(2) Special allocation provisions. – In determining the use of the proceeds of public improvement bonds and notes, including premium thereon, if any, set forth in subdivision (1) of this subsection, the following special allocation provisions apply:

a. The proceeds of public improvement bonds and notes, including premium thereon, if any, for public instruction for public schools capital assistance, as provided in subdivision (1) of this subsection, shall be allocated as follows:

1. One billion (\$1,000,000,000) of such proceeds shall be allocated equally to each county. Each county's allocation shall be distributed to the local school administrative units located in whole or in part in the county based on the average daily membership of the county's students in the school units.

2. Two hundred fifty million (\$250,000,000) of such proceeds shall be allocated among local school administrative units located in counties whose wealth is less than the State average wealth. The allocation shall have a numerator of the 2018-2019 low wealth allotment specific to that local school

- 1 administrative unit with a denominator of the total 2018-2019
2 low wealth allotment, and then multiplied by the total
3 allocation in this sub-sub-subdivision.
- 4 3. Seven hundred fifty million (\$750,000,000) of such proceeds
5 shall be allocated among local school administrative units on
6 the basis of average daily membership for fiscal year
7 2018-2019 where the numerator is average daily membership
8 for the local administrative unit and the denominator is the total
9 average daily membership for the State for fiscal year
10 2018-2019.
- 11 4. Bond proceeds for a county for any designation require no
12 local match if any portion of the proceeds results from
13 low-wealth county receiving funds in sub-sub-subdivision 2 of
14 this sub-subdivision. Any other county receiving bond
15 proceeds allocated shall provide local matching funds from
16 county funds, other non-State funds, or a combination of these
17 sources for such proceeds. The amount of matching funds shall
18 be (i) one dollar (\$1.00) of local matching funds for every three
19 dollars (\$3.00) of such proceeds for a local school
20 administrative unit located in a county that is a development
21 tier one area, as defined in G.S. 143B-437.08, (ii) one dollar
22 (\$1.00) of local matching funds for every two dollars (\$2.00)
23 of such proceeds for a local school administrative unit located
24 in a county that is a development tier two area, as defined in
25 G.S. 143B-437.08, and (iii) one dollar (\$1.00) of local
26 matching funds for every one dollar (\$1.00) of such proceeds
27 for a local school administrative unit located in a county that is
28 a development tier three area, as defined in G.S. 143B-437.08.
29 The match requirement may be satisfied by non-State
30 expenditures for public school facilities made on or after
31 January 1, 2015. If a debt has been incurred since January 1,
32 2015, for the general purpose of public school facilities, then
33 the face amount of the debt shall be considered as a non-State
34 expenditure for public school facilities for the purpose of the
35 match. No other expenditures made or debts incurred before
36 January 1, 2015, may be used to satisfy the match requirement.
37 As counties satisfy the match requirements of this subsection,
38 they shall document the extent to which they have done so in
39 periodic reports to the State Board of Education. These reports
40 shall include any information and documentation required by
41 the State Board of Education. The State Board of Education
42 shall certify to the State Treasurer from time to time the extent
43 to which the match requirements of this subsection have been
44 met with respect to each county. Bond proceeds shall be
45 distributed for expenditure only as, and to the extent, the
46 matching requirement of this section is satisfied, as certified by
47 the State Board of Education. The State Board of Education
48 shall also require counties to report annually on the impact of
49 funds provided under this act on the property tax rate for that
50 year. These reports shall be public documents and shall be
51 furnished to any citizen upon request. If the State Board of

