§ 166A-19.22. Municipal or county declaration of state of emergency.

(a) Declaration. – A state of emergency may be declared by the governing body of a municipality or county, if either of these finds that an emergency exists. Authority to declare a state of emergency under this section may also be delegated by ordinance to the mayor of a municipality or to the chair of the board of county commissioners of a county.

(b) Emergency Area. – The emergency area shall be determined in accordance with the following:

- (1) Unless another subdivision of this subsection is applicable, the emergency area shall not exceed the area over which the municipality or county has jurisdiction to enact general police-power ordinances. The governing body declaring the state of emergency may declare that the emergency area includes part or all of the governing body's jurisdiction. Unless the governing body declaring the state of emergency provides otherwise, the emergency area includes this entire jurisdiction, subject to the limitations contained in the other subdivisions in this subsection.
- (2) The emergency area of a state of emergency declared by a county shall not include any area within the corporate limits of any municipality, or within any area of the county over which a municipality has jurisdiction to enact general police-power ordinances, unless the municipality's governing body or mayor consents to or requests the state of emergency's application. Such an extension may be with respect to one or more of the prohibitions and restrictions imposed in that county pursuant to the authority granted in G.S. 166A-19.31 and need not be with respect to all prohibitions and restrictions authorized by that section.
- (3) The board of commissioners or chair of the board of commissioners of any county who has been requested to do so by a mayor may by declaration extend the emergency area of a state of emergency declared by a municipality to any area within the county in which the board or chair determines it to be necessary to assist in the controlling of the emergency within the municipality. The extension may be with respect to one or more of the prohibitions and restrictions imposed in that mayor's municipality pursuant to the authority granted in G.S. 166A-19.31 and need not be with respect to all prohibitions and restrictions authorized by that section. Extension of the emergency area pursuant to this subdivision shall be subject to the following additional limitations:
 - a. The extension of the emergency area shall not include any area within the corporate limits of a municipality, or within any area of the county over which a municipality has jurisdiction to enact general police-power ordinances, unless the mayor or governing body of that other municipality consents to its application.
 - b. A chair of a board of county commissioners extending the emergency area under the authority of this subdivision shall take reasonable steps to give notice of its terms to those likely to be affected.
 - c. The chair of the board of commissioners shall declare the termination of any prohibitions and restrictions extended pursuant to this subdivision upon the earlier of the following:
 1. The chair's determination that they are no longer necessary.

2. The determination of the board of county commissioners that they are no longer necessary.
3. The termination of the prohibitions and restrictions within the municipality.
- d. The powers authorized under this subdivision may be exercised whether or not the county has enacted ordinances under the authority of G.S. 166A-19.31. Exercise of this authority shall not preclude the imposition of prohibitions and restrictions under any ordinances enacted by the county under the authority of G.S. 166A-19.31.

(c) Expiration of States of Emergency. – Unless an ordinance adopted pursuant to G.S. 166A-19.31 provides otherwise, a state of emergency declared pursuant to this section shall expire when it is terminated by the official or governing body that declared it.

(d) Effect of Declaration. – The declaration of a state of emergency pursuant to this section shall activate the local ordinances authorized in G.S. 166A-19.31 and any and all applicable local plans, mutual assistance compacts, and agreements and shall also authorize the furnishing of assistance thereunder. (Former G.S. 14-288.13: 1969, c. 869, s. 1; 1993, c. 539, s. 195; 1994, Ex. Sess., c. 24, s. 14(c). Former G.S. 14-288.14: 1969, c. 869, s. 1; 1993, c. 539, s. 196; 1994, Ex. Part 5. Additional Powers During States of Emergency.

§ 166A-19.30. Additional powers of the Governor during state of emergency.

(a) In addition to any other powers conferred upon the Governor by law, during a gubernatorially or legislatively declared state of emergency, the Governor shall have the following powers:

- (1) To utilize all available State resources as reasonably necessary to cope with an emergency, including the transfer and direction of personnel or functions of

State agencies or units thereof for the purpose of performing or facilitating emergency services.

