

- 1           **b.c.** 'J bar, T bar or platter pull,' so-called and similar types of  
2 devices or means of transportation which pull skiers riding on  
3 skis by means of an attachment to a main overhead cable  
4 supported by trestles or towers with one or more spans;  
5           **e.d.** 'Multicar aerial passenger tramway,' a device used to transport  
6 passengers in several open or in closed cars attached to, and  
7 suspended from, a moving wire rope or attached to a moving  
8 wire rope and supported on a standing wire rope, or similar  
9 device;  
10          **d.e.** 'Rope tow,' a type of transportation which pulls the skiers,  
11 riding on skis as the skier grasps the rope manually, or similar  
12 devices;  
13          **e.f.** 'Skimobile,' a device in which a passenger car running on steel  
14 or wooden tracks is attached to and pulled by a steel cable, or  
15 similar device;  
16          **f.g.** 'Two-car aerial passenger tramway,' a device used to transport  
17 passengers in two open or enclosed cars attached to, and  
18 suspended from, a moving wire rope or attached to a moving  
19 wire rope and supported on a standing wire rope or similar  
20 device."

21           **SECTION 2.** G.S. 95-118 reads as rewritten:

22   "**§ 95-118. Registration ~~required.~~ required; application procedures.**

23       No passenger tramway shall be operated in this State unless it has been registered by  
24 the Commissioner of Labor. On or before November 1 in each year, every operator of a  
25 passenger tramway shall apply to the Commissioner of Labor, on forms prepared by  
26 said Commissioner, for registration of the passenger tramway which such operator owns  
27 or manages, or the operation of which he directs.

28       (a) No person shall operate or permit to be operated or use any device subject to  
29 the provisions of this Article without a valid registration certificate.

30       (b) Operators of devices subject to the provisions of this Article shall apply to the  
31 Commissioner of Labor, on forms provided by the Commissioner, for registration of the  
32 devices that the operator owns or manages, or the operation of which the operator  
33 directs. The application shall contain such information as that the Commissioner may  
34 reasonably require in order for him the Commissioner to determine whether the  
35 passenger tramway sought to be registered by such the operator ~~comply~~ complies with  
36 the intent of this Article and the rules and regulations promulgated ~~adopted~~ by the  
37 Commissioner as hereinafter provided. Commissioner."

38           **SECTION 3.** G.S. 95-119 reads as rewritten:

39   "**§ 95-119. Registration ~~criteria and procedure.~~ Certification criteria; procedures;**  
40 **display of certificate.**

41       The Commissioner shall issue to the applying operator without delay a registration  
42 certificate for each passenger tramway owned, managed, or the operation of which is  
43 directed by such operator when the Commissioner is satisfied:

- 1           (1) ~~That the facts stated in the application are sufficient to enable the~~  
2           ~~Commissioner to fulfill his duties under this Article; and~~
- 3           (2) ~~That each such passenger tramway sought to be registered complies~~  
4           ~~with the rules and regulations of the Commissioner promulgated~~  
5           ~~pursuant to the provisions of this Article.~~
- 6           (3) ~~In order to satisfy himself that the conditions described in subdivisions~~  
7           ~~(1) and (2) of this section have been fulfilled, the Commissioner may~~  
8           ~~cause to be made such inspections hereinafter described as he may~~  
9           ~~reasonably deem necessary.~~
- 10          (4) ~~When an operator installs a passenger tramway subsequent to~~  
11          ~~November 1, of any year, such operator shall file a supplemental~~  
12          ~~application for registration of such passenger tramway. Upon the~~  
13          ~~receipt of such supplemental application, the Commissioner shall~~  
14          ~~proceed immediately to initiate proceedings leading to the registration~~  
15          ~~or rejection of registration of such passenger tramway pursuant to the~~  
16          ~~provisions of this Article.~~
- 17          (5) ~~Each registration shall expire on October 31, next following the day of~~  
18          ~~issue. Each operator shall cause the registration certificate for each~~  
19          ~~passenger tramway thus registered to be displayed prominently at the~~  
20          ~~place where passengers are loaded thereon.~~

21          (a) A registration certificate shall be issued without delay when the  
22          Commissioner is satisfied that the facts stated in the application are sufficient to enable  
23          the Commissioner to fulfill his or her duties under this Article and that the device  
24          sought to be registered complies with the rules adopted pursuant to this Article. Each  
25          registration certificate shall expire on October 31 of the year next following the date of  
26          issuance.

27          (b) The Commissioner may conduct any inspections necessary to determine  
28          whether the device sought to be registered complies with the intent of this Article and  
29          the rules adopted pursuant to this Article.

30          (c) The registration certificate for each device subject to the provisions of this  
31          Article shall be displayed prominently at the place where passengers are loaded onto the  
32          device."

33          **SECTION 4.** G.S. 95-120 reads as rewritten:

34          **"§ 95-120. Powers and duties of the Commissioner.**

35          In addition to all other powers and duties conferred and imposed upon the  
36          Commissioner by this Article, the Commissioner shall have and exercise the following  
37          powers and duties:

- 38          (1) ~~To adopt and enforce reasonable rules and regulations relating to~~  
39          ~~public safety in the construction, operation, and maintenance of~~  
40          ~~passenger tramways.~~ adopt, modify, or revoke the rules necessary for  
41          carrying out the provisions of this Article, including those governing  
42          the design, construction, installation, operation, use, and maintenance  
43          of devices subject to the provisions of this Article. The rules and  
44          ~~regulations authorized~~ adopted under this section shall conform as

