdraw approval of any contract the Commissioner has previously approved if the Commissioner determines that the basis of the original approval no longer exists or that the contract has, in actual operation, shown itself to be subject to disapproval on any of the grounds in this subsection. If the Commissioner withdraws approval of a contract, the Commissioner shall give the insurer notice of, and written reasons for, the withdrawal of approval. The Commissioner shall grant any party to the contract a hearing upon request.

(k) An insurer shall review its books and records each quarter to determine if any agent has become an MGA. If the insurer determines that an agent has become an MGA, the insurer shall promptly notify the agent of that determination and the insurer and agent must fully comply with the provisions of this Article within 15 days.

(l) An insurer shall not appoint to its board of directors an officer, director, employee, subagent, or controlling shareholder of its MGAs. This subsection does not apply to relationships governed by Article 19 of this Chapter or, if applicable, G.S. 58-3-165.

(m) The acts of an MGA are considered to be the acts of the insurer on whose behalf it is acting. An MGA may be examined by the Commissioner under G.S. 58-2-131 through G.S. 58-2-134 as if it were an insurer.

(n) If the Commissioner determines that an MGA or any other person has not materially complied with this section or with any rule adopted or order issued under this section, after notice and opportunity to be heard, the Commissioner may order:

- (1) For each separate violation, a civil penalty under the procedures in G.S. 58-2-70(d); or
- (2) Revocation or suspension of the person's license.
- (3) Repealed by Session Laws 1993, c. 452, s. 47.

If the Commissioner finds that because of a material noncompliance that an insurer has suffered any loss or damage, the Commissioner may maintain a civil action brought by or on behalf of the insurer and its policyholders and creditors for recovery of compensatory damages for the benefit of the insurer and its policyholders and creditors or for other appropriate relief.

(o) Nothing in this section affects the Commissioner's right to impose any other penalties provided for in this Chapter. Nothing in this Article limits or restricts the rights of policyholders, claimants, and creditors.

(p) If an order of rehabilitation or liquidation of the insurer has been entered under Article 30 of this Chapter, and the receiver appointed under that order determines that the MGA or any other person has not materially complied with this section, or any regulation or order promulgated thereunder, and the insurer suffered any loss or damage therefrom, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer. (1991, c. 681, s. 51; 1993, c. 452, ss. 43-48; 1993 (Reg. Sess., 1994), c. 678, s. 19; 1995, c. 193, s. 34; 1999-132, s. 11.6; 2001-223, ss. 20.1, 20.2; 2022-46, s. 14(ff).)

§ 58-34-5. Retrospective compensation agreements.

(a) Retrospective compensation agreements for business written under Articles 1 through 64 of this Chapter must be filed with the Commissioner for his approval.

(b) "Retrospective compensation agreement" means any such arrangement, agreement, or contract having as its purpose the actual or constructive retention by a domestic insurer of a fixed proportion of the gross premiums, with the balance of the premiums, retained actually or constructively by the agent or the producer of the business, who assumes to pay therefrom all losses, all subordinate commissions, loss adjustment expenses and his profit, if any, with other provisions of such arrangement, agreement, or contract auxiliary or incidental to such purpose.

(c) The standards for approval shall be as set forth under G.S. 58-34-2(d)(5). (1987, c. 752, s. 8; 1989, c. 485, s. 60; 1991, c. 681, s. 52.)

§ 58-34-10. Management contracts.

(a) Subject to G.S. 58-19-30(b)(4), any domestic insurer that enters into a management contract or custodial agreement must file that contract or agreement with the Commissioner on or before its effective date.

(b) Any domestic insurer that has a management contract or custodial agreement shall file a statement with the initial filing of that contract that discloses (i) criteria on which charges to the insurer are based for that contract; (ii) whether management personnel or other employees of the insurer are to be performing management functions and receiving any remuneration therefor through that contract in addition to the compensation by way of salary received directly from the insurer for their services; (iii) whether the contract transfers substantial control of the insurer or any of the powers vested in the board of directors, by statute, articles of incorporation, or bylaws, or substantially all of the basic functions of the insurer's management; (iv) biographical information for each officer and director of the management firm; and (v) other information concerning the contract or the management or custodian firm as may be included from time to time in any registration forms adopted or approved by the Commissioner. The statement shall be filed on a form prescribed by the Commissioner.

(c) Any domestic insurer that amends or cancels a management contract or custodial agreement filed under subsection (a) of this section shall notify the Commissioner within 15 business days after the amendment or cancellation. If the contract is amended, the notice shall provide a copy of the amended contract and shall disclose if the amendment affects any of the items in subsection (b) of this section. The Commissioner may prescribe a form to be used to provide notice under this subsection.

(d) Any domestic insurer that has a management contract or custodial agreement shall file a statement on or before March 1 of each year, for the preceding calendar year, disclosing (i) total charges incurred by the insurer under the contract; (ii) any salaries, commissions, or other valuable consideration paid by the insurer directly to any officer, director, or shareholder of the management or custodian firm; and (iii) other information concerning the contract or the management or custodian firm as may be included from time to time in any registration forms adopted or approved by the Commissioner. The Commissioner may prescribe a form to be used to provide the information required by this subsection.

(e) Any domestic insurer that has a management contract may request an exemption from the filing requirements of this section if the contract is for a group of affiliated insurers on a pooled funds basis or service company management basis, where costs to the individual member insurers are charged on an actually incurred or closely estimated basis. The request for an exemption must be in writing, must explain the basis for the exemption, and must be received by the Commissioner on or before the effective date of the contract. As used in this subsection, "affiliated" has the same meaning as in G.S. 58-19-5(1). Management contracts exempted under this subsection must still be reduced to written form. (1987, c. 752, s. 8; 1989, c. 485, s. 61; 1991, c. 681, s. 53; 1993, c. 452, s. 49; 2001-223, s. 20.3.)

§ 58-34-15. Grounds for disapproval.

(a) The Commissioner must disapprove any management contract or custodial agreement filed under G.S. 58-34-10 if, at any time, the Commissioner finds:

- (1) That the service or management charges are based upon criteria unrelated either to the managed insurer's profits or to the reasonable customary and usual charges for the services or are based on factors unrelated to the value of the services to the insurer; or
- (2) That management personnel or other employees of the insurer are to be performing management functions and receiving any remuneration for those functions through the management or service contract in addition to the compensation by way of salary received directly from the insurer for their services; or
- (3) That the contract would transfer substantial control of the insurer or any of the powers vested in the board of directors, by statute, articles of incorporation, or bylaws, or substantially all of the basic functions of the insurance company management; or
- (4) That the contract contains provisions that would be clearly detrimental to the best interest of policyholders, stockholders, or members of the insurer; or
- (5) That the officers and directors of the management or custodial firm are of known bad character or have been affiliated, directly or indirectly, through ownership, control, management, reinsurance transactions, or other insurance or business relations with any person known to have been involved in the improper manipulation of assets, accounts, or reinsurance.
- (6) That the custodial agreement is not substantially the same as the form adopted by the Commissioner.

(b) If the Commissioner disapproves any management contract or custodial agreement, notice of the disapproval shall be given to the insurer stating the reasons for the disapproval in writing. The Commissioner shall grant any party to the contract a hearing if the party requests a hearing. (1987, c. 752, s. 8; 1991, c. 681, s. 54; 1993, c. 452, s. 50; 2001-223, s. 20.4.)

§ 58-34-20: Repealed by Session Laws 1993, c. 452, s. 65.

§ 58-35-5. License required; fees.

(a) No person except an authorized insurer shall engage in the business of an insurance premium finance company without obtaining a license from the Commissioner, as provided in this Article.

(b) Application for license required under this Article shall be in writing, and in the form prescribed by the Commissioner.

(c) When an applicant has more than one office, separate applications for license shall be made for each such office.

(d) At the time of filing an application for a license, the applicant shall pay to the Commissioner the license fee. Upon original application or upon application subsequent to denial of application, or revocation, suspension or surrender of a license, an examination fee may be required.

(e) There shall be two types of licenses issued to an insurance premium finance company:

§ 58-35-10. Exceptions to license requirements.

(a) Any person, firm or corporation doing business under the authority of any law of this State or of the United States relating to banks, trust companies, installment paper dealers, auto finance companies, savings and loan associations, cooperative credit unions, agricultural credit corporations or associations, organized under the laws of North Carolina or any person, firm or corporation subject to the provisions of the North Carolina Consumer Finance Act and the North Carolina Motor Vehicle Dealers and Manufacturers Licensing

Notwithstanding the exceptions set forth in subsections (a), (b) and (c) of this section, when any person, firm, or corporation shall exercise a power of attorney taken in connection with the financing of an insurance premium, such person, firm or corporation shall comply with the requirements of G.S. 58-35-85, as if it were an insurance premium financing company. § 58-35-15. Issuance or refusal of license; bond; duration of license; renewal; one office per license; display of license; notice of change of location.

(a) Within 60 days after the filing of an application for a license accompanied by payment of the fees for license and examination, the Commissioner shall issue the license or may refuse to issue the license and so advise the applicant. The applicant shall submit with such application any and all information which the Commissioner may require to assist him in determining the financial condition, business integrity, method of operation and protection to the public offered by the person filing such application. The Commissioner may require a bond not to exceed twenty-five thousand dollars (\$25,000) on applications and any renewal thereof. Such license to engage in business in accordance with the provisions of this Article at the location specified in the application shall be executed in duplicate by the Commissioner and he shall transmit one copy to the applicant and retain a copy on file. A person required by this subsection to maintain a bond may, in lieu of that bond, deposit with the Commissioner the equivalent amount in cash, in certificates of deposit issued by banks organized under the laws of the State of North Carolina, or any national bank having its principal office in North Carolina, or securities, which shall be held in accordance with Article 5 of this Chapter. Securities may only be obligations of the United States or of federal agencies listed in G.S. 147-69.1(c)(2) guaranteed by the United States, obligations of the State of North Carolina, or obligations of a city or county of this State. Any proposed deposit of an obligation of a city or county of this State is subject to the prior approval of the Commissioner.

(b) Whenever the Commissioner denies an initial application for a license, he shall notify the applicant and advise, in writing, the applicant of the reasons for the denial of the license. Within 30 days of receipt of notification the applicant may make written demand upon the Commissioner for a hearing to determine the reasonableness of the Commissioner's action. Such hearing shall be scheduled within 30 days from the date of receipt of the written demand.

(c) Each license issued hereunder shall remain in full force and effect until the last day of June unless earlier surrendered, suspended, or revoked pursuant to this Article, and may be renewed for the ensuing license year upon the filing of an application and conforming with G.S. 58-35-5, but subject to all of the provisions of this Article. If an application for a renewal of a license is filed with the Commissioner before July 1 of any year, the license sought to be renewed shall be continued in full force and effect either until the issuance by the Commissioner of the renewal license applied for or until five days after the Commissioner refuses to issue such renewal license under the provisions of this Article.

(d) Only one office may be maintained under each license, but more than one license may be issued to the same licensee pursuant to this Article.

(e) Such license shall state the name and address of the licensee and shall at all times be prominently displayed in the office of the licensee and shall not be transferable or assignable.

(f) Before any licensee changes any office of his to another location, he shall give written notice thereof to the Commissioner. (1963, c. 1118; 1965, c. 1039; 1989, c. 485, s. 47; 1991, c. 212, s. 3.)

§ 58-35-20. Grounds for refusal, suspension or revocation of licenses; surrender of licenses; reinstatement.

(a) The Commissioner may forthwith deny, suspend, revoke, or refuse to renew or continue any license hereunder if he shall find that:

- (1) The licensee has failed to pay the annual license fee or any sum of money lawfully demanded under authority of any section of this Article or has violated or failed to comply with any demand, ruling, provision or requirement of the Commissioner lawfully made pursuant to or within the authority of this Article.
- (2) Any fact or condition exists which, if it had been known to exist at the time of the original application, would have caused the original license to have been refused.

(b) The Commissioner may revoke or suspend only the particular license with respect to which grounds for revocation or suspension may occur or exist; or if he shall find that such grounds for revocation or suspension are of general application to all offices, or to more than one office, operated by such licensee, he shall revoke or suspend all of the licenses issued to such licensee or such number of licenses as such grounds apply to, as the case may be.

