"§ 163-278.32. Statements under oath.
Any statement required to be filed under this Article shall be signed and certified as true and correct by the individual, media, candidate, treasurer or others required to file it, and shall be certified as true and correct to the best of the knowledge of the individual, media, candidate, treasurer or others filing the statement; provided further that the candidate shall certify as true and correct to the best of his knowledge the organizational report and appointment of treasurer filed for the candidate or the candidate's principal campaign committee. Any certification under this Article shall be treated as under oath, and any person making a certification under this Article knowing the information to be untrue may be prosecuted for perjury under G.S. 14-209. is guilty of a Class I felony."

SECTION 1.(b) G.S. 163-278.27 is amended by adding a new subsection to read:

"(a1) A violation of G.S. 278.32 by making a certification knowing the information to be untrue is a Class I felony."

SECTION 1.(c) This act becomes effective December 1, 2007, and applies to offenses committed on or after that date.

SECTION 2.(a) G.S. 163-278.34(a) reads as rewritten:

"(a) Civil Penalties for Late Filing. – Except as provided in G.S. 163-278.9 and G.S. 163-278.9A, all reports, statements or other documents required by this Article to be filed with the Board shall be filed either by manual delivery to or by mail addressed to the Board. Timely filing shall be complete if postmarked on the day the reports, statements or other documents are to be delivered to the Board. If a report, statement or other document is not filed within the time required by this Article, then the individual, person, media, candidate, political committee, referendum committee or treasurer responsible for filing shall pay to the State Board of Elections election enforcement costs and a civil late penalty as follows:

If the form is filed by mail, no civil late penalty shall be assessed for any day after the date of postmark. No civil late penalty shall be assessed for any day when the Board office at which the report is due is closed. The State Board shall immediately notify, or
cause to be notified, late filers, from which reports are apparently due, by mail, of the penalties under this section. The State Board of Elections may waive a late penalty if it determines there is good cause for the waiver.

If the Board determines by clear and convincing evidence that the late filing constitutes a willful attempt to conceal contributions or expenditures, the Board may assess a civil penalty in an amount to be determined by that Board, plus the costs of investigation, assessment, and collection. The civil penalty shall not exceed three times the amount of the contributions and expenditures willfully attempted to be concealed."

**SECTION 2.(b)** This section is effective when this act becomes law and applies to all offenses committed on or after that date.

**SECTION 3.** G.S. 163-278.6(14) reads as rewritten:

"(14) The term "political committee" means a combination of two or more individuals, such as any person, committee, association, organization, or other entity that makes, or accepts anything of value to make, contributions or expenditures and has one or more of the following characteristics:

   a. Is controlled by a candidate;
   b. Is a political party or executive committee of a political party or is controlled by a political party or executive committee of a political party;
   c. Is created by a corporation, business entity, insurance company, labor union, or professional association pursuant to G.S. 163-278.19(b); or
   d. Has as a major purpose to support or oppose the nomination or election of one or more clearly identified candidates.

   Supporting or opposing the election of clearly identified candidates includes supporting or opposing the candidates of a clearly identified political party.

   An entity is rebuttably presumed to have as a major purpose to support or oppose the nomination or election of one or more clearly identified candidates if it contributes or expends or both contributes and expends during an election cycle more than three thousand dollars ($3,000). The presumption may be rebutted by showing that the contributions and expenditures giving rise to the presumption were not a major part of activities of the organization during the election cycle. Contributions to referendum committees and expenditures to support or oppose ballot issues shall not be facts considered to give rise to the presumption or otherwise be used in determining whether an entity is a political committee.

   If the entity qualifies as a "political committee" under sub-subdivision a., b., c., or d. of this subdivision, it continues to be a political committee if it receives contributions or makes expenditures or maintains assets or liabilities. A political committee ceases to exist
when it winds up its operations, disposes of its assets, and files its final report.

Special definitions of "political action committee" and "candidate campaign committee" that apply only in Part 1A of this Article are set forth in G.S. 163-278.38Z."

SECTION 4.(a) G.S. 163-278.69(a) reads as rewritten:

"(a) Judicial Voter Guide. – The Board shall publish a Judicial Voter Guide that explains the functions of the appellate courts and the laws concerning the election of appellate judges, the purpose and function of the Public Campaign Fund, and the laws concerning voter registration. The Board shall distribute the Guide to as many voting-age individuals in the State as practical, through a mailing to all residences or other means it deems effective. The distribution shall occur no more than 14 days nor fewer than seven days before the one-stop voting period provided in G.S. 163-227.2 for the primary and no more than 14 days nor fewer than seven days before the one-stop voting period provided in G.S. 163-227.2 for the general election."

SECTION 4.(b) If House Bill 1517 of the 2007 Session of the General Assembly becomes law, G.S. 163-278.99E(a), as enacted in Section 1 of that bill, reads as rewritten:

"(a) Voter Guide. – The Board shall publish a Voter Guide that explains the functions of office as defined in G.S. 163-278.96(12) and the laws concerning the election of the Council of State, the purpose and function of the Fund, and the laws concerning voter registration. The Board shall distribute the Guide to as many voting-age individuals in the State as practical, through a mailing to all residences or other means it deems effective. The State Board of Elections shall maintain a list of the addresses from which mailed Voter Guides are returned as undeliverable. That list shall be available for public inspection. The distribution shall occur no more than 14 days nor fewer than seven days before the one-stop voting period provided in G.S. 163-227.2 for the primary and no more than 14 days nor fewer than seven days before the one-stop voting period provided in G.S. 163-227.2 for the general election."

