

Article 5.

North Carolina Controlled Substances Act.

§ 90-86. Title of Article.

This Article shall be known and may be cited as the "North Carolina Controlled Substances Act." (1971, c. 919, s. 1.)

As used in this Article:

- (1) "Administer" means the direct application of a controlled substance, whether by injection, inhalation, ingestion, or any other means to the body of a patient or research subject by:
 - a. A practitioner (or, in his presence, by his authorized agent), or
 - b. The patient or research subject at the direction and in the presence of the practitioner.
- (2) "Agent" means an authorized person who acts on behalf of or at the direction of a manufacturer, distributor, or dispenser but does not include a common or contract carrier, public warehouseman, or employee thereof.
- (3) "Bureau" means the Bureau of Narcotics and Dangerous Drugs, United States Department of Justice or its successor agency.
- (3a) "Commission" means the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services established under Part 4 of Article 3 of Chapter 143B of the General Statutes.

- (5) "Controlled substance" means a drug, substance, or immediate precursor included in Schedules I through VI of this Article.
- (5a) "Controlled substance analogue" means a substance (i) the chemical structure of which is substantially similar to the chemical structure of a controlled substance in Schedule I or II; (ii) which has a stimulant, depressant, or hallucinogenic effect on the central nervous system that is substantially similar to or greater than the stimulant, depressant, or hallucinogenic effect on the central nervous system of a controlled substance in Schedule I or II; or (iii) with respect to a particular person, which such person represents or intends to have a stimulant, depressant, or hallucinogenic effect on the central nervous system that is substantially similar to or greater than the stimulant, depressant, or hallucinogenic effect on the central nervous system of a controlled substance in Schedule I or II; and does not include (i) a controlled substance; (ii) any substance for which there is an approved new drug application; (iii) with respect to a particular person any substance, if an exemption is in effect for investigational use, for that person, under § 355 of Title 21 of the United States Code to the extent conduct with respect to such substance is pursuant to such exemption; or (iv) any substance to the extent not intended for human consumption before such an exemption takes effect with respect to that substance. The designation of gamma butyrolactone or any other chemical as a listed chemical pursuant to subdivision 802(34) or 802(35) of Title 21 of the United States Code does not preclude a finding pursuant to this subdivision that the chemical is a controlled substance analogue.
- (6) "Counterfeit controlled substance" means:

- a. A controlled substance which, or the container or labeling of which, without authorization, bears the trademark, trade name, or other identifying mark, imprint, number, or device, or any likeness thereof, of a manufacturer, distributor, or dispenser other than the person or persons who in fact manufactured, distributed, or dispensed such substance and which thereby falsely purports, or is represented to be the product of, or to have been distributed by, such other manufacturer, distributor, or dispenser; or
 - b. Any substance which is by any means intentionally represented as a controlled substance. It is evidence that the substance has been intentionally misrepresented as a controlled substance if the following factors are established:

 - (13) "Drug dependent person" means a person who is using a controlled substance and who is in a state of psychic or physical dependence, or both, arising from use of that controlled substance on a continuous basis. Drug dependence is characterized by behavioral and other responses which include a strong compulsion to take the substance on a continuous basis in order to experience its psychic effects, or to avoid the discomfort of its absence.
 - (14) "Immediate precursor" means a substance which the Commission has found to be and by regulation designates as being the principal compound

commonly used or produced primarily for use, and which is an immediate chemical intermediary used or likely to be used in the manufacture of a controlled substance, the control of which is necessary to prevent, curtail, or limit such manufacture.

ss. 1, 15; 1977, c. 482, s. 6; 1981, c. 51, ss. 8, 9; c. 75, s. 1; c. 732; 1985, c. 491; 1987, c. 105, ss. 1, 2; 1991 (Reg. Sess., 1992), c. 1030, s. 21; 1997-456, s. 27; 2003-249, s. 2.)

§ 90-88. Authority to control.

