These petitions must be filed with the State Board of Elections on or before 12:00 noon on the last Friday in June preceding the general election and must be signed by qualified voters of the State equal in number to two percent (2%) of the total number of voters who voted in the most recent general election for Governor. Also, the petition must be signed by at least 200 registered voters from each of four congressional districts in North Carolina. No later than 5:00 p.m. on the fifteenth day preceding the date the petitions are due to be filed with the State Board of Elections, each petition shall be presented to the chairman of the board of elections of the county in which the signatures were obtained. Provided the petitions are timely submitted, the chairman shall examine the names on the petition and place a check mark on the petition by the name of each signer who is qualified and registered to vote in his county and shall attach to the petition his signed certificate. Said certificates shall state that the signatures on the petition have been checked against the registration records and shall indicate the number of signers to be qualified and registered to vote in his county. The chairman shall return each petition, together with the certificate required in this section, to the person who presented it to him for checking. Verification by the chairman of the county board of elections shall be completed within two weeks from the date such petitions are presented.
 - (2) If the office is a district office under the jurisdiction of the State Board of Elections under G.S. 163-182.4(b), file written petitions with the State Board of Elections supporting that voter's candidacy for a specified office. These petitions must be filed with the State Board of Elections on or before 12:00

Each petition shall be presented to the chairman of the board of elections of the county in which the signatures were obtained. The chairman shall examine the names on the petition and the procedure for certification and deadline for submission to the county board shall be the same as specified in (1) above.
- If the office is a county office or a single county legislative district, file (3) written petitions with the chairman or director of the county board of elections supporting his candidacy for a specified county office. These petitions must be filed with the county board of elections on or before 12:00 noon on the last Friday in June preceding the general election and must be signed by qualified voters of the county equal in number to four percent (4%) of the total number of registered voters in the county as reflected by the voter registration records of the State Board of Elections as of January 1 of the year in which the general election is to be held, except if the office is for a district consisting of less than the entire county and only the voters in that district vote for that office, the petitions must be signed by qualified voters of the district equal in number to four percent (4%) of the total number of voters in the district according to the voter registration records of the State Board of Elections as of January 1 of the year in which the general election is to be held. Each petition shall be presented to the chairman or director of the county board of elections. The chairman shall examine, or cause to be examined, the names on the petition and the procedure for certification shall be the same as specified in (1) above.
- (4) If the office is a partisan municipal office, file written petitions with the chairman or director of the county board of elections in the county wherein the municipality is located supporting his candidacy for a specified municipal office. These petitions must be filed with the county board of elections on or before the time and date specified in G.S. 163-296 and must be signed by the number of qualified voters specified in G.S. 163-296. The procedure for certification shall be the same as specified in (1) above.

Upon compliance with the provisions of (1), (2), (3), or (4) of this subsection, the board of elections with which the petitions have been timely filed shall cause the <u>unaffiliatedindependent</u> candidate's name to be printed on the general election ballots in accordance with Article 14A of this Chapter.

An individual whose name appeared on the ballot in a primary election preliminary to the general election shall not be eligible to have his name placed on the general election ballot as an unaffiliated-independent candidate for the same office in that year.

- (b) Form of Petition. Petitions requesting an <u>unaffiliated independent</u> candidate to be placed on the general election ballot shall contain on the heading of each page of the petition in bold print or in all capital letters the words: "THE UNDERSIGNED REGISTERED VOTERS IN _____ COUNTY HEREBY PETITION ON BEHALF OF _____ AS AN <u>UNAFFILIATED INDEPENDENT</u> CANDIDATE FOR THE OFFICE OF _____ IN THE NEXT GENERAL ELECTION. THE UNDERSIGNED HEREBY PETITION THAT SUBJECT CANDIDATE BE PLACED ON THE APPROPRIATE BALLOT UPON COMPLIANCE WITH THE PROVISIONS CONTAINED IN G.S. 163-122."
 - (c) This section does not apply to elections under Article 25 of this Chapter.