SECTION 5. G.S. 163-33.1 reads as rewritten:

"§ 163-33.1. Power of chairman to administer oaths.

The chairman of the county board of elections is authorized to administer to election officials specified in G.S. 163-80 Articles 4, 5, and 20 of this Chapter the required oath, and may also administer the required oath to witnesses appearing before the county board at a duly called public hearing."

SECTION 6.(a) G.S. 163-132.1B reads as rewritten:

(a) Purpose. – The State of North Carolina shall participate in the 2010 Census Redistricting Data Program, conducted pursuant to P.L. 94-171, of the United States Bureau of the Census, so that the State will receive 2010 Census data by voting precinct and be able to revise districts at all levels without splitting precincts and in compliance with the United States and North Carolina Constitutions and the Voting Rights Act of 1965, as amended.
(a1) Reporting of Voting Tabulation Districts. – The Executive Director of the State Board of Elections shall report to the Bureau of the Census as this State's voting tabulation districts the voting precincts as of January 1, 2008. Before making that report, the Executive Director shall consult with the Legislative Services Office concerning the accuracy of the voting precincts to be reported. The Legislative Services Office shall submit to the Executive Director its opinion as to whether the description of the precincts to be reported to the Bureau of the Census is accurate. The Executive Director shall submit the report to the Bureau of the Census in time to comply with the deadlines of that Bureau for the 2010 Census Redistricting Data Program.

(a2) Reporting From Unchanged Voting Tabulation Districts. – After January 1, 2008, every county board of elections shall report all election returns by voting tabulation districts as required by G.S. 163-132.5G. For purposes of this section and G.S. 163-132.5G, "voting tabulation districts" shall be the precincts as of January 1, 2008. No county board of elections may alter the voting tabulation districts reported to the Census Bureau by the Executive Director of the State Board of Elections. The county board of elections may change the boundaries of the county's precincts so that those precincts differ from the county's voting tabulation districts, but only to the extent permitted by G.S. 163-132.3.

(b) Additional Rules. – In addition to directives promulgated by the Executive Director of the State Board of Elections under G.S. 163-132.4, the Legislative Services Commission may promulgate rules to implement this section."

SECTION 6.(b) G.S. 163-132.3 reads as rewritten:
"§ 163-132.3. Alterations to approved precinct boundaries.
(a) No county board of elections may change any precinct boundary except in one of the following ways:
   (1) By dividing an existing precinct into one or more new precincts, without involving other existing precincts. The lines on which the precincts are divided shall follow census blocks established under the latest U.S. Census.
   (2) By combining one or more existing precincts into a new precinct. If one or more precincts are combined into a single precinct, the new precinct shall not be divided until at least four years after the effective date of the combination.
   (3) By moving a precinct boundary that does not follow a census block boundary established under the latest U.S. Census so that that precinct boundary does follow such a census block boundary.

unless the Executive Director of the State Board of Elections determines that the county board has a current capability of complying with G.S. 163-132.1B(a2) by reporting all election returns by voting tabulation district as required by G.S. 163-132.5G. If the Executive Director so determines, the county board may make any changes to precinct boundaries, provided that All—all proposed new precincts shall consist solely of contiguous territory. The State Board of Elections may set uniform standards for precinct boundaries, which the county boards of elections shall follow. The county
board of elections shall report every change in precinct boundary to the Executive Director in a format required by the Executive Director.

This section does not prohibit a county from continuing to use precincts that were allowed under the Combined Reporting Unit provisions of G.S. 163-132.1(e)(6).

The county boards of elections shall report precinct boundary changes by filing with the Legislative Services Office on current official census maps or on other maps or electronic databases approved by the Executive Director the new boundaries of these precincts to the Executive Director in the manner the Executive Director directs. The Executive Director may require a county board of elections to file a written description of the boundaries of any precinct or part thereof. No newly created or altered precinct boundary is effective until approved by the Executive Director of the State Board as if in compliance with this section.

(b) The Executive Director of the State Board of Elections and the Legislative Services Office shall examine the maps of the proposed new or altered precincts and any required written descriptions. After its examination of the maps and their written descriptions, the Legislative Services Office shall submit to the Executive Director of the State Board of Elections its opinion as to whether all of the proposed precinct boundaries are in compliance with subsection (a) of this section, with notations as to where those boundaries do not comply with these standards. If the Executive Director of the State Board determines that all precinct boundaries are in compliance with this section, the Executive Director of the State Board shall approve the maps and written descriptions as filed and these precincts shall be the official precincts.

(c) If the Executive Director of the State Board determines that the proposed precinct boundaries are not in compliance with subsection (a) of this section, the Executive Director shall not approve those precinct boundaries. The Executive Director shall notify the county board of elections of his disapproval specifying the reasons. The county board of elections may then resubmit new precinct maps and written descriptions to cure the reasons for their disapproval.

(d) Repealed by Session Laws 2004-127, s. 1(a), effective August 15, 2004, and applicable to precincts established or changed on or after that date.

