The General Assembly of North Carolina enacts:

Section 1. There is appropriated from the General Fund to the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, Department of Human Resources, the sum of five hundred fifty thousand dollars (\$550,000) for the 1995-96 fiscal year and the sum of five hundred fifty thousand dollars (\$550,000) for the 1996-97 fiscal year for the Child Adolescent Substance Abuse Services Branch, for substance abuse services for juveniles under the supervision of the court.

Of these funds, five hundred thousand dollars (\$500,000) each fiscal year shall be allocated in grants to from four to eight local initiatives coordinated with particular judicial districts and fifty thousand dollars (\$50,000) each fiscal year shall be used by the Branch to evaluate the effectiveness of these initiatives. Services that shall be provided by the initiatives include (i) a screening, (ii) an assessment and treatment plan offering individualized services such as high-risk intervention, outpatient treatment, family services, and case management, and (iii) access to more intensive levels of services.

The grants shall be allocated on the basis of:

- 1           (2)    The evidence of successful collaboration among the local administrative  
2                   offices of the court, local mental health, developmental disabilities, and

9   recommendations for the improvement and expansion of the initiatives to ensure that all  
10   juveniles under the supervision of the court who require substance abuse services have
