(4) Encumbrance. – A financial obligation created by a purchase order, contract, salary commitment, unearned or prepaid collections for services provided, or other legally binding agreement. A financial obligation is not an encumbrance for purposes of this section unless it (i) is in writing and has been signed by a person or entity who has authority to legally bind the grantee or subgrantee to spend the funds or (ii) was created by the provision of goods or services to the grantee or subgrantee by a third party under circumstances that create a legally binding obligation to pay for the goods or services.

(d) Office of State Budget Rules Must Require Uniform Administration of State Grants. – The Office of State Budget and Management shall adopt rules to ensure the uniform administration of State grants by all grantor State agencies and grantees or subgrantees. The Office of State Budget and Management shall consult with the Office of the State Auditor and the Attorney General in establishing the rules required by this subsection. The rules shall establish policies and procedures for disbursements of State grants and for State agency oversight, monitoring, and evaluation of grantees and subgrantees. The policies and procedures shall:

(5) Provide for adequate oversight and monitoring to prevent the misuse of grant funds. These policies shall require each grantee and subgrantee to ensure that, for accounting purposes, State funds and interest earned on those funds remain separate and apart from other funds in the possession or control of the grantee or subgrantee.

(12) Provide procedures for the recovery and return to the grantor State agency of unexpended grant funds from a grantee or subgrantee if (i) in accordance with subsection (f1) of this section or (ii) in the event that the grantee or subgrantee is unable to fulfill the purposes of the grant for a reason not set forth in that subsection.

(d1) Required Grant Terms. – The terms of each grant shall include all of the following, which shall be deemed a part of the grant:

(2) The funds remain unexpended at the time that the grantee or subgrantee dissolves, ceases operations, or otherwise indicates that it does not intend to spend the funds.
(3) The Office of State Budget and Management seeks to recover the funds pursuant to subsection (f) of this act.

(f2) Use of Returned Grant Funds. – Encumbered funds returned to the State pursuant to subsection (f1) of this section by a grantee or subgrantee shall upon appropriation by the General Assembly be spent in accordance with the terms of the encumbrance. All other funds returned to the State by a grantee or subgrantee pursuant to subsection (f1) of this section shall be credited to the fund from which they were appropriated and shall remain unexpended and unencumbered until appropriated by the General Assembly. Nothing in this section shall be construed to authorize an expenditure pursuant to an unlawful encumbrance or in a manner that would violate the terms of the appropriation of the grant funds at issue.

... (j) Use of Interest Earned on Grant Funds. – Except as otherwise required by federal law or the terms of a federal grant, interest earned on grant funds after receipt of the funds by a grantee or subgrantee shall be credited to the grantee or subgrantee and shall be used for the same purposes for which the grant or subgrant was made.

(k) Reporting by Grantees and Subgrantees That Cease Operations. – A grantee or subgrantee that intends to dissolve or cease operations shall report that decision in writing to the Office of State Budget and Management and to the Fiscal Research Division at least 30 days prior to taking that action."

SECTION 6.5.(b) This section becomes effective July 1, 2014, and applies to grants appropriated on or after that date.

This term includes settlement agreements, stipulation agreements, consent judgments, and consent decrees.

(b) Prohibition. – The following restrictions shall apply:

c. An attorney awarded attorneys' fees for representing (i) a party under sub-subdivision a. of this subdivision or (ii) a consumer under sub-subdivision b. of this subdivision.

(c) Exception. – Subsections (b) and (e) of this section shall not apply to funds received by the Department of Health and Human Services to the extent those funds represent the recovery of previously expended Medicaid funds.
(d) Recommendation. – The Attorney General may provide a nonbinding written recommendation to the chairs of the Senate and House Appropriations Committees for their consideration as to what purpose the funds subject to the prohibition in subsection (b) of this section should be appropriated for.

(e) Overrealized Receipts. – Any provision of law authorizing the expenditure of overrealized receipts shall not apply to the funds referred to in subdivision (1) of subsection (b) of this section unless the language of the law specifically references this section or specifically references funds received by the State or a State agency from a settlement or other final order or judgment of the court.

(f) Required Disposition. – If the terms of a federal grant, another provision of State or federal law, or the State Constitution require a specific disposition of funds received from a settlement or other final order or judgment of the court, nothing in this section shall be construed to supersede, or authorize a deviation from, that specific disposition. Furthermore, nothing in this subsection shall be construed to abrogate the requirement that funds drawn from the State treasury be in consequence of appropriations made by law.

(g) Required Submission. – In addition to any other report or filing that may be required by law, and unless the settlement is sealed pursuant to a written order of the court in accordance with G.S. 132-1.3 or federal law, the Attorney General’s Office shall submit a copy to the Legislative Library of any settlement or other final order or judgment of the court in which the State or a State agency receives funds in excess of seventy-five thousand dollars ($75,000). The submission required by this subsection shall be made within 60 days of the date (i) the settlement is entered into or (ii) the final order or judgment of the court is entered. Any information deemed confidential by State or federal law shall be redacted from the copy of the settlement or other final order or judgment of the court prior to submitting it to the Legislative Library.

SECTION 6.6.(b) This section becomes effective December 1, 2014, and applies to settlements entered into on or after that date and other final orders or judgments of the court entered on or after that date.

PILOT PROGRAM TO IMPROVE BUDGETING OF THE GENERAL FUND

SECTION 6.7.(a) Finding. – The General Assembly finds that State budgeting is more transparent when the enacted budget for any given fiscal year appropriates all State funds intended for expenditure during that fiscal year, including funds encumbered in prior fiscal years, funds carried forward from prior fiscal years pursuant to statutory authority, and unearned revenue earned in a prior fiscal year.

SECTION 6.7.(b) Review of Current Practices. – The Office of State Budget and Management and the Office of the State Controller, in consultation with the Fiscal Research Division, shall examine all of the following:

3. Whether any statutory or administrative changes would improve the transparency and accounting accuracy of the General Fund.

4. Whether the practices examined pursuant to subdivision (1) of this section comply with applicable standards of the Governmental Accounting Standards Board.

SECTION 6.7.(c) Pilot Program. – The Office of State Budget and Management and the Office of the State Controller, in consultation with the Fiscal Research Division, may establish and operate a pilot program to test measures for improving the extent to which funds that are to be spent in a given fiscal year are properly budgeted in that fiscal year. The pilot program may be subject to the following:

b. Some or all of the unexpended appropriations carried forward by The University of North Carolina pursuant to G.S. 116-30.3.

c. Any other programs and funds that are deemed to be suitable for inclusion in the pilot program.

(2) Funds and programs that are included in the pilot program may be subject to the following requirements:

a. An alternative liquidation period for encumbered funds that do not revert at the end of the 2014-2015 fiscal year under G.S. 143C-1-2(b).

b. A requirement (i) that The University of North Carolina prepare an estimate of the amount of funds it anticipates will be carried forward into the 2015-2016 fiscal year pursuant to G.S. 116-30.3 and (ii) that this estimate be submitted to the Office of State Budget and Management and to the Fiscal Research Division no later than March 1, 2015.

SECTION 6.7.(d) Report. – No later than October 1, 2015, the Office of State Budget and Management and the Office of the State Controller, in consultation with the Fiscal Research Division, shall report the results of the review and pilot program required by this section to the chairs of the Senate Appropriations/Base Budget Committee, to the chairs of the House Appropriations Committee, and to the Director of the Budget. If a report is submitted pursuant to this subsection, then the pilot program required by subsection (c) of this section shall not be implemented, but the review required by subsection (b) of this section shall nonetheless be performed.

SECTION 6.7.(f) Expiration of Pilot Program. – The pilot program required by this section shall expire upon the submission of the report required by subsection (d) of this section or the submission pursuant to subsection (e) of this section stating that the pilot program cannot be implemented.