(e) During the period beginning October 1, 2002, and ending August 15, 2004, no county board of elections may change any precinct boundary. However, a county that has a precinct line that does not follow a 2000 Census Block Boundary may change that precinct line to conform to the way that precinct is shown on the General Assembly's redistricting database, provided the total population of the area moved from one precinct to another is not greater than ten percent (10%) of the total population of either precinct. A county board of elections proposing a change to a precinct during this period shall submit that change to the Legislative Services Office, which shall examine the proposed change and give its opinion of its compliance with this subsection to the Executive Director of the State Board of Elections. If the proposed change is in compliance with this subsection, the Executive Director shall approve it.

SECTION 6.(c) G.S. 163-132.5G reads as rewritten:

"§ 163-132.5G. Voting data maintained by precinct-voting tabulation district."
To the extent that it can do so without compromising the secrecy of an individual's ballot, each county board of elections shall maintain voting data by precinct voting tabulation district as provided in G.S. 163-132.1B so that precinct voting tabulation district returns for each item on the ballot shall include the votes cast by all residents of the precinct voting tabulation district who voted by provisional ballot and by absentee ballot, both mail and one-stop, regardless of where they voted. The county board shall not be required to report provisional and absentee voting data by precinct returns by voting tabulation district for voters who voted other than at their precinct voting place on election day until 60 days after the election. In reporting returns, the county board shall not compromise the secrecy of an individual's ballot. The 60-day deadline for reporting returns by voting tabulation district does not relieve the county board of the duty to report all returns as soon as practicable after the election according to other categories specified by the State Board of Elections. The State Board of Elections shall adopt rules for the enforcement of this section with the goal that all voting data shall be reported by precinct by the 2006 election section.

SECTION 6.(d) G.S. 163-165.7(a)(3) reads as rewritten:

"(3) That the voting system must have the capacity to include in precinct voting tabulation district returns the votes cast by voters outside of the voter's precinct voting tabulation district as required by G.S. 163-132.5G."

SECTION 6.(e) G.S. 163-132.5F reads as rewritten:

"§ 163-132.5F. U.S. Census data by precinct voting tabulation district.

The State shall request the U.S. Census Bureau of the Census for each decennial census to provide summaries of census data by precinct voting tabulation district and shall participate in any U.S. Bureau of the Census' program to effectuate this provision."

SECTION 6.(f) Subsections 7(b) through 7(e) of this section become effective January 1, 2008. The remainder of this section is effective when this act becomes law.

SECTION 6.(g) This section becomes effective only if any funds necessary to implement it are appropriated.

SECTION 7. Article 14A of Chapter 163 of the General Statutes is amended by adding a new section to read:

"§ 163-165.5B. Ballots may be combined.

Notwithstanding any other statute or local act, a county board of elections, with the approval of the State Board of Elections, may combine ballot items on the same official ballot."

SECTION 8.(a) G.S. 163-122(a)(2) reads as rewritten:

These petitions must be filed with the State Board of Elections on or before 12:00 noon on the last Friday in June preceding the general election and must be signed by qualified voters of the district equal in
number to four percent (4%) of the total number of registered voters in the district as reflected by the voter registration records of the State Board of Elections as of January 1 of the year in which the general election is to be held. Each petition shall be presented to the chairman of the board of elections of the county in which the signatures were obtained. The chairman shall examine the names on the petition and the procedure for certification and deadline for submission to the county board shall be the same as specified in (1) above."

SECTION 8.(b) G.S. 163-123(c)(2) reads as rewritten:

These petitions must be filed with the State Board of Elections on or before noon on the 90th day before the general election and must be signed by 250 qualified voters. Before being filed with the State Board of Elections, each petition shall be presented to the board of elections of the county in which the signatures were obtained. A petition presented to a county board of elections shall contain only names of voters registered in that county who are eligible to vote for that office. The chairman of the county board shall examine the names on the petition and the procedure for certification shall be the same as specified in subdivision (1)."

SECTION 9.(a) G.S. 163-165.1(e) reads as rewritten:

"(e) Voted ballots and paper and electronic records of individual voted ballots shall be treated as confidential, and no person other than elections officials performing their duties may have access to voted ballots or paper or electronic records of individual voted ballots except by court order or order of the appropriate board of elections as part of the resolution of an election protest or investigation of an alleged election irregularity or violation. Voted ballots and paper and electronic records of individual voted ballots shall not be disclosed to members of the public in such a way as to disclose how a particular voter voted, unless a court orders otherwise. Any person who communicates to an applicant acceptance of that delegation shall deliver that form so that it is received by the appropriate county board of elections in time to satisfy the registration deadline in subdivision (1) or (2) of subsection (c) of this section for the next election.

(a1) Misdemeanors. – It shall be a Class 2 misdemeanor for any person to do any of the following:

(1) To communicate to the applicant acceptance of that the delegation described in subsection (a) of this section and then fail to make a good faith effort to deliver the form so that it is received by the county board of elections in time to satisfy the registration deadline in subdivision (1) or (2) of subsection (c) of this section for the next election. It shall be an affirmative defense to a charge of failing to make a good faith effort to deliver a delegated form by the registration deadline that the delegatee informed the applicant that the form would not likely be delivered in time for the applicant to vote in the next election.
(2) It shall be a Class 2 misdemeanor for any person to sell or attempt to sell a completed voter registration form or to condition its delivery upon payment.