- 1 Education determines that a county has not met the matching
2 requirement set forth in this sub-subdivision by January 1,
3 2026, the State Board of Education shall certify that fact to the
4 State Treasurer by March 1, 2026. The State Board of
5 Education shall reallocate unmatched funds in the following
6 manner:
- 7 I. Proceeds allocated under sub-sub-subdivision 1. shall
8 be reallocated to local administrative units receiving
9 funds under sub-sub-subdivision 1. for which the State
10 Board of Education has certified matching funds.
 - 11 II. Proceeds allocated under sub-sub-subdivision 2. shall
12 be reallocated to local administrative units receiving
13 funds under sub-sub-subdivision 2. for which the State
14 Board of Education has certified matching funds.
 - 15 III. Proceeds allocated under sub-sub-subdivision 3. shall
16 be reallocated to local administrative units receiving
17 funds under sub-sub-subdivision 3. for which the State
18 Board of Education has certified matching funds.
- 19 5. A local school administrative unit that receives proceeds under
20 this section shall ensure that such proceeds are used:
- 21 I. For acquisition of real property and construction,
22 acquisition, reconstruction, enlargement, renovation,
23 or replacement of buildings and other structures, and
 - 24 II. To supplement local funds for public school capital
25 outlay projects and shall not decrease local funds for
26 those projects from one fiscal year to the next fiscal
27 year, as measured by the most recent five-year annual
28 average capital outlay expenditure.
- 29 b. The proceeds of public improvement bonds and notes, including
30 premium thereon, if any, for water and sewer infrastructure, as
31 provided in subdivision (1) of this subsection, shall be allocated as
32 follows:
- 33 1. The Department of Environmental Quality shall create a grant
34 and loan program within the Wastewater Reserve and the
35 Drinking Water Reserve established within G.S. 159G-22. The
36 grant and loan program shall prioritize the following, in order:
 - 37 I. Requests used to substantially increase a water and/or
38 sewer infrastructure system's financial system viability,
39 as determined by the Department of Environmental
40 Quality in coordination with the Local Government
41 Commission and State Water Infrastructure Authority.
 - 42 II. Requests used to promote increased resiliency of
43 systems at risk of catastrophic damages from flooding
44 or storm events.
 - 45 III. Requests allowed under G.S. 159G-34.
 - 46 2. The Department of Environmental Quality may allocate funds
47 to grants and loans to the amount necessary to fulfill the
48 priorities outlined in subdivision (1) of this subsection.
 - 49 3. Notwithstanding G.S. 159G-36 the Department of
50 Environmental Quality may set limits on loans and grants
51 allocated to local governments to an amount necessary to fulfill

- 1 the priorities outlined in sub-sub-sub-subdivisions I. and II. of
2 sub-sub-subdivision 1. of this sub-subdivision. Projects
3 requested under sub-sub-sub-subdivision III. of
4 sub-sub-subdivision 1. of this sub-subdivision are subject to
5 limits required in G.S. 159G-36.
- 6 4. If the availability of the loan funds exceeds project demand,
7 the limits contained in G.S. 159G-36 applicable to a loan may
8 be exceeded for the purpose of ensuring that all available loan
9 funds are utilized for projects prioritized pursuant to
10 G.S. 159G-23.
- 11 5. In addition to the requirements of G.S. 159G-40, the
12 Department of Environmental Quality, in consultation with the
13 Local Government Division and State Water Infrastructure
14 Authority, shall develop requirements for grant and loan
15 recipients of system viability grants and loans provided in
16 subdivision (1) of this subsection, prior to requesting
17 applications for the use of funds. Grant and loan requirements
18 shall include financial and system performance measures
19 necessary to make recipients indecently viable. Failure of grant
20 recipients to adhere to the requirements of subdivision (4) of
21 this subsection shall result in a default pursuant to Article 10
22 of Chapter 159 of the General Statutes, and the Local
23 Government Commission shall be required to enforce the
24 provisions of the recipient requirements.
- 25 6. Projects funded under sub-sub-sub-subdivisions I. and II. of
26 sub-sub-subdivision 1. of this sub-subdivision are not subject
27 to G.S. 159G-41 if the Department of Environmental Quality
28 determines that the delay to entering a construction contract is
29 reasonable due to the nature of the project funded under
30 subdivision (1).
- 31 c. The proceeds of public improvement bonds and notes, including
32 premium thereon, if any, for Community College Prosperity Zone
33 Projects, as provided in subdivision (1) of this subsection, shall be
34 allocated as follows:
- 35 1. The North Carolina State Board of Community Colleges shall
36 create a grant program for the allocation of funds labeled
37 Community College Prosperity Zone Projects. The grant
38 program is for the purpose of funding:
- 39 I. One or more large construction projects or substantial
40 renovation of an existing facility in one or more of the
41 eight prosperity zones. Prosperity zones are identified
42 in G.S. 143B-28.1.
- 43 II. The projects funded are limited to the following
44 training and education areas for the majority of the
45 facility use: advanced manufacturing, health sciences,
46 information technology, public safety, and
47 transportation.
- 48 III. The State Board of Community Colleges will require
49 that at least two colleges in the prosperity zone
50 collaborate on the use of the requested facility. The
51 submitted application shall require that participating

