The General Assembly of North Carolina enacts:

**SECTION 1.** Definition. – For purposes of this act, the term "electronic speed-measuring system" means a mobile or fixed device (i) consisting of an automated traffic camera and sensor and (ii) capable of measuring speed and producing one or more digital photographs of a motor vehicle violating the speed limit set in a school zone pursuant to G.S. 20-141.1.

**SECTION 2.** Authorization for Pilot Program. – The City of Greensboro may establish and implement a pilot program to use electronic speed-measuring systems to detect violations of the speed limit set in school zones pursuant to G.S. 20-141.1.

**SECTION 3.** Minimum Standards. – An electronic speed-measuring system authorized for use by this act shall produce at least one photograph that clearly shows a recorded image of the vehicle speeding; the vehicle registration number and state of issuance; the date, time, and location of the violation; and the recorded speed.

**SECTION 4.** Signage. – The City of Greensboro shall provide notice of the presence of an electronic speed-measuring system by posting a conspicuous warning sign not more than 1,000 feet from the location of the system.

**SECTION 5.** Penalty. – Except as provided by Section 10 of this act, a violation of a speed limit set in a school zone pursuant to G.S. 20-141.1 that is detected by an electronic speed-measuring system is a noncriminal violation for which a civil penalty shall be assessed and for which no points authorized by G.S. 20-16(c) or G.S. 58-36-65 shall be assigned to the owner or driver of the vehicle. The civil penalty shall be two hundred fifty dollars (\$250.00) for a violation of a speed limit set in a school zone pursuant to G.S. 20-141.1.

**SECTION 6.** Notification of Violation. – Except as otherwise provided in Section 8 of this act, the City of Greensboro, through its officials or agents, shall issue to the registered owner of a motor vehicle cited for a speeding violation detected by an electronic speed-measuring system a notice of the violation containing all of the information listed in this section. The notice shall be delivered by first-class United States mail at the address on the current registration of the vehicle's owner and is deemed served on the registered owner five days after the mailing. The notice of the violation shall contain all of the following:

- (1) The recorded image of the vehicle speeding.
- (2) The vehicle registration number and state of issuance.
- (3) The date, time, and location of the violation.

1 (4) The recorded speed.

2 (5) The process for paying the civil penalty or contesting the owner's  
3 responsibility for the violation.

4 **SECTION 7. Liability of Owner.** – The registered owner of a vehicle cited for a  
5 speeding violation detected by an electronic speed-measuring system shall be responsible for any  
6 penalty imposed under this act unless, within 30 days of service of the notification of violation,  
7 the owner provides to the City of Greensboro a sworn affidavit containing the information listed  
8 in one of the subdivisions of this section. If the registered owner fails to pay the civil penalty or  
9 fails to respond to the notice within 30 days of service of the notification of violation, the owner  
10 waives the right to contest responsibility for the violation and is subject to an additional civil  
11 penalty of one hundred twenty-five dollars (\$125.00).

12 The sworn affidavit shall contain one of the following:

13 (1) The name and address of the person who had actual physical control of the  
14 vehicle at the time of the violation.

15 (2) A statement that at the time of the violation the vehicle was under the control  
16 of a person unknown to the owner without the owner's permission. A  
17 statement provided under this subdivision shall be accompanied by  
18 documentation verifying that the owner reported to appropriate law  
19 enforcement officials the theft or other loss of the vehicle not later than 48  
20 hours after the time of the violation.

21 **SECTION 8. Liability of Actual Operator.** – If a registered owner provides an  
22 affidavit containing the information set forth in subdivision (1) of Section 7 of this act, the person  
23 identified in the affidavit may be issued a citation complying with the requirements of Section 6  
24 of this act and, if a citation is issued, shall be responsible for any penalty imposed under this act,  
25 including the additional civil penalty of one hundred twenty-five dollars (\$125.00) if the person  
26 fails to pay the civil penalty or respond to the notice within 30 days of service of the notification  
27 of violation. If issued, the citation shall be sent to the address provided in the affidavit.

28 **SECTION 9. Use as Evidence in Criminal Proceeding.** – Any photographs recorded  
29 by an electronic speed-measuring system that capture a speeding violation in a school zone shall  
30 also be provided to the investigating law enforcement agency for use as evidence in any  
31 proceeding alleging a violation of G.S. 20-141.1.

32 **SECTION 10. Notification of Criminal Charges.** – If a law enforcement officer cites,  
33 pursuant to G.S. 15A-302, or arrests, pursuant to G.S. 15A-401, an owner or operator of a vehicle  
34 in an area where an electronic speed-measuring system is in use for detecting violations of a  
35 speed limit set pursuant to G.S. 20-141.1, then the officer shall notify the City of Greensboro  
36 within 48 hours of the citation or arrest. Upon notification, the City of Greensboro shall not issue  
37 a notice of violation pursuant to Section 6 of this act. If it is determined that a notice of violation  
38 was issued in error after proper notification, no penalty may be imposed under this act and any  
39 penalty already paid pursuant to the notice of violation shall be refunded.

40 **SECTION 11. Administrative Hearings.** – The City of Greensboro shall establish an  
41 administrative nonjudicial hearing process to review challenges to penalties assessed under this  
42 act. The hearing shall provide a full opportunity for the person charged with the violation, if that  
43 person so requests, to present evidence and contest the violation.

44 **SECTION 12. Appeal.** – A person dissatisfied with the decision of the City of  
45 Greensboro under Section 11 of this act may appeal the decision to the district court of the county  
46 in which the violation occurred by filing a notice of the appeal with the clerk of superior court in  
47 the county where the violation occurred within 30 days of notification of a final decision by the  
48 City of Greensboro. An appeal under this section is for a trial de novo before the district court.  
49 An appeal under this section is a civil action but may be heard in either a civil or criminal session  
50 of court. An appeal of the district court's determination shall be to the Court of Appeals.

1           **SECTION 13.** Interlocal Agreement. – The City of Greensboro and the Greensboro  
2 Public Schools Board of Education may enter into an interlocal agreement necessary and proper  
3 to effectuate the purpose and intent of this act. Any agreement entered into pursuant to this  
4 section may include provisions on cost-sharing and reimbursement that the City of Greensboro  
5 and the Greensboro Public Schools Board of Education freely and voluntarily agree to for the  
6 purpose of effectuating the provisions of this act. Nothing in this section shall be construed as  
7 altering or superseding the requirements of Section 7 of Article IX of the North Carolina  
8 Constitution.

9           **SECTION 14.** Report. – No later than three years after implementing the pilot  
10 program authorized by this act, the City of Greensboro shall report the results of the pilot program

17 electronic speed-measuring systems in school zones.

18           **SECTION 15.** Expiration of the Pilot Program. – If implemented, the pilot program  
19 authorized by this act expires upon the submission of the report required by Section 14 of this  
20 act or three years after the effective date of this act, whichever is earlier.