- (1) Any licensee may surrender any license by delivering to the Commissioner written notice that he thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender.
- (2) No revocation or suspension or surrender of any license shall impair or affect the obligation of any insured under any lawful insurance premium finance agreement previously acquired or held by the licensee.
- (3) Every license issued hereunder shall remain in force and effect until the same shall have been surrendered, revoked, suspended, or expires in accordance with the provisions of this Article; but the Commissioner shall have authority to

reinstate suspended licenses or to issue new licenses to a licensee whose license or licenses shall have been revoked, if no fact or condition then exists which clearly would have warranted the Commissioner in refusing originally to issue such license under this Article. (1963, c. 1118.)

§ 58-35-22. Notification of criminal or administrative actions.

(a) If an individual proprietor, officer, or partner of an insurance premium finance company has been convicted in any court of competent jurisdiction for any crime involving dishonesty or breach of trust, the premium finance company shall notify the Commissioner in writing of the conviction within 10 days after the date of the conviction. As used in this subsection, "conviction" includes an adjudication of guilt, a plea of guilty, or a plea of nolo contendere.

(b) An insurance premium finance company shall report to the Commissioner any administrative action taken against the premium finance company, including any branch office, by another state or by another governmental agency in this State within 30 days after the final disposition of the matter. This report shall include a copy of the order or consent order and other information or documents filed in the proceeding necessary to describe the action. (2009-566, s. 19.)

§ 58-35-25. Investigations; hearings.

For the purpose of conducting investigations and holding hearings on insurance premium finance companies, the Commissioner shall have the same authority as that vested in him by G.S. 58-2-50 and 58-2-70. (1963, c. 1118; 1987, c. 864, s. 3(b).)

§ 58-35-30. Licensee's books and records; reports; refusing to exhibit records; making false statements.

(a) The licensee shall keep and use in his business any books, accounts, and records that will enable the Commissioner to determine whether the licensee is complying with the provisions of this Article and with the rules and regulations lawfully made by the Commissioner hereunder. Every licensee shall preserve such books, accounts, and records, including cards used in a card system, if any, for at least three years after making the final entry in respect to any insurance premium finance agreement recorded therein; provided, however, the preservation of photographic reproductions thereof or records in photographic, imaging, microfilm, or microfiche form shall constitute compliance with this requirement by any licensee. The Commissioner may require of licensees under oath and in the form prescribed by him regular or special reports as he may deem necessary to the proper supervision of licensees under this Article.

(b) Any person who shall refuse, on demand, to exhibit to the Commissioner or to any deputy, or person acting with or for the Commissioner, the books, accounts or records as above provided, or who shall knowingly or willfully make any false statement in regard to the same shall be deemed guilty of a Class 1 misdemeanor. (1963, c. 1118; 1991, c. 720, s. 4; 1993, c. 539, s. 463; 1994, Ex. Sess., c. 24, s. 14(c); 1999-157, s. 1.)

§ 58-35-35. Excessive insurance premium finance charges; penalty.

The knowingly taking, receiving, reserving, [or] charging a greater insurance premium finance charge than that authorized in this Article shall be held and adjudged a forfeiture of the entire insurance premium finance charge which the insurance premium finance agreement carries with it, or which has been agreed to be paid thereon; and if a greater insurance premium finance charge has been paid, the person paying the same or his legal representative may recover from the insurance premium finance company twice the entire amount of the insurance premium finance thus paid if action therefor is brought within two years from the time of such payment. (1963, c. 1118.)

§ 58-35-40. Rebates and inducements prohibited; assignment of insurance premium finance agreements.

(a) No insurance premium finance company shall pay, allow, or offer to pay or allow payment to an insurance producer, and no insurance producer shall accept from a company, a rebate as an inducement to the financing of an insurance policy with the company. No insurance premium finance company shall give or offer to give to an insurance producer, and no insurance producer shall accept from a company, any valuable consideration or inducement of any kind, directly or indirectly, other than an article of merchandise not exceeding one dollar (\$1.00) in value which shall have thereon the advertisement of the insurance premium finance company. An insurance premium finance company may purchase or otherwise acquire an insurance premium finance agreement from another insurance premium finance company with recourse against the insurance premium finance company on such terms and conditions as may be mutually agreed upon by the parties, if the agreement complies with the requirements of this Article. The terms and conditions of the agreement shall be subject to the approval of the Commissioner.

(b) No filing of the assignment or notice thereof to the insured shall be necessary to the validity of the written assignment of an insurance premium finance agreement as against creditors or subsequent purchases, pledges, or encumbrancers of the assignor.

(c) As used in this section, the term "insurance premium finance company" includes employees of the company; the term "insurance producer" includes employees of the insurance producer; and the word "company" means an insurance premium finance company. (1963, c. 1118; 1989, c. 485, s. 64; 1991 (Reg. Sess., 1992), c. 837, s. 1; 1999-157, s. 7; 2022-46, s. 14(jj).)

§ 58-35-45. Filing and approval of forms and service charges.

(a) No insurance premium finance agreement form or related form shall be used in this State unless it has been filed with and written approval given by the Commissioner.

(b) In addition each insurance premium finance company shall file with the Commissioner the service charge rate plan to be used in insurance premium financing including all modifications of service charges to be paid by the insured or others under the insurance premium finance agreement. Such filings shall not be used in this State until written approval has been given by the Commissioner. (1963, c. 1118.)

§ 58-35-50. Form, contents and execution of insurance premium finance agreements.

(a) An insurance premium finance agreement shall be in writing, dated, signed by the insured, and the printed portion thereof shall be in type that is legible, as determined by rule. It shall contain the entire agreement of the parties with respect to the insurance contract, the premiums for which are advanced or to be advanced under it, and the following:

**INSURANCE PREMIUM FINANCE AGREEMENT

- a. Do not sign this agreement before you read it.
 - b. You are entitled to a copy of this agreement.
 - c. Under the law, you have the right to pay off in advance the full amount due and under certain conditions to obtain a partial refund of the service charge."

 - (2) Set forth the following items where applicable:
 - a. The total amount of the premiums;
 - b. The amount of the down payment;

 - e. The balance payable by the insured, meaning the sum of the amounts stated under items c. and d. of this subdivision.
 - f. The number of installments required, the amount of each installment expressed in dollars and the due date or period thereof.

(c) The items set forth in subsection (b) of this section need not be stated in the sequence or order in which they appear in that subsection, and additional items may be included to explain the computations made in determining the amount to be paid by the insured.

(d) No insurance premium finance agreement shall be signed by an insured when it contains any blank space to be filled in after it has been signed; however, if the insurance contract, the premiums for which are advanced or to be advanced under the agreement, has not been issued at the time of its signature by the insured and it so provides, the name of the authorized insurer by whom such insurance contract is issued and the policy number and the due date of the first installment may be left blank and later inserted in the original of the agreement after it has been signed by the insured. (1963, c. 1118; 1999-157, s. 2; 2022-46, s. 14(kk).)

§ 58-35-55. Limitations on service charges; computation; minimum charges.

(a) An insurance premium finance company shall not directly or indirectly except as otherwise provided by law, impose, take, receive from, reserve, contract for, or charge an insured greater service charges than are permitted by this Article. No insurance premium finance company shall be permitted to charge or finance any membership fees, dues, registration fees, or any other charges except the service charges provided for in this Article for financing insurance premiums on policies of insurance lawfully placed in this State.

(b) An insurance premium finance company may, in an insurance premium finance agreement, contract for, charge, receive, and collect a service charge for financing the premiums under the agreement computed as provided in subsection (c).

(c) The service charge provided for in this section shall be computed on the principal balance of the insurance premium finance agreement from the inception date of the insurance contract, the premiums for which are advanced or to be advanced under the agreement unless otherwise provided under rules and regulations prescribed by the Commissioner, to and including the date when the final installment of the insurance premium finance agreement is payable, at a rate not exceeding twelve dollars (\$12.00) per one hundred dollars (\$100.00) per annum; plus a nonrefundable origination fee which shall not exceed fifteen dollars (\$15.00) per premium finance agreement.

(d) The provisions of subsection (c) of this section pertaining to the time from which the service charge is calculated apply if the premiums under only one insurance contract are advanced or are to be advanced under an insurance premium finance agreement. If premiums under more than one insurance contract are advanced or are to be advanced under an insurance premium finance agreement, the service charge shall be computed from the earlier of the following:

- (1) The date that the premium is advanced on behalf of the insured.
- (2) The inception date of any insurance contract financed on the premium finance agreement.

Only one minimum service charge shall apply to each insurance premium finance agreement.

(e) No insurance producer or insurance premium finance company shall induce an insured to become obligated under more than one insurance premium finance agreement for the purpose of or with the effect of obtaining service charges in excess of those authorized by this Article.

(f) A premium service agreement may provide for the payment by the insured of a delinquency and collection charge on each installment in default for a period of not less than five days in an amount of one dollar (\$1.00) or a maximum of five percent (5%) of such installment, whichever is greater, provided that only one such delinquency and collection charge may be collected on any such installment regardless of the period during which it remains in default. (1963, c. 1118; 1967, c. 824; 1979, 2nd Sess., c. 1083, ss. 1, 2; 1981, c. 394, s. 1; 1999-157, s. 3; 2022-46, s. 14(//).)

§ 58-35-60. Prohibited provisions in insurance premium finance agreements.

No insurance premium finance agreement shall contain any provisions by which:

- (1) In the absence of default of the insured, the insurance premium finance company holding the agreement may, arbitrarily and without reasonable cause, accelerate the maturity of any part or all of the amount owing thereunder;
- (2) A power of attorney is given to confess judgment in this State; or
- (3) The insured relieves the insurance producer or the insurance premium finance company holding the agreement from liability for any legal rights or remedies which the insured may otherwise have against him. (1963, c. 1118; 2022-46, s. 14(mm).)

§ 58-35-65. Delivery of copy of insurance premium finance agreement to insured.

Before the due date of the first installment payable under an insurance premium finance agreement, the insurance premium finance company holding the agreement or the insurance producer shall cause to be delivered to the insured, or mail to the insured at the insured's address as shown in the agreement, a copy of the agreement. (1963, c. 1118; 1999-157, s. 4; 2022-46, s. 14(nn).)

§ 58-35-70. Payments by insured without notice of assignment of agreement.

Unless the insured has notice of actual or intended assignment of the insurance premium finance agreement, payment thereunder by him to the last known holder of the agreement shall be binding upon all subsequent holders or assignees. (1963, c. 1118.)

§ 58-35-75. Statement of account; release on payment in full.

(a) At any time after its execution, but not later than one year after the last payment thereunder, an insurance premium finance company holding an insurance premium finance agreement shall, upon written request of the insured, give or mail to him a written statement of the dates and amounts of payments and the total amount, if any, unpaid thereunder.

(b) After the payment of all sums for which an insured is obligated under an insurance premium finance agreement, and upon his written demand, the insurance premium finance company holding the agreement shall deliver, or mail to the insured at his last known address, such one or more good and sufficient instruments as may be necessary to acknowledge payment in full and to release all interest in or rights to the insurance contracts, the premiums for which were advanced or are to be advanced under the agreement. (1963, c. 1118.)

§ 58-35-80. Credit upon anticipation of payments.

(a) Notwithstanding the provisions of any insurance premium finance agreement to the contrary, any insured may pay it in full at any time before the maturity of the final installment of the balance thereof; and, if he does so and the agreement included an amount for service charge, he shall receive and be entitled to receive for such anticipation a refund credit thereon.

(b) The amount of any such refund credit shall represent at least as great proportion of the service charge, if any, as the sum of the periodic balances after the month in which

prepayment is made bears to the sum of all periodic balances under the schedule of installments in the agreement. Where the amount of the refund credit for anticipation of payment is less than one dollar (\$1.00), no refund need be made. This section does not relieve the premium finance company of its duty to report and deliver these unrefunded monies to the State Treasurer in accordance with G.S. 116B-29(b). (1963, c. 1118; 1981, c. 394, s. 2; 1999-157, s. 5.)

§ 58-35-85. Procedure for cancellation of insurance contract upon default; return of unearned premiums; collection of cash surrender value.

