The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-357 reads as rewritten:

"§ 153A-357. Permits.

(3) The installation, extension, alteration, or general repair of any heating

without first securing from the inspection department with jurisdiction over the site of
the work each permit required by the State Building Code and any other State or local
law or local ordinance or regulation applicable to the work. A permit shall be in writing
and shall contain a provision that the work done shall comply with the State Building
Code and all other applicable State and local laws and local ordinances and regulations.
No permit may be issued unless the plans and specifications are identified by the name
and address of the author thereof; and if the General Statutes of North Carolina require
that plans for certain types of work be prepared only by a registered architect or
registered engineer, no permit may be issued unless the plans and specifications bear the
North Carolina seal of a registered architect or of a registered engineer. If a provision

1 of the General Statutes of North Carolina or of any ordinance requires that work be
2 done by a licensed specialty contractor of any kind, no permit for the work may be
3 issued unless the work is to be performed by such a duly licensed contractor. No permit
4 issued under Articles 9 or 9C of G.S. Chapter 143 shall be required for any construction,
5 installation, repair, replacement, or alteration costing five thousand dollars (\$5,000) or
6 less in any single-family residence or farm building unless the work involves: the
7 addition, repair or replacement of load bearing structures; the addition (excluding
8 replacement of same size and capacity) or change in the design of plumbing; the
9 addition, replacement or change in the design of heating, air conditioning, or electrical
10 wiring, devices, appliances, or equipment; the use of materials not permitted by the
11 North Carolina Uniform Residential Building Code; or the addition (excluding
12 replacement of like grade of fire resistance) of roofing. Violation of this section
13 constitutes a misdemeanor.

14 (b) No permit shall be issued pursuant to subsection (a) for any land-disturbing
15 activity, as defined in G.S. 113A-52(6), for any activity covered by G.S. 113A-57,
16 unless an erosion control plan has been approved by the Sedimentation Pollution
17 Control Commission pursuant to G.S. 113A-54(d)(4) or by a local government pursuant
18 to G.S. 113A-61 for the site of the activity or a tract of land including the site of the
19 activity.

20 (c) A county may by ordinance provide that a permit may not be issued under
21 subsection (a) to any person who owes property taxes that are delinquent under G.S.
22 105-360."
