A BILL TO BE ENTITLED

AN ACT TO ALLOW PAMLICO COUNTY TO USE ALTERNATIVE  
CONSTRUCTION DELIVERY SYSTEMS.

The General Assembly of North Carolina enacts:

Section 1. In addition to the construction delivery systems authorized by G.S. 143-128 which allows the single prime contract system with single liability for construction and the separate prime contract system with split liability for construction, the Pamlico County Board of Commissioners may also use the construction management contract system with single liability for construction and the design and build contract system with single liability for design and construction. The Pamlico County Board of Commissioners may use whichever of these construction delivery systems that, in its sole discretion, is determined by the Pamlico County Board of Commissioners to save taxpayers money, improve the delivery of public facilities, or enhance the capital budgeting process.

Sec. 2. This act is effective upon ratification and expires June 30, 1995.