1 colleges document a plan for the operations of the
2 physical plant of the facility.

3 IV. Projects funded under the Community College
4 Prosperity Zones Projects shall not require a local
5 match for construction.

6 d. The proceeds of public improvement bonds and notes, including
7 premium thereon, if any, for NC Community Colleges, as provided in

18 for such proceeds. The amount of matching funds shall be (i) one

28 Community colleges are not required to match bond proceeds
29 allocated in this section for rehabilitation of existing facilities and
30 repairs and renovations.

31 **SECTION 1.(g) Allocation and Tracking of Proceeds. –**

32 (1) Public improvement bonds. – The proceeds of public improvement bonds and
33 notes, including premium thereon, if any, except the proceeds of bonds the
34 issuance of which has been anticipated by bond anticipation notes or the
35 proceeds of refunding bonds or notes, shall be placed by the State Treasurer
36 in a special fund to be designated "Public Improvement Bonds Fund," which
37 may include such appropriate special accounts therein as may be determined
38 by the State Treasurer and shall be disbursed as provided in this act. Monies
39 in the Public Improvement Bonds Fund shall be allocated and expended as
40 provided in this act.

41 Any additional monies that may be received by means of a grant or grants
42 from the United States of America or any agency or department thereof or
43 from any other source for deposit to the Public Improvement Bonds Fund may
44 be placed in the Public Improvement Bonds Fund or in a separate account or
45 fund and shall be disbursed, to the extent permitted by the terms of the grant
46 or grants, without regard to any limitations imposed by this act.

47 Monies in the Public Improvement Bonds Fund or any separate account
48 established under this act may be invested from time to time by the State
49 Treasurer in the same manner permitted for investment of monies belonging
50 to the State or held in the State treasury, except with respect to grant money
51 to the extent otherwise directed by the terms of the grant. Investment earnings,

1 except investment earnings with respect to grant monies to the extent
2 otherwise directed or restricted by the terms of the grant, may be (i) credited
3 to the Public Improvement Bonds Fund, (ii) used to pay debt service on the
4 bonds authorized by this act, (iii) used to satisfy compliance with applicable
5 requirements of the federal tax law, or (iv) transferred to the General Fund of
6 the State.

7 The proceeds of public improvement bonds and notes, including premium
8 thereon, if any, may be used with any other monies made available by the
9 General Assembly for funding the projects authorized by this act, including
10 the proceeds of any other State bond issues, whether heretofore made
11 available or that may be made available at the session of the General Assembly
12 at which this act is ratified or any subsequent sessions. The proceeds of public
13 improvement bonds and notes, including premium thereon, if any, shall be
14 expended and disbursed under the direction and supervision of the Director of
15 the Budget. The funds provided by this act shall be disbursed for the purposes
16 provided in this act upon warrants drawn on the State Treasurer by the State
17 Controller, which warrants shall not be drawn until requisition has been
18 approved by the Director of the Budget and which requisition shall be
19 approved only after full compliance with the State Budget Act, Chapter 143C
20 of the General Statutes.

21 (2) Tracking of bond proceeds. – The State Treasurer or the State Treasurer's
22 designee is hereby authorized and directed to set up a comprehensive system
23 of tracking the proceeds of the public improvement bonds and notes, including
24 premium thereon, if any, to the extent necessary to enable the State Treasurer
25 or the State Treasurer's designee to properly account for the use of such
26 proceeds for compliance with applicable requirements of the federal tax law
27 or otherwise. All recipients of such proceeds shall comply with any tracking
28 system implemented by the State Treasurer or the State Treasurer's designee
29 for this purpose. The State Treasurer may withhold such proceeds from any
30 State agency or department not complying with this subdivision.