(a) The Commission may add, delete, or reschedule substances within Schedules I through VI of this Article on the petition of any interested party, or its own motion. In every case the Commission shall give notice of and hold a public hearing pursuant to Chapter 150B of the General Statutes prior to adding, deleting or rescheduling a controlled substance within Schedules I through VI of this Article, except as provided in subsection (d) of this section. A petition by the Commission, the North Carolina Department of Justice, or the North Carolina Board of Pharmacy to add, delete, or reschedule a controlled substance within Schedules I through VI of this Article shall be placed on the agenda, for consideration, at the next regularly scheduled meeting of the Commission, as a matter of right.

(a1) In making a determination regarding a substance, the Commission shall consider the following:

- (1) The actual or relative potential for abuse;
- (2) The scientific evidence of its pharmacological effect, if known;
- (3) The state of current scientific knowledge regarding the substance;
- (4) The history and current pattern of abuse;
- (5) The scope, duration, and significance of abuse;
- (6) The risk to the public health;
- (7) The potential of the substance to produce psychic or physiological dependence liability; and
- (8) Whether the substance is an immediate precursor of a substance already controlled under this Article.

(b) After considering the required factors, the Commission shall make findings with respect thereto and shall issue an order adding, deleting or rescheduling the substance within Schedules I through VI of this Article.

(c) If the Commission designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

(d) If any substance is designated, rescheduled or deleted as a controlled substance under federal law, the Commission shall similarly control or cease control of, the substance under this Article unless the Commission objects to such inclusion. The Commission, at its next regularly scheduled meeting that takes place 30 days after publication in the Federal Register of a final order scheduling a substance, shall determine either to adopt a rule to similarly control the substance under this Article or to object to such action. No rule-making notice or hearing as specified by Chapter 150B of the General Statutes is required if the Commission makes a decision to similarly control a substance. However, if the Commission makes a decision to object to adoption of the federal action, it shall initiate rule-making procedures pursuant to Chapter 150B of the General Statutes within 180 days of its decision to object.

(e) The Commission shall exclude any nonnarcotic substance from the provisions of this Article if such substance may, under the federal Food, Drug and Cosmetic Act, lawfully be sold over-the-counter without prescription.

(f) Authority to control under this Article does not include distilled spirits, wine, malt beverages, or tobacco.

(g) The Commission shall similarly exempt from the provisions of this Article any chemical agents and diagnostic reagents not intended for administration to humans or other animals, containing controlled substances which either (i) contain additional adulterant or denaturing agents so that the resulting mixture has no significant abuse potential, or (ii) are

packaged in such a form or concentration that the particular form as packaged has no significant abuse potential, where such substance was exempted by the Federal Bureau of Narcotics and Dangerous Drugs.

(h) Repealed by Session Laws 1987, c. 413, s. 4.

(i) The North Carolina Department of Health and Human Services shall maintain a list of all preparations, compounds, or mixtures which are excluded, exempted and excepted from control under any schedule of this Article by the United States Drug Enforcement Administration and/or the Commission. This list and any changes to this list shall be mailed to the North Carolina Board of Pharmacy, the State Bureau of Investigation and each district attorney of this State. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions under this Article. Discharge and dismissal under this section or G.S. 90-113.14 may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge and dismiss under this section the court shall make a finding that the defendant has no record of previous convictions under the "North Carolina Controlled Substances Act", Article 5, Chapter 90, the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.

(a1) Upon the first conviction only of any offense included in G.S. 90-95(a)(3) or G.S. 90-113.22 and subject to the provisions of this subsection (a1), the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the

imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90-96.01. The court may impose probation that does not contain a condition that defendant successfully complete the program of instruction at a drug education school if:

- (1) There is no drug education school within a reasonable distance of the defendant's residence; or
- (2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subdivision (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

Upon fulfillment of the terms and conditions of the probation, the court shall discharge such person and dismiss the proceedings against the person.

For the purposes of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or 90-113.22 shall be considered previous convictions.