1 nearly as possible to the standards contained for ~~mechanical~~  
2 ~~engineering aerial passenger tramways safety code as adopted and~~  
3 ~~used by the U.S.A. Standards Institute, B77.1 1960, with addenda~~  
4 ~~B77.1(a)- 1963, and B77.1(b)- 1965, and as said safety code from [for]~~  
5 ~~tramways may be amended from time to time, and in the formulation~~  
6 ~~of said regulations the Commissioner may use and adopt any other~~  
7 ~~safety code for tramways as issued by recognized scientific and~~  
8 ~~mechanical societies. The said regulations shall not be discriminatory~~  
9 ~~in their application to operators of passenger tramways, and the~~  
10 ~~procedures of the Commissioner shall be as provided in this Article;~~  
11 ~~in the B77.1 – American National Standards Safety Requirements for~~  
12 ~~Aerial Passenger Tramways and with good engineering and safety~~  
13 ~~standards, formulas, and practices.~~

- 14 (1a) To enforce the rules adopted under this Article.
- 15 (1b) To grant exceptions from the requirements of the rules adopted under  
16 this Article and to permit the use of other devices when the exceptions  
17 and uses will not expose the public to an unsafe condition likely to  
18 result in serious personal injury or damage to property.
- 19 (2) To hold hearings and take evidence in all matters relating to the  
20 exercise and performance of the powers and duties vested in the  
21 Commissioner, subpoena witnesses, administer oaths, and compel the  
22 testimony of witnesses and the production of books, papers and  
23 records relevant to any ~~inquiry;~~inquiry.
- 24 (3) To approve, deny, revoke, and renew the ~~registrations provided for in~~  
25 ~~this Article and the procedures of the Commissioner with respect~~  
26 ~~thereto shall be as provided in this Article with respect to the issuance~~  
27 ~~of certificates or licenses;~~registration certificates in accordance with  
28 the rules adopted pursuant to this Article.
- 29 (4) To ~~cause the prosecution and the institution of actions for injunctions~~  
30 ~~of all persons violating the provisions of this Article and to incur the~~  
31 ~~necessary expenses thereof;~~institute civil actions for injunctive or other  
32 relief against violators of this Article.
- 33 (5) To cause the seal of the Commissioner of Labor to be affixed to all  
34 registrations issued by ~~him,~~ the Commissioner, and to employ, within  
35 the funds available to ~~him,~~ the Commissioner, and prescribe the duties  
36 of ~~all such~~ the personnel as the Commissioner may deem necessary in  
37 the administration of this Article.
- 38 (6) To have reasonable access, with or without notice, to the devices  
39 subject to the provisions of this Article during reasonable hours, for  
40 the purposes of inspections and testing.
- 41 (7) To investigate accidents involving devices subject to the provisions of  
42 this Article to determine the cause of the accident. The Commissioner  
43 shall have full subpoena powers in conducting the investigations.

1           (8) To coordinate enforcement and inspection activity relative to  
2           equipment, devices, and operations covered by this Article in order to  
3           minimize duplication of liability or regulatory responsibility on the  
4           part of the operator, owner, or employer.

5           (9) To establish fees not to exceed one hundred thirty-seven dollars  
6           (\$137.00) for the inspection and issuance of registration certificates for  
7           devices that are in use and subject to this Article."

8           **SECTION 5.** Article 15 of Chapter 95 of the General Statutes is amended by  
9 adding a new section to read:

10 **"§ 95-120.1. Liability insurance.**

11           (a) No person shall operate a device subject to the provisions of this Article,  
12 unless at the time of operation, there is in existence:

13           (1) A contract of insurance providing coverage of not less than one million  
14 dollars (\$1,000,000) per occurrence against liability for injury to  
15 persons or property arising out of the operation or use of the device; or

16           (2) A contract of insurance providing coverage of not less than five  
17 hundred thousand dollars (\$500,000) per occurrence against liability  
18 for injury to persons or property arising out of the operation or use of  
19 the devices if the annual gross volume of the devices does not exceed  
20 two hundred seventy-five thousand dollars (\$275,000).

21 The insurance contract to be provided must be made by an insurer or surety that is  
22 acceptable to the North Carolina Insurance Commissioner and authorized to transact  
23 business in this State.

24           (b) The Commissioner shall not issue a certificate of registration until the  
25 operator or the operator's authorized agent provides proof of the required contract of  
26 insurance.

27           (c) The Commissioner may request from the operator of a device subject to the  
28 provisions of this Article or the operator's authorized agent, proof of the required  
29 contract of insurance, and upon failure of the operator or authorized agent to provide  
30 proof of insurance, the Commissioner shall have the power to prevent the  
31 commencement of or to stop the operation of the device until such time as proof is  
32 provided."

33           **SECTION 6.** G.S. 95-107 reads as rewritten:

34 **"§ 95-107. Assessment and collection of fees; certificates of safe operation.**

35           The assessment of the fees adopted by the Commissioner pursuant to ~~G.S. 95-110.5~~  
36 ~~and G.S. 95-111.4~~G.S. 95-110.5, 95-111.4, and 95-120 shall be made against the owner  
37 or operator of the equipment and may be collected at the time of inspection. If the fees  
38 are not collected at the time of inspection, the Department must bill the owner or  
39 operator of the equipment for the amount of the fee assessed for the inspection of the  
40 equipment and the amount assessed is payable by the owner or operator of the  
41 equipment upon receipt of the bill. Certificates of safe operation may be withheld by the  
42 Department of Labor until such time as the assessed fees are collected."

43           **SECTION 7.** G.S. 95-108 reads as rewritten:

44 **"§ 95-108. Disposition of fees.**

1 All fees collected by the Department of Labor pursuant to ~~G.S. 95-110.5 and~~  
2 ~~G.S. 95-111.4~~G.S. 95-110.5, 95-111.4, and 95-120 shall be deposited with the State  
3 Treasurer and shall be used exclusively for inspection and certification purposes."

4 **SECTION 8.** This act is effective when it becomes law.