31 (3) Costs. – Allocations to the costs of a capital improvement or undertaking in
32 each case may include allocations to pay the costs set forth in sub-subdivisions

35 **SECTION 1.(h)** Election. – The question of the issuance of the bonds authorized by
36 this act shall be submitted to the qualified voters of the State at a statewide election to be held
37 November 3, 2020. Any other primary, election, or referendum validly called or scheduled by
38 law at the time the election on the bond question provided for in this subsection is held may be
39 held as called or scheduled. Notice of the election shall be given in the manner and at the times
40 required by G.S. 163-33(8). The election and the registration of voters therefor shall be held
41 under and in accordance with the general laws of the State. Absentee ballots shall be authorized
42 in the election and shall be available 50 days prior to the date on which the election is to be held.

43 Ballots, voting systems authorized by Article 14A of Chapter 163 of the General
44 Statutes, or both, may be used in accordance with rules prescribed by the State Board of
45 Elections. The bond question to be used in the ballots or voting systems shall be in substantially
46 the following form:

47 "[] FOR [] AGAINST

49 North Carolina Public Improvement Bonds constituting general obligation bonds of the State
50 secured by a pledge of the faith and credit and taxing power of the State for the purpose of
51 providing funds, with any other available funds, to fund capital improvements and new facilities

1 for the State, including, without limitation, the construction and furnishing of new facilities and
2 the renovation and rehabilitation of existing facilities for, without limitation, the public schools

5 If a majority of those voting on the bond question in the election vote in favor of the
6 issuance of the bonds described in the question, those bonds may be issued as provided in this
7 act. If a majority of those voting on a bond question in the election do not vote in favor of the
8 issuance of the bonds described in the question, those bonds shall not be issued. The results of
9 the election shall be canvassed and declared as provided by law for elections for State officers;
10 the results of the election shall be certified by the State Board of Elections to the Secretary of
11 State in the manner and at the time provided by the general election laws of the State.

13 (1) Terms and conditions. – Bonds or notes may bear a date or dates, may be serial
14 or term bonds or notes, or any combination thereof; may mature in such
15 amounts and at such time or times, not exceeding 40 years from their date or
16 dates; may be payable at such place or places, either within or without the
17 United States of America, in such coin or currency of the United States of
18 America as at the time of payment is legal tender for payment of public and
19 private debts; may bear interest at such rate or rates, which may vary from
20 time to time; and may be made redeemable before maturity, at the option of
21 the State or otherwise as may be provided by the State, at such price or prices,
22 including a price less than or greater than the face amount of the bonds or
23 notes, and under such terms and conditions, all as may be determined by the
24 State Treasurer, by and with the consent of the Council of State.

25 (2) Signatures; form and denomination; registration. – Bonds or notes may be
26 issued in certificated or uncertificated form. If issued in certificated form,
27 bonds or notes shall be signed on behalf of the State by the Governor or shall

29 or shall bear the State Treasurer's facsimile signature, and shall bear the Great
30 Seal of the State, or a facsimile of the Seal shall be impressed or imprinted
31 thereon. If bonds or notes bear the facsimile signatures of the Governor and
32 the State Treasurer, the bonds or notes shall also bear a manual signature
33 which may be that of a bond registrar, trustee, paying agent, or designated
34 assistant of the State Treasurer. Should any officer whose signature or
35 facsimile signature appears on bonds or notes cease to be such officer before
36 the delivery of the bonds or notes, the signature or facsimile signature shall
37 nevertheless have the same validity for all purposes as if the officer had
38 remained in office until delivery. Bonds or notes may bear the facsimile
39 signatures of persons, who at the actual time of the execution of the bonds or
40 notes shall be the proper officers to sign any bond or note, although at the date
41 of the bond or note such persons may not have been such officers. The form
42 and denomination of bonds or notes, including the provisions with respect to
43 registration of the bonds or notes and any system for their registration, shall
44 be as the State Treasurer may determine in conformity with this act.

