

Article 14.

General Provisions as to Tuition and Fees in Certain State Institutions.

**§ 116-143. State-supported institutions of higher education required to charge tuition and fees.**

(a) The Board of Governors of The University of North Carolina shall fix the tuition and fees, not inconsistent with actions of the General Assembly, at the institutions of higher education enumerated in G.S. 116-4 in such amount or amounts as it may deem best, taking into consideration the nature of each institution and program of study and the cost of equipment and maintenance; and each institution shall charge and collect from each student, at the beginning of each semester or quarter, tuition, fees, and an amount sufficient to pay other expenses for the term.

(b) In the event that said students are unable to pay the cost of tuition and required academic fees as the same may become due, in cash, the said several boards of trustees are hereby authorized and empowered, in their discretion, to accept the obligation of the student or students together with such collateral or security as they may deem necessary and proper, it being the purpose of this Article that all students in State institutions of higher learning shall be required to pay tuition, and that free tuition is hereby abolished. Notwithstanding this section, neither the Board of Governors of The University of North Carolina nor its Board of Trustees shall impose any tuition or mandatory fee at the North Carolina School of Science and Mathematics without the approval of the General Assembly, except as provided in subsection (e) of this section.

(c) Inasmuch as the giving of tuition and fee waivers, or especially reduced rates, represent in effect a variety of scholarship awards, the said practice is hereby prohibited except when expressly authorized by statute.

(d) Notwithstanding the above provision relating to the abolition of free tuition, the Board of Governors of The University of North Carolina may, in its discretion, provide regulations under which personnel may during the period of normal employment enroll in The University of North Carolina free of charge for tuition and fees, provided such enrollment does not interfere with normal employment obligations and further provided that such enrollments are not counted for the purpose of receiving General Fund appropriations as follows:

- (1) Except as provided in subdivision (2) of this subsection, a full-time faculty member of the rank of full-time instructor or above and any full-time staff member of The University of North Carolina may enroll in not more than three courses per year.
- (2) A full-time or part-time campus law enforcement officer may enroll in the number of courses per year determined by regulation.

(e) The Board of Governors of The University of North Carolina may approve, upon the recommendation of the Board of Trustees of the North Carolina School of Science and Mathematics, the imposition of fees not inconsistent with actions of the General Assembly for distance education services provided by the North Carolina School of Science and Mathematics to nonresidents and for students participating in extracurricular enrichment programs sponsored by the School.