"SECTION 6.1. For the 2013-2015 fiscal biennium and notwithstanding the provisions of G.S. 143C-4-4(b), funds appropriated to the Contingency and Emergency Fund may be used only for expenditures required (i) by a court or Industrial Commission order, (ii) to respond to events as authorized under G.S. 166A-19.40(a) of the North Carolina Emergency Management Act, (iii) by the State Treasurer to pay death benefits as authorized under Article 12A of Chapter 143 of the General Statutes, (iv) by the Office of the Governor for crime rewards in accordance with G.S. 15-53 and G.S. 15-53.1, (v) by the Industrial Commission for supplemental awards of compensation, or (vi) by the Department of Justice for legal fees, or (vii) for litigation expenses incurred by State agencies in defense of the State during the 2014-2015 fiscal year, in an amount not to exceed seven hundred fifty thousand dollars ($750,000), as approved by the Office of State Budget and Management. These funds shall not be used for other statutorily authorized purposes or for any other contingencies and emergencies."

DEPARTMENT OF ADMINISTRATION/EUGENICS PROGRAM AMENDMENTS

SECTION 6.13.(a) G.S. 143B-426.51 reads as rewritten:

"§ 143B-426.51. Compensation payments.

(a) A claimant determined to be a qualified recipient under this Part shall receive a lump sum compensation in the amount determined by this subsection from funds appropriated to the Department of State Treasurer for these purposes. Except as provided by the succeeding sentence, the amount of compensation for each qualified recipient is the sum of ten million dollars ($10,000,000) divided by the total number of qualified recipients, and all such payments shall be made on June 30, 2015. The State Treasurer shall reduce the ten million dollars ($10,000,000) by holding out a pro-rata amount per claimant for any cases in which there has not been a final determination of the claim on June 30, 2015. Payments made to persons determined to be qualified claimants after that date shall be made upon such determination, and if after final adjudication of all claims there remains a balance from the funds held out, they shall be paid pro rata to all qualified claimants. A qualified recipient shall receive compensation in the form of two payments. By October 31, 2014, claimants determined by the Commission to be qualified recipients shall receive an initial payment as provided by this section. Claimants determined to be qualified recipients after that date shall receive an initial payment within 60 days of the Commission's determination. A second and final payment shall be made after the exhaustion of all appeals arising from the denial of eligibility for compensation under this Part.

The initial payment to each qualified recipient will be calculated by adding together the number of qualified recipients as of October 1, 2014, and the number of claims outstanding that are pending, then dividing that total number into the sum of ten million dollars ($10,000,000). The initial payment checks shall be remitted by October 31, 2014.

The final payment calculation will be made by taking the balance of compensation funds remaining after the exhaustion of appeals and dividing that sum equally between the number of qualified recipients determined finally to be eligible to receive compensation. The final
payment checks shall be remitted within 90 days of the exhaustion of the last appeal. Any qualified claimant who was successful on appeal and who did not receive an initial payment shall be paid an amount equal to the initial payment amount, plus the amount from the final payment calculation.

The Office and the State Controller shall collaborate to facilitate the administration of this section so as to effectuate the compensation of qualified recipients as soon as practicable.

(b) If any claimant shall die during the pendency of a claim, or after being determined to be a qualified recipient, any payment shall be made to the estate of the decedent.

(c) A qualified recipient may assign compensation received pursuant to subsection (a) of this section to a trust established for the benefit of the qualified recipient.

(d) It is the public policy of this State that funds awarded for the compensation of sterilization victims under this Part may be used only for the purpose of benefiting victims and shall not be used to pay attorneys' fees arising from representation at the Office, before the Commission, or on appeal. The General Assembly finds that qualified recipients have suffered a unique harm that calls for a unique remedy and that there are sufficient sources of assistance and pro bono legal representation available to protect their interests. Therefore, any agreement for the acceptance of attorneys' fees is null and void unless counsel has sought and received an opinion from the North Carolina State Bar that the fee arrangement is reasonable under the Rules of Professional Conduct.

(e) All missing claim information must be postmarked to, or received by, the Office by September 23, 2014, in order to be considered.

(f) By September 30, 2014, the Office shall submit all remaining claim forms to the Commission for appropriate disposition in accordance with this Part."

"(a) An individual shall be entitled to compensation as provided for in this Part if a claim is submitted on behalf of that individual in accordance with this Part, or is mailed and postmarked on or before June 30, 2014, and that individual is subsequently determined by a preponderance of the evidence to be a qualified recipient, except that any competent adult who gave consent is not a qualified recipient unless that individual can show by a preponderance of the evidence that the consent was not informed."

"(g) If at any stage of the proceedings the claimant is determined to be a qualified recipient, the Commission shall give notice to the claimant and to the Office of the State Treasurer, and the State Treasurer, Justice for Sterilization Victims and to the Office of State Controller. The Office of State Controller shall make payment of compensation to the qualified recipient or"

SECTION 6.13.(d) Of the funds appropriated from the General Fund to the Office of Justice for Sterilization Victims, Department of Administration, the sum of one hundred thirty thousand dollars ($130,000) shall be used for the 2014-2015 fiscal year to pay the costs of administering the compensation program for sterilization victims.

SECTION 6.13.(e) Section 6.18(g) of S.L. 2013-360 reads as rewritten:

"SECTION 6.18.(g) Subsection (b) of this section becomes effective for taxable years beginning on or after January 1, 2015. Subsections (e) and (g) of this section are effective when this act becomes law. The remainder of this section becomes effective July 1, 2013. Except for the provisions of subsections (b) and (c) of this section, and the final adjudication of any claims under subsection (a) of this section that are pending on June 30, 2015, this section expires June 30, 2015, and the Office of Justice for Sterilization Victims is abolished."

SECTION 6.13.(f) G.S. 108A-70.5 is amended by adding a new subsection to read:

(b) The Department shall furnish a copy of the recipient check register monthly to each county auditor showing a complete list of all recipients of Work First Family Assistance in Standard Program Counties and State-County Special Assistance, their addresses, and the amounts of the monthly grants. An Electing County whose checks are not being issued by the State shall furnish a copy of the recipient check register monthly to its county auditor showing a complete list of all recipients of Work First Family Assistance in the Electing County, their addresses, and the amounts of the monthly payments. The Secretary of the Department of Health and Human Services shall have the authority to adopt rules governing access to medical assistance case files."

SECTION 8.39.(b) G.S. 115C-12 is amended by adding a new subdivision to read:

"(44) Duty to Ensure Educational Services in Private Psychiatric Residential Treatment Facilities (PRTFs). – The Board, in collaboration with the
Department of Health and Human Services, shall ensure that educational services are provided to all students in PRTFs as required under Part 4 of Article 6 of Chapter 122C of the General Statutes. The Board shall ensure that a child with a disability as defined under G.S. 115C-106.3(1) in a PRTF receives educational services and procedural safeguards as provided in Article 9 of this Chapter."

SECTION 8.39.(c) G.S. 122C-23.1 reads as rewritten:

"§ 122C-23.1. Licensure of residential treatment facilities.  
(a) The General Assembly finds:  
(1) That much of the care for residential treatment facility residents is paid by the State and the counties;  
(2) That the cost to the State for care for residents of residential treatment facilities is substantial, and high vacancy rates in residential treatment facilities further increase the cost of care;  
(3) That the proliferation of residential treatment facilities results in costly duplication and underuse of facilities and may result in lower quality service;  
(4) There is currently no ongoing relationship between some applicants for licensure and local management entities (LMEs) that are responsible for the placement of children and adults in residential treatment facilities; and  
(5) That it is necessary to protect the general welfare and lives, health, and property of the people of the State for the local management entity (LME) to verify that additional beds are needed in the LME's catchment area before new residential treatment facilities are licensed. This process is established to ensure that unnecessary costs to the State do not result, residential treatment facility beds are available where needed, and that individuals who need care in residential treatment facilities may have access to quality care.  

