

§ 106-245.33. Report and payment of tax by handler; definition and functions of handler.

(a) The tax imposed by this Article is payable monthly to the Department by the handler of eggs or processed eggs. The tax is due when a report is required to be filed. A handler shall file a report with the Department on a form provided by the Department within 20 days after the end of each month. The report shall state the volume of eggs or processed eggs handled by the handler during the preceding month.

(b) The term "handler" means any person who operates a grading station in North Carolina, a packer, huckster, or distributor who handles eggs in North Carolina, a farmer who packs, processes, or otherwise performs the functions of a handler in North Carolina, or a distributor or seller of processed eggs. The term "handler" includes any person in North Carolina who purchases eggs for sale or distribution or any farmer in North Carolina who sells or distributes eggs to anyone other than a registered handler.

For purposes of this Article, the functions of a handler of eggs or processed eggs include the sale, distribution, or other disposition of eggs or processed eggs in North Carolina regardless of where the eggs or processed eggs were produced or purchased.

The term "registered handler" means any person who has registered with the Department to receive monthly return forms for reporting the tax levied by this Article.

Every person, whether inside or outside the State, who engages in business in North Carolina as a handler is required to register and to collect and pay the tax due on all eggs or processed eggs sold for use in this State. A handler shall maintain a certificate of registration, file returns, and perform all other duties required of handlers. (1987, c. 815, s. 1; 1989 (Reg. Sess., 1990), c. 1001, s. 2.)
