

§ 62-262. Applications and hearings other than for bus companies.

(a) Except as otherwise provided in G.S. 62-260[,] G.S. 62-262.1 and 62-265, no person shall engage in the transportation of passengers or household goods in intrastate commerce unless such person shall have applied to and obtained from the Commission a certificate authorizing such operations, and it shall be unlawful for any person knowingly or wilfully to operate in intrastate commerce in any manner contrary to the provisions of this Article, or of the rules and regulations of the Commission. No certificate shall be amended so as to enlarge or in any manner extend the scope of operations of a motor carrier without complying with the provisions of this section.

(b) Upon the filing of an application for a certificate, the Commission shall, within a reasonable time, fix a time and place for hearing such application. The Commission shall from time to time prepare a truck calendar containing notice of such hearings, a copy of which shall be mailed to the applicant and to any other persons desiring it, upon payment of charges to be fixed by the Commission. The notice or calendar herein required shall be mailed at least 20 days prior to the date fixed for the hearing, but the failure of any person, other than applicant, to receive such notice or calendar shall not, for that reason, invalidate the action of the Commission in granting or denying the application.

(c) The Commission may, in its discretion, except where a regular calendar providing notice is issued, require the applicant to give notice of the time and place of such hearing together with a brief description of the purpose of said hearing and the exact route or routes and authority applied for, to be published not less than once each week for two successive weeks in one or more newspapers of general circulation in the territory proposed to be served. The Commission may in its discretion require the applicant to give such other and further notice in the form and manner prescribed by the Commission to the end that all interested parties and the general public may have full knowledge of such hearing and its purpose. If the Commission requires the applicant to give notice by publication, then a copy of such notice shall be immediately mailed by the applicant to the Commission, and upon receipt of same the chief clerk shall cause the copy of notice to be entered in the Commission's docket of pending proceedings. The applicant shall, prior to any hearing upon his application, be required to satisfy the Commission that such notice by publication has been duly made, and in addition to any other fees or costs required to be paid by the applicant, the applicant shall pay into the office of the Commission the cost of the notices herein required to be mailed by the Commission.

(d) Any motor carrier desiring to protest the granting of an application for a certificate, in whole, or in part, may become a party to such proceedings by filing with the Commission, not less than 10 days prior to the date fixed for the hearing, unless the time be extended by order of the Commission, its protest in writing under oath, containing a general statement of the grounds for such protest and the manner in which the protestant will be adversely affected by the granting of the application in whole or in part. Such protestant may also set forth in his protest its proposal, if any, to render either alone or in conjunction with other motor carriers, the service proposed by the applicant, either in whole or in part. Upon the filing of such protest it shall be the duty of the protestant to file three copies with the Commission, and the protestant shall certify that a copy of said protest has been delivered or mailed to the applicant or applicant's attorney. When no protest is filed with the Commission within the time herein limited, or as extended by order of the Commission, the Commission may proceed to decide the application on the basis of testimony taken at a hearing, or on the basis of information contained in the application and sworn affidavits, and make the necessary findings of fact and issue or decline to issue the certificate applied for without further notice. Persons other than motor carriers shall have the right to appear before the Commission and give evidence in favor

of or against the granting of any application and with permission of the Commission may be accorded the right to examine and cross-examine witnesses.

(e) The burden of proof shall be upon the applicant for a certificate to show to the satisfaction of the Commission:

- (1) That public convenience and necessity require the proposed service in addition to existing authorized transportation service, and
- (2) That the applicant is fit, willing and able to properly perform the proposed service, and
- (3) That the applicant is solvent and financially able to furnish adequate service on a continuing basis.

(f) to (h) Repealed by Session Laws 1985, c. 676, s. 19.

(i), (j) Repealed by Session Laws 1995, c. 523, s. 18.

(k) The Commission shall by general order, or rule, having regard for the public convenience and necessity, provide for the abandonment or permanent or temporary discontinuance of transportation service previously authorized in a certificate.

(l) The provisions of this section shall not be applicable to applications for certificates of authority by bus companies or related hearings.