Based on these findings, the Department of Health and Human Services may license new residential treatment facilities if the applicant for licensure submits with the application a letter of support obtained from the local management entity in whose catchment area the facility will be located. The letter of support shall be submitted to the Department of Health and Human Services, Division of Health Service Regulation and Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and shall specify the number of existing beds in the same type of facility in the catchment area and the projected need for additional beds of the same type of facility.  

(b) All private psychiatric residential treatment facilities (PRTFs), as defined in G.S. 122C-450(a)(3), that serve children eligible to attend the public schools in accordance with G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the requirements of that statute, shall have a facility-based school as a condition of licensure. Subject to the time limits of subsection (c) of this section, the school shall meet all the requirements of a qualified nonpublic school under Article 39 of Chapter 115C of the General Statutes and of a Nonpublic Exceptional Children's Program as defined in G.S. 122C-450(a)(2). The requirements of this subsection and subsection (c) of this section do not apply to PRTFs that are approved charter schools pursuant to Part 6A of Article 16 of Chapter 115C of the General Statutes.  

(c) The Department of Health and Human Services may issue an initial license to a PRTF that meets all licensure requirements except for the approval of the facility-based school as a Nonpublic Exceptional Children's Program by the Department of Public Instruction. This initial license is valid for a period of six months, during which time the PRTF shall obtain approval of its facility-based school as a Nonpublic Exceptional Children's Program by the Department of Public Instruction. If such approval is not obtained before the expiration of the initial license, the Department of Health and Human Services shall review the PRTF's license for appropriate action. If the PRTF obtains approval as a Nonpublic Exceptional Children's Program, the Department of Health and Human Services may issue a license for the remainder of the calendar year, and the facility is eligible for annual renewal thereafter.  

(d) At any time upon receipt of a written notice from the Department of Public Instruction that a PRTF has not provided or is not providing educational services, or is not reasonably cooperating with the Department of Public Instruction to ensure those services are provided and that compliance with State and federal law is assured, the Department of Health
and Human Services shall review the PRTF's license for appropriate action. The Department of Health and Human Services may issue sanctions including (i) requiring a refund of all State funds disbursed for the provision of educational services for the current fiscal year, (ii) barring future funding for the provision of educational services for the current or following year, or (iii) suspending or revoking the PRTF's license.

(e) As used in this subsection, "residential treatment facility" means a "residential facility" as defined in and licensed under this Chapter, but not subject to Certificate of Need requirements under Article 9 of Chapter 131E of the General Statutes."

SECTION 8.39.(d) G.S. 122C-55 is amended by adding a new subsection to read:

"(g2) Whenever there is reason to believe that the client is eligible for educational services through a governmental agency, a facility shall disclose client identifying information to the Department of Public Instruction. Disclosure is limited to that information necessary to establish, coordinate, or maintain educational services. The Department of Public Instruction may further disclose client identifying information to a local school administrative unit as necessary."

SECTION 8.39.(e) Article 6 of Chapter 122C of the General Statutes is amended by adding a new Part to read:

§ 122C-450. Definitions.

(a) The following definitions apply in this Part:

(1) "Educational services" means appropriate education-related assessment and instruction provided to any child residing in a private psychiatric residential treatment facility, including special education and related services to a child with a disability as defined in G.S. 115C-106.3(1). An education-related assessment includes the determination of need for special education and related services.

(2) "Nonpublic Exceptional Children's Program" means a facility-based school that meets all of the following criteria:

a. Provides at least one teacher for every 14 students. The PRTF shall report exceptions to this requirement to (i) the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (MH/DD/SAS) to request additional funding for educational services as provided under G.S. 122C-450.1(d) to the extent that funds are available and, if funds are not available, (ii) the Department of Public Instruction to request a waiver from this requirement.

b. Provides at least one teacher with a North Carolina Professional Educator license in special education, if there is a child with a disability as defined in G.S. 115C-106.3(1) residing in the PRTF.

c. Registers with the Department of Administration, Division of Nonpublic Schools, under Article 39 of Chapter 115C of the General Statutes.

d. Has been approved by the Department of Public Instruction to provide educational services as promulgated by the rules adopted by the State Board of Education pursuant to the Administrative Procedures Act.

(3) "Private psychiatric residential treatment facility" (PRTF) means a facility, other than a hospital, that provides psychiatric and other behavioral health services as described in Subpart D of C.F.R. Part 441 of Chapter 42 to individuals under age 21 in an inpatient setting licensed by the Department of Health and Human Services as provided under Chapter 122C of the General Statutes. A PRTF does not include a State-operated facility.

§ 122C-450.1. Eligibility and allocations.

(a) A child who is receiving psychiatric and other behavioral health services in a PRTF shall also receive educational services in accordance with federal and State law, if the child is eligible to enroll in public schools as provided in G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the requirements of that statute. For a child with a disability, as defined in G.S. 115C-106.3(1), who has been placed in a PRTF, all educational services shall meet applicable standards as required under Article 9 of Chapter 115C of the General Statutes.
(b) A PRTF shall be qualified to receive a funding allocation, to the extent that funds are available from the Department of Health and Human Services, to provide educational services if the following conditions are met:

1. The PRTF is licensed by the Department of Health and Human Services pursuant to Chapter 122C of the General Statutes and has a facility-based school approved by the Department of Public Instruction as a Nonpublic Exceptional Children's Program.

2. The PRTF documents deviations from educational and other programmatic requirements when it is medically necessary for a resident in accordance with G.S. 122C-62(e).

(c) A PRTF that meets the qualification standards required in subsection (b) of this section may enter into an educational services contract, to the extent that funds are available, with a local school administrative unit to assist in the delivery of educational services to the children in the PRTF. The contract shall clearly define the education-related assessment, instruction, and legal responsibilities of both parties engaging in the educational services contract. A PRTF entering into an educational services contract with a local school administrative unit shall submit the educational services contract to both the Department of Public Instruction and the Department of Health and Human Services for inclusion in any required reports to the General Assembly regarding the provision of educational services to children in PRTFs.

(d) To the extent that funds are available in the Department of Public Instruction for the delivery of educational services in PRTFs as provided in this Part, those funds shall be transferred to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS). The funds transferred for the purchase of educational services within the PRTF shall not be allocated to LME/MCOs but shall be held in reserve at the DMH/DD/SAS. The DMH/DD/SAS shall use the reserve funds to pay for educational services authorized by the Department of Public Instruction and billed by the PRTFs in a process established by the DMH/DD/SAS. The funds transferred to the DMH/DD/SAS pursuant to this section shall be allocated to the PRTFs for educational services in a manner determined by the Department of Health and Human Services and the Department of Public Instruction in a Memorandum of Understanding or a Memorandum of Agreement. The Department of Health and Human Services shall disburse for these purposes only those funds transferred from the Department of Public Instruction.

(e) The Department of Health and Human Services shall cease disbursement of educational funding to a PRTF upon receipt of a written notice from the Department of Public Instruction that educational services have not been provided. Educational funding disbursement shall be reinstated by the Department of Health and Human Services upon written notice from the Department of Public Instruction that the PRTF is providing educational services.

(f) A PRTF that receives educational funding shall comply with all audit and accounting policies applicable to other public and private entities receiving public funding.

§ 122C-450.2. Information sharing.

