

§ 108A-103. Duty of director upon receiving report.

(a) Any director receiving a report that a disabled adult is in need of protective services shall make a prompt and thorough evaluation to determine whether the disabled adult is in need of protective services and what services are needed. The evaluation shall include a visit to the person and consultation with others having knowledge of the facts of the particular case. When necessary for a complete evaluation of the report, the director shall have the authority to review and copy any and all records, or any part of such records, related to the care and treatment of the disabled adult that have been maintained by any individual, facility or agency acting as a caretaker for the disabled adult. The director shall have the authority to conduct an interview with the disabled adult with no other persons present. After completing the evaluation the director shall make a written report of the case indicating whether he believes protective services are needed and shall notify the individual making the report of his determination as to whether the disabled adult needs protective services.

(b) The staff and physicians of local health departments, area mental health, developmental disabilities, and substance abuse authorities, and other public or private agencies shall cooperate fully with the director in the performance of his duties. These duties include immediate accessible evaluations and in-home evaluations where the director deems this necessary.

(c) The director may contract with an agency or private physician for the purpose of providing immediate accessible medical evaluations in the location that the director deems most appropriate.
