periodical installments or principal sums as a business: Provided, however, this definition shall not be construed to include building and loan associations, commercial banks, or credit unions. (1923, c. 225, s. 1; C.S., s. 225(a); 1945, c. 743, s. 1.)

#### **§ 53-137. Manner of organization.**

Any number of persons, not less than five, may organize an industrial bank by setting forth in a certificate of incorporation, under their hands and seals, the following:

- (1) The name of the industrial bank.
- (2) The location of its principal office in this State.
- (3) The nature of its business.
- (4) The amount of its authorized capital stock which shall be divided into shares of ten (\$10.00), twenty (\$20.00), twenty-five (\$25.00), fifty (\$50.00) or one hundred dollars (\$100.00) each: Provided, fractional shares may be issued for the purpose of complying with the requirements of G.S. 53-88.
- (5) The names and post-office addresses of subscribers for stock, and the number of shares subscribed by each. The aggregate of such subscription shall be the amount of the capital with which the industrial bank will begin business.
- (6) Period, if any, limited for the duration of the industrial bank.

This section shall not apply to banks organized and doing business prior to the adoption of this section. (1923, c. 225, s. 2; C.S., s. 225(b); 1945, c. 743, s. 1.)

No commission or fee shall be paid to any person, association, or corporation for selling such stock. The Commissioner of Banks shall refuse authority to commence business to any industrial bank where commissions or fees have been paid, or have been contracted to be paid by it, or by anyone in its behalf to any person, association, or corporation for securing subscriptions for or selling stock in such bank. (1923, c. 225, s. 5; C.S., s. 225(e); 1931, c. 243, s. 5.)

#### **§ 53-141. Powers.**

- (2) To make loans and charge and receive interest at rates not exceeding the rates of interest provided in G.S. 24-1.1.
- (3) To establish branch offices or places of business within the county in which its principal office is located, and elsewhere in the State, after having first obtained the written approval of the Commissioner of Banks, which approval may be given or withheld by the Commissioner of Banks in his discretion. The Commissioner of Banks, in exercising such discretion, shall take into account, but not by way of limitation, such factors as the financial history and condition of the applicant bank, the adequacy of its capital structure, its future earnings prospects, and the general character of its management. Such approval shall not be given until he shall find
  - a. That the establishment of such branch or limited service facility will meet the needs and promote the convenience of the community to be served by the bank, and
  - b. That the probable volume of business and reasonable public demand in such community are sufficient to assure and maintain the solvency of said branch or limited service facility and of the existing bank or banks in said community.

Provided, that the Commissioner of Banks shall not authorize the establishment of any branch the paid-in capital of whose parent bank is not sufficient in amount to provide for capital in an amount equal to that required with respect to the establishment of branches of commercial banks under the provisions of G.S. 53-62. For the purposes of this paragraph, the provisions of G.S. 53-62 as to the meaning of the word "capital" shall be applicable.

A bank may discontinue a branch office upon resolution of its board of directors. Upon the adoption of such a resolution, the bank shall follow the procedures for closing a branch as set forth at G.S. 53-62(e). No branch shall be closed until approved by the Commissioner of Banks.

- (4) Subject to the approval of the Commissioner of Banks and on the authority of its board of directors, or a majority thereof, to enter into such contract, incur such obligations and generally to do and perform any and all such acts and things whatsoever as may be necessary or appropriate in order to take advantage of any and all memberships, loans, subscriptions, contracts, grants, rights or privileges, which may at any time be available or inure to banking institutions, or to their depositors, creditors, stockholders, conservators, receivers or liquidators, by virtue of those provisions of section eight of the Federal Banking Act of 1933 (section twelve B of the Federal Reserve Act as amended) which establish the Federal Deposit Insurance Corporation and provide for the insurance of deposits, or of any other provisions of that or any other act or resolution of Congress to aid, regulate or safeguard banking institutions and their depositors, including any amendments of the same or any substitutions therefor; also, to subscribe for and acquire any stock, debentures, bonds or other types of

securities of the Federal Deposit Insurance Corporation and to comply with the lawful regulations and requirements from time to time issued or made by such corporations.

- (5) To solicit, receive and accept money or its equivalent on deposit both in savings accounts and upon certificates of deposit.
- (6) Subject to the approval of the State Banking Commission, to solicit, receive and accept money or its equivalent on deposit subject to check; provided, however, no such approval shall be given unless and until such industrial bank meets the capital requirements of a commercial bank as set forth in G.S. 53-2.
- (7) To transact any lawful business in aid of the United States in time of war or engagement of the Armed Forces of the United States in hostile military operations. (1923, c. 225, s. 6; C.S., s. 225(f); 1925, c. 199, s. 1; 1931, c. 243, s. 5; 1935, c. 81, s. 2; 1939, c. 244, ss. 1, 2; 1943, c. 233; 1945, c. 283; 1949, c. 952, ss. 1, 2; 1959, c. 365; 1967, c. 789, s. 19; 1969, c. 1303, ss. 10-12; 1995, c. 129, s. 26; 1995 (Reg. Sess., 1996), c. 742, s. 20; 2011-183, s. 41; 2018-142, s. 6(c).)

#### **§ 53-142. Restriction on powers.**

No industrial bank shall deposit any of its funds in any banking corporation unless such corporation has been designated as such depository by a vote of a majority of the directors, or of the executive committee, exclusive of any director who is an officer, director, or trustee of the depository so designated, present at any meeting duly called at which a quorum is in attendance, and approved by the Commissioner of Banks. (1923, c. 225, s. 7; C.S., s. 225(g); 1931, c. 243, s. 5; 1937, c. 220.)

All industrial banks doing business under the provisions of this Article shall conduct

their business in a manner consistent with all laws relating to industrial banks, and all rules, regulations and instructions that may be promulgated or issued by the State Banking Commission. (1923, c. 225, s. 11; C.S., s. 225(k); 1931, c. 243, s. 5; 1939, c. 91, s. 2.)

#### Article 14.

#### Trust Institutions Acting in a Fiduciary Capacity.

#### Part 1. General Provisions.

#### **§ 53-158.10. Definitions.**

For purposes of this Article, the following definitions apply:

- (1) "Depository institution" has the same meaning as set forth in the Federal Deposit Insurance Act, 12 U.S.C. §§ 1811, et seq.
- (2) "Hazardous condition" has the same meaning as set forth in G.S. 53-301(a)(23).
- (3) "Trust institution" has the same meaning as set forth in G.S. 53-301(a)(52). (2011-339, s. 7.)

#### **§ 53-159. Trust institution may act as fiduciary.**

Any trust institution licensed by the Commissioner of Banks, where such powers or privileges are granted it in its charter, may be guardian, trustee, assignee, receiver, executor or administrator or act in another fiduciary capacity in this State without giving any bond; and the clerks of the superior courts, or other officers charged with the duty or clothed with the power of making such

appointments, are authorized to appoint such trust institution to any such office. (1945, c. 743, s. 1; 2001-263, s. 3; 2011-339, s. 7.)

**§ 53-159.1. Power of fiduciary or custodian to deposit securities in a clearing corporation.**

Notwithstanding any other provision of law, any fiduciary holding securities in its fiduciary capacity, any trust institution holding securities in a fiduciary capacity or as a custodian or agent is authorized to deposit or arrange for the deposit of such securities with a securities intermediary as defined in G.S. 25-8-102. When such securities are so deposited, certificates representing securities of the same class of the same issuer may be merged and held in bulk in the name of the nominee of such securities intermediary with any other such securities deposited in such securities intermediary by any person regardless of the ownership of such securities, and certificates of small denomination may be merged into one or more certificates of larger denomination. The records of such fiduciary and the records of such trust institution acting as a fiduciary or as a custodian or managing agent shall at all times show the name of the party for whose account the securities are so deposited. Title to such securities may be transferred by bookkeeping entry on the books of such securities intermediary without physical delivery of certificates representing such securities. A trust institution so depositing securities pursuant to this section shall be subject to such rules as, in the case of State-chartered institutions, the State Banking Commission and, in the case of other institutions, their regulators may from time to time issue. A trust institution acting as custodian or agent for a fiduciary shall, on demand by the fiduciary, certify in writing to the fiduciary the securities so deposited by such trust institution in such securities intermediary for the account of such fiduciary. A fiduciary shall, on demand by any party to a judicial proceeding for the settlement of such fiduciary's account or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary in such securities intermediary for its account as such fiduciary. This section shall apply to any fiduciary holding securities in its fiduciary capacity, and to any trust institution holding securities as a fiduciary or as a custodian or managing agent acting on May 15, 1973, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed and regardless of whether or not such fiduciary, custodian or agent owns capital stock of such securities intermediary. The fiduciary shall personally be liable for any loss to the trust resulting from an act of such nominee in connection with such securities so deposited. (1973, c. 497, s. 4; 1997-181, s. 26; 2001-263, s. 3; 2011-339, s. 7.)

**§ 53-160. License to do business.**

Before any such trust institution is authorized to act in any fiduciary capacity without bond, it must be licensed by the Commissioner of Banks of the State. For such license the licensee, for the purpose of defraying necessary expenses of the Commissioner of Banks and the Commissioner's agents, shall pay to the Commissioner of Banks an annual license fee of five hundred dollars (\$500.00). (1945, c. 743, s. 1; 1967, c. 789, s. 20; 2001-263, s. 3; 2004-171, s. 5; 2011-339, s. 7.)

**§ 53-161. Examination in connection with license as to solvency.**

The Commissioner of Banks may, at the expense of the trust institution, make or cause to be made an examination of any trust institution, other than a federally chartered trust institution, that applies for or is licensed by the Commissioner of Banks. The Commissioner of Banks may refuse to issue a license to a trust institution that it finds to be in a hazardous condition. (1945, c. 743, s. 1; 2001-263, s. 3; 2011-339, s. 7.)

**§ 53-162: Repealed by Session Laws 2011-339, s. 7, effective October 1, 2011.**

**§ 53-163. Clerk of superior court notified of license and revocation.**

The Commissioner of Banks, upon granting license to any trust institution, shall immediately notify the clerk of the superior court of each county in the State that the trust institution has been licensed under this Article, and, whenever the Commissioner of Banks is satisfied that any trust institution licensed by the Commissioner is in a hazardous condition, the Commissioner shall revoke the license granted to that trust institution and notify the clerk of the superior court of each county in the State of the revocation. (1945, c. 743, s. 1; 2001-263, s. 3; 2011-339, s. 7.)

**§ 53-163.1. Funds held by a trust institution awaiting investment or distribution.**

(a) Funds held in a fiduciary capacity by a trust institution awaiting investment or distribution shall not be held uninvested or undistributed any longer than is reasonable for the proper management of the account. A trust institution has complied with this requirement if such funds awaiting investment or distribution in excess of one thousand dollars (\$1,000) are invested or distributed within 30 days of receipt or accumulation thereof.

(b) Funds held in a fiduciary capacity by a depository institution, awaiting investment or distribution may, unless prohibited by the instrument creating the fiduciary relationship, be deposited in the commercial or savings or other department of the depository institution, provided that it shall first set aside under control of the trust department as collateral security, the classes of securities listed in G.S. 159-30(c) as being eligible for the investment of funds by local governments and public authorities equal in market value of such deposited funds, or readily marketable commercial bonds having not less than a recognized "A" rating equal to one hundred and twenty-five percent (125%) of the funds so deposited.

The securities so deposited or securities substituted therefor as collateral in the trust department by the commercial or savings or other department (as well as the deposit of cash in the commercial or savings or other department by the trust department) shall be held pursuant to the provisions of G.S. 53-163.3.

If such funds are deposited in a depository institution insured under the provisions of the Federal Deposit Insurance Act, the above collateral security will be required only for that portion of uninvested balances of each trust which are not fully insured under the provisions of that act.

(c) Funds held in a fiduciary capacity by a trust institution awaiting investment or distribution may, unless prohibited by the instrument creating the fiduciary relationship, be invested in short-term, trust-quality investment vehicles, through the medium of a collective investment fund or otherwise.

(d) In addition to any other compensation to which it may be entitled under statutes governing the compensation of personal representatives, guardians, or other fiduciaries, or under any other authority, a trust institution shall be allowed to charge a fee for the temporary investment of funds held awaiting investment or distribution, which fee may be calculated upon the amount of such funds actually invested and upon the income produced thereby. The fee authorized by this subsection shall not exceed twelve percent (12%) of the income produced by such investment. A trust institution has complied with its duty to disclose fees and practices in connection with the investment of fiduciary funds awaiting investment or distribution if the trust institution's periodic account statements set forth the method of computing such fees. (1939, c. 197, s. 4; 1963, c. 243,

ss. 1, 2; 1977, c. 502, s. 2; 1989, c. 443; 2004-139, s. 5; 2005-192, s. 1; 2011-339, s. 7; 2012-56, s. 9.)

#### **§ 53-163.2. Investments in securities by trust institutions.**

Unless the governing instrument, court order, or a statute specifically directs otherwise, a trust institution serving as trustee, guardian, agent, or in any other fiduciary capacity may invest in any security authorized by this Chapter even if such fiduciary or an affiliate thereof participates or has participated as a member of a syndicate underwriting such security, if:

- (1) The fiduciary does not purchase the security from itself or its affiliate; and
- (2) The fiduciary does not purchase the security from another syndicate member or an affiliate, pursuant to an implied or express agreement between the fiduciary or its affiliate and a selling member or its affiliate, to purchase all or part of each other's underwriting commitments. (1985, c. 549, s.1; 2005-192, s. 1; 2007-106, s. 51; 2011-339, s. 7.)

#### **§ 53-163.3. Fiduciary funds awaiting investment.**

A bank that is a trust institution may maintain separate departments and deposit in its commercial department to the credit of its trust department all uninvested fiduciary funds of cash and secure all such deposits in the name of the trust department, whether in consolidated deposits or for separate fiduciary accounts, by segregating and delivering to the trust department such securities as are required by G.S. 53-163.1 for such deposits. Such securities shall be held by the trust department as security for the full payment or repayment of all such deposits and shall be kept separate and apart from other assets of the trust department. Until all of the deposits shall have been accounted for to the trust department or to the individual fiduciary accounts, no creditor of the bank shall have any claim or right to such security. When fiduciary funds are deposited by the trust department in the commercial department of the bank, the deposit thereof shall not be deemed to constitute a use of such funds in the general business of the bank. To the extent and in the amount such deposits may be insured by the FDIC, the amount of security required for such deposits by this section may be reduced. The Banking Commission shall have power to make such rules as it may deem necessary for the enforcement of the provisions of this section. (2012-56, s. 10.)

#### **§ 53-163.4: Reserved for future codification purposes.**

#### **Part 2. Uniform Common Trust Fund Act.**

#### **§ 53-163.5. Establishment of common trust funds.**

(a) Any trust institution duly authorized to act as a fiduciary in this State may establish and maintain one or more common trust funds for the collective investment of funds held in a fiduciary capacity by such trust institution hereafter referred to as the "maintaining institution." The maintaining institution may include for the purposes of collective investment in such common trust fund or funds established and maintained by it, funds held in a fiduciary capacity by any other trust institution duly authorized to act as a fiduciary with which it is affiliated, wherever located, which other trust institution is hereinafter referred to as the "participating institution."

(b) For the purposes of this section, a maintaining institution shall be considered to be affiliated with a participating institution if it controls, is controlled by, or is under common control with the participating institution, as control is determined under the federal Bank Holding Company Act of 1956 or by rule, order, or declaratory ruling of the Commissioner of Banks.

(c) Such common trust funds may include a fund composed solely of funds held under an agency agreement in which the trust institution assumes investment discretion and assumes fiduciary responsibility.

(d) Such trust institution may invest the funds held by it in any fiduciary capacity in one or more common trust funds, provided that (i) such investment is not prohibited by the instrument, judgment, decree or order creating such fiduciary relationship or amendment thereof, and (ii) the trust institution has no interest in the assets of the common trust fund other than as a fiduciary. (1939, c. 200, s. 1; 1973, c. 1276; 1977, c. 502, s. 2; 2005-192, s. 1; 2006-259, s. 13(q); 2011-339, s. 7.)

#### **§ 53-163.6. Court accountings.**

Unless ordered by a court of competent jurisdiction the trust institution operating such common trust fund or funds shall not be required to render a court accounting with regard to such fund or funds; but it may, by application to the superior court, secure approval of such an accounting on such conditions as the court may establish. This section shall not affect the duties of the trustees of the participating trusts under the common trust fund to render accounts of their several trusts. (1939, c. 200, s. 2; 1977, c. 502, s. 2; 2005-192, s. 1; 2011-339, s. 7.)

#### **§ 53-163.7. Supervision by State Banking Commission.**

All common trust funds established under the provisions of this Part shall be subject to the rules and regulations of the State Banking Commission. (1939, c. 200, s. 3; 1977, c. 502, s. 2; 2005-192, s. 1.)

#### **§ 53-163.8. Uniformity of interpretation.**

This Part shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it. (1939, c. 200, s. 4; 1977, c. 502, s. 2; 2005-192, s. 1.)

#### **§ 53-163.9. Short title.**

- (2) The amount of the cash rebate or other advance of funds is required to be repaid at a later date.

- (3) The selling or providing of any item, service, or commodity with the transaction is incidental to, or a pretext for, the advance of funds.

(c) Penalties; Commissioner to Provide Facts and Testify. – Any person not exempt from this Article, or any officer, agent, employee, or representative thereof, that fails to comply with or that otherwise violates any of the provisions of this Article is guilty of a Class 1 misdemeanor. Each violation is a separate offense. The Commissioner shall provide the district attorney of the court having jurisdiction of any offense under this subsection with all facts and evidence in the Commissioner's actual or constructive possession and shall testify as to these facts upon the trial of any person for the offense.

(d) Additional Penalties. – Any contract of loan, the making, servicing, or collecting of which violates any provision of this Article, or rule adopted under it, except as a result of accidental or bona fide error of computation is void, and the licensee or any other party in violation shall not collect, receive, or retain any principal or charges whatsoever with respect to the loan. If an affiliate operating in the same office or subsidiary operating in the same office of a licensee makes a loan in violation of G.S. 53-180(i), the affiliate or subsidiary may recover only its principal on the loan. (1955, c. 1279; 1957, c. 1429, s. 8; 1961, c. 1053, s. 1; 1969, c. 1303, ss. 13, 14; 1973, c. 47, s. 2; c. 1042, s. 1; 1979, c. 33, s. 1; 1985, c. 154, ss. 6, 13; 1987, c. 444, s. 3; 1989, c. 17, ss. 1, 13; 1989 (Reg. Sess., 1990), c. 881, s. 1; 1993, c. 539, s. 425; 1994, Ex. Sess., c. 24, s. 14(c); 2006-243, s. 2; 2013-162, s. 1; 2021-84, s. 1; 2023-61, s. 1.)

#### **§ 53-167. Expenses of supervision.**

For the purpose of defraying necessary expenses of the Office of Commissioner of Banks for supervision, each licensee shall pay to the Commissioner an assessment not to exceed eighteen dollars (\$18.00) per one hundred thousand dollars (\$100,000) of assets, or fraction thereof, plus a fee of three hundred dollars (\$300.00) per office; however, a consumer finance licensee shall pay a minimum annual assessment of not less than one thousand dollars (\$1,000). The assessment shall be determined on a consumer finance licensee's total assets as shown on its report of condition made to the Commissioner as of December 31 of each year, or the date most nearly approximating that date. If the Commissioner determines that the financial condition or manner of operation of a consumer finance licensee warrants further examination or an increased level of supervision, the licensee may be subject to assessment not to exceed the amount determined in accordance with the schedule set forth in this section. (1955, c. 1279; 1957, c. 1429, s. 1; 1961, c. 1053, s. 1; 2012-56, s. 11; 2023-61, s. 1.)

#### **§ 53-168. License required; showing of convenience, advantage, and financial responsibility; investigation of applicants; hearings; existing businesses; contents of license; transfer; posting.**

(a) Necessity for License; Prerequisites to Issuance. – No person shall engage in or offer to engage in the business regulated by this Article unless and until a license has been issued by the Commissioner, and the Commissioner shall not issue the license unless and until the Commissioner finds all of the following:

- (1) That authorizing the applicant to engage in the business will promote the convenience and advantage of the community in which the applicant proposes to engage in business.
- (2) That the financial responsibility, experience, character, and general fitness of the applicant command the confidence of the public and warrant the belief that

the business will be operated lawfully and fairly, within the purposes of this Article.

- (3) That the applicant has available for the operation of the business at the specified location loanable assets of at least fifty thousand dollars (\$50,000).

(b) Investigation of Applicants. – Upon the receipt of an application, the Commissioner shall investigate the facts. If the Commissioner determines from this preliminary investigation that the applicant does not satisfy the conditions set forth in subsection (a) of this section, the Commissioner shall so notify the applicant. The applicant is entitled to an informal hearing on the matter if the applicant requests in writing within 30 days after the Commissioner mailed the notice to the applicant. In the event of a hearing, to be held in the offices of the Commissioner of Banks in Raleigh, the Commissioner shall reconsider the application and, after the hearing, shall issue a written order granting or denying the application. At the time of making the application, the applicant shall pay the Office of the Commissioner of Banks the sum of five hundred dollars (\$500.00) as a fee for investigating the application, to be retained irrespective of whether or not a license is granted to the applicant.

- (c) Repealed by Session Laws 2001-519, s. 2.

(d) Required Assets Available. – Each licensee shall continue at all times to have available for the operation of the business at the specified location loanable assets of at least fifty thousand dollars (\$50,000). The requirements and standards of this subsection and subdivision (a)(2) of this section shall be maintained throughout the period of the license and failure to maintain these requirements and standards are grounds for the revocation of a license under G.S. 53-171.

(e) License, Posting, and Continuing. – Each license shall state the address at which the business is to be conducted and shall state fully the name of the licensee, and if the licensee is a partnership or association, the names of the members thereof, and if a corporation, the date and place of its incorporation. Transfer or assignment of a license by one person to another by sale or otherwise is prohibited without the prior approval of the Commissioner. A licensee shall provide the Commissioner notice of the proposed transfer or assignment not less than 30 days before the date the transaction is set to close, and the Commissioner shall promptly render a decision in the matter. Purchase of a loan made under this Article by an existing licensee shall be reported to the Commissioner within 30 days after the transaction is completed. Each license shall be posted in the licensed place of business or on the licensee's website. Each license remains in full force and effect until surrendered, revoked, or suspended. (1961, c. 1053, s. 1; 1969, c. 1303, s. 15; 1973, c. 1042, s. 2; 1981, c. 671, s. 15; 1987, c. 827, s. 12; 2001-519, s. 2; 2023-61, s. 1.)

### **§ 53-169. Application for license.**

The application for license shall be made on a form prepared and furnished by the Commissioner of Banks and shall state:

- (1) The fact that the applicant desires to engage in business under this Article; and
- (2) Whether the applicant is an individual, partnership, association or corporation; and
- (3) The name and address of the person who will manage and be in immediate control of the business; and
- (4) The name and address of the owners and their percentage of equity in the company, except when the Commissioner does not deem it feasible to furnish such information because of the number of stockholders involved; and
- (5) When the applicant proposes to commence doing business; and

(6) Such other information as the Commissioner of Banks deems necessary.

The statements made in such application shall be sworn to by the applicant or persons making application on the applicant's behalf. (1961, c. 1053, s. 1.)

**§ 53-170. Locations; change of ownership or management.**

(a) Business Location. – A licensee may conduct and carry on the licensee's business only at one or more locations approved by the Commissioner, and no changes shall be made from one location to another without the approval of the Commissioner.

(b) Additional Places of Business. – Not more than one place of business shall be maintained under the same license, but the Commissioner may issue more than one license to the same licensee upon compliance with all the provisions of this Article governing issuance of a single license.

(c) Change of Location, Ownership, or Management. – If any change occurs in the name and address of the licensee or of the president, secretary, or agent of a corporation holding a license, or in the membership of any partnership holding a license, a true and full statement of the change, sworn to in the manner required by this Article in the case of the original application, shall be filed with the Commissioner within 90 days of the change. (1961, c. 1053, s. 1; 2023-61, s. 1.)