(a) Within three business days of admitting a child into a PRTF, the admitting PRTF shall notify (i) the Department of Public Instruction and (ii) the local school administrative unit in which the child was last enrolled, if known. The PRTF shall request a copy of the child’s most current Individualized Education Program and any other available documents related to the provision of appropriate educational services from the local school administrative unit. To the extent practicable, the local school administrative unit shall provide this information within three business days of receiving a request made pursuant to this subsection. Upon withdrawal or discharge of a child, the PRTF shall notify the Department of Public Instruction within three business days of such withdrawal or discharge.

(b) The PRTF and the receiving local school administrative unit shall work together to develop a transition plan, including a revised Individualized Education Program, if necessary, to be implemented upon discharge of the child residing in a PRTF.

§ 122C-450.3. Technical assistance and monitoring.

The State Board of Education and the Department of Public Instruction shall (i) offer training to PRTFs on compliance with special education laws and regulations, (ii) maintain a current list of names of children residing in PRTFs along with the name and contact information of the PRTF in which each child resides, and (iii) develop and implement rules to monitor the delivery of educational services in PRTFs, including a process to inform the
Department of Health and Human Services when services are not being provided. The Department of Health and Human Services shall appropriately enforce applicable licensing requirements as provided under G.S. 122C-23.1.

§ 122C-450.4. Reporting requirement.

The Department of Health and Human Services and the Department of Public Instruction, in collaboration with other interested agencies, shall submit, by January 15 of each year, a joint report to the Joint Legislative Education Oversight Committee and to the Joint Legislative Oversight Committee on Health and Human Services on the delivery of educational services in PRTFs, including (i) the annual number of children by age residing in a PRTF both with and without an Individualized Education Program, (ii) the average length of stay of these children, (iii) the types of educational services, including number of hours each type of service has been provided, (iv) the costs and outcomes of providing educational services, and (v) recommendations for improving the efficiency and effectiveness of delivering educational services to children residing in PRTFs.

SECTION 8.39.(f) As of the effective date of this act, PRTFs that are licensed to serve children eligible to enroll in public schools as provided in G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the requirements of that statute, shall have six months after their next annual renewal to obtain approval of their facility-based school by the Department of Public Instruction as a Nonpublic Exceptional Children's Program. If such approval is not obtained before the expiration of the additional six months, the Department of Health and Human Services shall review the PRTF's license for appropriate action. This subsection does not apply to PRTFs that are approved charter schools pursuant to Part 6A of Article 16 of Chapter 115C of the General Statutes.

SECTION 8.39.(g) The State Board of Education shall adopt emergency rules pursuant to G.S. 150B-21.1A to monitor the delivery of educational services in PRTFs, including a process to inform the Department of Health and Human Services when services are not being provided.

SECTION 8.39.(h) The Department of Health and Human Services and the Department of Public Instruction, in collaboration with other interested agencies, shall submit its initial joint report, as required by G.S. 122C-450.4, to the Joint Legislative Education Oversight Committee and to the Joint Legislative Oversight Committee on Health and Human Services by January 15, 2015.

SECTION 8.39.(i) In accordance with G.S. 122C-450.1(d), as enacted by this act, the Department of Public Instruction shall transfer the funds provided for in this act for the purchase of educational services within PRTFs pursuant to this section to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS).

SECTION 8.39.(j) The Department of Public Instruction shall process all applications submitted by PRTFs on or before September 1, 2014, for approval as a Nonpublic Exceptional Children's Program no later than December 1, 2014.

REVISE CHILD CARE ALLOCATION FORMULA

SECTION 12B.4. Section 12B.4 of S.L. 2013-360 reads as rewritten:

"CHILD CARE ALLOCATION FORMULA

"SECTION 12B.4.(a) The Department of Health and Human Services shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy
families. The mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

1. Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than seventy five percent (75%) of the State median income, the applicable federal poverty level percentage set forth in Section 12B.3(a) of this act, as amended.

2. No county's allocation shall be less than ninety percent (90%) of its State fiscal year 2001-2002 initial child care subsidy allocation.

3. For fiscal years 2013-2014 and 2014-2015, the Division of Child Development and Early Education shall base the formula identified in subdivision (1) of this subsection on the same data source used for the 2012-2013 fiscal year.

4. The Department of Health and Human Services shall allocate to counties all State funds appropriated for child care subsidy and shall not withhold funds during the 2013-2014 and 2014-2015 fiscal years.

"SECTION 12B.4.(b) The Department of Health and Human Services may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county.

"SECTION 12B.4.(c) When implementing the formula under subsection (a) of this section, the Department of Health and Human Services, Division of Child Development and Early Education, shall include the market rate increase in the formula process, rather than calculating the increases outside of the formula process. Additionally, the Department shall do the following:

1. Beginning fiscal year 2014-2015, implement (i) one-third of the change in a county's allocation based on the new Census data; (ii) an additional one-third of the change in a county's allocation beginning fiscal year 2016-2017; and (iii) the final one-third change in a county's allocation beginning fiscal year 2018-2019. However, the following applies regarding increases to a county's allocation:
   a. For the 2014-2015 fiscal year allocations, a county that did not have a child care subsidy waiting list during the 2013-2014 fiscal year shall not receive an increase in its allocation due to the new allocation formula directed in this subdivision.
   b. Beginning fiscal year 2015-2016, a county whose spending coefficient is below ninety-five percent (95%) in the previous fiscal year shall not receive an increase in its allocation in the following fiscal year. The Division may waive this requirement and allow an increase if the spending coefficient is below ninety-five percent (95%) due to extraordinary circumstances, such as a State or federal disaster declaration in the affected county. By October 1st of each year, the Division shall report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division the counties that received a waiver pursuant to this sub-subdivision and the reasons for the waiver.

2. Effective immediately following the next new Census data release, implement (i) one-third of the change in a county's allocation in the year following the data release; (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this subdivision; and (iii) the final one-third change in a county's allocation beginning the following two years thereafter."
SECTION 12B.5. Effective January 1, 2015, the Department shall implement an adjustment to child care market rates based upon the 2013 Child Care Market Rate Study. Three- to five-star rated child care centers and three- to five-star rated child care homes shall receive twenty-five percent (25%) of the recommended rate adjustments as defined in the 2013 Child Care Market Rate Study.

NC PRE-K AUDITS

SECTION 12B.6. Section 12B.1 of S.L. 2013-360, as amended by Sections 4.2 and 4.3 of S.L. 2013-363, is amended by adding the following new subsection to read:

"SECTION 12B.1.(k) The administration of the NC Pre-K program by local partnerships shall be subject to the biennial financial and compliance audits authorized under G.S. 143B-168.14(b)."

SUBPART XII-C. DIVISION OF SOCIAL SERVICES

CHILD PROTECTIVE SERVICES IMPROVEMENT INITIATIVE

SECTION 12C.1.(a) Findings and Intent. – The General Assembly makes the following findings:

(1) Child Protective Services’ policy from the Department of Health and Human Services, Division of Social Services, recommends that the average child protective services caseload be no greater than 10 families at any time for workers performing child protective services assessments and 10 families at any time for staff providing in-home services. However, data suggests that in 43 of the counties in this State, 21 have a caseload size of more than 15 cases per worker; and further, in nine of those 21 counties, there is an average caseload size of more than 20 cases per worker.

(2) During the 2013-2014 fiscal year, county departments of social services lost federal funding for child protective services under the Temporary Assistance for Needy Families (TANF) Block Grant and Title IV-E funding. However, the number of Child Protective Services investigations has grown by twenty percent (20%) from fiscal year 2002 to fiscal year 2012.

(3) There is no current, statewide data available on the performance of county departments of social services regarding child protective services.

