The list of licensed dentists and dental hygienists shall constitute the registration list for elections to the appropriate seats on the Board.
- (3) All elections shall be conducted by the Board of Dental Examiners which is hereby constituted a Board of Dental Elections. If a member of the Board of Dental Examiners whose position is to be filled at any election is nominated to succeed himself, and does not withdraw his name, he shall be disqualified to serve as a member of the Board of Dental Elections for that election and the remaining members of the Board of Dental Elections shall proceed and function without his participation.

Any envelope (with enclosed ballot) challenged shall be set aside, and the challenge shall be heard later or at that time by said Board. After the envelopes have been so exhibited, those not challenged shall be opened and the ballots

extracted therefrom, insofar as practicable without showing the marking on the ballots, and there shall be a final and complete separation of each envelope and its enclosed ballot. Thereafter each ballot shall be presented for counting, shall be displayed and, if not challenged, shall be counted. No ballot shall be valid if it is marked for more nominees than there are positions to be filled in that election: provided, that no ballot shall be rejected for any technical error unless it is impossible to determine the voter's choices or choice from the ballot. The counting of the ballots shall be continued until completed. During the counting, challenge may be made to any ballot on the grounds only of defects appearing on the face of the ballot. The said Board may decide the challenge immediately when it is made or it may put aside the ballot and determine the challenge upon the conclusion of the counting of the ballots.

The Board may refuse to grant a license to any person guilty of cheating, deception or fraud during the examination, or

The North Carolina State Board of Dental Examiners may refuse to grant a license to any person guilty of a crime involving moral turpitude, or gross immorality, or to any person addicted to the use of alcoholic liquors or narcotic drugs to such an extent as, in the opinion of the Board, renders the applicant unfit to practice dentistry.

Any license obtained through fraud or by any false representation shall be void ab initio and of no effect.

(b) The Department of Public Safety may provide a criminal record check to the North Carolina State Board of Dental Examiners for a person who has applied for a license through the Board. The North Carolina Board of Dental Examiners may establish by regulation reasonable education, training, and equipment standards for safe administration and monitoring of general anesthesia and enteral and parenteral sedation for outpatients in the dental setting. Regulatory standards may include a permit process for general anesthesia and enteral and parenteral sedation by dentists. The requirements of any permit process adopted under the authority of this section shall include provisions that will allow a dentist to qualify for continued use of enteral sedation, if he or she is licensed to practice dentistry in North Carolina and shows the Board that he or she has been utilizing enteral sedation in a competent manner for the five years preceding January 1, 2002, and his or her office facilities pass an on-site examination and inspection by qualified representatives of the Board. For purposes of this section, oral premedication administered for minimal sedation (anxiolysis) shall not be included in the definition of enteral sedation. In order to provide the means of regulating general anesthesia and enteral and parenteral sedation, including examination and inspection of dental offices involved, the Board may charge and collect fees established by its rules for each permit application, each annual permit renewal, and each office inspection in an amount not to exceed the maximum fee amounts set forth in G.S. 90-39. If the application for such renewal certificate, accompanied by the fee required by this Article, is not received by the Board before January 31 of each year, an additional fee shall be charged for renewal certificate. The maximum penalty fee for late renewal is set forth in G.S. 90-39. If such application, accompanied by the renewal fee, plus the additional fee, is not received by the Board before March 31 of each year, every person thereafter continuing to practice dentistry without having applied for a certificate of renewal shall be guilty of the unauthorized practice of dentistry and shall be subject to the penalties prescribed by G.S. 90-40. (1935, c. 66, s. 8; 1953, c. 564, s. 5; 1961, c. 446, s. 6; 1971, c. 755, s. 5; 1995 (Reg. Sess., 1996), c. 584, s. 3.)

§ 90-31.1. Continuing education courses required.

All dentists licensed under G.S. 90-30 shall be required to attend Board-approved courses of study in subjects relating to dentistry. The Board shall have authority to consider and approve courses, or providers of courses, to the end that those attending will gain (i) information on existing and new methods and procedures used by dentists, (ii) information leading to increased safety and competence in their dealings with patients and staff, and (iii) information on other matters, as they develop, that are of continuing importance to the practice of dentistry. The Board shall determine the number of hours of study within a particular period and the nature of course work required. The Board may provide exemptions or waivers from continuing education requirements where dentists are receiving alternate learning experiences or where they have limited practices. The Board shall by regulation define circumstances for exemptions or waivers for dentists who are involved in dental education or training pursuits where they gain experiences equivalent to formal continuing education courses, for those who have reached an advanced age and are semiretired or have otherwise voluntarily restricted their practices in volume and scope, and for such other situations as the Board in its discretion may determine meet the purposes of this section. (1935, c. 66, s. 8.)

For nonpayment of fee or fees required by this Article, for failure to comply with continuing education requirements adopted by the Board under the authority of G.S. 90-31.1, or for violation of any of the terms or provisions of G.S. 90-41 concerning disciplinary actions, the North Carolina State Board of Dental Examiners may refuse to issue a certificate for renewal of license. As used in this section, the term "license" includes license, provisional license or intern permit. (1935, c. 66, s. 8; 1971, c. 755, s. 6; 1993, c. 307, s. 2.)

- (3) It reasonably appears that there are other grounds for disciplinary action.

(e) Impaired dentist peer review organizations operating pursuant to this section shall have the same protections and responsibilities as traditional State and local dental society peer review committees under Article 2A of this Chapter. In addition, any confidential patient information and other nonpublic information acquired, created, or used in good faith by an impaired dentist peer review organization pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case. No person participating in good faith in an impaired dentist peer review program developed under this section shall be required in a civil case to disclose any information (including opinions, recommendations, or evaluations) acquired or developed solely in the course of participating in the program.

Peer liaisons and volunteers participating in programs for impaired dental hygienists shall be dental hygienists. Dental hygienists who work with special impaired dentist peer review organizations in conducting programs for impaired dental hygienists shall have the same protections and responsibilities as members of traditional State and local dental society peer review committees under Article 2A of this Chapter and as provided in G.S. 90-48.2. The provisions of G.S. 90-48.2 regarding confidentiality shall also be applicable to all dental hygienist activities authorized under this section. (1999-382, s. 1.)