**§ 53-171. Revocation, suspension, or surrender of license.**

(a) If the Commissioner finds, after due notice and hearing, or opportunity for hearing, that a licensee, or an officer, agent, employee, or representative thereof, has violated any of the provisions of this Article, has failed to comply with the rules adopted or orders issued by the Commission, has failed or refused to make its reports to the Commissioner, has failed to pay the fees for its examination and supervision, or has furnished false information to the Commissioner or the Commission, the Commissioner may issue an order revoking or suspending the right of the licensee or the officer, agent, employee, or representative to do business in North Carolina as a licensee, and upon receipt of the order from the Commissioner, the licensee shall immediately surrender the licensee's license to the Commissioner. Within five days after the entry of the order the Commissioner shall place on file the Commissioner's findings of fact and mail or otherwise deliver a copy to the licensee.

(b) A licensee may surrender any license by delivering it to the Commissioner with written notice of its surrender, but the surrender does not affect the licensee's civil or criminal liability for acts committed prior to the surrender.

(c) No revocation, suspension, or surrender of any license impairs or affects the obligation of any preexisting lawful contract between the licensee and any obligor.

(d) The Commissioner, in the Commissioner's discretion, may reinstate suspended licenses or issue new licenses to a person whose license or licenses have been revoked or surrendered if and when the Commissioner determines no fact or condition exists that clearly would have justified the Commissioner in refusing originally to issue the license under this Article. (1955, c. 1279; 1961, c. 1053, s. 1; 2023-61, s. 1.)

**§ 53-172. Conduct of other business in same office.**

(a) No licensee shall conduct the business of making loans under this Article within any office, suite, room, or place of business in which any other business is solicited or transacted.

Installment paper dealers as defined in G.S. 105-83, the collection by a licensee of loans legally made in North Carolina, including loans made under Chapter 24 or Chapter 25A of the General

Statutes, or legally made in another state by another government-regulated lender or lending agency, and the collection by a licensee of claims of, payments to, or payments for an insurance company licensed in North Carolina and arising in any way from a nonfiling or nonrecording insurance policy approved by the Commissioner of Insurance are not considered as being any other business within the meaning of this section.

(b) Notwithstanding subsection (a) of this section, the Commissioner may authorize in writing the solicitation and transaction of other business in any office, suite, room, or place of business in which a licensee is conducting the business of making loans if the Commissioner determines that the other business would not be contrary to the best interests of the borrowing public.

(c) The Commissioner may require, consistent with the provisions of 12 C.F.R. Part 226 (Regulation Z) of the federal Truth in Lending Act, the other business authorized under subsection (b) of this section to do both of the following:

- (1) Disclose the cost of consumer credit of goods and services sold.
- (2) Provide the purchaser with a reasonable cancellation period for goods and services purchased.

(d) No licensee shall do either of the following:

- (1) Make the purchase of goods and services sold under the authorization of subsection (b) of this section a condition of making a loan.
- (2) Consider the borrower's decision to purchase, or not purchase, goods and services sold under the authorization of subsection (b) of this section a factor in its approval or denial of credit or in its determination of the amount of or terms of credit for the borrower.

(e) The licensee shall notify the borrower in writing that the purchase of the goods and services offered under the authorization under subsection (b) of this section is voluntary and that the borrower's decision whether or not to purchase the goods and services will not affect the licensee's decision to grant credit or the amount of or terms of the credit granted.

(f) If, at any time, the Commissioner has reason to believe that the conduct of any other business authorized under this section is contrary to the best interests of the borrowing public, the Commissioner shall hold a hearing pursuant to Chapter 150B of the General Statutes to determine whether or not to revoke the authority to conduct that business. The Commissioner shall revoke the authority to conduct any other business if he or she finds that the conduct of any other business authorized under this section is contrary to the best interests of the borrowing public.

(g) This section does not authorize the collection of any loans or charges in violation of the prohibitions contained in G.S. 53-190.

(h) The books, records, and accounts relating to loans shall be kept in a manner prescribed by the Commissioner so as to delineate clearly the loan business from any other business authorized by the Commissioner. (1961, c. 1053, s. 1; 1967, c. 769, s. 1; 1971, c. 1212; 1981, c. 464, s. 2; 1985, c. 154, ss. 7, 8, 9; 1987, c. 444, ss. 2, 3; 1989, c. 17, ss. 2, 13; 1991 (Reg. Sess., 1992), c. 765, s. 1; 2013-162, s. 2; 2023-61, s. 1.)

### **§ 53-173. Computation of interest; application of payments; limitation on interest after judgment; limitation on interest after maturity of the loan.**

(a), (a1) Repealed by Session Laws 2013-162, s. 3, effective July 1, 2013.

(b) Computation of Interest. – Interest on loans made pursuant to this section shall not be paid, deducted, or received in advance. The interest shall not be compounded but interest on loans

shall (i) be computed and paid only as a percentage of the unpaid portion of the amount financed and (ii) computed on the basis of the number of days actually elapsed; however, if part or all of the consideration for a loan contract is the unpaid principal balance of a prior loan, then the amount financed under the loan contract may include any unpaid interest on the prior loan that has accrued within 90 days before the making of the new loan contract. For the purpose of computing interest, a day equals 1/365th of a year.

(b1) Application of Payments. – Any payment made on a loan shall be applied first to late charges and other permissible charges under this Article, then to any accrued interest, and then to principal. Any portion or all of the principal balance may be prepaid at any time without penalty.

(c) Limitation on Interest after Judgment. – If a money judgment is obtained against any party on any loan made under this section, neither the judgment nor the loan carries, from the date of the judgment, any interest in excess of eight percent (8%) per annum.

(d) Limitation of Interest after Maturity of Loan. – After the maturity date of any loan contract made under this section and until the loan contract is paid in full by cash, new loan, refinancing or otherwise, no charges other than interest at eight percent (8%) per annum shall be computed or collected from any party to the loan upon the unpaid principal balance of the loan.

(e) Repealed by Session Laws 1989, c. 17, s. 3.

(f) Repealed by Session Laws 2001-519, s. 3, effective January 1, 2002. (1961, c. 1053, s. 1; 1969, c. 1303, ss. 13, 17-22; 1973, c. 1042, s. 3; 1975, c. 110, s. 1; 1979, c. 33, s. 2; 1981, c. 561, ss. 1-3; 1983, c. 68, s. 1; c. 126, s. 13; 1989, c. 17, s. 3; 2001-519, s. 3; 2013-162, s. 3; 2023-61, s. 1.)

**§ 53-173.1: Repealed by Session Laws 1989, c. 17, s. 4.**

**§ 53-173.2. Repealed by Session Laws 1975, c. 110, s. 2.**

**§ 53-174: Repealed by Session Laws 1989, c. 17, s. 4.**

**§ 53-175. Fee for returned checks.**

A licensee may collect the fee for returned checks to the extent permitted by G.S. 25-3-506. This section shall apply to any loan made by any licensee under this Article. (1961, c. 1053, s. 1; 1969, c. 1303, s. 23; 1981, c. 561, s. 4; 1983, c. 68, s. 1; c. 126, s. 12; 1989, c. 17, s. 5; 1995 (Reg. Sess., 1996), c. 742, s. 21.)

**§ 53-176. Rates, maturities, and amounts.**

(a) A licensee may make installment loans with loan amounts not exceeding twenty-five thousand dollars (\$25,000), that are not repayable in fewer than 12 months or more than 96 months, that are not secured by deeds of trust or mortgages on real estate, and that are repayable in substantially equal consecutive monthly payments. A licensee may charge and collect interest on these loans, not to exceed the following rates:

- (1) With respect to a loan with a loan amount at origination not exceeding twelve thousand dollars (\$12,000), thirty-three percent (33%) per annum on that part of the unpaid principal balance not exceeding four thousand dollars (\$4,000), twenty-four percent (24%) per annum on that part of the unpaid principal balance exceeding four thousand dollars (\$4,000) but not exceeding eight

thousand dollars (\$8,000), and eighteen percent (18%) per annum on that part of the remainder of the unpaid principal balance.

- (2) With respect to a loan with a loan amount at origination exceeding twelve thousand dollars (\$12,000), eighteen percent (18%) per annum on the outstanding principal balance.

Interest shall be contracted for and collected at the applicable simple interest rate applied to the unpaid portion of the amount financed.

(b) In addition to the interest permitted in this section, a licensee may assess at closing a fee for processing the loan as agreed upon by the parties, not to exceed thirty dollars (\$30.00) for loan amounts up to three thousand dollars (\$3,000) and one percent (1%) of the amount financed, exclusive of the loan processing fee, for loan amounts more than three thousand dollars (\$3,000), not to exceed a total fee of one hundred fifty dollars (\$150.00). These charges shall not be assessed more than twice in any 12-month period.

(c) G.S. 53-173(b), (b1), (c), and (d) and G.S. 53-180(b), (c), (d), (e), (f), (g), (h), and (i) apply to loans made pursuant to this section.

(d) Repealed by Session Laws 2013-162, s. 4, effective July 1, 2013.

(e) The due date of the first monthly payment shall not be more than 45 days following the disbursement of funds under the installment loan. A borrower under this section may prepay all or any part of the loan without penalty. Except as otherwise provided in G.S. 75-20(a), no more than twice in a 12-month period, a borrower may cancel a loan with the same licensee within three business days after disbursement of the loan proceeds without incurring or paying interest so long as the amount financed, minus any fees or charges, is returned to and received by the licensee within that time.

(f) Repealed by Session Laws 2013-162, s. 4, effective July 1, 2013. (1961, c. 1053, s. 1; 1969, c. 1303, s. 12.1; 1981, c. 561, s. 7; 1983, c. 68, s. 1; c. 126, ss. 14, 15; 1989, c. 17, s. 6; 1995, c. 155, s. 1; 2001-519, s. 4; 2013-162, s. 4; 2023-61, s. 1.)

#### **§ 53-176.1: Repealed by Session Laws 1989, c. 17, s. 4.**

#### **§ 53-177. Fees.**

(a) Recording Fees. – The licensee may collect from the borrower the amount of any fees necessary to file or record its security interest with any public official or agency of a county or the State as may be required pursuant to Article 9 of Chapter 25 of the General Statutes or G.S. 20-58 through G.S. 20-58.8. Upon full disclosure to the borrower on how the fees will be applied, the fees may either (i) be paid by the licensee to the public official or agency of the county or State or (ii) in lieu of recording or filing, applied by the licensee to purchase nonfiling or nonrecording insurance on the instrument securing the loan; however, the amount collected by the licensee from the borrower for the purchase of a nonfiling or nonrecording insurance policy shall be the premium amount for the insurance as fixed by the Commissioner of Insurance. The premium shall be at least one dollar (\$1.00) less than the cost of recording or filing a security interest. A licensee shall not collect or permit to be collected any notary fee in connection with any loan made under this Article, nor shall a licensee collect any fee from the borrower for the cost of releasing a security interest except the fee as actually paid to any public official or agency of the county or State for this purpose.

(b) Late Payment Fees. –

- (1) A licensee may charge a late payment fee for any payment that remains past due for 10 days or more after the due date.
- (2) No licensee shall charge a late payment fee in an amount greater than eighteen dollars (\$18.00) nor charge a late payment fee more than once with respect to a single late payment.
- (3) If a late payment fee has been once imposed with respect to a particular late payment, no late payment fee shall be imposed with respect to any future payment that would have been timely and sufficient but for the previous default.
- (4) A licensee may apply a borrower's most recent payment to the oldest installment due.
- (5) A licensee shall not collect more than one late payment fee from any full or partial payment made toward a particular scheduled installment payment. However, a licensee may collect more than one late payment fee from any payment made toward more than one installment payment so long as the number of late payment fees collected does not exceed the number of different installment payments that were past due for 10 days or more and to which the payment was applied.
- (6) If a licensee declares a borrower in default and accelerates a loan, the licensee may collect a late payment fee for each installment payment that was, as of the date of acceleration, past due for 10 days or more. A licensee shall not collect a late payment fee for any installment that becomes due solely because the licensee has declared a borrower in default and accelerated a loan.
- (7) If a licensee refinances a loan, a licensee may include in the amount financed late payment fees for each installment payment that was, as of the date of the refinancing, past due for 10 days or more.
- (8) If a loan reaches maturity, a licensee may include in the final balance owed a late payment fee for each installment payment that remains past due for 10 days or more.

(c) **Deferral Charges.** – A licensee may, by agreement with the borrower, collect a deferral charge and defer the due date of all or part of one or more installments under an existing loan contract as permitted by G.S. 25A-30. A licensee may assess a deferral charge for each month of the remaining loan term on each installment owed after the date of deferral. A licensee may also charge a late payment fee on deferred payments that remain past due for 10 days or more after the agreed upon due date. A deferral shall not alter the maturity date of the loan contract, even if a payment is deferred beyond maturity.

(d) **Insurance Policy.** – If a licensee, in lieu of recording, collects a fee to purchase a nonfiling or nonrecording insurance policy as authorized under subsection (a) of this section, to be valid, any claim arising from the policy shall only be used to compensate the licensee for damages arising from failure to record or file its security interest in accordance with Article 9 of Chapter 25 of the General Statutes. Following payment of the claim, the licensee shall do the following:

- (1) Properly credit the full claim amount posted to the balance of the loan, effective the date the proceeds were received.
- (2) Close the loan account and cease collection efforts on any loan that was paid in full by a claim.
- (3) Provide the borrower written notice, unless otherwise prohibited by federal law, that (i) the claim has been partially paid or paid in full and (ii) to the extent the

loan is subject to the insurance company's subrogation rights, instructions about direction of future payments.

- (4) Cancel of record or properly credit, as appropriate, any judgments against the borrower arising from the loan and, if the judgment has been paid in part, file a certificate of partial satisfaction.
- (5) Accurately report any account adjustments to any credit bureau used by the licensee.

(e) **Recovery of Costs.** – If a borrower requests in writing of the lender to take a voluntary dismissal of an action to recover a loan made under this Article, and both parties agree to the dismissal, the lender shall obtain in writing from the borrower an acknowledgment that (i) the borrower will be liable for the statutory court costs and (ii) any other reasonable and bona fide costs incurred in the course of bringing the action, and the lender may recover the statutory court costs incurred as well as any other reasonable and bona fide costs incurred in the course of bringing the action. Nothing in this section authorizes the collection of attorney fees otherwise prohibited by G.S. 53-180(e). This section does not apply if the borrower, in written documentation raises an affirmative defense to an action to collect a loan under this Article. Nothing in this section affects or prohibits a magistrate, judge, or arbitrator from awarding filing fees and fees for service of process incurred by the lender in bringing the civil action or the other bona fide costs set forth in this subsection. (1961, c. 1053, s. 1; 1989, c. 17, s. 7; 2000-169, s. 36; 2013-162, s. 5; 2015-179, s. 1; 2023-61, s. 1.)

#### **§ 53-177.1. Electronic transaction fees.**

(a) The following definitions apply in this section:

- (1) **Affiliate.** – In relation to a licensee, an entity that directly or indirectly controls, is controlled by, or is under joint control with the licensee.
- (2) **Control.** – Any of the following:
  - a. Own, directly or indirectly, at least fifty percent (50%) of the capital of an entity.
  - b. Have the power to direct or cause the direction of the management of and set the policies of an entity.

(b) In addition to the recovery of other costs allowed under this Article, a licensee may collect from a borrower an amount not to exceed the actual cost of any fees charged by a non-affiliate third party for the following transactions:

- (1) Online debit card payments to the borrower's account.
- (2) In-person debit card payments to the borrower's account.
- (3) Automated clearinghouse transaction payments to the borrower's account.
- (4) Disbursement of loan proceeds via automated clearinghouse transactions.
- (5) Disbursement of loan proceeds via prepaid debit cards or stored value cards.
- (6) Disbursement of loan proceeds via electronic payments to the borrower's account at a financial institution or financial services company.

(c) A licensee shall make available to borrowers at least one type of transaction for an account payment and at least one type of transaction for a disbursement of loan proceeds in which it will not seek to recover the cost of third-party fees associated with the transaction.

(d) A licensee shall publish on its website and publicly display at all its retail locations a disclosure on whether a borrower will be charged for any third-party fees with regard to each available type of transaction for account payments and disbursements of loan proceeds. A licensee

shall also provide this information as a separate disclosure to a borrower when the borrower establishes a loan account with the licensee.

(e) Nothing in this section prohibits a borrower from directly paying transaction-based fees to a non-affiliate third party for account payments and disbursements of loan proceeds. (2021-159, s. 1(a).)

**§ 53-178. No further charges; no splitting contracts; certain contracts void.**

No further or other charges or insurance commissions shall be directly or indirectly contracted for or received by any licensee, affiliate, parent, subsidiary, or licensee under the same ownership, management, or control, whether partial or complete, except those specifically authorized by this Article, by the Commissioner under G.S. 53-172 or any other statute. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining interest or charges in excess of those authorized by this Article. All balances due to a licensee from any person as a borrower or as an endorser, guarantor or surety for any borrower or otherwise jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing interest or charges, or exceeding the maximum loan amount established in G.S. 53-176(a). (1961, c. 1053, s. 1; 1991 (Reg. Sess., 1992), c. 765, s. 2; 2015-179, s. 2; 2024-57, s. 2E.4(b).)

**§ 53-179: Repealed by Session Laws 2015-179, s. 3, effective September 1, 2015.**

**§ 53-180. Limitations and prohibitions on practices and agreements.**

(a) Time and Payment Limitation. – Every loan contract shall provide for repayment of the amount loaned in substantially equal installments, either of principal or of principal and charges in the aggregate, at approximately equal periodic intervals of time. Nothing in this section prevents a loan being considered a new loan because the proceeds of the loan are used to pay an existing contract.

(b) No Assignment of Earnings. – A licensee shall not take an assignment of earnings of the borrower for payment or as security for payment of a loan. An assignment of earnings in violation of this section is unenforceable. A sale of unpaid earnings made in consideration of the payment of money to or for the account of the seller of the earnings is deemed to be a loan to the seller by an assignment of earnings.

(c) Limitation on Default Provisions. – An agreement between a licensee and a borrower pursuant to a loan under this Article with respect to default by the borrower is enforceable only to the extent that (i) the borrower fails to make a payment as required by the agreement or fails to maintain contractually required insurance coverage or (ii) the prospect of payment, performance, or realization of collateral is significantly endangered or impaired, the burden of establishing the prospect of a significant endangerment or impairment being on the licensee.

(d) Prohibitions on Discrimination. – No licensee shall deny any extension of credit or discriminate in the fixing of the amount, duration, application procedures, or other terms or conditions of the extension of credit because of the race, color, religion, national origin, sex, or marital status of the applicant or any other person connected with the transaction.

(e) Limitation on Attorney Fees. – With respect to a loan made pursuant to G.S. 53-176, the agreement shall not provide for payment by the borrower of attorney fees.

(f) No Real Property as Security. – No licensee shall make any loan within this State that is secured by real property.

(g) Deceptive Acts or Practices. – No licensee shall engage in any unfair method of competition or unfair or deceptive trade practices in the conduct of making loans to borrowers pursuant to this Article or in collecting or attempting to collect any money alleged to be due and owing by a borrower.

(h) Limitations on Home Loans. – No affiliate operating in the same office or subsidiary operating in the same office of a licensee shall make any home loan as defined in G.S. 24-1.1A(e) in a principal amount of less than three thousand dollars (\$3,000).

(j) No Solicitation of Deposits. – No licensee shall directly or indirectly solicit from any borrower funds to be held on deposit in any bank; however, a borrower may at the borrower's option, by way of a military allotment or other similar program, designate a depository to receive and disburse funds for a designated purpose.

(k) Loans made pursuant to this Article solicited using a facsimile or negotiable check are subject to G.S. 75-20(a).

(l) Loan Modification or Restructuring. – A loan contract may be modified or restructured so long as the interest rate after the original maturity date does not exceed the eight percent (8%) per annum limitation set forth in G.S. 53-173(d). A modification or restructuring may provide for a reduction of interest rate, reduction of principal, reduction in the amount of accrued interest, suspension of or modification of payment amounts, extension of the term of the loan, or any combination of these terms. A modification of payment amounts for the term of a loan modification or restructuring is not subject to subsection (a) of this section but shall not provide for a balloon payment. A licensee shall document the terms of any agreement to modify or restructure an existing loan contract by setting forth the terms of the modified or restructured loan in its loan records and shall provide to the borrower a written notice of the changes. A licensee shall not charge a borrower a fee to modify or restructure a loan unless authorized by G.S. 53-177(c). A licensee shall not require additional collateral as a condition for a loan modification or restructuring. (1961, c. 1053, s. 1; 1969, c. 1303, s. 24; 1973, c. 1042, s. 7; 1979, c. 33, s. 3; 1981, c. 464, s. 3; 1985, c. 154, ss. 10-12; 1987, c. 444, s. 3; 1989, c. 17, ss. 8, 13; 2001-519, s. 5; 2013-162, s. 6; 2023-61, s. 1; 2024-57, s. 2E.4(a).)

#### **§ 53-180.1. Military service members limitation.**

(a) Definition. – For purposes of this section, the term "covered military service member" means a member of the Armed Forces who is either (i) on active duty under a call or order that does not specify a period of 30 days or fewer or (ii) on active Guard and Reserve Duty, as that term is defined in 10 U.S.C. § 101(d)(6), with a rank of E4 or below.

(b) Requirements for Granting Loan. – A licensee may not make a loan to a borrower who is a covered military service member unless the following requirements are met:

- (1) The licensee notifies the borrower's commanding officer or executive officer before the loan is consummated. Notification may occur verbally, by electronic means, United States mail, or other equivalent methods of notification. The notification method and date shall be recorded in writing and included in the loan file along with the name of the commanding officer or executive officer

communicated with and the date of the communication with the commanding officer or executive officer.

- (2) The licensee shall deposit in the United States mail a copy of the federal Truth in Lending Act, 15 U.S.C. § 1601, et seq., disclosures and the complete contract for the loan addressed to the borrower's commanding officer or executive officer within five business days of the consummation of the loan.
- (3) A covered military service member who has entered into a loan contract made pursuant to this Article may, within 30 days of entering into the loan contract, rescind the loan contract by returning to the licensee in cash or by certified bank check the amount advanced to or for the benefit of the covered military service member under the loan contract, and upon delivery of those funds to the licensee, the borrower shall have no further liability or obligations under the loan contract. Nothing in this provision shall be construed to restrict or eliminate any other penalties provided by State or federal law.
- (4) The licensee shall give the covered military service member a separate disclosure that includes the statements and information required under G.S. 53-181(a). The licensee shall include the name and address of the North Carolina Commissioner of Banks, the Consumer Protection Division of the North Carolina Department of Justice, and the Consumer Financial Protection Bureau. The licensee may include internal compliance information on the same disclosure.
- (5) Notwithstanding section 2 of Title 9 of the United States Code, 9 U.S.C. § 2, or any other federal or State law, rule, or regulation, no agreement to arbitrate any dispute involving the extension of consumer credit shall be enforceable against any covered military service member or dependent of such a covered military service member or any person who was a covered military service member or dependent of that covered military service member when the agreement was made.
- (6) Repealed by Session Laws 2015-179, s. 4, effective September 1, 2015.

(b1) Reasonable Precaution to Identify Covered Military Service Members. – A licensee shall take reasonable precaution to prevent making loans in violation of this section. In the event that a licensee does not take reasonable precaution to identify covered military service members prior to making such a loan, such loans granted to covered military service members shall have the interest rate on the loan adjusted to eight percent (8%) per annum. Reasonable precaution may include obtaining a certificate from the Department of Defense Manpower Data Center (DMDC) that specifies whether the prospective borrower is or is not a member of the armed forces, a copy of the covered military service member's most recent leave and earnings statement, verification of borrower(s) income or any additional method approved by the Commissioner of Banks. In the event the DMDC system is down, the licensee shall obtain a computer screen copy of the failed request. Provided however, nothing in this section shall be construed to require covered military service member confirmation for a borrower with whom a licensee has an established customer relationship, or for a borrower who provides verification from the borrower's most recent payroll or and earnings statement, or verification of income clearly indicating that the borrower is not a covered military service member.

(c) Penalties and Remedies. –

- (1) The remedies and rights provided under this section are in addition to and do not preclude any remedy otherwise available under law to the person claiming relief under this section, including any incidental, consequential, or punitive damages.
- (2) Any credit agreement, promissory note, or other contract prohibited under this section is null and void.
- (3) Nothing in this section may be construed to limit or otherwise affect the applicability of section 207 of the Servicemembers Civil Relief Act, 50 U.S.C. App. § 527.

(d) Additional Restriction. – When a military servicemember has been deployed to a theater of combat, combat supporting role, an area where hostile fire and/or when Imminent Danger Pay is authorized to the servicemember, a licensee shall not contact the military servicemember or member's spouse by telephone or electronic mail for purposes of collecting on the loan upon receiving sufficient proof of the military servicemember's deployment. An official copy of the military service member's orders for deployment or written verification from the servicemember's commanding officer shall constitute sufficient proof. (2013-162, s. 7; 2015-179, s. 4.)