(4) There exists the potential for a conflict of interest to arise when a county department of social services has been appointed as guardian for both (i) a child who is the subject of a report of abuse, neglect, or dependency that would be investigated by Child Protective Services and (ii) for the parent or legal guardian of the child.

It is the intent of the General Assembly to (i) reduce caseload size for Child Protective Services' workers to the recommended standard, (ii) provide adequate resources for county departments of social services to provide child protective services for abused, neglected, and dependent children, (iii) provide for a comprehensive evaluation of various functions and funding regarding child protective services, and (iv) study ways to reduce conflicts of interest regarding guardianship and child protective services. To that end, the General Assembly supports the initiatives and the allocation of funds for child welfare services as described in this section.

SECTION 12C.1.(b) Funds for Child Protective Services. – Of the funds appropriated in this act to the Department of Health and Human Services, Division of Social Services, the sum of seven million three hundred sixty-nine thousand nine hundred seventy dollars ($7,369,970) shall be allocated to county departments of social services. Four million five hundred thousand dollars ($4,500,000) of those funds shall be used to replace federal funds counties lost during the 2013-2014 fiscal year previously used to pay for child protective services' workers. Beginning October 1, 2014, the remaining two million eight hundred sixty-nine thousand nine hundred seventy dollars ($2,869,970) shall be used to provide additional funding for child protective services' workers to reduce caseloads to an average of 10 families per worker.

SECTION 12C.1.(c) Funds for In-Home Services. – Of the funds appropriated in this act to the Department of Health and Human Services, Division of Social Services, the sum of four million five hundred thousand dollars ($4,500,000) shall be allocated for child welfare
in-home services to provide and coordinate interventions and services that focus on child safety and protection, family preservation, and the prevention of further abuse or neglect.

**SECTION 12C.1.(d) Funds for Oversight of Child Welfare Services.** – Of the funds appropriated in this act to the Department of Health and Human Services, Division of Social Services, the sum of seven hundred fifty thousand dollars ($750,000) shall be allocated to fund nine positions to the Division to enhance oversight of child welfare services in county departments of social services. These positions shall be used to monitor, train, and provide technical assistance to the county departments of social services to ensure children and families are provided services that address the safety, permanency, and well-being of children served by child welfare services.

**SECTION 12C.1.(e) Pilot Program.** – Of the funds appropriated in this act to the Department of Health and Human Services, Division of Social Services, the sum of three hundred thousand dollars ($300,000) shall be used to establish and implement a child protective services pilot program. The funds shall be used to enhance coordination of services and information among county departments of social services, local law enforcement agencies, the court system, guardian ad litem programs, and other agencies as deemed appropriate by the Department. The Department shall determine the number of sites that may participate in the pilot program and include regions that are geographically diverse.

The Division shall coordinate with the Government Data Analytics Center (GDAC) in developing the pilot program and commence the pilot program by December 1, 2014. The Division shall provide a progress report on the pilot program to the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division no later than March 1, 2015. The Division shall make a final report of its findings and recommendations on the pilot program to the Joint Legislative Oversight Committee on Health and Human Services no later than March 1, 2016.

**SECTION 12C.1.(f) Statewide Evaluation.** – Of the funds appropriated in this act to the Department of Health and Human Services, Division of Social Services, the sum of seven hundred thousand dollars ($700,000) shall be used to provide for a comprehensive, statewide evaluation of the State's child protective services system. The Division of Social Services shall contract for an independent evaluation of the system, which evaluation shall include developing recommendations on the following:

1. The performance of county departments of social services as related to child protective services.
2. Caseload sizes.
3. The administrative structure of the child protective services system in the State.
4. Adequacy of funding.
5. Child protective services’ worker turnover.
6. Monitoring and oversight of county departments of social services.

The Division shall report the findings and recommendations from the evaluation to the Joint Legislative Oversight Committee on Health and Human Services no later than January 1, 2016.

**SECTION 12C.1.(g) Study Conflicts of Interest/Public Guardianship and Child Protective Services.** – The Department of Health and Human Services, Division of Social Services, shall study the issue of conflicts of interest in child welfare cases as related to public guardianship. In conducting the study, the Department shall consider the following regarding addressing potential conflicts of interest:

1. Creating internal firewalls to prevent information sharing and influence among staff members involved with the conflicting cases.
2. Creating a formal or an informal "buddy system" allowing a county with a conflict to refer a case to a neighboring county.
3. Referring the guardianship to a corporate guardian until the child welfare case is resolved.
4. Having the Department assume responsibility for either the guardianship or the child welfare case.
5. Recommending legislation to permit the clerk the option to appoint a public agency or official, other than the Director of Social Services, to serve as a disinterested public agent in exceptional circumstances only.
Any other issues specific to this matter the Department deems appropriate.

The Division shall submit a final report of its findings and recommendations to the Senate Appropriations Committee on Health and Human Services, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division no later than February 1, 2015.

SECTION 12C.3.(d) G.S. 108A-87 reads as rewritten:

"§ 108A-87. Allocation of nonfederal shares."

SECTION 12C.3.(e) No later than October 1, 2014, the Department of Health and Human Services, Division of Medical Assistance, shall submit to the Centers for Medicare and Medicaid Services (CMS) Medicaid and NC Health Choice state plan amendments and Medicaid waivers necessary to achieve the following:

DRUG REIMBURSEMENT USING AVERAGE ACQUISITION COST

SECTION 12H.8. The Department of Health and Human Services, Division of Medical Assistance, shall adopt an average acquisition cost methodology for brand and generic drug ingredient pricing to be effective beginning on January 1, 2015. The drug ingredient pricing methodology shall be consistent with new federal requirements or, if the new federal requirements have not yet been finalized by October 1, 2014, consistent with the draft federal requirements. In adopting a new drug ingredient pricing methodology, the Department shall also do all of the following:

1. Raise dispensing fees so that the average acquisition cost ingredient pricing plus the dispensing fees, net of any drug rebates, generates nine hundred seventy-five thousand dollars ($975,000) in savings in General Fund appropriations.

2. Maintain a distinction between the dispensing fees for preferred and brand drugs.

3. Ensure that ingredient prices are updated at least monthly.

SECTION 12H.8A. The Department of Health and Human Services, Division of Medical Assistance, shall issue a request for proposals (RFP) for a contractor to perform a statewide drug dispensing fee study to begin on March 1, 2015. SUBSTITUTION OF GENERIC DRUGS FOR UNAVAILABLE PREFERRED DRUGS

SECTION 12H.8A. If the Department of Health and Human Services, Division of Medical Assistance, finds that there are net General Fund savings to the Medicaid program from doing so, then the Division may allow a pharmacist to substitute and dispense a generic drug in place of a preferred drug without prior authorization, subject to all of the following being true:

1. The Division normally requires the dispensing of the preferred drug over the equivalent generic drug.

2. The pharmacist has not been able to acquire the preferred drug from at least two separate wholesalers within the two weeks prior to dispensing the generic substitute.

3. The pharmacist maintains records of the failed attempts to acquire the preferred drug. Such records shall be open to inspection and audit by the Division.

4. The prescriber has not indicated that the preferred drug is "medically necessary."

5. The pharmacist notifies the prescriber of the substitution and receives approval from the prescriber for the substitution.
(6) The pharmacist notifies the patient of the substitution and gives the patient the opportunity to accept or refuse the substitution.

For purposes of this section, "savings to the Medicaid program" shall not be limited to savings within the prescription drug service area but shall also include savings in other areas of the program, such as savings associated with eliminating the prior authorization process or savings from instances where missed doses may lead to negative and costly patient outcomes.

MENTAL HEALTH DRUG MANAGEMENT

SECTION 12H.9.(a) Effective January 1, 2015, Section 12H.13(g) of S.L. 2013-360, as amended by Section 4.4 of S.L. 2013-363, is repealed.

