

§ 32A-27. Health care powers of attorney executed in other jurisdictions.

Notwithstanding G.S. 32A-16(3), a health care power of attorney or similar document executed in a jurisdiction other than North Carolina shall be valid as a health care power of attorney in this State if it appears to have been executed in accordance with the applicable requirements of that jurisdiction or of this State. (2007-502, s. 7.)
