

§ 110-105.4. Duty to report child maltreatment.

(a) Any person who has cause to suspect that a child in a child care facility has been maltreated, as defined by G.S. 110-105.3, or has died as the result of maltreatment occurring in a child care facility, shall report the case of that child to the Department. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making the report, including (i) the name and address of the child care facility where the child was allegedly maltreated, (ii) the name and address of the child's parent, guardian, or caretaker, (iii) the age of the child, (iv) the present whereabouts of the child if not at the home address, (v) the nature and extent of any injury or condition resulting from maltreatment, and (vi) any other information the person making the report believes might assist in the investigation of the report. If the report is made orally or by telephone, the person making the report shall give the person's name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the Department's assessment of the alleged maltreatment.

(b) Upon receipt of any report of maltreatment involving sexual abuse of the child in a child care facility, the Department shall notify the State Bureau of Investigation within 24 hours or on the next workday. If sexual abuse in a child care facility is not alleged in the initial report, but during the course of the assessment there is reason to suspect that sexual abuse has occurred, the Department shall immediately notify the State Bureau of Investigation. Upon notification that sexual abuse may have occurred in a child care facility, the State Bureau of Investigation may form a task force to investigate the report. (2015-123, s. 8.)