(3) To change a person's information on a voter registration form prior to its delivery to a county board of elections.

(4) To coerce a person into marking a party affiliation other than the party affiliation the person desires.

SECTION 16.(b) G.S. 163-274 is amended by adding a new subdivision to read:

"(14) For any person to commit any of the voter registration violations set forth in G.S. 163-82.6(a1)."

SECTION 16.(c) This section becomes effective December 1, 2007, and applies to any offense committed on or after that date.

SECTION 17.(a) G.S. 163-275 is amended by adding a new subdivision to read:

"(18) For any person, knowing that a person is not a citizen of the United States, to instruct or coerce that person to register to vote or to vote."

SECTION 17.(b) This section becomes effective December 1, 2007, and applies to any offense committed on or after that date.

SECTION 18. G.S. 163-82.14(c)(1) reads as rewritten:

"(1) Report of Conviction Within the State. – The clerk of superior court, State Board of Elections, on or before the fifteenth day of every month, shall report to the county board of elections of that county the name, county of residence, and residence address if available, of each individual against whom a final judgment of conviction of a felony has been entered in that county in the preceding calendar month. Any county board of elections receiving such a report about an individual who is a resident of another county in this State shall forward a copy of that report to the board of elections of that county as soon as possible."

SECTION 19. G.S. 163-82.10(a) reads as rewritten:

"(a) Official Record. – The State voter registration system is the official voter registration list for the conduct of all elections in the State. A completed and signed registration application form, if available, described in G.S. 163-82.3, once approved by the county board of elections, becomes backup to the official registration record of the voter. Electronically captured images of the signatures of voters, full or partial social security numbers, dates of birth, the identity of the public agency at which the voter registered under G.S. 163-82.20, and drivers license numbers that may be generated in the voter registration process, by either the State Board of Elections or a county board of elections, are confidential and shall not be considered public records and subject to disclosure to the general public under Chapter 132 of the General
Statutes. Cumulative data based on those items of information may be publicly disclosed as long as information about any individual cannot be discerned from the disclosed data. Disclosure of drivers license numbers or dates of birth information in violation of this subsection shall not give rise to a civil cause of action. This limitation of liability does not apply to the disclosure of drivers license numbers or dates of birth information in violation of this subsection as a result of gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The signature of the voter, either on the paper application or an electronically captured image of it, may be viewed by the public but may not be copied or traced except by election officials for election administration purposes. Any such copy or tracing is not a public record. The county board of elections shall maintain custody of any paper hard copy registration records of voters in the county and shall keep them in a place where they are secure."

**SECTION 20.** G.S. 163-82.4(e) reads as rewritten:

"(e) Correcting Registration Forms. – If the voter fails to answer the question set out in subdivision (1) of subsection (d) of this section, complete any required item on the voter registration form but provides enough information on the form to enable the county board of elections to identify and contact the voter, the voter shall be notified of the omission and given the opportunity to complete the form at any time before casting a vote in the election on election day, at least by 5:00 P.M. on the day before the county canvass as set in G.S. 163-182.5(b). If the voter corrects that omission within that time, the voter may vote in the election and is determined by the county board of elections to be eligible to vote, the board shall permit the voter to vote. If the information is not corrected by election day, the voter shall be allowed to vote a provisional official ballot. If the correct information is provided to the county board of elections by at least 5:00 P.M. on the day before the county canvass, the board shall count any portion of the provisional official ballot that the voter is eligible to vote."

**SECTION 21.(a)** G.S. 163-166.12 reads as rewritten:

"§ 163-166.12. Requirements for certain voters who register by mail.

(a) Voting in Person. – An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina, shall present to a local election official at a voting place before voting there one of the following:

1. A current and valid photo identification.
2. A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

(b) Voting Mail-In Absentee. – An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina, in order to cast a mail-in absentee vote, shall submit with the mailed-in absentee ballot one of the following:

1. A copy of a current and valid photo identification.
2. A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.
(b1) The county board of elections shall note the type of identification proof submitted by the voter under the provisions of subsection (a) or (b) of this section and may dispose of the tendered copy of identification proof as soon as the type of proof is noted in the voter registration records.

(b2) Voting When Identification Numbers Do Not Match. – Regardless of whether an individual has registered by mail or by another method, if the individual has provided with the registration form a drivers license number or last four digits of a Social Security number but the computer validation of the number as required by G.S. 163-82.12 did not result in a match, and the number has not been otherwise validated by the board of elections, in the first election in which the individual votes that individual shall submit with the ballot the form of identification described in subsection (a) or subsection (b) of this section, depending upon whether the ballot is voted in person or absentee. If that identification is provided and the board of elections does not determine that the individual is otherwise ineligible to vote a ballot, the failure of identification numbers to match shall not prevent that individual from registering to vote and having that individual's vote counted. If the individual registers and votes under G.S. 163-82.6A, the identification documents required in that section, rather than those described in subsection (a) or (b) of this section, apply.

(c) The Right to Vote Provisionally. – If an individual is required under subsection (a) or (b) of this section to present identification in order to vote, but that individual does not present the required identification, that individual may vote a provisional official ballot. If the voter is at the voting place, the voter may vote provisionally there without unnecessary delay. If the voter is voting by mail-in absentee ballot, the mailed ballot without the required identification shall be treated as a provisional official ballot.