- (2) To take such action and give such directions to State and local law enforcement officers and agencies as may be reasonable and necessary for the purpose of securing compliance with the provisions of this Article and with the orders, rules, and regulations made pursuant thereto.
- (3) To take steps to assure that measures, including the installation of public utilities, are taken when necessary to qualify for temporary housing assistance from the federal government when that assistance is required to protect the public health, welfare, and safety.
- (4) Subject to the provisions of the State Constitution to relieve any public official having administrative responsibilities under this Article of such responsibilities for willful failure to obey an order, rule, or regulation adopted pursuant to this Article.
- (5) Through issuance of an executive order to waive requirements for an environmental document or permit issued under Articles 1, 4, and 7 of Chapter 113A of the General Statutes for the repair, protection, safety enhancement, or replacement of a component of the State highway system that provides the sole road access to an incorporated municipality or an unincorporated inhabited area bordering the Atlantic Ocean or any coastal sound where bridge or road conditions as a result of the events leading to the declaration of the state of emergency pose a substantial risk to public health, safety, or welfare. The executive order shall list the duration of the waiver and the activities to which the waiver applies. For purposes of this subdivision, "coastal sound" shall have the definition set forth in G.S. 113A-103, and "replacement" shall not be interpreted to exclude a replacement that increases size or capacity or that is located in a different location than the component that is replaced.

(b) During a gubernatorially or legislatively declared state of emergency, with the concurrence of the Council of State, the Governor has the following powers:

- (1) To direct and compel the evacuation of all or part of the population from any stricken or threatened area within the State, to prescribe routes, modes of transportation, and destinations in connection with evacuation; and to control ingress and egress of an emergency area, the movement of persons within the area, and the occupancy of premises therein.
- (2) To establish a system of economic controls over all resources, materials, and services to include food, clothing, shelter, fuel, rents, and wages, including the administration and enforcement of any rationing, price freezing, or similar federal order or regulation.
- (3) To regulate and control the flow of vehicular and pedestrian traffic, the congregation of persons in public places or buildings, lights and noises of all kinds, and the maintenance, extension, and operation of public utility and transportation services and facilities.
- (4) To waive a provision of any regulation or ordinance of a State agency or a political subdivision which restricts the immediate relief of human suffering.

- (5) To perform and exercise such other functions, powers, and duties as are necessary to promote and secure the safety and protection of the civilian population.
- (6) To appoint or remove an executive head of any State agency or institution, the executive head of which is regularly selected by a State board or commission.
 - a. Such an acting executive head will serve during the following:
 - 1. The physical or mental incapacity of the regular office holder, as determined by the Governor after such inquiry as the Governor deems appropriate.
 - 2. The continued absence of the regular holder of the office.
 - 3. A vacancy in the office pending selection of a new executive head.
 - b. An acting executive head of a State agency or institution appointed in accordance with this subdivision may perform any act and exercise any power which a regularly selected holder of such office could lawfully perform and exercise.
 - c. All powers granted to an acting executive head of a State agency or institution under this section shall expire immediately:
 - 1. Upon the termination of the incapacity as determined by the Governor of the officer in whose stead the Governor acts;
 - 2. Upon the return of the officer in whose stead the Governor acts; or
 - 3. Upon the selection and qualification of a person to serve for the unexpired term, or the selection of an acting executive head of the agency or institution by the board or commission authorized to make such selection, and the person's qualification.
- (7) To procure, by purchase, condemnation, seizure, or by other means to construct, lease, transport, store, maintain, renovate, or distribute materials and facilities for emergency management without regard to the limitation of any existing law.

(c) In addition to any other powers conferred upon the Governor by law, during a gubernatorially or legislatively declared state of emergency, if the Governor determines that local control of the emergency is insufficient to assure adequate protection for lives and property because (i) needed control cannot be imposed locally because local authorities responsible for preservation of the public peace have not enacted appropriate ordinances or issued appropriate declarations as authorized by G.S. 166A-19.31; (ii) local authorities have not taken implementing steps under such ordinances or declarations, if enacted or declared, for effectual control of the emergency that has arisen; (iii) the area in which the emergency exists has spread across local jurisdictional boundaries, and the legal control measures of the jurisdictions are conflicting or uncoordinated to the extent that efforts to protect life and property are, or unquestionably will be, severely hampered; or (iv) the scale of the emergency is so great that it exceeds the capability of local authorities to cope with it, the Governor has the following powers:

- (1) To impose by declaration prohibitions and restrictions in the emergency area. These prohibitions and restrictions may, in the Governor's discretion, as appropriate to deal with the emergency, impose any of the types of prohibitions and restrictions enumerated in G.S. 166A-19.31(b), and may amend or rescind any prohibitions and restrictions imposed by local authorities. Prohibitions and

restrictions imposed pursuant to this subdivision shall take effect in accordance with the provisions of G.S. 166A-19.31(d) and shall expire upon the earliest occurrence of either of the following: (i) the prohibition or restriction is terminated by the Governor or (ii) the state of emergency is terminated.