(b) Repealed by Session Laws 2023-61, s. 1, effective October 1, 2023.

(c) Power of Attorney or Confession of Judgment Prohibited. – No licensee shall take any confession of judgment or permit any borrower to execute a power of attorney in favor of any licensee or in favor of any third person to confess judgment or to appear for the borrower in any

judicial proceeding, and a confession of judgment or power of attorney to confess judgment is void. (1955, c. 1279; 1961, c. 1053, s. 1; 1989, c. 17, s. 9; 2001-519, s. 6; 2022-75, s. 11; 2023-61, s. 1.)

**§ 53-182. Payment of loans; receipts.**

(a) After each cash payment made on account of any loan, the licensee shall give to the person making the payment a signed, dated receipt showing the amount paid and the balance due on the loan. No receipt shall be required in the case of electronic payments or payments made by the borrower's check or money order, if the entire proceeds of the check or money order are applied to the loan. The use of a coupon book system is deemed in compliance with this section.

(b) Upon payment of any loan in full, a licensee shall cancel and either return or make available electronically to the borrower, within a reasonable length of time, originals or copies of any note, assignment, mortgage, deed of trust, or other instrument securing the loan that no longer secures any indebtedness of the borrower to the licensee. (1955, c. 1279; 1961, c. 1053, s. 1; 2001-519, s. 7; 2023-61, s. 1.)

No licensee subject to this Article shall advertise, display, distribute, telecast, or broadcast or cause or permit to be advertised, displayed, distributed, telecasted, or broadcasted, in any manner whatsoever, any false, misleading, or deceptive statement or representation with regard to the rates, terms, or conditions of loans. The Commissioner may require that charges or rates of charge, if stated by a licensee, be stated fully and clearly in such manner as he may deem necessary to prevent misunderstanding thereof by prospective borrowers. The Commissioner may permit or require licensees to refer in their advertising to the fact that their business is under State supervision, subject to conditions imposed by him to prevent an erroneous impression as to the scope or degree of protection provided by this Article. (1957, c. 1429, s. 3; 1961, c. 1053, s. 1.)

**§ 53-184. Securing of information; records and reports; allocations of expense.**

(a) Each licensee shall keep the books and records required by subsection (e) of this section relating to loans made under this Article, and the Commissioner, or an agent of the Commissioner, may examine these books and records at any reasonable time. These books and records may be maintained in the form of magnetic tape, magnetic disk, optical disk, or other form of computer, electronic, or microfilm media available for examination on the basis of computer printed reproduction, video display, or other medium acceptable to the Commissioner; however, these books and records shall be convertible into clearly legible tangible documents within a reasonable time. Any licensee having more than one licensed office may maintain these books and records at a location other than the licensed office location if the location is approved by the Commissioner. In accordance with any requirements imposed by the Commissioner, there shall be available to the borrower at each licensed location or other location convenient to the borrower, as designated by the licensee, complete loan information. These books and records of each licensed office shall be clearly segregated. When a licensee maintains its books and records outside of North Carolina, the licensee shall make them available for examination at the place where they are maintained and shall pay for all reasonable and necessary expenses incurred by the Commissioner in conducting an examination. Where the data processing for any licensee is performed by a person other than the licensee, the licensee shall provide to the Commissioner a copy of a binding agreement between the licensee and the data processor that expressly allows the Commissioner, or an agent of the

Commissioner, access to examine the data processor's activities pertaining to a particular licensee to the same extent as if these services were being performed by the licensee on its own premises; and, notwithstanding G.S. 53-167, when billed by the Commissioner, the licensee shall reimburse the Commissioner for all costs and expenses incurred by the Commissioner in the examination.

(b) Each licensee shall file annually with the Commissioner on or before the 31st day of March for the 12 months' period ending the preceding December 31, reports on forms prescribed by the Commissioner. Reports shall disclose in detail and under appropriate headings the assets and liabilities of the licensee, the income, expense, gain, loss, and any other information required by the Commissioner. Reports shall be verified by the oath or affirmation of the owner, manager, president, vice-president, cashier, secretary, or treasurer of the licensee.

(c) If a licensee conducts another business or is affiliated with other licensees under this Article, or if any other situation exists under which allocations of expense are necessary, the licensee or licensees shall make the allocation according to appropriate and reasonable accounting principles.

(d) Repealed by Session Laws 1997-285, s. 3, effective January 1, 1998.

(e) A licensee shall maintain separate loan ledgers and accounts related to the making and collecting of loans under this Article. Allocation of expenses shall be made monthly according to generally accepted accounting principles. All books and records required by this section shall be retained for a period of two years after the last transaction consistent with the Federal Trade Commission Safeguards Rule, Part 314 of Title 16 of the Code of Federal Regulations. The books and records to be kept are as follows:

- (1) General ledger. – The general ledger shall be double entry, showing in detail the total of assets, liabilities, capital, income, and expenses. Each account shall be individually designated. No net or "wash" entries shall be made to any account. The general ledger shall be posted once each month, and the posting shall include all transactions through the last business day of the month. The actual posting shall be completed by the 30th day of each ensuing month for the previous month's business. A licensee shall maintain a description of each general ledger entry, including adjusting and closing entries. If any account on the general ledger does not agree with the corresponding account on the annual report to the Commissioner, a supplement to the annual report shall be furnished that reconciles or explains any differences.
- (2) Loan documents. – Documentation of all loans to each individual, including the date made, account number, loan amount, and date of cancellation.

The licensee shall also retain all of the following:
- a. A copy of any agreement entered into with the borrower with respect to the terms of surrender.
  - b. A copy of the notice of sale, together with proof of mailing or personal delivery.
  - c. An inventory of the property taken, unless it appears on the notice of sale.

**§ 53-185. Rules and regulations by Banking Commission and Commissioner.**

The State Banking Commission is hereby authorized, empowered and directed to make all rules and regulations deemed by the Commission to be necessary in implementing this Article and in providing for the protection of the borrowing public and the efficient management of such licensees and to give all necessary instructions to such licensees for the purpose of interpreting this Article; provided, the Commissioner is hereby authorized to make such rules and regulations and issue such orders as he deems necessary and desirable in implementing and carrying out the provisions of G.S. 53-184. And it shall be the duty of all such licensees, their officers, agents and

employees, to comply fully with all such rules, regulations and instructions. When promulgated, any rule or regulation shall be forwarded by mail to each licensee at its licensed place of business at least 20 days prior to its effective date. (1955, c. 1279; 1961, c. 1053, s. 1.)

**§ 53-187. Injunctive powers; receivers.**

Whenever the Commissioner has reasonable cause to believe that any person is violating or is threatening to violate any provision of this Article, he may in addition to all actions provided for in this Article, and without prejudice thereto, enter an order requiring such person to desist or to refrain from such violation; and an action may be brought in the name of the Commissioner on the relation of the State of North Carolina to enjoin such person from engaging in or continuing such violation or from doing any act or acts in furtherance thereof. In any such action an order or judgment may be entered awarding such preliminary or final injunction as may be deemed proper. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which such action is brought shall have power and jurisdiction to impound, and to appoint a receiver for the property and business of the defendant, including books, papers, documents and records pertaining thereto or so much thereof as the court may deem reasonably necessary to prevent violations of this Article through or by means of the use of said property and business. Such receiver, when appointed and qualified, shall have such powers and duties as to custody, collection, administration, winding up, and liquidation of such property and business as shall from time to time be conferred upon him by the court. This subsection, however, does not apply to loan contracts in which all contractual activities, including solicitation, discussion, negotiation, offer, acceptance, signing of documents, and delivery and receipt of funds, occur entirely outside this State.

(b) If any lender or agent of a lender that makes loan contracts outside this State in the amount or of the value of twenty-five thousand dollars (\$25,000) or less comes into this State to solicit or otherwise conduct activities in regard to the loan contracts, then the lender is subject to the requirements of this Article.

(a) Applicants shall be required to post a surety bond with the Commissioner at application and licensees shall maintain a surety bond in the amount of one hundred fifty thousand dollars (\$150,000) to be subsequently adjusted as set forth in subsection (b) of this section.

(b) The surety bond amount required subsequent to initial licensure shall consist of a base amount of one hundred fifty thousand dollars (\$150,000) for money transmission volumes in this State of no more than one million dollars (\$1,000,000). However, if a licensee has transmission volume in North Carolina in a 12-month period ending December 31 in excess of one million dollars (\$1,000,000) but less than five million dollars (\$5,000,000), then the licensee's bond amount shall be one hundred seventy five thousand dollars (\$175,000); if a licensee has transmission volume in North Carolina in a 12-month period ending December 31 in excess of five

million dollars (\$5,000,000) but less than ten million dollars (\$10,000,000), then the licensee's bond amount shall be two hundred thousand dollars (\$200,000); if a licensee has transmission volume in North Carolina in a 12-month period ending December 31 in excess of ten million dollars (\$10,000,000) but less than fifty million dollars (\$50,000,000), then the licensee's bond amount shall be two hundred twenty-five thousand dollars (\$225,000); and if a licensee has transmission volume in North Carolina in a 12-month period ending December 31 in excess of fifty million dollars (\$50,000,000), then the licensee's bond amount shall be two hundred fifty thousand dollars (\$250,000).

(c) Any increased surety bond required under subsection (b) of this section shall be filed with the Commissioner on or before May 31 annually. Failure to obtain the additional surety bond required is grounds for summary suspension pursuant to G.S. 53-208.57(d)(2).

(d) The surety bond shall be in a form satisfactory to the Commissioner and shall run to the State for the benefit of any claimants against the licensee to secure the faithful performance of the obligations of the licensee with respect to the receipt, handling, transmission, and payment of money or monetary value in connection with the sale and issuance of payment instruments, stored value, or transmission of money. The Commissioner has the discretion to require the applicant to obtain additional insurance coverage to address related cybersecurity risks inherent in the applicant's business model as it relates to virtual currency transmission and to the extent such risks are not within the scope of the required surety bond.

(e) The aggregate liability of the surety in no event shall exceed the principal sum of the bond. Claimants against the licensee may themselves bring suit directly on the security bond, or the Commissioner may bring suit on behalf of claimants, either in one action or in successive actions.

(f) In lieu of a surety bond, the licensee may deposit with the Commissioner, or with any bank in this State designated by the licensee and approved by the Commissioner, an aggregate amount, based upon principal amount or market value, whichever is lower, of not less than the amount of the surety bond or portion thereof, the following:

- (5) Unencumbered obligations of the United States or any agency or instrumentality thereof, or guaranteed by the United States.
- (6) Unencumbered obligations of this State or of any political subdivision of the State, or guaranteed by this State.

The securities or cash shall be deposited as aforesaid and held to secure the same obligations as would the surety bond, but the depositor shall be entitled to receive all interest and dividends thereon, shall have the right, with the approval of the Commissioner, to substitute other securities for those deposited, and shall be required to do so on written order of the Commissioner made for good cause shown.

(g) The surety bond shall remain in effect until cancellation, which may occur only after 90 days' written notice to the Commissioner. Cancellation shall not affect any liability incurred or accrued during that period.

(h) The surety bond shall remain in place for no less than five years after the licensee ceases money transmission operations in the State. However, notwithstanding this provision, the Commissioner may permit the surety bond to be reduced or eliminated prior to that time to the

extent that the amount of the licensee's outstanding payment instruments, stored value obligations, and money transmitted in this State is reduced.

(i) The surety bond proceeds and any cash or other collateral posted as security by a licensee shall be deemed by operation of law to be held in trust for the benefit of the purchasers and holders of the licensee's outstanding payment instruments, stored value obligations, and money transmissions and to the State in the event of the bankruptcy of the licensee. (c) If the licensee possesses virtual currency as permissible investments under this Article, the Commissioner may at any time request that the licensee verify, in a manner acceptable to the Commissioner, aggregate virtual currency transmission obligations outstanding and virtual currency held as permissible investments, including virtual currency stored offline. (2016-81, s. 1; 2017-102, s. 46; 2018-23, s. 2.)

(a) Application Fees. Each application for initial licensure shall be accompanied by a nonrefundable filing fee of one thousand five hundred dollars (\$1,500).

(b) Annual Assessment. For the purpose of meeting the cost of regulation under this Article, each licensee shall pay to the Commissioner an annual assessment as provided in this subsection. The annual assessment shall consist of a base amount of five thousand dollars (\$5,000) for volumes of no more than one million dollars (\$1,000,000) plus an additional sum, calculated on the transmission dollar volume reported by the licensee pursuant to G.S. 53-208.53 for the previous calendar year. The cumulative assessment shall be calculated as follows:

The Commissioner may require additional information and may require the amendment of the application in the course of the investigation. An applicant's failure to furnish all required information within 30 days after filing the application or within 30 days of a request by the Commissioner for additional information may be considered an abandonment of the application. In the course of the investigation, the Commissioner may conduct an on-site examination of the applicant, the reasonable cost of which shall be borne by the applicant.

(b) The Commissioner may only approve an application for licensure when the Commissioner has determined that all of the following requirements have been satisfied or are reasonably likely to be satisfied within a reasonable time period as specified by the Commissioner in the order of approval:

The filing of such notice shall be accompanied by the filing fee prescribed by the Commissioner by regulation.

(b) The out-of-state bank shall comply with the applicable requirements of Article 15 of Chapter 55 of the North Carolina General Statutes.

(c) An out-of-state bank may establish and maintain a de novo branch or may establish and maintain a branch through acquisition of a branch if:

- (1) In the case of a de novo branch, the laws of the home state of the out-of-state bank permit North Carolina banks to establish and maintain de novo branches in that state under substantially the same terms and conditions as herein set forth; and
- (2) In the case of a branch established through the acquisition of a branch, the laws of the home state of the out-of-state bank permit North Carolina banks to establish and maintain branches in that state through the acquisition of branches under substantially the same terms and conditions as herein set forth. (b) A North Carolina State bank may conduct any activities at a branch outside of North Carolina that are permissible for a bank chartered by the host state where the branch is located, except to the extent such activities are expressly prohibited by the laws of this State or by any regulation or order of the Commissioner applicable to the North Carolina State bank. (1995, c. 322, s. 2.)

### Part 3. Interstate Bank Mergers.

The applicant shall also comply with the applicable provisions of Part 2 of Article 7 of Chapter 53C of the General Statutes. If the Commissioner finds that (i) the proposed transaction will not be detrimental to the safety and soundness of the applicant or the resulting bank, (ii) any new officers and directors of the resulting bank are qualified by character, experience, and financial responsibility to direct and manage the resulting bank, and (iii) the proposed merger is consistent with the convenience and needs of the communities to be served by the resulting bank in this State and is otherwise in the public interest, it shall approve the interstate merger transaction and the operation of branches outside of North Carolina by the North Carolina State bank. Such an interstate merger transaction may be consummated only after the applicant has received the Commissioner's written approval. (1995, c. 322, s. 2; 2012-56, s. 18.)

#### **§ 53-224.19. Interstate merger transactions and branching permitted.**

One or more North Carolina banks may enter into an interstate merger transaction with one or more out-of-state banks under this Article, and an out-of-state bank resulting from such an interstate merger transaction may maintain and operate the branches in North Carolina of a merged North Carolina bank provided that the conditions and filing requirements of this Article are met. (1995, c. 322, s. 2.)

#### **§ 53-224.20. Notice and filing requirements.**

Any out-of-state bank that will be the resulting bank pursuant to an interstate merger transaction involving a North Carolina bank shall notify the Commissioner of the proposed merger not later than the date on which it files an application for an interstate merger transaction with the responsible federal bank supervisory agency, and shall submit a copy of that application to the Commissioner and pay the filing fee required by the Commissioner. All banks which are parties to such interstate merger transaction involving a North Carolina State bank shall comply with Part 2 of Article 7 of Chapter 53C of the General Statutes and with other applicable state and federal laws. Any out-of-state bank which shall be the resulting bank in such an interstate merger transaction shall comply with Article 15 of Chapter 55 of the North Carolina General Statutes. #### **§ 53-224.21. Conditions for interstate merger prior to June 1, 1997.**

An interstate merger transaction prior to June 1, 1997, involving a North Carolina bank shall not be consummated, and any out-of-state bank resulting from such a merger shall not operate any

branch in North Carolina, unless the laws of the home state of each out-of-state bank involved in the interstate merger transaction permit North Carolina banks under substantially the same terms and conditions as are set forth in Part 3 to acquire banks and establish and maintain branches in that state by means of interstate merger transactions. (1995, c. 322, s. 2; 1995 (Reg. Sess., 1996), c. 742, s. 22.)

**§ 53-224.22. Powers.**

(a) An out-of-state state bank which establishes and maintains one or more branches in North Carolina under this Article may conduct any activities at such branch or branches that are authorized under the laws of this State for North Carolina State banks, except to the extent such activities may be prohibited by other laws, regulations, or orders applicable to the out-of-state state bank.

(b) A North Carolina State bank may conduct any activities at a branch outside of North Carolina that are permissible for a bank chartered by the host state where the branch is located, except to the extent such activities are expressly prohibited by the laws of this State or by any regulation or order of the Commissioner applicable to the North Carolina State bank. (1995, c. 322, s. 2.)

Part 4. Supervisory Authority.

**§ 53-224.23. Applicability of supervisory authority.**

The supervisory powers and other provisions set forth in G.S. 53-224.24 through G.S. 53-224.31 shall apply to Parts 2 and 3 of this Article. (1995, c. 322, s. 2.)

**§ 53-224.24. Examinations; periodic reports; cooperative agreements; assessment of fees.**

(a) The Commissioner may make such examinations of any branch of an out-of-state state bank established under this Article and located in this State as the Commissioner may deem necessary to determine whether the branch is operating in compliance with the laws of this State and to ensure that the branch is being operated in a safe and sound manner. The provisions of Article 8 of Chapter 53C of the General Statutes apply to such examinations.

(b) The Commissioner may require periodic reports regarding any branch in North Carolina of an out-of-state bank to the extent that comparable reports are required from North Carolina State banks. Such reports shall be filed under oath with such frequency and in such scope and detail as may be appropriate for the purpose of assuring continuing compliance with the provisions of this Article.

(c) The Commissioner may enter into cooperative, coordinating, and information-sharing agreements with any other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies with respect to the periodic examination or other supervision of any branch in North Carolina of an out-of-state state bank, or any branch of a North Carolina State bank in a host state, and the Commissioner may accept such parties' reports of examination and reports of investigation in lieu of conducting an additional examination or investigation. The Commissioner may enter into joint examinations or joint enforcement actions with other bank supervisory agencies having concurrent jurisdiction over any branch in North Carolina of an out-of-state state bank or any branch of a North Carolina State bank in any host state; provided, however, that the Commissioner may at any time take such actions independently if the Commissioner deems such actions to be necessary or appropriate to carry out the

Commissioner's responsibilities under this Article and to ensure compliance with the laws of this State.

(d) Each out-of-state state bank that maintains one or more branches in this State may be assessed and, if assessed, shall pay supervisory and examination fees in accordance with the laws of this State and regulations of the Commissioner. Such fees may be shared with other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies in accordance with agreements between such parties and the Commissioner. (1995, c. 322, s. 2; 2012-56, s. 20.)

#### **§ 53-224.25. Enforcement.**

If the Commissioner determines that a branch maintained by an out-of-state state bank in this State is being operated in violation of any provision of the laws of this State, or that such branch is being operated in an unsafe and unsound manner, the Commissioner shall have the authority to take all such enforcement actions as the Commissioner would be empowered to take if the branch were a North Carolina State bank. (1995, c. 322, s. 2.)

#### **§ 53-224.26. Rules.**

The Commissioner, subject to review and approval of the North Carolina State Banking Commission, may adopt rules needed to implement this Article. Chapter 150B of the General Statutes governs the adoption of rules by the Commissioner. (1995, c. 322, s. 2.)

#### **§ 53-224.27. Additional branches.**

An out-of-state bank that has a branch in North Carolina may establish and acquire additional branches in this State to the same extent as a North Carolina State bank or to the same extent otherwise permitted by federal law. (1995, c. 322, s. 2.)

#### **§ 53-224.28. Notice of subsequent merger or other change in control.**

An out-of-state bank that maintains a branch in this State established pursuant to this Article shall give 30 days' prior written notice to the Commissioner of any merger, consolidation, or other transaction that would cause a change of control with respect to such out-of-state bank or any bank holding company that controls such bank, with the result that an application would be required to be filed pursuant to the federal Change in Bank Control Act of 1978, as amended, 12 U.S.C. § 1817(j) or the federal Bank Holding Company Act of 1956, as amended, 12 U.S.C. § 1841 et seq., or any successor statutes thereto. (1995, c. 322, s. 2.)

#### **§ 53-224.29. Branch closings.**

An out-of-state state bank that is subject to an order or written agreement revoking its authority to establish or maintain a branch in North Carolina and any North Carolina State bank that is subject to an order or written agreement revoking its authority to establish or maintain a branch in another state shall wind up the business of that branch in an orderly manner that protects the depositors, customers, and creditors of the branch and that complies with all North Carolina laws and all other applicable laws regarding the closing of the branch. (1995, c. 322, s. 2.)

#### **§ 53-224.30. Appeal of Commissioner's decision.**

Any aggrieved party in a proceeding under this Article may, within 20 days after final decision of the Commissioner, appeal, in writing, such decision to the North Carolina State Banking

Commission. An appeal under this section shall be made pursuant to G.S. 53C-2-6. An international banking corporation has no greater right under, or by virtue of, this Article than is granted to banks organized under the laws of this State.

(b) Nothing in this Article is construed as granting any authority, directly or indirectly, for a domestic bank or domestic bank holding company, the operations of which are conducted principally outside this State, to operate a branch in this State or to acquire, directly or indirectly, any voting shares of, or interest in, or all or substantially all of the assets of a bank in this State. - (2) Has furnished to the Commissioner any proof as to the nature and character of its business and as to its financial condition as the Commissioner may require;
- (3) Has filed with the Commissioner:
  - a. A duly executed instrument in writing, by its terms of indefinite duration and irrevocable, appointing the Commissioner its true and lawful attorney upon whom all process in any action against it may be served with the same force and effect as if it were a domestic corporation and had been lawfully served with process within the State;
  - b. A written certificate of designation, which may be changed from time to time thereafter by the filing of a new certificate of designation, specifying the name and address of the officer, agent, or other person to whom the Commissioner shall forward the process; and
  - c. A certified copy of that information required to be supplied by foreign corporations to the Secretary of State by Article 15 of Chapter 55 of the General Statutes.
- (4) Has paid to the Commissioner the fee established by regulation to defray the cost of investigation and supervision; and
- (5) Has received a license duly issued to it by the Commissioner.

(b) The Commissioner shall not issue a license to an international banking corporation unless it is chartered in a foreign country that permits banks chartered in the United States or any of its states to establish similar facilities in that country. (1991, c. 679, s. 1.)

**§ 53-232.7. Actions against international banking corporations.**

- (3) Where the cause of action arose within this State, except where the object of the action is to affect the title of real property situated outside this State; or
- (4) Where the action is based on a liability for acts done within this State by an international banking corporation or its international bank agency, international bank branch, or international representative office.

(c) The limitations contained in subsection (b) of this section do not apply to a corporation formed and existing under the laws of the United States and that maintains an office in this State. (1991, c. 679, s. 1.)

#### **§ 53-232.8. Application for license.**

(a) Every international banking corporation, before being licensed by the Commissioner to transact a banking business in this State as an international bank branch or as an international bank agency or before maintaining in this State any office to carry on a banking business or any part of a banking business, shall subscribe and acknowledge and submit to the Commissioner, at the Commissioner's office, a separate application, in duplicate, which shall state:

- (1) The name of the international banking corporation;
- (2) The location by street and post office address and county where its business is to be transacted in this State and the name of the person who is in charge of the business and affairs of the office;
- (3) The location where its initial registered office will be located in this State;

- (5) The actual value of the assets of the international banking corporation, which must be at least fifty million dollars (\$50,000,000) in excess of its liabilities, and a complete and detailed statement of its financial condition as of a date within 60 days before the date of the application; except that the Commissioner may, when necessary or expedient, accept the statement of financial condition as of a date within 120 days before the date of the application.

