22 the amount of an individual's total net income of the business, as modified in G.S. 105-153.5 and
23 G.S. 105-153.6, that is includable in the numerator is determined in accordance with the
24 provisions of G.S. 105-130.4. As used in this subsection, total net income means the entire gross
25 income of the business less all expenses, taxes, interest, and other deductions allowable under
26 the Code that were incurred in the operation of the business."

27 **SECTION 1.4.** G.S. 105-153.9 is amended by adding a new subsection to read:

2 pay with the return the tax on each nonresident owner or partner's share of the income computed
3 at the rate levied on individuals under G.S. 105-153.7. The business may deduct the payment for
4 each nonresident owner or partner from the owner or partner's distributive share of the income
5 of the business in this State. The Secretary may enforce the business's liability for the tax on each
6 nonresident owner or partner's share of the income by sending the business a notice of proposed
7 assessment in accordance with G.S. 105-241.9. If the nonresident partner is not an individual and

11 the business shall include a copy of the affirmation with the report required by this subsection.
12 The affirmation must be annually filed by the nonresident partner and submitted by the due date
13 of the report required in this subsection. Otherwise, the business is required to pay the tax on the
14 nonresident partner's share. Notwithstanding the provisions of G.S. 105-241.7(b), the business
15 may not request a refund of an overpayment made on behalf of a nonresident owner or partner if
16 the business has previously filed the return and paid the tax due. The nonresident owner or partner
17 may, on its own income tax return, request a refund of an overpayment made on its behalf by the
18 business within the provisions of G.S. 105-241.6. This subsection does not apply to a partnership
19 with respect to any taxable period for which it is a ~~taxed partnership~~ partnership unless the taxed
20 partnership has a partner described in G.S. 105-154.1(a)(5). If a taxed partnership has a partner
21 described in G.S. 105-154.1(a)(5), this subsection applies to the taxed partnership with respect
22 to the partner described in G.S. 105-154.1(a)(5)."

32 shareholders, and was included in the taxpayer's adjusted gross income subject

 27 where the partnership was subject to an entity-level tax levied on the aggregate distributive share
 28 of the partnership's income allocable to one or more of its partners. A partnership is taxable in
 29 another state or the District of Columbia if the partnership's business activity in that state or the

17 payments without a corresponding federal return and payment, the extension granted for
18 individual income tax returns and payments by the Internal Revenue Service under section 7508A
19 of the Code applies. For the purpose of this section, "presidentially declared disaster" has the
20 same meaning as in section 1033(h)(3) of the Code."

26 **SECTION 2.1.(a)** G.S. 105-164.3(179) reads as rewritten:

27 "(179) Prepared food. – ~~Food that meets at least one of the conditions of this~~
28 ~~subdivision. Prepared food does not include food the retailer sliced,~~

30 ~~utensils.~~Defined in G.S. 105-164.4L.

31 a. ~~It is sold in a heated state or it is heated by the retailer.~~

32 b. ~~It consists of two or more foods mixed or combined by the retailer for~~
33 ~~sale as a single item. This sub-subdivision does not include foods~~
34 ~~containing raw eggs, fish, meat, or poultry that require cooking by the~~
35 ~~consumer as recommended by the Food and Drug Administration to~~
36 ~~prevent food borne illnesses.~~

37 e. ~~It is sold with eating utensils provided by the retailer, such as plates,~~
38 ~~knives, forks, spoons, glasses, cups, napkins, and straws. A plate does~~
39 ~~not include a container or packaging used to transport the food."~~

40 **SECTION 2.1.(b)** Article 5 of Chapter 105 of the General Statutes is amended by
41 adding the following new section to read:

42 **"§ 105-164.4L. Prepared food.**

43 (a) Prepared Food Definition. – The term "prepared food" means food that meets at least
44 one of the following conditions:

45 (1) It is sold in a heated state, or it is heated by the retailer.

46 (2) It consists of two or more foods mixed or combined by the retailer for sale as
47 a single item. This does not include:

48 a. Food containing raw eggs, fish, meat, or poultry that requires cooking
49 by the consumer as recommended by the Food and Drug
50 Administration.