When an insurance premium finance agreement contains a power of attorney or other authority enabling the insurance premium finance company to cancel any insurance contract or contracts listed in the agreement, the insurance contract or contracts shall not be cancelled unless the cancellation is effectuated in accordance with the following provisions:

- (1) Not less than 10 days' written notice is sent by personal delivery, first-class mail, electronic mail, or facsimile transmission to the last known address of the insured or insureds shown on the insurance premium finance agreement of the intent of the insurance premium finance company to cancel his or their insurance contract or contracts unless the defaulted installment payment is received. Notification thereof shall also be provided to the insurance producer.
- (2) After expiration of the 10-day period, the insurance premium finance company shall send the insurer a request for cancellation and shall send notice of the requested cancellation to the insured by personal delivery, first-class mail, electronic mail, electronic transmission, or facsimile transmission at his last known address as shown on the records of the insurance premium finance company and to the insurance producer. Upon written request of the insurance company, the premium finance company shall furnish a copy of the power of attorney to the insurance company. The written request shall be sent by mail, personal delivery, electronic mail, or facsimile transmission.
- (3) Upon receipt of a copy of the request for cancellation notice by the insurer, the insurance contract shall be cancelled with the same force and effect as if the request for cancellation had been submitted by the insured, without requiring the return of the insurance contract or contracts.
- (4) All statutory, regulatory, and contractual restrictions providing that the insured may not cancel the insurance contract unless the insurer first satisfies the restrictions by giving a prescribed notice to a governmental agency, the insurance carrier, an individual, or a person designated to receive the notice for said governmental agency, insurance carrier, or individual shall apply where cancellation is effected under the provisions of this section.
- (4a) If an insurer receives notification from an insurance producer or premium finance company that the initial down payment for the premium being financed has been dishonored by a financial institution, or otherwise unpaid, there is no valid contract for insurance and the policy will be voided.
- (5) When an insurance contract is cancelled in accordance with this section, the insurer shall promptly return the gross unearned premiums that are due under

the contract to the insurance premium finance company effecting the cancellation, for the benefit of the insured or insureds, no later than 30 days after the effective date of cancellation. When the return premium is more than the amount the insured owes the insurance premium finance company under the agreement, the excess shall be promptly remitted to the order of the insured, as provided in subdivision (8) of this section, subject to the minimum service charge provided for in this Article. If a premium is subject to an audit to determine the final premium amount, the amount to be refunded to the premium finance company shall be calculated upon the deposit premium, and the insurer shall return that amount to the premium finance company no later than 90 days after the effective date of cancellation. This subdivision does not limit any other remedies the insurer may have against the insured for additional premiums.

- (6) The provisions of this section relating to request for cancellation by the insurance premium finance company of an insurance contract and the return by an insurer of unearned premiums to the insurance premium finance company, also apply to the surrender by the insurance premium finance company of an insurance contract providing life insurance and the payment by the insurer of the cash value of the contract to the insurance premium finance company, except that the insurer may require the surrender of the insurance contract.
- (7) The insurer shall not deduct from any return premiums any amount owed to the insurer for any other indebtedness owed to the insurer by the insured on any policy or policies other than those being financed under the premium finance agreement.
- (8) In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the premium finance company shall refund the excess to the insured as soon as possible, but in no event later than 30 days of receipt of the return premium, provided that no refund shall be required if it is in an amount less than one dollar (\$1.00). This subdivision does not relieve the premium finance company of its duty to report and deliver these unrefunded monies to the State Treasurer in accordance with G.S. 116B-29(b).
- (9) In the event that a balance due the premium finance company remains on the account after the cancellation of the agreement, the outstanding balance may earn interest at the rate stated in the agreement until paid in full.
- (10) If a mortgagee or other loss payee is shown on the insurance contract, the insurer shall notify the mortgagee or loss payee of the cancellation. The written notice shall be sent by mail, personal delivery, electronic mail, or facsimile transmission to the designated mortgagee's or loss payee's last known address. Proof of mailing is sufficient proof of notice. Failure to send this notice to any designated mortgagee or loss payee shall not give rise to any claim on the part of the insured. (1963, c. 1118; 1967, c. 825; 1969, c. 941; 1987, c. 864, s. 22; 1995, c. 121, s. 1; 1999-157, s. 6; 2002-187, s. 6; 2022-46, s. 14(oo).)

§ 58-35-90. Violations; penalties.

Any person who shall engage in the business referred to in this Article without first receiving a license, or who shall fail to secure a renewal of his license upon the expiration of the license year, or shall engage in the business herein referred to after the license has been suspended or revoked as herein provided, or who shall fail or refuse to furnish the information required of the Commissioner, or who shall willfully and knowingly enter false information on an insurance premium finance agreement, or who shall fail to observe the rules and regulations made by the Commissioner pursuant to this Article, shall be deemed guilty of a Class 1 misdemeanor. (1963, c. 1118; 1965, c. 1040; 1985, c. 666, s. 20; 1993, c. 539, s. 464; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 58-35-95. Disposition of fees.

All fees collected hereunder shall be credited to the account of the Commissioner for the specific purpose of providing the personnel, equipment and supplies necessary to enforce this Article, but the Director of the Budget shall have the right to budget the revenues received in accordance with the requirements of the Commissioner for the purposes herein required, and at the end of the fiscal year, if any sum whatever shall remain to the credit of the Commissioner, derived from the sources herein referred to, the same shall revert to the general treasury of the State to be appropriated as other funds. (1963, c. 1118; 1991, c. 720, s. 5.)

§ 58-35-100. Fees are nonrefundable.

All fees that are imposed and collected under this Article are nonrefundable. (1993 (Reg. Sess., 1994), c. 678, s. 20.)

Article 36.

North Carolina Rate Bureau.

§ 58-36-1. North Carolina Rate Bureau created.

There is hereby created a Bureau to be known as the "North Carolina Rate Bureau," with the following objects and functions:

- (1) To assume the functions formerly performed by the North Carolina Fire Insurance Rating Bureau, the North Carolina Automobile Rate Administrative Office, and the Compensation Rating and Inspection Bureau of North Carolina, with regard to the promulgation of rates, for insurance against loss to residential real property with not more than four housing units located in this State and any contents thereof and valuable interest therein and other insurance coverages written in connection with the sale of such property insurance; except as provided in G.S. 58-36-3(a)(6), for theft of and physical damage to nonfleet private passenger motor vehicles; for liability insurance for such motor vehicles, automobile medical payments insurance, uninsured motorists coverage and other insurance coverages written in connection with the sale of such liability insurance; and for workers' compensation and employers' liability insurance written in connection therewith except for insurance excluded from the Bureau's jurisdiction in G.S. 58-36-1(3).

- (2) The Bureau shall provide reasonable means to be approved by the Commissioner whereby any person affected by a rate or loss costs made by it may be heard in person or by the person's authorized representative before the governing committee or other proper executive of the Bureau.
- (3) The Bureau shall promulgate and propose rates for insurance against loss to residential real property with not more than four housing units located in this State and any contents thereof or valuable interest therein and other insurance coverages written in connection with the sale of such property insurance; for insurance against theft of or physical damage to nonfleet private passenger motor vehicles; for liability insurance for such motor vehicles, automobile medical payments insurance, uninsured and underinsured motorists coverage and other insurance coverages written in connection with the sale of such liability insurance; and, as provided in G.S. 58-36-100, for loss costs and residual market rate filings for workers' compensation and employers' liability insurance written in connection therewith. This subdivision does not apply to motor vehicles operated under certificates of authority from the Utilities Commission, the Interstate Commerce Commission, or their successor agencies, where insurance or other proof of financial responsibility is required by law or by regulations specifically applicable to such certificated vehicles.
- (4) Agreements may be made between or among members with respect to equitable apportionment among them of insurance which may be afforded applicants who are in good faith entitled to but who are unable to procure such insurance through ordinary methods. The members may agree between or among themselves on the use of reasonable rate modifications for such insurance, agreements, and rate modifications to be subject to the approval of the Commissioner.
 - (5) a. It is the duty of every insurer that writes workers' compensation insurance in this State and is a member of the Bureau, as defined in this section and G.S. 58-36-5 to insure and accept any workers' compensation insurance risk that has been certified to be "difficult to place" by any fire and casualty insurance producer with property and casualty lines of authority who is licensed in this State. When any such risk is called to the attention of the Bureau by receipt of an application with an estimated or deposit premium payment and it appears that the risk is in good faith entitled to such coverage, the Bureau will bind coverage for 30 days and will designate a member who must issue a standard workers' compensation policy of insurance that contains the usual and customary provisions found in those policies. Multiple coordinated policies, as defined by the Bureau and approved by the Commissioner, may be used for the issuance of coverage under this subdivision for risks involved in employee leasing arrangements. Coverage will be bound at 12:01 A.M. on the first day following the postmark time and date on the envelope in which the application is mailed including the estimated annual or deposit premium, or the expiration of existing coverage, whichever is later. If there should be no postmark, coverage will be effective 12:01 A.M. on the date of receipt

by the Bureau unless a later date is requested. Those applications hand delivered to the Bureau will be effective as of 12:01 A.M. of the date following receipt by the Bureau unless a later date is requested. The Bureau will make and adopt such rules as are necessary to carry this section into effect, subject to final approval of the Commissioner. As a prerequisite to the transaction of workers' compensation insurance in this State, every member of the Bureau that writes such insurance must file with the Bureau written authority permitting the Bureau to act in its behalf, as provided in this section, and an agreement to accept risks that are assigned to the member by the Bureau, as provided in this section.

- b. The Bureau shall maintain a compendium of employers refused voluntary coverage, which shall be made available by the Bureau to all insurers, licensed producers, and self-insureds' administrators doing business in this State. It shall be stored and indexed to allow access to information by industry, primary classifications of employees, geography, experience modification, and in any other manner the Bureau determines is commercially useful to facilitate voluntary coverage of listed employers. The Bureau shall be immune from civil liability for erroneous information released by the Bureau pursuant to this section, provided that the Bureau acted in good faith and without malicious or willful intent to harm in releasing the erroneous information.
 - c. Failure or refusal by any assigned employer risk to make full disclosure to the Bureau, servicing carrier, or insurer writing a policy of information regarding the employer's true ownership, change of ownership, operations, or payroll, or any other failure to disclose fully any records pertaining to workers' compensation insurance shall be sufficient grounds for the termination of the policy of that employer.
- (6) The Bureau shall maintain and furnish to the Commissioner on an annual basis the statistics on earnings derived by member companies from the investment of unearned premium, loss, and loss expense reserves on nonfleet private passenger motor vehicle insurance policies written in this State. Whenever the Bureau proposes rates under this Article, it shall prepare a separate exhibit for the experience years in question showing the combined earnings realized from the investment of such reserves on policies written in this State. The amount of earnings may in an equitable manner be included in the ratemaking formula to arrive at a fair and equitable rate. The Commissioner may require further information as to such earnings and may require calculations of the Bureau bearing on such earnings.
- (7) Member companies shall furnish, upon request of any person carrying nonfleet private passenger motor vehicle insurance in the State upon whose risk a rate has been promulgated, information as to rating, including the method of calculation. (1977, c. 828, s. 6; 1981, c. 888, ss. 1-3; 1983, c. 416, s. 5; 1985 (Reg. Sess., 1986), c. 1027, s. 5.1; 1991, c. 339, s. 1; 1993, c. 409, s. 27; 1993 (Reg. Sess., 1994), c. 679, s. 8.5; 1995, c. 505, s. 1; c. 517, s. 18; 1999-132, ss. 3.1, 3.2; 1999-219, s. 11;

2001-236, s. 2; 2001-389, ss. 1, 2; 2001-423, s. 3; 2022-46, s. 14(pp).)

§ 58-36-2. Private passenger motor vehicles; number of nonfleet policies.

Notwithstanding the definition of "nonfleet" in G.S. 58-40-10(2), the Bureau shall adopt rules, subject to the Commissioner's approval, that specify the circumstances under which more than four private passenger motor vehicles may be covered under a nonfleet private passenger motor vehicle policy that is subject to this Article. (1995 (Reg. Sess., 1996), c. 730, s. 2.)

§ 58-36-3. Limitation of scope; motorcycle and moped endorsements allowed; Department of Insurance report.