(b) When the application is submitted to the Commissioner, the corporation shall also submit a duly authenticated copy of its Articles of Incorporation, or equivalent corporate document, and an authenticated copy of its bylaws, or an equivalent of the bylaws that is satisfactory to the Commissioner, and pay an investigation and supervision fee to be established by regulation. The international banking corporation shall also submit to the Commissioner a certificate issued by the banking or supervisory authority of the country in which the international banking corporation is organized and licensed stating that the international banking corporation is duly organized and licensed and lawfully existing in good standing, and is empowered to conduct a general banking business.

(c) The Commissioner may approve or disapprove the application, but the Commissioner shall not approve the application unless, in the Commissioner's opinion, the applicant meets every

requirement of this Article and any other applicable provision of this Chapter and any regulations adopted under this Chapter. The Commissioner may specify any conditions as the Commissioner deems appropriate, considering the public interest, the need to maintain a sound and competitive banking system, and the preservation of an environment conducive to the conduct of an international banking business in this State.

(d) An international banking corporation may operate more than one international bank branch in this State, each at a different place of business, provided each branch office is separately licensed to transact a banking business or any part of a banking business under this Article. An international banking corporation may operate more than one international bank agency in this State, each at a different place of business, provided each agency office is separately licensed to transact a banking business or any part of a banking business under this Article.

(e) Notwithstanding subsection (d) of this section, no international banking corporation licensed to maintain one or more international bank branches in this State shall be licensed to maintain an international bank agency in this State except upon termination of the operation of its international bank branches under G.S. 53-232.13(b), and no international banking corporation licensed to maintain one or more international bank agencies in this State shall be licensed to maintain an international bank branch in this State except upon the termination of the operation of its international bank agencies under G.S. 53-232.13(b). (1991, c. 679, s. 1.)

#### **§ 53-232.9. Effect, renewal, and revocation of licenses; permissible activities.**

(a) When the Commissioner has issued a license to an international banking corporation, it may engage in the business authorized by this Article at, and only at, the office specified in the license for a period not exceeding one year from the date of the license or until the license is surrendered or revoked. No license is transferable or assignable. Every license shall be, at all times, conspicuously displayed in the place of business specified in the license.

(b) The international banking corporation may renew the license annually upon application to the Commissioner upon forms to be supplied by the Commissioner for that purpose. The application for renewal shall be submitted to the Commissioner no later than 60 days before the expiration of the license. The license may be renewed by the Commissioner upon a determination, with or without examination, that the international banking corporation is in a safe and satisfactory condition, that it has complied with applicable requirements of law, and that the renewal of the license is proper and has been duly authorized by proper corporate action. Each application for renewal of an international banking corporation license shall be accompanied by an annual renewal fee to be determined by the Commissioner by regulation.

(c) The Commissioner may revoke the license, with or without examination, upon a determination that the international banking corporation does not meet the criteria established by subsection (b) of this section for renewal of licenses.

(d) If the Commissioner refuses to renew the license and, as a result, the license is revoked, all the rights and privileges of the international banking corporation to transact the business for which it was licensed shall immediately cease, and the license shall be surrendered to the Commissioner within 24 hours after written notice of the decision has been mailed by the Commissioner to the registered office of the international banking corporation set forth in its application, as amended, or has been personally delivered to any officer, director, employee, or agent of the international banking corporation who is physically present in this State.

(e) An international banking corporation licensed under this Article to carry on business in this State as an international bank branch may conduct a general banking business, including the

right to receive deposits and exercise fiduciary powers, through its international bank branch in the same manner as banks existing under the laws of this State and under applicable federal law.

(f) An international banking corporation licensed under this Article to carry on business in this State as an international bank agency may conduct a general banking business through its international bank agency in the same manner as banks existing under the laws of this State, except that no international banking corporation shall, through its bank agency, exercise fiduciary powers or receive deposits, but may maintain for the account of others credit balances incidental to or arising out of the exercise of its lawful powers. (1991, c. 679, s. 1.)

#### **§ 53-232.10. Securities, etc., to be held in this State.**

(a) An international banking corporation licensed under this Article shall hold, at its office in this State, currency, bonds, notes, debentures, drafts, bills of exchange, or other evidence of indebtedness or other obligations payable in the United States or in United States funds or, with the prior approval of the Commissioner, in funds freely convertible into United States funds in an amount that is not less than one hundred eight percent (108%) of the aggregate amount of liabilities of the international banking corporation payable at or through its office in this State or as a result of the operations of the international bank branch or international bank agency, including acceptances, but excluding:

- (1) Accrued expenses; and
- (2) Amounts due and other liabilities to other offices, agencies, or branches of and wholly owned, except for a nominal number of directors' shares, subsidiaries of the international banking corporation.

(b) For the purpose of this Article, the Commissioner shall value marketable securities at principal amount or market value, whichever is lower, and may determine the value of any nonmarketable bond, note, debenture, draft, bill of exchange, or other evidence of indebtedness or of any other obligation held by or owed to the international banking corporation in this State. In determining the amount of assets for the purpose of computing the above ratio of assets, the Commissioner may exclude any particular assets, but may give credit, subject to any rules adopted by the Commissioner, to deposits and credit balances with unaffiliated banking institutions outside this State if the deposits or credit balances are payable in United States funds or in currencies freely convertible into United States funds. In no case shall credit given for the deposits and credit balances exceed in aggregate amounts any percentage, but not less than eight percent (8%), as the Commissioner may from time to time prescribe, of the aggregate amount of liabilities of the international banking corporations.

(c) If, by reason of the existence or the potential occurrence of unusual or extraordinary circumstances, the Commissioner considers it necessary or desirable for the maintenance of a sound financial condition, for the protection of creditors and the public interest, and to maintain public confidence in the business of the international bank agency of the international banking corporation, the Commissioner may reduce the credit to be given as provided in this section for deposits and credit balances with unaffiliated banking institutions outside this State and may require the assets to be held in this State under this Article with any bank or trust company existing under the laws of this State that the international banking corporation designates and the Commissioner approves.

(d) An international bank branch and international bank agency shall file any reports with the Commissioner as the Commissioner may require in order to determine compliance by the international bank branch or international bank agency with this section. (1991, c. 679, s. 1.)

**§ 53-232.11. Financial certification; restrictions on investments, loans, and acceptances.**

(a) Before opening an office in this State, and annually thereafter so long as a bank office is maintained in this State, an international banking corporation licensed under this Article shall certify to the Commissioner the amount of its paid-in capital, its surplus, and its undivided profits, each expressed in the currency of the country of its incorporation. The dollar equivalent of this amount, as determined by the Commissioner, is considered to be the amount of its capital, surplus, and undivided profits.

(b) Purchases and discounts of bills of exchange, bonds, debentures, and other obligations and extensions of credit and acceptances by an international bank agency within this State are subject to the same limitations as to amount in relation to capital, surplus, and undivided profits as are applicable to banks organized under the laws of this State. With the prior approval of the Commissioner, the capital notes and capital debentures of the international banking corporation may be treated as capital in computing the limitations. (1991, c. 679, s. 1.)

**§ 53-232.12. Reports.**

(a) An international banking corporation licensed under this Article shall, at the times and in the form prescribed by the Commissioner, make written reports in the English language to the Commissioner, under the oath of one of its officers, managers, or agents transacting business in this State, showing the amount of its assets and liabilities and containing any other matters required by the Commissioner. If an international banking corporation fails to make a report, as directed by the Commissioner, or if a report contains a false statement knowingly made, this is grounds for revocation of the license of the international banking corporation.

(b) Repealed by Session Laws 2012-56, s. 22, effective October 1, 2012. (1991, c. 679, s. 1; 2012-56, s. 22.)

**§ 53-232.13. Dissolution.**

(a) When an international banking corporation licensed to maintain an international bank branch or an international bank agency in this State is dissolved or its authority or existence is otherwise terminated or canceled in the jurisdiction of its incorporation, a certificate of the official responsible for records of banking corporations of the jurisdiction of incorporation of the international banking corporation attesting to the occurrence of this event or a certified copy of an order or decree of a court of the jurisdiction directing the dissolution of the international banking corporation or the termination of its existence or the cancellation of its authority shall be delivered to the Commissioner. The filing of the certificate, order, or decree has the same effect as the revocation of the international banking corporation's license as provided in G.S. 53-232.9(d).

(b) An international banking corporation that proposes to terminate the operation in this State of an international bank branch, an international bank agency, or an international representative office in this State shall comply with any procedures as the Commissioner may prescribe by rule to insure an orderly cessation of business in a manner that is not harmful to the public interest and shall surrender its license to the Commissioner or shall surrender its right to maintain an office in this State, as applicable.

(c) The Commissioner shall continue as agent of the international banking corporation upon whom process against it may be served in any action based upon any liability or obligation incurred by the international banking corporation within this State before the filing of the certificate, order, or decree; and the Commissioner shall promptly cause a copy of the process to be

mailed by registered or certified mail, return receipt requested, to the international banking corporation at the post office address specified for this purpose on file with the Commissioner's office. (1991, c. 679, s. 1.)

**§ 53-232.14. International representative offices.**

(a) An international banking corporation that does not transact a banking business or any part of a banking business in or through an office in this State, but maintains an office in this State for other purposes is considered to have an international representative office in this State.

(b) An international representative office located in this State shall register with the Commissioner annually on forms prescribed by the Commissioner. The registration shall be filed before January 31 of each year, shall be accompanied by a registration fee prescribed by regulation, and shall list the name of the local representative, the street address of the office, and the nature of the business to be transacted in or through the office.

(c) The Commissioner may review the operations of an international representative office annually or at any greater frequency as is necessary to assure that the office does not transact a banking business.

(d) An international banking corporation desiring to convert its existing registered international representative office to a licensed international bank branch or licensed international bank agency shall submit to the Commissioner the application required by G.S. 53-232.8, and is required to meet the minimum criteria for licensing of an international bank branch or licensed international bank agency under this Article.

(e) An international representative office may act in a liaison capacity with existing and potential customers of an international banking corporation and in undertaking these activities may, through its employees or agents, without limitation, solicit loans, assemble credit information, make proprietary inspections and appraisals, complete loan applications and other preliminary paperwork in preparation for making a loan, but may not solicit or accept deposits. No international representative office shall conduct any banking business or part of a banking business in this State. (1991, c. 679, s. 1.)

**§ 53-232.15. Rules.**

The Banking Commission may adopt rules necessary to implement this Article. (1991, c. 679, s. 1.)

**§ 53-232.16. Cease and desist.**

Upon a finding that any action of an international banking corporation or its international banking agency, international banking branch, or international representative office subject to this Article may be in violation of any North Carolina banking law, the Commissioner, after a reasonable notice to the international banking corporation, international bank agency, international bank branch, or international representative office and an opportunity for it to be heard, may order it to cease and desist from the action. If the international banking corporation, international bank agency, international bank branch, or international representative office fails to appeal the decision in accordance with G.S. 53-232.17 and continues to engage in the action in violation of the Commissioner's order to cease and desist the action, it is subject to a penalty of one thousand dollars (\$1,000), to be recovered with costs by the Commissioner in any court of competent jurisdiction in a civil action prosecuted by the Commissioner. This penalty is in addition to and not in lieu of any other law applicable to the failure of an international banking corporation,

international bank agency, international bank branch, or international representative office to comply with an order of the Commissioner.

The clear proceeds of penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1991, c. 679, s. 1; 1998-215, s. 33.)

**§ 53-232.17. Appeal of Commissioner's decision.**

Any aggrieved party in a proceeding under this Article may, within 20 days after final decision of the Commissioner, appeal such decision in writing to the Banking Commission. An appeal under this section shall be made pursuant to G.S. 53C-2-6. Notwithstanding any other provision of law, any aggrieved party to a decision of the Banking Commission shall be entitled to petition for judicial review pursuant to G.S. 53C-2-6. (e) When required by the Commissioner, each person shall furnish to the Commissioner the person's consent to a criminal history record check and a set of the person's fingerprints in a form acceptable to the Commissioner or to the Nationwide Mortgage Licensing System and Registry. Refusal to consent to a criminal history record check shall constitute grounds for the Commissioner to deny renewal of the license of the person as well as the license of any other person by whom the person is employed, over which the person has control, or as to which the person is the current or proposed qualifying individual or current or proposed branch manager. ### **§ 53-244.103. Surety bond requirements.**

(a) Except as provided in subsection (a1) of this section, each mortgage loan originator or transitional mortgage loan originator shall be covered by a surety bond through employment with a licensee in accordance with this section. The surety bond shall provide coverage for each mortgage loan originator or transitional mortgage loan originator employed by the licensee in an amount as prescribed by subsection (b) of this section and shall be in a form prescribed by the Commissioner. The Commissioner may adopt rules with respect to the requirements for the surety bonds as needed to accomplish the purposes of the Article.

(a1) The requirements of subsection (a) of this section shall not apply to a mortgage loan originator or transitional mortgage loan originator employed only by a registrant for the sole purpose of supervising and controlling loan processors or underwriters.

(b) Licensees shall be required to post a surety bond with the Commissioner at application to be subsequently adjusted as follows:

- (1) A mortgage broker shall post a minimum surety bond of seventy-five thousand dollars (\$75,000). Provided, however, if a mortgage broker has originated mortgage loans in North Carolina in a 12-month period ending December 31 in excess of ten million dollars (\$10,000,000) but less than fifty million dollars (\$50,000,000), then the mortgage broker's minimum bond amount shall be one hundred twenty-five thousand dollars (\$125,000), and if a mortgage broker has originated mortgage loans in North Carolina in a 12-month period ending December 31 of fifty million dollars (\$50,000,000) or more, the mortgage broker's minimum bond shall be two hundred fifty thousand dollars (\$250,000).
- (2) A mortgage lender or mortgage servicer shall post a minimum surety bond of one hundred fifty thousand dollars (\$150,000). Provided, however, if a mortgage lender has originated mortgage loans in North Carolina in a 12-month period ending December 31 in excess of ten million dollars (\$10,000,000) but less than fifty million dollars (\$50,000,000), then the mortgage lender's minimum bond amount shall be two hundred fifty thousand dollars (\$250,000), and if a mortgage lender has originated mortgage loans in North Carolina in a 12-month period ending December 31 of fifty million dollars (\$50,000,000) or more, then the mortgage lender's minimum bond shall be five hundred thousand dollars (\$500,000).
- (3) Any increased surety bond required under subdivision (1) or (2) of this subsection shall be filed with the Commissioner on or before May 31 immediately following the end of the 12-month December 31 period.

(c) The surety bond shall be in a form satisfactory to the Commissioner and shall run to the State for the benefit of any claimants against the licensee to secure the faithful performance of the obligations of the licensee under this Article. The aggregate liability of the surety shall not exceed

the principal sum of the bond. A party having a claim against the licensee may bring suit directly on the surety bond, or the Commissioner may bring suit on behalf of any claimants, either in one action or in successive actions. Consumer claims shall be given priority in recovering from the bond. When an action is commenced on a licensee's bond, the Commissioner may require the filing of a new bond. In this case, the licensee shall file a replacement bond in the required amount within 30 days. Immediately upon recovery upon any action on the bond the licensee shall file a new bond.

(d) In the Commissioner's discretion and upon written request of the licensee, the Commissioner may waive the requirement of the bond for any licensee, if:

- (1) The licensee has been licensed by the Commissioner for at least three years;
- (2) The licensee can demonstrate a net worth, according to the most recent audited financial statement, at least four times the required bond amount, and the licensee certifies that its net worth will be maintained at or above this level at all times and agrees to notify the Commissioner and to secure an appropriate bond in the event the net worth falls below this level;
- (3) The Commissioner believes the licensee has a satisfactory history of resolving complaints from consumers and responding to findings of investigations or examinations by the Commissioner; and
- (4) The Commissioner has no reason to believe the licensee will be unable to resolve complaints, respond to examination or investigative findings, or fulfill financial obligations under this Article.

(e) If the Commissioner has waived the bond requirement of a licensee based on subsection (d) of this section, the Commissioner may summarily reinstate the bond requirement on any licensee if the Commissioner has reason to believe the licensee no longer meets the standards in subsection (d) of this section. In this event, the licensee shall submit a bond, as required in subsection (b) of this section, within 30 days. Failure to submit a bond as directed by the Commissioner shall be grounds for summary suspension. (2009-374, s. 2; 2013-327, s. 7; 2015-293, s. 1.)

#### **§ 53-244.104. Minimum net worth requirements.**

(a) A minimum net worth shall be continuously maintained for licensees in accordance with this section. In the event that the mortgage loan originator or transitional mortgage loan originator is an employee or exclusive agent of a person subject to this Article, the net worth of the person subject to this Article can be used in lieu of the mortgage loan originator's or transitional mortgage loan originator's minimum net worth requirement. The minimum net worth to be maintained for each license is as follows:

- (1) If the licensee is a mortgage lender, it shall maintain a net worth of at least one hundred thousand dollars (\$100,000), including evidence of liquidity of one million dollars (\$1,000,000), which may include a warehouse line of credit of one million dollars (\$1,000,000) or other evidence of funding capacity to conduct mortgage originations as documented by an unqualified audited statement of financial condition.
- (2) If the licensee is a mortgage servicer, it shall maintain a net worth of at least one hundred thousand dollars (\$100,000), not including monies in any escrow accounts held for others.

- (3) If the licensee is a mortgage broker, it shall maintain a net worth of at least twenty-five thousand dollars (\$25,000), including evidence of liquidity of ten thousand dollars (\$10,000), as certified by the licensee in a certified statement of financial condition.

(b) The Commissioner may adopt rules to require additional minimum net worth or otherwise amend net worth requirements as are necessary to ensure licensees maintain adequate financial responsibility and accomplish the purposes of this Article. (2009-374, s. 2; 2013-327, s. 8.)

**§ 53-244.105. Records, addresses, escrow funds, or trust accounts.**

(a) Every licensee or registrant shall make and keep the accounts, correspondence, memoranda, papers, books, and other records as prescribed in rules adopted by the Commissioner. All records shall be preserved for three years unless the Commissioner, by rule, prescribes otherwise for particular types of records.

(b) No person shall make any false statement or knowingly and willfully make any omission of a material fact in connection with any information or reports filed with the Commissioner, a governmental agency, or the Nationwide Mortgage Licensing System and Registry or in connection with any oral or written communication with the Commissioner or another governmental agency. If the information contained in any document filed with the Commissioner or the Nationwide Mortgage Licensing System and Registry is or becomes inaccurate or incomplete in any material respect, the licensee, registrant, or exempt entity shall within 30 days file a correcting amendment to the information contained in the document.

(c) The Commissioner may, by rule, impose terms and conditions under which the records and files of a mortgage lender, mortgage broker, mortgage servicer, or mortgage origination support registrant may be maintained outside of this State. Except for a mortgage origination support registrant, a principal place of business shall not be located at an individual's home or residence. A mortgage lender, mortgage broker, or mortgage servicer licensee, or a mortgage origination support registrant, shall maintain a record of the principal place of business with the Commissioner and report any change of address of the principal place of business or any branch office within 15 days after the change.

(d) A licensee shall maintain in a segregated escrow fund or trust account any funds which come into the licensee's possession but which are not the licensee's property and which the licensee is not entitled to retain under the circumstances. The escrow fund or trust account shall be held on deposit in a federally insured financial institution. Individual loan applicants' or borrowers' accounts may be aggregated into a common trust fund so long as (i) interests in the common fund can be individually tracked and accounted for and (ii) the common fund is kept separate from and is not commingled with the licensee's own funds. (2009-374, s. 2; 2015-293, s. 1.)

**§ 53-244.106. Display of license.**

Each mortgage broker or mortgage lender licensed under this Article shall display, in plain public view, the certificate of licensure issued by the Commissioner in its principal office and in each branch office. Each mortgage loan originator or transitional mortgage loan originator licensed under this Article shall display, in plain public view, in each branch office in which the individual acts as a mortgage loan originator or transitional mortgage loan originator the certificate of licensure issued by the Commissioner. (2009-374, s. 2; 2013-327, s. 9.)

Filing is effective upon receipt by the Commissioner.

(b) **Notice of Unconscionable Fee.** – If the Commissioner finds that a refund anticipation loan fee filed pursuant to subsection (a) of this section is unconscionable, the Commissioner shall notify the registrant that (i) the fee is unconscionable and (ii) the consequences of charging a refund anticipation loan fee in an amount that the Commissioner has notified the registrant is unconscionable include liability to the debtor for three times the amount of that fee and possible revocation of registration as a facilitator after notice and a hearing.

- (6) Reverse mortgage loan or loan. – A loan for a definite or indefinite term (i) secured by a first mortgage or first deed of trust on the principal residence of the mortgagor located in North Carolina, (ii) the proceeds of which are disbursed to the mortgagor in one or more lump sums, or in equal or unequal installments, either directly by the lender or the lender's agent, and (iii) that requires no repayment until a future time, upon the earliest occurrence of one or more events specified in the reverse mortgage loan contract.
- (7) Shared appreciation. – An agreement by the lender and the borrower that, in addition to the principal and any interest accruing on the outstanding balance of

a reverse mortgage loan, the lender may collect an additional amount equal to a percentage of the increase in the value of the property from the date of origination of the loan to the date of loan repayment.

- (7a) Shared value. – An agreement by the lender and the borrower that, in addition to the principal and any interest accruing on the outstanding balance of a reverse mortgage loan, the lender may collect an additional amount equal to a percentage of the value of the property at the time of loan repayment.
- (8) Total annual percentage rate. – The annual average rate of interest, which provides the total amount owed at loan maturity when this rate is applied to the loan advances, excluding closing costs not paid to third parties, over the term of the reverse mortgage loan. (1991, c. 546, s. 1; 1995, c. 115, s. 1; 1998-116, s. 3; 2004-171, s. 15.)

**§ 53-258. Authority and procedures governing reverse mortgage loans.**

(a) Except as provided in subsection (b1) of this section, no person, firm, or corporation shall engage in the business of making reverse mortgage loans without first being approved as an authorized reverse mortgage lender by the Commissioner. Mortgage lenders licensed under Article 19B of this Chapter must also be authorized under this Article before making reverse mortgage loans.

(b) An application for authorization to make reverse mortgage loans shall be in writing to the Commissioner and in the form prescribed by the Commissioner. The application shall contain the name and complete business address or addresses of the applicant. The application shall also include affirmation of financial solvency and all capitalization requirements that are required by the Commissioner. The application shall be accompanied by a nonrefundable fee, payable to the Commissioner, of five hundred dollars (\$500.00).

(b1) Each of the following lenders shall be considered authorized to engage in the business of making reverse mortgage loans without being required to apply pursuant to subsection (b) of this section and may represent to the public that it is so authorized:

- (1) The North Carolina Housing Finance Agency.
- (2) A bank, savings institution, or credit union formed under the laws of this or any other state or of the United States.
- (3) A wholly owned subsidiary of an entity described in subdivision (2) of this subsection.

Each lender listed in this subsection may, upon written request to the Commissioner, obtain written confirmation of its authority to engage in the business of making reverse mortgage loans. In the case of lenders listed in subdivisions (2) and (3) of this subsection, the request shall be accompanied by the fee set forth in subsection (d) of this section.

(c) Repealed by Session Laws 2004-171, s. 16, effective October 1, 2004, and applicable to acts occurring and transactions or agreements entered into on or after that date.

(d) The Commissioner shall, upon determination that an applicant should be authorized to make reverse mortgage loans, issue notice of this authority to the lender. The authority to issue reverse mortgage loans is valid for the period of time specified by the Commissioner. A lender to whom a notice of authority is issued shall display the notice prominently in any and all offices of the lender that make reverse mortgage loans. Authorizations issued under this section are nontransferable. Except for lenders described in subsection (b1) of this section, each lender to

which an authorization is issued shall pay an annual renewal fee of two hundred fifty dollars (\$250.00). (1991, c. 546, s. 1; 1995, c. 115, s. 1; 2004-171, s. 16; 2021-93, s. 11.)