Failure to complete successfully an approved program of instruction at a drug education school shall constitute grounds to revoke probation pursuant to this subsection and deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. For purposes of this subsection, the phrase "failure to complete successfully the prescribed program of instruction at a drug education school" includes failure to attend scheduled classes without a valid excuse, failure to complete the course within 150 days of imposition of probation, willful failure to pay the required fee for the course as provided in G.S. 90-96.01(b), or any other manner in which the person fails to complete the course successfully. The instructor of the course to which a person is assigned shall report any failure of a person to complete successfully the program of instruction to the court which imposed probation. Upon receipt of the instructor's report that the person failed to complete the program successfully, the court shall revoke probation, shall not discharge such person, shall not dismiss the proceedings against the person, and shall deny application for expunction of all recordation of defendant's arrest, indictment, or information, trial, finding of guilty, and dismissal and discharge pursuant to G.S. 15A-145.2. A person may obtain a hearing before the court of original jurisdiction prior to revocation of probation or denial of application for expunction.

This subsection is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina.

(b) Upon the discharge of such person, and dismissal of the proceedings against the person under subsection (a) or (a1) of this section, such person, if he or she was not over 21 years of age at the time of the offense, may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(a).

(c) Repealed by Session Laws 2009-510, s. 8(b), effective October 1, 2010.

(d) Whenever any person is charged with a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article or a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, upon dismissal by the State of the charges against such person, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, the person may be eligible to apply for expunction of certain records relating to the offense pursuant to G.S. 15A-145.2(b).

(e) Whenever any person who has not previously been convicted of an offense under this Article or under any statute of the United States or any state relating to controlled substances included in any schedule of this Article or to that paraphernalia included in Article

5B of Chapter 90 of the General Statutes pleads guilty to or has been found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article, or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, the person may be eligible to apply for cancellation of the judgment and expunction of certain records related to the offense pursuant to G.S. 15A-145.2(c).

(f) Repealed by Session Laws 2009-577, s. 6, effective December 1, 2009, and applicable to petitions for expunctions filed on or after that date. (1971, c. 919, s. 1; 1973, c. 654, s. 2; c. 1066; 1977, 2nd Sess., c. 1147, s. 11B; 1979, c. 431, ss. 3, 4; c. 550; 1981, c. 922, ss. 1-4; 1994, Ex. Sess., c. 11, s. 1.1; 1997-443, s. 11A.118(a); 2002-126, s. 29A.5(d); 2009-510, s. 8(a)-(d); 2009-577, s. 6; 2010-174, ss. 10-12.)

§ 90-96.01. Drug education schools; responsibilities of the Department of Health and Human Services; fees.

(a) The Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services shall establish standards and guidelines for the curriculum and operation of local drug education programs. The Department of Health and Human Services shall oversee the development of a statewide system of schools and shall insure that schools are available in all localities of the State as soon as is practicable.

- (1) A fee of one hundred fifty dollars (\$150.00) shall be paid by all persons enrolling in an accredited drug education school established pursuant to this section. That fee must be paid to an official designated for that purpose and at a time and place specified by the area mental health, developmental disabilities, and substance abuse authority providing the course of instruction in which the person is enrolled. If the clerk of court in the county in which the person is convicted agrees to collect the fees, the clerk shall collect all fees for persons convicted in that county. The clerk shall pay the fees collected to the area mental health, developmental disabilities, and substance abuse authority for the catchment area where the clerk is located regardless of the location where the defendant attends the drug education school and that authority shall distribute the funds in accordance with the rules and regulations of the Department. The fee must be paid in full within two weeks of the date the person is convicted and before he attends any classes, unless the court, upon a showing of reasonable hardship, allows the person additional time to pay the fee or allows him to begin the course of instruction without paying the fee. If the person enrolling in the school demonstrates to the satisfaction of the court that ordered him to enroll in the school that he is unable to pay and his inability to pay is not willful, the court may excuse him from paying the fee. Parents or guardians of persons attending drug education school shall be allowed to audit the drug education school along with their children or wards at no extra expense.
- (2) The Department of Health and Human Services shall have the authority to approve programs to be implemented by area mental health, developmental disabilities, and substance abuse authorities. Area mental health, developmental disabilities, and substance abuse authorities may subcontract for the delivery of drug education program services. The Department shall have the authority to approve budgets and contracts with public and private governmental and nongovernmental bodies for the operation of such schools.
- (3) Fees collected under this section and retained by the area mental health, developmental disabilities, and substance abuse authority shall be placed in a nonreverting fund. That fund must be used, as necessary, for the operation,