(d) Exemptions. – This section does not apply to any of the following:
   (1) An individual who registers by mail and submits as part of the registration application either of the following:
      a. A copy of a current and valid photo identification.
      b. A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

   (2) An individual who registers by mail and submits as part of the registration application the individual's drivers license number or at least the last four digits of the individual's social security number where an election official matches either or both of the numbers submitted with an existing State identification record bearing the same number, name, and date of birth contained in the submitted registration. If any individual's number does not match, the individual shall provide identification as required in subsection (b2) of this section in the first election in which the individual votes.

   (3) An individual who is entitled to vote by absentee ballot under the Uniformed and Overseas Citizens Absentee Voting Act.
(4) An individual who is entitled to vote otherwise than in person under section 3(b)(2)(B)(ii) of the Voting Accessibility for the Elderly and Handicapped Act.

(5) An individual who is entitled to vote otherwise than in person under any other federal law."

SECTION 21.(b) G.S. 163-82.12 reads as rewritten:

The State Board of Elections shall make all guidelines necessary to administer the statewide voter registration system established by this Article. All county boards of elections shall follow these guidelines and cooperate with the State Board of Elections in implementing guidelines. These guidelines shall include provisions for all of the following:

(1) Establishing, developing, and maintaining a computerized central voter registration file.

(2) Linking the central file through a network with computerized voter registration files in each of the counties.

(3) Interacting with the computerized drivers license records of the Division of Motor Vehicles and with the computerized records of other public agencies authorized to accept voter registration applications.

(4) Protecting and securing the data.

(5) Converting current voter registration records in the counties in computer files that can be used on the statewide computerized registration system.

(6) Enabling the statewide system to determine whether the voter identification information provided by an individual is valid.

(7) Enabling the statewide system to interact electronically with the Division of Motor Vehicles system to validate identification information.

(8) Enabling the Division of Motor Vehicles to provide real-time interface for the validation of the drivers license number and last four digits of the social security number.

(8b) Notifying voter-registration applicants whose drivers license or last four digits of social security number does not result in a validation, attempting to resolve the discrepancy, initiating investigations under G.S. 163-33(3) or challenges under Article 8 of this Chapter where warranted, and notifying any voters of the requirement under G.S. 163-166.2(b2) to present identification when voting.

(9) Enabling the statewide system to assign a unique identifier to each legally registered voter in the State.

(10) Enabling the State Board of Elections to assist the Division of Motor Vehicles in providing to the jury commission of each county, as required by G.S. 20-43.4, a list of all registered voters in the county and all persons in the county with drivers license records.
These guidelines shall not be considered to be rules subject to Article 2A of Chapter 150B of the General Statutes. However, the State Board shall publish in the North Carolina Register the guidelines and any changes to them after adoption, with that publication noted as information helpful to the public under G.S. 150B-21.17(a)(6). Copies of those guidelines shall be made available to the public upon request or otherwise by the State Board."

SECTION 22. G.S. 163-45 reads as rewritten:

"§ 163-45. Observers; appointment.

The chair of each political party in the county shall have the right to designate two observers to attend each voting place at each primary and election and such observers may, at the option of the designating party chair, be relieved during the day of the primary or election after serving no less than four hours and provided the list required by this section to be filed by each chair contains the names of all persons authorized to represent such chair's political party. Not more than two observers from the same political party shall be permitted in the voting enclosure at any time. This right shall not extend to the chair of a political party during a primary unless that party is participating in the primary. In any election in which an unaffiliated candidate is named on the ballot, the candidate or the candidate's campaign manager shall have the right to appoint two observers for each voting place consistent with the provisions specified herein. Persons appointed as observers must be registered voters of the county for which appointed and must have good moral character. No person who is a candidate on the ballot in a primary or election may serve as an observer or runner in that primary or election. Observers shall take no oath of office.

Individuals authorized to appoint observers must submit in writing to the chief judge of each precinct a signed list of the observers appointed for that precinct. Individuals authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general election, submit in writing to the chair of the county board of elections two signed copies of a list of observers appointed by them, designating the precinct for which each observer is appointed. Before the opening of the voting place on the day of a primary or general election, the chair shall deliver one copy of the list to the chief judge for each affected precinct. The chair shall retain the other copy. The chair, or the chief judge and judges for each affected precinct, may for good cause reject any appointee and require that another be appointed. The names of any persons appointed in place of those persons rejected shall be furnished in writing to the chief judge of each affected precinct no later than the time for opening the voting place on the day of any primary or general election, either by the chair of the county board of elections or the person making the substitute appointment.

If party chairs appoint observers at one-stop sites under G.S. 163-227.2, those party chairs shall provide a list of the observers appointed before 10:00 A.M. on the fifth day before the observer is to observe.

An observer shall do no electioneering at the voting place, and shall in no manner impede the voting process or interfere or communicate with or observe any voter in casting a ballot, but, subject to these restrictions, the chief judge and judges of elections

House Bill 1743
Session Law 2007-391

shall permit the observer to make such observation and take such notes as the observer may desire.

Whether or not the observer attends to the polls for the requisite time provided by this section, each observer shall be entitled to obtain at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart, a list of the persons who have voted in the precinct so far in that election day. Counties that use an "authorization to vote document" instead of poll books may comply with the requirement in the previous sentence by permitting each observer to inspect election records so that the observer may create a list of persons who have voted in the precinct so far that election day; each observer shall be entitled to make the inspection at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart.

