39 pyrotechnics otherwise meeting the definition of "consumer fireworks" or "sparkling devices"
40 from the provisions of this Part upon a finding that the type or category of pyrotechnic presents
41 a significant and widespread risk of death, serious bodily injury, or substantial damage to public
42 or private property. Exclusion of any type or category of pyrotechnics pursuant to this section
43 must be evidence-based.

32 to the benefit of the violator as a result of the violation, whether the violation was committed
33 willfully, and the prior record of the violator in complying or failing to comply with laws, rules,
34 or orders applicable to the violator. The clear proceeds of the penalty shall be remitted to the
35 Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. Payment of the civil
36 penalty under this section shall be in addition to payment of any other penalty for a violation of
37 the criminal laws of this State.

38 (c) A person whose permit has been suspended or has been issued a civil penalty under
39 this section shall receive a hearing before the Commissioner within 10 days of the decision. If

8 covered by the report. A report shall be filed on a form provided by the Secretary and shall
9 contain the information required by the Secretary.

10 (d) Discount. – A person who is liable for the excise taxes imposed by this Article, who
11 files a timely report under this section, and who sends a timely payment may deduct from the
12 amount due with the report a discount of two percent (2%). This discount covers expenses
13 incurred in preparing the records and reports required by this Article.

14 (e) Refund. – A person liable for the excise taxes imposed by this Article and in
15 possession of unsalable consumer fireworks upon which the tax has been paid may return the
16 consumer fireworks to the manufacturer and apply to the Secretary for refund of the tax. The

33 this Article. A bond must be conditioned on compliance with this Article, payable to the State,
34 and in the form required by the Secretary. The amount of the bond is two times the distributor's
35 average expected monthly tax liability under this Article, as determined by the Secretary,
36 provided the amount of the bond may not be less than one thousand dollars (\$1,000) and may not
37 be more than fifty thousand dollars (\$50,000). The Secretary should periodically review the
38 sufficiency of bonds required of the fireworks retailer and increase the required bond amount if
39 the amount no longer covers the anticipated tax liability of the fireworks retailer and decrease the
40 amount if the Secretary finds that a lower bond amount will protect the State adequately from
41 loss.

42 (b) Letter of Credit. – For purposes of this section, a fireworks retailer may substitute an
43 irrevocable letter of credit for the secured bond required by this section. The letter of credit must
44 be issued by a commercial bank acceptable to the Secretary and available to the State as a
