HOUSE RESOLUTION DRHR10592-LG-243A (06/25)

Sponsors: Representatives Whitmire, West, Queen, and Baskerville (Primary Sponsors).

Referred to:

1 A HOUSE RESOLUTION HONORING THE MEMORY OF DR. CARL SCHENCK, FOR
2 WHOM THE TRANSYLVANIA COUNTY JOB CORPS IS NAMED; ARTHUR H.
3 WHITE, FIRST CENTER DIRECTOR OF THE OCONALUFTEE JOB CORPS
4 CONSERVATION CENTER; CAPP PRICE, FIRST CENTER DIRECTOR OF THE
5 LYNDON B. JOHNSON CIVILIAN CONSERVATION CENTER; AND GEORGE AND
6 ELIZABETH KITTRELL, CRITICAL ENABLERS OF THE KITTRELL JOB CORPS
7 CENTER, WHILE RECOGNIZING AUGUST 18-22, 2014, AS "CELEBRATE JOB
8 CORPS 50 WEEK."

9 Whereas, over the course of 50 years, millions of at-risk youth have been forever
10 changed by Job Corps' comprehensive residential, academic, and career preparation program;
11 and

12 Whereas, the North Carolina Job Corps Centers located in North Carolina in the
13 cities of Brevard, Cherokee, Franklin, and Kittrell provide a vital service to our communities by
14 serving thousands of disadvantaged youth between 16 and 24 years of age, inclusive, by
15 providing high school diplomas and career technical education to young men and women, all of
16 whom come from very low-income households and are either unemployed or underemployed;
17 and

18 Whereas, in addition to academic and employment training, the North Carolina Job
19 Corps Centers provide social skills and employability skills training, as well as career success
20 standards and other services to empower these young men and women to obtain and hold a job,
21 enroll in advanced training, enroll in AmeriCorps, attend college, or enter the Armed Forces to
22 defend the interests of the United States around the world; and

23 Whereas, over the past 50 years, thousands of dropouts have received a fully
24 accredited public high school credential, earned an industry-recognized vocational credential,
25 and entered employment; and

26 Whereas, the North Carolina Job Corps Centers stimulate millions of dollars in
27 economic activity each year and directly and indirectly support thousands of jobs; and

28 Whereas, it is timely and appropriate that North Carolina celebrate Job Corps and its
29 accomplishments in reducing the cycle of poverty, strengthening our local communities, and
30 improving the quality of thousands of lives; and

31 Whereas, while some historians note that the first Job Corps opened in January of
32 1965, at Camp Catocin, Maryland, the Camp Arrowood Job Corps Center opened with six
33 students on August 27, 1964, in the town of Franklin, North Carolina, which was later renamed
34 the Lyndon B. Johnson Job Corps Civilian Conservation Center in honor of our 36th President
35 of the United States, under whose administration Job Corps was founded; and

1 Whereas, two of Lyndon B. Johnson Job Corps Civilian Conservation Center's most
2 influential leaders included the Center's first director, Capp Price, who was instrumental in
3 garnering support for the Center, and residential manager, Norman Seay, a well-known and
4 respected member of his community, who served in that capacity for 26 years; and

5 Whereas, the Schenck Job Corps in Transylvania County is named for Dr. Carl
6 Schenck, who was America's pioneering forestry educator; and

7 Whereas, Arthur H. White served as the first Director of the Oconaluftee Job Corps
8 Conservation Center; and

9 Whereas, George and Elizabeth Kittrell were critical enablers of the Kittrell Job
10 Corps Center; and

11 Whereas, recognizing August 18 through August 22, 2014, as "Celebrate Job Corps
12 50 Week" is a fitting testimony to some of the individuals connected to the Job Corps centers in
13 North Carolina; Now, therefore,

14 Be it resolved by the House of Representatives:

21 come.

22 **SECTION 3.** This resolution is effective upon adoption.
