The General Assembly of North Carolina enacts:

PART I. JOBS GRANT PROGRAM

SECTION 1.1.(a) Purpose; Use. – The purpose of this section is to use funds from the American Rescue Plan Act to aid businesses in North Carolina that suffered substantial economic damage from the COVID-19 pandemic for which they were otherwise not fully compensated by providing economic support.

SECTION 1.1.(b) JOBS Grant Program. – There is created the Job Opportunity and Business Saving Grant Program (the Program) to be administered by the Department of Commerce. The Department may provide a one-time grant for each award amount to a qualifying business. Each grant awarded under the Program must include a description of the award amount used to calculate the grant. The Department's grant determinations are final.

SECTION 1.1.(c) Maximum Grant Amount. – The maximum grant a qualifying business may receive per award amount is seven and one-half percent (7.5%) of either the award amount or two hundred fifty thousand dollars (\$250,000), whichever is less.

SECTION 1.1.(d) Grant Program Limits. – The total of all funds granted under the Program, including the administration allocation for the Department of Commerce under Section 1.2 of this act, may not exceed one billion dollars (\$1,000,000,000).

SECTION 1.1.(e) Automatic Award. – The Department of Commerce shall use currently available data from the Department, the Small Business Administration, and any other available sources to identify qualifying businesses in this State that have been approved for an award amount on or before June 30, 2021. The Department must award a grant under this subsection to the last known address of an identified qualifying business for each ascertainable award amount by September 30, 2021.

SECTION 1.1.(f) Initial Application; Award. – A qualifying business that was approved for an award amount on or before June 30, 2021, but does not receive a grant under subsection (e) of this section by September 30, 2021, for that award amount may apply to the Department of Commerce for a grant on a form prescribed by the Department. The applicant must include any supporting documentation required by the Department, and the Department

1 must confirm that the applicant did not previously receive a grant under the Program for the
2 applicable award amount. Grants will be paid on a rolling basis to qualifying businesses that
3 submit their applications on or before November 19, 2021.

4 **SECTION 1.1.(g) Secondary Application; Award.** – If the limit under subsection (d)
5 of this section has not been met by December 31, 2021, the Department of Commerce must
6 reopen the Program for additional applications. A qualifying business that was approved for an
7 award amount but did not receive a grant for that award amount under subsections (e) or (f) of
8 this section may file an application with the Department to receive a grant under this subsection.
9 The applicant must include any supporting documentation required by the Department, and the
10 Department must confirm that the applicant did not previously receive a grant under the Program
11 for the applicable award amount. The application must be filed with the Department on or before
12 February 18, 2022. The Department may not accept late applications. The Department may not
13 award grants under this subsection until the application deadline has passed. If the total amount
14 to be awarded for applications submitted pursuant to this subsection, when added to the amounts
15 awarded under subsections (e) and (f) of this section, exceeds the maximum amount of funds
16 available under subsection (d) of this section, the Department must reduce each grant awarded
17 under this subsection on a proportionate basis so the maximum amount is not exceeded. The
18 Department must award grants under this subsection as soon as practicable after the application
19 deadline has passed.

20 **SECTION 1.1.(h) Clawback.** – For grants awarded under the Program pursuant to
21 an application, the Department shall require a business to apply, under oath, on a form prescribed
22 by the Department that includes (i) a certification that the business was approved for the
23 applicable award amount, (ii) a certification that the business will promptly inform the
24 Department of any reduction or recapture of the award amount and return any grant amount
25 calculated on the reduced or recaptured award amount, and (iii) any information necessary for
26 the Department to evaluate the application. The Department shall include with every grant
27 awarded under the Program a notice that (i) the award must be returned or forfeited by a business
28 to the extent the calculation of the award is premised on an award amount the qualifying business
