## "ARTICLE VI. ADDITIONAL PROVISIONS.

"Section 6.1 Termination of Utility Service; Charges Become Liens.

- (a) Notwithstanding the provisions of G.S. 160A-314, or any other provisions of law, in case any charges for water service or sewerage service due and owing to the City are not paid, then such charges and any penalties assessed for nonpayment shall become a lien upon the property served or in connection with which service is used, upon compliance with the procedure set out in this section; provided, however, that no such charges shall become a lien unless the same were incurred by the owner of the particular property.
- (b) Upon nonpayment, the City shall give the customer a fair opportunity to avoid termination of utility service and application of the charges and penalties as a lien against the property, by paying charges due or showing that the charges are in error. As soon as possible following the specified past due date, written notice of delinquency shall be sent to the customer by first-class mail.
  - (c) The notice required by subsection (b) shall contain the following information:
    - (1) The amount which must be paid to avoid termination;
    - (2) The date on which termination will occur, which must be at least 10 days after the mailing date;
    - (3) A statement that the customer may appear at City Hall between the hours of 9:00 a.m. and 4:00 p.m. on any business day and request an informal hearing with the City Manager or designee, for the purpose of showing error or working out a satisfactory extended payment arrangement; and

- (4) A statement that failure by the customer to appear and show error, make payment or work out a satisfactory extended payment arrangement shall result in the charges and penalties being applied as a lien against the real property, which may be enforced by sale of the real property as provided by law.
- (d) The employee responsible for mailing the notice as provided in subsections (b) and (c) shall certify the date on which the notice was mailed, on a form or in a record book or electronic medium designed for that purpose.
- (e) If the customer does not make acceptable payment arrangements and fails to show cause why service should not be terminated and the charges and penalties applied as a lien against the property, service may be terminated on or after the date specified in the notice of termination, and the charges and penalties may be applied as a lien against the property. Service may be terminated between the hours of 8:30 a.m. and 4:00 p.m. on business days from Monday through Thursday only. If the customer fails to comply with the agreed-upon extended payment arrangements, service may be terminated without further notice and the charges and penalties may be applied as a lien.
- (f) Unpaid charges and penalties may at any time be collected by civil action in the name of the City. In addition, the charges and penalties may be collected by the City Tax Collector by sale of the property to which the lien attaches, as provided in G.S. 105-375, and the lien shall be treated as a property tax lien for the purposes of that statute. The lien shall attach on the date on which the certificate of charges due is docketed as provided in G.S. 105-375(d), and shall continue until the principal amount of the charges plus penalties, interest and costs allowed by law have been fully paid.

"Section 6.2. **Acceptance of Conveyance of Real Property for Liens.** Despite G.S. 105-357(a) and other provision of law, the Council, by resolution, may accept conveyance of real property on which the City has a lien, in full or partial satisfaction of the tax, special assessment, or other charge or liability underlying the lien, including the expense of transferring title to the City. The resolution shall order the lien cancelled of record, or reduced to the extent the liability underlying the lien is satisfied. Acceptance of conveyance by the City does not affect a lien on the property held by a person or entity other than the City. Property conveyed to the City under this section may be disposed of subsequently by the City under any of the methods provided in Article 12 of Chapter 160A of the General Statutes, including private sale under G.S. 160A-267.

"Section 6.3. **Aid to the Poor.** The City of Reidsville, by and through its City Council, shall have the power to make an annual appropriation to aid and support its indigent citizens. The funds thus appropriated may be expended by the Council itself, or the authority to make expenditures of designated amounts from said appropriation may be delegated by the Council to the Reidsville United Way, the Reidsville Unit of the Salvation Army, or any other organized charity approved by the Council and

operating in the City. Any expenditure of said funds by the charitable organizations shall be made under rules promulgated by the Council and shall at all times be subject to the control and supervision of the Council.