**§ 53-259. Application of rules.**

In addition to the provisions of this Article, authorized lenders shall comply with rules adopted by the Commissioner that are reasonable and necessary to effectuate the purposes of this Article and to protect the public interest. Provided, however, that provisions in Chapters 24 or 45 of the General Statutes and the rules adopted under those Chapters that conflict with this Article shall not apply to reverse mortgage transactions governed by this Article. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-260. Interest.**

Notwithstanding any other provisions of law to the contrary, the parties to a reverse mortgage loan may contract for the payment of interest at a rate agreed to by the parties. Interest shall be deferred until the earliest occurrence of one or more events specified in the reverse mortgage loan contract. Payment of interest on deferred interest shall be as agreed upon by the parties to the contract. The parties may agree that the deferred interest may be added to the outstanding balance of the loan. The Commissioner may determine that the total annual percentage rate is excessive. If the Commissioner determines the total annual percentage rate to be excessive, that determination shall be included in the information provided to counselors under G.S. 53-264(a)(7), and to applicants for reverse mortgage loans under G.S. 53-264(b). (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-261. Taxes, insurance, and assessments.**

A reverse mortgage loan contract may provide that it is the primary obligation of the borrower to pay all property taxes, insurance premiums, and assessments in a timely manner, and that the failure of the borrower to make these payments and to provide evidence of payment to the lender may constitute grounds for default of the loan. A reverse mortgage loan contract shall state that if a borrower fails to pay property taxes, insurance premiums, or assessments, the lender may choose, at the lender's option, to pay the amounts due, charge them to the reverse mortgage loan, and recalculate regularly scheduled payments under the loan to account for the increased outstanding loan balance. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-262. Renegotiation of loan; calculation of outstanding balance; prepayment.**

(a) If a reverse mortgage loan contract allows for a change in the payments or payment options, the lender may charge a reasonable fee when payments are recalculated.

(b) The outstanding loan balance shall be calculated by adding the current totals of items described in subdivisions (1) through (4) below, and subtracting the current totals of all reverse mortgage loan payments made by the borrower to the lender:

- (1) The sum of all disbursements made by the lender to the borrower, or to another party on the borrower's behalf.
- (2) All taxes, assessments, insurance premiums, and other similar charges paid to date by the lender under G.S. 53-261 and not reimbursed by the borrower within 60 days of the date payment was made by the lender.
- (3) All actual closing costs the borrower has deferred, if a deferral provision is contained in the loan agreement.
- (4) The total accrued interest to date.

(c) Prepayment of the reverse mortgage loan, in whole or part, shall be permitted without penalty at any time during the term of the loan. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-263. Limits on borrowers' liability.**

(a) When a reverse mortgage loan becomes due, if the borrower mortgaged one hundred percent (100%) of the full value of the house then the amount owed by the borrower shall not be greater than (i) the fair market value of the house, minus sale costs, or (ii) the outstanding balance of the loan, whichever amount is less.

(b) If the borrower mortgaged less than one hundred percent (100%) of the full value of the house, the amount owed by the borrower shall not be greater than (i) the outstanding balance of the loan, or (ii) the percentage of the fair market value, minus sale costs, as provided in the contract, whichever amount is less.

(c) The lender shall enforce the debt only through the sale of the property and shall not obtain a deficiency judgment against the borrower. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-264. Disclosures of loan terms.**

(a) On forms prescribed by the Commissioner, all authorized lenders shall provide all of the following information to the Commissioner for dissemination to all counselors who provide counseling to prospective reverse mortgage borrowers:

- (1) The borrower's rights, obligations, and remedies with respect to the borrower's temporary absence from the home, late payments by the lender, and payment default by the lender.
- (2) Conditions or events that require the borrower to repay the loan obligation.
- (3) The right of the borrower to mortgage less than the full value of the home, if permitted by the reverse mortgage loan contract.
- (4) The projected total annual percentage rate applicable under various loan terms and appreciation rates and interest rates applicable at sample ages of borrowers.
- (5) Standard closing costs.
- (6) All service fees to be charged during the term of the loan.
- (7) Other information required by the Commissioner.
- (8) Information relating to contracts for shared appreciation or shared value, as required by G.S. 53-270.1.

(b) Within 10 business days after application is made by a borrower, but not less than 20 business days before closing of the loan, lenders shall provide applicants with the same information required in subsection (a) of this section, shall inform applicants that reverse mortgage counseling is required before the loan can be closed, and shall provide the names and addresses of counselors listed with the Commissioner's office. (1991, c. 546, s. 1; 1995, c. 115, s. 1; 1998-116, s. 4.)

**§ 53-265. Information required of lender.**

(a) At the closing of the reverse mortgage loan, the lender shall provide to the borrower the name of the lender's employee or agent who has been designated specifically to respond to inquiries concerning reverse mortgage loans. This information shall be provided by the lender to the borrower at least annually, and whenever the information concerning the designated employee or agent changes.

(b) On an annual basis and when the loan becomes due, the lender shall issue to the borrower, without charge, a statement of account regarding the activity of the mortgage for the preceding calendar year, or for the period since the last statement of account was provided. The statement shall include all of the following information for the preceding year:

- (1) The outstanding balance of the loan at the beginning of the statement period.
- (2) Disbursements to the borrower.
- (3) The total amount of interest added to the outstanding balance of the loan.
- (4) Any property taxes, insurance premiums, or assessments paid by the lender.
- (5) Payments made to the lender.
- (6) The total mortgage balance owed to date.
- (7) The remaining amount available to the borrower in reverse mortgage loans wherein proceeds have been reserved to be disbursed in one or more lump sum amounts. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

#### **§ 53-266. Effects of lender's default.**

(a) A lender's failure to make loan advances to the borrower under the reverse mortgage loan contract shall be deemed the lender's default of the contract. Upon the lender's default, the lender shall forfeit any right to collect interest or service charges under the contract. The lender's right to recovery at loan maturity shall be limited to the outstanding balance as of the date of default, minus all interest. Lenders may also be subject to other default penalties established by the Commissioner.

(b) Subsection (a) of this section shall not apply if the lender has previously declared the borrower in default under G.S. 53-267, or if the lender makes the required loan advance within the time stated in the mortgage contract or within 30 days of receipt of notice from the borrower that the loan advance was not received. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

#### **§ 53-267. Repayment upon borrower's default.**

A reverse mortgage loan contract may provide for a borrower's default, thereby triggering early repayment of the loan, based only upon one or more of the following terms and conditions:

- (1) The borrower fails to maintain the residence as required by the contract.
- (2) The borrower sells or otherwise conveys title to the home to a third party.
- (3) The borrower dies and the home is not the principal residence of the surviving borrower.
- (4) The home is not the principal residence of at least one of the borrowers for a period of 12 consecutive months for reasons of physical or mental illness.
- (5) For reasons other than physical or mental illness, the home ceases to be the principal residence of the borrower for a period of 180 consecutive days and is not the principal residence of another borrower under the loan, without prior written permission from the lender.
- (6) The borrower fails to pay property taxes, insurance premiums, and assessments under G.S. 53-261. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

#### **§ 53-268. Time for initiation of foreclosure.**

When a borrower's obligation to repay the reverse mortgage loan is triggered under G.S. 53-267, in addition to all rights conferred upon owners and borrowers under Chapter 45 of the General Statutes, the lender must give the borrower not less than 90 days' notice of its intent to

initiate foreclosure proceedings. If the contract so provides, interest will continue to accrue during the 90-day period. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-269. Counseling provisions.**

(a) The North Carolina Housing Finance Agency shall adopt rules governing the training of counselors and necessary standards for counselor training and shall establish reasonable fees for training. The North Carolina Housing Finance Agency shall forward the names of all persons satisfying counselor training requirements to the Commissioner.

(b) The Commissioner shall maintain a list of counselors who have satisfied training requirements and shall periodically provide an up-to-date copy of the list to all authorized lenders.

(c) The Commissioner shall provide to all counselors who have satisfied training requirements information provided to the Commissioner by authorized lenders under G.S. 53-265. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

**§ 53-270. Prohibited acts.**

Reverse mortgage lenders are prohibited from engaging in any of the following acts in connection with the making, servicing, or collecting of a reverse mortgage loan:

- (1) Misrepresenting material facts, making false promises, or engaging in a course of misrepresentation through agents or otherwise.
- (2) Failing to disburse funds in accordance with the terms of the reverse mortgage loan contract or other written commitment.
- (3) Improperly refusing to issue a satisfaction of a mortgage.
- (4) Engaging in any action or practice that is unfair or deceptive, or that operates a fraud on any person.
- (5) Contracting for or receiving shared appreciation or shared value, except as provided in G.S. 53-270.1.
- (6) Closing a reverse mortgage loan without receiving certification from a person who is certified as a reverse mortgage counselor by the State that the borrower has received counseling on the advisability of a reverse mortgage loan and the various types of reverse mortgage loans and the availability of other financial options and resources for the borrower, as well as potential tax consequences.
- (7) Failing to comply with this Article. (1991, c. 546, s. 1; 1995, c. 115, s. 1; 1998-116, s. 1.)

**§ 53-270.1. Contracts for shared appreciation or shared value.**

(a) A lender and a borrower may agree, in writing, that in addition to the principal and any interest accruing on the outstanding balance of a reverse mortgage loan, the lender may receive:

- (1) Shared appreciation if it is in an amount not exceeding ten percent (10%) of the increase in the value of the property from the date of origination of the reverse mortgage loan to the date of loan repayment; or
- (2) Shared value if it is in an amount not exceeding ten percent (10%) of the value of the property at the time of repayment of the reverse mortgage loan; and
- (3) The shared appreciation or shared value is paid in conjunction with a loan that:
  - a. Is outstanding for 24 months or longer; and
  - b. Either (i) is guaranteed or insured by an agency of the federal government, or (ii) has been originated under a reverse mortgage

program approved by Fannie Mae, the Government National Mortgage Association, or the Federal Home Loan Mortgage Corporation, provided the loan is sold to one of those agencies or enterprises within 90 days of loan closing, or has been originated under a reverse mortgage program of a person, firm, or corporation approved as an authorized lender by the Commissioner; and

- c. Provides that the borrower receives additional economic benefit in exchange for paying the shared appreciation or shared value, including, but not limited to, larger monthly payments or a larger line of credit. The specific nature of the economic benefit shall be provided to the Commissioner with the other information about the reverse mortgage program required under G.S. 53-264 for dissemination to the reverse mortgage counselors; and
- d. At least 14 days prior to closing, the borrower receives a disclosure that explains the additional costs and benefits of shared appreciation or shared value and compares those costs and benefits with a comparable loan without shared appreciation or shared value. These costs and benefits shall also be included in the information required under G.S. 53-264.

(b) Under subdivisions (a)(1) and (2) of this section, in determining the value of the property at the time of origination of the reverse mortgage loan and at the time of repayment, if repayment is not in conjunction with the sale of the property, the lender and the borrower shall have the right to obtain an appraisal from an appraiser licensed or certified in accordance with G.S. 93E-1-6. If the appraisals differ, and the parties cannot agree on a value, an average of the appraisals shall determine the value. If the borrower does not desire an appraisal, the lender may obtain an appraisal, which shall be controlling. Notwithstanding the foregoing, the parties may agree in writing to waive these requirements and agree upon the value of the property.

(c) If repayment is made in conjunction with the sale of the property, the actual and reasonable costs of sale shall be deducted from the value of the property prior to the calculation of the amount of shared appreciation or shared value. (1998-116, s. 2; 2001-487, s. 14(b).)

#### **§ 53-271. Commissioner's authority to enforce; penalties.**

(a) The Commissioner shall adopt rules necessary to implement and enforce the provisions of this Article. Upon finding probable cause to believe that an authorized lender is in violation of this Article, or of any law or any rule or regulation of this State, the United States, or an agency of the State or the United States, the Commissioner shall, after affording reasonable notice and opportunity to be heard to the lender, order the lender to cease and desist from the violation.

(b) If a lender fails to comply with or appeal the Commissioner's cease and desist order, the lender shall be subject to a civil penalty of one thousand dollars (\$1,000) for each violation that is the subject of the cease and desist order. The penalty imposed under this section shall be in addition to and not in lieu of penalties available under any other provision of law applicable to a reverse mortgage lender.

(c) Upon a finding that a reverse mortgage lender has violated this Article, the Commissioner may revoke, temporarily or permanently, the authority of the lender to make reverse mortgage loans.

(d) A person damaged by a lender's actions may file an action in civil court to recover actual and punitive damages. Attorneys' fees shall be awarded to a prevailing borrower. Nothing in this Article shall limit any statutory or common law right of a person to bring an action in court for any act, nor shall this Article limit the right of the State to punish a person for the violation of any law. (1991, c. 546, s. 1; 1995, c. 115, s. 1.)

#### **§ 53-272. Appeals.**

The Banking Commission may review any rule, regulation, order, or act of the Commissioner done pursuant to or with respect to the provisions of this Article. Any person aggrieved by any such rule, regulation, order, or act may appeal, pursuant to G.S. 53C-2-6, to the Commission for review upon giving notice in writing within 20 days after such rule, regulation, order, or act complained of is adopted, issued, or done. Notwithstanding any other provision of law, any aggrieved party to a decision of the Banking Commission shall be entitled to petition for judicial review pursuant to G.S. 53C-2-6. (1991, c. 546, s. 1; 1995, c. 115, s. 1; c. 129, s. 42; 2009-57, s. 9; 2012-56, s. 27.)

If the Commissioner fails to make such findings, no

license shall be issued, and the Commissioner shall notify the applicant of the denial and the reasons therefor. The applicant shall be entitled to an informal hearing on the denial provided the applicant requests the hearing in writing within 30 days after the Commissioner has mailed the notice required under this subsection to the applicant. A licensee shall further ensure that notice of the fees currently charged at every location shall be filed with the Commissioner.

(d) A licensee shall endorse every check, draft, or money order presented by the licensee for payment in the name of the licensee. (1997-391, s. 1.)

**§ 53-281: Expired.**

**§ 53-282. Record keeping; receipt requirements.**

**§ 53-285. Cease and desist orders.**

If the Commissioner determines that a person required to be licensed under this Article has violated this Article or rules adopted pursuant to it, then the Commissioner may, upon notice and opportunity for hearing in accordance with Article 3A of Chapter 150B of the General Statutes, order the person to cease and desist from the violations and to comply with this Article. The Commissioner may enforce compliance with an order issued pursuant to this section by the imposition and collection of civil penalties authorized under this Article. (1997-391, s. 1.)

(a) Before establishing or acquiring and maintaining a trust office or representative trust office in a host state, a State trust company shall file a notice with the Commissioner, in the form required by the Commissioner, that sets forth the name of the State trust company, the location of the proposed trust office or representative trust office, whether the office will be a trust office or a representative trust office, and whether the laws of the host state permit the trust office or representative trust office to be maintained by the State trust company. The State trust company also shall furnish a copy of the resolution adopted by the board of directors or duly authorized committee of the board of directors of the State trust company authorizing the out-of-state trust office or representative trust office and shall pay the filing fee, if any, set by rule.

(b) The State trust company may commence business at the trust office or representative trust office on the thirty-first day following the date the Commissioner receives the notice, unless the Commissioner (i) establishes an earlier or later date; (ii) notifies the State trust company that the notice raises issues that require additional information or additional time for analysis; or (iii) disapproves the proposed trust office or representative trust office.

(c) If the Commissioner gives a notification described in subsection (b) of this section, the State trust company may establish the trust office or representative trust office only on approval by the Commissioner. The Commissioner may disapprove the proposed trust office or representative trust office if the Commissioner finds that the State trust company lacks sufficient resources to undertake the proposed expansion without adversely affecting its safety or soundness. (2001-263, s. 1.)

Subpart D. Out-of-State Trust Institution Trust Offices and Representative Trust Offices.

**§ 53-314. Trust business through a branch or trust office.**

An out-of-state trust institution may engage in trust business in this State only if it (i) maintains a trust office in this State as permitted by this Subpart, (ii) was allowed to maintain a trust office in this State under laws, or rules or orders of the Commissioner in effect prior to the date of enactment of this Article, but only to the extent allowed and subject to all limitations and conditions imposed under those laws, rules, or orders, or (iii) is a depository institution that maintains a branch in this State. (2001-263, s. 1; 2005-269, s. 7.)

**§ 53-315. Establishing an interstate trust office.**

An out-of-state trust institution that obtains approval from the Commissioner in accordance with the provisions of this Subpart may establish and maintain a trust office in this State; provided that the Commissioner shall not grant that approval unless the home state of the out-of-state trust institution permits a State trust institution to establish and maintain a trust office in that home state under restrictions not materially greater than those imposed by this Article. (2001-263, s. 1.)

**§ 53-316. Acquiring an interstate trust office.**

An out-of-state trust institution that obtains approval from the Commissioner in accordance with the provisions of this Subpart may acquire and maintain a trust office in this State; provided that the Commissioner shall not grant that approval unless the home state of the out-of-state trust institution permits a State trust institution to acquire and maintain a trust office in that home state under restrictions not materially greater than those imposed by this Article. (2001-263, s. 1.)

**§ 53-317. Requirement of notice.**

Before establishing or acquiring and maintaining a trust office in this State, an out-of-state trust institution shall provide, or cause its home state regulator to provide, notice to the Commissioner, in the form required by the Commissioner, along with copies of any applications, notices, or similar filings made with the home state regulator regarding the trust office. The notice shall be preceded or accompanied by:

- (1) Evidence satisfactory to the Commissioner of compliance by the out-of-state trust institution with all applicable requirements of Article 15 of Chapter 55 of the General Statutes;

- (4) Unless waived by the Commissioner, a copy of the resolution adopted by the board of directors of the out-of-state trust institution (or similar governing body or a duly-authorized committee thereof) authorizing the trust office; and
- (5) Payment of any fee set by rule. (2001-263, s. 1; 2005-269, s. 8.)

**§ 53-318. Action on notice.**

(a) The out-of-state trust institution may commence business in this State through the trust office on the sixty-first day following the date the Commissioner receives the notice described in G.S. 53-317 unless the Commissioner, within 60 days of receiving the notice:

- (1) Specifies an earlier or later date for commencing business,

- (2) Extends the period of review on a determination that the notice raises issues that require additional information or additional time for analysis; or
- (3) Disapproves the proposed trust office.

(b) If the Commissioner gives a notification described in subdivision (2) of subsection (a) of this section, the out-of-state trust institution may establish the trust office only on approval by the Commissioner. The Commissioner may disapprove the proposed trust office if the Commissioner finds that the out-of-state trust institution lacks sufficient resources to undertake the proposed expansion without adversely affecting its safety or soundness or that the requirements of G.S. 53-315 or G.S. 53-316 have not been satisfied. (2001-263, s. 1; 2005-269, s. 9.)

**§ 53-319. Additional trust offices; representative trust offices.**

(a) An out-of-state trust institution that maintains a trust office in this State may establish or acquire and maintain additional trust offices or one or more representative trust offices in this State to the same extent that a State trust institution may establish or acquire and maintain trust offices or representative trust offices in this State and shall follow the procedures for establishing or acquiring and maintaining trust offices or representative trust offices set forth in G.S. 53-312.

(b) An out-of-state trust institution that does not maintain a trust office in this State shall file a notice with the Commissioner, in the form required by the Commissioner, before establishing or acquiring a representative trust office in this State. The notice shall be preceded or accompanied by:

- (1) Evidence satisfactory to the Commissioner of compliance by the out-of-state trust institution with all applicable requirements of Article 15 of Chapter 55 of the General Statutes;
- (2) Evidence satisfactory to the Commissioner of compliance by the out-of-state trust institution with any applicable requirements of its home state regulator for maintenance of capital, for expansion within the borders of the home state, and for acquiring or establishing and maintaining each representative trust office in this State;
- (3) Evidence satisfactory to the Commissioner that the out-of-state trust institution is not in a hazardous condition;
- (4) Unless waived by the Commissioner, a copy of the resolution adopted by the board of directors of the out-of-state trust institution (or similar governing body or a duly authorized committee thereof) authorizing the representative trust office;
- (5) The proposed location of each proposed representative trust office; and
- (6) Payment of any fee set by rule.

(c) The out-of-state trust institution may commence business at the representative trust office on the thirty-first day following the date the Commissioner receives the notice described in subsection (b) of this section, unless the Commissioner, within 30 days of receiving the notice:

- (1) Specifies an earlier or later date for commencing business;
- (2) Extends the period of review on a determination that the notice raises issues that require additional information or additional time for analysis; or
- (3) Disapproves the proposed representative trust office.

(d) If the Commissioner gives a notification described in subdivision (2) of subsection (c) of this section, the out-of-state trust institution may commence business at the representative trust office only on approval by the Commissioner. The Commissioner may disapprove the

representative trust office if the Commissioner finds that the out-of-state trust institution lacks sufficient resources to undertake the proposed expansion without adversely affecting its safety or soundness or that the requirements of G.S. 53-315 or G.S. 53-316 have not been satisfied.

(e) An out-of-state trust institution that was allowed to maintain a representative trust office in this State under laws, or rules or orders of the Commissioner in effect prior to the effective date of this Article may continue to do so, but only to the extent allowed and subject to all limitations and conditions imposed under those laws, rules, or orders. (2001-263, s. 1; 2005-269, s. 10.)

#### **§ 53-320. Examinations; periodic reports; cooperative agreements; assessment of fees.**

(a) The Commissioner may examine any activity conducted through a trust office or representative trust office maintained in this State by an out-of-state trust institution to determine whether these activities are being conducted in compliance with the laws of this State and in accordance with safe and sound practices. The pertinent provisions of Part 4 of this Article shall apply to these examinations.

(b) The Commissioner may require periodic reports regarding any out-of-state trust institution that maintains a trust office or representative trust office in this State pursuant to this Subpart. The required reports shall be provided by the trust institution or by the home state regulator. Any reporting requirements shall be (i) consistent, to the extent practicable, with the reporting requirements applicable to State trust companies and (ii) appropriate for the purpose of enabling the Commissioner to carry out the Commissioner's responsibilities under the provisions of this Article. The pertinent provisions of Part 4 of this Article shall apply to these reports.

(c) The Commissioner may enter into cooperative, coordinating, and information-sharing agreements with bank supervisory agencies, including agreements arranged by an organization composed of, affiliated with, or representing one or more bank supervisory agencies, with respect to the periodic supervision and examination of any trust office or representative trust office of an out-of-state trust institution in this State, or any trust office or representative trust office of a State trust institution in any host state. The Commissioner may accept and rely upon a report of examination and report of investigation of a bank supervisory agency in lieu of conducting a separate examination or investigation.

(d) The Commissioner may enter into agreements with any bank supervisory agency supervising (i) a State trust institution engaging in trust business outside this State or (ii) an out-of-state trust institution maintaining a trust office or representative trust office in this State to engage the services of the agency's examiners at a reasonable rate of compensation or to provide the services of the Commissioner's examiners to the agency at a reasonable rate of compensation. Article 3 of Chapter 143 of the General Statutes does not apply to agreements authorized by this subsection. However, the Commissioner shall: (i) submit all proposed agreements or contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this subsection to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all agreements or contracts to be awarded by the Commissioner under this subsection a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the agreement or contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost agreement or contract for any purpose.

(e) The Commissioner may enter into joint examinations or joint enforcement actions with bank supervisory agencies supervising any trust office or representative trust office maintained in this State by an out-of-state trust institution or any trust office or representative trust office maintained by a State trust institution in any host state; provided, that the Commissioner may at any time take actions independently if the Commissioner considers the actions to be necessary or appropriate to carry out the Commissioner's responsibilities under the provisions of this Article or to ensure compliance with the laws of this State.

(f) Each out-of-state trust institution that maintains one or more trust offices or representative trust offices in this State may be assessed and, if assessed, shall pay supervisory and examination fees as provided by rules of the Commissioner. The fees may be shared with bank supervisory agencies or any organization composed of, affiliated with, or representing one or more bank supervisory agencies as agreed between those bank supervisory agencies and organizations and the Commissioner. (2001-263, s. 1; 2005-269, s. 11; 2010-194, s. 2; 2011-326, s. 15(b).)

### **§ 53-321. Enforcement.**

(a) Consistent with Article 3A of Chapter 150B of the General Statutes, after notice and opportunity for hearing, the Commissioner may determine:

- (1) That activities of a trust office maintained by an out-of-state trust institution in this State are being conducted in violation of the laws of this State or any rule, order, or declaratory ruling issued by the Commissioner, or in an unsafe and unsound manner, or that the out-of-state trust institution does not meet or no longer meets the requirements of this Subpart for maintaining a trust office in this State; or
- (2) That an out-of-state trust institution is engaged in unauthorized trust activity.

In either event, the Commissioner may take any enforcement actions the Commissioner would be authorized to take if the trust office or the out-of-state trust institution were a State trust company and may issue an order temporarily or permanently prohibiting the out-of-state trust institution from engaging in trust business in this State.

(b) Consistent with Article 3A of Chapter 150B of the General Statutes, after notice and opportunity for hearing, the Commissioner may determine by order that an out-of-state trust institution maintaining a representative trust office in this State does not meet or no longer meets the requirements of this Subpart for maintaining a representative trust office in this State. The order shall be effective on the date of issuance or any other date the Commissioner determines.