(a) The Bureau has no jurisdiction over:

- (1) Excess workers' compensation insurance for employers qualifying as self-insurers as provided in Article 47 of this Chapter or Article 5 of Chapter 97 of the General Statutes.
- (2) Farm buildings, farm dwellings, and their appurtenant structures; farm personal property or other coverages written in connection with farm real or personal property.
- (3) Travel or camper trailers designed to be pulled by private passenger motor vehicles, unless insured under policies covering nonfleet private passenger motor vehicles.
- (4) Mechanical breakdown insurance covering nonfleet private passenger motor vehicles and other incidental coverages written in connection with this insurance, including emergency road service assistance, trip interruption reimbursement, rental car reimbursement, and tire coverage.
- (5) Residential real and personal property insured in multiple line insurance policies covering business activities as the primary insurable interest; and marine, general liability, burglary and theft, glass, and animal collision insurance, except when such coverages are written as an integral part of a multiple line insurance policy for which there is an indivisible premium.
- (6) Insurance against theft of or physical damage to motorcycles, as defined in G.S. 20-4.01(27)h.
- (7) Personal excess liability or personal "umbrella" insurance.
- (8) Insurance against theft of or physical damage to mopeds, as defined in G.S. 20-4.01(27)j.

(b) Member companies writing motorcycle or moped liability insurance under this Article and writing insurance against theft of or physical damage to motorcycles or mopeds under Article 40 of this Chapter may incorporate motorcycle or moped theft and physical damage coverage as an endorsement to the liability policy issued under this Article.

(c) Repealed by Session Laws 2015-92, s. 3, effective June 19, 2015. (2001-389, ss. 3, 5.1; 2015-92, s. 3; 2015-125, s. 4; 2016-90, s. 12.6(a); 2017-102, s. 5.2(b).)

§ 58-36-4. Statistical organizations; licensing; recording and reporting; examination; suspension of license; financial disclosure.

(a) For purposes of this Article:

(1) "Statistical organization" means every person, other than an admitted insurer, whether located within or outside this State, who performs one or more of the following functions:

- a. Prepares policy forms or makes underwriting rules incident to, but not including, the making of rates, rating plans, or rating systems.
- b. Collects and furnishes to admitted insurers or statistical organizations loss or expense statistics or other statistical information and data and acts in an advisory rather than a rate-making capacity. No duly authorized attorney-at-law acting in the usual course of that person's profession shall be deemed to be a statistical organization.
- c. Makes rates, rating plans or rating systems, or develops loss costs. Two or more insurers that act in concert for the purpose of making rates, rating plans or rating systems, or developing loss costs and that do not operate within the specific authorizations contained in this Article shall be deemed to be a statistical organization.
- d. Collects data and statistics from insurers and provides reports from these statistics to the Commissioner for the purpose of fulfilling the statistical reporting obligations of those insurers.

"Statistical organization" shall not mean the North Carolina Rate Bureau, the North Carolina Motor Vehicle Reinsurance Facility, the North Carolina Insurance Underwriting Association, or the North Carolina Joint Underwriting Association.

(2) "Statistical plan" means the document used by a statistical organization to set forth which data elements are to be reported to the statistical organization and to describe the format in which the data must be reported.

(b) No statistical organization shall conduct its operations in this State, and no insurer shall utilize the service of that organization for any purpose enumerated in this Article unless the organization has obtained a license from the Commissioner. No statistical organization shall refuse to supply any services for which it is licensed in this State to any insurer admitted to do business in this State and offering to pay the fair and usual compensation for the services. A statistical organization applying for a license shall include with its application:

- (1) A copy of its constitution, charter, articles of organization, agreement, association, or incorporation, and a copy of its bylaws, plan of operation, and any other rules or regulations governing the conduct of its business, all duly certified by the custodian of the originals thereof;
- (2) A list of its members and subscribers;
- (3) The name and address of one or more residents of this State upon whom notices, process affecting it, or orders of the Commissioner may be served;
- (4) A statement showing its technical qualifications for acting in the capacity for which it seeks a license; and
- (5) Any other relevant information and documents that the Commissioner may require.

If the Commissioner determines that the applicant and the natural persons through whom it acts are qualified to provide the services proposed and that all requirements of law

are met, the Commissioner shall issue a license specifying the authorized activity of the applicant. The Commissioner shall not issue a license if the proposed activity would tend to create a monopoly or to lessen or to destroy price competition. Licenses issued pursuant to this section shall remain in effect until the licensee withdraws from the State or until the license is suspended or revoked. Any change in or amendment to any document required to be filed under this section shall be promptly filed with the Commissioner. Every statistical organization shall file a statistical plan with the Commissioner for approval for each line of insurance for which the organization requests to be licensed. The Commissioner may, in the Commissioner's discretion, modify the plan to collect additional types of data. No statistical organization shall engage in any unfair or unreasonable practice with respect to its activities.

(c) Statistical organizations licensed pursuant to subsection (b) of this section and admitted insurers are authorized to exchange information and experience data between and among themselves in this State and with statistical organizations and insurers in other states and may consult with them with respect to rate making and the application of rating systems.

(d) The Commissioner shall adopt or approve reasonable rules, including rules providing statistical plans, for use thereafter by all insurers in the recording and reporting of loss and expense experience, in order that the experience of those insurers may be made available to the Commissioner. The Commissioner may designate one or more statistical organizations to assist him or her in gathering and making compilations of the experience. All insurers, for lines of insurance that require data to be reported, shall report their data to one of the designated statistical organizations.

(e) The Commissioner shall, at least once every three years, make or cause to be made an examination of each statistical organization licensed pursuant to subsection (b) of this section. This examination shall relate only to the activities conducted pursuant to this Article and to the organizations licensed under this Article. The officers, manager, agents, and employees of any statistical organization may be examined at any time under oath and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation. In lieu of any examination, the Commissioner may accept the report of an examination made by the insurance advisory official of another state, pursuant to the laws of that state.

(f) Subject to the requirements of this Article and of G.S. 58-2-70, the Commissioner may suspend or revoke the license of any statistical organization or impose a monetary penalty against any statistical organization where (i) the Commissioner has reason to believe that any statistical organization has violated any provision of this Chapter, or (ii) the statistical organization fails to comply with an order of the Commissioner within the time limited by the order, or within any extension thereof that the Commissioner may grant. The Commissioner shall not suspend the license of any statistical organization for failure to comply with an order until the time prescribed for an appeal from the order has expired or, if an appeal has been taken, until the order has been affirmed. The Commissioner may determine when a suspension of a license shall become effective, and the suspension shall remain in effect for the period fixed by the Commissioner unless the

Commissioner modifies or rescinds the suspension, or until the order upon which the suspension is based is modified, rescinded, or reversed. No license shall be suspended or revoked, and no monetary penalty shall be imposed except upon a written order of the Commissioner stating the Commissioner's findings, made after a hearing held upon not less than 10 days' written notice to the person or organization, and specifying the alleged violation.

(g) A statistical organization is considered an insurance company for purposes of the applicability of G.S. 58-6-7. (2005-210, s. 18; 2006-264, s. 45(b).)

§ 58-36-5. Membership as a prerequisite for writing insurance; governing committee; rules and regulations; expenses.

(a) Before the Commissioner shall grant permission to any stock, nonstock, or reciprocal insurance company or any other insurance organization to write in this State insurance against loss to residential real property with not more than four housing units located in this State or any contents thereof or valuable interest therein or other insurance coverages written in connection with the sale of such property insurance; or insurance against theft of or physical damage to private passenger (nonfleet) motor vehicles; or liability insurance for such motor vehicles, automobile medical payments insurance, uninsured motorists coverage or other insurance coverage written in connection with the sale of such liability insurance; or workers' compensation and employers' liability insurance written in connection therewith; except for insurance excluded from the Bureau's jurisdiction in G.S. 58-36-1(3); it shall be a requisite that they shall subscribe to and become members of the Bureau.

(b) Each member of the Bureau writing any one or more of the above lines of insurance in North Carolina shall, as a requisite thereto, be represented in the Bureau and shall be entitled to one representative and one vote in the administration of the affairs of the Bureau. They shall, upon organization, elect a governing committee which governing committee shall be composed of equal representation by stock and nonstock members. The governing committee of the Bureau shall also have as nonvoting members two persons who are not employed by or affiliated with any insurance company or the Department and who are appointed by the Governor to serve at his pleasure.

(c) The Bureau, when created, shall adopt such rules and regulations for its orderly procedure as shall be necessary for its maintenance and operation. No such rules and regulations shall discriminate against any type of insurer because of its plan of operation, nor shall any insurer be prevented from returning any unused or unabsorbed premium, deposit, savings or earnings to its policyholders or subscribers. The expense of such Bureau shall be borne by its members by quarterly contributions to be made in advance, such contributions to be made in advance by prorating such expense among the members in accordance with the amount of gross premiums derived from the above lines of insurance in North Carolina during the preceding year and members entering the Bureau since that date to advance an amount to be fixed by the governing committee. After the first fiscal year of operation of the Bureau the necessary expense of the Bureau shall be advanced by the members in accordance with rules and regulations to be established and adopted by the

governing committee. The Bureau shall be empowered to subscribe for or purchase any necessary service, and employ and fix the salaries of such personnel and assistants as are necessary.

(d) The Commissioner is hereby authorized to compel the production of all books, data, papers and records and any other data necessary to compile statistics for the purpose of determining the underwriting experience of lines of insurance referred to in this Article, and this information shall be available and for the use of the Bureau for the capitulation and promulgation of rates on lines of insurance as are subject to the ratemaking authority of the Bureau. (1977, c. 828, s. 6; 1981, c. 888, s. 4; 1985 (Reg. Sess., 1986), c. 1027, s. 6; 1991, c. 720, s. 4.)

§ 58-36-10. Method of rate making; factors considered.

The following standards shall apply to the making and use of rates:

- (1) Rates or loss costs shall not be excessive, inadequate or unfairly discriminatory.
- (2) Due consideration shall be given to actual loss and expense experience within this State for the most recent three-year period for which that information is available; to prospective loss and expense experience within this State; to the hazards of conflagration and catastrophe; to a reasonable margin for underwriting profit and to contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to investment income earned or realized by insurers from their unearned premium, loss, and loss expense reserve funds generated from business within this State; to past and prospective expenses specially applicable to this State; and to all other relevant factors within this State: Provided, however, that countrywide expense and loss experience and other countrywide data may be considered only where credible North Carolina experience or data is not available.
- (3) In the case of property insurance rates under this Article, consideration may be given to the experience of property insurance business during the most recent five-year period for which that experience is available. In the case of property insurance rates under this Article, consideration shall be given to the insurance public protection classifications of fire districts established by the Commissioner. The Commissioner shall establish and modify from time to time insurance public protection districts for all rural areas of the State and for cities with populations of 100,000 or fewer, according to the most recent annual population estimates certified by the State Budget Officer. In establishing and modifying these districts, the Commissioner shall use standards at least equivalent to those used by the Insurance Services Office, Inc., or any successor organization, except that fire alarms that are unintentional or the result of malfunction and result in no damage or fire shall not be considered in calculating minimum response requirements for initial rating or classification. The standards developed by the Commissioner are subject to Article 2A of Chapter 150B of the General Statutes. The insurance public protection classifications established by the Commissioner issued pursuant to the provisions of this Article shall be subject to appeal as provided in G.S. 58-2-75,

et seq. The exceptions stated in G.S. 58-2-75(a) do not apply. If the Rate Bureau presents any modeled hurricane losses based upon a commercial hurricane simulation computer model with a property insurance rate filing, the Bureau shall present data from more than one such model. The Commissioner shall consider modeled hurricane losses presented by the Rate Bureau.