- (2) Give to all participating State and local agencies and officers such directions as may be necessary to assure coordination among them. These directions may include the designation of the officer or agency responsible for directing and controlling the participation of all public agencies and officers in the emergency. The Governor may make this designation in any manner which, in the Governor's discretion, seems most likely to be effective. Any law enforcement officer participating in the control of a state of emergency in which the Governor is exercising control under this section shall have the same power and authority as a sheriff throughout the territory to which the law enforcement officer is assigned.

(d) Violation. – Any person who violates any provision of a declaration or executive order issued pursuant to this section shall be guilty of a Class 2 misdemeanor in accordance with G.S. 14-288.20A. (Former G.S. 14-288.15: 1969, c. 869, s. 1; 1993, c. 539, s. 197; 1994, Ex. Sess., c. 24, s. 14(c). Former G.S. 166A-6: 1951, c. 1016, s. 4; 1955, c. 387, s. 4; 1959, c. 284, s. 2; c. 337, s. 4; 1975, c. 734, ss. 11, 14; 1977, c. 848, s. 2; 1979, 2nd Sess., c. 1310, s. 2; 1993, c. 321, s. 181(a); 1995, c. 509, s. 125; 2001-214, s. 3; 2011-145, s. 19.1(g); 2011-183, s. 127(c); 2012-90, s. 1; 2012-12, s. 1(b); 2014-100, s. 14.7(i).)

§ 166A-19.31. Power of municipalities and counties to enact ordinances to deal with states of emergency.

(a) Authority to Enact Prohibitions and Restrictions. – The governing body of any municipality or county may enact ordinances designed to permit the imposition of prohibitions and restrictions within the emergency area during a state of emergency declared pursuant to G.S. 166A-19.22. Authority to impose by declaration prohibitions and restrictions under this section, and to impose those prohibitions and restrictions at a particular time as appropriate, may be delegated by ordinance to the mayor of a municipality or to the chair of the board of county commissioners of a county.

(b) Type of Prohibitions and Restrictions Authorized. – The ordinances authorized by this section may permit prohibitions and restrictions:

- (1) Of movements of people in public places, including any of the following:
 - a. Imposing a curfew.
 - b. Directing and compelling the voluntary or mandatory evacuation of all or part of the population from any stricken or threatened area within the governing body's jurisdiction.
 - c. Prescribing routes, modes of transportation, and destinations in connection with evacuation.
 - d. Controlling ingress and egress of an emergency area, and the movement of persons within that area.
 - e. Providing for the closure, within the emergency area, of streets, roads, highways, bridges, public vehicular areas, or other areas ordinarily used for vehicular travel, except to the movement of emergency responders and other persons necessary for recovery from the emergency. In

addition to any other notice or dissemination of information, notification of any closure of a road or public vehicular area under the authority of this sub-subdivision shall be given to the Department of Transportation as soon as practicable. The ordinance may designate the sheriff to exercise the authority granted by this sub-subdivision. G.S. 166A-19.70(c) and (d) shall apply to this sub-subdivision.

- (2) Of the operation of offices, business establishments, and other places to or from which people may travel or at which they may congregate.
- (3) Upon the possession, transportation, sale, purchase, and consumption of alcoholic beverages.
- (4) Upon the possession, transportation, sale, purchase, storage, and use of gasoline, and dangerous weapons and substances, except that this subdivision does not authorize prohibitions or restrictions on lawfully possessed firearms or ammunition. As used in this subdivision, the term "dangerous weapons and substances" has the same meaning as it does under G.S. 14-288.1. As used in this subdivision, the term "firearm" has the same meaning as it does under G.S. 14-409.39(2).
- (5) Upon other activities or conditions the control of which may be reasonably necessary to maintain order and protect lives or property during the state of emergency.

The ordinances authorized by this section need not require or provide for the imposition of all of the types of prohibitions or restrictions, or any particular prohibition or restriction, authorized by this section during an emergency but may instead authorize the official or officials who impose those prohibitions or restrictions to determine and impose the prohibitions or restrictions deemed necessary or suitable to a particular state of emergency.