(c) In cases involving extraordinary circumstances requiring immediate action, the Commissioner may take any action permitted by subsection (a) or (b) of this section without notice or opportunity for hearing but shall promptly afford a subsequent hearing upon an application to rescind the action taken.

(d) The Commissioner shall promptly give notice to the home state regulator and any other bank supervisory agency supervising the out-of-state trust institution of each enforcement action taken against an out-of-state trust institution and may consult and cooperate with other bank supervisory agencies in pursuing and resolving the enforcement action. (2001-263, s. 1; 2005-269, s. 12.)

### **§ 53-322. Notice of transactions that cause a change in control.**

Each out-of-state trust institution that maintains a trust office or representative trust office in this State, or the home state regulator of the trust institution, shall give at least 30 days' notice or, in

the case of an emergency transaction or the cessation of trust activity in this State by an out-of-state trust institution or foreign trust institution whose only office in this State is a registered office, as much notice as practicable, to the Commissioner of:

- (1) Any merger, consolidation, share exchange, or other transaction that would cause a change in control of an out-of-state trust institution (i) that would be subject to Subpart D of Part 3 of this Article if the out-of-state trust institution were a State trust company or (ii) is required to be filed with any bank supervisory agency;
- (2) Any transfer of all or substantially all of the accounts or account assets of the out-of-state trust institution to another person; or
- (3) The closing, transfer, or discontinuance of any trust office or representative trust office in this State. (2001-263, s. 1; 2005-269, s. 13.)

Subpart E. Foreign Trust Institution Trust Offices and Representative Trust Offices.

**§ 53-323. Foreign trust institution application for trust office or representative trust office.**

Before establishing or acquiring and maintaining a trust office in this State, a foreign trust institution shall make application to the Commissioner for permission to do so in the English language and in the form required by the Commissioner. The application shall be preceded or accompanied by:

- (1) Evidence satisfactory to the Commissioner of compliance with all applicable requirements of Article 15 of Chapter 55 of the General Statutes;
- (2) Evidence satisfactory to the Commissioner of compliance by the foreign trust institution with any applicable requirements of its home country regulator for maintenance of capital, for expansion within the borders of its home country or within a political subdivision of its home country, and for acquiring or establishing and maintaining the trust office in this State;
- (3) Evidence satisfactory to the Commissioner that the foreign trust institution is not in a hazardous condition;
- (4) Unless waived by the Commissioner, a copy of the resolution adopted by the board of directors of the foreign trust institution, or similar governing body or a duly-authorized committee thereof, authorizing the trust office; and
- (5) Payment of any fee set by rule.

The Commissioner may require any materials not written in the English language to be translated, and the translation certified in a manner satisfactory to the Commissioner, at the expense of the foreign trust institution. (2001-263, s. 1; 2005-269, s. 14.)

**§ 53-324. Conditions for approval.**

(a) A foreign trust institution may engage in trust business in this State only on approval by the Commissioner of an application described in G.S. 53-323, which may be given upon conditions required by the Commissioner for prudential reasons consistent with any applicable international agreements to which the United States is a party.

(b) The Commissioner may deny approval of the application if the Commissioner finds that the foreign trust institution lacks sufficient resources to undertake the proposed expansion without adversely affecting its safety or soundness or that the management, integrity, or reputation of the foreign trust institution does not justify approval. The Commissioner also may deny approval if the Commissioner is unable to determine from the application materials whether the

foreign trust institution possesses sufficient resources to undertake the proposed expansion without adversely affecting its safety or soundness or whether the management, integrity, or reputation of the foreign trust institution justifies approval. (2001-263, s. 1; 2005-269, s. 15.)

**§ 53-325. Additional trust offices and representative trust offices.**

A foreign trust institution that maintains a trust office in this State under the provisions of this Subpart may establish or acquire and maintain additional trust offices or representative trust offices in this State in the manner provided by G.S. 53-319 for out-of-state trust institutions, except that the Commissioner may require any additional information and impose any additional conditions as the Commissioner deems necessary for prudential reasons consistent with any applicable international agreements to which the United States is a party. (2001-263, s. 1.)

**§ 53-326. Examinations; periodic reports; cooperative agreements; assessment of fees.**

(a) The Commissioner may examine any activity conducted through a trust office or representative trust office maintained in this State by a foreign trust institution to determine whether these activities are being conducted in compliance with the laws of this State and in accordance with safe and sound practices. The pertinent provisions of Part 4 of this Article shall apply to these examinations.

(b) The Commissioner may require periodic reports regarding any foreign trust institution that maintains a trust office or representative trust office in this State. The required reports shall be provided in the English language by the trust institution or by its home country regulator. The reporting requirements shall be those the Commissioner considers appropriate for the purpose of enabling the Commissioner to carry out the Commissioner's responsibilities under the provisions of this Article for prudential reasons consistent with any applicable international agreements to which the United States is a party. The pertinent provisions of Part 4 of this Article shall apply to these reports.

(c) The Commissioner may enter into cooperative, coordinating, and information-sharing agreements with bank supervisory agencies supervising foreign trust institutions, including agreements arranged by an organization composed of, affiliated with, or representing one or more bank supervisory agencies, with respect to the periodic supervision and examination of any trust office or representative trust office of a foreign trust institution in this State, or any trust office or representative trust office of a State trust institution engaged in trust business or trust marketing in a foreign country. The Commissioner may accept and rely upon a report of examination and report of investigation of a bank supervisory agency in lieu of conducting a separate examination or investigation of a foreign trust institution.

(d) The Commissioner may enter into agreements with bank supervisory agencies supervising (i) a State trust institution engaging in trust business in a foreign country or (ii) a foreign trust institution maintaining a trust office or representative trust office in this State to engage the services of the bank supervisory agency's examiners at a reasonable rate of compensation or to provide the services of the Commissioner's examiners to the bank supervisory agency at a reasonable rate of compensation. Article 3 of Chapter 143 of the General Statutes does not apply to agreements authorized by this section. However, the Commissioner shall: (i) submit all proposed agreements or contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this subsection to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all agreements or contracts to be awarded by the Commissioner under this subsection a standard

clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the agreement or contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost agreement or contract for any purpose.

(e) The Commissioner may enter into joint examinations or joint enforcement actions with bank supervisory agencies supervising any trust office or representative trust office maintained in this State by a foreign trust institution or any trust office or representative trust office maintained by a State trust institution in any foreign country; provided, that the Commissioner may at any time take actions independently if the Commissioner considers the actions to be necessary or appropriate to carry out the Commissioner's responsibilities under the provisions of this Article or to ensure compliance with the laws of this State.

(f) Each foreign trust institution that maintains one or more trust offices or representative trust offices in this State may be assessed and, if assessed, shall pay supervisory and examination fees as provided by rules of the Commissioner. The fees may be shared with bank supervisory agencies or with any organization composed of, affiliated with, or representing one or more bank supervisory agencies, as agreed between the bank supervisory agencies and organizations and the Commissioner. (2001-263, s. 1; 2005-269, s. 16; 2010-194, s. 3; 2011-326, s. 15(c).)

#### **§ 53-327. Enforcement.**

(a) Consistent with Article 3A of Chapter 150B of the General Statutes, after notice and opportunity for hearing, the Commissioner may determine:

- (1) That activities of a trust office or representative trust office maintained by a foreign trust institution in this State are being conducted in violation of the laws of this State or any rule, order, or declaratory ruling issued by the Commissioner, or in an unsafe and unsound manner, or that the foreign trust institution does not meet or no longer meets the requirements of this Subpart for maintaining a trust office or representative trust office in this State; or
- (2) That a foreign trust institution is engaged in unauthorized trust activity.

In either event, the Commissioner may take any enforcement actions the Commissioner would be authorized to take if the foreign trust institution were a State trust company and may issue an order temporarily or permanently prohibiting the foreign trust institution from engaging in trust business or trust marketing in this State.

(b) Consistent with Article 3A of Chapter 150B of the General Statutes, after notice and opportunity for hearing, the Commissioner may determine by order that a foreign trust institution maintaining a representative trust office in this State does not meet or no longer meets the requirements of this Subpart for maintaining a representative trust office in this State. The order shall be effective on the date of issuance or any other date the Commissioner determines.

(c) In cases involving extraordinary circumstances requiring immediate action, the Commissioner may take any action permitted by subsection (a) or (b) of this section without notice or opportunity for hearing but shall promptly afford a subsequent hearing upon request to rescind the action taken.

(d) The Commissioner shall promptly give notice to the home country regulator and any other bank supervisory agency supervising the foreign trust institution of each enforcement action taken against a foreign trust institution and may consult and cooperate with bank supervisory agencies in pursuing and resolving the enforcement action. (2001-263, s. 1; 2005-269, s. 17.)

**§ 53-328. Notice of transactions that cause a change in control.**

Each foreign trust institution that maintains a trust office or representative trust office in this State, or the home country regulator of the foreign trust institution, shall give at least 30 days' notice (or, in the case of an emergency transaction or the cessation of trust activity in this State by an out-of-state trust institution or foreign trust institution whose only office in this State is a registered office, as much notice as practicable) to the Commissioner, in the form required by the Commissioner, of:

- (1) Any merger, consolidation, share exchange, or other transaction that would cause a change of control of a foreign trust institution:
  - a. That would be subject to Subpart D of Part 3 of this Article if the foreign trust institution were a State trust company; or
  - b. Is required to be filed with any bank supervisory agency;
- (2) Any transfer of all or substantially all of the accounts or account assets of the foreign trust institution to another person; or
- (3) The closing, transfer, or discontinuance of any trust office or representative trust office in this State. (2001-263, s. 1; 2005-269, s. 18.)

**§ 53-329. International agreements.**

If any provision of this Article concerning foreign trust institutions, or the application of that provision, is found by any competent adjudicatory body to violate any international agreement to which the United States is a party, the provision shall be deemed modified only to the extent and only in the particular circumstances necessary to make the provision as modified comply with the international agreement, and the remaining provisions of this Article shall not be affected and shall continue to apply to foreign trust institutions. (2001-263, s. 1.)

Part 3. State Trust Company Charter Act.

Subpart A. General.

**§ 53-330. Title and purposes.**

- (a) This Part may be cited as the State Trust Company Charter Act.
- (b) It is the express intent of this Part to provide for the chartering of trust companies apart from the provisions of Article 2 of this Chapter and to permit trust companies to engage in trust business subject to the provisions of this Article. (2001-263, s. 1.)

Subpart B. Organization and Powers of State Trust Company.

**§ 53-331. Organization and powers of State trust company.**

- (a) Subject to the other provisions of this Part, one or more persons may organize and charter a State trust company, which may be established in the manner described in this Part and in no other way.

- (3) Engage in trust marketing within this State; and
- (4) Exercise the powers of a business corporation organized under North Carolina law and any incidental powers that are reasonably necessary to enable it to fully exercise, in accordance with commonly accepted fiduciary customs and usages, a power conferred in this Article. (2001-263, s. 1; 2011-339, s. 9.)

**§ 53-332. Articles of incorporation of State trust company.**

(a) The articles of incorporation of a State trust company shall be signed and acknowledged by or on behalf of each organizer and shall contain:

- (1) The information required to be set forth in G.S. 55-2-02(a) and, except for telephone information, G.S. 53-311(c); and
- (2) Any provision consistent with G.S. 55-2-02(b) and other applicable law that the organizers elect to set forth in the articles of incorporation for the regulation of the internal affairs of the State trust company.

(b) The Commissioner may allow a State trust company to be organized as a company other than a corporation, and, in such case, references in this Article to provisions of Chapter 55 of the General Statutes shall refer to analogous provisions of law governing the formation and operation of that State trust company. (2001-263, s. 1; 2011-339, s. 10.)

**§ 53-333. Application for State trust company charter and permission to incorporate State trust company.**

(a) An application for a State trust company charter and permission to incorporate the State trust company shall be made to the Commissioner in the form required by the Commissioner and shall be supported by information, data, and records that the Commissioner requires. The application shall be accompanied by the fee set by the Commissioner by rule.

(b) Upon receipt of the application, the Commissioner shall at once conduct an examination of all relevant facts connected with the formation of the proposed State trust company. The Commissioner may consider the following factors:

- (1) The proposed market or markets to be served;
- (2) Whether the proposed organizational and capital structure and the amount of initial capital appear adequate in relation to the proposed business and market or markets;
- (3) Whether the anticipated volume and nature of business indicate a reasonable probability of success and profitability based on the market or markets proposed to be served;
- (4) Whether the proposed officers and directors, as a group, have sufficient experience, ability, standing, competence, trustworthiness, and integrity to justify a belief that the proposed State trust company will be free from improper or unlawful influence and otherwise will operate in compliance with law, and that success of the proposed State trust company is reasonably probable; and
- (5) Whether the proposed name of the proposed State trust company is likely to mislead the public as to its character or purpose or is the same as a name already

adopted by an existing bank, savings association, or trust institution in this State, or so similar thereto as to be likely to mislead the public.

(c) The failure of an applicant to furnish required information, data, other material, or the required fee within 30 days after a request may be considered an abandonment of the application. (2001-263, s. 1.)

**§ 53-334. Notice and investigation of charter application.**

(a) The Commissioner shall notify the organizers when the application is complete and accepted for filing and all required fees have been paid.

(b) The Commissioner shall investigate the application and inquire into the identity and character of each proposed director, officer, and principal shareholder. Notwithstanding any laws to the contrary, information in the application bearing on the character, or information about the personal finances, of an existing or proposed organizer, officer, director, or shareholder is confidential and not subject to public disclosure. (2001-263, s. 1.)

**§ 53-335. Decision on charter application and hearing.**

(a) The Commissioner, based on the application and investigation described in this Subpart, shall enter an order approving or denying approval of the application.

(b) If the Commissioner orders that the proposed State trust company may be formed, the Commissioner shall issue a State trust company charter and a certification to the Secretary of State permitting the establishment of the State trust company. The Commissioner may make approval of any application conditional and shall include any conditions in the order granting the charter.

(c) Any order entered by the Commissioner with respect to a charter application shall be subject to review by the Commission for entry of final agency decision. (2001-263, s. 1; 2011-339, s. 11.)

**§ 53-336. Issuance of charter.**

(a) A proposed State trust company shall not be incorporated or engage in trust business or trust marketing until it receives a charter issued by the Commissioner. The Commissioner shall not issue the charter until the State trust company certifies that it has:

(c) If a State trust company does not open and engage in trust business within six months after the date it receives its charter, or within such further period as may be extended by the Commissioner, the Commissioner may cancel the charter. (2001-263, s. 1.)

**§ 53-337. Required initial capital.**

(b) The Commissioner may require additional initial capital for a proposed State trust company if the Commissioner finds the proposed scope or type of operation of a proposed State trust company requires additional initial capital for the safe and sound operation of the State trust company. The Commissioner may reduce the amount of minimum initial capital required for a proposed State trust company if the Commissioner finds the proposed scope or type of operation of a proposed State trust company may be formed with reduced initial capital consistent with the safe and sound operation of the State trust company. The safety and soundness factors to be considered by the Commissioner in the exercise of the Commissioner's discretion include:

(2001-263, s. 1.)

**§ 53-339. Application of laws relating to general business corporations.**

(2001-263, s. 1.)

Subpart C. Investments and Activities.

**§ 53-340. Investment in State trust company facilities.**

(a) A State trust company may invest in one or more State trust company facilities consistent with the safe and sound operation of a State trust company.

(b) For the purposes of this Part, "State trust company facility" means real estate owned, or leased to the extent the lease or the leasehold improvements are capitalized, by a State trust company for the purposes of:

- (1) Providing space for State trust company employees, officers, and directors to perform their duties and space for appropriate parking;

- (4) Conducting another activity authorized by law or by rules, orders, or declaratory rulings of the Commissioner.

(c) Without the approval of the Commissioner, a State trust company shall not, within the first three years following issuance of its charter, directly or indirectly, invest an amount in excess of one-half of its initial capital in State trust company facilities, furniture, fixtures, and equipment. Except as otherwise provided by rules, orders, or declaratory rulings of the Commissioner, in computing this limitation, a State trust company shall include:

- (1) Its direct investment in State trust company facilities;
- (2) Any investment in a company with an interest in a State trust company facility;
- (3) Any indebtedness incurred on State trust company facilities by an affiliate of the State trust company.

Except as otherwise provided by rules, orders, or declaratory rulings of the Commissioner, in computing this limitation, a State trust company may exclude an amount included under subdivisions (1) through (3) of this subsection to the extent any lease of a facility from the company holding title to the facility is capitalized by the State trust company.

(d) Real estate acquired under subdivision (3) of subsection (b) of this section ceases to be a State trust company facility if it is not used for a purpose listed in subdivision (1), (2), or (4) of subsection (b) of this section on the third anniversary of the date of its acquisition unless the Commissioner grants approval to hold the real estate for a longer period. (2001-263, s. 1.)

#### **§ 53-341. Other real estate.**

(a) A State trust company shall not acquire real estate other than a State trust company facility for its own account except:

- (1) Securitized interests in real estate and obligations secured by real estate;
- (2) As necessary to avoid or minimize a loss on an investment previously made in good faith; or
- (3) As provided by rules, orders, or declaratory rulings of the Commissioner.

(b) To the extent reasonably necessary to avoid or minimize loss on real estate acquired as permitted by subsection (a) of this section or under G.S. 53-340, a State trust company may exchange real estate for other real estate or personal property, invest additional funds in or improve such real estate, or acquire additional real estate.

(c) Except as provided in subsection (d) of this section, a State trust company shall dispose of any real estate acquired as permitted by subdivision (2) of subsection (a) of this section or under G.S. 53-340:

- (1) In the case of real estate acquired under subdivision (2) of subsection (a) of this section, on or before the fifth anniversary of:
    - a. The date it was acquired; or
    - b. The date it ceases to be used as a State trust company facility if it began to be so used after its acquisition.

- (d) The Commissioner may grant one or more extensions of time for disposing of real estate if the Commissioner determines that:
- (1) The State trust company has made a good faith effort to dispose of the real estate and has been unable to do so on reasonably advantageous terms; or
  - (2) Disposal of the real estate otherwise would be detrimental to the State trust company. (2001-263, s. 1.)

**§ 53-342. Securities and other investments.**

- (a) A State trust company may invest its corporate funds in any type or character of equity securities or debt securities subject to the limitations provided by this section.
- (b) Unless the Commissioner approves maintenance of a lesser amount, a State trust company shall invest and maintain an amount equal to at least forty percent (40%) of its equity capital in unencumbered cash, cash equivalents, and readily marketable securities.
- (c) Subject to subsections (d) and (e) of this section, the total investment in equity and investment securities of any one issuer, obligor, or maker held by a State trust company for its own account shall not exceed an amount equal to fifteen percent (15%) of the State trust company's equity capital. The Commissioner may authorize investments in excess of this limitation if the Commissioner concludes that the safe and sound operation of a State trust company would not be adversely affected by a proposed investment exceeding this limitation.
- (d) In calculating compliance with the investment limits set forth in subsection (c) of this section, a State trust company shall not be required to combine:
  - (1) The State trust company's pro rata share of the securities of an issuer in the portfolio of a collective investment vehicle with the State trust company's pro rata share of the securities of that issuer held by another collective investment vehicle in which the State trust company has invested; or
  - (2) The State trust company's own direct investment in the securities of an issuer with the State trust company's pro rata share of the securities of that issuer held by collective investment vehicles in which the State trust company has invested under the provisions of this section.
- (e) Notwithstanding subsection (c) of this section, a State trust company may purchase for its own account, without limitation and subject only to the exercise of prudent judgment:
  - (1) Bonds and other general obligations of a state, an agency, or political subdivision of a state, the United States, or an agency or instrumentality of the United States;
  - (2) A debt security that this State, an agency or political subdivision of this State, the United States, or an agency or instrumentality of the United States has unconditionally agreed to purchase, insure, or guarantee;

(b) The State trust company may acquire or establish a subsidiary or begin performing activities in an existing subsidiary 30 days following the date the Commissioner receives the notice, unless the Commissioner:

- (1) Establishes an earlier or later date;
- (2) Notifies the State trust company that the notice raises issues that require additional information or additional time for analysis; or
- (3) Disapproves the acquisition, establishment, or performance of activities through the subsidiary.

(c) If the Commissioner gives a notification described in subdivision (2) of subsection (b) of this section, the State trust company may acquire, establish or conduct activities through the subsidiary only on approval by the Commissioner. The Commissioner may disapprove the subsidiary if the Commissioner finds that the State trust company lacks sufficient resources to undertake the proposed expansion or perform the activity without adversely affecting its safety or soundness.

(d) The Commissioner may make the establishment, acquisition, or performance of new activities through a subsidiary conditional and shall include any such conditions in an order.

(e) The provisions of this section, rather than G.S. 53-342, shall apply to the establishment of a subsidiary by a State trust company.

(b) Notwithstanding any other provision of this Chapter, a State trust company may, with the approval of the Commissioner, convert to a State bank by following the procedures and requirements set forth in Article 2 of this Chapter, subject to any modifications to those procedures and requirements that are necessary and appropriate for the conversion of a State trust company. - b. Any individual within the ninth degree of collateral kinship to the designated relative computed in accordance with G.S. 104A-1;
- c. The spouse of the designated relative and of any individual qualifying as a family member under sub-subdivision a. and b. of this subdivision;
- d. A company controlled by one or more family members;

For purposes of this subdivision, a legally adopted individual shall be treated as a natural child of the adoptive parents.

(3) "Transact business with the general public" means to engage in any sales, solicitations, arrangements, agreements, or transactions to provide trust business services, whether or not for a fee, commission, or other type of remuneration, to more than 35 persons who are not family members, except that rules, orders, or declaratory rulings of the Commissioner may provide for other circumstances in which a State trust company either does or does not transact business with the general public. For the purposes of this subdivision, an estate, a trust, or any other legal entity having multiple beneficiaries or owners shall be deemed to constitute one person.

(b) A private trust company engaging in trust business in this State shall comply with all provisions of this Article applicable to a State trust company unless expressly exempted from a provision of this Article by the Commissioner pursuant to this section or prior to the enactment of this Article. A private trust company shall notify the Commissioner of the adoption of any agreement affecting the authority of the board of directors within 48 hours and shall provide such information as the Commissioner requests about the agreement. To the extent that an individual or group other than the board of directors is vested with the authority of the board of directors under this section, that individual or group shall be deemed to be acting as the board of directors in the exercise of that authority for all purposes of this Chapter.

The Commissioner may grant the exemption request in whole or in part. The Commissioner also may issue rules, orders, or declaratory rulings granting exemptions to all private trust companies, or to private trust companies that meet specified conditions.

(d) The Commissioner may examine or investigate the private trust company or proposed private trust company in connection with the application for exemption. Unless the application presents novel or unusual questions, the Commissioner shall approve or deny the application for exemption no later than the sixty-first day after the date the Commissioner considers the application complete and accepted for filing. The Commissioner may require the submission of additional information in order to make an informed decision to approve or reject the proposed exemption.

(e) Any exemption granted under the provisions of this section may be made subject to conditions or limitations imposed by the Commissioner consistent with this Subpart, and those conditions or limitations shall be included in an order.

(f) Rules, orders, or declaratory rulings of the Commissioner may provide for other circumstances that justify exemption from specific provisions of this Article, specifying the provisions of this Act that are subject to the exemption request, and establishing procedures and requirements for obtaining, maintaining, or revoking exemptions. (2001-263, s. 1; 2011-339, ss. 13, 14.)

#### **§ 53-364. Requirements to apply for and maintain status as a private trust company.**

(a) A private trust company or a proposed private trust company requesting an exemption from the provisions of this Article pursuant to G.S. 53-363 shall file an application with the Commissioner, in the form required by the Commissioner, containing, preceded, or accompanied by:

- (1) An application fee as set by rules of the Commissioner;
- (2) A statement under oath of the reasons for requesting the exemption;
- (3) A statement under oath showing that the private trust company is not currently transacting business with the general public and that the company will not transact business with the general public without the approval of the Commissioner;
- (4) A listing of the specific provisions of the Act from which exemption is requested; and
- (5) The name of the designated relative whose relationship to other individuals determines whether the individuals are family members under G.S. 53-363(a)(2). The designated relative must be living and 18 years of age or older at the time the application is made.

(b) The Commissioner may make further inquiry and investigation as the Commissioner deems appropriate. Notwithstanding any other law to the contrary, information bearing on actual or proposed accounts of the private trust company or proposed private trust company applying for the exemption is confidential and not subject to public disclosure.