- 1 Administration in chapter 3, part 401.11 of its Food Code so as to
2 prevent foodborne illnesses.
- 3 b. Food that is only sliced, repackaged, or pasteurized by the retailer.
4 (3) It is sold with eating utensils provided by the retailer, such as plates, knives,
5 forks, spoons, glasses, cups, napkins, and straws. A plate does not include a
6 container or packaging used to transport the food. An eating utensil placed in
7 a package with the food items by a person other than the retailer, if that other
8 person's NAICS classification code is that of a manufacturer, sector 311, is
9 not treated as an eating utensil provided by the retailer. For a packager with
10 any other NAICS classification code, the retailer is considered to have
11 provided the eating utensil.
- 12 (b) Utensils Provided by the Retailer. – Based on a retailer's prepared food sales
13 percentage, determined in accordance with subsection (c) of this section, the phrase "provided
14 by the retailer," as described in subdivision (3) of subsection (a) of this section, has the following
15 meanings:
- 16 (1) Sales percentage of greater than seventy-five percent (75%). – If a retailer has
17 a prepared food sales percentage of greater than seventy-five percent (75%),
18 "provided by the retailer" means the retailer makes eating utensils available to
19 purchasers, except that an item sold by the retailer containing four or more
20 servings packaged as one item and sold for a single price does not become
21 prepared food because the retailer makes utensils available to the purchaser of
22 the item, but is prepared food if the retailer physically gives or hands utensils
23 to the purchaser of the item. Serving sizes are determined based on the label
24 of an item sold. If no label is available, a retailer must reasonably determine
25 the number of servings in an item.
- 26 (2) Sales percentage of seventy-five percent (75%) or less. – If a retailer has a
27 prepared food sales percentage of seventy-five percent (75%) or less,
28 "provided by the retailer" means the retailer's business practice is to physically
29 give or hand eating utensils to purchasers, except that plates, bowls, glasses,
30 and cups necessary for the purchaser to receive the food need only be made
31 available to purchasers.
- 32 (c) Prepared Food Sales Percentage. –
- 33 (1) Definition. – A percentage determined by dividing the following described
34 numerator by the following described denominator:
- 35 a. The numerator is the retailer's annual sales of prepared food described
36 in subdivisions (1) and (2) of subsection (a) of this section and food
37 sold when plates, bowls, glasses, or cups are necessary to receive the
38 food. The numerator shall not include alcoholic beverages or food
39 excluded from prepared food.
- 40 b. The denominator is the retailer's total annual sales of all food and
41 prepared food, excluding alcoholic beverages.
- 42 (2) Administration of definition. –
- 43 a. A retailer must calculate the prepared food sales percentage for each
44 tax year or business fiscal year based on the retailer's data from the
45 prior tax year or business fiscal year, as soon as possible after
46 accounting records are available, but not later than 90 days after the
47 beginning of the retailer's tax year or business fiscal year.
- 48 b. A single prepared food sales percentage shall be determined annually
49 for all of the retailer's establishments in this State.
- 50 c. A new retailer shall make a good-faith estimate of its prepared food
51 sales percentage for its first year in business. The new retailer must

1 adjust its good-faith estimate prospectively after the first three months
2 of its business operation if actual prepared food sales percentages
3 materially affect the seventy-five percent (75%) threshold described in
4 subsection (b) of this section."

5 **SECTION 2.2.** G.S. 105-164.4J is amended by adding a new subsection to read:

6 "(k) Efficient Administration. – When the Secretary finds it necessary for the efficient
7 administration of this Article to regard any sales representatives, solicitors, representatives,
8 consignees, peddlers, or truckers as agents of the dealers, distributors, consignors, supervisors,
9 employers, or persons under whom they operate or from whom they obtain the items sold by
10 them regardless of whether they are making sales on their own behalf or on behalf of these
11 dealers, distributors, consignors, supervisors, employers, or persons, the Secretary may so regard
12 them and may regard the dealers, distributors, consignors, supervisors, employers, or persons as
13 "marketplace facilitators" for the purpose of this Article and may treat the sales they make as
14 "marketplace-facilitated sales" and the sellers as "marketplace sellers.""

15 **SECTION 2.3.** G.S. 105-164.11B reads as rewritten:

16 **"§ 105-164.11B. Recover sales tax paid.**

17 (a) Retailers. – A retailer who pays sales and use tax on an item that is separately stated
18 on an invoice or similar billing document given to the retailer at the time of sale and subsequently
19 resells the item at retail, without the item being used by the retailer, may recover the sales or use
20 tax originally paid to a seller as provided in this ~~section~~-subsection. A retailer entitled to recover
21 tax under this ~~section~~-subsection may reduce taxable receipts by the taxable amount of the
22 purchase price of the item resold for the period in which the retail sale occurs. A recovery of tax
23 allowed under this ~~section~~-subsection is not an overpayment of tax and, where ~~such~~-the recovery
24 is taken, a refund of the tax originally paid may not be requested from the seller pursuant to the
25 authority under G.S. 105-164.11. Any amount for tax recovered under this ~~section~~-subsection in
26 excess of tax due for a reporting period under this Article is not subject to refund. Any tax
27 recovered under this ~~section~~-subsection may be carried forward to a subsequent reporting period
28 and taken as an adjustment to taxable receipts. The records of the retailer must clearly reflect and
29 support the adjustment to taxable receipts for the period in which the adjustment is made.

30 (b) Marketplace Facilitators. – A marketplace facilitator may recover the sales or use tax
31 originally paid to a marketplace seller as provided in this subsection when the marketplace
32 facilitator pays sales and use tax to a marketplace seller on a marketplace-facilitated sale for
33 which the marketplace facilitator is considered the retailer pursuant to G.S. 105-164.4J(b), and
34 the tax is separately stated on an invoice or similar billing document given to the marketplace
35 facilitator at the time of sale. A marketplace facilitator entitled to recover tax under this
36 subsection may reduce taxable receipts by the taxable amount of the marketplace-facilitated sale
37 that is taxed by the marketplace seller for the period in which the retail sale occurs. A recovery
38 of tax allowed under this subsection is not an overpayment of tax and, where the recovery is
39 taken, a refund of the tax originally paid may not be requested from the seller pursuant to the
40 authority under G.S. 105-164.11. Any amount for tax recovered under this subsection in excess
41 of tax due for a reporting period under this Article is not subject to refund. Any tax recovered
42 under this subsection may be carried forward to a subsequent reporting period and taken as an
43 adjustment to taxable receipts. The records of the retailer must clearly reflect and support the
44 adjustment to taxable receipts for the period in which the adjustment is made."

45 **SECTION 2.4.(a)** G.S. 105-164.13 reads as rewritten:

46 **"§ 105-164.13. Retail sales and use tax.**

47 The sale at retail and the use, storage, or consumption in this State of the following items are
48 specifically exempted from the tax imposed by this Article:

49 ...

50 (11) Any of the following fuel:

- a. Motor fuel, as taxed in Article 36C of this Chapter, except motor fuel for which a refund of the per gallon excise tax is allowed under G.S. 105-449.105A, G.S. 105-449.106(c), G.S. 105-449.106(d), or G.S. 105-449.107.
- b. Alternative fuel taxed under Article 36D of this Chapter, unless a refund of that tax is allowed under G.S. 105-449.106(d) or G.S. 105-449.107.

...."

SECTION 2.4.(b) G.S. 105-164.13 reads as rewritten:

"§ 105-164.13. Retail sales and use tax.

The sale at retail and the use, storage, or consumption in this State of the following items are specifically exempted from the tax imposed by this Article:

4 check was presented for payment, the drawer of the check had sufficient funds
5 in an account at a financial institution to pay the check and, by inadvertence,
6 the drawer of the check failed to draw the check on the account that had
7 sufficient funds. For purposes of this subdivision, in the case of a garnishment
8 payment, the term "drawer" refers to the garnishee.

9 (1a) Penalty for Bad Electronic Funds Transfer. – When an electronic funds

23 and attachment.

24 Upon receipt of a written response, the Department must contact the garnishee and schedule
25 a conference to discuss the response or inform the garnishee of the Department's position
26 concerning the response. If the Department does not agree with the garnishee on the garnishee's
27 liability, the Department may proceed to enforce the garnishee's liability for the tax by sending
28 the garnishee a notice of proposed assessment in accordance with ~~G.S.~~
29 ~~105-241.9.~~ G.S. 105-241.9, including any penalties imposed in this Article. If the garnishee does

40 **SECTION 5.3.(a)** Article 9 of Chapter 105 of the General Statutes is amended by
41 adding the following new section to read:

42 **"§ 105-241.24. Statute of limitations on collections.**

43 The Department may collect a tax for a period of 10 years from the date it becomes collectible
44 under G.S. 105-241.22. The 10-year period may be tolled for the same reasons the enforcement
45 period for a certificate of tax liability may be tolled under G.S. 105-242(c). If the tax is not
46 collected within the time frame authorized under this section, the remaining liability is abated."

47 **SECTION 5.3.(b)** G.S. 105-242(c) reads as rewritten:

48 "(c) Certificate of Tax Liability. – The Department may file a certificate of tax liability to
49 collect a tax that is owed by a taxpayer and is collectible under G.S. 105-241.22. A certificate of
50 tax liability must state the taxpayer's name and the type and amount of tax owed. If the taxpayer
51 resides in this State or has property in this State, the Department must file the certificate of tax

4 The clerk of court must record a certificate of tax liability in the same manner as a judgment.
5 A recorded certificate of tax liability is considered a judgment and is enforceable in the same
6 manner as other judgments. The legal rate of interest set in G.S. 24-1 applies to the principal
7 amount of tax stated on the certificate of tax liability. The tax stated on a certificate of tax liability
8 is a lien on real and personal property from the date the certificate is recorded.

9 A certificate of tax liability is enforceable for a period of 10 years from the date it is ~~recorded~~.
10 recorded, however, the enforcement period may not extend beyond the statute of limitations
11 provided for under G.S. 105-241.24. If the certificate is not satisfied within this period, the
12 remaining liability of the taxpayer is abated and the Department must cancel the certificate. An
13 execution sale initiated before the end of the ~~10-year-enforcement~~ period may be completed after
14 the end of this period, regardless of whether resales are required because of the posting of
15 increased bids. The Secretary may accept tax payments made after a certificate has expired,
16 regardless of whether any collection actions were taken before the certificate expired. A taxpayer
17 may waive the ~~10-year-enforcement~~ period for enforcement of the certificate for either a definite
18 or an indefinite time.

19 The ~~10-year-enforcement~~ period in which of a certificate of tax liability is enforceable is
20 tolled during the following periods:

- 21 (1) While the taxpayer is absent from the State. The period is tolled during the
22 taxpayer's absence plus one year after the taxpayer returns.

24 is administered plus one year after the estate is closed.
