1 A HOUSE RESOLUTION HONORING THE CITIES OF WILSON AND
2 LAURINBURG ON BEING NAMED 2003 ALL-AMERICA CITIES.

3 Whereas, each year the National Civic League honors 10 communities that
4 best exemplify the spirit of grassroots citizen involvement and cross-sector collaborative
5 problem solving; and

6 Whereas, since 1949, more than 4,000 communities have competed and
7 nearly 500 communities have been named All-America Cities; and

8 Whereas, the 10 recipients selected from this year's 48 competitors were the
9 Cities of Wilson and Laurinburg along with Tempe, Arizona; New Haven, Connecticut;
10 Miami Beach, Florida; Des Moines, Iowa; Marquette County, Michigan; South Sioux
11 City, Nebraska; Corpus Christi, Texas; and Greater Racine Area, Wisconsin; and

12 Whereas, individuals, businesses, government agencies, and nonprofit
13 organizations in both Laurinburg and Wilson worked together to improve their
14 communities with efforts to recognize cultural diversity, create affordable housing, and
15 increase access to health care; and

16 Whereas, Laurinburg's All-America City Award Committee made a
17 presentation highlighting the City's use of SCOTTY, a mobile health care unit that
18 travels throughout Scotland County and provides free health care services; the City's
19 study of the needs of its children that resulted in the creation of educational after-school
20 programs; and the City's efforts to increase home ownership by replacing dilapidated
21 rental housing with affordable homes; and

22 Whereas, Wilson's All-America City Award Committee's presentation
23 highlighted the completion of the restoration of the Oliver Nestus Freeman Round
24 House, which was made into a museum exhibiting the importance of African-Americans
25 in Wilson's history; the redevelopment of East Wilson, which has resulted in improved

1 home ownership, a decrease in crime, better looking neighborhoods, and decreased
2 rental property; and the Citizens for a Healthier Wilson's campaign, which provided
3 immunizations and lead screening exams for children and reduced adolescent
4 pregnancies; and

5 Whereas, the All-America City distinction is a favorable attribute for cities in
6 attracting new residents, businesses, industry, and grants; and

7 Whereas, Laurinburg and Wilson join a small number of cities with multiple
8 All-America City Awards, with Laurinburg previously winning in 1956 and 1967 and
9 Wilson in 1972; and

10 Whereas, Wilson's and Laurinburg's accomplishments exemplify community
11 spirit and deserve recognition; Now, therefore,

12 Be it resolved by the House of Representatives:

13 **SECTION 1.** The House of Representatives recognizes the Cities of