(c) To maintain its status as a private trust company and to maintain any exemptions from the provisions of this Article granted by the Commissioner, a private trust company shall file with the Commissioner an annual certification that it is in compliance with the provisions of this Subpart and the conditions and limitations of all exemptions granted. This annual certification shall be filed in the form required by the Commissioner and accompanied by any fee required by the Commissioner by rule. The annual certification shall be filed on or before December 31 of each year. The Commissioner may examine or investigate the private trust company periodically as necessary to verify the certification.

(d) In any transaction involving a private trust company for which an application is required under G.S. 53-360, any exemption from the provisions of this Article granted to the private trust company shall automatically terminate upon the consummation of the transaction unless the Commissioner approves the continuation of the exemption.

(e) The Commissioner may revoke any exemption from the provisions of this Article granted to a private trust company in the following circumstances:

- (1) An officer or director of the private trust company makes a false statement under oath on any document required to be filed by this Article or by any rules or orders of the Commissioner;
- (2) The private trust company fails to submit to an examination as required by G.S. 53-367;
- (3) An officer or director of the private trust company withholds requested information from the Commissioner; or
- (4) The private trust company violates any provision of this Subpart or fails to meet any condition on which the exemption is based.

(f) If the Commissioner determines from examination or other credible evidence that a private trust company has violated any of the requirements of this Subpart or fails to meet any condition or limitation on which an exemption from the provisions of this Article is based, the Commissioner may by personal delivery or registered or certified mail, return receipt requested, notify the private trust company that the private trust company's exemptions from the provisions of this Article will be revoked unless the private trust company corrects the violation or failure or shows cause why any exemptions should not be revoked. The notification shall state grounds for the revocation with reasonable certainty and shall advise of an opportunity for a hearing. The notice shall state the date upon which the revocation shall become effective absent a correction or showing of cause why the exemption should not be revoked, which shall not be before the thirtieth day after the date the notification is mailed or delivered, except as provided in subsection (g) of this section. The revocation shall take effect for the private trust company on the date stated in the notice if the private trust company does not request a hearing in writing before the effective date. After the revocation takes effect, the private trust company shall be subject to all of the requirements and provisions of this Article applicable to a State trust company.

(g) If the Commissioner determines from examination or other credible evidence that a private trust company appears to be engaging or attempting to engage in acts intended, designed, or likely to deceive or defraud the public, the Commissioner may shorten or eliminate the 30-day

notice period specified in subsection (f) of this section, but shall promptly afford a subsequent hearing upon request to rescind the action taken.

(h) If the private trust company does not comply with all of the provisions of this Article or correct any failure to meet any condition or limitation on which an exemption is based within the notice period specified in subsection (f) of this section, the Commissioner may institute any action or remedy prescribed by this Article or any applicable rule. (2001-263, s. 1.)

#### **§ 53-365. Conversion to public trust company.**

(a) Before transacting business with the general public, a private trust company shall file a notice on a form prescribed by the Commissioner, which shall set forth the name of the private trust company and an acknowledgment that any exemption granted or otherwise applicable to the private trust company pursuant to G.S. 53-363 shall cease to apply once the Commissioner terminates private trust company status. The private trust company shall furnish a copy of the resolution adopted by its board of directors authorizing the private trust company to commence transacting business with the general public, and shall pay the filing fee, if any, prescribed by rule of the Commissioner.

(b) The private trust company may commence transacting business with the general public on the thirty-first day after the date the Commissioner receives the notice, unless the Commissioner:

- (1) Establishes an earlier or later date;
- (2) Notifies the private trust company that the notice raises issues that require additional information or additional time for analysis; or
- (3) Disapproves the termination of private trust company status.

(c) If the Commissioner gives a notification described in subdivision (2) of subsection (b) of this section, the private trust company status may be terminated only on approval by the Commissioner.

(d) The Commissioner may deny approval of the proposed termination of private trust company status if the Commissioner finds that the private trust company lacks sufficient resources to undertake the proposed conversion without adversely affecting its safety or soundness or if the Commissioner determines that the private trust company could not within a reasonable period be in compliance with any provision of this Article from which it previously had been exempted pursuant to G.S. 53-363. (2001-263, s. 1.)

### **Part 4. Applicable Law; Enforcement Actions.**

#### **Subpart A. Supervision and Examination.**

#### **§ 53-366. Applicability of other laws to authorized trust institutions; status of State trust company.**

(a) Except as otherwise provided in this Article, the following provisions of this Chapter and Chapter 53C of the General Statutes apply to authorized trust institutions:

- (1), (2) Repealed by Session Laws 2012-56, s. 31, effective October 1, 2012.
- (3) G.S. 53C-7-205.
- (4) through (6) Repealed by Session Laws 2012-56, s. 31, effective October 1, 2012.
- (7) Article 8 of Chapter 53C of the General Statutes, except where it clearly appears from the context that a particular provision is not applicable to trust business or

trust marketing, and except that the provisions of this Article apply in lieu of the following provisions:

- a. G.S. 53C-8-2.
- b. G.S. 53C-8-3.
- c. G.S. 53C-8-17.

(8), (9) Repealed by Session Laws 2012-56, s. 31, effective October 1, 2012.

(10) Article 14 of this Chapter.

(11) G.S. 53C-2-7(b).

(b) Rules adopted by the Commissioner to implement those provisions of this Chapter made applicable to authorized trust institutions by subsection (a) of this section also apply to authorized trust institutions unless the rules are inconsistent with this Article or it clearly appears from the context that a particular provision is inapplicable to trust business or trust marketing.

(c) Activities of authorized trust institutions for clients shall not be considered money transmission under Article 16B of Chapter 53 of the General Statutes.

(d) Until the Commissioner has issued new rules governing State trust companies, State trust companies are governed by rules issued by the Commissioner for banks acting in a fiduciary capacity, except to the extent the rules are inconsistent with this Article or it clearly appears from the context that a particular provision is inapplicable to the business of a State trust company.

(e) Notwithstanding any other provision of this Chapter, a State trust company is deemed to be all of the following:

(1) Repealed by Session Laws 2012-56, s. 31, effective October 1, 2012.

(2) A "bank" for purposes of laws made applicable to authorized trust institutions in this section and for purposes of G.S. 53-277.

(3) A trust company organized and doing business under the laws of North Carolina, a substantial part of the business of which is exercising fiduciary powers similar to those permitted national banks under authority of the Comptroller of the Currency, and subject by law to supervision and examination by the Commissioner.

(4) A financial institution similar to a bank.

(f) In the case of a State trust company controlled by a company that has declared itself to be a "financial holding company" under 12 U.S.C. § 1843(l)(1)(D)(i), deposits held for an account are deemed "trust funds" within the meaning of 12 U.S.C. § 1813(p) unless all fiduciary duties with respect to the account are explicitly disclaimed. This subsection does not prescribe the nature or extend the scope of any fiduciary duties; the nature and extent of any fiduciary duties with respect to deposits held for accounts are as provided by the instruments and laws applicable to those accounts.

(g) Subject to any limitations contained in this Article, an authorized trust institution is a "trust company," a "corporate trustee," a "corporate fiduciary," and a "corporation acting in a fiduciary capacity," as these and similar terms are used in the General Statutes, except where it clearly appears from the context in which those terms are used that a different meaning is intended. (2001-263, s. 1; 2012-56, s. 31; 2013-29, s. 22; 2021-93, s. 13.)

### **§ 53-367. Commissioner shall have supervision over authorized trust institutions and shall examine.**

Every authorized trust institution shall be under the supervision of the Commissioner. The Commissioner may periodically examine and require reports from authorized trust institutions, and

shall execute and enforce, through examiners and any other agents as are now or may hereafter be created or appointed, all laws and all rules, orders, and declaratory rulings relating to authorized trust institutions. All authorized trust institutions shall conduct their business in a manner consistent with all laws and all rules, orders, and declaratory rulings that may be adopted or issued by the Commissioner relating to authorized trust institutions. (2001-263, s. 1.)

**§ 53-368. Assessment of State trust companies.**

(a) For the purpose of operating and maintaining the office of the Commissioner, each State trust company shall pay into the office of the Commissioner, within 10 days after notice, an annual assessment of ten thousand dollars (\$10,000) plus one dollar (\$1.00) per one hundred thousand dollars (\$100,000) of assets held for its accounts, exclusive of nonsecuritized real estate interests. For purposes of this assessment, the amount of assets held for accounts shall be determined as of the close of business on December 31 of each year.

(b) If an application for merger, share exchange, sale of assets, change of control, conversion, or a similar transaction occasions an examination or if the Commissioner determines that the financial condition or manner of operation of a State trust company warrants further examination or an increased level of supervision, a State trust company may be subject to an additional assessment not to exceed the amount required of all State trust companies by subsection (a) of this section.

(c) Repealed by Session Laws 2012-56, s. 32, effective October 1, 2012. (2001-263, s. 1; 2007-55, s. 2; 2012-56, s. 32.)

- (2) Order any authorized trust institution, or affiliate thereof, or any director, officer, or employee of an authorized trust institution, to cease and desist from a course of conduct that is unsafe or unsound and which is likely to cause insolvency or dissipation of the assets of an authorized trust institution, or is likely to jeopardize or otherwise seriously prejudice the interests of the clients, creditors, shareholders, or the public in their relationships with the authorized trust institution.
- (3) Order any company to cease engaging in unauthorized trust activity.
- (4) Enter orders described in G.S. 53-321, 53-327, and 53-343.

(b) The Commissioner may impose a civil money penalty of not more than one thousand dollars (\$1,000) for each violation of an order issued under subdivision (1) of subsection (a) of this section. The Commissioner may impose a civil money penalty of not more than five hundred dollars (\$500.00) per day for each violation of a cease and desist order issued under subdivision (2) or (3) of subsection (a) or this section. The clear proceeds of civil money penalties imposed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(c) The Commissioner may order that a State trust company in a hazardous condition increase its equity capital to a level that is adequate for the safe and sound conduct of its business.

The order shall specify the period of time for meeting the requirement to increase equity capital, which period of time may be extended by further order of the Commissioner. (2001-263, s. 1.)

**§ 53-370. Notice and opportunity for hearing.**

Consistent with Chapter 150B of the General Statutes, notice and opportunity for hearing shall be provided before the Commissioner may act under the provisions of this Subpart. In cases involving extraordinary circumstances requiring immediate action, however, the Commissioner may take action without a hearing, but shall promptly afford a subsequent hearing upon request to rescind the action taken. (2001-263, s. 1.)

**§ 53-371. Removal of directors, officers, and employees.**

The Commissioner may require the immediate removal from office of any officer, director, or employee of any State trust company, who shall be found to be dishonest, incompetent, or reckless in the management of the affairs of the State trust company, or who persistently violates the laws of this State or the rules, orders, and declaratory rulings issued by the Commissioner. (2001-263, s. 1.)

Part 5. Dissolution and Receivership; Conservatorship; Jeopardized State Trust Companies.

Subpart A. Voluntary Dissolution and Liquidation.

**§ 53-372. Required vote of shareholders.**

With the approval of the Commissioner, a State trust company may go into voluntary liquidation, be closed, and surrender its charter and franchise as a corporation of this State by the affirmative vote of its shareholders owning two-thirds of its stock. (2001-263, s. 1.)

**§ 53-373. Corporate procedure.**

Shareholder action to liquidate a State trust company shall be taken at a meeting of the shareholders duly called by resolution of the board of directors. Notice of the meeting, stating the purpose of the meeting, shall be mailed to each shareholder, addressed to the shareholder's last known residence at least 10 days prior to the date of the meeting. If the shareholders, by the required vote, elect to liquidate a trust company, a certified copy of all proceedings of the meeting at which the action was taken, verified by the oath of the president and secretary, shall be transmitted to the Commissioner for approval. (2001-263, s. 1.)

**§ 53-374. Authority to liquidate; publication.**

If the Commissioner approves the liquidation, the Commissioner shall issue to the State trust company, under the Commissioner's seal, a permit for liquidation. No permit shall be issued by the Commissioner until the Commissioner is satisfied that provision has been made by the State trust company to satisfy and pay off all creditors and to transfer all client accounts and fiduciary records to successor fiduciaries in the manner provided by G.S. 53-383(c). If not so satisfied, the Commissioner shall refuse to issue a permit, and shall be authorized to take possession of the State trust company and its assets and business and to hold and liquidate the State trust company in the manner provided in this Part. When the Commissioner approves the voluntary liquidation of a State trust company, the directors of the State trust company shall notify clients of the State trust company in the manner prescribed by the Commissioner and shall cause to be published in a newspaper in the county in which the principal office of the trust company is located, or if no newspaper is published in that county, then in a newspaper having a general circulation in that county, a notice that the State trust company is closing down its affairs and going into liquidation

and that creditors of the State trust company shall present their claims for payment. The notice shall be published once a week for four consecutive weeks. (2001-263, s. 1.)

**§ 53-375. Examination and reports.**

When any State trust company is in the process of voluntary liquidation, it shall be subject to examination by the Commissioner and shall furnish any reports required by the Commissioner. (2001-263, s. 1.)

**§ 53-376. Unclaimed property.**

All unclaimed property remaining with a State trust company voluntarily liquidated under the provisions of this Subpart shall be subject to the provisions of Chapter 116B of the General Statutes. (2001-263, s. 1.)

Subpart B. Seizure by Commissioner; Involuntary Dissolution and Liquidation.

**§ 53-377. When Commissioner may take charge.**

The Commissioner may take possession of the business and property of any State trust company whenever it appears that the trust company:

- (1) Is in a hazardous condition;
- (2) Has become insolvent or is in substantial danger of becoming insolvent;
- (3) Has sold or attempted to sell substantially all of its assets or has merged or attempted to merge its business with another entity without meeting the requirements of this Article;
- (4) Has dissolved or liquidated or attempted to dissolve or liquidate without meeting the requirements of this Article; or
- (5) Has suspended operations. (2001-263, s. 1.)

**§ 53-378. Directors may act.**

A State trust company may place its assets and business under the control of the Commissioner by a resolution of a majority of its directors upon notice to the Commissioner, and, upon taking possession of the State trust company, the Commissioner shall retain possession thereof until the State trust company is authorized by the Commissioner to resume business or until the affairs of the State trust company are fully liquidated as provided in this Subpart. No State trust company shall make any general assignment for the benefit of its creditors except by surrendering possession of its assets to the Commissioner as provided in this Subpart; and any other purported general assignment for the benefit of creditors by a State trust company shall be void. (2001-263, s. 1.)

**§ 53-379. Notice of seizure; bar to attachment of liens.**

When the Commissioner takes possession of any State trust company under G.S. 53-377 or G.S. 53-378, the Commissioner shall, within 48 hours, file with the clerk of the superior court in the county where the principal office of the State trust company is located a notice of the action which shall state the reason for the action, and which shall be deemed the equivalent of a summons and complaint against the State trust company in an action in the superior court except that it shall not be necessary to serve the notice. The taking possession of any State trust company shall be effective on the date when the authority is first exercised and from and after that time all assets and property of the State trust company, of whatever nature, shall be deemed to be in possession of the Commissioner, and the exercise of the authority shall operate as a bar to any attachment or other

legal proceeding against the State trust company or its assets. After the Commissioner's exercise of authority, no lien shall attach in any manner binding or affecting any of the assets of the State trust company, and every purported transfer or assignment made thereafter by the State trust company, or by its authority, of the whole or any part of its assets, shall be null and void; and the Commissioner shall be substituted in place of the State trust company in any civil actions or proceedings pending at the time of the exercise of the authority. (2001-263, s. 1.)

**§ 53-380. Notice to trust institutions, corporations, and others holding assets; existing liens.**

Upon taking possession of the assets and business of any State trust company, the Commissioner shall forthwith give notice, by mail or otherwise, of the action to all banks, clearing corporations, brokers, trust institutions, or other persons or corporations holding, or having in possession, any assets of the State trust company. No lien against any assets of the State trust company shall be enforced in any manner other than as provided in this Article after the Commissioner has taken possession of the State trust company. (2001-263, s. 1.)

**§ 53-381. Permission to resume business.**

(a) After the Commissioner has taken possession of a State trust company under the provisions of this Subpart, the State trust company may resume business only upon approval and subject to terms and conditions specified by the Commissioner.

(b) When possession of a State trust company has been taken pursuant to either G.S. 53-377 or G.S. 53-378, the terms and conditions under which it may resume business shall be fully stated in writing, and a copy thereof shall be filed with the clerk of superior court of the county in which the action is pending.

(c) Notwithstanding subsections (a) and (b) of this section, no State trust company possessed by the Commissioner under the provisions of this Article shall resume trust business unless and until the State trust company has been completely restored to solvency and it clearly appears to the Commissioner that the State trust company may be reopened with safety to the clients, creditors, and shareholders of the State trust company and to the public.

(d) If the Commissioner determines that the State trust company shall not resume business, the State trust company shall be liquidated in accordance with the provisions of this Part and shall cancel the charter and revoke the license of the State trust company as provided in G.S. 53-414. (2001-263, s. 1.)

**§ 53-382. Remedy for seizure; answer to notice; injunction; appeal; and motions.**

(a) Whenever any State trust company of which the Commissioner has taken possession under G.S. 53-377 shall deem itself aggrieved thereby, it may file an answer to the notice as in other civil actions and may also, upon notice to the Commissioner, apply to the resident or presiding judge of the superior court for an injunction to enjoin further proceedings by the Commissioner. The judge of the superior court may cite the Commissioner to show cause why further proceedings should not be enjoined and, after hearing the allegations and proof of the parties with respect to the condition of the State trust company, may dismiss an application for injunction or may enjoin further proceedings under the provisions of this section by the Commissioner. If the judge enjoins further action of the Commissioner and permits the reopening of the State trust company, the judge may require of the State trust company a surety bond as the judge deems necessary, payable to the Commissioner for the sole benefit of the creditors and clients of the State trust company and upon

any terms the judge deems proper. Either party has the right to appeal a decision as in other civil actions.

(b) The State trust company or any person interested may be heard by motion as to actions taken or proposed to be taken by the Commissioner, but the judge hearing the motion shall enter an order as in the judge's discretion will best serve the parties interested. (2001-263, s. 1.)

**§ 53-383. Collection of debts and claims; Commissioner succeeds to all property of the State trust company.**

(a) Upon taking possession of the assets and business of any State trust company, the Commissioner is authorized to collect all money due the State trust company and to do any other acts necessary to conserve its assets and property. The Commissioner shall collect all debts due and claims belonging to the State trust company, and by order of the court may sell, compromise, or compound any bad or doubtful debt or claim or sell the real and personal property of the State trust company on any terms provided by the order. Where the sale is made under power contained in any mortgage or lien bond or other paper wherein the title is retained for sale and the terms of sale set out, sale may be made under that authority.

(b) Upon taking possession of any State trust company under the provisions of this section, the Commissioner shall have the possession and the right to the possession of all the property, assets, choses in action, rights, and privileges of the State trust company. The property rights and privileges shall vest in the Commissioner absolutely for the purpose of liquidating, selling, or conveying the property rights and privileges, together with all other incidental rights, privileges, and powers necessary for the right of conveyance and sale.

(c) Upon taking possession of any State trust company under the provisions of this section, the Commissioner shall administer each account of the State trust company on a temporary basis until either (i) a successor to the State trust company is appointed or the account is terminated in the manner provided by the terms of its governing instrument consistent with applicable law, or by applicable law in the absence of a provision in the governing instrument, or (ii) the Commissioner has granted the State trust company permission to resume business under the provisions of G.S. 53-381. The Commissioner may take appropriate steps for the appointment of successors or termination of accounts as the Commissioner deems necessary as to some or all of the accounts of the State trust company. If the governing instrument or other applicable law do not prescribe methods for appointing successors, or if the methods prescribed are unfeasible, the applicable law for appointment of a successor shall be as set forth in G.S. 53-399.

(d) The officers and directors of any State trust company that is in the possession of the Commissioner under this Part shall not exercise any powers declared by this Subpart to be vested in the Commissioner. (2001-263, s. 1.)

**§ 53-384. Bond of the Commissioner; surety; condition; minimum penalty.**

Upon taking possession of any State trust company, the Commissioner shall execute and file a bond payable to this State for the benefit of creditors, clients, and shareholders of the State trust company, with some surety company as surety thereon, with the clerk of the superior court of the county in which the action is pending, conditioned upon the faithful performance of all duties imposed upon the Commissioner under the provisions of this Subpart with respect to the State trust company, the penal sum of the bond to be fixed by order of the Commissioner, which in no case shall be less than two hundred fifty thousand dollars (\$250,000). Any person interested, by motion

in the pending action, shall be heard by the resident or presiding judge of the superior court as to the sufficiency of the bond. The judge hearing the motion may fix the bond. (2001-263, s. 1.)

**§ 53-385. Inventory.**

Within 90 days after the filing of a notice described in G.S. 53-379, the Commissioner shall file an inventory of the assets and liabilities, not including assets and liabilities held in accounts of the State trust company, of the State trust company. A copy of the inventory shall be filed with the clerk of the superior court of the county in which the action is pending, and a copy shall be kept on file with the State trust company. The inventory shall be open for inspection during usual business hours, provided that nothing herein shall require the State trust company to remain open unnecessarily. (2001-263, s. 1; 2012-56, s. 33.)

**§ 53-386. Notice and time for filing claims.**

Notice shall be given by advertisement once a week for four consecutive weeks in a newspaper published in the county where the principal office of the State trust company is located, or if no newspaper is published in the county, then in some newspaper having a general circulation in the county, calling on all persons who may have claims against the State trust company to present them to the Commissioner at the principal office of the State trust company, and within the time to be specified in the notice which time shall not be less than 90 days from the date of the first publication. A copy of this notice shall be mailed to all persons whose names appear as creditors upon the books of the State trust company. Affidavit by the Commissioner to the effect that the notice was mailed shall be conclusive evidence thereof. For purposes of this section, clients and accounts of the State trust company shall not be considered creditors of the State trust company as to the assets held by the State trust company for the benefit of its accounts. (2001-263, s. 1.)

**§ 53-387. Power to reject claims; notice; affidavit of service; action on claims.**

If the Commissioner doubts the validity of any claim, the Commissioner may reject the claim, in whole or in part, and serve notice of the rejection upon the claimant, either personally or by certified mail, and an affidavit of the service of the notice shall be filed in the office of the clerk of the superior court of the county in which the action is pending and shall be conclusive evidence of the notice. Any action or suit upon a rejected claim shall be brought by the claimant against the Commissioner in the superior court of the county in which the action is pending within 90 days after service, or the action or suit shall be barred. Objections to any claim not rejected by the Commissioner may be made by any person interested by filing the objection in the pending action and by serving a copy thereof on the Commissioner. The Commissioner, after investigation, shall either allow the objection and reject the claim, or disallow the objection. If the objection is not allowed and the claim is not rejected, the Commissioner shall file a notice in the pending action and serve the notice upon the person making the claim and the person objecting to the claim. Within 10 days after the notice is filed, the person filing objection by motion in the pending action may question the validity of the claim, and the questions of law and issues of fact shall thereupon be determined as in other civil actions. (2001-263, s. 1.)

**§ 53-388. List of claims presented, copies, and proviso.**

Upon the expiration of the time fixed for presentation of claims, the Commissioner shall make a full and complete list of the claims presented, including and specifying any claims that have been rejected. One copy shall be filed in the office of the clerk of the superior court of the county in

which the action is pending, and one copy shall be kept on file with the inventory in the principal office of the State trust company for examination. Any indebtedness against any State trust company which has been established or recognized as a valid liability of the State trust company before it went into liquidation, for which no claimant has filed claim, or any liability for which a claim has been filed and rejected, shall be listed by the Commissioner in the office of the clerk of the superior court of the county in which the action is pending. Any claim that may be presented after the expiration of the time fixed for the presentation of claims in the notice provided in G.S. 53-386 shall, if allowed, share pro rata in the distribution but only as to those assets of the State trust company in the hands of the Commissioner that are undistributed at the time the claim is presented. (2001-263, s. 1.)

**§ 53-389. Declaration of dividends; order of preference in distribution.**

(a) At any time after the expiration of the date fixed by the Commissioner for the presentation of claims against the State trust company, and from time to time thereafter, the Commissioner may declare and pay dividends to the creditors and shareholders of the State trust company. In paying and calculating dividends, all disputed claims shall be taken into account, but no dividend shall be paid upon the disputed claims until the claims have been finally determined. The following shall be the order of preference in the distribution of the assets of any State trust company liquidated hereunder:

- (1) State, county, and federal taxes owed and fees due the Commissioner other than those due under the provisions of this Subpart;
- (2) Wages and salaries due officers and employees of the State trust company for a period of not more than four months;
- (3) Expenses of liquidation, including those described in G.S. 53-391 and G.S. 53-395;
- (4) Amounts due creditors, honoring the priorities of valid security interests and subject to orders of the court concerning disputes among creditors;
- (5) Amounts due shareholders.