evaluation and administration of the drug educational schools; excess funds may only be used to fund other drug or alcohol programs. The area mental health, developmental disabilities, and substance abuse authority shall remit five percent (5%) of each fee collected to the Department of Health and Human Services on a monthly basis. Fees received by the Department as required by this section may only be used in supporting, evaluating, and administering drug education schools, and any excess funds will revert to the General Fund.

- (4) All fees collected by any area mental health, developmental disabilities, and substance abuse authority under the authority of this section may not be used in any manner to match other State funds or be included in any computation for State formula-funded allocations.

(b) Willful failure to pay the fee is one ground for a finding that a person placed on probation or who may make application for expunction of all recordation of his arrest or conviction has not successfully completed the course. If the court determines the person is unable to pay, he shall not be deemed guilty of a willful failure to pay the fee. (1981, c. 922, s. 8; 1991, c. 636, s. 19(b), (c); 1993, c. 395, s. 1; 1997-443, s. 11A.118(a).)

§ 90-96.1. Immunity from prosecution for minors.

Whenever any person who is not more than 18 years of age, who has not previously been convicted of any offense under this Article or under any statute of the United States of any state relating to controlled substances included in any schedule of this Article, is accused with possessing or distributing a controlled substance in violation of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), the court may, upon recommendation of the district attorney, grant said person immunity from prosecution for said violation(s) if said person shall disclose the identity of the person or persons from whom he obtained the controlled substance(s) for which said person is being accused of possessing or distributing. (1973, c. 47, s. 2; c. 654, s. 3.)

§ 90-97. Other penalties.

Any penalty imposed for violation of this Article shall be in addition to, and not in lieu of, any civil or administrative penalty or sanction authorized by law. If a violation of this Article is a violation of a federal law or the law of another state, a conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this State. (1971, c. 919, s. 1.)

§ 90-98. Attempt and conspiracy; penalties.

Except as otherwise provided in this Article, any person who attempts or conspires to commit any offense defined in this Article is guilty of an offense that is the same class as the offense which was the object of the attempt or conspiracy and is punishable as specified for that class of offense and prior record or conviction level in Article 81B of Chapter 15A of the General Statutes. (1971, c. 919, s. 1; 1979, c. 760, s. 5; 1997-80, s. 9.)

§ 90-100. Rules.

The Commission may adopt rules relating to the registration and control of the manufacture, distribution, security, and dispensing of controlled substances within this State. (1971, c. 919, s. 1; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1991, c. 309, s. 2; 1993, c. 384, s. 1.)

(b) The Commission may limit revocation or suspension of a registration to the particular controlled substance with respect to which grounds for revocation or suspension exist.

(c) Before denying, suspending, or revoking a registration or refusing a renewal of registration, the Commission shall serve upon the applicant or registrant an order to show cause why registration should not be denied, revoked, or suspended, or why the renewal should not be refused. The order to show cause shall contain a statement of the basis therefor and shall call upon the applicant or registrant to appear before the Commission at a time and place not less than 30 days after the date of service of the order, but in the case of a denial or renewal of registration, the show cause order shall be served not later than 30 days before the expiration of the registration. Such proceedings shall be independent of, and not in lieu of, criminal prosecutions or other proceedings under this Article or any law of the State.

(d) The Commission may suspend, without an order to show cause, any registration simultaneously with the institutions of proceedings under this section, or where renewal of registration is refused if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the Commission or dissolved by a court of competent jurisdiction.

(e) In the event the Commission suspends or revokes a registration granted under G.S. 90-102, all controlled substances owned or possessed by the registrant pursuant to such registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the Commission be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled substances may be ordered forfeited to the State.