 (d) When any person files a petition with a board of elections under this section, the board of elections shall, immediately upon receipt of the petition, inspect the registration records of the county and cancel the petition of any person who does not meet the constitutional or statutory qualifications for the office, including residency.residency, or who is affiliated with a political party as defined in G.S. 163-96.

The board shall give notice of cancellation to any person whose petition has been cancelled under this subsection by mail or by having the notice served on that person by the sheriff and to any other candidate filing for the same office. A person whose petition has been cancelled or another candidate for the same office affected by a substantiation under this subsection may request a hearing on the issue of constitutional or statutory qualifications for the office. If the person requests a hearing, the hearing shall be conducted in accordance with Article 11B of Chapter 163 of the General Statutes.

- (e) A person who qualifies as an independent candidate and receives not less than twice the number of votes as the number of signatures required for placement on the ballot for that election may again qualify for the ballot as an independent candidate for the next election for that office by filing a petition for that status under the same deadlines as provided by this section, but the only signature required shall be that of the candidate. The State Board of Elections shall prescribe the form for such request.
- (e) Any candidate seeking to have that candidate's name printed on the general election ballot under this section shall pay a filing fee equal to that provided for candidates for the office in G.S. 163-107 or comply with the alternative available to candidates for the office in G.S. 163-107.1."

SECTION 2. G.S. 163-165.5 reads as rewritten:

SECTION 3. G.S. 163-33 reads as rewritten

"§ 163-33.3. County board of elections littering notification.

At the time an individual files with a county board of elections a notice of candidacy pursuant to G.S. 163-106, 163-112, 163-291, or 163-294.2, is certified to a county board of elections by a political party executive committee to fill a nomination vacancy pursuant to G.S. 163-114, qualifies with a county board of elections as an unaffiliated-independent or write-in candidate pursuant to Article 11 of this Chapter, or formally initiates with a county board of elections a candidacy pursuant to any statute or local act, the county board of elections shall notify the candidate of the provisions concerning campaign signs in G.S. 136-32 and G.S. 14-156 and the rules adopted by the Department of Transportation pursuant to G.S. 136-18."

SECTION 4. G.S. 163-45 reads as rewritten:

"§ 163-45. Observers; appointment.

The chair of each political party in the county shall have the right to designate two observers to attend each voting place at each primary and election and such observers may, at the option of the designating party chair, be relieved during the day of the primary or election after serving no less than four hours and provided the list required by this section to be filed by each chair contains the names of all persons authorized to represent such chair's political party. Not more than two observers from the same political party shall be permitted in the voting enclosure at any time. This right shall not extend to the chair of a political party during a primary unless that party is participating in the primary. In any election in which an unaffiliated independent candidate is named on the ballot, the candidate or the candidate's campaign manager shall have the right to appoint two observers for each voting place consistent with the provisions specified herein. Persons appointed as observers must be registered voters of the county for which appointed and must have good moral character. No person who is a candidate on the ballot in a primary or election may serve as an observer or runner in that primary or election. Observers shall take no oath of office.

Individuals authorized to appoint observers must submit in writing to the chief judge of each precinct a signed list of the observers appointed for that precinct. Individuals authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general election, submit in writing to the chair of the county board of elections two signed copies of a list of observers appointed by them, designating the precinct for which each observer is appointed. Before the opening of the voting place on the day of a primary or general election, the chair shall deliver one copy of the list to the chief judge for each affected precinct. The chair shall retain the other copy. The chair, or the chief judge and judges for each affected precinct, may for good cause reject any appointee and require that another be appointed. The names of any persons appointed in place of those persons rejected shall be furnished in writing to the chief judge of each affected precinct no later than the time for opening the voting place on the day of any primary or general election, either by the chair of the county board of elections or the person making the substitute appointment.

If party chairs appoint observers at one-stop sites under G.S. 163-227.2, those party chairs shall provide a list of the observers appointed before 10:00 A.M. on the fifth day before the observer is to observe.