Instead of having an observer receive the voting list, the county party chair may send a runner to do so, even if an observer has not been appointed for that precinct. The runner may be the precinct party chair or any person named by the county party chair. Each county party chair using runners in an election shall provide to the county board of elections before 10:00 A.M. on the fifth day before election day a list of the runners to be used. That party chair must notify the chair of the county board of elections or the board chair's designee of the names of all runners to be used in each precinct before the runner goes to the precinct. The runner may receive a voter list from the precinct on the same schedule as an observer. Whether obtained by observer or runner, each party is entitled to only one voter list at each of the scheduled times. No runner may enter the voting enclosure except when necessary to announce that runner's presence and to receive the list. The runner must leave immediately after being provided with the list.

**SECTION 23.** G.S. 163-166.3 reads as rewritten:

§ 163-166.3. Limited access to the voting enclosure.

(a) Persons Who May Enter Voting Enclosure. – During the time allowed for voting in the voting place, only the following persons may enter the voting enclosure:

1. An election official.
2. An observer appointed pursuant to G.S. 163-45.
2a. A runner appointed pursuant to G.S. 163-45, but only to the extent necessary to announce that runner's presence and to receive the voter list as provided in G.S. 163-45.
3. A person seeking to vote in that voting place on that day but only while in the process of voting or seeking to vote.
4. A voter in that precinct while entering or explaining a challenge pursuant to G.S. 163-87 or G.S. 163-88.
5. A person authorized under G.S. 163-166.8 to assist a voter but, except as provided in subdivision (6) of this section, only while assisting that voter.
6. Minor children of the voter under the age of 18, or minor children under the age of 18 in the care of the voter, but only while accompanying the voter and while under the control of the voter.
(7) Persons conducting or participating in a simulated election within the voting place or voting enclosure, if that simulated election is approved by the county board of elections.

(8) Any other person determined by election officials to have an urgent need to enter the voting enclosure but only to the extent necessary to address that need.

(b) Photographing Voters Prohibited. – No person shall photograph, videotape, or otherwise record the image of any voter within the voting enclosure, except with the permission of both the voter and the chief judge of the precinct. If the voter is a candidate, only the permission of the voter is required. This subsection shall also apply to one-stop sites under G.S. 163-227.2. This subsection does not apply to cameras used as a regular part of the security of the facility that is a voting place or one-stop site.

(c) Photographing Voted Ballot Prohibited. – No person shall photograph, videotape, or otherwise record the image of a voted official ballot for any purpose not otherwise permitted under law."

SECTION 24. (a) G.S. 163-165.3 reads as rewritten:

"§ 163-165.3. Responsibilities for preparing official ballots.

(a) State Board to Certify Official Ballots and Instructions to Voters. Responsibilities. – The State Board of Elections shall certify the official ballots and voter instructions to be used in every election that is subject to this Article. In conducting its certification, the State Board shall adhere to the following:

(1) No later than January 31 of every calendar year, the State Board shall establish a schedule for the certification of all official ballots and instructions during that year. The schedule shall include a time for county boards of elections to submit their official ballots and instructions to the State Board for certification and times for the State Board to complete the certification.

(2) The State Board of Elections shall compose model ballot instructions, which county boards of elections may amend subject to approval by the State Board as part of the certification process. The State Board of Elections may permit a county board of elections to place instructions elsewhere than on the official ballot itself, where placing them on the official ballot would be impractical.

(3) With regard only to multicounty ballot items on the official ballot, the State Board shall certify the accuracy of the content on the official ballot.

(4) With regard to the entire official ballot, the State Board shall certify that the content and arrangement of the official ballot are in substantial compliance with the provisions of this Article and standards adopted by the State Board.

(5) The State Board shall proofread the official ballot of every county, if practical, prior to final production.

(6) The State Board is not required to certify or review every official ballot style in the county but may require county boards to submit and
may review a composite official ballot showing races that will appear in every district in the county.

The State Board shall be responsible for all ballot coding and shall contract with a qualified vendor or supervise trained election staff to produce the data necessary for equipment programming.

(b) County Board to Prepare and Produce Official Ballots and Instructions. Responsibilities. – Each county board of elections shall prepare and produce official ballots for all elections in that county. The county board of elections shall submit the format of each official ballot and set of instructions to the State Board of Elections for review and certification in accordance with the schedule established by the State Board. The county board of elections shall follow the directions of the State Board in placing candidates, referenda, and other material on official ballots and in placing instructions.

(c) Late Changes in Ballots. – The State Board shall promulgate rules for late changes in ballots. The rules shall provide for the reprinting, where practical, of official ballots as a result of replacement candidates to fill vacancies in accordance with G.S. 163-114 or other late changes. If an official ballot is not reprinted, a vote for a candidate who has been replaced in accordance with G.S. 163-114 will count for the replacement candidate.

(d) Special Ballots. – The State Board of Elections, with the approval of a county board of elections, may produce special official ballots, such as those for disabled voters, where production by the State Board would be more practical than production by the county board.

SECTION 24.(b) This section becomes effective only if any funds necessary to implement it are appropriated.