- (4) Risks may be grouped by classifications and lines of insurance for establishment of rates, loss costs, and base premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans that establish standards for measuring variations in hazards or expense provisions or both. Those standards may measure any differences among risks that can be demonstrated to have a probable effect upon losses or expenses. The Bureau shall establish and implement a comprehensive classification rating plan for motor vehicle insurance under its jurisdiction. No such classification plans shall base any standard or rating plan for private passenger (nonfleet) motor vehicles, in whole or in part, directly or indirectly, upon the age or gender of the persons insured. The Bureau shall at least once every three years make a complete review of the filed classification rates to determine whether they are proper and supported by statistical evidence, and shall at least once every 10 years make a complete review of the territories for nonfleet private passenger motor vehicle insurance to determine whether they are proper and reasonable.
- (5) In the case of workers' compensation insurance and employers' liability insurance written in connection therewith, due consideration shall be given to the past and prospective effects of changes in compensation benefits and in legal and medical fees that are provided for in General Statutes Chapter 97.
- (6) To ensure that policyholders in the beach and coastal areas of the North Carolina Insurance Underwriting Association whose risks are of the same class and essentially the same hazard are charged premiums that are commensurate with the risk of loss and premiums that are actuarially correct, the North Carolina Rate Bureau shall revise, monitor, and review the existing territorial boundaries used by the Bureau when appropriate to establish geographic territories in the beach and coastal areas of the Association for rating purposes. In revising these territories, the Bureau shall use statistical data sources available to define such territories to represent relative risk factors that are actuarially sound and not unfairly discriminatory. The new territories and any subsequent amendments proposed by the North Carolina Rate Bureau or Association shall be subject to the Commissioner's approval and shall appear on the Bureau's Web site, the Association's Web site, and the Department's Web site once approved.
- (7) Property insurance rates established under this Article may include a provision to reflect the cost of reinsurance to protect against catastrophic exposure within this State. Amounts to be paid to reinsurers, ceding commissions paid or to be paid to insurers by reinsurers, expected reinsurance recoveries, North Carolina exposure to catastrophic events relative to other states' exposure, and any other relevant information may be considered when determining the provision to reflect the cost of reinsurance. (1977, c. 828, s. 6; 1979, c. 824, s. 1; 1981, c. 521, s. 5; c. 790; 1987, c. 632, s. 1; 1991, c. 644, s. 39;

1999-132, s. 3.3; 2000-176, s. 1; 2004-203, s. 5(a); 2009-472, s. 2; 2012-162, s. 3; 2016-51, s. 7; 2016-78, s. 1.3(b).)

§ 58-36-15. Filing loss costs, rates, plans with Commissioner; public inspection of filings.

(a) The Bureau shall file with the Commissioner copies of the rates, loss costs, classification plans, rating plans and rating systems used by its members. Each rate or loss costs filing shall become effective on the date specified in the filing, but not earlier than 210 days from the date the filing is received by the Commissioner: Provided that (1) rate or loss costs filings for workers' compensation insurance and employers' liability insurance written in connection therewith shall not become effective earlier than 210 days from the date the filing is received by the Commissioner or on the date as provided in G.S. 58-36-100, whichever is earlier; and (2) any filing may become effective on a date earlier than that specified in this subsection upon agreement between the Commissioner and the Bureau.

(b) A filing by the Rate Bureau shall be open to public inspection immediately upon submission to the Commissioner. All property insurance rate filings shall be open to the public except as provided in this Article where necessary to maintain the confidentiality of certain testimony. At least 30 days before a notice of hearing issues, the Department shall receive comments from the public regarding a property insurance rate filing. The comments may be provided to the Department by e-mail, mail, or in person at a time and place set by the Department. All public comments shall be shared with the Rate Bureau in a timely manner.

(c) The Bureau shall maintain reasonable records, of the type and kind reasonably adapted to its method of operation, of the experience of its members and of the data, statistics or information collected or used by it in connection with the rates, rating plans, rating systems, loss costs and other data as specified in G.S. 58-36-100, underwriting rules, policy or bond forms, surveys or inspections made or used by it.

(d) With respect to the filing of rates for nonfleet private passenger motor vehicle insurance, the Bureau shall, on or before February 1 of each year, or later with the approval of the Commissioner, file with the Commissioner the experience, data, statistics, and information referred to in subsection (c) of this section and any proposed adjustments in the rates for all member companies of the Bureau. The filing shall include, where deemed by the Commissioner to be necessary for proper review, the data specified in subsections (c), (e), (g) and (h) of this section. Any filing that does not contain the data required by this subsection may be returned to the Bureau and not be deemed a proper filing. Provided, however, that if the Commissioner concludes that a filing does not constitute a proper filing he shall promptly notify the Bureau in writing to that effect, which notification shall state in reasonable detail the basis of the Commissioner's conclusion. The Bureau shall then have a reasonable time to remedy the defects so specified. An otherwise defective filing thus remedied shall be deemed to be a proper and timely filing, except that all periods of time specified in this Article will run from the date the Commissioner receives additional or amended documents necessary to remedy all material defects in the original filing.

(d1) With respect to property insurance rates, the Bureau shall file no later than May 1, 2010, a schedule of credits for policyholders based on the presence of mitigation and construction features and on the condition of buildings that it insures in the beach and coastal areas of the State. The Bureau shall develop rules applicable to the operation of the schedule and the mitigation program with approval by the Commissioner. The schedule shall not be unfairly discriminatory and shall be reviewed by the Bureau annually, with the results reported annually to the Commissioner.

(d3) In all residential property insurance rate filings, the Bureau shall set forth for each territory in the State (i) that portion of the rate based on all risks with the exception of wind and hail and (ii) that portion of the rate based on consideration of risks and the costs of reinsurance for wind and hail. The Department shall post both the filed rate and the final rate for each territory on its Web site, including that portion of the filed rate and the final rate for each territory based on all risks with the exception of wind and hail and that portion based on wind and hail.

- (e) The Commissioner may require the filing of supporting data including:
- (1) The Bureau's interpretation of any statistical data relied upon;

Provided, however, that with respect to business written prior to January 1, 1980, the Commissioner shall not require the filing of such supporting data which has not been required to be recorded under statistical plans approved by the Commissioner.

(f) On or before September 1 of each calendar year, or later with the approval of the Commissioner, the Bureau shall submit to the Commissioner the experience, data, statistics, and information referred to in subsection (c) of this section and required under G.S. 58-36-100 and a residual market rate or prospective loss costs review based on those data for workers' compensation insurance and employers' liability insurance written in connection therewith. Any rate or loss costs increase for that insurance that is implemented under this Article shall become effective solely to insurance with an inception date on or after the effective date of the rate or loss costs increase.

(g) The following information must be included in policy form, rule, and rate or loss costs filings under this Article and under Article 37 of this Chapter:

- (1) A detailed list of the rates, loss costs, rules, and policy forms filed, accompanied by a list of those superseded; and

- (12) Investment earnings on capital and surplus;
- (13) Level of capital and surplus needed to support premium writings without endangering the solvency of member companies; and
- (14) Such other information that may be required by any rule adopted by the Commissioner.

Provided, however, that no filing may be returned or disapproved on the grounds that such information has not been furnished if insurers have not been required to collect such information pursuant to statistical plans or programs or to report such information to the Bureau or to statistical agents, except where the Commissioner has given reasonable prior notice to the insurers to begin collecting and reporting such information, or except when the information is readily available to the insurers.

(i) The Bureau shall file with and at the time of any rate or prospective loss costs filing all testimony, exhibits, and other information on which the Bureau will rely at the hearing on the rate filing. The Department shall file all testimony, exhibits, and other information on which the Department will rely at the hearing on the rate filing 20 days in advance of the convening date of the hearing. Upon the issuance of a notice of hearing the Commissioner shall hold a meeting of the parties to provide for the scheduling of any additional testimony, including written testimony, exhibits or other information, in response to the notice of hearing and any potential rebuttal testimony, exhibits, or other information. Sess., 1986), c. 1027, ss. 2, 3; 1993, c. 409, s. 10; 1995, c. 505, s. 2; 1999-132, ss. 3.4-3.6; 2002-187, s. 4.1; 2009-472, s. 3; 2012-162, s. 1; 2016-78, s. 1.3(c).)

§ 58-36-16. Bureau to share information with Department of Labor and North Carolina Industrial Commission.

The Bureau shall provide to the Department of Labor and the North Carolina Industrial Commission information from the Bureau's records indicating each employer's experience rate modifier established for the purpose of setting premium rates for workers' compensation insurance and the name and business address of each employer whose workers' compensation coverage is provided through the assigned-risk pool pursuant to G.S. 58-36-1. Information provided to the Department of Labor and the North Carolina Industrial Commission with respect to experience rate modifiers shall include the name of the employer and the employer's most current intrastate or interstate experience rate modifier. The information provided to the Department and the Commission under this section shall be confidential and not open for public inspection. The Bureau shall be immune from civil liability for releasing information pursuant to this section, even if the

information is erroneous, provided the Bureau acted in good faith and without malicious or wilful intent to harm in releasing the information. (1991 (Reg. Sess., 1992), c. 894, s. 4; 2012-135, s. 1(a).)

§ 58-36-17. Bureau to share information with the North Carolina Industrial Commission.

The Bureau shall provide to the North Carolina Industrial Commission information contained in the Bureau's records indicating the status of workers' compensation insurance coverage on North Carolina employers as reported to the Bureau by the Bureau's member companies. The North Carolina Industrial Commission shall take such steps, including obtaining software or software licenses, as are necessary to be able to receive and process such information from the Bureau. The records provided to the North Carolina Industrial Commission under this section shall be confidential and shall not be public records as that term is defined in G.S. 132-1. Notwithstanding the previous sentence, the North Carolina Industrial Commission may release data showing workers' compensation insurance policy information that includes only employer name and address, carrier name, address, and telephone number; policy number; policy effective dates; policy cancellation dates; and policy reinstatement dates. This data shall not be confidential data and shall be a public record as that term is defined in G.S. 132-1. The North Carolina Industrial Commission shall use the information provided pursuant to this section only to carry out its statutory duties and obligations under The North Carolina Workers' Compensation Act. The Bureau shall be immune from civil liability for releasing information pursuant to this section, even if the information is erroneous, provided the Bureau acted in good faith and without malicious or willful intent to harm in releasing the information. (2012-135, s. 1(b); 2012-194, s. 65.5; 2013-20, s. 1.)

§ 58-36-20. Disapproval; hearing, order; adjustment of premium, review of filing.

(a) At any time within 50 days after the date of any filing, the Commissioner may give written notice to the Bureau specifying in what respect and to what extent the Commissioner contends the filing fails to comply with the requirements of this Article and fixing a date for hearing not less than 30 days from the date of mailing of such notice. Once begun, hearings must proceed without undue delay. At the hearing the burden of proving that the proposed rates are not excessive, inadequate, or unfairly discriminatory is on the Bureau. At the hearing the factors specified in G.S. 58-36-10 shall be considered. If the Commissioner after hearing finds that the filing does not comply with the provisions of this Article, he may issue his order determining wherein and to what extent such filing is deemed to be improper and fixing a date thereafter, within a reasonable time, after which the filing shall no longer be effective. In the event the Commissioner finds that the proposed rates are excessive, the Commissioner shall specify the overall rates, between the existing rates and the rates proposed by the Bureau filing, that may be used by the members of the Bureau instead of the rates proposed by the Bureau filing. In any such order, the Commissioner shall make findings of fact based on the evidence presented in the filing and at the hearing. Any order issued after a hearing shall be issued within 45 days after the

completion of the hearing. If no order is issued within 45 days after the completion of the hearing, the filing shall be deemed to be approved.

(b) In the event that no notice of hearing shall be issued within 50 days from the date of any such filing, the filing shall be deemed to be approved. If the Commissioner disapproves such filing pursuant to subsection (a) as not being in compliance with G.S. 58-36-10, he may order an adjustment of the premium to be made with the policyholder either by collection of an additional premium or by refund, if the amount exceeds five dollars (\$5.00). The Commissioner may thereafter review any filing in the manner provided; but if so reviewed, no adjustment of any premium on any policy then in force may be ordered.

(c) For workers' compensation insurance and employers' liability insurance written in connection therewith, the period between the date of any filing and the date the Commissioner may give written notice as described in subsection (a) of this section and the period between the date of any filing and the deadline for giving notice of hearing as described in subsection (b) of this section shall be 60 days. (1977, c. 828, s. 6; 1979, c. 824, s. 3; 1985, c. 666, s. 2; 1993, c. 409, s. 12; 2002-187, s. 4.2; 2009-472, s. 4; 2012-162, s. 2.)

§ 58-36-25. Appeal of Commissioner's order.

(a) Any order or decision of the Commissioner shall be subject to judicial review as provided in Article 2 of this Chapter.

