SECTION 1. G.S. 130A-290(a) reads as rewritten:

"§ 130A-290. Definitions.

(1) Submit a notification of the yard waste facility to the Department on a
prescribed form, signed and notarized by the owner of the land on which the
facility is located, as well as the operator of the facility, if different from the
owner of the land.

(2) File the notification form submitted pursuant to subdivision (1) of this
subsection for recordation in the Register of Deeds' Office. The Register of
Deeds shall index the notification in the grantor index under the name of the
owner of the land in the county or counties in which the land is located. A copy
of the recorded notification, affixed with the Register's seal and the date, and
the book and page number of recording shall be sent to the Department.

(3) Comply with all other federal, State, or local laws, ordinances, rules,
regulations, or orders, including zoning, flood plain, and wetland restrictions,

disposal of yard waste."