SECTION 25. G.S. 163-165.9 reads as rewritten:

(a) Before approving the adoption and acquisition of any voting system by the board of county commissioners, the county board of elections shall do all of the following:

(1) Recommend to the board of county commissioners which type of voting system should be acquired by the county.

(2) Witness a demonstration, in that county or at a site designated by the State Board of Elections, of the type of voting system to be recommended and also witness a demonstration of at least one other type of voting system certified by the State Board of Elections.

(3) Test, during an election, the proposed voting system in at least one precinct in the county where the voting system would be used if adopted.

(b) After the acquisition of any voting system, the county board of elections shall comply with any requirements of the State Board of Elections regarding training and support of the voting system by completing all of the following:

(1) The county board of elections shall comply with all specifications of its voting system vendor for ballot printers. The county board of elections is authorized to contract with noncertified ballot printing
vendors, so long as the noncertified ballot printing vendor meets all specifications and all quality assurance requirements as set by the State Board of Elections.

(2) The county board of elections shall maintain software license and maintenance agreements necessary to maintain the warranty of its voting system.

SECTION 26.(a) Article 7A of Chapter 163 of the General Statutes is amended by adding a new section to read:

"§ 163-82.20A. Voter registration upon restoration of citizenship.

The State Board of Elections, the Department of Correction, and the Administrative Office of the Courts shall jointly develop and implement educational programs and procedures for persons to apply to register to vote at the time they are restored to citizenship and all filings required have been completed under Chapter 13 of the General Statutes. Those procedures shall be designed to do both of the following:

(1) Inform the person that the restoration of rights removes the person's disqualification from voting, but that in order to vote the person must register to vote.

(2) Provide an opportunity to that person to register to vote.

At a minimum, the program shall include a written notice to the person whose citizenship has been restored, informing that person that the person may now register to vote, with a voter registration form enclosed with the notice."

SECTION 26.(b) This section becomes effective October 1, 2007.

SECTION 27.(a) Chapter 128 of the General Statutes is amended by adding a new section to read:

"§ 128-7.2. Qualifications for appointment to fill vacancy in elective office.

No person is eligible for appointment to fill a vacancy in any elective office, whether State or local, unless that person would have been qualified to vote as an elector for that office if an election were to be held on the date of appointment. This section is intended to implement the provisions of Section 8 of Article VI of the Constitution."

SECTION 27.(b) G.S. 163-11 is amended by adding a new subsection to read:

"(e) No person is eligible for appointment to fill a vacancy in the Senate or the House of Representatives under this section, unless that person would have been qualified to vote as an elector for that office if an election were to be held on the date of appointment. This section is intended to implement the provisions of Section 8 of Article VI of the Constitution."

SECTION 27.(c) This section is effective when it becomes law and applies only to appointments made on or after that date.

SECTION 28. G.S. 163-59 reads as rewritten:

"§ 163-59. Right to participate or vote in party primary.

No person shall be entitled to vote or otherwise participate in the primary election of any political party unless he:

(1) Is a registered voter, and
(2) Has declared and has had recorded on the registration book or record the fact that he affiliates with the political party in whose primary he proposes to vote or participate, and

(3) Is in good faith a member of that party.

Notwithstanding the previous paragraph, any unaffiliated voter who is authorized under G.S. 163-116 may also vote in the primary if the voter is otherwise eligible to vote in that primary except for subdivisions (2) and (3) of the previous paragraph.

Any person who will become qualified by age or residence to register and vote in the general election or regular municipal election for which the primary is held, even though not so qualified by the date of the primary, shall be entitled to register for the primary and general or regular municipal election prior to the primary and then to vote in the primary after being registered. Such person may register not earlier than 60 days nor later than the last day for making application to register under G.S. 163-82.6(c) prior to the primary. In addition, persons who will become qualified by age to register and vote in the general election or regular municipal election for which the primary is held, who do not register during the special period may register to vote after such period as if they were qualified on the basis of age, but until they are qualified by age to vote, they may vote only in primary elections."

This subdivision does not apply to members, employees, or volunteers of the county board of elections, if those members, employees, or volunteers are working as part of a multipartisan team trained and authorized by the county board of elections to assist voters with absentee ballots. Each county board of elections shall train and authorize such teams, pursuant to procedures which shall be adopted by the State Board of Elections.

(2) To update the addresses and other necessary data of persons who remain on the official lists of eligible voters.

That program shall be nondiscriminatory and shall comply with the provisions of the Voting Rights Act of 1965, as amended, and with the provisions of the National Voter Registration Act. The State Board of Elections, in addition to the methods set forth in this section, may use other methods toward the ends set forth in subdivisions (1) and (2) of this subsection, including address-updating services provided by the Postal Service. Each county board of elections shall conduct systematic efforts to remove names from its list of registered voters in accordance with this section and with the program adopted by the State Board. **SECTION 34.(a)** G.S. 163-227.2(g) reads as rewritten:

"(g) Notwithstanding any other provision of this section, a county board of elections by unanimous vote of all its members may provide for one or more sites in that county for absentee ballots to be applied for and cast under this section. Any site other than the county board of elections office shall be in any building or part of a building that the county board of elections is entitled under G.S. 163-129 to demand and use as an election-day voting place. Every individual staffing any of those sites shall be a member or full-time employee of the county board of elections or an employee of the county board of elections whom the board has given training equivalent to that given a full-time employee. Those sites must be approved by the State Board of Elections as part of a Plan for Implementation approved by both the county board of elections and by the State Board of Elections which shall also provide adequate security of the ballots and provisions to avoid allowing persons to vote who have already voted. The Plan for Implementation shall include a provision for the presence of political party observers at each one-stop site equivalent to the provisions in G.S. 163-45 for party observers at voting places on election day. A county board of elections may propose in its Plan not to offer one-stop voting at the county board of elections office; the State Board may approve that proposal in a Plan only if the Plan includes at least one site reasonably proximate to the county board of elections office and the State Board finds that the sites in the Plan as a whole provide adequate coverage of the county's electorate. If a county board of elections has considered a proposed Plan or Plans for Implementation and has been unable to reach unanimity in favor of a Plan, a member or members of that county board of elections may petition the State Board of Elections to adopt a plan for it. If petitioned, the State Board may also receive and consider alternative petitions from another member or members of that county board. The State Board of Elections may adopt a Plan for that county. The State Board, in that plan, shall take into consideration factors including geographic, demographic, and partisan interests of that county. The State Board of Elections shall not approve, either in a Plan approved unanimously by a county board of elections or in an alternative Plan proposed by a member or members of that board, a one-stop site in a building that the county board of elections is not entitled under G.S. 163-129 to demand and use as an election-day voting place, unless the State Board of Elections finds that other equally suitable sites were not available and that the use of the sites chosen will not unfairly advantage or disadvantage geographic, demographic, or partisan interests of that county."

**SECTION 34.(b)** This section becomes effective January 1, 2008.

**SECTION 35.(a)** G.S. 163-278.11(a1) reads as rewritten:

"(a1) Threshold for Reporting Identity of Contributor. – A treasurer shall not be required to report the name, address, or principal occupation of any individual resident
who contributes fifty dollars ($50.00) or less to the treasurer's committee during an election as defined in G.S. 163-278.13. The State Board of Elections shall provide on its reporting forms for the reporting of contributions below that threshold. On those reporting forms, the State Board may require date and amount of contributions below the threshold, but may treat differently for reporting purposes contributions below the threshold that are made in different modes and in different settings."

SECTION 35. (b) If Senate Bill 488 of the 2007 Session of the General Assembly becomes law, Section 2-8 of the Charter of the Town of Carrboro, being Chapter 476 of the 1987 Session Laws, as amended by Senate Bill 488 of the 2007 Session of the General Assembly, is rewritten to read:

"Section. 2-8. Disclosure of contributors. (a) The town may by ordinance require the disclosure by candidates (and their political committees) for elective town office of the names of all individuals who contribute more than twenty dollars ($20.00) per election to their campaigns. For purposes of this section, "election" is as defined in G.S. 163-278.13. The ordinance may exempt from disclosure contributions below a monetary amount set in the ordinance. The ordinance may not set a threshold for disclosure higher than the dollar amount set in the general law which would apply to elective office in the town.

(b) The ordinance shall apply regardless of the total amount of contributions, loans, or expenditures by the campaigns.

(c) G.S. 163-278.10A does not apply to municipal elections in the Town of Carrboro."

SECTION 36. G.S. 163-278.13 is amended by adding new subsections to read:

"(d1) Notwithstanding subsections (a) and (b) of this section, a candidate or political committee may accept a contribution knowing that the contribution is to be reimbursed to the entity making the contribution and knowing the candidate or political committee has funds sufficient to reimburse the entity making the contribution if all of the following conditions are met:

1. The entity submits sufficient information of the contribution to the candidate or political committee for reimbursement within 45 days of the contribution.

2. The candidate or political committee makes a reimbursement to the entity making the contribution within seven days of submission of sufficient information.

3. The candidate or political committee indicates on its report under G.S. 163-278.11 that the good, service, or other item resulting in the reimbursement is an expenditure of the candidate or political committee, and notes if the contribution was by credit card.

4. The contribution does not exceed one thousand dollars ($1,000.00).

(d2) Any contribution, or portion thereof, made under subsection (d1) of this section that is not submitted for reimbursement in accordance with subsection (d1) of this section shall be treated as a contribution for purposes of this section. Any contribution, or portion thereof, made under subsection (d1) of this section that is not
reimbursed in accordance with subsection (d1) of this section shall be treated as a contribution for purposes of this section."

SECTION 37. G.S. 163-278.34(b) reads as rewritten:
"(b) Civil Penalties for Illegal Contributions—Contributions and Expenditures. – If an individual, person, political committee, referendum committee, candidate, or other entity intentionally makes or accepts a contribution or makes an unlawful expenditure in violation of this Article, then that entity shall pay to the State Board of Elections, in an amount to be determined by that Board, a civil penalty and the costs of investigation, assessment, and collection. The civil penalty shall not exceed three times the amount of the unlawful contribution or expenditure involved in the violation. The State Board of Elections may, in addition to the civil penalty, order that the amount unlawfully received be paid to the State Board by check, and any money so received by the State Board shall be deposited in the Civil Penalty and Forfeiture Fund of North Carolina."

SECTION 38. G.S. 163-285 is amended by adding a new subsection to read:
"(d) All election results of elections held under this Article shall be reported to the State Board within 30 days of the certification of the election."

SECTION 39. Except as otherwise provided in this act, this act is effective when it becomes law.
