Short Title: State Health Plan/ P.C.M.H. Pilot Program. (Public)

Sponsors: Representatives Murry and Folwell (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO CREATE A PATIENT-CENTERED MEDICAL HOME PILOT PROGRAM  
3 FOR THE STATE HEALTH PLAN FOR TEACHERS AND STATE EMPLOYEES.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** The State Health Plan shall develop and implement by January 1,  
6 2012, a pilot program that utilizes a Patient-Centered Medical Home (PCMH) approach to  
7 primary care. The pilot program shall have the following characteristics:

- 8 (1) The State Health Plan shall identify and recruit up to 20,000 participants  
9 who have had difficulty managing chronic conditions. The Plan may set a  
10 maximum salary or other financial requirements for participants.
- 11 (2) A program participant shall not be required to pay any additional costs for  
12 participating in the program other than the appointment fee as provided in  
13 subdivision (4) of this section.
- 14 (3) The program shall include cost sharing based on specific clinical outcomes,  
15 such as LDL, blood pressure, HgA1c, or other specific measurables that  
16 can be managed by lifestyle changes or adherence to a course of prescribed  
17 treatment by a primary care provider.
- 18 (4) Each program participant shall receive care through a PCMH selected by the  
19 participant. Once the PCMH is chosen, the participant shall pay no more  
20 than a twenty-dollar (\$20.00) appointment fee for the care associated with  
21 the management of a participant's chronic condition(s). The Plan shall  
22 reimburse a participant who complies with the course of treatment for all  
23 costs associated with prescription medications.
- 24 (5) Any other care not related to a participant's chronic condition shall be  
25 subject to a deductible set by the Plan, and a participant may earn  
26 "deductible credits" by meeting goals associated with measurables under  
27 subdivision (3) of this section.
- 28 (6) The out-of-pocket limits for in-network individual coverage for a program  
29 participant shall not exceed four thousand dollars (\$4,000) per year.
- 30 (7) The Plan shall not spend more than five thousand two hundred eleven dollars  
31 (\$5,211) per participant per year on this pilot program.

32 **SECTION 2.** This act is effective when it becomes law.
