A BILL TO BE ENTITLED

AN ACT ADOPTING A PROTEST PETITION REQUIREMENT FOR PITT COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1.(a) Zoning regulations and restrictions and zone boundaries may from time to time be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against such change, signed by the owners of twenty percent (20%) or more of the area either of the lots included in a proposed change or of those immediately adjacent thereto either in the rear thereof or on either side thereof, extending 100 feet therefrom, or of those directly opposite thereto extending 100 feet from the street frontage of the opposite lots, an amendment shall not become effective except by favorable vote of three-fourths of all members of the board of commissioners.

SECTION 1.(b) The provisions of subsection (a) of this section concerning protests shall not be applicable to any amendment which initially zones property added to the territorial coverage of the ordinance. They also shall not apply to an amendment to an adopted special use district or conditional use district if the amendment does not do any of the following:

- (1) Change the types of uses that are permitted within the district or increase the approved density for residential development.
- (2) Increase the total approved size of nonresidential development.
- (3) Reduce the size of any buffers or screening approved for the special use or conditional use district.

SECTION 1.(c) Protest petitions must be received by the Clerk to the Board of Commissioners in sufficient time to allow the county at least four normal workdays, excluding Saturdays, Sundays, and legal holidays, before the date established for a public hearing on the proposed charge or amendment to determine the sufficiency and accuracy of the petition.

SECTION 2. This act applies to Pitt County only.

SECTION 3. This act is effective when it becomes law.