(b) A statement of all dividends paid shall be filed in the office of the clerk of the superior court of the county in which the action is pending, and the statements shall show the expenses deducted and the disputed claims in determining dividends. (2001-263, s. 1.)

**§ 53-390. Deposit of funds collected.**

All funds collected by the Commissioner, in liquidating any State trust company, shall be deposited from time to time in a bank as may be selected by the Commissioner and shall be subject to withdrawal by check of the Commissioner. (2001-263, s. 1.)

**§ 53-391. Employment of counsel, accountants, and other experts; compensation.**

The Commissioner, for the purpose of exercising any power under the provisions of this Subpart, may (i) employ any liquidating agents, attorneys, accountants, consultants, and clerks necessary to properly conduct the business of or liquidate and distribute the assets of a State trust company; (ii) fix the compensation for the agents, attorneys, accountants, consultants, and clerks; and (iii) pay the compensation of those persons out of the assets of the State trust company. Provided, that all expenditures described in this section shall be approved by the resident or presiding judge in the county in which the action is pending. Payments made by the Commissioner pursuant to this section shall not be subject to the requirements of Article 3 of Chapter 143 of the

General Statutes. As used in this Subpart, the term "Commissioner" includes the Commissioner's duly appointed agents. The Commissioner shall: (i) submit all proposed agreements or contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this section to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all agreements or contracts to be awarded by the Commissioner under this section a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the contractor during and after the term of the agreement or contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost agreement or contract for any purpose. (2001-263, s. 1; 2010-194, s. 4; 2011-326, s. 15(d).)

**§ 53-392. Unclaimed dividends held in trust.**

Unclaimed dividends for claims described in subdivisions (a)(1) through (a)(4) of G.S. 53-389 shall be held by the Commissioner in trust for the claimants to whom the dividends are owed; and the dividends so held by the Commissioner shall be paid over to the persons entitled to the dividends when they furnish satisfactory evidence of their right to the dividends. In case of doubtful or conflicting claims, the Commissioner may apply to the superior court, by motion in the pending action, for an order from the resident or presiding judge of the superior court directing the payment of the dividends so claimed. Issues of fact raised by motion may, upon request of any claimant, be determined as in other civil actions. Interest earned on any unclaimed dividends so held shall be applied toward defraying the expenses incurred in the distribution of the unclaimed dividends. The balance of interest, if any, shall be deposited and held as other funds to the credit of the Commissioner. After the Commissioner has held any unclaimed dividends in trust under the provisions of this statute for the creditors of the liquidated State trust company for a period of three years following the resumption of business by or cancellation of the charter of the State trust company, the unclaimed dividends shall be subject to the provisions of Chapter 116B of the General Statutes. Upon payment of unclaimed dividends to the State Treasurer, the Commissioner shall be fully discharged from all further liability therefor. (2001-263, s. 1.)

**§ 53-393. Action by the Commissioner following full settlement.**

Whenever the Commissioner has paid all duly proven and allowed claims described in subdivisions (a)(1) through (a)(4) of G.S. 53-389, has made proper provision for unclaimed and unpaid and disputed claims, and has other assets of the State trust company, the Commissioner shall, unless the State trust company is granted permission to resume business in accordance with G.S. 53-381, call a meeting of the shareholders of the State trust company by giving notice thereof by publication once a week for four consecutive weeks in a newspaper published in the county, or if no newspaper is published in the county, then in a newspaper having general circulation in the county, and by mailing a copy of the notice to each shareholder's address as it appears on the books of the State trust company. Affidavit of the mailing of the notice herein required and of the newspaper as to the publication shall be conclusive evidence of notice hereunder. At the meeting, any shareholders may be represented by proxy and the shareholders shall elect, by a majority vote of the shares present, an agent or agents who shall be authorized to receive from the Commissioner all the remaining assets of the State trust company. The shareholders also may specify the means of resolving disputes between multiple agents and appointing successors to the agent or agents. The Commissioner shall cause to be transferred and delivered to the agent, or agents, all the remaining assets of the State trust company. The Commissioner shall thereupon cause to be filed in the office

of the clerk of the superior court of the county in which the action is pending a full and complete report of all transactions showing the assets of the State trust company so transferred together with the name of the agent or agents giving receipt for the assets; and the filing of the report shall act as a full and complete discharge of the Commissioner from all further liabilities to the shareholders of the State trust company by reason of the liquidation of the State trust company. The agent shall convert the assets coming into the agent's hands into cash, except as otherwise provided by the court upon motion in the cause made by a shareholder of the State trust company, and shall make distribution to the shareholders of the State trust company as herein provided. The agent shall file semiannually a report of all transactions with the superior court of the county in which the State trust company is located, and with the Commissioner, and shall be allowed for the services such fees, not in excess of five percent (5%) of receipts and disbursements, as may be fixed by the court. In case of death, removal, or refusal to act of any agent or agents elected by the shareholders, the Commissioner or any interested person may seek an order from the resident or presiding judge in the county in which the action is pending appointing a successor to the agent or agents as determined by the shareholders or, if no method was set forth by the shareholders, as determined by the court to be in the best interests of the shareholders. The court in its discretion may either appoint a successor or order the call of a further meeting of shareholders for the election of a successor and make any orders that are appropriate. (2001-263, s. 1.)

**§ 53-394. Annual report of the Commissioner; items included; reports of condition of State trust companies.**

(a) The Commissioner shall file, as a part of an annual report to the Governor, a list of the names of any State trust companies of which possession was taken and liquidated in the preceding year, the sum of unclaimed assets with respect to each State trust company, and all depositories of all sums coming into the hands of the Commissioner under the provisions of this Part.

(b) The Commissioner shall, from time to time, compile and make available for public inspection reports showing the condition of State trust companies. (2001-263, s. 1.)

**§ 53-395. Compensation of the Commissioner's office.**

The office of the Commissioner, for services rendered in connection with the duties described in this Subpart, shall be entitled to actual expenses incurred in connection with the liquidation of each State trust company, including a reasonable sum for the time of the examiners and other agents of the Commissioner. The Commissioner may adopt rules or orders for fixing these expenses. (2001-263, s. 1.)

**§ 53-396. Exclusive method of liquidation.**

No State trust company shall be liquidated other than as provided in this Part. (2001-263, s. 1.)

**§ 53-397. Disposition of books and records.**

All fiduciary records relating to the administration of particular accounts shall be turned over to the successors in charge of administration of the accounts. All other books, papers, and records of a State trust company that has been finally liquidated shall be deposited by the receiver in the office of the clerk of the superior court of the county in which the action is pending, or in any other place as in the clerk's judgment, after consultation with the Commissioner, will provide for the proper safekeeping and protection of those books, papers, and records. Such books, papers, and records shall be held subject to the orders of the clerk of the superior court of the county in which the action

is pending, including orders necessary for preserving the confidentiality of any information relating to accounts contained in those books, papers, and records. (2001-263, s. 1.)

**§ 53-398. Destruction of books and records.**

(a) After the expiration of five years from the date of filing, in the office of the clerk of the superior court of the county in which the action is pending, of a final order approving the liquidation of a State trust company and the delivery to the clerk or into the clerk's custody of books, papers, records of the State trust company, the books, papers, and records may be destroyed by the clerk of the superior court of the county in which the action is pending.

(b) After five years from the filing by the Commissioner of a final report of liquidation of any insolvent State trust company, the Commissioner, by and with the consent of the Commission, may destroy the records of any State trust company held in the office of the Commissioner in connection with the liquidation of the State trust company. However, in connection with any unpaid dividends, the Commissioner shall preserve the records or other evidence of indebtedness of the State trust company with reference to the unpaid dividends until the dividends have been paid.

(c) Nothing in this section shall be construed to authorize the destruction by the clerk of superior court of any county or by the Commissioner of any of the formal records of liquidation or the records made in the office of the Commissioner with reference to the liquidation. (2001-263, s. 1.)

**§ 53-399. Petition for new trustee.**

Any person interested in any account, either as trustee, beneficiary, client, or otherwise, may petition the clerk of superior court of the county in which court accountings are filed or, if there is no such county, the county in which the account is being administered, for a new trustee or other successor to a State trust company in all cases in which use of the procedures set forth in this Part are employed. The petition and the order appointing a new trustee or other successor may relate to any number of accounts administered by the State trust company. Except as specified in this section, the procedure shall be as provided in Chapter 36A of the General Statutes for the appointment of successor trustees. (2001-263, s. 1.)

**§ 53-400. Report to the Secretary of State.**

The Commissioner shall, on or before the first day of each year, file with the Secretary of State a report showing any State trust companies under liquidation in this State and the names of any auditors or attorneys employed in connection with the liquidation of these State trust companies, together with the amounts paid or contracted to be paid to each of the auditors or attorneys. If any attorney has been employed on a fee contingent upon recovery, the report shall set forth the material terms of the fee arrangements. (2001-263, s. 1.)

=cx=ctC=sph Conservatorship.

**Subpart C. Conservatorship.**

**§ 53-401. Provisions for conservator; duties and powers.**

Whenever the Commissioner deems it necessary in order to conserve the assets of a State trust company for the benefit of clients or creditors, the Commissioner may appoint a conservator for the State trust company and require of the conservator a bond with any surety the Commissioner deems necessary and proper in an amount deemed sufficient by the Commissioner. The

conservator, under the direction of the Commissioner, shall take possession of the fiduciary records and other books, records, and assets of every description of the State trust company placed under conservatorship and take actions necessary to conserve those assets pending further disposition of its business as provided by law. Except as provided in G.S. 53-405, the conservator shall have all rights, powers, and privileges, subject to the approval of the Commissioner, now possessed by or given to the Commissioner under the provisions of Subpart B and Subpart D of this Part. All expenses of the conservator shall be paid out of the assets of the State trust company under conservatorship and shall be a lien thereon which shall be prior to any other lien provided by law. The compensation of the conservator shall be determined by the Commissioner and shall be based on the time and experience of the conservator and the complexity of the conservatorship. Compensation of the conservator shall not be subject to the requirements of Article 3 of Chapter 143 of the General Statutes. However, the Commissioner shall: (i) submit all proposed agreements or contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) authorized by this section to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all agreements or contracts to be awarded by the Commissioner under this section a standard clause which provides that the State Auditor and internal auditors of the Commissioner may audit the records of the conservator during and after the term of the agreement or contract to verify accounts and data affecting fees and performance. The Commissioner shall not award a cost plus percentage of cost agreement or contract for any purpose. (2001-263, s. 1; 2010-194, s. 5; 2011-326, s. 15(e).)

#### **§ 53-402. Examination.**

The Commissioner shall examine the affairs of a State trust company placed under conservatorship in the manner deemed necessary by the Commissioner to oversee the conservatorship. (2001-263, s. 1.)

#### **§ 53-403. Termination of conservatorship.**

If the Commissioner is satisfied that the conservatorship may be terminated with safety to the clients, creditors, and shareholders of the State trust company, and to the public, the Commissioner may terminate the conservatorship of a State trust company and permit the company to resume the transaction of its business, subject to such terms, conditions, restrictions, and limitations as the Commissioner prescribes. (2001-263, s. 1.)

#### **§ 53-404. Rights and liabilities of conservator.**

A conservator appointed pursuant to the provisions of this Subpart is subject to the provisions of G.S. 53-331 and to the penalties prescribed by G.S. 53-129 and G.S. 53-355. (2001-263, s. 1.)

#### **§ 53-405. Naming of conservator not liquidation.**

No power conferred in this Subpart upon the Commissioner, when exercised, shall be deemed as an act of possession for the purposes of liquidation; and whenever the Commissioner shall, with reference to any State trust company for which a conservator is appointed, deem that liquidation is necessary, the Commissioner shall exercise the powers for the purposes of liquidation as provided in Subpart B of Part 5 of this Article. (2001-263, s. 1.)

Subpart D. Sale of Assets; Issuance of Preferred Stock by Jeopardized State Trust Company.

#### **§ 53-406. Sale of assets by board of jeopardized State trust company.**

(a) With the Commissioner's approval, the board of directors of a jeopardized State trust company, acting without shareholder approval and notwithstanding any other provision of this Article or any other law, or any of the provisions of the articles of incorporation or bylaws of the State trust company, may cause the State trust company to sell to one or more buyers all or substantially all of its assets, including the right to control and act as fiduciary for accounts established with the trust company, if the Commissioner finds:

- (1) The interests of the State trust company's clients, creditors, and shareholders are jeopardized by the continued operation of the State trust company; and
- (2) The sale is in the best interests of the State trust company's clients and creditors.

(b) Sales under the provisions of this section shall include assumptions and promises by one or more buyers to pay or otherwise discharge, except as provided in G.S. 53-407:

- (1) All of the State trust company's liabilities to clients and creditors;
- (2) All of the State trust company's liabilities for salaries of the State trust company's employees incurred before the date of the sale;
- (3) Expenses incurred by the Commissioner arising out of the supervision or sale of the State trust company; and
- (4) Taxes owed and fees and assessments due the Commissioner's office.

(c) This section does not limit the power of a State trust company to buy and sell assets in the ordinary course of business.

(d) This section does not affect the Commissioner's right to take action under another law or sale under other provisions of this Article. (2001-263, s. 1.)

#### **§ 53-407. Authority to act as disbursing agent.**

If a purchasing trust institution acts under a written agency contract that (i) is approved by the Commissioner; (ii) specifically names each creditor and the amount to be paid each; and (iii) limits the agency to the purely ministerial act of paying creditors the amounts due them as determined by the selling institution and does not involve discretionary duties or authority other than the identification of the creditors named, then the purchasing trust institution:

- (1) May rely on the contract of agency and the instructions included in it; and
- (2) Is not responsible for:
  - a. Any error made by the selling institution in determining its liabilities, the creditors to whom the liabilities are due, or the amounts due the creditors; or
  - b. Any preference that results from the payments made under the contract of agency and the instructions included in it. (2001-263, s. 1.)

#### **§ 53-408. Payment to creditors.**

Payment to a creditor of the selling institution of the amount to be paid under the terms of a contract of agency described in G.S. 53-407 may be made by the purchasing trust company by (i) opening an agency account in the name of the creditor; (ii) crediting the account with the amount to be paid the creditor under the terms of the agency contract; and (iii) mailing or personally delivering a duplicate ticket evidencing the credit to the creditor at the creditor's address shown in the records of the selling institution. (2001-263, s. 1.)

#### **§ 53-409. Issuance of preferred shares by jeopardized trust company.**

Notwithstanding any other provisions of this Article or any other laws, and notwithstanding any of the provisions of its articles of incorporation or bylaws, any jeopardized State trust company may, with the approval of the Commissioner, and by vote of shareholders owning a majority of the shares of such State trust company, upon not less than two days' notice given by registered mail pursuant to action taken at a meeting of its board of directors (which may be held upon not less than one day's notice) issue shares of preferred stock in such amount, with such voting rights, with such preferences, at such dividend rate, and with such other rights and limitations as shall be approved by the Commissioner. A copy of the minutes of such directors' and shareholders' meetings, certified by the proper officer and under the corporate seal of the State trust company, and accompanied by the written approval of the Commissioner, shall be immediately filed in the office of the Secretary of State, and when so filed, shall be deemed and treated as an amendment to the articles of incorporation of such State trust company. For purposes of this section, a State trust company shall be considered jeopardized when it is critical that the State trust company obtain additional equity capital to avoid, or to cease to be in, a hazardous condition, and other means of raising additional equity capital do not appear to be feasible. No issue of preferred shares shall be valid until the amount of all shares so issued shall have been paid for in full in cash, except as may otherwise be specifically approved by the Commissioner. The provisions of this section do not limit the authority of a State trust company to issue shares as provided under other applicable law. (2001-263, s. 1.)

#### Part 6. Authority, Hearings, Enforcement, and Severability.

##### **§ 53-410. Commissioner to act under authority of the Commission.**

All the powers, duties, and functions granted to or imposed upon the Commissioner by law shall be exercised under the direction and supervision of the Commission. Wherever provision is made in this Article authorizing and permitting the Commissioner to make rules, the words "the Commissioner" shall be construed to mean the Commission. (2001-263, s. 1.)

##### **§ 53-411. Rules.**

The Commission may adopt rules in accordance with Chapter 150B of the General Statutes to carry out the provisions of this Article relating to authorized trust institutions and to ensure safe and conservative management of authorized trust institutions under its supervision, taking into consideration the appropriate interests of the clients, creditors, shareholders, and the public in their relations with the authorized trust institutions. (2001-263, s. 1.)

##### **§ 53-412. Commissioner hearings; appeals.**

(a) This section does not grant a right to a hearing to a person that is not otherwise granted by governing law.

(b) The Commissioner may convene a hearing to receive evidence and argument regarding any matter before the Commissioner for decision or review under the provisions of this Article. The hearing shall be conducted in accordance with Article 3A of Chapter 150B of the General Statutes.

(c) Disputes over decisions and actions of the Commissioner under the provisions of this Article shall be "contested cases" as defined in G.S. 150B-2(2).

(d) Except as expressly provided otherwise by this Chapter, an order of the Commissioner may be appealed, in writing, to the Commission for review, pursuant to G.S. 53C-2-6. The Commission may affirm, modify, or reverse a decision of the Commissioner.

(e) Petitions for judicial review from the Commission shall be made to the Wake County Superior Court and shall proceed as provided in G.S. 53C-2-6. (2001-263, s. 1; 2009-57, s. 11; 2012-56, s. 34.)

**§ 53-413. Civil enforcement.**

The Commissioner may bring any appropriate civil action against any person the Commissioner believes has committed or is about to commit a violation of this Article or a rule, order, or declaratory ruling of the Commissioner pertaining to this Article. (2001-263, s. 1.)

**§ 53-414. Cancellation of charter.**

Whenever a merger, share exchange, sale of assets, liquidation, or other transaction occurs by which a State trust company ceases to exist or ceases to be eligible for a charter, the Commissioner shall cancel the State trust company's charter, revoke its license, and provide notice of the revocation in the manner provided in G.S. 53-163. The filing, in the office of the Secretary of State, of a certified copy of the cancellation under seal of the Commissioner shall authorize the cancellation of the charter of the State trust company, subject, however, to its continued existence, as provided by this Article and the general law relative to corporations, for the purpose of winding up and liquidating its business and affairs. (2001-263, s. 1.)

**§ 53-415. Severability.**

If any provision of this Article, or its application, is found by any court of competent jurisdiction in the United States to be invalid as to any trust institution or other person or circumstance, or to be superseded by federal law, the provision shall be deemed modified only to the extent and only in the particular circumstances necessary to render the provision valid, and the remaining provisions of this Article shall not be affected and shall continue to apply to any trust institution or other person or circumstance. (2001-263, s. 1.)

**§ 53-416. Reserved for future codification purposes.**

**§ 53-417. Reserved for future codification purposes.**

**§ 53-418. Reserved for future codification purposes.**

**§ 53-419. Reserved for future codification purposes.**

**Part 7. Affiliate Transfers; Agent Appointments.**

**§ 53-420. Affiliate transfers authorized; procedure.**

(a) A trust institution may make an affiliate transfer of one or more accounts subject to the provisions of this Part unless the provisions governing the account explicitly provide that an affiliate transfer shall not be made.

(b) The affiliate transfer shall be made pursuant to a written agreement between the transferring trust institution and the transferee trust institution.

(c) Between 90 and 30 days prior to the proposed date of the affiliate transfer, the transferring trust institution shall give written notice of the proposed affiliate transfer to all clients and other persons to whom the transferring trust institution last sent reports or statements for the

account or to whom the next regular report or statement would be sent. The notice shall include the following information:

- (1) A brief description of the proposed affiliate transfer.
  - (2) The client's right to object in writing to the affiliate transfer, and the physical and mailing addresses to which the written objection may be sent; the transferring trust institution also may provide electronic mail or facsimile addresses, or both, as additional methods for giving written notice of objection.
  - (3) The date upon which the affiliate transfer is proposed to be effective.
  - (4) The identity, mailing address, and telephone number of one or more employees of the transferee trust institution who can respond to inquiries if the affiliate transfer is complete.
  - (5) The identity, mailing address, and telephone number of one or more employees of the transferring trust institution who can respond to inquiries about the proposed affiliate transfer.
- (d) Notices shall be sent to the addresses for clients or their representatives on record with the transferring trust institution and shall be effective upon receipt. Notices shall be deemed received three days after they have been posted for mailing with the United States Postal Service or deposited for delivery with a reputable courier service, with all postage or delivery charges prepaid. (2005-274, s. 2.)

#### **§ 53-421. Objection to affiliate transfer.**

If a client, or a person acting on behalf of the client, delivers a written objection to the affiliate transfer to the transferring trust institution at anytime prior to the date of the affiliate transfer, the transferring trust institution shall exclude that account from the affiliate transfer unless the objection is withdrawn. An objection to an affiliate transfer shall not affect the right of the transferring trust institution to continue to administer the account or to seek to transfer the account pursuant to the documents and law governing the account. (2005-274, s. 2.)

#### **§ 53-422. Effect of affiliate transfer.**

(a) Following an affiliate transfer, the transferee trust institution shall have all of the rights, powers, privileges, appointments, accounts, and designations of the transferring trust institution and shall be deemed successor to the transferring trust institution in any deed, trust, agreement, filing, instrument, notice, certificate, pleading, or other document related to the account.

(b) Following an affiliate transfer, the transferee trust institution is responsible for the performance of all duties, responsibilities, and obligations related to an account subject to the affiliate transfer.

(c) The affiliate transfer does not limit the transferring trust institution's liability for any of its acts as fiduciary.

(d) Unless the affiliate transfer is authorized by the documents governing the account, the transferring trust institution remains liable and responsible, while affiliated with the transferee trust institution, for the transferee trust institution's administration of accounts subject to an affiliate transfer. For purposes of this subsection, an affiliate transfer of an account made in reliance on subsection (e) of this section shall not be deemed to be authorized by the documents governing the account.

(e) Except as explicitly provided in provisions or laws governing accounts:

- (1) Qualifications for administration such as capital, assets, assets under management, or similar standards set forth in documents or laws governing the account may be satisfied by the combined financial resources of the transferring trust institution and the transferee trust institution.
- (2) Standards relating to the location or charter of the trust institution administering the account may be satisfied by the transferring trust institution or the transferee trust institution.

(f) Nothing in this Part shall be construed to impair any right of a trust institution to resign from administration of an account, or the right of a trust institution or a person interested in the account to seek the appointment of a replacement.

(g) Neither the rights of creditors to nor any liens upon the property held in an account shall be impaired by an affiliate transfer.

(h) Any claim or proceeding by or against the transferring trust institution pending at the time of the affiliate transfer may proceed as if the affiliate transfer had not taken place. (2005-274, s. 2.)

#### **§ 53-423. Trust institution as agent.**

A trust institution may appoint another trust institution that is its affiliate as its agent for the performance of acts, obligations, and responsibilities with respect to any account. In that event, the trust institution shall remain fully responsible and liable with respect to all actions of the affiliated trust institution as if those actions were performed by the trust institution. Except as explicitly provided in documents or laws governing an account, appointment of an affiliate agent is not:

- (1) An impermissible delegation of responsibility or duty by the appointing trust institution.
- (2) A transfer or relinquishment of account powers by the appointing institution.
- (3) A resignation or disqualification from the account by the appointing trust institution. (2005-274, s. 2.)

#### **§ 53-424. Construction.**

(a) Except as expressly provided in this Part, nothing in this Part shall be construed to amend or modify the laws of this State governing the establishment or administration of accounts or the actions of trust institutions.

(b) An affiliate transfer is not, in itself, a transfer of substantially all of the transferring trust institution's assets and liabilities.

(c) Except as explicitly provided by the documents governing the account, neither an affiliate transfer nor an agency appointment under G.S. 53-423 shall be subject to any provision of law requiring court approval for removal of fiduciary funds from this State.

(d) Except as explicitly provided by the documents governing the account, an affiliate transfer, but not an agency appointment, shall be subject to any provision of law requiring notice of a transfer of the principal place of administration of the account. The manner or timing of a notice required under G.S. 53-420(c) may be altered to comport with any provision of law requiring notice of a transfer of the principal place of administration of the account. (2005-274, ss. 2, 3.)