(b) Whenever a Bureau rate is held to be unfairly discriminatory or excessive and no longer effective by order of the Commissioner issued under G.S. 58-36-20, the members of the Bureau, in accordance with rules and regulations established and adopted by the governing committee, shall have the option to continue to use such rate for the interim period pending judicial review of such order, provided each such member shall place in escrow account the purportedly unfairly discriminatory or excessive portion of the premium collected during such interim period. Upon a final determination by the Court, or upon a consent agreement or consent order between the Bureau and the Commissioner, the Commissioner shall order the escrowed funds to be distributed appropriately. If refunds are to be made to policyholders, the Commissioner shall order that the members of the Bureau refund the difference between the total premium per policy using the rate levels finally determined and the total premium per policy collected during the interim period pending judicial review, except that refund amounts that are five dollars (\$5.00) or less per policy shall not be required. The court may also require that purportedly excess premiums resulting from an adjustment of premiums ordered pursuant to G.S. 58-36-20(b) be placed in such escrow account pending judicial review. If refunds made to policyholders are ordered under this subsection, the amounts refunded shall bear interest at the rate determined under this subsection. That rate, to be computed by the Bureau, shall be the average of the prime rates on the effective date of the filing and each anniversary of that date occurring prior to the date of the Commissioner's order requiring refunds, with the prime rate on each of the dates being the average of the prime rates of the four largest banking institutions domiciled in this State as of that date, plus three percent (3%). (1977,

c. 828, s. 6; 1979, c. 824, s. 4; 1985 (Reg. Sess., 1986), c. 1027, ss. 3.1, 4; 1995, c. 517, s. 19.)

§ 58-36-30. Deviations.

(a) Except as permitted by G.S. 58-36-100 for workers' compensation loss costs filings, no insurer and no officer, agent, or representative of an insurer shall knowingly issue or deliver or knowingly permit the issuance or delivery of any policy of insurance in this State that does not conform to the rates, rating plans, classifications, schedules, rules and standards made and filed by the Bureau. An insurer may deviate from the rates promulgated by the Bureau if the insurer has filed the proposed deviation with the Bureau and the Commissioner, if the proposed deviation is based on sound actuarial principles, and if the proposed deviation is approved by the Commissioner. Amendments to deviations are subject to the same requirements as initial filings. An insurer may terminate a deviation only if the deviation has been in effect for a period of six months before the effective date of the termination and the insurer notifies the Commissioner of the termination no later than 15 days before the effective date of the termination.

(b) This subsection applies to insurance against loss to automobile physical damage and related expenses. A rate in excess of that promulgated by the Bureau may be charged by an insurer on any specific risk if the higher rate is charged in accordance with rules adopted by the Commissioner. An insurer shall give notice to the insured that the rates used to calculate the premium for the policy are greater than those rates that are applicable in the State of North Carolina by including the following language in the policy on page one of the declarations page or on a separate page before the declarations page, in at least 14 point type or in a font size larger than the remainder of the document whichever is larger, bolded, and all capitalized:

NOTICE: THE PREMIUM THAT WE ARE CHARGING FOR AUTOMOBILE PHYSICAL DAMAGE AND RELATED EXPENSES THAT COVERS THE DAMAGE TO YOUR COVERED VEHICLE(S) EXCEEDS THE PREMIUM BASED UPON THE APPROVED RATES IN NORTH CAROLINA, IN ACCORDANCE WITH G.S. 58-36-30(b).

The disclosure statement noted above in this subsection shall be included on any renewal of or endorsement to the policy when the rates charged exceed the approved manual rate. The insurer shall retain consent to rate information for each insured and make this information available to the Commissioner, upon request of the Commissioner. This subsection may also be used to provide motor vehicle liability coverage limits above those required under Article 9A of Chapter 20 of the General Statutes and above those that could be ceded to the North Carolina Reinsurance Facility under Article 37 of this Chapter to persons whose personal excess liability insurance policies require that they maintain specific higher liability coverage limits. Any data obtained by the Commissioner under this subsection is proprietary and confidential and is not a public record under G.S. 132-1 or G.S. 58-2-100.

(b1) This subsection applies only to insurance against loss to residential property with not more than four housing units. A rate in excess of that promulgated by the Bureau may be charged by an insurer on any specific risk if the higher rate is charged in accordance with

rules adopted by the Commissioner. An insurer shall give notice to the insured that the rates used to calculate the premium for the policy are greater than those rates that are applicable in the State of North Carolina by including the following language in the policy on page one of the declarations page or on a separate page before the declarations page, in at least 14 point type or in a font size larger than the remainder of the document whichever is larger, bolded, and all capitalized:

NOTICE: IN ACCORDANCE WITH G.S. 58-36-30(b1), THE PREMIUM BASED UPON THE APPROVED RATES IN NORTH CAROLINA FOR RESIDENTIAL PROPERTY INSURANCE COVERAGE APPLIED FOR WOULD BE \$____. OUR PREMIUM FOR THIS COVERAGE IS \$ ____.

The disclosure statement noted above in this subsection shall be included on any renewal of or endorsement to the policy when the rates charged exceed the approved manual rate. The insurer shall retain consent to rate information for each insured and make this information available to the Commissioner, upon request of the Commissioner. Any data obtained by the Commissioner under this subsection is proprietary and confidential and is not a public record under G.S. 132-1 or G.S. 58-2-100.

(b2) Notwithstanding subsection (b1) of this section, the Commissioner shall collect annually from all insurers and publish on the Department's Web site no later than July 1 the following data aggregated across all insurers for each geographical rate-making territory:

- (1) The percentage of policies for which a consent to rate has been obtained.
- (2) The average difference between the approved premium and the consented premium.

The Commissioner shall designate the format and manner to collect the data to be published.

Any nonaggregated data obtained by the Commissioner, including data identifying individual insurers or insureds, under this subsection is proprietary and confidential and is not a public record under G.S. 132-1 or G.S. 58-2-100. This subsection applies only to insurance against loss to residential real property with not more than four housing units.

(c) This subsection applies only to workers' compensation and employers' liability insurance written in connection therewith. A rate in excess of that promulgated by the Bureau may be charged by an insurer on any specific risk if the higher rate is charged in accordance with rules adopted by the Commissioner.

(d) Notwithstanding any other provision of law prohibiting insurance rate differentials based on age, with respect to nonfleet private passenger motor vehicle insurance under the jurisdiction of the Bureau, any member of the Bureau may apply for and use in this State, subject to the Commissioner's approval, a downward deviation in the rates for insureds who are 55 years of age or older. A member of the Bureau may condition a deviation under this subsection or a deviation under subsection (a) of this section on the successful completion of a motor vehicle accident prevention course that has been approved by the Commissioner of Motor Vehicles, as designated in the deviation.

(e) Each insurer shall collect the following consent to rate data for nonfleet private passenger motor vehicle physical damage and homeowners residential property with not more than four housing units (all forms, excluding HO4 and HO6) and transmit the data

electronically for each policy to the Commissioner on a semi-annual basis in a format prescribed and designated by the Commissioner:

- (13) Such other information that may be required by any rule adopted by the Commissioner. (1977, c. 828, s. 6; 1983, c. 162, ss. 1, 2; 1985, c. 666, s. 1; 1987, c. 869, s. 1; 1993, c. 409, s. 25; 1995, c. 517, ss. 20, 21; 1995 (Reg. Sess., 1996), c. 668, s. 1; 1999-132, ss. 3.7, 3.8; 2001-423, s. 1; 2016-78, s. 1.3(a); 2018-120, s. 3.1(a); 2019-179, s. 4(a)-(d).)

§ 58-36-35. Appeal to Commissioner from decision of Bureau.

(a) Any member of the Bureau may appeal to the Commissioner from any decision of the Bureau, except for a decision made under G.S. 58-36-1(2). After a hearing held on not fewer than 10 days' written notice to the appellant and to the Bureau, the Commissioner shall issue an order approving the decision or directing the Bureau to reconsider the decision. If the Commissioner directs the Bureau to reconsider the decision and the Bureau fails to take action satisfactory to the Commissioner, the Commissioner shall make such order as the Commissioner may see fit.

(b) No later than 20 days before the hearing, the appellant shall file with the Commissioner or the Commissioner's designated hearing officer and shall serve on the appellee a written statement of his case and any evidence the appellant intends to offer at the hearing. No later than five days before such hearing, the appellee shall file with the Commissioner or the Commissioner's designated hearing officer and shall serve on the appellant a written statement of the appellee's case and any evidence the appellee intends to offer at the hearing. Each such hearing shall be recorded and transcribed. The cost of the recording and transcribing shall be borne equally by the appellant and appellee; provided that upon any final adjudication the prevailing party shall be reimbursed for his share of such costs by the other party. Each party shall, on a date determined by the Commissioner or the Commissioner's designated hearing officer, but not sooner than 15 days after delivery of the completed transcript to the party, submit to the Commissioner or the Commissioner's designated hearing officer and serve on the other party, a proposed order. The Commissioner or the Commissioner's designated hearing officer shall then issue an order.

(1977, c. 828, s. 6; 1989, c. 485, s. 28; 1989 (Reg. Sess., 1990), c. 1069, s. 16; 2001-232, s. 3.)

§ 58-36-40. Existing rates, rating systems, territories, classifications and policy forms.

Rates, rating systems, territories, classifications and policy forms lawfully in use on September 1, 1977, may continue to be used thereafter, notwithstanding any provision of this Article. (1977, c. 828, s. 6.)

§ 58-36-41. Development of policy endorsement for exclusive use of original equipment manufactured crash parts.

The Rate Bureau shall develop an optional policy endorsement to be filed with the Commissioner for approval that permits policyholders to elect nonfleet private passenger motor vehicle physical damage coverage specifying the exclusive use of original equipment manufactured crash parts. (2003-395, s. 3.)

§ 58-36-42. Development of policy form or endorsement for residential property insurance that does not include coverage for perils of windstorm or hail.

With respect to residential property insurance under its jurisdiction, the Bureau shall develop an optional policy form or endorsement to be filed with the Commissioner for approval that provides residential property insurance coverage in the coastal and beach areas defined in G.S. 58-45-5(2) and (2b) without coverage for the perils of windstorm or hail. Insurers that sell such policies shall comply with the provisions of G.S. 58-44-60 and through such compliance shall be deemed to have given notice to all insured and persons claiming benefits under such policies that such policies do not include coverage for the perils of windstorm or hail. (2012-162, s. 4; 2013-199, s. 8.)

§ 58-36-43. Optional program enhancements authorized not altering coverage under Rate Bureau jurisdiction.

(a) Member companies writing private passenger automobile, homeowners', dwelling, or residential private flood insurance under this Article may incorporate optional enhancements to their automobile, homeowners', dwelling, and residential private flood programs as an endorsement to an automobile, homeowners', dwelling, or residential private flood policy issued under this Article if the insurer has filed the proposed enhancement with the Commissioner and if the proposed enhancement is approved by the Commissioner. Any approved optional enhancements shall be considered outside the authority of the Rate Bureau. If the proposed enhancement will include an additional premium charge, the proposed premium charge shall be included with the proposed program enhancements filed with the Commissioner. The Commissioner shall review the proposed premium charges and approve them if the Commissioner finds that they are based on sound actuarial principles. Amendments to private passenger automobile, homeowners', dwelling, or residential private flood program enhancements are subject to the same requirements as initial filings. Neither the acceptance, renewal of a policy, nor any underwriting rating criteria shall be conditioned by a company upon the acceptance by the

policyholder of any optional automobile, homeowners', dwelling, or residential private flood enhancements. A rate amendment authorized by this section is not a rate deviation and is not subject to the requirements for rate deviations set forth in G.S. 58-36-30(a).

(b) Insurers shall utilize statistical codes outlined by their statistical organization in reporting premiums and losses resulting from program enhancements filed under this section. Those statistical codes shall be substantially different than the codes utilized for data collected for rate-making purposes in order to avoid commingling of the data. (2015-146, s. 5; 2022-46, s. 11.)

§ 58-36-44. Development of policy form or endorsement for personal liability insurance for foster parents.

(a) The Rate Bureau shall develop an optional policy form or endorsement to be filed with the Commissioner for approval no later than May 1, 2016, that provides liability insurance for foster parents licensed under Article 1A of Chapter 131D of the General Statutes to provide foster care in a family foster home or therapeutic foster home. The policy form or endorsement shall provide coverage for acts or omissions of the foster parent while the parent is acting in the foster parent's capacity as a foster parent in a licensed family foster home or therapeutic foster home licensed under Article 1A of Chapter 131D of the General Statutes.