45 (3) Manner of sale; expenses. – Subject to the approval by the Council of State as
46 to the manner in which bonds or notes shall be offered for sale, whether at
47 public or private sale, whether within or without the United States, and
48 whether by publishing notices in certain newspapers and financial journals,
49 mailing notices, inviting bids by correspondence, negotiating contracts of
50 purchase, or otherwise, the State Treasurer is authorized to sell bonds or notes
51 at one time or from time to time at any rates of interest, which may vary from

1 time to time, and at any prices, including a price less than or greater than the
2 face amount of the bonds or notes, as the State Treasurer may determine. All
3 expenses incurred in the preparation, sale, and issuance of bonds or notes shall
4 be paid by the State Treasurer from the proceeds of bonds or notes or other
5 available monies.

6 (4) Notes; repayment. –

7 a. By and with the consent of the Council of State, the State Treasurer is
8 hereby authorized to borrow money and to execute and issue notes of
9 the State for the same, but only in the following circumstances and
10 under the following conditions:

- 11 1. For anticipating the sale of bonds, the issuance of which the
12 Council of State has approved, if the State Treasurer considers
13 it advisable to postpone the issuance of the bonds;
- 14 2. For the payment of interest on or any installment of principal
15 of any bonds then outstanding, if there are not sufficient funds
16 in the State treasury with which to pay the interest or
17 installment of principal as they respectively become due;
- 18 3. For the renewal of any loan evidenced by notes authorized in
19 this act;
- 20 4. For the purposes authorized in this act; and
- 21 5. For refunding bonds or notes as authorized in this act.

22 b. Funds derived from the sale of bonds or notes may be used in the
23 payment of any bond anticipation notes issued under this act. Funds
24 provided by the General Assembly for the payment of interest on or
25 principal of bonds shall be used in paying the interest on or principal
26 of any notes and any renewals thereof, the proceeds of which shall
27 have been used in paying interest on or principal of the bonds.

28 (5) Refunding bonds and notes. – By and with the consent of the Council of State,
29 the State Treasurer is authorized to issue and sell refunding bonds and notes
30 pursuant to the provisions of the State Refunding Bond Act for the purpose of
31 refunding bonds or notes issued pursuant to this act. The refunding bonds and
32 notes may be combined with any other issues of State bonds and notes
33 similarly secured. Refunding bonds or notes may be issued at any time prior
34 to the final maturity of the debt obligation to be refunded. The proceeds from
35 the sale of any refunding bonds or notes shall be applied to the immediate
36 payment and retirement of the bonds or notes being refunded or, if not required
37 for the immediate payment of the bonds or notes being refunded, the proceeds
38 shall be deposited in trust to provide for the payment and retirement of the
39 bonds or notes being refunded and to pay any expenses incurred in connection
40 with the refunding. Money in a trust fund may be invested in (i) direct
41 obligations of the United States government, (ii) obligations the principal of
42 and interest on which are guaranteed by the United States government, (iii)
43 obligations of any agency or instrumentality of the United States government
44 if the timely payment of principal and interest on the obligations is
45 unconditionally guaranteed by the United States government, or (iv)
46 certificates of deposit issued by a bank or trust company located in the State
47 if the certificates are secured by a pledge of any of the obligations described
48 in (i), (ii), or (iii) above having an aggregate market value, exclusive of
49 accrued interest, equal at least to the principal amount of the certificates so
50 secured. This act does not limit the duration of any deposit in trust for the
51 retirement of bonds or notes being refunded but that have not matured and are

1 not presently redeemable, or if presently redeemable, have not been called for
2 redemption.

3 (6) Tax exemption. – Bonds and notes shall at all times be free from taxation by
4 the State or any political subdivision or any of their agencies, excepting estate,
5 inheritance, or gift taxes, income taxes on the gain from the transfer of bonds
6 or notes, and franchise taxes. The interest on bonds or notes is not subject to
7 taxation as income.