SECTION 12H.9.(b) Effective January 1, 2015, the Department of Health and Human Services, Division of Medical Assistance, shall manage mental health drugs to produce twelve million dollars ($12,000,000), net of rebates, in recurring annual savings to General Fund appropriations to the Medicaid program. In order to achieve these savings, the Department shall first make adjustments to the preferred drug list to maximize supplemental rebates. Next, in order to achieve these savings, the Department is authorized to impose controls including prior authorization, utilization review criteria, and other restrictions. Notwithstanding the foregoing, because of the effective date of this section, savings in fiscal year 2014-2015 shall be six million dollars ($6,000,000).

SECTION 12H.9.(c) No later than October 1, 2015, the Department of Health and Human Services, Division of Medical Assistance, shall report to the Joint Legislative Oversight Committee on Health and Human Services on the Department's fiscal year 2014-2015 savings from making the changes required by subsection (b) of this section.

SECTION 12H.10.(a) The Department of Health and Human Services, Division of Medical Assistance, shall implement the rate reduction specified in Section 2 of S.L. 2013-306 retroactively to October 1, 2013, by recouping all payments in excess of the rate approved in the State plan amendment required in Section 3 of S.L. 2013-306. The Department shall then additionally recoup the three percent (3%) reduction required by Section 12H.18(b) of S.L. 2013-360.

SECTION 12H.10.(b) By March 1, 2015, the Department of Health and Human Services, Division of Medical Assistance, shall propose a financial plan to contain the budget growth of personal care services (PCS) for fiscal year 2015-2016, including any rate reductions necessary to keep the total PCS budget at the same level as the fiscal year 2014-2015 certified budget for PCS, code 1310, North Carolina Accounting System code 536144, in the Division of Medical Assistance fund 14445.

SECTION 12H.10.(c) The Joint Legislative Oversight Committee on Health and Human Services shall engage a contractor to study issues related to reforming and redesigning personal care services (PCS) while meeting the State's obligations under the Americans with Disabilities Act and the United States Supreme Court's decision in Olmstead v. L.C. ex rel. Zimring, 527 U.S. 581 (1999). The study shall examine the following issues:

(1) What categories of Medicaid recipients are currently receiving PCS, and in what settings are they being served?

(2) What is the total number of Medicaid recipients receiving PCS in each category, and what is the anticipated growth in each category?

(3) What is the current cost of serving Medicaid recipients in each setting, and specifically, the sources of public funding utilized to serve those individuals?

(4) What alternative, more cost-effective assistance models could be implemented for each category of Medicaid recipient?

(5) Specifically, whether more cost-effective assistance could be offered through the new 1915(i) State plan home- and community-based services and 1915 waiver options for each category of Medicaid recipient.

(6) Recommendations regarding what outcomes the redesigned program should be designed to achieve.

(7) The impact of reforming and redesigning personal care services on appeals and litigation.
(8) Other areas as deemed appropriate by the chairs of the Joint Legislative Oversight Committee on Health and Human Services.

The study shall specifically examine the effect of the moratorium on home care agency licenses for in-home aide services required by Section 12G.4 of this act and the moratorium on special care unit licenses required by Section 12G.5 of this act and make recommendations on whether each of these moratoria should be continued.

The study shall also address the quality of resident care within adult care homes and the adequacy of State oversight of adult care homes, including inspections, procedures, and processes.

No later than December 1, 2015, the contractor shall report the results and recommendations of the study to the Joint Legislative Oversight Committee on Health and Human Services. The Department of Health and Human Services shall give the contractor full access to all data necessary to complete the study and the report. The Department of Health and Human Services shall make payments to the contractor hired by the Joint Legislative Oversight Committee on Health and Human Services from funds appropriated elsewhere in this budget for this contract as well as from federal Medicaid matching funds available for this contract.

Any contract subject to this section that is entered into on or after the effective date of this section but that lacks such a termination clause shall, nonetheless, be deemed to include such a termination clause and shall be cancellable without cause upon 30 days’ notice.

ADDITIONAL NOTICE ON SPAS

..."
(d) No fewer than 10 days prior to submitting an amendment to the State Plan to the federal government, the Department shall post the amendment on its Web site and notify the members of the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division that the amendment has been posted. This requirement shall not apply to draft or proposed amendments submitted to the federal government for comments but not submitted for approval. The amendment shall remain posted on the Department’s Web site at least until the plan has been approved, rejected, or withdrawn. If the authority for submitting the amendment to the State Plan is pursuant to subdivision (3), (4), (5), or (6) of subsection (b) of this section, then, prior to submitting an amendment to the federal government, the Department shall submit to the General Assembly members receiving notice under this subsection and to the Fiscal Research Division an explanation of the amendment, the need for the amendment, and the federal time limits required for implementation of the amendment.

(e) The Department shall submit an amendment to the State Plan to the federal government by a date sufficient to provide the federal government adequate time to review and approve the amendment so the amendment may be effective by the date required by the directing authority in subsection (b) of this section. Additionally, if a change is made to the Medicaid program by the General Assembly and that change requires an amendment to the State Plan, then the amendment shall be submitted at least 90 days prior to the effective date of the change as provided in the legislation.

(f) Any public notice required under 42 C.F.R. 447.205 shall, in addition to any other posting requirements under federal law, be posted on the Department’s Web site. Upon posting such a public notice, the Department shall notify the members of the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division that the public notice has been posted. (2) The amount determined by application of a method approved by the Health Care Financing Administration for Medicare & Medicaid Services (CMS) of the United States Department of Health and Human Services, if the Administration CMS approves the method by which a reimbursement amount is determined, and not the exact amount.

The Department shall establish the methods by which reimbursement amounts are determined in accordance with Chapter 150B of the General Statutes. A change in a reimbursement amount becomes effective as of the date for which the change is approved by the Health Care Financing Administration for Medicare & Medicaid Services (CMS) of the United States Department of Health and Human Services. The Department shall report to the Fiscal Research Division of the Legislative Services Office and to the Senate Appropriations Committee on Human Resources and the House of Representatives Appropriations Subcommittee on Human Resources or the Joint Legislative Oversight Committee on Health and Human Services on any change in a reimbursement amount at the same time as it sends out public notice of this change prior to presentation to the Health Care Financing Administration.

SECTION 12H.21.(c) By repealing language in subsection (b) of this section related to giving to the General Assembly notice of a public notice, it is not the intent of the General Assembly to remove the required notice of the changes to reimbursement amounts for services, equipment, or supplies. Rather, it is the intent that those notices be given pursuant to G.S. 108A-54.1A(f), rather than pursuant to both G.S. 108A-54.1A(f) and G.S. 108A-55(c).

SECTION 12H.21.(d) This section becomes effective September 1, 2014, and the amendment to G.S. 108A-54.1A(e) applies to State Plan Amendments with effective dates on or after December 1, 2014.

"GENERAL PROVISIONS

"SECTION 12J.1.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

(1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
(2) A delineation of the proposed State and local administrative expenditures.
(3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
(4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
(5) A projection of current year expenditures by program or activity.
(6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

"SECTION 12J.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall develop a plan to adjust the block grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2013-2014 and 2014-2015, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star rated facilities for four-year-old children and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Oversight Committee on Health and Human Services, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division.

"SECTION 12J.1.(d) Except as otherwise provided, appropriations from federal Block Grant funds are made for each year of the fiscal biennium ending June 30, 2015, according to the schedule enacted for State fiscal years 2013-2014 and 2014-2015 or until a new schedule is enacted by the General Assembly.

"SECTION 12J.1.(e) All changes to the budgeted allocations to the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services that are not specifically addressed in this section shall be approved by the Office of State Budget and Management, and the Office of State Budget and Management shall consult with the Joint Legislative Commission on Governmental Operations for review prior to implementing the changes. The report shall include an itemized listing of affected programs, including associated changes in budgeted allocations. All changes to the budgeted allocations to the Block Grants shall be reported immediately to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division. This subsection does not apply to Block Grant changes caused by legislative salary increases and benefit adjustments.

"SECTION 12J.1.(e1) Except as otherwise provided, the Department of Health and Human Services shall have flexibility to transfer funding between the Temporary Assistance to Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block
Grant so long as the total allocation for the line items within those block grants remains the same.

"§ 148-32.1. Local confinement, costs, alternate facilities, parole, work release.

(a) Repealed by Session Laws 2009-451, s. 19.22A, effective July 1, 2009.

(b) In the event that the custodian of the local confinement facility certifies in writing to the clerk of the superior court in the county in which the local confinement facility is located that the local confinement facility is filled to capacity, or that the facility cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or that the custodian anticipates, in light of local experiences, an influx of temporary prisoners at that time, or if the local confinement facility does not meet the minimum standards published pursuant to G.S. 153A-221, any judge of the district court in the district court district as defined in G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or G.S. 7A-48 in a district or set of districts as defined in G.S. 7A-41.1 where the facility is located may order that a prisoner not housed pursuant to the Statewide Misdemeanant Confinement Program established in subsection (b2) of this section be transferred to any other qualified local confinement facility within that district or within another such district where space is available, including a satellite jail unit operated pursuant to G.S. 153A-230.3 if the prisoner is a non-violent misdemeanant, which local facility shall accept the transferred prisoner.

If no other local confinement facility is available and the reason for the requested transfer is that the local confinement facility that would be required to house the prisoner cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners or the local facility does not meet the minimum standards published pursuant to G.S. 153A-221, then the judge may order that a prisoner not housed pursuant to the Statewide Misdemeanant Confinement Program established in subsection (b2) of this section be transferred to a facility operated by the Division of Adult Correction of the Department of Public Safety as designated by the Division of Adult Correction. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to a facility operated by the Division of Adult Correction.

(b1) It is the intent of the General Assembly to authorize the Division of Adult Correction to enter into voluntary agreements with counties to provide housing for misdemeanants serving periods of confinement of more than 90 days and up to 180 days, except for those serving a sentence for an impaired driving offense and for all sentences imposed for impaired driving under G.S. 20-138.1, regardless of length. It is further the intent of the General Assembly that the Division of Adult Correction, in conjunction with the North Carolina Sheriffs’ Association, Inc., establish a program for housing misdemeanants serving periods of confinement of more than 90 days and up to 180 days, except for those serving sentences for an impaired driving offense and for all sentences imposed for impaired driving under G.S. 20-138.1, regardless of length. It is also the intent of the General Assembly that the Division of Adult Correction contract with the North Carolina Sheriffs’ Association, Inc., to provide a service that identifies space in local confinement facilities that is available for housing these misdemeanants.

The General Assembly intends that the cost of housing and caring for these misdemeanants, including, but not limited to, care, supervision, transportation, medical, and any other related costs, be covered by State funds and not be imposed as a local cost. Therefore, the General Assembly intends that the funds in the Statewide Misdemeanant Confinement Fund established in G.S. 148-10.4 be used to provide funding to cover the costs of managing a system for
providing that housing of misdemeanants in local confinement facilities as well as reimbursing the counties for housing and related expenses for those misdemeanants.

(b2) The Statewide Misdemeanant Confinement Program is established. The Program shall provide for the housing of misdemeanants from all counties serving sentences imposed for a period of more than 90 days and up to 180 days, except for those serving sentences for an impaired driving offense under G.S. 20-138.1, and for all sentences imposed for impaired driving under G.S. 20-138.1, regardless of length. Those misdemeanants shall be confined in local confinement facilities except as provided in subsections (b3) and (b4) of this section. The Program shall address methods for the placement and transportation of inmates and reimbursement to counties for the housing of those inmates. Any county that voluntarily agrees to house misdemeanants from that county or from other counties pursuant to the Program may enter into a written agreement with the Division of Adult Correction to do so.

This Program shall only operate as long as sufficient State funds are available through the Statewide Misdemeanant Confinement Fund established in G.S. 148-10.4(c).

"SECTION 16C.1.(g) This section becomes effective October 1, 2014, and applies to (i) persons placed on probation or sentenced to imprisonment for impaired driving under G.S. 20-138.1 on or after January 1, 2015, and (ii) persons placed on probation or sentenced to imprisonment for all other misdemeanors other than impaired driving under G.S. 20-138.1 on or after October 1, 2014.

The Department shall have the right to audit any given provider to determine the actual prevailing charge to ensure compliance with this provision.

This section does apply to vendors providing services that are not billed on a fee-for-service basis, such as temporary staffing. Nothing in this section shall preclude the Department from contracting with a provider for services at rates that provide greater documentable cost avoidance for the State than do the rates contained in this section or at rates that are less favorable to the State but that will ensure the continued access to care."

"(d2) Confinement in Response to Violation. – When a defendant under supervision for a felony conviction has violated a condition of probation other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), the court may impose a period of confinement of 90 consecutive days to be served in the custody of the Division of Adult Correction of the Department of Public Safety. The court may not revoke probation unless the defendant has previously received a total of two periods of confinement under this subsection. A defendant may receive only two periods of confinement under this subsection. The 90-day term of confinement ordered under this subsection for a felony shall not be reduced by credit for time already served in the case. Any such credit shall instead be applied to the suspended sentence. However, if the time remaining on the maximum imposed sentence on a defendant under supervision for a felony conviction is 90 days or less, then the term of confinement is for the remaining period of the sentence. Confinement under this section shall be credited pursuant to G.S. 15-196.1.

When a defendant under supervision for a misdemeanor conviction has violated a condition of probation other than G.S. 15A-1343(b)(1) or G.S. 15A-1343(b)(3a), the court may impose a period of confinement of up to 90 consecutive days to be served where the defendant would have served an active sentence. The court may not revoke probation unless the defendant has previously received a total of two periods of confinement under this subsection. A defendant may receive only two periods of confinement under this subsection. Confinement under this section shall be credited pursuant to G.S. 15-196.1.

If a defendant is arrested for violation of a condition of probation and is lawfully confined to await a hearing for the violation, then the judge shall first credit any confinement time spent awaiting the hearing to any confinement imposed under this subsection; any excess time shall be credited to the activated sentence. The period of confinement imposed under this subsection on a defendant who is on probation for multiple offenses shall run concurrently on all cases related to the violation. Confinement shall be immediate unless otherwise specified by the court.

A defendant shall serve any confinement imposed under this subsection in the correctional facility where the defendant would have served an active sentence."

SECTION 16C.8.(b) This section becomes effective October 1, 2014, and applies to probation violations occurring on or after that date.

The Department may also consult with any private for-profit or nonprofit firm about the possibility of converting the facility to other use. In developing a proposal for future use of each facility, the Department shall give priority to converting the facility to other criminal justice use. Consistent with existing law and the future needs of the Department of Public Safety, the State may provide for the transfer or the lease of any of these facilities to counties, municipalities, State agencies, federal agencies, or private firms wishing to convert them to other use. The Department of Public Safety may also consider converting some of the facilities recommended for closing from one security custody level to another, where that conversion would be cost-effective. A prison unit under lease to a county pursuant to the provisions of this section for use as a jail is exempt for the period of the lease from any of the minimum standards
adopted by the Secretary of Health and Human Services pursuant to G.S. 153A-221 for the housing of adult prisoners that would subject the unit to greater standards than those required of a unit of the State prison system.

In addition, the Department of Public Safety may use available funds to reopen and convert closed facilities for use as treatment and behavior modification facilities for offenders serving a period of confinement in response to violation pursuant to G.S. 15A-1344(d2)."

Bonds or notes may bear the facsimile signatures of persons, who at the actual time of the execution of the bonds or notes shall be the proper officers to sign any bond or note, although at the date of the bond or note such persons may not have been such officers. The form and denomination of bonds or notes, including the provisions with respect to registration of the bonds or notes and any system for their registration, shall be as the State Treasurer may determine in conformity with this section.

(3) Manner of sale; expenses. – Subject to the approval by the Council of State as to the manner in which bonds or notes shall be offered for sale, whether at public or private sale, whether within or without the United States, and whether by publishing notices in certain newspapers and financial journals, mailing notices, inviting bids by correspondence, negotiating contracts of purchase, or otherwise, the State Treasurer is authorized to sell bonds or notes at one time or from time to time at any rates of interest, which may vary from time to time, and at any prices, including a price less than or greater than the face amount of the bonds or notes, as the State Treasurer may determine. All expenses incurred in the preparation, sale, and issuance of bonds or notes shall be paid by the State Treasurer from the proceeds of bonds or notes or other available moneys.

(4) Notes; repayment. –

a. By and with the consent of the Council of State, the State Treasurer is hereby authorized to borrow money and to execute and issue notes of the State for the same, but only in the following circumstances and under the following conditions:

1. For anticipating the sale of bonds, the issuance of which the Council of State has approved, if the State Treasurer considers it advisable to postpone the issuance of the bonds;
2. For the payment of interest on or any installment of principal of any bonds then outstanding, if there are not sufficient funds in the State treasury with which to pay the interest or installment of principal as they respectively become due;
3. For the renewal of any loan evidenced by notes authorized in this section;
4. For the purposes authorized in this section; and
5. For refunding bonds or notes as authorized in this section.

b. Funds derived from the sale of bonds or notes may be used in the payment of any bond anticipation notes issued under this section. Funds provided by the General Assembly for the payment of interest on or principal of bonds shall be used in paying the interest on or principal of any notes and any renewals thereof, the proceeds of which shall have been used in paying interest on or principal of the bonds.

(5) Refunding bonds and notes. – By and with the consent of the Council of State, the State Treasurer is authorized to issue and sell refunding bonds and notes pursuant to the provisions of the State Refunding Bond Act for the purpose of refunding bonds or notes issued pursuant to this section. The refunding bonds and notes may be combined with any other issues of State bonds and notes similarly secured. Refunding bonds or notes may be issued at any time prior to the final maturity of the debt obligation to be refunded. The proceeds from the sale of any refunding bonds or notes shall be applied to the immediate payment and retirement of the bonds or notes being refunded or, if not required for the immediate payment of the bonds or notes
being refunded, the proceeds shall be deposited in trust to provide for the payment and retirement of the bonds or notes being refunded and to pay any expenses incurred in connection with the refunding. Money in a trust fund may be invested in (i) direct obligations of the United States government, (ii) obligations the principal of and interest on which are guaranteed by the United States government, (iii) obligations of any agency or instrumentality of the United States government if the timely payment of principal and interest on the obligations is unconditionally guaranteed by the United States government, or (iv) certificates of deposit issued by a bank or trust company located in the State if the certificates are secured by a pledge of any of the obligations described in (i), (ii), or (iii) above having an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. This section does not limit the duration of any deposit in trust for the retirement of bonds or notes being refunded but that have not matured and are not presently redeemable, or if presently redeemable, have not been called for redemption.

(6) Tax exemption. – Bonds and notes shall at all times be free from taxation by the State or any political subdivision or any of their agencies, excepting estate, inheritance, or gift taxes, income taxes on the gain from the transfer of bonds or notes, and franchise taxes. The interest on bonds or notes is not subject to taxation as income.

(7) Investment eligibility. – Bonds and notes are securities in which all of the following may invest, including capital in their control or belonging to them: public officers, agencies, and public bodies of the State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, savings and loan associations, credit unions, pension or retirement funds, other financial institutions engaged in business in the State, executors, administrators, trustees, and other fiduciaries. Bonds and notes are hereby made securities which may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or may hereafter be authorized by law.

(8) Faith and credit. – The faith and credit and taxing power of the State are hereby pledged for the payment of the principal of and the interest on bonds and notes. The State expressly reserves the right to amend any provision of this section to the extent it does not impair any contractual right of a bond owner.

(9) Other agreements. – The State Treasurer may authorize, execute, obtain, or otherwise provide for bond insurance, investment contracts, credit and liquidity facilities, interest-rate swap agreements and other derivative products, and any other related instruments and matters the State Treasurer determines are desirable in connection with issuance, incurrence, carrying, or securing of bonds or notes. The State Treasurer is authorized to employ and designate any financial consultants, underwriters, and bond attorneys to be associated with any bond or note issue under this section as the State Treasurer considers necessary.

SECTION 36.12.(h) Variable Rate Demand Bonds and Notes. – In fixing the details of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the owner, if a credit facility supports the bonds or notes, unless the State Treasurer specifically determines that a credit facility is not required upon a finding and determination by the State Treasurer that the absence of a credit facility will not materially and adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State;

(2) Be additionally supported by a credit facility;

(3) Be made subject to redemption or a mandatory tender for purchase prior to maturity;
(4) Bear interest at a rate or rates that may vary for any period of time, as may be provided in the proceedings providing for the issuance of the bonds or notes, including, without limitation, such variations as may be permitted pursuant to a par formula; and

(5) Be made the subject of a remarketing agreement whereby an attempt is made to remarket bonds or notes to new purchasers prior to their presentment for payment to the provider of the credit facility or to the State.

If the aggregate principal amount payable by the State under a credit facility is in excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether as a result of the inclusion in the credit facility of a provision for the payment of interest for a limited period of time or the payment of a redemption premium or for any other reason, then the amount of authorized but unissued bonds or notes during the term of such credit facility shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the State executed by the State Treasurer.

SECTION 36.12.(i) Interpretation of Section. –

(1) Additional method. – The foregoing subsections of this section shall be deemed to provide an additional and alternative method for the doing of the things authorized under it and shall be regarded as supplemental and additional to powers conferred by other laws and shall not be regarded as in derogation of any powers now existing.

(2) Statutory references. – References in this section to specific sections or Chapters of the General Statutes or to specific acts are intended to be references to such sections, Chapters, or acts as they may be amended from time to time by the General Assembly.

(3) Broad construction. – This section, being necessary for the health and welfare of the people of the State, shall be broadly construed to effect the purposes thereof.

(4) Inconsistent provisions. – Insofar as the provisions of this section are inconsistent with the provisions of any general, special, or local laws, or parts thereof, the provisions of this section shall be controlling.

(5) Severability. – If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

SECTION 36.12.(j) The State, upon the direction of the Director of the Budget, may finance with the proceeds of special indebtedness the capital facility costs of a Western Crime Lab, renovation of the Albemarle Building, and renovation of Department of Public Safety Samarkand Training Facility, approved for financing with proceeds of bonds authorized pursuant to this act. If the financing is to be provided by special indebtedness, then such indebtedness may be issued or incurred before the enactment of this act or during or beyond the fiscal biennium ending June 30, 2015. The amount of financing for the Western Crime Lab, Albemarle Building, and Samarkand Training Facility from special indebtedness and the proceeds of two-thirds bonds issued pursuant to this act shall not exceed sixty-two million eight hundred ninety-eight thousand dollars ($62,898,000).

SECTION 36.12.(k) This section is effective when it becomes law.
