(c) When the proposed project requires condemnation of a portion of a building or other structure, the condemnor may acquire the entire building or structure by purchase or condemnation, together with the right to enter upon the surrounding land for the purpose of removing the building or structure. - (2) That it is not feasible to cut off a portion of the building or structure without destroying the whole; or
- (3) That the convenience, safety, or improvement of the project will be promoted by acquiring the entire building or structure. Nothing in this subsection shall be deemed to compel the condemnor to condemn the underlying fee of the portion of any building or structure that lies outside the project. (1981, c. 919, s. 1.)
