1 A BILL TO BE ENTITLED  
2 AN ACT TO AUTHORIZE A METHOD FOR PARENTS TO AUTHORIZE  
3 CONSENT BY ANOTHER FOR HEALTH CARE FOR THE PARENTS' MINOR  
4 CHILD.

5 The General Assembly of North Carolina enacts:

6 Section 1. Chapter 32A of the General Statutes is amended by adding the  
7 following new Article to read:

8 **"ARTICLE 4.**  
9 **"CONSENT TO HEALTH CARE FOR MINOR.**

10 **"§ 32A-28. Purpose.**

11 (a) The General Assembly recognizes as a matter of public policy the  
12 fundamental right of a parent to delegate decisions relating to health care for the parent's  
13 minor child where the parent is unavailable for a period of time by reason of travel or  
14 otherwise.

15 (b) The purpose of this Article is to establish a nonexclusive method for a parent  
16 to authorize in the parent's absence consent to health care for the parent's minor child.  
17 This Article is not intended to be in derogation of the common law or of Article 1A of  
18 Chapter 90 of the General Statutes.

19 **"§ 32A-29. Definitions.**

20 As used in this Article, unless the context clearly requires otherwise, the term:

21 (1) 'Agent' means the person authorized pursuant to this Article to consent  
22 to and authorize health care for a minor child.

- 1           (2) 'Authorization to consent to health care for minor' means a written  
2 instrument, signed by the custodial parent and acknowledged before a  
3 notary public, pursuant to which the custodial parent authorizes an  
4 agent to authorize and consent to health care for the minor child of the  
5 custodial parent, and which substantially meets the requirements of  
6 this Article.
- 7           (3) 'Custodial parent' means a parent having sole or joint legal custody of  
8 that parent's minor child.
- 9           (4) 'Health care' means any care, treatment, service or procedure to  
10 maintain, diagnose, treat, or provide for a minor child's physical or  
11 mental or personal care and comfort, including life sustaining  
12 procedures and dental care.
- 13           (5) 'Life sustaining procedures' are those forms of care or treatment which  
14 only serve to artificially prolong life and may include mechanical  
15 ventilation, dialysis, antibiotics, artificial nutrition and hydration, and  
16 other forms of treatment which sustain, restore, or supplant vital bodily  
17 functions, but do not include care necessary to provide comfort or to  
18 alleviate pain.
- 19           (6) 'Minor or minor child' means an individual who has not attained the  
20 age of 18 years and who has not been emancipated.

21 **"§ 32A-30. Who may make an authorization to consent to health care for minor.**

22 Any custodial parent having understanding and capacity to make and communicate  
23 health care decisions who is 18 years of age or older or who is emancipated may make  
24 an authorization to consent to health care for the parent's minor child.

25 **"§ 32A-31. Extent and limitations of authority.**

26 (a) A custodial parent of a minor child, pursuant to an authorization to consent to  
27 health care for minor, may grant an agent full power and authority to consent to and  
28 authorize health care for the minor child to the same extent that a custodial parent could  
29 give such consent and authorization.

30 (b) An authorization to consent to health care for minor may contain, and the  
31 authority of the agent designated shall be subject to, any specific limitations or  
32 restrictions as the custodial parent deems appropriate.

33 (c) A custodial parent may not, pursuant to an authorization to consent to health  
34 care for minor, authorize an agent to consent to the withholding or withdrawal of life  
35 sustaining procedures.

36 **"§ 32A-32. Duration of authorization; revocation.**

37 (a) An authorization to consent to health care for minor shall be automatically  
38 revoked as follows:

- 39           (1) If the authorization to consent to health care for minor specifies a date  
40 after which it shall not be effective, then the authorization shall be  
41 automatically revoked upon such date.
- 42           (2) An authorization to consent to health care for minor shall be revoked  
43 upon the minor child's attainment of the age of 18 years or upon the  
44 minor child's emancipation.

1           (3) An authorization to consent to health care for minor executed by a  
 2           custodial parent shall be revoked upon the termination of such  
 3           custodial parent's rights to custody of the minor child.

4           (b) An authorization to consent to health care for minor may be revoked at any  
 5 time by the custodial parent making such authorization. The custodial parent may  
 6 exercise such right of revocation by executing and acknowledging an instrument of  
 7 revocation, by executing and acknowledging a subsequent authorization to consent to  
 8 health care for the minor, or in any other manner in which the custodial parent is able to  
 9 communicate the parent's intent to revoke. Such revocation shall become effective only  
 10 upon communication by the custodial parent to the agent named in the revoked  
 11 authorization.

12           (c) In the event of a disagreement regarding the health care for a minor child  
 13 between two or more agents authorized pursuant to this Article to consent to and  
 14 authorize health care for a minor, or between any such agent and a parent of the minor,  
 15 whether or not the parent is a custodial parent, then any authorization to consent to  
 16 health care for minor designating any person as an agent shall be revoked during the  
 17 period of such disagreement, and the provisions of health care for the minor during such  
 18 period shall be governed by the common law, the provisions of Article 1A of Chapter  
 19 90, and other provisions of law, as if no authorization to consent to health care for minor  
 20 had been executed.

21           (d) An authorization to consent to health care for minor shall not be affected by  
 22 the subsequent incapacity or mental incompetence of the custodial parent making such  
 23 authorization.

24 **"§ 32A-33. Reliance on authorization to consent to health care for minor.**

25           (a) Any physician, dentist, or other health care provider involved in the health  
 26 care of a minor child may rely upon the authority of the agent named in a signed and  
 27 acknowledged authorization to consent to health care for minor in the absence of actual  
 28 knowledge that the authorization has been revoked or is otherwise invalid.

29           (b) Any consent to health care for a minor child given by an agent pursuant to an  
 30 authorization to consent to health care for minor shall have the same effect as if the  
 31 custodial parent making the authorization were present and acting on behalf of the  
 32 parent's minor child. Any physician, dentist, or other health care provider relying in  
 33 good faith on the authority of an agent shall be protected to the full extent of the power  
 34 conferred upon the agent, and no person so relying on the authority of the agent shall be  
 35 liable, by reason of reliance, for actions taken pursuant to a consent of the agent.

36 **"§ 32A-34. Statutory form authorization to consent to health care for minor.**

37           The use of the following form in the creation of any authorization to consent to  
 38 health care for minor is lawful and, when used, it shall meet the requirements and be  
 39 construed in accordance with the provisions of this Article.