(b) Nothing in this section is intended to require that the liability insurance policy or endorsement required by this section cover an act or omission that results from any action or inaction of gross negligence, willful and wanton conduct, or intentional wrongdoing that results in injury to the child. (2015-135, s. 3.1.)

§ 58-36-45. Notice of coverage or rate change.

Whenever an insurer changes the coverage other than at the request of the insured or changes the premium rate, it shall give the insured written notice of such coverage change or premium rate change at least 15 days in advance of the effective date of such change or changes with a copy of such notice to the insurance producer. This section shall apply to all policies and coverages subject to the provisions of this Article except workers' compensation insurance and employers' liability insurance written in connection therewith. (1977, c. 828, s. 6; 1985, c. 666, s. 4; 2022-46, s. 14(qq).)

§ 58-36-60. Payment of dividends not prohibited or regulated; plan for payment into rating system.

Nothing in this Article will be construed to prohibit or regulate the payment of dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers. Individual policyholder loss experience may be considered as a factor in determining dividends for workers' compensation insurance and employers' liability insurance written in connection therewith. A plan for the payment of dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers will not be deemed a rating plan or system. (1979, c. 824, s. 6; 1983, c. 374, s. 1.)

§ 58-36-65. Classifications and Safe Driver Incentive Plan for nonfleet private passenger motor vehicle insurance.

(a) The Bureau shall file, subject to review, modification, and promulgation by the Commissioner, such rate classifications, schedules, or rules that the Commissioner deems to be desirable and equitable to classify drivers of nonfleet private passenger motor vehicles for insurance purposes. Subsequently, the Commissioner may require the Bureau to file modifications of the classifications, schedules, or rules. If the Bureau does not file the modifications within a reasonable time, the Commissioner may promulgate the modifications. In promulgating or modifying these classifications, schedules, or rules, the Commissioner may give consideration to the following:

- (1) Uses of vehicles, including without limitation to farm use, pleasure use, driving to and from work, and business use;
- (2) Principal and occasional operation of vehicles;
- (3) Years of driving experience of insureds as licensed drivers;
- (4) The characteristics of vehicles; or
- (5) Any other factors, not in conflict with any law, deemed by the Commissioner to be appropriate.

(b) The Bureau shall file, subject to review, modification, and promulgation by the Commissioner, a Safe Driver Incentive Plan ("Plan") that adequately and factually distinguishes among various classes of drivers that have safe driving records and various classes of drivers that have a record of at-fault accidents; a record of convictions of major moving traffic violations; a record of convictions of minor moving traffic violations; or a combination thereof; and that provides for premium differentials among those classes of drivers. Subsequently, the Commissioner may require the Bureau to file modifications of the Plan. If the Bureau does not file the modifications within a reasonable time, the Commissioner may promulgate the modifications. The Commissioner is authorized to structure the Plan to provide for surcharges above and discounts below the rate otherwise charged.

(c) The classifications and Plan filed by the Bureau shall be subject to the filing, hearing, modification, approval, disapproval, review, and appeal procedures provided by law; provided that the 210-day disapproval period in G.S. 58-36-20(a) and the 50-day deemer period in G.S. 58-36-20(b) do not apply to filings or modifications made under this section. The classifications or Plan filed by the Bureau and promulgated by the Commissioner shall of itself not be designed to bring about any increase or decrease in the overall rate level.

(d) Whenever any policy loses any safe driver discount provided by the Plan or is surcharged due to an accumulation of points under the Plan, the insurer shall, pursuant to rules adopted by the Commissioner, prior to or simultaneously with the billing for additional premium, inform the named insured of the surcharge or loss of discount by mailing to such insured a notice that states the basis for the surcharge or loss of discount, and that advises that upon receipt of a written request from the named insured it will promptly mail to the named insured a statement of the amount of increased premium attributable to the surcharge or loss of discount. The statement of the basis of the surcharge or loss of discount is privileged, and does not constitute grounds for any cause of action for defamation or invasion of privacy against the insurer or its representatives, or against any person who furnishes to the insurer the information upon which the insurer's reasons are based, unless the statement or furnishing of information is made with malice or in bad faith.

(e) Records of convictions for moving traffic violations to be considered under this section shall be obtained at least annually from the Division of Motor Vehicles and applied by the Bureau's member companies in accordance with rules to be established by the Bureau. Prior to the sale of a new policy of motor vehicle insurance, records of convictions for moving traffic violations shall be obtained in accordance with rules established by the Bureau. Such rules shall permit a reasonable period for underwriting review following the binding of coverage in the event access to such records of convictions are unavailable at the time of sale or the applicant has provided incorrect or incomplete data necessary to access such records of convictions.

(f) The Bureau is authorized to establish reasonable rules providing for the exchange of information among its member companies as to chargeable accidents and similar information involving persons to be insured under policies. Neither the Bureau, any employee of the Bureau, nor any company or individual serving on any committee of the Bureau has any liability for defamation or invasion of privacy to any person arising out of the adoption, implementation, or enforcement of any such rule. No insurer or individual requesting, furnishing, or otherwise using any information that such insurer or person reasonably believes to be for purposes authorized by this section has any liability for defamation or invasion of privacy to any person on account of any such requesting, furnishing, or use. The immunity provided by this subsection does not apply to any acts made with malice or in bad faith.

(g) If an applicant for the issuance or renewal of a nonfleet private passenger motor vehicle insurance policy knowingly makes a material misrepresentation of the years of driving experience or the driving record of any named insured or of any other operator who

resides in the same household and who customarily operates a motor vehicle to be insured under the policy, the insurer may:

- (1) Cancel or refuse to renew the policy;
- (2) Surcharge the policy in accordance with rules to be adopted by the Bureau and approved by the Commissioner; or
- (3) Recover from the applicant the appropriate amount of premium or surcharge that would have been collected by the insurer had the applicant furnished the correct information.

(h) If an insured disputes his insurer's determination that the operator of an insured vehicle was at fault in an accident, such dispute shall be resolved pursuant to G.S. 58-36-1(2), unless there has been an adjudication or admission of negligence of such operator.

(i) As used in this section, "conviction" means a conviction as defined in G.S. 20-279.1 and means an infraction as defined in G.S. 14-3.1.

(j) Subclassification plan surcharges shall be applied to a policy for a period of not less nor more than three policy years.

(k) The subclassification plan may provide for premium surcharges for insureds having less than three years' driving experience as licensed drivers.

(l) Except as provided in G.S. 58-36-30(d), no classification or subclassification plan for nonfleet private passenger motor vehicle insurance shall be based, in whole or in part, directly or indirectly, upon the age or gender of insureds.

(m) Notwithstanding any other provision of law, with respect to motorcycle insurance under the jurisdiction of the Bureau, any member of the Bureau may apply for and use in this State, subject to the Commissioner's approval, a downward deviation in the rates of insureds who show proof of satisfactory completion of the Motorcycle Safety Instruction Program or a comparable motorcycle safety program provided by federally certified instructors for members of the military. (1985 (Reg. Sess., 1986), c. 1027, s. 1; 1987, c. 864, ss. 28, 33; c. 869, s. 9; 1987 (Reg. Sess., 1988), c. 975, ss. 4, 5; 1989, c. 755, s. 3; 1993, c. 320, s. 5; 2002-187, s. 4.3; 2012-176, s. 1; 2018-120, s. 4.9(a).)

§ 58-36-70. Rate filings and hearings for motor vehicle insurance.

(a) With respect to nonfleet private passenger motor vehicle insurance, except as provided in G.S. 58-36-25, a filing made by the Bureau under G.S. 58-36-15(d) is not effective until approved by the Commissioner or unless 60 days have elapsed since the making of a proper filing under that subsection and the Commissioner has not called for a hearing on the filing. If the Commissioner calls for a hearing, he must give written notice to the Bureau, specify in the notice in what respect the filing fails to comply with this Article, and fix a date for the hearing that is not less than 30 days from the date the notice is mailed.

(b) At least 15 days before the date set for the convening of the hearing the respective staffs and consultants of the Bureau and Commissioner shall meet at a prehearing conference to review the filing and discuss any points of disagreement that are likely to be in issue at the hearing. At the prehearing conference, the parties shall list the

names of potential witnesses and, where possible, stipulate to their qualifications as expert witnesses, stipulate to the sequence of appearances of witnesses, and stipulate to the relevance of proposed exhibits to be offered by the parties. Minutes of the prehearing conference shall be made and reduced to writing and become part of the hearing record. Any agreements reached as to preliminary matters shall be set forth in writing and consented to by the Bureau and the Commissioner. The purpose of this subsection is to avoid unnecessary delay in the rate hearings.

(c) Once begun, hearings must proceed without undue delay. At the hearing the burden of proving that the proposed rates are not excessive, inadequate, or unfairly discriminatory is on the Bureau. The Commissioner may disregard at the hearing any exhibits, judgments, or conclusions offered as evidence by the Bureau that were developed by or available to or could reasonably have been obtained or developed by the Bureau at or before the time the Bureau made its proper filing and which exhibits, judgments, or conclusions were not included and supported in the filing; unless the evidence is offered in response to inquiries made at the hearing by the Department, the notice of hearing, or as rebuttal to the Department's evidence. If relevant data becomes available after the filing has been properly made, the Commissioner may consider such data as evidence in the hearing. The order of presenting evidence shall be (1) by the Bureau; (2) by the Department; (3) any rebuttal evidence by the Bureau regarding the Department's evidence; and (4) any rebuttal evidence by the Department regarding the Bureau's rebuttal evidence. Neither the Bureau nor the Department shall present repetitious testimony or evidence relating to the same issues.

(d) If the Commissioner finds that a filing complies with the provisions of this Article, either after the hearing or at any other time after the filing has been properly made, he may issue an order approving the filing. If the Commissioner after the hearing finds that the filing does not comply with the provisions of this Article, he may issue an order disapproving the filing, determining in what respect the filing is improper, and specifying the appropriate rate level or levels that may be used by the members of the Bureau instead of the rate level or levels proposed by the Bureau filing, unless there has not been data admitted into evidence in the hearing that is sufficiently credible for arriving at the appropriate rate level or levels. Any order issued after a hearing shall be issued within 45 days after the completion of the hearing. If no order is issued within 45 days after the completion of the hearing, the filing shall be deemed to be approved. The Commissioner may thereafter review any filing in the manner provided; but if so reviewed, no adjustment of any premium on any policy then in force may be ordered. The escrow provisions of G.S. 58-36-25(b) apply to any order of the Commissioner under this subsection.

(e) No person shall willfully withhold information required by this Article from or knowingly furnish false or misleading information to the Commissioner, any statistical agency designated by the Commissioner, any rating or advisory organization, the Bureau, the North Carolina Motor Vehicle Reinsurance Facility, or any insurer, which information affects the rates, rating plans, classifications, or policy forms subject to this Article or Article 37 of this Chapter. (1985 (Reg. Sess., 1986), c. 1027, s. 5; 1987, c. 864, s. 65; 1987 (Reg. Sess., 1988), c. 975, s. 6; 1989 (Reg. Sess., 1990), c. 1069, s. 23; 1995, c. 507, s. 11A(c).)

§ 58-36-75. At-fault accidents and certain moving traffic violations under the Safe Driver Incentive Plan.

(a) The subclassification plan promulgated pursuant to G.S. 58-36-65(b) may provide for separate surcharges for major, intermediate, and minor accidents. A "major accident" is an at-fault accident that results in either (i) bodily injury or death or (ii) only property damage of three thousand eight hundred fifty dollars (\$3,850) or more. An "intermediate accident" is an at-fault accident that results in only property damage of more than two thousand three hundred dollars (\$2,300) but less than three thousand eight hundred fifty dollars (\$3,850). A "minor accident" is an at-fault accident that results in only property damage of two thousand three hundred dollars (\$2,300) or less. The subclassification plan may also exempt certain minor accidents from the Facility recoupment surcharge. The Bureau shall assign varying Safe Driver Incentive Plan point values and surcharges for bodily injury in at-fault accidents that are commensurate with the severity of the injury, provided that the point value and surcharge assigned for the most severe bodily injury shall not exceed the point value and surcharge assigned to a major accident involving only property damage.

