

§ 163-82.14. List maintenance.

(a) Uniform Program. – The State Board of Elections shall adopt a uniform program that makes a diligent effort not less than twice each year:

- (1) To remove the names of ineligible voters from the official lists of eligible voters, and
- (2) To update the addresses and other necessary data of persons who remain on the official lists of eligible voters.

That program shall be nondiscriminatory and shall comply with the provisions of the Voting Rights Act of 1965, as amended, and with the provisions of the National Voter Registration Act. The State Board of Elections, in addition to the methods set forth in this section, may use other methods toward the ends set forth in subdivisions (1) and (2) of this subsection, including address-updating services provided by the Postal Service, and entering into data sharing agreements with other states to cross-check information on voter registration and voting records. Any data sharing agreement shall require the other state or states to comply with G.S. 163-82.10 and G.S. 163-82.10B. Each county board of elections shall conduct systematic efforts to remove names from its list of registered voters in accordance with this section and with the program adopted by the State Board. The county boards of elections shall complete their list maintenance mailing program by April 15 of every odd-numbered year, unless the State Board of Elections approves a different date for the county.

(b) Death. – The Department of Health and Human Services shall furnish free of charge to the State Board of Elections every month, in a format prescribed by the State Board of Elections, the names of deceased persons who were residents of the State. The State Board of Elections shall distribute every month to each county board of elections the names on that list of deceased persons who were residents of that county. The Department of Health and Human Services shall base each list upon information supplied by death certifications it received during the preceding month. Upon the receipt of those names, each county board of elections shall remove from its voter registration records any person the list shows to be dead. Each county board of elections shall also remove from its voter registration records a person identified as deceased by a signed statement of a near relative or personal representative of the estate of the deceased voter. The county board need not send any notice to the address of the person so removed.

(c) Conviction of a Felony. –

- (1) Report of Conviction Within the State. – The State Board of Elections, on or before the fifteenth day of every month, shall report to the county board of elections of that county the name, county of residence, and residence address if available, of each individual against whom a final judgment of conviction of a felony has been entered in that county in the preceding calendar month.
- (2) Report of Federal Conviction. – The Executive Director of the State Board of Elections, upon receipt of a notice of conviction sent by a United States Attorney pursuant to section 8(g) of the National Voter Registration Act, shall notify the appropriate county boards of elections of the conviction.
- (3) County Board's Duty Upon Receiving Report of Conviction. – When a county board of elections receives a notice pursuant to subdivision (1) or (2) of this subsection relating to a resident of that county and that person is registered to vote in that county, the board shall, after giving 30 days' written notice to the voter at his registration address, and if the voter makes no objection, remove the person's name from its registration records. If the voter notifies the county board of elections of his objection to the removal within 30 days of the notice, the chairman of the board of elections shall

enter a challenge under G.S. 163-85(c)(5), and the notice the county board received pursuant to this subsection shall be prima facie evidence for the preliminary hearing that the registrant was convicted of a felony.

(d) Change of Address. – A county board of elections shall conduct a systematic program to remove from its list of registered voters those who have moved out of the county, and to update the registration records of persons who have moved within the county. The county board shall remove a person from its list if the registrant:

- (1) Gives confirmation in writing of a change of address for voting purposes out of the county. "Confirmation in writing" for purposes of this subdivision shall include:
 - a. A report to the county board from the Department of Transportation or from a voter registration agency listed in G.S. 163-82.20 that the voter has reported a change of address for voting purposes outside the county;
 - b. A notice of cancellation received under G.S. 163-82.9; or
 - c. A notice of cancellation received from an election jurisdiction outside the State.
- (2) Fails to respond to a confirmation mailing sent by the county board in accordance with this subdivision and does not vote or appear to vote in an election beginning on the date of the notice and ending on the day after the date of the second general election for the United States House of Representatives that occurs after the date of the notice. A county board sends a confirmation notice in accordance with this subdivision if the notice:
 - a. Is a postage prepaid and preaddressed return card, sent by forwardable mail, on which the registrant may state current address;
 - b. Contains or is accompanied by a notice to the effect that if the registrant did not change residence but remained in the county, the registrant should return the card not later than the deadline for registration by mail in G.S. 163-82.6(c)(1); and
 - c. Contains or is accompanied by information as to how the registrant may continue to be eligible to vote if the registrant has moved outside the county.

A county board shall send a confirmation mailing in accordance with this subdivision to every registrant after every congressional election if the county board has not confirmed the registrant's address by another means.

- (3) Any registrant who is removed from the list of registered voters pursuant to this subsection shall be reinstated if the voter appears to vote and gives oral or written affirmation that the voter has not moved out of the county but has maintained residence continuously within the county. That person shall be allowed to vote as provided in G.S. 163-82.15(f).

(e) Cooperation on List Maintenance Efforts. – The State Board has the authority to perform list maintenance under this section with the same authority as a county board.
