Referred to:

A BILL TO BE ENTITLED

AN ACT PERTAINING TO MEDICAID REIMBURSEMENT FOR DIABETES
OUTPATIENT SELF-MANAGEMENT EDUCATION PROGRAMS.

Whereas, effective November 1, 1999, North Carolina Medicaid began covering Diabetes Outpatient Self-Management Training; and

Whereas, Diabetes Outpatient Self-Management Training programs provide patient education in the successful management of diabetes; and

Whereas, Diabetes Outpatient Self-Management Training programs provide education about self-monitoring of blood glucose, diet, and exercise, including developed insulin treatment plans for insulin-dependent patients and motivation for patients to use the skills for self-management; and

Whereas, Article XVII of the Social Security Act allows coverage and payment only for those services that are considered to be medically reasonable and necessary; and

Whereas, North Carolina Medicaid will only reimburse providers for Diabetes Outpatient Self-Management Training provided "incident" to a physician's professional services; and

Whereas, Diabetes Self-Management Education is reimbursed as part of the Medicare Part B programs as overseen by the Centers of Medicare and Medicaid Services (CMS) provided the entity has received recognition from the American Diabetes Association; and

Whereas, there are 80 recognized American Diabetes Association Diabetes Education Programs in North Carolina; and

Whereas, there are over 720,000 North Carolinians who have been diagnosed with diabetes, including many Medicaid recipients; and

1 Whereas, diabetes education can improve the health and welfare of North
2 Carolina Medicaid recipients and reduce overall costs to the State Medical Assistance
3 Plan; Now, therefore,

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** The Department of Health and Human Services, Division of
6 Medical Assistance, shall reimburse entities for providing a Diabetes Outpatient
7 Self-Management Education Program regardless of whether the entity provides the
8 program incident to a physician's professional services. Reimbursement shall be made
9 only if the entity:

- 10 (1) Meets the National Standards for Diabetes Self-Management
11 Education Programs;
- 12 (2) Has been recognized by the American Diabetes Association for
13 meeting the National Standards for Diabetes Self-Management
14 Education;
- 15 (3) Has obtained a "Certificate of Recognition" from the American
16 Diabetes Association which is maintained by the provider and made
17 available to DMA or its agent upon request; and
- 18 (4) Has received documentation certifying the need for diabetic training
19 and documentation of the training provided.

20 Any pharmacy or pharmacist providing diabetes education services for
21 Medicaid enrollees shall obtain relevant patient history information and provide a
22 summary of specific problems discussed to the Medicaid enrollee's primary care
23 physician. The summary required by this section shall be prepared or reviewed by the
24 pharmacist who provided the educational services. This section shall not be interpreted
25 to permit a pharmacist to provide services otherwise requiring a Clinical Pharmacist
26 Practitioner from the Pharmacy Board.

27 **SECTION 2.** This act becomes effective July 1, 2007.