(a1) The subclassification plan shall provide that there shall be no premium surcharge, increase in premium on account of cession to the Reinsurance Facility, or assessment of points against an insured where: (i) the insured is involved and is at fault in a "minor accident," as defined in subsection (a) of this section; (ii) the insured is not convicted of a moving traffic violation in connection with the accident; (iii) neither the vehicle owner, principal operator, nor any licensed operator in the owner's household has a driving record consisting of one or more convictions for a moving traffic violation or one or more at-fault accidents during the three-year period immediately preceding the date of the application for a policy or the date of the preparation of the renewal of a policy; and (iv) the insured has been covered by liability insurance with the same company or company group continuously for at least the six months immediately preceding the accident. Notwithstanding (iv) of this subsection, if the insured has been covered by liability insurance with the same company or company group for at least six continuous months, some or all of which were after the accident, the insurance company shall remove any premium surcharge or assessment of points against the insured if requirements (i), (ii), and (iii) of this subsection are met. Also notwithstanding (iv) of this subsection, an insurance company may choose not to assess a premium surcharge or points against an insured who has been covered by liability insurance with that company or with the company's group for less than six months immediately preceding the accident, if requirements (i), (ii), and (iii) are met.

(a2) The subclassification plan shall provide that there shall be no premium surcharge or assessment of points against an insured where (i) the insured's driver's license has been revoked under G.S. 20-16.5; and (ii) the insured is subsequently acquitted of the offense involving impaired driving, as defined in G.S. 20-4.01(24a), that is related to the revocation, or the charge for that offense is dismissed. In addition, no insurer shall use, for rating, underwriting, or classification purposes, including ceding any risk to the Facility or

writing any kind of coverage subject to this Article, any license revocation under G.S. 20-16.5 if the insured is acquitted or the charge is dismissed as described in this subsection.

(b) Repealed by Session Laws 1999-294, s. 12(a), effective July 14, 1999.

(c) Repealed by Session Laws 1999-132, s. 8.1, effective June 4, 1999.

(d) There shall be no Safe Driver Incentive Plan surcharges under G.S. 58-36-65 for accidents occurring when only operating a firefighting, rescue squad, or law enforcement vehicle in accordance with G.S. 20-125(b) and in response to an emergency if the operator of the vehicle at the time of the accident was a paid or volunteer member of any fire department, rescue squad, or any law enforcement agency. This exception does not include an accident occurring after the vehicle ceases to be used in response to the emergency and the emergency ceases to exist.

(e) Repealed by Session Laws 1999-294, s. 12(a), effective July 14, 1999.

(f) The subclassification plan shall provide that with respect to a conviction for a "violation of speeding 10 miles per hour or less over the speed limit" there shall be no premium surcharge nor any assessment of points unless there is a driving record consisting of a conviction or convictions for a moving traffic violation or violations, except for a prayer for judgment continued for any moving traffic violation, during the three years immediately preceding the date of application or the preparation of the renewal. The subclassification plan shall also provide that with respect to a prayer for judgment continued for any moving traffic violation, there shall be no premium surcharge nor any assessment of points unless the vehicle owner, principal operator, or any licensed operator in the owner's household has a driving record consisting of a prayer or prayers for judgment continued for any moving traffic violation or violations during the three years immediately preceding the date of application or the preparation of the renewal. For the purpose of this subsection, a "prayer for judgment continued" means a determination of guilt by a jury or a court though no sentence has been imposed. For the purpose of this subsection, a "violation of speeding 10 miles per hour or less over the speed limit" does not include the offense of speeding in a school zone in excess of the posted school zone speed limit.

(f1) The subclassification plan shall provide that in the event an insured is at fault in an accident and is convicted of a moving traffic violation in connection with the accident, only the higher plan premium surcharge between the accident and the conviction shall be assessed on the policy.

(g) As used in this section "conviction" means a conviction as defined in G.S. 20-279.1 and means an infraction as defined in G.S. 14-3.1.

(h) The North Carolina Rate Bureau shall assign one insurance point under the Safe Driver Incentive Plan for persons who fail to yield to a pedestrian under G.S. 20-158(b)(2)b. (1987, c. 869, s. 6; 1991, c. 101, s. 1; c. 713, s. 1; c. 720, s. 90; 1991 (Reg. Sess., 1992), c. 837, s. 11; c. 997, s. 1; 1993, c. 285, s. 11; 1995 (Reg. Sess., 1996), c. 730, s. 3; 1997-332, s. 1; 1997-443, s. 19.26(d); 1999-132, s. 8.1; 1999-294, s. 12(a), (b); 2003-137, s. 1; 2004-172, s. 4; 2015-241, s. 20.3(a); 2015-268, s. 7.1; 2016-78, s. 1.1.)

§ 58-36-80. Coverage for damage to rental vehicles authorized.

As used in this section, "property damage" means damage or loss to a rented vehicle in excess of two hundred fifty dollars (\$250.00), including loss of use and any costs or expenses incident to the damage or loss, for which the renter is legally obligated to pay; and "rented" means rented on a daily rate basis for a period of 21 consecutive days or less. The Bureau is authorized to promulgate rates and policy forms for insurance against property damage to rented private passenger motor vehicles. Such coverage may be offered at the option of the individual member companies of the Bureau. (1989, c. 631, s. 1; 1989 (Reg. Sess., 1990), c. 1021, s. 10.)

§ 58-36-85. Termination of a nonfleet private passenger motor vehicle insurance policy.

(a) Definitions. – The following definitions apply in this section:

(1) Policy. – A nonfleet private passenger motor vehicle liability insurance policy, including a policy that provides medical payments, uninsured motorist, or underinsured motorist coverage, whose named insured is one individual or two or more individuals who reside in the same household.

(2) Terminate. – To cancel or refuse to renew a policy.

(b) Termination Restrictions. – An insurer shall not terminate a policy for a reason that is not specified in G.S. 58-2-164(g), 58-36-65(g), or 58-37-50. A termination of a policy is not effective unless the insurer either has notified a named insured of the termination by sending a written termination notice by first class mail to the insured's last known address or is not required by this subsection to send a written termination notice. Proof of mailing of a written termination notice is proof that the notice was sent.

An insurer is not required to send a written termination notice if any of the following applies:

(1) The insurer has manifested its willingness to renew the policy by issuing or offering to issue a renewal policy, a certificate, or other evidence of renewal.

(2) The insurer has manifested its willingness to renew the policy by any means not described in subdivision (1) of this subsection, including mailing a premium notice or expiration notice by first class mail to the named insured and the failure of the insured to pay the required premium on or before the premium due date.

(3) A named insured has given written notification to the insurer or its agent that the named insured wants the policy to be terminated.

(c) Contents of Notice. – The form of a written termination notice used by an insurer must be approved by the Commissioner before it is used. A written termination notice must state the reason for the termination and the date the termination is effective. If the policy is terminated for nonpayment of the premium, the effective date may be 15 days from the date the notice is mailed. If the policy is terminated for any other reason, the effective date must be at least 60 days after the notice is mailed. A written termination notice must include or be accompanied by a statement that advises the insured of the penalty for driving a vehicle without complying with Article 13 of Chapter 20 of the General Statutes and that the insured has the right to request the Department to review the termination.

(d) Request for Review. – An insured who receives from an insurer a written termination notice may obtain review of the termination by filing with the Department a written request for review within 10 days after receiving a termination notice that complies with subsection (c) of this section. An insured who does not file a request within the required time waives the right to a review.

(e) Administrative Review. – When the Department receives a written request to review a termination, it must investigate and determine the reason for the termination. The Department shall issue a letter requiring one of the following upon completing its review:

- (1) Approval of the termination, if it finds the termination complies with the law.
- (2) Renewal or reinstatement of the policy, if it finds the termination does not comply with the law.
- (3) Renewal or reinstatement of the policy and payment by the insurer of the costs of the Department's review, not to exceed one thousand dollars (\$1,000), if it finds the termination does not comply with the law and the insurer willfully violated this section.

The Department shall mail the letter to the insured and the insurer. An insured or an insurer who disagrees with the determination of the Department in the letter may file a petition for a contested case under Article 3A of Chapter 150B of the General Statutes and the rules adopted by the Commissioner to implement that Article. The petition must be filed within 30 days after receiving the copy of the letter.

(f) Delegation. – The Commissioner shall designate an employee or a deputy to conduct the departmental review of a termination. The Commissioner may designate a deputy to conduct a contested case hearing concerning a termination. The Commissioner may not designate a deputy who conducted the departmental review of a termination to conduct a contested case hearing concerning the same termination.

(g) Effect of Review on Policy. – A policy shall remain in effect during administrative and judicial review of an insurer's action to terminate the policy.

(h) Liability Limit. – There is no liability on the part of and no cause of action for defamation or invasion of privacy arises against an insurer, an insurer's authorized representatives, agents, or employees, or a licensed insurance producer for a communication or statement made concerning a written notice of termination.

(i) Records. – An insurer shall keep a record of a termination for three years. (1993 (Reg. Sess., 1994), c. 761, s. 30; 1995, c. 517, s. 22; 2008-124, s. 4.2; 2022-46, s. 14(rr).)

§ 58-36-87. Affiliate transfer of policies.

Delivery by an insurer of a policy superseding a policy previously issued by the insurer at the end of the previously issued policy period is not a refusal to renew when it is delivered by:

- (1) The same insurer; or
- (2) An affiliate or subsidiary, as those terms are defined in G.S. 58-19-5, that has a financial strength rating, issued by an industry-recognized independent insurance rating company, which financial strength rating is at least as good as the insurer issuing the superseded policy. The provisions of G.S. 58-36-110 and

G.S. 58-36-85 apply to the affiliate or subsidiary as if it were the same insurer issuing the policy. (2015-264, s. 44.5(a); 2016-78, s. 6.2.)

§ 58-36-90. Prohibitions on using credit scoring to rate noncommercial private passenger motor vehicle and residential property insurance; exceptions.

(a) Definitions. – As used in this section:

- (1) "Adverse action" has the same meaning as in section 1681a(k) of the federal Fair Credit Reporting Act and includes a denial or cancellation of, an increase in any charge for, or a reduction or other adverse or unfavorable change in the terms of coverage or amount of any insurance, existing or applied for, in connection with the underwriting of insurance.
- (2) "Credit report" means any written, oral, or other communication of any information by a consumer reporting agency that bears on a consumer's credit worthiness, credit standing, or credit capacity. Credit report does not include accident or traffic violation records as maintained by the North Carolina Division of Motor Vehicles or any other law enforcement agency, a property loss report or claims history that does not include information that bears on a consumer's credit worthiness, credit standing, or credit capacity, or any report containing information solely as to transactions or experiences between the consumer and the person making the report.
- (3) "Credit score" means a score that is derived by utilizing data from an individual's credit report in an algorithm, computer program, model, or other process that reduces the data to a number or rating.
- (4) "Noncommercial private passenger motor vehicle" means a "private passenger motor vehicle," as defined by G.S. 58-40-10, that is neither insured under a commercial policy nor used for commercial purposes.
- (5) "Private passenger motor vehicle" has the same meaning as set forth in G.S. 58-40-10.
- (6) "Residential property" means real property with not more than four housing units located in this State, the contents thereof and valuable interest therein, and insurance coverage written in connection with the sale of that property. It also includes mobile homes, modular homes, townhomes, condominiums, and insurance on contents of apartments and rental property used for residential purposes.

(b) Prohibitions; Exceptions. – In the rating and underwriting of noncommercial private passenger motor vehicle and residential property insurance coverage, insurers shall not use credit scoring as the sole basis for terminating an existing policy or any coverage in an existing policy or subjecting a policy to consent to rate as specified in G.S. 58-36-30(b) without consideration of any other risk factors, but insurers may use credit scoring as the sole basis for discounting rates. For purposes of this subsection only, "existing policy" means a policy that has been in effect for more than 60 days.

(c) Notification. – If a credit report is used in conjunction with other criteria to take an adverse action, the insurer shall provide the applicant or policyholder with written notice of the action taken, in a form approved by the Commissioner. The notification shall include, in easily understandable language:
