SENATE JOURNAL

SECOND EXTRA SESSION 2003

FIRST DAY

Senate Chamber
Tuesday, December 9, 2003

In accordance with law, as set forth in the Constitution of the State of North Carolina and pursuant to the Proclamation issued by the Governor, the Honorable Michael F. Easley, on December 8, 2003, the Senate of the 2003 General Assembly convenes in Second Extra Session 2003 at the hour of 4:00 P.M. in the Senate Chamber of the Legislative Building in the City of Raleigh.

The Honorable Beverly E. Perdue, Lieutenant Governor, presides and calls the Senate to order.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear Lord, we can search Holy Scripture from beginning to end without finding the word economy. But your economy is depicted in story after story on any page to which we may turn.

"The first shall be last and the last first.

"Sell all you have and give to the poor.

"You have one hundred sheep and one is lost. Leave the ninety-nine and go search for the one. Finding the one gives more joy than securing the ninety-nine.

"So Lord, inspire us to embrace such an economic view of life so that we might be a caregiver to someone today and bring comfort and hope into their lives, whatever the cost to ourselves. In Your Holy Name we pray, Amen."

The Senate recesses at 4:45 P.M. to reconvene at 5:30 P.M.

RECESS

The Senate meets pursuant to recess and is called to order by The Honorable Beverly Eaves Perdue, Lieutenant Governor.

PLEDGE OF ALLEGIANCE

PROCLAMATION

The President instructs the Reading Clerk to read the Proclamation issued by Governor Michael F. Easley, on December 8, 2003, as follows:

Pursuant to the authority vested in the Governor by Article III, Section 5(7) of the Constitution of North Carolina, and by and with the advice of the Council of State, the General Assembly shall convene for an extra session on Tuesday, December 9, 2003 at 4:00 p.m. regarding the economic development incentives that businesses in current discussions with the Governor have indicated are necessary to make their decisions before the General Assembly regularly convenes on May 10, 2004 to locate large-scale projects in North Carolina. These incentives are limited to those projects that would provide the state with significant jobs and investment in the key industrial sectors of pharmaceutical and medicinal product manufacturing; bioprocessing; and tobacco manufacturing.
