3 NEED NOT BE REGISTERED VOTERS IN THAT PRECINCT BUT SHALL BE  
4 REGISTERED VOTERS IN THE COUNTY AND TO AMEND THE LAW  
5 GOVERNING ACCESS TO VOTER REGISTRATION INFORMATION.

6 The General Assembly of North Carolina enacts:

7 Section 1. G.S. 163-45 reads as rewritten:

8 "**§ 163-45. Observers; appointment.**

9 The chairman of each political party in the county shall have the right to designate  
10 two observers to attend each voting place at each primary and election and such observers  
11 may, at the option of the designating party chairman, be relieved during the day of the  
12 primary or election after serving no less than four hours and provided the list required by  
13 this section to be filed by each chairman contains the names of all persons authorized to  
14 represent such chairman's political party. Not more than two observers from the same  
15 political party shall be permitted in the voting enclosure at any time. This right shall not  
16 extend to the chairman of a political party during a primary unless that party is  
17 participating in the primary. In any election in which an unaffiliated candidate is named  
18 on the ballot, he or his campaign manager shall have the right to appoint two observers

1 for each voting place consistent with the provisions specified herein. Persons appointed  
2 as observers must be registered voters of the ~~precinct~~ county for which appointed and  
3 must have good moral character. Observers shall take no oath of office.

4 Individuals authorized to appoint observers must submit in writing to the chief judge  
5 of each precinct a signed list of the observers appointed for that precinct. Individuals  
6 authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any  
7 primary or general election, submit in writing to the chairman of the county board of  
8 elections two signed copies of a list of observers appointed by them, designating the  
9 precinct for which each observer is appointed. Before the opening of the voting place on  
10 the day of a primary or general election, the chairman shall deliver one copy of the list to  
11 the chief judge for each affected precinct. He shall retain the other copy. The chairman,  
12 or the chief judge and judges for each affected precinct, may for good cause reject any  
13 appointee and require that another be appointed. The names of any persons appointed in  
14 place of those persons rejected shall be furnished in writing to the chief judge of each  
15 affected precinct no later than the time for opening the voting place on the day of any  
16 primary or general election, either by the chairman of the county board of elections or the  
17 person making the substitute appointment.

18 An observer shall do no electioneering at the voting place, and he shall in no manner  
19 impede the voting process or interfere or communicate with or observe any voter in  
20 casting his ballot, but, subject to these restrictions, the chief judge and judges of elections  
21 shall permit him to make such observation and take such notes as he may desire.

22 Whether or not the observer attends to the polls for the requisite time provided by this  
23 section, each observer shall be entitled to obtain at times specified by the State Board of  
24 Elections, but not less than three times during election day with the spacing not less than  
25 one hour apart, a list of the persons who have voted in the precinct so far in that election  
26 day. Counties that use an "authorization to vote document" instead of poll books may  
27 comply with the requirement in the previous sentence by permitting each observer to  
28 inspect election records so that the observer may create a list of persons who have voted  
29 in the precinct so far that election day; each observer shall be entitled to make the  
30 inspection at times specified by the State Board of Elections, but not less than three times  
31 during election day with the spacing not less than one hour apart."