An observer shall do no electioneering at the voting place, and shall in no manner impede the voting process or interfere or communicate with or observe any voter in casting a ballot, but, subject to these restrictions, the chief judge and judges of elections shall permit the observer to make such observation and take such notes as the observer may desire.

Whether or not the observer attends to the polls for the requisite time provided by this section, each observer shall be entitled to obtain at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart, a list of the persons who have voted in the precinct so far in that election day. Counties that use an "authorization to vote document" instead of poll books may comply with the requirement in the previous sentence by permitting each observer to inspect election records so that the observer may create a list of persons who have voted in the precinct so far that election day; each observer shall be entitled to make the inspection at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart.

Instead of having an observer receive the voting list, the county party chair may send a runner to do so, even if an observer has not been appointed for that precinct. The runner may be the precinct party chair or any person named by the county party chair. Each county party chair using runners in an election shall provide to the county board of elections before 10:00 A.M. on the fifth day before election day a list of the runners to be used. That party chair must notify the chair of the county board of elections or the board chair's designee of the names of all runners to be used in each precinct before the runner goes to the precinct. The runner may receive a voter list from the precinct on the same schedule as an observer. Whether obtained by observer or runner, each party is entitled to only one voter list at each of the scheduled times. No runner may enter the voting enclosure except when necessary to announce that runner's presence and to receive the list. The runner must leave immediately after being provided with the list."

SECTION 5. G.S. 163-209(a) reads as rewritten:

"(a) The names of candidates for electors of President and Vice-President nominated by any political party recognized in this State under G.S. 163-96, or nominated under G.S. 163-1(c) by a candidate for President of the United States who has qualified to have his or her name printed on the general election ballot as an unaffiliated-independent candidate under G.S. 163-122, shall be filed with the Secretary of State but shall not be printed on the ballot. In the case of the unaffiliated candidate, the names of candidates for electors must be filed with the Secretary of State no later than 12:00 noon on the first Friday in August. In place of their names, there shall be printed on the ballot the names of the candidates for President and Vice-President of each political party recognized in this State, and the name of any candidate for President who has qualified to have his or her name printed on the general election ballot under G.S. 163-122. A candidate for President who has qualified for the general election ballot as an unaffiliated independent candidate under G.S. 163-122 shall, no later than 12:00 noon on the first Friday in August, file with the State Board of Elections the name of a candidate for Vice-President, whose name shall also be printed on the ballot. A vote for the candidates named on the ballot shall be a vote for the electors of the party or unaffiliated-independent candidate by which those candidates were nominated and whose names have been filed with the Secretary of State."

SECTION 6. G.S. 163-296 reads as rewritten:

"§ 163-296. Nomination by petition.

In cities conducting partisan elections, any qualified voter who seeks to have his name printed on the regular municipal election ballot as an <u>unaffiliated-independent</u> candidate may do so in the manner provided in G.S. 163-122, except that the petitions and affidavits shall be filed not later than 12:00 noon on the Friday preceding the seventh Saturday before the election, and the petitions shall be signed by a number of qualified voters of the municipality

 municipal election according to the voter registration records of the State Board of Elections as of January 1 of the year in which the general municipal election is held. A person whose name appeared on the ballot in a primary election is not eligible to have his name placed on the regular municipal election ballot as an <u>unaffiliated_independent_candidate</u> for the same office in that year. The Board of Elections shall examine and verify the signatures on the petition, and shall certify only the names of signers who are found to be qualified registered voters in the municipality. Provided that in the case where a qualified voter seeks to have his name printed on the regular municipal election ballot as an <u>unaffiliated_independent_candidate</u> for election from an election district within the municipality, the petition shall be signed by four percent (4%) of the voters qualified to vote for that office."

equal to at least four percent (4%) of the whole number of voters qualified to vote in the

SECTION 7. G.S. 163-299(a) reads as rewritten:
