13 The General Assembly of North Carolina enacts:

14 **SECTION 1.(a)** Centralized Services. – The North Carolina Child Support  
15 Services Section (NCCSS) of the Department of Health and Human Services, Division of  
16 Social Services, shall retain up to fifteen percent (15%) of the annual federal incentive  
17 payments it receives from the federal government to enhance centralized child support services.  
18 To accomplish this requirement, NCCSS shall do the following:

- 19 (1) In consultation with representatives from county child support services  
20 programs, identify how federal incentive funding could improve centralized  
21 services.
- 22 (2) Use federal incentive funds to improve the effectiveness of the State's  
23 centralized child support services by supplementing and not supplanting  
24 State expenditures for those services.
- 25 (3) Develop and implement rules that explain the State process for calculating  
26 and distributing federal incentive funding to county child support services  
27 programs.

28 **SECTION 1.(b)** County Child Support Services Programs. – NCCSS shall allocate  
29 no less than eighty-five percent (85%) of the annual federal incentive payments it receives from  
30 the federal government to county child support services programs to improve effectiveness and  
31 efficiency using the federal performance measures. To that end, NCCSS shall do the following:

- 32 (1) In consultation with representatives from county child support services  
33 programs, examine the current methodology for distributing federal  
34 incentive funding to the county programs and determine whether an  
35 alternative formula would be appropriate. NCCSS shall use its current

- 1 formula for distributing federal incentive funding until an alternative  
2 formula is adopted.
- 3 (2) Upon adopting an alternative formula, develop a process to phase-in the  
4 alternative formula for distributing federal incentive funding over a  
5 four-year period.

6 **SECTION 1.(c)** Reporting by County Child Support Services Programs. – NCCSS  
7 shall establish guidelines that identify appropriate uses for federal incentive funding. To ensure  
8 those guidelines are properly followed, NCCSS shall require county child support services  
9 programs to comply with each of the following:

- 10 (1) Submit an annual plan describing how federal incentive funding would  
11 improve program effectiveness and efficiency as a condition of receiving  
12 federal incentive funding.
- 13 (2) Report annually on: (i) how federal incentive funding has improved program  
14 effectiveness and efficiency and been reinvested into their programs, (ii)  
15 provide documentation that the funds were spent according to their annual  
16 plans, and (iii) explain any deviations from their plans.

17 **SECTION 1.(d)** Plan/Report by NCCSS. – The NCCSS shall develop a plan to  
18 implement the requirements of this section. Prior to implementing the plan, NCCSS shall  
19 submit a progress report on the plan to the Joint Legislative Oversight Committee on Health  
20 and Human Services and the Fiscal Research Division by November 1, 2015.

21 After implementing the plan, NCCSS shall submit a report on federal child support  
22 incentive funding to the Joint Legislative Oversight Committee on Health and Human Services  
23 and the Fiscal Research Division by November 1 of each year. The report shall describe how  
24 federal incentive funds enhanced centralized child support services to benefit county child  
25 support services programs and improved the effectiveness and efficiency of county child  
26 support services programs. The report shall further include any changes to the State process the  
27 NCCSS used in calculating and distributing federal incentive funding to county child support  
28 services programs and any recommendations for further changes.

29 **SECTION 2.** This act becomes effective July 1, 2015.