(c) When Ordinances Take Effect. – Notwithstanding any other provision of law, whether general or special, relating to the promulgation or publication of ordinances by any municipality or county, upon the declaration of a state of emergency by the mayor or chair of the board of county commissioners within the municipality or the county, any ordinance enacted under the authority of this section shall take effect immediately unless the ordinance sets a later time. If the effect of this section is to cause an ordinance to go into effect sooner than it otherwise could under the law applicable to the municipality or county, the mayor or chair of the board of county commissioners, as the case may be, shall take steps to cause reports of the substance of the ordinance to be disseminated in a fashion that its substance will likely be communicated to the public in general, or to those who may be particularly affected by the ordinance if it does not affect the public generally. As soon as practicable thereafter, appropriate distribution or publication of the full text of any such ordinance shall be made.

(d) When Prohibitions and Restrictions Take Effect. – All prohibitions and restrictions imposed by declaration pursuant to ordinances adopted under this section shall take effect in the emergency area immediately upon publication of the declaration unless the declaration sets a later time. For the purpose of requiring compliance, publication may consist of reports of the substance of the prohibitions and restrictions in the mass communications media serving the emergency area or other effective methods of disseminating the necessary information quickly. As soon as practicable, however, appropriate distribution of the full text of any declaration shall be made. This subsection shall not be governed by the provisions of G.S. 1-597.

(e) Expiration of Prohibitions and Restrictions. – Prohibitions and restrictions imposed pursuant to this section shall expire upon the earliest occurrence of any of the following:

- (1) The prohibition or restriction is terminated by the official or entity that imposed the prohibition or restriction.
- (2) The state of emergency terminates.

(f) Intent to Supplement Other Authority. – This section is intended to supplement and confirm the powers conferred by G.S. 153A-121(a), G.S. 160A-174(a), and all other general and local laws authorizing municipalities and counties to enact ordinances for the protection of the public health and safety in times of riot or other grave civil disturbance or emergency.

(g) Previously Enacted Ordinances Remain in Effect. – Any ordinance of a type authorized by this section promulgated prior to October 1, 2012, if otherwise valid, continue in full force and effect without reenactment.

(h) Violation. – Any person who violates any provision of an ordinance or a declaration enacted or declared pursuant to this section shall be guilty of a Class 2 misdemeanor in accordance with G.S. 14-288.20A. (Former G.S. 14-288.12: 1969, c. 869, s. 1; 1981, c. 412, s. 4(4); c. 747, s. 66; 1989, c. 770, s. 2; 1993, c. 539, s. 194; 1994, Ex. Sess., c. 24, s. 14(c); 2009-146, s. 1. Neither the State nor any political subdivision thereof, nor, except in cases of willful misconduct, gross negligence, or bad faith, any emergency management worker, firm, partnership, association, or corporation complying with or reasonably attempting to comply with this Article or any order, rule, or regulation promulgated pursuant to the provisions of this Article or pursuant to any ordinance relating to any emergency management measures enacted by any political subdivision of the State, shall be liable for the death of or injury to persons, or for damage to property as a result of any such activity.

(b) Immunity. – The immunity provided to firms, partnerships, associations, or corporations, under subsection (a) of this section, is subject to all of the following conditions:

- (1) The immunity applies only when the firm, partnership, association, or corporation is acting without compensation or with compensation limited to no more than actual expenses and one of the following applies:

- (2) The immunity shall not apply to any firm, partnership, association, or corporation, or to any employee or agent thereof, whose act or omission caused in whole or in part the actual or imminent emergency or whose act or omission necessitated emergency management measures.
- (3) To the extent that any firm, partnership, association, or corporation has liability insurance, that firm, partnership, association, or corporation shall be deemed to have waived the immunity to the extent of the indemnification by insurance for its negligence. An insurer shall not under a contract of insurance exclude from liability coverage the acts or omissions of a firm, partnership, association, or corporation for which the firm, partnership, association, or corporation would only be liable to the extent indemnified by insurance as provided by this subdivision.

(c) No Effect on Benefits. – The rights of any person to receive benefits to which the person would otherwise be entitled under this Article or under the Workers' Compensation Law or under any pension law and the right of any such person to receive any benefits or compensation under any act of Congress shall not be affected by performance of emergency management functions.

Part 8.

Miscellaneous Provisions.

§ 166A-19.70. Ensuring availability of emergency supplies and utility services; protection of livestock, poultry, and agricultural crops.