8 (7) Investment eligibility. – Bonds and notes are securities in which all of the
9 following may invest, including capital in their control or belonging to them:
10 public officers, agencies, and public bodies of the State and its political
11 subdivisions, all insurance companies, trust companies, investment
12 companies, banks, savings banks, savings and loan associations, credit unions,
13 pension or retirement funds, other financial institutions engaged in business
14 in the State, executors, administrators, trustees, and other fiduciaries. Bonds
15 and notes are hereby made securities which may properly and legally be
16 deposited with and received by any officer or agency of the State or political
17 subdivision of the State for any purpose for which the deposit of bonds, notes,
18 or obligations of the State or any political subdivision is now or may hereafter
19 be authorized by law.

20 (8) Faith and credit. – The faith and credit and taxing power of the State are hereby
21 pledged for the payment of the principal of and the interest on bonds and notes.
22 The State expressly reserves the right to amend any provision of this act to the
23 extent it does not impair any contractual right of a bond owner.

24 (9) Other agreements. – The State Treasurer may authorize, execute, obtain, or
25 otherwise provide for bond insurance, investment contracts, credit and
26 liquidity facilities, interest rate swap agreements and other derivative
27 products, and any other related instruments and matters the State Treasurer
28 determines are desirable in connection with issuance, incurrence, carrying, or
29 securing of bonds or notes. The State Treasurer is authorized to employ and
30 designate any financial consultants, underwriters, and bond attorneys to be
31 associated with any bond or note issue under this act as the State Treasurer
32 considers necessary.

33 **SECTION 1.(j)** Variable Rate Demand Bonds and Notes. – In fixing the details of
34 bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

35 (1) Be made payable from time to time on demand or tender for purchase by the
36 owner, if a credit facility supports the bonds or notes, unless the State
37 Treasurer specifically determines that a credit facility is not required upon a
38 finding and determination by the State Treasurer that the absence of a credit
39 facility will not materially and adversely affect the financial position of the
40 State and the marketing of the bonds or notes at a reasonable interest cost to
41 the State;

42 (2) Be additionally supported by a credit facility;

43 (3) Be made subject to redemption or a mandatory tender for purchase prior to
44 maturity;

45 (4) Bear interest at a rate or rates that may vary for any period of time, as may be
46 provided in the proceedings providing for the issuance of the bonds or notes,
47 including, without limitation, such variations as may be permitted pursuant to
48 a par formula; and

49 (5) Be made the subject of a remarketing agreement whereby an attempt is made
50 to remarket bonds or notes to new purchasers prior to their presentment for
51 payment to the provider of the credit facility or to the State.

1 If the aggregate principal amount payable by the State under a credit facility is in
2 excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether
3 as a result of the inclusion in the credit facility of a provision for the payment of interest for a
4 limited period of time or the payment of a redemption premium or for any other reason, then the
5 amount of authorized but unissued bonds or notes during the term of such credit facility shall not
6 be less than the amount of such excess, unless the payment of such excess is otherwise provided
7 for by agreement of the State executed by the State Treasurer.

8 **SECTION 1.(k)** Interpretation of Section. –

- 9 (1) Additional method. – The foregoing subsections of this act shall be deemed to
10 provide an additional and alternative method for the doing of the things
11 authorized under it and shall be regarded as supplemental and additional to
12 powers conferred by other laws and shall not be regarded as in derogation of
13 any powers now existing.
- 14 (2) Statutory references. – References in this act to specific sections or Chapters
15 of the General Statutes or to specific acts are intended to be references to such
16 sections, Chapters, or acts as they may be amended from time to time by the
17 General Assembly.
- 18 (3) Broad construction. – This act, being necessary for the health and welfare of
19 the people of the State, shall be broadly construed to effect the purposes
20 thereof.
- 21 (4) Inconsistent provisions. – Insofar as the provisions of this act are inconsistent
22 with the provisions of any general, special, or local laws, or parts thereof, the
23 provisions of this act shall be controlling.
- 24 (5) Severability. – If any provision of this act or the application thereof to any
25 person or circumstance is held invalid, such invalidity shall not affect other
26 provisions or applications of the act which can be given effect without the
27 invalid provision or application, and to this end the provisions of this act are
28 declared to be severable.

29 **SECTION 2.** This act is effective when it becomes law.
