

§ 95-12. Division of Statistics.

The Division of Statistics shall be in charge of a Chief Statistician. It shall be his duty, under the direction and supervision of the Commissioner of Labor, to collect, assort, systematize, and print all statistical details relating to all divisions of labor in this State as is provided in G.S. 95-6. (1931, c. 312, s. 13.)
