BILL INQUIRY

KEYWORDS

2015 General Assembly

PLEASE DISREGARD ALL PREVIOUS EDITIONS

February 2015
The **Bill Inquiry** function, found under “Legislation/Bills” on the NCGA Web Page, allows users to retrieve legislation using subject.

All introduced bills and resolutions, adopted amendments, committee substitutes, and conference reports are indexed using appropriate subject terms, or keywords, thus providing a thorough history of each bill. As a result, the final edition of a bill may not always appear to be related to all of the attached keywords, although at some time in its history the bill will have dealt with that subject.

Keywords are assigned to each bill using only the controlled vocabulary contained in this publication. While the keywords in this document can be taken as a comprehensive listing of terms, with the exception of those mentioned below, new keywords may be added during the legislative session. As a result, this document should be used with the caveat that it may not contain all keywords used, and will only be completely up-to-date after the General Assembly has adjourned *sine die* and a final version has been distributed.

Certain keywords are listed which are used to identify aspects of, or actions on, a bill. These include:

- **RATIFIED** [for bills that have been ratified]
- **PRESENTED** [for bills that have been presented to the Governor]
- **CHAPTERED** [for bills that have been chaptered]
- **ADOPTED** [for simple resolutions that have been adopted]
- **VETOED** [for bills the Governor has vetoed]
- **VETO OVERRIDDEN** [for vetoed bills the GA has overridden]
- **PUBLIC** [for public bills]
- **LOCAL** [for local bills]
- **BLANK BILL** [for blank bills]
- **RESOLUTIONS, JOINT** [for joint resolutions]
- **RESOLUTIONS, SIMPLE** [for simple resolutions]
- **MEMORIALIZING RESOLUTIONS** [for resolutions urging action by Congress]
- **TITLE CHANGE** [for bills that have had a change in title]
- **CERTIFIED** [for bills requiring certification according to GS 120-36.8]
- **NAMED LAWS** [for bills using a persons’ name as a title as in “Aiden’s Law”]
- **ADJOURNMENT** [for Adjournment resolutions]
Bills may also be searched by proper noun. These, which are not shown in the following list, include names of cities, towns, counties, lakes and rivers, and personal names. The latter appearing in the format: Doe, John J.

The following notations are used in this publication.

- **BT:** = Broader Term
- **NT:** = Narrower Term
- **RT:** = Related Term
- **USE:** = Use another term
- **UF:** = Use for
- **SN:** = Scope note

These notations refer to: general/broad subject areas (BT): specific/narrow subject areas (NT); and similar/related subject areas (RT). The USE notation refers the user to the correct indexing term, the UF (use for) notation alerts the user to the various uses of the term. The SN (scope note) offers explanatory notes on the term.

**The Search Screen:**

To access the search screen, go to NCGA Bill Inquiry, select your session, and choose **Keyword** under the **Categories** on the left hand side of the screen.

The following screen appears:

All current keywords are available in the search screen by clicking on the highlighted text “keyword list” in the sentence at the bottom.

You can go to this list to add keywords or you can type keywords in the “Enter Word or Phrase” box if you are familiar with the keywords you want to use.

When you have selected a keyword you can add it to your search criteria by clicking on the “Add to Search Criteria ==>” button.

More complex searches can be structured using the other categories available on the left of the screen.
Keywords can be combined using connectors.
The connectors are as follows:

**AND** is used to identify a bill, or bills, containing *both* terms. [An example would be “Minors AND Crime” which would retrieve all bills that dealing with juvenile crime]

**OR** is used to identify a bill, or bills, that contain *either* term. [An example would be “Minors OR Crime” which would retrieve all bills dealing with juveniles and all bills dealing with crime]

If your search retrieves a large number of bills, narrow the search by using more specific keywords or combining keywords.