(a) Executive Order. – In addition to any other powers conferred on the Governor by law, whenever a curfew has been imposed, the Governor may declare by executive order that the health, safety, or economic well-being of persons or property in this State require that persons transporting

essentials in commerce to the curfew area, or assisting in ensuring their availability, and persons assisting in restoring utility services, be allowed to enter or remain in areas from which they would otherwise be excluded for the limited purpose of delivering the essentials, assisting in ensuring their availability, or assisting in restoring utility services.

(b) **Maximum Hours of Service Waiver.** – As part of an executive order issued pursuant to subsection (a) of this section, or independently of such an order, the Governor may declare by executive order that the health, safety, or economic well-being of persons or property in this State require that the maximum hours of service prescribed by the Department of Public Safety pursuant to G.S. 20-381 and similar rules be waived for persons transporting essentials or assisting in the restoration of utility services.

(c) **Certification System.** – The Secretary shall develop a system pursuant to which a person who transports essentials in commerce, or assists in ensuring their availability, and persons who assist in the restoring of utility services can be certified as such. The certification system shall allow for both pre-emergency declaration and post-emergency declaration certification with renewable precertification. The Secretary shall only allow those who routinely transport or distribute essentials or assist in the restoring of utility services to be certified. A certification of the employer shall constitute a certification of the employer's employees. The Secretary shall create an easily recognizable indicium of certification in order to assist local officials' efforts to determine which persons have received certification by the system established under this subsection.

(d) **Presence in Curfew Area Permitted.** – Notwithstanding the existence of any curfew, a person who is certified pursuant to the system established under subsection (c) of this section shall be allowed to enter or remain in the curfew area for the limited purpose of delivering or assisting in the distribution of essentials or assisting in the restoration of utility services and shall be allowed to provide service that exceeds otherwise applicable hours of service maximums, to the extent authorized by an executive order executed pursuant to subsection (a) of this section. Nothing in this section prohibits law enforcement or other local officials from specifying the permissible route of ingress or egress for persons with certifications.

(e) **Abnormal Market Disruptions with Respect to Petroleum.** – If the Governor declares the existence of an abnormal market disruption with respect to petroleum pursuant to G.S. 75-38(f), the Governor shall contemporaneously seek all applicable waivers under the federal Clean Air Act, 42 U.S.C. § 7401, et seq., and any other applicable federal law to facilitate the transportation of fuel within this State in order to address or prevent a fuel supply emergency in this State. Waiver requests shall be directed to the appropriate federal agencies and shall seek waivers of the following:

- (1) The Reformulated Gasoline requirements throughout the State.
 - (2) The Federal and State Implementation Plan summertime gasoline requirements (low RVP) throughout the State.
 - (3) Any other waiver that will, if obtained, facilitate the transportation of fuel within this State.
- (f) **Definitions.** – The following definitions apply in this section:
- (1) **Curfew.** – Any restriction on ingress and egress to the emergency area of a state of emergency or any restriction on the movement of persons within such an area.

- (3) Essentials. – Any goods that are consumed or used as a direct result of an emergency or which are consumed or used to preserve, protect, or sustain life, health, safety, or economic well-being of persons or their property. The Secretary shall determine what goods constitute essentials for purposes of this section.

(g) Upon the recommendation of the Commissioner of Agriculture it shall be lawful for the Governor, by an executive order issued pursuant to G.S. 166A-19.20 or independently of such an order, to direct the Department of Public Safety to temporarily suspend weighing, pursuant to G.S. 20-118.1, those vehicles used to transport livestock, poultry, or crops from designated counties in an emergency area as defined in G.S. 166A-19.3(7), or counties designated by the Governor in an executive order issued independently of an order pursuant to G.S. 166A-19.20, if there exists an imminent threat of severe economic loss of livestock or poultry or widespread or severe damage to crops ready to be harvested. The Department of Public Safety shall develop procedures to carry out the provisions of this subsection. This subsection shall not be construed to permit the gross weight of any vehicle or combination in excess of the safe load carrying capacity established by the Department of Transportation on any bridge pursuant to G.S. 136-72, or to permit the operation of a vehicle when a law enforcement officer has probable cause to believe the vehicle is creating an imminent hazard to public safety. A suspension authorized pursuant to the provisions of this subsection shall end when the Governor determines the threat of widespread or severe loss or damage in the designated counties has passed. (2001-214, s. 4; 2001-487, s. 98; 2002-24, s. 1; 2002-159, s. 57.5; 2006-66, s. 6.5(a); 2012-12, s. 1(b); 2013-230, s. 1; 2018-114, s. 7.)
